

what we have and what we can do and again we declare that in this service there is no confusion in this house only [Music] Clarity that the things that ought to be done in this service will be done the things that ought to be said in this service will be said to the praise and glory of your name amen hallelujah God bless you have your seats and um Hallelujah all right uh we stopped somewhere around the things of the spirit and we said we have the Holy Ghost Hallelujah the Lord man is Spirit soul and body and we said we greater than magicians are greater than magicians a greater than Sorcerers a greater than diviners a greater Hallelujah a greater than magicians a greater a greater hallelujah amen the spirit of God is in us the spirit spirit of God is in me the spirit of God is in our midst we have the spirit of God hallelujah the spirit of God dwells in me Hallelujah first John chapter 4 first John chapter 4 and we'll read from verse verse 4 first John 4 and verse 4 you are of God little children and have overcome them because greater is he that is in you than he that is in the world so it says there's a greater one in you there's a greater one in you there's a greater one in you yes sir and the spirit that [Music] works Spirit of the Antichrist that works in the world is the greater one in you verse 13 or do 12 and 3 no man has seen God at any time if we love one another God dwells in us and his love is perfected in US hereby know we that we dwell in him and he in us because he has given us of his spirit because he has given us of what his Spirit verse 14 and we let's read 13 again hereby know we that we dwell in him and he in us so how do I know I'm in God God is in me because he has given us of his spirit because he has given us of what his Spirit was giving us of his Spirit Romans chapter 8 and verse 8 says so then they that are in the flesh cannot please God but you are not in the flesh but in the spirit if so be that the spirit of God what dwells in you now if any man have not the spirit of Christ he is none of his so the spirit of God dwells in me the spirit of God dwells in us and the spirit of God dwelling in US means we're in God God is in us such Divine oneness Hallelujah such Divine Oneness he that is joined to the Lord is one Spirit Hallelujah you see there's something uh very peculiar with the book of Acts something very peculiar with the book of Acts every chapter something about the book of Acts very common is the moving of the spirit amen is the move of the spirit is the moving of the spirit there something and so when he says the act of the Apostles we can say is the act of the Holy Ghost Hallelujah the acts of the Holy Ghost the acts of the Holy Ghost and the acts of the Holy Spirit are the acts of men because the Holy Ghost is in us the outpouring of the spirit is regulated by the activities of men I pour out my spirit on All Flesh your sons are pour out my spirit I pour out of your spirit he will P Peter added off his spirit is in us when he pours out of his spirit that now resides in US Sons and Daughters will prophesy so we have something to do say I have something to do I have something to do I have something to do have something I have something to do have something to do Hallelujah God Amen amen so the spirit of God dwells in us I know that same idea is repeated again in 1 John 3 and verse 24 he that keepeth his commandment will in him and he in him and hereby we know that he abides in us how I know God is in me how I know there is a how I know God is in Me by the spirit he has given to me so I'm very sure God is

in me the father of spirits is in me the God of All Flesh is in me he's in me Hallelujah he dwells in me he dwells in me now again see the words used to explain the believer like we said are the same words used to explain supernatural beings from Genesis to Malachi the same words used to explain supernatural beings are used to explain the The Man in Christ supernatural beings are called supernatural beings as in nature they are spirits The Man in Christ is also called a spirit Hallelujah the Man in Christ is also called a spirit Jesus speaking he that is born of the spirit is Spirit John chapter 3 in case you're not sure you're not familiar with that text John chapter three verily verily I say unto you except a man be born water and of the spirit he cannot enter into the kingdom of God verse six that which is born of the flesh is flesh and that which is born of the spirit is spirit so I'm spiritual Spirit I'm spiritual spiritual I'm spiritual I'm spiritual Hallelujah I'm spiritual I'm spiritual First Corinthians chapter 2 verse 11 for what man knoweth the things of a man sa the spirit of a man which is in him even so so he says there's a spirit in man even so the things of God knoweth no man but the spirit of God so there's something about the spirit of God that we cannot totally throw away the word mystery we cannot throw away the word secrets we cannot throw away the cryptic element there something there still a lot to be unraveled amen God had prepared for the uh verse 11 so the things of God know knoweth no man but the spirit of God now we have received not the spirit of the word can we say the same thing like the apostles but the spirit which is of god that we might know the things that are freely given to us of God so I have the spirit I know the spirit I have the spirit I know the spirit I know the things of God I have the spirit I know the spirit because I have the spirit I know the spirit because I have the spirit I know the things of God are you with me then in verse 13 to 14 which things also we speak not in Words which man's Wisdom teach but which the Holy Ghost te comparing spiritual things with spiritual but the natural man that's the unsaved man receiveth not the things of the spirit of God for they are foolishness unto him neither can he know them because they are spiritually designed the spiritual man the spiritual man First Corinthians 3 ver1 he says and I brethen could not speak to you as unto spiritual but as unto Cara even as unto babes in Christ I could not speak to you as unto spiritual so the Man in Christ is spiritual and we ought to speak to him as spiritual but many times that is not possible because of canal the certain things the believer gives his mind to Hallelujah and we also said that there is St all men are not the same in Christ Jesus we start off having the same things said our maturity and I think you can say uh particularly our experiences won't be the same with what we have is that so our experience es our wisdom our knowledge what we know will not be the same because that's why I can know more than you you can know more than your person around you I mean is that not so we can um talk about our assignment will not be the same then if we are exploits which will bet a certain specialization as we continue our walk with God we'll become specialist in certain areas we'll be very skillful in certain things come on yes sir so we can go on and on and we already started seeing differences so we may have the same Holy Ghost we may have the same righteousness the same things from the pro as a product of the resurrection of Jesus

but what we do with it will never be the same what we do with it will never be the same so there's progress to make so in our journey the Great Adventure of the Christian Life there's more there's always going to be more I don't stop and say oh we've seen it all you know some Believers believe they have seen everything they is to see about tongues say it's not just to speak we've seen all of that one another person he he forgets something and he just to go B I know where it is now he just goes what are you doing say the same tongues that you have gotten used to gotten familiar with another person just said uh I want to do something now just give me your hand holds your hands he's speaking in Tong and you start seeing some things some activities happening you're wondering that has never happened to me before yeah because there's more there are many things that have not happened to you are many have not happened to you because you're still growing in your walk with God there's more in your walk with God there's more say there's more there's more there's more there's more there's more there's more more to have yes sir more to have say we have everything in Christ Jesus what about when hands are laid on you say nothing is impeded is just what I have say that to Apostle Paul that nothing is impacted because we have this idea of everything has to be inside of me no it's the spirit of God that is in you amen and that's why we keep seeing differences with men all over the Earth so we're all the same we're all the same not really not exactly so we read Ezekiel 14 we read Jeremiah 15 and you saw there's the difference it says if Noah Daniel job were here then in Jeremiah he says if Moses or Samuel stood before me there something about the men who have walked with God there something about you when you walk with God Amen something about you when you walk with God and we do not all walk with God the same way because some people do not take it seriously look at what was said in Acts 15 about the apostles it said men who have hazarded their life for the C of the Gospel are the men we are sending to you that's not your normal everyday kind of person you see some Believers are always in their comfort zone they're still debating and arguing if they should give if they were forced to give why other persons are saying every time I get money this is the percentage I want to be giving some people are see arguing if they should give 10% 5% 2% why some what person I said no no no no no as I keep making a lot of money this is what I ought to be giving for the work of God to see that the say we're all the same we're not all the same oh because Paul says in first 14 when we GA and it says you speak us and the unlearned they said they will say you are mad the unlearned and the unbeliever the UN and unbeliever are merged together and the unlearned could be born again but because he hardly comes to judge comes once in a month once in 6 months doesn't even know what's happening it's not used to the things of the spirit so he's like the unbeliever amen so it's possible for a man to be saved and be like an unbeliever Paul say I could not speak to you as un spiritual but as unto babes can so there's something about maturity for the time you ought to be teachers you still have need that one teach you again so there's progress there's progress when I was a child I spoke I taught I understood as a child I became a man I put away childish things so how many child things have you put away how

many childish things have you put away do you still give word of knowledge in a childish manner you still embarrass people with word of knowledge put away childish things you say uh when Once the spirit of God gets to move in no no I don't know I can't control myself I don't know what is happening to me there's a spirit that just takes all over me put away childish things because if you cannot control what is happening to you you can't bless life effectively you become spook you be a bad example to other believers that's they affected the example of discipleship Hallelujah so the Man in Christ is greater greater than all the other mediums that can unbelievers wicked men no we don't wrestle with flesh and blood but doesn't mean flesh and blood cannot engage are you with me doesn't mean flesh and blood cannot engage on sin forces towards us or against us towards and against or they can't that's said no you know there's this laziness among whatsoever they call themselves Christos centry Grace movement whatever be the name which we are not a part of we believe the Bible Bible believing Church all right that's enough that's a simple tag any tag that that makes people not to associate with you don't agree all right because we ought to agree on the essential things I've said it over the years what makes you a Christian you believe in Jesus that he died for your sin anybody that believe that Jesus in the dead B and resurrection of Jesus is my brother and sister I will not argue over the nonessential fun of the nonessential is important but you will not put it as much as the essential who how do people become our brother and sister in Christ that they know proper Bible interpretation no so I I won't use that to not now fellowship with you no no no no I cannot say you are not my brother because you don't know Bible because if we know that then we will reduce the fight and those are the things we began to know in a very strong manner that made us calm down on social media for the last 5 years now and leave The Debaters and because there's always going to be somebody out there that is ignorant it's always going to be somebody out there that is ignorant and that sometimes can make you not see what God is doing in the land what God is doing on the but we know what God is doing Hallelujah pleas we know what God is doing in this ministry we don't know what God is doing we know what God is doing we know souls are been wor we know lives are being reached we know Miracles my phone is filled with testimonies many of you here healing people getting people saved working miracles and say Pastor I I I I did that was the first time I'm seen that Miracle beautiful right up God is doing something say I don't just know it's you that don't want to do something but many persons are doing something with what they have been learning Hallelujah so won't put eye on the negative won't put eye on the negative Hallelujah Ephesians chapter 4:1 and he gave some Apostles and some prophets some evangelist some pastors and teachers for the perfecting of the saint perfecting of the sa so to make the saint properly fitted for the work of the ministry for the edifying of the body of Christ Christ now you know the ministry gifts are just like what we call the nine gifts in First Corinthians 12 so they all gifts to the church amen so till we all come in the unity of the faith of knowledge of the Son of God notice there's knowledge and we said the two operative words God always wants us now that we are saved to Keep On Believing and to

keep on knowing and the two came together without the two you couldn't be you got knowledge you believe that knowledge you became a Christian come on that's the same way you continue as you have received him so walk in him so the same way you continue believing the things of God and you continue living by faith for the Jo shall live by faith so I'm alive by faith just like fish is living in water I live by faith so my functionality is in faith I'm always going to be a person of Faith say oh we're teaching this other topic the other day so I forgot that I'm a man of Faith No No we don't forget we don't forget whether whether we're not teach whether we're teaching on it or we're not teaching on it I'm always conscious I'm always the believer I don't oh it's been long with a series on speaking God's word so I forgot I'm supposed to be speaking God's word no no no no no no no no no I keep speaking God's word I keep speaking God's word Hallelujah uh Mark Hing said God's word was first spoken before it was written and it was written to also be spoken again so we keep saying it Hallelujah for the true explanation amen we ought to say it again and again it was spoken then it was written to be spoken again Hallelujah we ought to talk we ought to say something we ought to speak and so I know now that um my spirit my mind because who controls your mind controls your life so if I can control my mind am I going to be very useful to God very useful to God are you sure very useful to God sir so who has your mind has your life can we say that proverbs 4:23 guard your heart all the Dre for out of it are what the issues of life the issues of life so we ought to give no place to the devil now this was what I was saying uh some Believers are very wonderful in their christology or in their Grace Revolution or whatever they are doing calling that they know the truth and they say things like you say our brother and sister all the same and they say things like it's impossible to have an experience with God like a man of God said he was drinking tea said there's nothing like that what do you mean we started again we are no different we are no different from the people who say the closure of the cannon was the end of Miracles we are no different from them when we say Jesus has been raised from the dead now so every thing that ever happened in Genesis toi have stopped we are no different is in fact that was the spirit that brought that kind of teaching that there's a difference between the moving of the spirit in the Old Testament especially when you get up and you all pump us with your knowledge Old Testament begin from Exodus to Malachi CU that's just been pompus was you are doing books of the Bible new begin in four gospel begin from the book of Acts just a a basic understanding of History will humble you because all the four gospels were written nearly after many of the epis have already been written what are you even saying say it began at the day of the 38 what are you saying Old and New Covenant Old and New Testament used uh for books were not done by the original Apostles or the they not done by the it was the earliest interpreters of Paul and the rest the what they call the founding fathers that began to do all those separations just to arrange the books this book and that book amen because Jesus read from the book and there was nowh in fact you know there's no Bible verse that says because truth has come some move of the spirit has ended no one is over people who start forcing first 13 to be closure of Canon to be closure

of Canon or whatever they are closing that once the God has the apostles The Book of Revelation had been written the all the books had been written there's now A cation of the gifts who seized it are you that Wicked why not go around asking people who have received healing if their own was fake they said there's nothing like that there you can't be that DED in 2024 where you can interview people I mean a good researcher ask questions say I believe it has ceased what so what about my own healing my own healing cease to all of us everybody just lying all over the world because you're being argumentative just an argument so we should simply take them like a denominations because they are different denominations just like different denominations in the time of Jesus the sect of the Pharisees and Sadducees so it's not new hallelujah it's not new people believe different things but the emphasis if they believe in Jesus they our brothers and sisters I said that to say that is from those kind of people will hear things like there's nothing any any there's nothing evil that I'm trying to put it in a very simple manner uh okay let's put it this way nobody can project anything my way that is evil now lie nothing happen and the person saying the last time he prayed was 3 years back you are already a weapon that succeeded the weapon that was F against you have long succeeded if I he so succeeded that's why it has been 3 years because he feels that I wake up in the morning I go about by every day I'm fine and that's the vulnerability that Satan gives us gives you that uh that idea you don't know you are vable it gives you an idea that air of invisibility that everything is fine I read my Bible I pray but but I'm hateful but everything is fine how did you read your Bible and pray and remain hateful we can already tell what spirit that working you that spirit that allowed you to keep on is not the spirit of God and we must say it again and again so that we realize that what differentiates us from moralist is the spirit is the spirit it's not a glass window you have or a glass door in your office it's the spirit L I never ever talk to females I never ever talk to males it's not that dos and don't good and bad no because once you remove the spirit from conduct we are just an Eastern religion there's a part work in us and we must believe in that path doesn't mean you should be foolish doesn't mean you should lead yourself to Temptation nobody said anything like that so but it's quite common among the new creation people Christ whatever they call the appellations or sect name that is called that nobody can can speak evil and something will happen to me nobody can plan something against me nobody can Paul said your Paul the Pauline Revelation and when we say things not some people go to the Other Extreme cuz they always like to be in one extreme or the other extreme they can't just read Bible text and take what the Bible text me because we ought not to give meaning to any Bible text Paul says I wanted to come unto you but Satan with me now Paul obviously know he has Authority in Christ Jesus you see those kind of statements say nothing like that can never happen the almighty Paul and doesn't mean he doesn't have authority over Satan because he that's crazy idea say I would have come on to let's read it some of you are you are you are shocked say Satan hinder Apostle Paul pastors are H they're not born away yeah okay first isia chap 2 first Thessalonians chapter 2 and verse 18 wherefore we would have come unto you even I

Paul once and again but Satan did what mhm the word hinder means exactly what it means so let's be sure if it is hind that Romans 15:22 for which cause also I have been much hindered from coming to you so it's getting clear hindered is hindered I've been hindered from coming to you I've been hindered from coming to you are you seeing it so what's Satan fighting against the propagation of the Gospel so you are trying to preach the gospel but there's a hindrance you're not able to preach the gospel the way you ought so did they pray to be able to speak as they ought are you sure yes did they pray were there prayers like that Ephesians 6 verse Ephesians 6 and verse 18 praying always is this Ephesians 6 that has the armor of God praying always with all prayer and supplication in the spirit and watching there unto with all perseverance and all supplication for all sins and for me that utterance may be given unto me that I may open my mouth boldly to make known The Mystery of the Gospel so he say praying to open his mouth say he's not just come on to open mouth and preach for which I am an ambassador in bones and wherein I may speak boldly as I ought to speak so he's praying to be able to speak as he ought to speak he's praying to be able to speak as he ought to speak Colossians 4:3 and 4 we th praying also for us that God would open unto us a door of utterance to speak the mystery of Christ for which I am also in bornt that I may make it manifest as I ought to speak so there's a way to speak there's a way to speak there's a way to speak yes sir there's a way to speak yes sir all right there's a way to speak that's not all Paul is going to tell us more about Satan what Satan did to him so nobody you mean Satan did to him that's not fair Satan did something to Paul never not our Apostle Paul 2 Corinthians CH 12 we talked about the Visions he has had verse 6 into 7 for though I would desire to Glory I shall not be a fool for I will see the truth and now I forbear lest any man should think of me above that which he seeth me to be that he Heth of me verse seven unless I should be exalted above measure through the abundance of the Revelation there was given to me a turnone In the Flesh can be a sickness can be uh something in his physical body the flesh there can't be anything a sickness inside of his body because the tone in the flesh that phrase is used in Joshua is used in judges and is used for the enemy the Nations around Israel being a turn to their side coming once in a while to look for their trouble and fight them and want to take them over are you following so it's not it's not a new phrase in the Bible it says a messenger of Satan that get it makes it clear a messenger of Satan the word messenger there is that the word Angelos is that angel an angel of Satan notice he doesn't say Satan so Paul does know that Satan has angels and all of them are called devils like I've said there's a plurality said this an angel of Satan Satan didn't create anyone you hope you know okay so to buet me lest I should be exalted above measure now what does this mean of course we've T this over the years this is persecution Paul says that there was a messenger of Satan there were supernatural beings that were stirring up men to persecute him now look at an example of such in the book of Acts you know book of Acts will give you a bit of history there were some men in the book of Acts that's are you ready ask 23 acts 23 and verse 10 if you're familiar acts 21 was where it began to lead to Jerusalem where Paul will later be

arrested remember if you're familiar with the book of Acts those who read their Bibles a lot so when you at 23 you already know this is the end Paul towards where will go to Rome and finally be in prison and die and when there arose a great dissension the chief Captain fearing Les Paul should have been pulled in pieces of them commanded the soldiers to go down and to take him by force from among them and to bring him into the castle so the soldiers protected him and the N following the Lord stood by him and said be of good share Paul for as thou Hast testified of me in Jerusalem so must thou bear witness also at verse 12 and when it was day certain of the Jews banded together and bound thems under a c saying that they would neither eat nor drink till they have PA there your Bible they bounded under a c they said let's take an oath on this matter I swear I swear let this let me die if I don't kill him let me die if I don't kill him you know it took get they bounds under a curse the word bounds under a curse is the word an anatis to declare yourself liable to Divine penalty so they involv gods they had involved Divine they have involved Divine forces are you seeing it so they Bound By A C they were engaging and saying hey yes we must so they're engaging something by bringing it like that so it was it is no longer a normal conversation said they bound the under a course so they said it they bound themselves under a c saying that they would neither eat nor drink till they have killed Paul and there were more than 40 more than 40 which had made this conspiracy this swearing together so all of them that were in the plot and they came so it was not enough and they came to the chief priests and elders and said we have bound ourself under a great cause that we will eat nothing until we have slain Paul now there therefore ye with the counsel signify to the chief captain that he bring him down unto you tomorrow as though you would inquire something more perly concerning him and we orever he come near are ready to kill him and when Paul's sister son head of their lying in weight Paul's sister son head of the Ling in waight he went and entered into the castle and told Paul then Paul said I pray in tongues I dwell in safety I began to pray in the Holy Ghost I dwell in safety I dwell in safety no because this is already safety telling him what to do sir that's why somebody had the plot mhm so Paul called one of the centurions onto him and said bring this young man so he's he was smart he didn't say just tell me let me tell know there's a witness sir somebody wants to see you bring this young man to the chief Captain for he had a certain thing to tell him so he took him and brought him to the chief captain and said Paul The Prisoner now you see you can read this and feel like it's just natural but it's not because Paul is a prisoner how can they take him seriously that they want to kill him it was they wanted to kill him that made the soldiers first rescue him that's why I read from the beginning they rescued him because they wanted to kill him that they put him in prison first that they will he of the matter again so it won't make if you are going by Logic it will not make sense telling the chief that they want to kill him he will say one kill before make we car for prisoner that would have been the end then the chief Captain took him by the hand and went with him aside privately and asked him what is it that thou Hast to tell me and he said the Jews have agreed to desire thee that I will bring down Paul tomorrow into the council as though they would inquire somewhat of him

more ply but do not thou yield unto them for they lie in wait for him of them more than 40 men which have bound themselves with an oath that they will neither eat nor drink till they have killed him and now are they ready looking for a promise from thee and the chief Captain then let the young man depart and charge him see that I tell no man that thou has showed these things see if you are a horrible person that don't know how to keep secret can't be used of God cuz this is say don't go and tell somebody and say no now we are the ones that keep men of God safe we hear what it when we tell them just put it on on on on his on his Facebook there is a plot to get Apostle Paul breaking news it begins to Trend can we make this trend can we make this St everything is on on Facebook the whole life is on social media and he called onto verse 23 and he called onto him two Centurion saying Make Ready 200 soldiers to go to ceria and Horsemen three score and 10 and spear men see how many soldiers are been and provide them Beast that he May said Paul and bring him safe unto Felix the governor and he wrote a letter after this man now this is the supernatural yeah he just say one soldier follow him now if he die he die if he leave he live I have tried people are dying daily you know sometimes we don't want to see the supernatural in the natural and I've told you over the years learn to see the Supernatural and the natural say oh no there's no connection if it's just Supernatural just Supernatural all the way are they fighting is the superat natural fighting they are not fighting and that's how Paul was delivered so are you seeing that there was another that time they stoned Paul to death is that persecution so was Satan after his life so you have seen that Satan that steing up people you have not seen that Satan that stearing up people that's why one word you will see used you say and they sted up you see that word used a lot sted up Acts 14 they starred up the Gentiles and made their minds evil affected against against the beden just like Paul was stared in his spirit so many times the gang up they were stared up look at the acts 21:27 when they saw him in the temple stirred up all the people and laid hands on him crying out men of Israel help this is the man that teed all men everywhere against the people and the law and this place and further brought Greeks onto the temple and has polluted this holy place and who were the people Satan was walking through here religious leaders religious leader like like like that so Satan uses men notice how they preach then the spirit of divination Paul looked at that lady that had a spirit of divination can you recall yes sir the spirit of divination that lady with the spirit of divination act 16 and brought her master much gain by suit saying the same followed Paul and us and cried saying these men are the Servants of the most high God which show unto us the way of Salvation and this she did many days verse 18 and Paul being grieved tor Paul being grieved is that an emotion so your emotions can be used by the spirit that's why I told you about man is Spirit soul body and I talk to you about the mind so you can pick signal with your emotions Paul being grieved in the spirit many times not all the time for those of you that La formula many times when you are grieved in your spirit suddenly somebody is telling you something and you're grieved in your spirit could be an activity of a devil for example on Sunday after service there was a lady that was just telling me something and she said oh something has

happened to her before and she want me to pray for her so that uh I just laid hands on her because I was rushing I was about to travel so I was in a hurry I just laid my hands on her and um but as I began to pray all of a they just staring up I know I'm not new in the matter the M it that was just that staring up so I grabbed that by the hand and I said th devil oh the devil has entered does pray no no no no no no no the switch was automatic cuz I laid hands I was just all of a just they was just staring up that staring within me just this anger about what she has said that happened to me sever times a lady like that tell in church also told me she had a dream and I dream uh and she said is just something I will just use God's word and cover it now I said and I said no CU something negative I said you know we can give it a new creation meaning that is that is true you can do that with many dreams but I said yeah yeah yeah cuz that's what she was saying so I just agreed with her yeah I said no you will rebuke it because the plan of the enemy Ah that's say no no there's nothing about it so there's a staring up is inward witness you wondering what it is so the inward witness is not an emotion but it can walk through your your emotions it can walk through your emotions sometimes you are stared like that so that's how I was with the lady I just held her hand I just stared in a manner that I was angry about what she had said so I held her hand I said th devil the power of God hit her strong she fell on the ground and I laugh laugh that's the answer laughing now means it has been done all of a sudden the same me that was angry started smiling and I said Satan is a fool he was hiding I'll just touch her and just go and she say oh Pastor L down on me the hand of the anointed has touched me nah then they wait until I reach 78 months devil you're a bastard bastard spirits unclean Spirit ah I caught you there I was just I've caught you that's how you you you wanted to hide just sneak didn't even show me normally when I pray for people is the first thing that once my hand touches the person and I'm because I was already in the spirit already it will be the first thing I will pick but I prayed I finished my prayer and want to tell her all right as I to say all right that's 20 guys grab do it's done it's done lab it's done done there a note of victory in your spirit you just know Hallelujah so Paul was grieved turned and said to the spirit I command thee so we have authority yes I command you in the name of Jesus Christ to come out of and he came out the same and when her master saw that the hope of their gain was gone they caught Paul and Silas I drew them into the market place onto the rulers and brought them to the magistrate that's how they entered into jail are you seeing it so when it was black powder when it was pass it couldn't hurt Paul but when he switched to physical so that tells you that sometimes when Satan knows he can't get you he's going to use people I'll repeat it again when Satan knows he can't get you he's going to use people he going to use people whoo unto him wo unto her who Satan uses like that just sat is just using you like that you have not Satan uses people people Satan works with people but that was the only way so they now came physically not spiritually again because not work so are you seeing that many when the spiritual does not work the physical because you're physical so they also come physically too now this physical okay this what we do we just put him in so put put him in prison but that's where also J Philipian

Jailer Paul is a man on the mission in prison somebody he still weep the devil again as if he not know he give another slap see yeah but you know what they prayed they sang Bible say there was an earthquake is not an earthquake like earthquake like you he natural disaster earthquake that earthquake is a language that means there was a is it's like Lightnings and tond you he there was lightning and tond all those theory was earthquake lightning and tond are was that explain the PA flow so there was an earthquake there was a divine man answer of power so and the place was shaking now the earthquake is a supernatural description of everywhere scattered and it was so obvious because the chains fell off not just their hand because the the the what they had released shattered everybody's own too that they thought that they had the Escape you are looking at me I not your own verse 25 and at midnight Paul and Silas prayed and sang praise unto God and the prisoners heard them notice they heard them and suddenly there came a great earthquake I love suddenly and suddenly there was a great earthquake so that the foundation of the prison were shaken and immediately all the doors were open and everyone's band everyone bounds were loose and The Keeper of the prison awaking out of his sleep and seeing the prison doors open he drew out his sword and would have killed himself supposing that the prisoners had been fled and Paul cried with a loud voice saying do thyself no harm for we are all here how did Paul know the man harm himself notice the next and calling do thyself no harm for we are all here then he he called for a light and sprang in and came trembling and fell down how you will fall down Supernatural sir are you seeing Supernatural yes sir so you don't need to type Supernatural in the Bible to be seen references is everywhere everywhere when you want to look at their experiences say how many EPO very lazy Christian many in the EP what is EP what iing EP to explain the C how many references in Genesis to Mal that should be the key thing you are saying because the episodes explain Genesis to is that not the is that not the call where is the main juice Genesis to Mal or to Revelation to Mal that's the scripture that's what everybody was reading did the apostles read their letter they didn't read their letter and their letter is not is not does not contain all the truth in the whole world now but look at how small it is so that's all Paul taught what have I been preaching Paul all his years of preaching see see small even if you don't want to be smart be smart try even if you don't want to be the everything he T the Church of eus even your sell guide for one month is more than that three and a half years AB no now they wrote letters just like in Acts 15 they wrote letters to when Jerusalem they wrote letters and they gave it that's the letters were interventions that's how the episodes are they wrote they were intervention not many of them were answering questions not not like Paul was standing their mid and teaching no interventions so you want to use that as all Theon Paul preached Epistles in themselves do not agree and confirm that were lying on their head that can't be all they thought amen and of course that is not all the thought it's quite barbaric to even think so amen so it's supernatural say there's nothing like that s Pastor Sor nothing can ever be fashioned against me sir no no no no no sir no nothing can ever be fashioned against me sir because you see that isah 54 no

weapon that formed against the shall prosper notice he did not say it is not formed the issue is that not Prosper but our overy saying nothing can be formed CU fear the fear it's fear that making say nothing can be formed no there are things that are formed there are things that are formed no no weapon formed against me shall prosper and every tongue that rises against thee in judgment thou shall this is the heritage of the Servants of the Lord and their righteousness is of me sayth the Lord no weapon that is formed against thee shall prosper any tongue that Rise Against say no tongue can Rise Against Me thou shall condemn that is even worse you will condemn it how many have you condemned you say so that that mean that every I pray I should be saying every tongue against me I cond every against me I that's stressful that's stressful but you can eat food stressful stressful but make us of certain denominations that are doing die die that strong man I don't do that I know who I am in Christ I know who Christ is in me and that's crisis no crisis in me no crisis in crisis Christ is in me I'm in Christ you're over pushing it you're over pushing it say see I give unto you power to upon sabits and scorpions and over all the powers of the enemy and nothing shall by any means hurt you that means something was planned against you but the outcome is the same you will escape it the outcome is the same the outcome is the same the outcome is the same the outcome is the same Hallelujah Lord amen the outcome is the same you shall not hurt you look at Psalm 91 I'm I preaching to people this evening Psalm 91 don't get there in your whatever you call it your christology or your soal sound Doctrine Baba sound Doctrine people and you begin to say silly things which is what Satan wants I'll repeat it again Satan wants you to say those silly things Satan wants you to not walk with the truth properly also Psalm 91 I will say of the Lord is my refuge and my Fortress my God in him will I TR I will see surely he shall deliver thee From The Snare of the fower you say there's nothing like snare of the fow Pastor have you observed that this is Old Testament oh God it's Old Testament that was before Jesus died that was before the blood of the lamp was shed but now that the blood of the lamp has been shed there's no snare of the Fowler no noome pestilence no pestilence that WTH in darkness verse 6 no destruction at noon day no thousand at the side or 10,000 at the right hand no lion or other or young liar or Dragon ver To Tread upon s there's nothing Christ has done it all it is the finished Works say he has finished [Music] it Glory I know who I am I know what I have you are mad you are beside yourself you think you think what are you doing as over as over knowing the Bible more than the word of look at confession of the word in person Satan has come but I found nothing in me the word in person how many word will you know more than the word doesn't that mean that we should be enemy Centric in our thinking doesn't that mean that everywhere we go Satan is after me there's G up over my life there's a conspiracy that's fear that's not how we live but a Deni and say there's nothing like gang up you are full the Trap they set it cat you they set the Trap well stop thinking Satan likes you stop thinking Satan likes you stop thinking Satan like that you have a good pastor soon you know that one especially soon your life will be better you think is happy that you have a good pastor is happy that you you get blessed in Services he will find a way for you to be

just need to go back a bit I just need to step back a bit now now that your deliverance have come oh now that you have changed oh now that we have everything we have we have we we have helped you is now I'm I preaching to people this evening I heard that kind of thing and even the person maybe figures it out I told somebody I Satan Satan Pastor I don't like how you mention Satan a lot in your message these days you not like this those days oh guy you never knew me shut up shut shut y I've always mentioned Satan which I'm been mentioning Satan because for you there's nothing like that there's nothing like that you know how many lives have been destroyed by Satan does not mean we should be scared but don't be deceived and say there's something like Satan Satan will trick you into not being blessed he will trick you see all the examples I give now even somebody that all of a sudden somebody that been see there just so many persons that have talking a lot about me these days I just I just need to I just need to I just need to withdraw step down from all these different unit activity I just need to step down from I just want I just want to be on my own when I get now that last part anytime in my mind okay it also happens so me too me your man of God cuz that time I'm I'm not man of God man of God ah once in a while like that I just I don't want to be talking to anybody I just want to be on my own people don't even know how to honor and say thank you s when they bless I I I just I just preach go and just go I just preach go and go I feel S I laugh I caught you there the same way you hear voes like that in marriage yeah yeah yeah she said wish she to die yeah I own is too much in this house you will now think it's you you are thinking or is that how to think Somebody's Daughter you carried from you die you should know you are in Anger you should know I mean very easy to tell when the SP of go is not working in you but you not cover it up like no no no no I can never hear a wrong voice I can never think the wrong thing I can never desire the wrong desires wow I always say what is that voice that tells you me and my husband will wear one trust that is that from God which spirit of God will inspire somebody to wear one one TR it's very easy to tell and you know but you not yourself no I will not I will not I will not I will not play the food calm down let me leave the marriage setting so that you don't feel like I'm talking to somebody but people always feel like the old M revolves around them but I've said something there I've said something there the same thing about relationships the settings Satan will trick you that you're not that important you're not that important not that you're not that important a young person just got saved learning God's word growing I said you know that that that ministry will make you too spiritual you will not have time for money you will not be making money like that you just look at you just can't through the front the back I said yeah it's true many of them don't really have money like that I'm not going to follow them like that they observe there are also many that have money but they are not very regular in church in Church in church and it will not come like voice like that it just come like you are thinking I say since I joined this ministry I've been taking to I come to church 330 I'm really jobless I need to get a job Pastor em man do you have a job for me can you find a job for me somebody that was supposed to keep call me regularly so that his is rooted don't move but he saw it as

wisdom no no no no no no no any wisdom against the written word not be not be the written word though not be voice of God though Not how James say that wisdom is Son of God so there are many wisdom that you you have made up your mind we go see where this go end and never not know me sometime can a Christian say you don't know me I know they forgive may you said that just just say glory to God the Deliverance has come I finally know now that was Satan is you don't know me I know the ah say go ask around hey we asking around now and who the word of say all we have forgotten all of those ones so no now we have forgotten that one so there's nothing like Satan can fly against San nothing my brother my sisters I want to tell you hear it from this pastor that you believe in no small Bible there are weapons formed the Bible not say weapons will not be formed it say it will not prosper and the reason why it's not Prosper because you are taking a stand because because you know your Authority in Christ Jesus because actually do is actually do come to pass for many other believers that always do Netflix and chill they're always relaxing they're always resting Hallelujah so like I said this Psalm 91 you just read it and say surely he shall deliver thee from the SN of the father say Oh Glory his Old Testament his Old Testament Oh Glory Glory Glory his Old Testament now there's no snare of the fower anymore Jesus have destroyed the devil Kio he rendered him useless Satan is a zero then you go further The Knowing some personent D nothing like that anymore the blood of christoo Terror By Night n nothing like that he give his beloved good sleep not for the pestilence that WTH in that there are no p l in darkness destruction that wasted at noon day nothing happens in the noon day A thousand shall fall by the side thousands there's no thousand against me no 10,000 against me nothing like that can ever happen nothing like that can ever be formed against me after you are done sat say we've got him we've got him we can go now his defenses are broken down and you thought you were setting up your defenses being I know who I am glory and in Baba you just you went to where the walls were and he said I would be needing this I won't be needing this all everything you just said is the I day you can find me now because I won't be needing all of this anymore because all satan cannot do all of this anymore because Jesus has been raised from the dead because the resurrection is the total defeat of Satan is that a correct truth it's a correct truth it's a correct truth does not give you the reason to nullify that there's no more Satan moving to and through the Earth seeking who he may devour it was the word manifest in flesh that say Satan wants to se you as we telling Peter Another Man cast that devil before in Luke 10 remember the devil was to R hope you know one of the guys that out devil is the one that what is your life worth you have betrayed your master nothing to live for anymore yourself H yourself yourself yourself yourself like a sling snake hang yourself and that's I what is my life why Peter Jesus from tell Peter and even Peter Peter Peter from Peter and I don't what is your life after you so he so loved you he so loved you you betrayed with a kiss what is your life worth end it it was it was not godly sorrow the Bible gave us the word there used for it is guilt and condation that's how ended his life so Satan has special weapons that work and in a series like forces we just tell you all you want us to talk about is black

powder and mirror that they work again have stop using all those things now it doesn't work on church people no I I stop it now church people know who they are too much but the one that they don't know is how to leave a life submitted to God's word so he can you see there will never be a man of God like Daniel I have walked with the Lord and one day he just Rises up from his bed say I Bennett son of the most high God representer of the [Music] truth Wier of the sword of the spirit user of the breastplate of righteous one fully shielded with the ghetto of truth I know who I am I know what I have I will not let any man of God talk to me anymore I would talk to Nations I'm still on the cause that I must follow in the name of Jesus Ministries will come up me Nations will come for me for I know what the Lord said to me 4 years ago he said you are R for your kind will only walk the air two [Applause] times for thou knowest that the key of David is in your hand you will open and you will shut and not say that's New Creation yeah it's true now they not go further for that which WTH effectually with Abraham is now on you and you are the only one that carries this mantle for this generation for this your generation shall hear your voice for thou art the chosen one and no longer should you allow any man of God put you down keep you low keep you down keep you low for thou are seated on high make sense for there may be some of some men of God out of Envy who will say what do you have in your life what have you seen in your walk with God but don't let that get in your way for you are set on the ca for you are no ordinary man of God for you are my beloved and fall and then he will fall on the ground in his room I fall on the ground he say my king you have spoken to me I hear your voice then he gets up then he misses first Wednesday service and we called him he's nowhere to be found he says I I was praying what an excuse to miss church you can't think that you are mad somebody said to us long time ago he say he said I just want to take two days I just want to take three days I'll miss when I will miss Saturday and Sunday service I just take out days and just pray I need to seek God's face outside service wow that you really want to find you will find it ah you will find Satan always is ready for you where you are going as you as you just entering will start talking to you but is all called thinking thinking it's not everything that you are thinking that is of god it's not every enter your mind that is God that put it the sooner you know it the better your life will be life light and love are the three things that Satan Wars against and he a trick star is against the truth hallelujah amen seeking whom he may devour so Satan is looking for who he will devour how come Paul did not know that Satan cannot devour anybody I first Peter 5:8 Peter oh oh oh yeah Peter does not know truth I remember Peter does not know anything it's Paul that knows everything be so Vigilant because your adversary the devil as a r work about seeking who may devour Satan is seeking who may devour whom resists fast in the faith say you should resist him more and you know the context was persecution but he show you that I see a plan of the enemy M Hallelujah whom you resisted fast in the faith I resist him Ephesians 4:27 neither give place to the devil so I won't give place to the devil make sure you are not James 4:7 submit yourself therefore to God resist the devil and he will flee resist the devil and he will flee so he was coming before no wonder he will flee resist the

devil you know what he said before that but he giveth more grace wherefore he saith God resists the proud and he gives Grace unto the humble God gives Grace unto the humble again first Peter 5 notice the same context when I say submit unto God the devil look at First Peter 5 verse 5 likewise he younger submit yourself unto the Elder yeah all of you be to one another and be clothed with humility for God resists the proud and gives grace to the humble and gives grace to the humble did you see that and gives grace to the humble God resists the pride and gives grace to the humble God resists The Pride God resists the proud so one of the ways as a man greater than divers and SAS I will engage forces and live a life shielded against forces is to wear the cloak of humility is that not so the cloak of humility so that means humility is a defense the more I humble myself so there's there's never going to be a wrong time to be humble there's never going to be a wrong time to be humble God resists the proud and gives grace to the humble he gives grace to the humble your adversary when do adversaries attack when do enemy Army attack it's not when the people are more vulnerable thank you seeking who may divide so it's the same first Peter 5:8 God gives grace to the humble Hallelujah he gives grace to the humble I'll humble myself I'll humble myself God will not humble me I will humble myself I will humble myself say God resists the proud so humility is a posture when you were little in your own eyes so what brought Satan to his house his pride Samuel saying when you were lifting your own eyes God made you notice how he was so conscious of himself he said sir acknowledge me before the people that's T Samuel's cloth after Samuel I said let's read it to obey is better than sacrifice remember it and to harken than the fasts of RAM and Samuel said had the Lord great Delight in Burn offerings 15:22 as in obeying the voice of the Lord behold to obey is better than sacrifice and to harken than the fast of RAM for Rebellion is as the sin of Witchcraft so there other way witchcraft is done this one now they don't need somebody else to do it to you you can do it to yourself you can be the witch assigned to your life ah oh you shock you can be the Divine over your life you can be the sorcerer over your life by the negative things you say okay now they sleep again cuz I know who I am listen now I know who I am for Rebellion is are the sin of Witchcraft and stubbornness is as the iniquity and idolatry you even me I'm putting myself again I've had conversations like you can't just forgive it like that you can't just let it go like that you can't just sweep everything under the carpet you can't just no no you can't just let everything go like that you can't you can't situation you know because you you are sure you didn't do anything wrong oh oh you can't just you can't just you cannot you cannot you cannot reasoned it everything that you cannot you cannot you cannot is anti the word of God it's anti the word of God you cannot you cannot you cannot why is it being reinforced why is it being strengthened and that's what prayer allows you to see you allows you to think clearly because when you are in the situation you can't think when you are not praying when you are not soaked in go you can't think say oh I catch you because what is the meaning of this you can't you can't you can't no no no no no no no no no no you forgive you forget it you remove it from your mind so every time you see the person that's what you are thinking about that's the proper position

Hallelujah yeah many times funny enough when the devil is attacking Believers outside peace love joy who they are in Christ you will not be thinking properly you will think you are thinking properly but you're not thinking properly when you later have gotten yourself back and maybe everything is all over you now look at your action you now realize that this thought not follow what they do me yeah because it's all because demon possession is outside your mind but this is not a possession so I don't want to use the word possession this is all different levels of every level of satanic Onslaught on your mind have you not thinking properly that's why you get yourself that who rushes and makes hasty decision a life or a life altering decision you made it while angry no say now Satan want key you could not even come down and take your time give it one month say I know what I'm going to do now H that not too soon let's wait if you'll be angry again after one week after two weeks say now you strike when the fire is hot you going to get African Proverbs I'm setting people free this evening yes sir you know you don't like this one this is this is not your move of the spirit this is this one Satan fears this one more than when we all speaking right now when we speak right just go outside and wait when we close he will start entering the people back say I will do again say yeah some people get angry that they were humbled oh no no no no no no when I stand before people I honor I like to take that position I always take that position I will ensure that after today nobody will ever be able to correct me anymore what have Satan just done to you you think you are smart nobody after today he that Hardings his neck will be destroyed without remedy so this is the final blow you will now think ah no but we don't need to study all of this you just need to live and work by the spirit because it's not about knowing how many formulas so we said you think King with clear eye that's why John The Book of John he now tells us that it was influenced by Satan he that hated his brother is a mother so see that the same Spirit mother hatred the same flow is the same flow just like there's a flow of the spirit there's a flow of of Satan Hallelujah so I learn how to engage forces and some of the kind of uh things we don't take so seriously are things like what I was mentioning just now humility see how many persons have in fact the Nash in the garden be shame Satan because of Pride we don't take that too seriously I know you are think I'm going to mention some list of sin no it's not list of things there just some things you've seen the positioning of it in God's word the Bible makes it a very serious thing so I will not take pride as not a serious thing I will daily check out for it am I exulting myself more highly don't think yourself more High than you ought so remain little in your own eyes it's not a wow that's good confession M position yourself like that because God resist the proud and gives Grace so that means when I'm in that humble position I'm actually the man I can receive I can receive Grace you know what Grace is don't we all want Grace in this life so if you don't want me I want so I always want Grace no we already have Grace in Christ because abundance of Grace oh my you now use Pride to have more grace because you have abundance of Grace according to Romans 5 of abundance of Grace Glory I don't need any more grace in my life whoever says he does don't need help I don't need help again I always need help I always have help I will always need help God is

always helping me the Lord is my helper you know that's that's why David personalizes it the Lord is my helper so that means he's always helping me say I think I'm fine now I don't need your help anymore I always I always need my helper helping me hallelujah amen the cloak of humility so is that a way of can a Believer engage forces like that can he engage forces like that being a greater than S a greater than magician he wears his cloak of humility he humbles himself first Peter 5 it says then you'll be exalted the hand of God the mighty hand of God will exalt you when you bring yourself low so a positioning so every one of us should have a servant attitude AB yeah now talk about the obvious ones you know prayer you cannot engage forces without prayer just like we say you can't engage forces without being humble you can't engage forces without being without prayer just like last week where we had that congregational prayer I taught you a lot of things don't forget that add that to your knowledge of this thing I just said about prayer but he said God have said it he will do it he said no I will yet be inquired concerning this matter what he have said he will do he said I will yet be inquired we read ezek 36 I will yet be inquired what said we do he said I will yet be inquired of this man you will see pray about it in the year of rain you will see ask for rain he say go into all the nations it say ask for the Nations of inheritance which one which one are you really saying sir I've given you the Nations as an inheritance is he say ask for the nation that inheritance you have given me or you have not given me stay one place God say I've given you but ask for the Nations asks then you say go you see you see go he does not remove you Jerusalem there's peace there's peace there's peace Isaiah is he said but I have set what men who will not rest hey I thought you already said there's peace why is are you not see certain Watchmen on your W there's a need for prayer when you don't pray you'll be seeing all those nonsense that is it by prayer is it by prayer that's already a proof that you have not been praying When you pray you will not talk that foolish thing because you realize that prayer allows you to be smart you are sensitive your responses your breath you know when you say say put your breathing regulate your breathing your breathing is regul regulated you don't just act anyhow normally you will act in Anger you be come normally you because you are praying you able to control yourself a bit better because you are praying prayer you don't know what prayer is not just that we see evil we can see danger we can see danger coming ahead not just that we can see danger ahead in prayer prayer prevent poor performance AB pray so we not fall into temptation in prayer we can make our desires known in instead of worrying about it I can tell go we can go on and on and on and on about prayer you can't even exercise your Authority outside you you one of the ways you ex Authority is by prayer is that not it James the effectual PR man aved much power is made available in the place of prayer prayer makes power available so there's a need for prayer say there's a need for prayer for pray pray without season I must pray once and I've said this on on on Friday last week once you know the importance of prayer you will never stop praying again you will always want to pray you will never you oh you always want to pray you are easily the hand of Satan when you don't pray until you start praying you will never appreciate the statement

when you start praying you will see it that ah no wonder yeah pray every day I told you this year to pray every day yes sir you remember yes because Satan is not resting how come on I told you that he has doubled up yes sir what's the word I used can't recall but you get application yes sir okay knows the has but a short time oh blood is AI is ready okay I found the word The Rules of Engagement have changed is not playing by the rules you know it's a cheat you don't Satan is a fraud you are the one saying is normally not supposed no no no he's not doing you're normally not supposed to anymore he know he has a short time the Rules of Engagement has changed is the game has gotten tougher March one end and strong men have been raised across the Nations said never you know time time is up strong men are being raised everywhere strong men are been raised everywhere strong men are being raised everywhere see is just coming down and letting strong men to be raised everywhere never Satan is not going to allow strong men to be raised everywhere say Satan Satan message today what's happening because Satan wants us not to mention his name in our message so don't me focus on Satan you cannot focus on Christ and not see what Satan is doing and neither should you look for what Satan is doing but when you Focus On Christ when you focus on who you are what you have you see that you have authority over because that's the adversary there are powers of Darkness and Light and darkness is in a constant fight is in a constant War whether you enlist yourself or not you already been Enlisted the stri of the mass must be temperate Hallelujah there's a need for prayer I'll pray without season hallelujah amen so we talked about the cloak of humility in no particular order so that means Grace and submission is a power Grace and submission is a power that can engage Grace and submission oh boy when people hear submission they say what kind of thing is this what kind of thing is this what kind of thing is this one of the tricks of Satan that makes people fear submission is that old Prophet young Prophet storing the Bible it has been used so much by Satan to not allow people submit and what I said to somebody one time one of the last times I heard a young Minister I'm say a young Minister somebody just end up in Ministry telling me that kind of I don't want any old Prophet I said that was not that man of God's man of God it was news he went to deliver that was not the young Prophet man of God that was not his man of God it was news he went to deliver and that's why you learn not to talk not to see everything you talk too much he said everything God said to him he said everything God said to him God even told me also not to eat no that's when the older Prophet heard it was that older Prophet that buried his ministry so after I finish eating I say the old Prophet that told me to eat that an angel of the Lord appeared to him is the one that not prophesied his death and say you leave the lion will M you that's how I died the young Prophet the old Prophet don't I use that one everybody say be careful you discuss with older ministers that's not it that's not what the lesson that story is the lesson in that story should not be that what you should have seen there is follow instructions if God tell you to do something do what God Said God told you not to tell anybody not to even withdraw anywhere but he still withdraw somewhere because somebody else told him say oh we supposed to submit m m m that was not his

man of God all the set scenarios you are trying to set up or to set up to make you now use that as the reason why you're not submitting are all not of God instead how you should see the young old Prophet is like an old Prophet say you don't need to be praying again you don't need to follow God's will for your life that's what you should be seeing because the young Prophet said I will follow God's will the other Prophet say don't follow God's will that's how you should actually read it but instead you are reading it as okay okay because you already have something your heart nobody can ever correct me that is not you can see it now that nobody can correct me nobody can nobody can arrange what I'm doing properly is not how Ministry is done but it looks like he the same it's not the same it's not the same and until you answer that fear you can't you won't be used of God properly because you always feeling like something somebody something Hallelujah I'll pray so we talk about the cloak of humility humble yourself humble yourself I don't need to set examples for you too many examples of pride in the Bible too many examples of surely the Lord anointed it before me but yet it was the it was um David that was at the back of the Wilderness that was the one that the O entered his head samed before me but it was not the one was not the one it was the one relegated to The Backs side the one that did not seek self promotion and see it if it was any other person so would have killed him because would have announced it on Facebook I am now the king do you know that God has not God has withdrawn his anointing from s from from Saul but instead he kept saying Saul is God's anointed because he did not seek he did not seek position he allowed God to give him position that's a humble posture you're not self-seeking Romans 12:1 do about I mean there are several scriptures that tells us to be humble look at the Incarnation as the greatest example let this mind being you also in Christ Jesus who taught it not brought himself low Hallelujah humble yourself tell your neighbor be humble is this the best you can preach thank you pre it be humble be humble say no I'm already humble we are still be humble Hallelujah do we need Grace in this life yes that's a posture there's nothing The Humble man cannot receive no Grace is far from The Humble man no Grace is far from the man who submits nothing so powerful is that position that Peter even used it and said you can get an unbelieving husband saved you can get the unbelieving you can change h of a Meek and quiet spirit is see how powerful no nobody can tell me that I'm not a fool okay brother is not fo is not fo all you is not fo you are too wise glory be to God no Wilder you will never be wrong walking in the spirit I've say you know I say this every time there will never be a time that walking in love will be wrong there will never be a time that's why that's why I should not be scared to talk to God about my decisions when I said I made up my mind I tell God lord look at what I want to do why are you afraid to tell him if you really are walking in the spirit and You Walking In Love tell him so now Lord there decisions I wanted to make about discipline somebody and I told God and God says go ahead I'm not scared to tell things to God why are you scared that's already how we know Satan is involved I'm preaching here so there's a need for prayers another thing we say about you positioning yourself as a king priest and Prophet because you can't be you can't position

yourself as a king priest and Prophet you can't live supernaturally that's what we're talking about you can't stand as a force on the earth f o r c e talk about onse forces you can't stand as a force on the Earth andage ing the powers of God and bringing down the powers of the enemy without the cloak of humility you can't you can't and you also can't without prayer you can't you can't the same way you also can't without the seeing of the Prophet I wish all of us have that eyes I wish all of God's people were Prophet when he brought them out from the Wilderness he said touch not my prophet and do my touch not my and do my Prophet no the prophet there is all Israel was called Prophet Moses said I wish that all the lost people were Prophet I will give them his spirit all the lost people the Church of the Lord Jesus is the Lost Prophet we are the prophets of God and not talking about the office of the Prophet like Ephesians 4:11 not that one every believer can see and hear every believer stands in the council of God hallelujah you cannot live life without the seeing of a prophet the sight of the prophet and we all have it we don't need to look any further and searching searching no you just need to learn how to open your eyes you want to engage forces imagine how many things have changed in your life because your man of God saw something just imagine that and somebody will downplaying is not by Vision it's by Vision sir allow me to be having vision I'm done know Satan can frustrate a solid Ministry let's say God has given you something about dreams and Visions he will make you feel like you having dreams and Visions regularly is a bad thing I see a lot of persons once in a while people just get up and say beware dreams are too much too much dreams be careful why you always speaking down on dreams and can't you you don't need to speak Down Dreams and vision to speak up inward witness because there are always can receive direction from God there are always we can receive Revelation the only difference is that those ones are not accurate you make them accurate we have we have done several teachings on those things so because your dream can be what is in your mind your dream can be the business of the day your dream can also be a revelation from God but in the realm of the spirit there's time there's no time as it were this is the past this is the future so you can see the past as if it's the future you can see the future as if it's the past is now for you to be able to there's is there's a need for interpretation there's a need for discernment there's a need for all the other things that we have t over the years you want me to spend all my whole time talking about Visions no now no now don't do that don't do that I'm pointing you back to where direction is every all of you should have my book by now if you don't sorry no more copies exist except the ones that I don't know if they still have S but we have several me messages on Visions hearing God's voice inward witness direction are we have but now you should be accurate you should know how to interpret your dreams you should know how to interpret your Visions better looking at me surprised yeah you should know how so the sight of the Prophet the visions of the Prophet you should have it every one of us should must have he say Lord open his eyes that he may see that they that be with us are more than they that be with them may the Lord open his eyes that was the end may the Lord open his eyes My Eyes Are Open My Eyes Are Open Eyes I see I see so

open your eyes oh say your neighbor open your eyes oh open your eyes open your eyes
oh open your eyes you can't live in in this dark world without opening your eyes open it sh
they say Shine Your Eye you know is that what our people say shine your eye that is say I
tell you by the power of the Holy Ghost I charge you open your eyes don't live life blind
that's why you you learn it learn it and we have taught it so go listen to him because there
even if I teach you on it now it still won't be exhaustive you exhaustive one you will find it in
those teachings that's why we have special meetings too where you see all these things
are properly in in practice I mean all of them the sight and visions of the Prophet is also
something you must have you cannot afford to live life without see you must be a you must
be somebody who see and know you must be prophetic you cannot you cannot have you
seen uh a a a sorer a div that is not prophetic then is not going to be very powerful it's not
going to be very effective why do you now you that is the true king priest and prophet of
God don't want to be prophetic AB no no no it's a hindrance I it's a limitation you are putting
to your your functioning I open my eyes I see I yeah one in in our series [Music] on is it
things of the spirit Supernatural things in our series on Supernatural things we have things
of the spirit our series on Supernatural things I thought concerning design of spirit yes sir
go and listen to that teaching again it's a lifesaver you want to know the difference between
suspicion this one this one listen to that teaching talk about dreams Visions there also
Lifesaver amen I used to have dreams a lot until the day I said to he with dreams is it by
dreams the Lord speaks to me I have inward witness I have this now I've SE gotten back
my dream life like those days because I said to her to her to to to her stop saying to her
to good things nothing wrong in dreaming but I I Ed my hand to destroy that manifestation
because I always because I I had seen things that were not correct I had dreamed things
about people that didn't happen to the people so I said no no no no no no no I mean how
stupid was I something bad I really wanted it to happen what kind of am I a demon you
dream something bad not happen to somebody you are not not happy I've been there you
know it's a prophetic thing to be a dreamer of Dreams Just like in the other side I read for
you they also dreamer of Dreams then when started getting teachings like dreams are the
lowest form dreams are this this are this this I say I forget dreams how it began to come
back again in my life was when I be when I began to see that how Jesus was preserved
baby Jesus it was a dream dream oh boy that's why I'm done doing all those Grace
Revolution I'm I'm I'm a w man I'm a I'm a christocentric count me out of all those tags
count me out of it a blinding I belong to all of the denomination where they said the truth I
belong to all of them sir do you believe in strong man submit your power people I believe in
them where they believe that Satan should be dealt with I I agree what about the people
that are dressing wearing long skirt where they tell the believer to live holy life I believe I'm
in the denomination to you one say name it claim it keep saying it don't stop Baba I'm your
follower I also don't where I will not follow you is because it's in God's word somebody
takes because every of them have taken one emphasis to the detriment of others that's
what the Bible speaks against specialization don't specialize I say this is my my own

Doctrine this is my own my own is my own is this my own wisdom my own a wisdom it's not it can't be called wisdom wisdom I quote why quote a oess I tell people to be o unto God that my I don't te any in the Bible every time I read the Bible I see o is what I see from Genesis to Revelation every time I look a oiness only oess then another person all I see when I look at Genesis to revelation we in the day power we day power or power power that's what I see and another person says m is our sins are forgiven every time I read Genesis to Revelation our sin are forgiven Glory shout it your s every time you wake up for one Soul responsible forgive forg one person say his own work is to be fighting I correct everybody that is PR what is wrong will never end you have you have a good Ministry that ministry will never come to an end because only something to correct this that you have started it will never end because Satan can use as a distraction nemiah say I'm doing a great work why should I come down and answer if you are doing a great work don't come down and be answering preach your own and be going Focus set on the ca Hallelujah so see see a not by medium is not by medium is not by is not all those are ritual praying on water praying on anief somebody wants to be heal the person give you water say man of God pray on this you great healer say not by all of this keep this things aside in the name of Jesus take your healing out person not going take he give you water you pray put that means person already CH his own faith to this water you because because you know I know the word of God we ought not to give ourselves to mediums to give our to all of these things you want help one person person they look for healing if you give me banana I will pray on it say well we don't do that the word of God is enough we don't need fruit receive healing now day alive they Lee don't die the sickness say you not to do that get healed first then we'll correct you later amen so some people can't again is that bad you because the power of God is inside of me it's not any material outside is inside of me we don't know thank you for informing us sir I been pray for this anief I want to give it to my grandmother I beg cuz if I tell my grandmother the man of God that you know that is a miracle work I prayed on this thing she will receive but if I say Grandma I want to put my hand on you my pastor say I should lay you say your pastor is working this after you explain you now say no no it's not this that's not what mean you know we can all pray for people after you have done teaching she not receive anything you for bring s bu for fet bath for bring C we pray say no because somebody say it's not by by it it's by it sir it's by it where is Pastor today please don't associate me with soap don't me don't think it that far I just saw somebody thinking say oh Pastor is saying somebody can create soap with another number also bless and be selling that's a thief your God is your belly those are thieves now which one is that one don't put me in that nonsense what I'm teaching is what I'm teaching Pastor are you saying we can pray on soap Yes we can pray on soap that's what I I said it I said it I said it can pray on soap it's me that said it have you not got enough pimples in your face pray on soap like we leave if you used to pray on your own I would not have left say no it's not you just bit normally and leave there it's increasing by the day rubbish and I know what I'm doing I know what I'm correcting of course we are not to buy I don't know once you are buying once you monetize

anything of go you a tee Noh you are scared that's s Magnus give me also this power they said take this amount that no no we don't buy fre I receive fre you give you the power of God is inside true I can put that God on things don't remove that from your theology because if you away the four gospel because Jesus told the man go go wash in a pool of silver Jesus SP in the man all those kind of things the day you see me give somebody slap you say what was that somebody was they say I SLA him that's how ENT I slapped it into him I like that he used the word exactly way I did it that day say I not touch him I SLA I was under I was under anointing that's how I was supposed to do it I say no no Holy Ghost now you should understand that I don't believe in that anymore well gentle people Holy Ghost better not say I should you I will you gentle gentle gentle not gentle in that regard though I'm first a servant of Christ I obey him I do his word not going to put boundaries that Satan can use to enter my life or stop me from doing God's word by saying no you can't all those can't can't can't are you sure you really want to help people the truth you know should not be the reason why you can't help people anymore AB no is for your practice the truth you know is first for your life W man is first for your life Hallelujah the visions of the Prophet I can see so see open your eyes and see what do you see what do you hear amen the power of shouting the power of speaking that's also another way to engage forces I've given you taking note is that not it ha ha say what that doing what's that magician doing a is a is a spiritual thing a spiritual thing say what kind of laugh is that what kind of is that you the one saying what that from inside dark powers powers of Darkness taught him to to respond like that there a shout of fa there a shout and I speaking God's word what I'm calling power of shouting here is is is we call it a raining tongue r e i g n i n g your tongue life and death is in the power of your tongue learn how to talk learn how to shout let how to speak don't close your mouth don't don't close your mouth don't close your mouth imagine what the f people having issues with Jacob pray wrestling all day all night so what's the meaning of that I know who I am I know what I have Jesus died for me how need to do all night Glory that's the end of Vil the world did Vil then you now use that example of we should not Baba will we pray are you with me the biblical template the origin of Supplication is Jacob's prayer that's what you just threw away because you don't know how to inter Bible in the name of Word of Faith in the name of christocentric say it's not by Jacob Jacob resing overnight that's where the word supplication is born out of that's the way you say intense intense Agony desire to pray when hos interpreted it for us he say made supplication that's the origin you cannot teach on supplication with and downplay what Jacob did overnight I will not let you go unless you bless me that's why in your own life words you have received you did not know to hold on to those words I'm not rushing them I'll go over them again and again I know you have pass prayer but I'm going back again to it you did not know to supplicate that ah no I will not end like this no you cannot because somebody [Music] say just count it like sweat of blood that's what manifest in flesh because he was going to do something no one has ever done before is do you want to do some things that nobody ever done before your family say where preing like this are not with me
