

evening we open our hearts to your spirit we will trust Again by your spirit we will receive insight and Clarity on the subject of unseen forces understanding our Supernatural Authority again in this service we declare the things that ought to be said will be said and the things that ought not to be said will not be said your name will be glorified we shall be edified transformed built up by the power of your word we declare the rightly position to receive great workings of your power and we declare that our life is an endless stream of the workings of God's power in the name of Jesus amen amen God bless you have your seats and we'll turn our Bibles to Ephesians chapter 1 Ephesians chapter 1 Hallelujah Ephesians chapter 1 if you're there let me know are you there Ephesians chapter 1 and observe vers 10 that in the dispensation of the fullness of time he might gather together in one God's going to gather together in one all things in Christ what are the all things it says both which are are in heaven and which are on the earth even in him so God's Gathering things in heaven things on the earth in one he will gather together in one all things in Christ so God is bringing things in heaven things on the earth in one in Christ verse 11 in whom also we have obtained an inheritance being predestinated according to the purpose of him who walks all things after the counsel of his own will so what does God do he walks what does he do he walks all things after the counsel of his own will that's how he works things that we should be to the praise of his glory who first trusted in Christ in whom he also trusted after he heard the word of Truth The Gospel of your salvation in whom also after he believed he were sealed with what the Holy Spirit of Promise which is the earnest of our inheritance until the Redemption of the purchased possession unto the praise of his glory wherefore I also after I head of your faith in the Lord Jesus and love unto all the Sint cease not to give thanks for you making mention of you in my prayers what do I do I make mention of you in my prayers that the god of our Lord Jesus Jesus Christ the father of Glory may give unto you the spirit of wisdom and Revelation the knowledge of him what that means may give unto you the wisdom may give unto you the wisdom of the spirit even the Revelation in the knowledge of him so what it calls the spirit of wisdom or the wisdom of the spirit is in the Revelation because the wisdom of the spirit is not searched out is revealed and it calls it the Revelation in the knowledge of him Verse 18 when that happens what happens the eyes of your understanding the eyes of your understanding being enlightened that he may know what is the hope of his calling and what the riches of the glory of his inheritance in the sent and what is the exceeding greatness on the line the eyes of your understanding being enlighten that he may know tell your neighbor that you may know so God wants us to know one of the things he wants us to know the hope of his calling and what is the riches of the glory there's a riches there's an abundance The Riches of the glory of his inheritance there's a Riches of the glory of his inheritance in the S and what is the exceeding greatness underline the word exceeding and what is the exceeding greatness of his power to us what who believe according to the working of his mighty power which he wrot in Christ when he raised him from the dead and set him at his own right hand in the Heavenly places verse 21 far above all principalities and power now notice

the words he uses far above all principalities and PA might and dominion and every name that is named not only in this word but also in that which is to come and has put all things under his feet and gave him to be head over all things to the church which is his body the fullness of him that fills all in all so remember it says God wants us to know eyes of understanding been enlightened that we may know and one of the things he wants us to know verse 19 verse 20 verse 21 verse 22 verse 23 is that what he wants us to know that we have exceeding greatness power that we are seated at his right hand set him in his own right hand in the Heavenly places far above far above all principalities and power so you notice how he deliberately Paul in his explanation deliberately links the resurrection of Jesus to his being far above principalities is and power and he puts us there it says we are seated we are right there with him Ephesians 2 and verse 6 and as raised us up together and made us sit together in Heavenly places in Christ Jesus that's where he made us sit Heavenly places in Christ Jesus look at chapter 6 Ephesians chapter 6 now he had used the word principality and Powers again in chapter 3 so let's read chapter 3 before chapter 6 chapter 3 and verse 8 unto me who I'm less than the least of all sent is this Grace given that I should preach among the Gentiles the unsearchable so what is preaching is called unsearchable riches so it doesn't mean you can't search it out because you are preaching when you preach you search out so what is called unsearchable is to human sense AB because it caused the wisdom of God a revelation so it's not what you physically search out is what it revealed so what we're teaching is no sense knowledge it call it the unsearchable Riches of Christ and to make all men see what is the Fellowship of the mystery which from the beginning of the world which from the Genesis of the world has been hid in God who created all things remember the all things again all things in heaven all things on the Earth by Jesus Christ to the intent that now unto the principalities and powers in Heavenly places might be known by the church the manifold wisdom of God so today it's clear what God always was intending to do right from the beginning when he said let us make man our image after our likeness and let them have dominion so now the principalities and powers can understand clearly what God intended from the beginning of time and he says that is according to the Eternal purpose which he proposed in Christ Jesus our lord in whom we have boldness and access with confidence by the faith of him wherefore I desire that you fail not at my tribulation for you which is your glory for this cause I bow my knee unto the father of our Lord Jesus Christ of whom the whole family so it tells you there are two families of whom the whole family in Heaven and Earth is named the whole family in Heaven and Earth is named there's a whole family in Heaven and Earth and we said the Unseen family was made before the seen family AB The Invisible beings were made before the visible beings the supernatural kind was made before the humankind AB Ephesians chapter 6 and verse 10 finally my brethren be strong in the Lord and in the power of His might it says put on the whole armor of God that you may be able to stand against the Ws of the devil notice he calls it WS of the devil for we wrestle for we wrestle not against flesh and blood but against principalities and Powers against the rulers of the darkness in of this world against

spiritual wickedness in high places wherefore take unto you the whole armor of God that you may be able to withstand in the evil day and having done all to stand stand therefore having your loins girded about with truth and having on the breastplate of righteousness and your feet shod with the preparation of the gospel of peace verse 16 above all taking the shield of Faith taking the shield of Faith wherewith ye shall be able to quench all the fiery darts of the wicked and take the helmet of salvation and the sword of the spirit which is the word of God verse 18 it says praying always with all prayer and supplication praying always with all prayer and supplication in the spirit and watching dwn to with all perseverance and supplication for all sins and for me that utterance may be given unto me that I may open my mouth boldly to make known The Mystery of the Gospel amen now notice that what what is in the least what Paul considers effective in our spiritual combat against the forces of Darkness what Paul lists as effective are you with me in the list of weapons the list of weapons against the supernatural rulers and powers does not include exorcism e x o r c i s m where um exorcism for the believer is not what um those Cardinal movement people do with holy water with a cross or crucifix in their hand and shouting all those nonsense or whatever they are doing exorcism in this context which exorcism just means the expelling of devils it's just it's a proper word um so casting out Devils the least he mentions there is not power flow there's not no power Dimension he mentions in the list he doesn't mention yelling or shouting at Devils it's not in the list what he mentions in the list that is effective in our spiritual combat verse 14 he mentions truth is that in your own get about with truth in the same verse 14 he mentions breastplate of righteousness so what he lists as Weapons a to combat forces of Darkness truth righteousness the gospel is that in your own verse 15 Faith verse 16 salvation come on being setting being assured of your salvation helmet of salvation verse 17 the word of God which he called the SW of the spirit Verse 18 prayer come on the same Verse 18 he mentions perseverance so it's not difficult to see what he's doing here I don't think it's that difficult it's not difficult to see that the things he's listing do not have power encounters instead spiritual warfare in Ephesians 6 is about having persevering Faith persevering faith in the gospel and the word of God your ability to stand on the word of God your ability to stand on the truths of God's word persevering faith in the gospel and in the word of God and living a holy prayerful Life as a follower of Jesus that's the strategy he mentions now see that there is not a mistake in his teaching on Warfare 2 Corinthians chapter 10 second Corinthians chapter 10 walk walk with me this evening 2 Corinthians chapter 10 are you there for though we walk in the flesh verse three we are not Waging War according to the flesh so we do not wage war according to the flesh is that so we do not war after the flesh verse four put it in the bracket for the weapons of our Warfare are not of the flesh but have divine power Mighty true God they have divine power what's the divine power to pull down strongholds verse five guess what he was going to say he didn't say they are shouting they are crying he said said casting down imagination remember I talking about Waging War it says casting down imagination so the next time somebody tells you truth of God's word does not matter what you believe does not matter

laugh after laughing tell them thank you I'll take God's word more seriously now with this advice you know there advice that you laugh at and do what you have been doing CU that advice is the devil say don't this true TR truth it says casting down imagination so with the weapons of our Warfare we destroy arguments lofty opinions raised against the knowledge of God and we take thought and we take every thought captive to obey Christ so we mind how we think are you seeing Warfare being ready to punish every Disobedience when your obedience is complete so we live an obedience life so Paul description of how we fight the strongholds of Darkness include NE exorcism again or efforts to be shouting strong man submit your power or leave this area now no the confrontation of Supernatural Powers but what is the way he says we should confront Supernatural pow is to destroy arguments cast down imaginations destroy arguments cast down imaginations and every High thing that exalts itself every lofty opinion every High thing every opinion raised against the knowledge of God and take every thought captive to obey Christ so can you see what's happening on social media is principality and pass arguments against the gospel where you see be things that pervert belief system where there's a lot of anger towards a doctrinal position see the Bible never tells us to use caution not to do the things of God no it tells us the essence of caution is in how we live not that caution should make you not do the things of God there's so many cautions these days and the only thing that the believer is so there I see a lot of cautions be careful of unnecessary spiritism be careful of over Desiring the spiritual be careful there's nothing like that we're going Beyond and over there's nothing like being careful how you desire in fact the word used for desire is covert earnestly there's nothing like is over too no what we should be telling people is to not cover what God not tell to cover because what people call oh we are cting they cting Dimensions ports whatever they are cting is not what the Bible tells you to convert simply say this is not what the Bible tell us to convert there's nothing wrong in our Desiring our our fent hunger desire we are desires of the move of the spirit that is a healthy Christian Life the same thing the Bible doesn't tell us to Beware of the of of of prophecies no the B tells us to uphold that which is true in fact Paul says despise not prophecy so I'm careful of of teachings of messages or any depiction that tells me to be careful or to tell me to despise no the Bible warns us against false prophets false prophecies but the Bible doesn't tell us to to discard or take lightly the things of the spirit amen and and we have a strong teaching in the Bible to not call what God is doing what Satan is doing Jesus said that of whom do your children I mean Peter James and John the Disciples of whom do your children Now cast out devil if you say I cast out Devil by the power of B how are your children now casting them out because your children what you say the children this young ones the disciples who also casting out Devils I be they too also have using the power of Bel wisdom is Justified of our children you know that was that silly talk then he now mentioned about insulting the Holy Ghost and talked about that um blasphemy against the Holy Spirit and you're wondering and he T it in within the same context of attributing what God is doing to what Satan is doing and we must be careful not to say oh this is of the devil because you don't like the

practice there certain practices we do not like doesn't mean it's devilish amen the Bible tells us to be careful beware of false prophets but the Bible doesn't tell us to beware of prophecies is that clear the Bible gives us a lot of caution because there are certain um um the strongholds you see what is more powerful in the realm of the spirit how do you know look at where why did Jesus die he want to know what is more important what caused God his son that people were not married you quiet what caused God his son that people were not having children people were not having money so why did Jesus come I mean you just you can tell how much Satan can distract us without us knowing he distracting us why did Jesus come so that you will make money so that you step in so that your marriage will hold this year why did Jesus come so that your marriage will hold this here so that you have that promotion that you seek why did Jesus come I've come that they may have life and have it more John 10 come they may have son of man came to seek and to save them that are lost Simeon lifted up the baby Jesus in Luke and he says behold the salvation of the Lord Luke chap 2 behold the salvation of the Lord Zachariah had called him salvation the day start the day spring has appeared I mean he salvation he came to save sick and to save them that are lost he came to die for our sins for this purpose was the son of man made manifest to put away sin first John 3:5 it was manifested verse 8 to destroy the works of the devil this the reason why he came Hallelujah so what do you think Satan will be after and against it has to be that and the announcement of that news is power the announcement of that news is Victory the announcement of that news scares Satan because a lot of persons will now know so what do you think Satan would would have a smear campaign against marriages holding this year making money or the gospel thank you so he will his strategy will obviously be to Against The Gospel so he he brings out this lofty ideas and there are so many of those lofty ideas and I've had to tell you some of them over the years that's where you find controlling Powers you are never careful when you are buying things in the shopping mall in case you have you can't remember I mention one you are never ever careful when you are in the shopping mall never ever careful that you can even borrow money to add to the money you have you don't say what kind of Life am I living what kind of Life am I living inste you are say ah price of things have gone we need more money more money you're not against money there you are spending money but you're not against money but in the local church once you just here we have to give you say they have started again what all this all is rubbish and it's just innocent how it sounds like why why what me this ways when you are buying data some of you have four movie streaming platform when you are not an actor or an actress where you don't even have savings and investment you have four movie uh platforms on your phone those are not things you engage in when you are not rich that's are not this is just uh uh lack of financial education those are not things you only you have I would don't want to mention name from n to P to S to D to H if you have VPN you have all of them you subscribe all of them at the same time as if you leave for movies and you are not saying what minut this waste 20,000 for entertainment when you're not an actor when you're not a clown and when you do not have

savings or investments or assets as we but that's 20K leaves not utility oh not normal light be waste be no no no it least For Your Entertainment budget when you are not an actor when you are not a content creator looking for lines are you seeing it you don't have an issue with that you don't have an issue with that you don't have an issue buying things you never ever wear but once you hear give there's this anger that wells up because it's a lofty idea and so when we begin to cast it down in church when we are preaching and when you are hearing words about that cast down those lofty opinions you say what we are against the wrong use of the tight or teaching tight in manipulative settings we are not against giving separate the two so Satan saw that okay we can use these guys of people teaching truth and use it to look like no what we are correcting is that divor brain that people have inside tight because all giving is percentage that's why you can calculate how much you give say there's no percentage is giving really and you can say I give 5,000 last week no now no give lay in store Paul said they should lay in store they they will surely know what they were laying in store in First Corinthians 16 I they will not know what they lay in store give as your Pros they should know as their PR part I you don't know what you earn amen I mean wealth is mathematical you can calculate it so in fact you're not even paying attention to mathematics will even drain the reason why you are broke because you are not calculating how you are spending your money so you don't even know what is eating your money so I mean you can calculate but that's where everybody thinking about their life that's a lofty idea the same thing I give you another one very powerful one immediately you hear honor your pastor somebody say they have started again pastors have started raping M because you and your father rapes people so you think all pastors are like you and your father so pastors have started raping members there idiots out there does me everybody should drain them to be an idiot so that's what you hearing so they want to cover once that's that's the idea now once people hear hon they trying to cover they're trying to cover for all the teaching on honor and loyalty goes I they are protecting so once you start hearing honor say horror h i see you are not seeing anything s you have been demonized is the same thing as eating witch so Paul turned to full Church galatian the he say they don't give you witch who has be witched to you is that not in your own let's look at it just people are not sure Galatians 3 Flip Flip Flip Flip Flip Flip Flip who gave you Wich to chop Paul says I don't do that oh foolish Galatians who has been Beed you did you see it are you seeing bewitchment this bewitchment that he's calling bewitchment here he didn't mention they use dark magic no no no no no look at what he brought bewitchment into because these are the stronger ones this be richment hey you will shout out baba no go this one does not respond to out now I command you not go command no move are you getting it now I was telling you on Sunday we're picking up from there we go back to the members of God's Heavenly Host what they are called but you see try it now and say in the name of Jesus I stop being the people doing strong man submit your power they speak in tongues and they are still they are still eating witch they are still be wi the people who have to look like they in an Elizabethan era to be holy so I saw an argument again on the whole matter

again say je I mean 2024 I used see dumb like that from Devil's box to now it's longer Devil's box now you are still with the whole jewelry jewelry is not the issue later you want to go to heaven with Street of gold just be consistent with your theology I mean you against gold je but you want to go to a street of gold are you seeing the perverseness in the theology so you you have to wear dress like Elizabethan era 1552 you wear long gowns because that's Holiness unto God don't they speak in tongues you looking at me they don't speak in tongues don't they shout devil I command you why the devil on top head so you can tell that Satan is not scared when we shout at him but believe his message he's not scared when we shout we shout we shout say now my now my guy he believe what I tell him but he scared of the guy that knows the truth and walks in the truth Paul says one of the strategies of the last days is Satan will flood people with delusion they'll be deluded delusion that they will believe a lie and God will allow it that's what the context of second tonian 2 was saying God will allow it God will allow people to be given without strong delusion God is not the one that is making them but God allows your God allows your choices and we have many Believers with s strong delusions now we've seen a lot of pastors repenting saying what I thought about this thing was wrong what I thought about this message was wrong one came out recently say what I I used to interview demons that was a very foolish thing now you see people are waiting for many pastors to be confessing that they have been teaching rubbish no you don't need all of those confession you need to stick your head in the Bible are you following yeah that's not please don't hear what I'm not saying or I'm not saying that there's nothing like power encounters or against demonic forces no but I'm saying to make everything you know and beside that's not what Bible call spiritual warfare spiritual warfare is not sh out devil it has never been that's simply casting out devil the same way say Deliverance Ministry Deliverance Ministry is not C out deliv Ministry is getting people born again now if what you now mean that you you don't believe in Deliverance Ministry that you don't believe in Cal devil sorry you on your own sir we believe in it we believe in caral Devil however that's not what the Bible calls Deliverance Bible meaning of Deliverance is being born again of course you can use the English word when you cast out the devil that somebody has been delivered however that's not the Bible theology of Deliverance the Bible theology of Deliverance is to be born again if we are going to be exact with words the Bible word for deliverance is not for casting out Devils it's for being born again when you say man is delivered from the kingdom of darkness however the word delivered is just an English word or if you look at it in the Greek or the Hebrew so you can use it for different context however don't now use that now CU some people in their beit to say there's nothing like delance we don't do delance they actually are saying we don't Castel Devils anymore we counsel them we suit the Devils here say we have therapist here that you can meet you're going through a tough time how does a Christian justify hearing voices and how does a Christian justify um um um Suicidal Thoughts where does that come from how does christians justify all those nonsense you I mean justify it so there are strongholds amen so when you look at the Ephesians the things he mentions in

our combating the forces of Darkness truth righteousness the gospel Faith salvation the word of God prayer perseverance I mean eight things we see there truth righteousness the gospel Faith salvation the word of God prayer perseverance so it's clear persevering faith in the gospel and the word of God living a holy prayerful Life as a follower of Jesus is our strategy why is that our strategy why is that our strategy because Deuteronomy 32 was world view shows us that there are paths pass look at what Satan does again you're not sure 2 Corinthians chapter 4 verse three but if our gospel be he it is he to them that are lost in whom the God of this world had blinded the minds of them which believe not so Satan blinds the mind so Satan has a campaign against truth has a campaign against the truth of God's word blinded the minds of them which believe not lest the light of the Glorious gospel of Christ who is the image of God should shine unto them did you see that come on what is he blinding the minds of them which believe not lest so what is he against the light of the Glorious gospel what does God want to cover the Earth the light of the Glorious gospel is that what is against is it against you having a wife then no unbeliever will be married is it against you having a child you see again it's easy to just because of what you have been through just say a sry it's not fair it's not fair but Satan has really been against me having a child sh that's not what all devils are about the ones that have targeted you now or trying to affect you from having a child is not what is not in line with the original mandate the reason for that is because of what you attracted to your life or what other people attracted to your life because there are things you attract to your life and there are things other people attract to your life because you don't you have not taken your stand in life so people can attract things your way that's how we we we we say this that you need to be careful what you actually know and believe what you know and believe is part you perish for lack of knowledge is that not so know the truth and the truth shall make you free I mean what you don't know can't help you what you don't know you cannot use you cannot utilize for we preach not ourself but Christ Jesus the Lord and ourself your servants for Jesus sake is that not so when Paul was preaching notice that man that Paul made blind for a season why did Paul made that man blind for a season in the book of Acts was it not because of the hindrance to the gospel that's acts 13 the bar um is it B Jesus that his name now elas elas is his name yeah elas a sorcerer was seeking to turn the deputy from the faith acts 13:8 and elas the Sorcerer for so is his name by interpretation you know ear in aik origin means wise man so it's like you say wise one you know Wise one that's common in EO movies is a Ab all right so wise one so so elas the sorcerer for so is his name by interpetation with stood them seeking to turn away the deputy the deputy said just Paul us then saw who also is called Paul Fe with the Holy Ghost set his eyes on him and said oh full of all subs and all Mischief thou child of the devil thou enemy of all righteousness will thou not cease to pervert the right ways you see what is after the right ways so it says you will blind for a season and that's what happened to him Darkness fell upon him he was led by the hand away verse 12 then the deputy when he saw what was done believe being astonished at the doctrine of the Lord if you notice that in the book of Acts every time Paul

preach or just talk about the resurrection there's a strong attack once he says Jesus was raised from the dead in M Hill he thought he had been having a wonderful sermon act 17 and when they heard immediately he started talking around Resurrection from the dead acts 17:32 and when they heard of the resurrection of the Dead some mocked and others said we will hear the again on this matter are you seeing forces we will hear you again we will hear you again so Paul departed from among them Hallelujah so what is the Great Commission Matthew 28 what's the Great Commission Matthew 28:18 and Jesus came and spake unto them saying all power is given unto me the word power Jesus are all delegated authority all authority is given unto me in the heavens and the Earth all power given unto me in the heavens and remember man functions in both world so all authority is given unto me as you go so now that's why the next verse you can tell you was obviously going to say go because Jesus is GTO me in heaven and earth is not in Planet heaven and a distant real away from planet Heaven called planet Earth No Heaven and Earth is in the same place all authority is given to me in the seen in the Unseen and the seen word go ye therefore and teach All Nations baptizing them teach All Nations you see the emphasis teach All Nations but so you have all authority so are you seeing that part of our using our Authority is in teaching part of my Supernatural Authority or my authority in the heavens is in teaching so when I supernaturally know how to quench arguments is that something Supernatural when I supernaturally know how to quench arguments how to answer how to convince someone about Jesus it's not a simple matter come on go ye therefore teach All Nations look at verse 20 repeated it again how many times does he put teaching teaching all nations baptizing them name of the father Son and the Holy Ghost verse 20 teaching them to observe all whatever I commanded again third time commanded you and lo I'm with you always even to the end of the world so notice he didn't he didn't tell us go and confront spiritual entities and doesn't mean that we will not confront spirituality but what he tells us to do is preach the gospel and that is actually how we are confronting so we can uh miss the priority the main thing is preaching the gospel in preaching the gospel you'll be contending against that Hallelujah so that uh you are driving Devils from one person to another person from one place to another place doesn't mean that a new Satan has entered into the kingdom of God was Satan fears is a New Satan entering into the kingdom of God that he has lesser persons he has sway over lesser persons he has control over the work of Christ was not about power encounters before Jesus came people were having power encounters his work is to reconcile all the Earth together he wants all the nations so see priority because before he came people always were able to shout and Devils will move people could also heal the sick so an emphasis must be placed on what Jesus came to do his resurrection and that's why we emphasize the gospel because the goal God's desire is to have his human family with him forever God wants Eden to cover all the Earth and he has made up his mind that he's going to punish those falling spirits that fail to accomplish his original purpose or fought against his original identical goal to cover all the earth and the Great Commission accomplishes that end so with the Great Commission we are walking

towards the defeat and the ultimate end of all evil spirits so the Great Commission is TOS a comprehensive plan for spiritual warfare are you a me take every thought captive Ephesians 4:14 says that the faithful disciple of Jesus should not be C to and fr by every wave carried about by every wind of Doctrine by human Corning by craftiness in deceitful scheme so we see that Satan can be involved in deceitful scheme remember the Ws of the devil so are you seeing Doctrine are you seeing doctrinal emphasis so spiritual warfare is about leading a life obedient to Jesus following his obedient example for the cause of God's vision for his kingdom on the Earth knowing and obeying the truth of God's word is a lot harder than yelling and commanding demons in the name of Jesus is that not true it's a lot easier to shout and yell and Devils run than it is knowing and leing by the truth of God's word so Paul's characterization of spiritual warfare is is us adhering to the gospel and all scriptural truths living a prayerful life persevering life of righteousness being obedient disciples so the mission of every Christian is to carry out the Great Commission that because the means by which the kingdom of God grows and the kingdom of darkness recedes did you get it that's the way so how do men move from Darkness to light look at it Acts 26 Acts 26 and verse 16 but rise and stand upon thy feet for I have appeared unto thee for this purpose to make thee a minister and a witness both of these things which thou has seen and of those things in which I will appear unto thee delivering thee from the people and from the Gentiles unto whom I now send thee to open their eyes and turn them from Darkness to light and from the power of Satan onto God that they may receive forgiveness of sin are you seeing what it connects it to that they may receive forgiveness of sins from Darkness to light so the Isaiah 60 Mandate of arise Shine for the light is come and the glory of the Lord is risen upon thee is not power encounters it's in the preaching of the Gospel the darkness shall cover the gross Darkness to people but the Lord shall arise upon thee and the glory shall be seen upon the and the Gentiles shall come to thy light and the Kings to the brightness of the rising a lot has been said about that that it is the brightness of your Rising that they come to and all of the other things arise Shine for the glory I don't know how this can become materialistic text but it's good it's well so I Rise shine but that's not where the Gentiles are coming the kings are coming to the brightness of the rising AB it's well so the Gathering of the Nations is Jes Jesus is called the desire of the Nations God wants all the nations to come in and how all the nations comes in is now preaching the gospel is the desire hagga Chapter 2 Verse 6 for th seeth the Lord of hosts yet once it's a little while I will shake the heavens and the Earth remember by not Shake Planet by not Shake um it's when you say heaven Earth is talking about the Unseen word and the Seas and the dry land so it's used Old Testament cosmology verse 7 I will shake All Nations and the desire of all Nations shall come and I will fill this house with my with Glory say the Lord of host the silver is mine the Gold is mine say the Lord the glory of this latter house shall be greater than the former the Lord of host is in this place will I give peace say the Lord so when you see this in Hebrews quoting this shaking the the heavens and the Earth you get the context that is not Hebrews 12 that is about the kingdom of God

Hebrews 12:26 whose voice then shook the Earth but now had it promise saying yet once more I shake not the Earth only but also heaven and this word so it picks out the phrase yet once more so when it says once more that signifies the removing of those things which can be shaken as of things that are made that those things which cannot be shaken May remain so Hebrews explain things that pertains to the Old Testament sin everything that can be shaken all the things with the old ordinances that has been removed old Covenant New Covenant so everything that relates to the old Covenant has passed away wherefore we receiving a kingdom so you see the end point we reing a kingdom which cannot be moved let us have Grace whereby we may serve God acceptably with reverence and godly fear God is a consuming fire you say our God is Hell Fire I don't know how some people read our God is a consuming fire so what has he consumed he has consumed everything that can be shaken which has been explaining from chapter 2 down into chapter 11 the old he take away the old has established the new so everything that could be shaken everything that could be removed the um Lal priesthood that could be removed everything that could be shaken everything that could be removed for that which is eternal today and we now have a kingdom that cannot be moved Hallelujah so when we see the darkness into light phrasing in the New Testament books is always relative to the preaching of the Gospel when Jesus came he said the people that sat in darkness saw a great light Matthew 4:16 Jesus is said to be the one to give light to them that sit in darkness and in the shadow of death Luke 179 Jesus said he is the light the light shineth in darkness and the Darkness comprehended it not AB in him was life and the life was the light of men the light Shin in the darkness John 1 ver4 to5 light sh in dark and darkness comprehended it not in John 3: 19 Jesus said this is the condemnation that light is coming to the world and Men love Darkness rather than light because their deeds were evil so this is the condemnation that light has come but men love Darkness John 8:12 Jesus said I am the light of the world he that followeth me shall not walk in darkness but shall have the light of Life John 12:46 Jesus said I come a light into the world that whosoever believeth on me should not abide in darkness whoever believeth in me should not abide in darkness second Corinthians 4:6 God who commanded the light to shine out of Darkness has shined in our our heart to give the light of the knowledge of the glory of God in the face of Jesus Christ so I have Supernatural authority to remove Darkness from the hearts of men can you say that to remove Darkness from the heart of men and by God I'll succeed succeed yes Ephesians 5:8 ye who were sometimes Darkness but now are ye light in the Lord walk as children of light so we are called children of light we are called children of light we have been called to show forth the praise of him who has C us out of Darkness Into His Marvelous Light first Peter 2:9 Colossians 1:13 who had delivered us from the power of darkness and has translated us onto the kingdom of his dear son are you seeing the power of Darkness that is greatest oh my Lord the power of that that is greatest is relative to people not walking in the Kingdom people are not just walking in the Kingdom because it's twofold God wants all men to be saved and to come to the truth so power that that is

greatest is towards the kingdom opposition against the kingdom and the kingdom will first be for people to enter through the door and also people living in the Kingdom how we conduct ourself as Believers so Satan is not going to leave you now that you are born again it's also going to want you to walk in darkness because when you walk in darkness as a Believer you will not stand for the truth you will not preach you will not push for the frontiers of the Kingdom I wish you got that so that's what we should be giving that's what we should be more giv to now are there other explanation of power of Darkness are there other explanations for power of Darkness yeah Jesus when he was being Cru before he was being crucified said this is the hour of Darkness Luke 22:53 I was dailying with you in the temple and you stretch forth No Hands against me so it shows you how certain activities can be orchestrated by Devils say you you say I was with you will you not stretch forth your hands against me I mean not like this you all you were not ganging up and say we must kill him you did try but it was just based on what I was preaching I I you know Jesus s they wanted to grab him like that he would just and they grab him to torture him not to kill him it was never to kill him at that point but it was later on when he started talking about Resurrection after he had made the boast on on this rock I build my church and he was not hiding again I was going to die he was announcing it and saying it everywhere before he was say not to tell anybody body but later started making it clear even the triumphant entry ah so all the voice of Darkness knew that we have to end this man and in ending him he outwitted in uh Supernatural forces AB he outted them had they know all of Glory so because he said he said will not allow him continue to live and not allow him continue to leave was their own demise amen hallelujah so when we walk in love we are not weak when we concede ground we are not weak AB right he will give his life is how he will ransom so when you that he who concede is not weak it's not because you are weak you say because I'm conceding because that's why no no no no because you are stronger because you are matured amen and when you read this text from the Old Testament books which I like Psalm 22 look at how Psalm 22 explains the crucifixion Psalm 22 I was cast upon the ver I was cast upon thee from the womb Thou Art my God from my mother's belly be not far from me for trouble is near for there's none to help me verse 12 many bulls have compassed me so in David's words many bulls have com has compassed me now Bulls here it's normal word for Bulls animal but it's not animal is referring to many bull because there was no bull surrounding Jesus but there were Bulls surrounding him many bulls have compassed me strong Bulls of Bashan Bulls of Bashan now Bashan is that place he went to when he said on this rock I'll build my church Bashan and Bashan in Old Testament text the word Bashan is used as gateway to the underw is I mean is used as a gateway to the underw strong Bulls of Bashan so he use Old Testament what because Bashan was where a strong demonic enti was a giant king who terrorized people have beset me round they GED upon me with their mouth as a ravening and a ring lion she use it for the devil and ped out like water and all my bones are out of joint my heart is like Wax it meted in the midst of my bers my strength is dried up like a p shed and my tongue cleaved to my jaw

and thou has brought me onto the dust of death for dogs he moved further for dogs have compassed me remember dogs uncircumcised because it was the Roman soldiers all around him for dogs have compassed me then he says the Assembly of the wicked the Adar the congregation the assembly the family of the wicked have enclosed me they pierce my hands and my feet I may tell all my bones they look and stare upon me they pat my garments among them they cast lot upon my vesture be not thou far from me oh Lord oh my strength Haste The to help me verse 20 deliver my soul from The Sword my darling from the power of the dog deliver my soul from The Sword my only one is the word darling my from the power of the dog from the power from the hand of the dog save me from this was what Jesus prayed in he was praying the resurrection so that's what he's saying so he pray that's why Hebrew say was head because of his strong cries save me from the lion's mouth because he guaranteed the resurrection what he was praying on Mount of of what he was praying on that mount geim man was to guarantee the resurrection didn't leave it to chance he had been saying I I would lay my life and I will pick it up but he had to that's why on the cross say save me from the lion's mouth for thou has heard me from the horns of the Unicorn I will declare thy name unto my bed so this is now the resoration I will declare thy name so he has been raised because God has heard him because God heard him from the horns of the unicorn in the heights of heights of strength God Head him in the godhe him so he uses um um creatures that speaks of the divines creatures that are called mystical creatures what um JK Rollins will call Fantastic Beast AB so he uses that setup so he's mentioning unicorn mentioning all these things because of what it points out and we'll look at them as we go further I'll declare thy name unto my bed in the midst of the congregation will I praise thee ye that fear the Lord praise him all ye seed of Jacob glorify him that fear Him all ye seed of Israel so you see he brings a supernatural world view into it and when you read it from the four gospel e said that's what men saw when you read it from the episode you saw you will see it from The Unseen word because you look like Jesus died but thank God for the EP and thank God for Genesis to Mal that gives us the view that when he died he went down but when you just read the they put Stone they can't cover the grave then he they can't roll the stone it can't come out no no no is something bigger than that something deeper than that so there was a supernatural world was unnoticed Supernatural word was unnoticed when Jesus died something happened hallelujah amen so we need to know that the greatest use of Our Lives is in the preaching of the Gospel is in knowing the truth of God's word Satan would allow you spend your life not knowing the truth truth of the word the greatest use of your life of your time is to know the truth of God's word what do you know what do you believe notice the emphasis in Ephesians 6 was stand having done all to stand stand so your fighting is by standing so but that's the text now to use that there are powers against me you see you will lack references why do the Epistles write like that why do the apostles write as if they do not know the power of Darkness can afflict people because the primary object or powers of Darkness affecting is unbelievers so and when all these lowlevel Devils start attacking Believers

causing stagnation uh causing all of the different things harassment afflictions troubles pains difficulties when is that causing all of these other things as we see that they can do let's read some text for those who are not sure say no there's nothing like that Luke 13 Luke 13 and verse 11 verse 10 and he was teaching in one of the synagogues on the Sabbath now if he's teaching the Satan hates truth all right and behold there was a woman which had a spirit of infirmity 18 years remember I'm told you in this series we're going to teach the origin of spirit of infirmity how does Devils attach themselves to sicknesses of course beyond the obvious um I was joking about something this evening um you know when a woman is pregnant not true not all women but there's this uh mood swing that they have and it look like the woman will be angry with her husband I and I said to somebody the time you have using to pray using to speak God's word using to be vexing for man before you know now you have used your words negatively devil have entered a child child is now born they now give it alphabet the child has this certain sickness the child is born with this condition you see now you are thinking that wow so every child like that that's what happen no but you see we have to be careful the things we say because the child is being formed but the things you are saying and thinking are all outside and against it doesn't matter you know people when we say things like people become superstitious or become spooky nah the idea is not for you to be spooky that's why we're starting from the right place amen so notice powers of darkness and behold there was a woman which had a spirit of infirmity he had brought a spirit into it so this infirmity her lack of strength her weakness her sickness he said there's a spirit of infirmity 18 years you see how long this flesh puppet can disturb people 18 years she had a spirit of infirmity and was bowed together and could in no wise lift up herself and when Jesus saw her he called her to him and said unto her woman said unto her woman thou art loosed from the infirmity are you see Power encounters all right so it has its place but to make it all there is ah no and he laid his hands on her and immediately she was made straight and glorified God and the rulers of the synagogue answer with in the nation is it the same rulers of synagogue that Satan will F their heart later all right because they hate truth so be careful how you hate truth Satan can feel your heart easily because that Jesus had healed on the Sabbath day and said so this unnecessary religious people legalistic and said unto the the people there are six days in which men ought to work in them therefore come and be healed and not on the Sabbath day the Lord then answered and said thou hypocrite does not each one of you on the Sabbath day loose his ox or his ass from the store and lead him away to watering don't you water your your o oin 16 and ought not this woman being a daughter of Abraham whom Satan has bound low this 18 years be loose from this Bones on the Sabbath day did you notice Jesus said that ought not this woman whom Satan had bound this 18 years of course by using Satan he has used the accuser so you can tell he had called it Spirit of infirmity so it's not that one devil that is there are many all right so he says Spirit of infirmity but he uses a generic name Satan as bound because Satan is a function terminology Satan is just the word adversary adversary so the word Satan satanas is the word an

adversary one who opposes the word devil is the word that Accuser did you get it the adversary has bound this 18 years be lose from these bonds so people can be bound by the devil you're quiet acts 10:38 how God anointed Jesus of Nazareth with the Holy Ghost and with power now because um certain biblical Scholars would have you just believe that spiritual warfare is preaching the gospel and they now speak down on power encounters no it has its place but that is not spiritual warfare and that's the truth that's not what the Bible call spiritual warfare that's simply exercising power against things spiritual warfare is about taking territories because God is after all the Earth and Devil's attacking people is not how they occupying space in all the Earth no that is just harassment is how the where the occupied space is is where there's hierarchy where there's greater powers of darkness in play so when you see an area where the gospel is not penetrating know that that is a stronghold of devils are you getting it all right how God aned Jesus Christ with the Holy Ghost and with power who went about doing good healing all them that were what healing all them that were oppressed of the devil so Satan exercised Dominion against them all those that were oppressed power was used against them all those that were oppressed of the devil for God was with him so the four gospel as well as Genesis to Mali make it very clear because they give you uh everyday life scenarios AB be because they give you those set you can see history you can see Story the episode is theological gives you Doctrine so it doesn't have to give you the story so when you are fighting the episode for how many give me many stories in the episode that's not the focus the focus is to teach just like when we are teaching we mention few stories we just mention things in passing down when you want to tell story you get the point all right so we know the devil can afflict people come on the devil can afflict people people have been Afflicted of Satan what have been Afflicted of devils so Affliction so there's oppression there's [Music] afflictions and we know that it can be caed by Satan does that now mean we should be looking out for devil behind every action we should be looking for Satan behind every action okay can Satan F people's heart to do certain things are you sure Peter said to ananas acts 5:3 and Peter said ananas why has Satan filled thy heart to lie to the Holy Ghost and to keep back part of the prize of the land so she thought they were just lying but it's a Satan feeling their heart so Satan can feel your heart I'm not by the use of the word your I'm not saying it must be you I'm saying Satan fills people's heart all right and and please don't kid Yourself by saying you are born again Satan does F people's heart whether saved or unsaved the question many time people ask about that can a Believer be possessed of the devil it's a semantic issue it's just a matter of how you construct the sentence it doesn't really make any sense because Satan does possess people whether you want to call it oppress Satan possesses people say does he possess a Christian what kind of question is that of course he possesses Christian I'm not you see I didn't use the word of pray possess yeah because the word possess in the Bible it's just semantic the word posess in the Bible is simply uh allowing the Devil oress you because it's just grammar so in the context where you now say possess his ownership in the context where you say possess his ownership now that's wrong Satan

does not own any believer but that's not what we are saying now when we say Satan is possessing people because you can tell that some things people are doing is pure Satan Jesus turns to Peter and say why Satan uh get behind me Satan is that not is that not it look at um our brother Luke 22 I'm not sure sir this things that you are saying and the Feast of the unleavened bread which is called Passover and the chief priests and the scribes sought that they made kill him and they feared the people then entered Satan into Judas so you see how you use the word entered you're are quiet then entered Satan so Satan entered into Judas so the question you're going to ask did he possess him was he being oppressed he being all of that whole question is just to tell you that what he did was of the devil are you following what he did was of the devil so like we said the reason for the whole argument can a Christian be demon possessed or not is just semantic is not to imply the debate actually has substance so when we say it's just a semantic problem we're not saying that the debate does not have substance it actually have substance it's good that we do emphasize that the devil owns nobody if that's the context but when the Bible uses that word demon possess it's not actually about the ownership it's about actually the Affliction that is actually teaching actually the Affliction so if we use the word possess to denote ownership then we can say anyone that is Born Again is not owned by Satan because acts 20:28 say we are purchased by his own blood so he owns US Romans 8:9 to 1 AB we have been sealed with that Holy Spirit of Promise AB so we have been delivered from the domains of Darkness so we know we are owned by God so if You observe the word demon possess is not demon space possess the word is used together it's just one word in the Hebrew in the Greek demon possesses used together because what is actually explaining is that Affliction is what we will say in English today to be demonized and there are different levels of somebody being demonized so whether you want to to the argument is it that the devil is the owner of the person not a not a Believer the believer is sacred ground the devil cannot own the believer but the believer with his belief system can be touch to and fr can yield himself that's why the Apostle says give no place to the devil are you with me so is it New Testament that a Christian can be demonized yeah but not owned by Satan or an evil spirit so we even see uh first Timothy uses the word now the spirit speaketh expressly that in the last days some shall depart from the faith giving he to S using Spirit even doctrines of devils are you seeing it it puts Devils with doctrines because Satan is after certain explanations Satan is not set spirit that is fine gu you just have a lost problem deal with your lost there's no seducing spirit in any fine every one that sedes James say you are LED in your heart it's not it's not the fine girl it's not the melan popping it's the lost it's not black skin G it's not that one that your problem it's lost something in you something will kill a man all right speaking giving he to seducing spirits and doctrines of devils speaking lies in hypocrisy having their conscience so you see call it doctrines of devils so it's about a a teaching a belief system Hallelujah so there's a belief system that we ought to speak against now you see this teaching like I'm doing right now is not this is not a sweet type of teaching it's Satan called a tempter Ephesians 4:27

he say we should give no opportunity to the devil so you see the episodes do tell you that you can give place to the devil be ye angry and see not let not the sun go down upon your Rod So when you say my wrong things I do don't matter have you ever been angry with somebody before everybody's hands should go up right have you ever left it over for one day notice you hear voices say that that's how he is that's how she is that's why you should always f up with people immediately but you you are too wise you will keep it because and it's very common with husbands and wife which is quite stupid because the way that talk you don't want to talk how do you end up resolving the matter it's still by talking just being silly say yeah silly that's the word just being silly because you're not communicating is compounding the issue because how we finally resolve the issue still by communicating but Satan will tell you that it's good to keep to yourself and think it over really really I really think it over and that's where Satan becomes involved in your thought that people have said Satan read your mind know it becomes involved because what you are doing now gives him place what you are doing now gives him place so it say ne give place to the devil so don't give place to the devil and the word he uses there I mean is a word that means that in with our actions we can give opportunity to the devil now one of the New Testament teachers that first um emphasized the emphasis of this Andrew he will use the word giving inroads to Satan inroads to Satan I mean he emphasizes it a lot he I don't know why he was so loud on Ephesians chapter 4: 27 but I think he was loud on it because of me I always believe God uses people for me this is because um in my own understanding growing up I didn't used to regard that no no no nothing can ever give Satan Place Satan all you believe that L nothing can give nothing can give him place in your life so that you'll be happy why he already has place not just place he has stronghold that moveed from place now to stronghold are you seeing it see there certain ideas you have where you say the kind of person that I am that's already now a stronghold the kind of person that I am that's another level of demonization kind of you see I'm deliberately using the word not for you to be scared with the whole use of the word because if you understand it like this you now realize that this are things we can deal with but the the Coco the main thing the core is removing people from darkness and get people to know the truth of the gospel and standing for the truth of the Gospel having Readiness to point every Disobedience living an obedient life so James 1:14 tells us that Temptation resides in the flesh every man is tempted when he drawn away but Satan is also called the tempter Matthew 4 first 35 Satan is called the tempter be so you see Satan is called the tempter doesn't mean you can't tempt yourself but in the process of tempting yourself somebody will come and help you does not mean that everything you do that's why you some people go so far and now mention every work of the flesh is Satan Spirit of this Spirit of lying Spirit of stealing Spirit of adultery Spirit of backbiting spirit of anger Spirit of bitterness Spirit of Envy spirit of jealousy Spirit of everything is Spirit for some persons but the Bible doesn't tell us to cast out Spirit when it's dealing with conduct it tell us to put off bad conduct so the fact that you want to put spirit inside every conduct is quite tricky but can a conduct Be Inspired of Satan yes

now rainbow color the rainbow color movement you say I'm I just I just it's just something in me it just likes Animas qu you something me that just like I just when I just see babies I just feel like stripping their Pampers off not die way way the vehicle will crush your head there will be no Trace there will be no nothing to bury it's Parable I'm speaking par it just Rises up just Rises up Rises up hold your hand and pray you see for grant that you now know [Music] that every time I just know there are some things that is just now the beginning stage of some of those um homosexual acts could be just a work of the flesh nonsense you are watching nonsense you are watching people watch a lot of rubbish same people getting married I don't put your husband on that pressure put your wife Under Pressure because of your wayward lifestyle your husband or your wife did not follow you to watch rubbish growing up so you want to turn to a pawn staff for your husband or your wife there are people that have tried to keep their husband with those things Baba look outside the woman tried all the sty the man triy all the sidey unnecessary stupid things that we people make primary if you did not watch rubbish how did you know all those ones where did you learn it from and I say no no it's just it's just my sexual orientation who oriented you idst in the Greek who oriented you you said it's just your it's not your sexual orientation it's where your mind has been swallowed up it's not an orientation now say the truth we should learn to say the truth this one is is just my mind something you watch that told you that that's something to do so we say within the marital context do what your partner is comfortable with go kill them so there is a way you will spin Baba enough she not he did not follow you that your useless lifestyle she did not follow you do what each other is comfortable with that's what you teach married married couples do what both of you are not go and kill yourself I be the name of pleasure the Bible there are some things that lead to strange flesh you see how Peter Jude ca he strange because he's not going beyond the normal we understand this lost but pass the normal strange strange flesh this one strange say strange so I'm saying that some people are like what I enjoy like break her neck now you know enjoy enjoy enjoyer who is now saying is he so hard to communicate put AB supposed to be un but now is not bully cuz of pleasure pleasure that have turned to you have used belt just talk say you're an anim man you're not using belt say wipe me wipe me when you wipe me I'm stared I'm stared I'm stared where police uniform it turns me off did that not tell you that the man will soon sleep with police off the man the woman will SLE police officer say warehous made cloth you know to go employ housemid your wife we housem made cloth is that normal that number I say for us to for me to sleep with you go and wear housemade cloth First housemade clothes wow and you have two housemade you have four you know what they are doing in your house if you don't know I can tell you because they always on that dress and that's what always turns him on hey say there just I just like when you wear a child dress wow don't allow your cousins to come oh just something when I just see him just see with a baby I just like when you buy a five a 10 year old dress you say it's called it's called you are not enjoying anything you are mad that we not tell you on time is the problem that's why we telling you now not okay up here your mind is being corrupted you

say it's just it's just because they make it normal in movies and that's the idea because that's an education system so that you will you don't get your sexual orientation from movies and nonsense place now you get your sexual orientation from your partner what both of you are comfortable with and as you are married and as you keep exploring within your free will or your choice you enjoy yourself as you are both comfortable with without being that I saw this somewhere I heard this somewhere Baba now only you watch them and not follow me are you getting it it helps you cuz that's the same that leads to all of that say I just like it when you dress mechanic cloth hband we mechanic for the wife you now bought your wife two cars and you always repairing it repairing it I don't want to say too much much but I believe with this few points of mine it's always fixing it she's always fixing her car you something else is being fixed that is not broken all right be sober minded Be watchful your adversary the devil prowls around like a ro lion seeking whom he may divor he say resist him F in your faith first Peter 5 resis him FM in your faith are you seeing he goes back again f in your faith knowing that the same kind of sufferings are been experienced by your Brotherhood throughout the world so it shows you that persecutions can be caused by Devils too thank you so there are some persecutions and in this context of the context of persecution Paul calls a a messenger of Satan was given to me to Buffet me and it because the messenger of Satan he said the messenger of Satan was in his flesh what people say that's a weakness messenger Angelos of Satan that's supernatural being so he said it was a supernatural being that was getting him to always be beating from place to place and why did Paul tolerate thata now preach God to preach not to keep people want to get born again are you following all right so how come they now for example you are running not R you should dream you could not now jump defend caught you are you seeing it now theyo your bom bom you cannot kill those people you know he preach you came to preach to them you can only you can do there is find a way to get them so that you can anything that make your mind to be going to kill bab you walk for that the you came to preach to how can you you came to preach to there persecution I have preached to somebody before and say if I see you in that gate again I used to say that it never happens to me there some things it's not good I experience teaching some things I used to say nah because I never saw that I just preach just allow me I just put my feet on the ground i p feet on the m m ground is my head would have Mar that the way I ran say I thought I told you not to pass with that I say it's just to talk to you say it's just to talk to me was sing it slowly I was mumbling Tong I just just to talk to you he said wait for me I said hearing a voice and I'm familiar with that voice that's the voice of the Lord telling me you want not to be in this house but I was just let me I was just so I was still at the gate pacing the floor I just don't know how the spirit of sin an knowing Just Came Upon me all of a sudden I literally saw what was being prepared inside the house for me different things they have said that they were going to they were conniving to go round and they one with jump fence and wait for me since I want to P strong head so C belt pistol for pounding Y for the man of God so I me I just h sound I just locked the gate I did not look back I ran you

know if I jump fences once I don't to I don't jump fence two times I at least I went to secondary school like you I don't jump fence two times it's not if you m we we learn not to match it if you match fence two times they used to beat you that means you your life you you cannot follow us to play ball you know you used to jump F to playb you don't know you guys were born again from your mother's home all right so if you you learn how to jump fence once that is one leg you just hit it as you hit the fence you just you master the ACT I say thank God for my experience everything work for the glory of God the experience you should be grateful to God for that's why I canot B those we are I want to Dr my is is who is alive that we wish so late night food try to B Now hook hook your stomach Baba if you are like go that's why see that going with somebody also for so that they will just see fear you should not be going to preach a little like that say move you say no I will not when you hear that voice say go don't Harden your heart amen so Paul says the messenger of Satan I say turnning the Flesh and the concept of turning the flesh is just like the Nations all around Israel were they to their face that was persecution so no Christian can be owned by Satan AB however demonization can take various forms demonization can take various forms of persecutions harassment being captivated by false teachings and even enslavement to sin enslavement to sin this can be works of the devil against us so most people do not see the place of false teaching we don't believe false teaching can be uh demonization but if you see very loud portion of the Bible Genesis to Malachi especially most people feel is just the episode that loud on false preachers false teaching purely devilish hallelujah amen so there are certain of course um certain ways you can give yourself to certain things and that will be devilish devil can be involved in certain things certain habits that people cannot break and not just because you do something once or twice makes the devil involved know there's more to that and will doctrinally explain that why you not take my award for it so it's not something you do once twice thce it's certain things but that leads to that shouldn't put everything in one bottle and say oh this is it this is how how everything should be viewed look at what job suffered I mean with a text like job suffering and you say things like sat cannot afflict people don't think you have a Bible I mean there's a book written so that you will know that can afflict people can't say silly things like that now so we know people can suffer for different reason but Satan can also be the reason why people are suffering I establish that a bit this evening all right now I think over the years I've had to teach you that there was no rebellion of Angel before uh the Earth was created that is not scriptural there's no scriptural basis for that people try to Revelation 12 and we also explain that as we go on in this series but let's go back to our Deuteronomy 32 worldview and um pick up some things from there what how uh unseen forces so we know unseen forces can be uh using the New Testament favorite Monica of Angels and Demons AB so we know that it can be light members of God's heavenly host that are in the light or fallen or corrupted supernatural beings they are also unseen forces then I said it could be orchestrated I mentioned something on Sunday orchestrated events and circumstances could also be unseen forces ABI orchestrated and man functions in both words we can actually our own

actions can be a force against us and we also look at that how um jze uh died Ahab and all of those things their actions piled up to what became their death so saying things like it doesn't matter it does matter so Cosmic geography is a Biblical context biblical concept a Biblical teaching theonomy 32 and verse 7 and 8 remember the days of old consider the years repetition does not hurt AB say i' heard it before hear it again remember the days of old consider the years of many Generations ask thy fathers and he will show thee thy elders and they will tell thee when the most high divided to the Nations their inheritance when he separated the sons of Adam he set the bounds of the people according to the number of the sons of God the Lord's portion is his people Jacob is the Lord of his inheritance you jump down to verse 16 they provoke him to jealousy with strange Gods strange Elohim with Abominations provoke they him to anger the sacrifice unto devils not to God to Gods whom they knew not to New Gods that came newly up whom your fathers feared not so you see what he calls it the sacrifice unto Devils underline the word Devils that's the word shed where you get the word shedim s h e d i m i m plurality you know I am is plural in the Hebrew so the shed not to Gods to Gods whom they knew not to New Gods that came newly up whom your fathers feared not whom your fathers feared not so Deuteronomy 32:8 to 9 will refer back to the Torah of bar incident ab and Frames the entirety of the biblical concept of God's chosen people Israel now being the elect being God's Nation being God's people now when we say Cosmic geography is the idea that certain ground is Holy While others is Unholy certain places are for God and certain places are not for God so NE man is looking for death because he knows that that is sacred ground in Second Kings chapter 5 the Philistine priest avoided walking on the spot that Deon head Deon fell and was destroyed 1 Samuel 5:5 say till this day they don't step on that ground 1 Samuel 26 David complained that he had been told to go worship other gods 1 Samuel 26 where Samuel David was going to the Gentile Nations if they be the children of men cause be they before the Lord for they had driven me out this day from abiding in the inheritance of the Lord 19B saying go serve all God so he say this telling me to leave Israel simply saying go Serve All Gods because he knew that that is hostile territory Israel was yahweh's domain AB So Daniel chapter 10 shows us that there are cosmic princes over Nations some of you are so impatient that you don't want to go step by step please go step by step Daniel 10 and observe um verse 11 and he said unto me oh Daniel a man greatly beloved let's start from verse uh um 8 therefore I was left alone and saw this great vision and there remained no strength in me for my comeliness was turned in me into corruption and I retained no strength yet had I the voice of his words and when I heard the voice of his word then was I in a deep sleep on my face and my face towards the ground and behold and hand touched me just Angelic presence so it was shaking and quaking somebody say how can somebody be shaking under the power of God you are not serious and behold and and hand touched me and set me upon my knees and upon the palms of my hand so immediately the hand touched me I buckled on my knees oh boy and he said unto me oh Daniel a man greatly beloved understand the words that I speak unto thee and stand

upright For unto thee I'm now sent and when he had spoken this word unto me I still trembling it's are charismatic signs you can tremble under the the power of God then said because the weight of Glory is stronger it's like saying why does people shake when electric shock them go and test it you will know then said he unto me fear not Daniel for from the first day that thou this set thy heart to understand and to chasing thyself before thy God thy words were heard so it didn't take 21 days for his prayer to be heard your prayer was heard the first day verse 13 it says but the prince of the kingdom of Persia with me one and 20 days but Lo m one of the chief princes one of so it's not the only one of the chief princes one of the chief princes remember we said we're going to get to hierarchy all right one of the chief princes came to help me and I remain there with the kings of Persia wow he has put Kings of Persia please the physical King is sleeping on his bed is not withstanding anybody in the Heavenly but there's an entity that is working through that physical King all right and the use of the word Prince of Persia talking about the Demonic entity assigned to that geographical location remember I told you there were gods of the Nations so this is so there Prince of Persia the use of the word Prince is a word used to explain supernatural beings princes and I'm come to make the understand what shall Beall thy people in the latter days for yet the vision is of many days jump to verse 20 and then said he knowest thou wherefore I come unto thee and now I will return to fight are you seeing the Warfare I will return to fight with the Prince of Persia and when I am gone forth Lo the prince of Persia shall come that was the next world power Greece became the next world power after Persia so King Alexander was just doing what he was doing he said the Prince of Persia shall come and it's not the physical King he's talking about talking about the a demonic entity assigned to that locality that this is the right word territorial Spirits sheds of the Nations so that particular shedim of that Nation will have to war against him because he's going to be against the gospel so the New Testament presumes this same Cosmic geographical worldview it is why Paul's vocabulary for evil spiritual powers of darkness is found with geographical rulership or is not in your own so Paul uses words like First Corinthians 2:6 the princes of this world how B we speak the wisdom of God among that per yet not the wisdom of this world nor the princes of this world notice the word princes of this world is that a word for geographical rulership because the word princes is also used for physical rulers but it's also used to explain Supernatural rulers Ephesians 1 we read that already in the opening text Ephesians 3:1 Ephesians 6:12 do you see principalities and path are those words you saw in Ephesians um 3 verse 10 principality and pass the same word in Ephesians 1 verse uh 20 1 principality pow mind Dominion every name that is named so he use the word rulers the same thing in Colossians 1:16 whether they be Thrones or dominions or principality or Powers you see this language is using is a language used same word used to explain physical Kings Thrones dominions principalities or paws are you getting this so it's possible to have this idea that oh not really it's not really it's not really like that we shouldn't be um explaining supernatural beings like that um but the vocabulary of the Apostles are quite consistent they uses words that involves rulership

rulers r I okay Ephesians 6 just to be sure for those who have forgotten Ephesians 6 verse 12 res against flesh and B against principality and pass against the rulers of the darkness of you see he using rulers of this word against spiritual wickedness so the spiritual wickedness in high places so there is the word rulers which is the word Aron there are seven Greek words used together when you put together all of these different text you have the word rulers which is the word AR then there's the word ruler again used for Cosmo ccto which is this Ephesians 6:12 which is where we are used for word ruler now to see how confusing the the commentaries are te strongs and the rest they said this an epitete of Satan because it's used for ruler of the world so that they know the prince of this age is called Satan so they just put it they're doing one entity but there's a whole lot of confusion in the translations so there are six I say six seven words use so two words are used for rulers is in your own so we have rulers um Romans 13:3 vers from verse one let every soul be subject unto the higher powers for there is no power but of god the powers that be are ordained of God this talks about physical rulers but we explain the context whoo not now because time will not allow us whosoever therefore resist the power resist the ordinance of God and they that resist shall receive to themselves damnation for ruler rulers are not a terror to good work what rulers there is the word Aron from the word AR which is the word so for rulers are not a terror to good works but to the evil will thou will thou then not be afraid of the powers will th not be afraid of the power do that which is good and thou shalt have Praise of the same clear clear clear first Peter 3 first Peter CH 3 and verse 22 who is gone up into heaven and is on the right hand of God angels and authorities and PW being made subject unto him so we're exploring all the text he uses for all these Cosmic forces so like I said when you put all of them together you have the word rulers you have principalities you have the word powers or authorities exusia then you have another word for Powers which is dunamis then you have a word dominion which is the word cuos you have the word Thrones then you have the word rulers of Darkness World rulers Cosmo ccto so and um if You observe the words if you if you observe the words he using the proper word is a LMA L E M A If You observe the how it compresses a concept in Genesis to Malachi and puts it for geographical domains so because he's the words he's using a words found in the Greek literature that denotes geographical domain Authority so he uses the seven known words in the Greek domain for authorities rulers Aon a rulers principalities pusia Powers dunam Dominion Dominion cous Thrones tronos World rulers Cosmo ccto so use those seven words and what he has in mind is quite simple Paul understood that Genesis 12 G you're not sure Genesis that you need to really tidy that notion which is why look at the Genesis 12 so that we are sure because we have wrong meaning of bless and cause I will bless them that bless the and cause him that cause the and indeed shall all the families of the earth be blessed so how will all the nations be blessed in the sea Galatians 3 in case you are not sure and the scripture forcing that God would justify the Heathen so in case you are not sure who all the families of the the Heathen the Gentiles true Faith preach before the gospel unto Abraham saying inde the shall all the nations be what what is

blessed world come in what is exile Bish shall all the nations of the earth be blessed so in true Jesus shall all the nations be blessed be welcomed and be reconciled so acts 17: 26-27 God that made one man in every nation of mankind to live on all the face of the Earth having timing allotted periods and the boundaries of their dwelling place that they should seek God so God never intend ended that though there are different different allotments is he wanted men to f after him though the corruption of those supernatural beings to lead men away from God where we now have idolatry which is Paul tracing the origin of idolatry in act 17 M because it's an AI to an unknown God so it says God is the one that made man in every nation of mankind to live on the face of the Earth and he determined the allotted periods and the boundaries of the dwelling place and yet he still has something in mind that they should seek him they should feel after him and though he be not far off so Israel which will now sum up Christ is now a light to the Nations to bring back the Nations so there are so many texts that has Jesus being the one to gather all the nations we have so many texts on inherit the Nations inherit the Nations bring all the nations bring all the nation now those texts is what you should have more in mind than something trying to harass me because those are lesser Devils calm down I know you are waiting for hierarchy I'm giving you small small so that say can you tell me that that one is small power is small power you are just you are distracted with Nollywood because they are doing they say why yeah say do this for me do this for me do this for me there are places there are different words used to explain entities like that people like that and what they represent those are the lowest CER of authorities but the good news is no matter the low the high power in the name of Jesus despy the name of Jesus in our preaching the name of Jesus or our yelling the name of Jesus to cast so there are some we preach out there are some we cast out but the emphasis is that they go out I wish you are with me so we have an emphasis this evening we have Supernatural authority to preach out and to cast out Devils has that been our emphasis we have Supernatural authority to cast out and to preach out devils and if you make a big deal out of just was casting out you make a big deal out of just casting out and you leave the driving out in our preaching we are missing out of something very vital did the Israelite knew that the gods of the nations were real is used a lot gods of the Nations appear over 150 times in Genesis to Malachi alone and Israel was always warned not to worship other gods so the New Testament conflict Paul R rarely uses the word demons to describe spiritual oppositions we face he uses words like principalities Powers Thrones dominions authorities all of which convey the idea of geographical rulership because the message is that the whole world is under the Dominion of unseen powers of Darkness save for those who are in Christ guys so we have a walk um look at it say how can you say that because Jesus used the word the prince of this word the prince of the power of the air John says the whole world lith in the sway of the wicked one the whole world you know there are certain statements we don't like to use but the Bible uses it for us nonetheless first John 5:19 first John 5:19 now let's start from verse 17 all unrighteousness is sin and there is a sin not unto death we know that whosoever is born

of God sinth not but he that is begotten of God keepeth himself and that Wicked one toucheth him that Wicked one touched him cannot touch him we know so this is something you are supposed to know we know we know that we are of God and what else do we know that the whole world lith in wickedness so it's you that don't know the apostles knew that the whole world Li in wickedness the whole world lith in wickedness so there's wickedness everywhere Hallelujah there's wickedness everywhere some 74: 20 have respect unto the Covenant for the dark places of the Earth are full of the habitations of Cruelty so it's not everywhere that light has reached anywhere light has not reached so Satan is called the prince of the power of the air Ephesians 2 it say where in time pass he walk according to the course C RS according to the course of this world according to the prince of the power of the a the spirit that now walkth of Disobedience so so there's no neutral ground either you are for light or you are for Darkness AB no in between KN in between Jesus said when he is raised from the dead now is the Judgment of this world now shall the prince of this world be cast out John 12:31 the prince of this word Jesus in John 14:31 says I will not talk much with you for the prince of this world cometh and has nothing in me John 16:1 of judgment because the prince of this world is judged so you have it in John's letter alone three time Jesus Calls the devil the prince of this world so there's a ruler of this world how did he become the ruler because of wickedness man's because of all those rebellions led to that rulership of this world not the whole earth you see uses the word the world because the Earth is the Lord but is telling you that there is now a system in play that is opposing light and that system is governed by Satan that system is governed by Satan and is not of God hallelujah amen so let's preach the gospel L are we going to take the gospel seriously yes sir is that part of our Authority yes Keys of the Kingdom om to let men in to let men in so we let people in we have the keys we bind and we lose Hallelujah you have authority to bind and lose you have authority to get men in you have authority to pull down arguments strongholds I'll take the truth of God's word seriously I'll take the truths of God's word seriously because my not taking the truths of God's word seriously gives the devil place gives the devil Place imagine you hearing a voice that sickness will not be healed though why is God going to heal you the sickness will not be healed why not going to be healed God is not going to heal you this sickness cannot be healed by the power of God any of the lies but they all Li wild streck cray of the devil we cast It Down cast down imaginations and how we do that is not by yelling by understanding is by internalizing knowing the truth of God's word hallelujah so are we going to take learning seriously so what is the whole essence of ministry gives in Ephesians 4 perfecting the sent AB come on for the work of the ministry till we all come Unity of the faith know of the Son of God so emphasis of pastors is that you should have knowledge because that's very important that will help us that will Aid us in our walk against Darkness Hallelujah so whether you like it or not you are in a war and how you live matter is light and darkness on this Earth it's light and darkness on this Earth yes whether we like it or not whether you agree or you don't agree you are in a war and there are casualties so we T a message

watch war and win so you see Satan is seeking who he may devour and it's sad that he does find people who he can devour some people are devour material I'm not ground I'm not a person that Satan can devour Satan is looking for who may Dev but he says whom you resist steadfast in the faith are you see that persevering matters Stand Fast in the faith so why he say I don't care it doesn't matter whether I believe the truth of God's word or not it matters it matters oh it matters oh it matters it matters whether you believe or not it matters whether you believe or not what do you believe I believe the truth of God's word and I'm going to devote myself to knowing more about who I am what I have and what I can do in Christ it doesn't matter to know who I am it doesn't matter to know what I have it doesn't matter to know what I can do doesn't matter to know who my God is so that I'm not lying and say God is like this somebody dies in your eyes and say God killed him what is God killing the person to do what is God using the person to do God took my mother when I was five ahh God took my father when I was 11 what was that was it taking them to do and all those belief system brings you to a malleable place where you are you can be devoured you open your life to inns to Satan attacks of the devil Hallelujah one translation calls bitterness rots the bones and it puts the root word origin of cancer say my attitudes do not matter it matters keep on stealing from the P later Satan will enter you and you will hang yourself that's the way of Judas AB it doesn't matter say it doesn't matter it matters a little year a little day be do matter how we live our lives when your obedience is complete ready to punish every Disobedience I'll live a life of obedience I'll live a prayerful life you see it's part part of our Warfare part of our our weapons prayer is mentioned that perseverance I'm able to stand fast stay perseverance unwavering submit all to God resist the devil and it will flee so we know it will flee but you have to resist so you have a place where you say my own is I don't have time for I don't have time for the devil but he has time for you and it's not for you to now know so much about the devil it's for you to know so much about your Authority is for you to know so much about God's word and start doing God's word and as you start doing God's word that's your Authority so don't see Authority only when you shout in the name no no no no no that's a very big satanic distraction because Authority is influencing you got somebody else to love Jesus oh boy you just use your Authority just now you got somebody else filled with the Holy Spirit oh boy you just use your Authority just now you got somebody born again you just use your Authority just now you thought somebody that believe that they're not sure if they die now where they are going you made the person know about the Assurance of their salvation you just use your Authority just now Satan does not like that and that's what we live for Hallelujah I'll live a life of a life of vision so there are certain things that are a distraction against you living a life of vision make as much money as you should make but don't let it make you not care about souls of men don't let it make you not care about if people know Jesus or not so my money I'll put my money where my mouth is so I'm preaching but I put my money there AB to see that this gospel goes around but that's what Satan fears most and the longer you preach the gospel the more you see that you really have power for those power encounters

because oh boy you see the Bible ible says that for every soul that is saved the angels are rejoicing so what do you think the devils are doing if the angels of God that are beholding God's face are rejoicing what do you think Satan is doing they sad because the good guys are saying wow more persons are coming the bad guys are say oh we allow so we have a walk to go tell people and say I cannot be free I cannot be saved I have there's a pattern in my family there a this there a this that cannot allow me to know Jesus you will know Jesus I will tell people mindus say take thought how you think mind how you think mind how you think mind how you speak those things matter 33 and a half years we have Jesus walk the earth to give us an example of how we should live and everywhere he went he was doing good is that what we should be doing he was preaching healing casting out devil walking in love we can go we can summarize it in five activities that's what you should be giving to Hallelujah that's what you should be giving to and that's what Satan fears most don't you want to do what Satan fears most that's what he's afraid of most is afraid when you spend time hearing God's word say ahh because he not afraid when you spend 9 hours watching film but you afraid to spend 2 hours hearing God's word is happy that you are able to spend 6 hours his love is when you are able to spend 12 hours with bitterness 12 hours with offense 12 hours with Strife or even a month with offense you say guy that guy my guy Hallelujah I'll guard my heart with all deligence for how of f are the issues of life it doesn't matter how I think it doesn't matter no no it matters amen certain attitudes can attract Devils is God everywhere is the heavens over the Earth is there any part of the earth that does not have Heaven over it there's no part of the earth you will go that there will not be unseen forces the heavens are over the Earth Hallelujah say I don't know how come no no no no no how did somebody know you were around somebody told them somebody you in the natural somebody came to visit he's around he's around that's the same way devil also have many men in many places that gives him information Hallelujah so we have a work to do and we'll be faithful to it Hallelujah my walk this evening is to charge you you are not wasting your life that you love Jesus you're not wasting your life that you preach the gospel you're not wasting your life that you care about eternal things you're not a fool you say you are taking God too seriously oh but he took me so seriously that he died for me he took me so seriously that I was the nails are holding the Lord of creation took me so seriously he was buried then he was raised again for me if that's not serious I will take him seriously too so Lov me and he gave himself for me Hallelujah and he said he will never leave me nor forsake me God will never leave me nor forsake me he will never leave me he'll never leave me he'll never forsake me he is my God he is my God he'll never leave me nor forsake me so that we may boldly say the Lord is my helper he's with with me everywhere I turn is with me and I by the power of the Holy Ghost charge you let this fire not be put off in you you're not wasting your life when you preach the gospel you're not wasting your life when you care about souls being saved you're not wasting your life when you think on go you listen to messages every day you can't call somebody your pastor that you hear once in a week no listen to messages again and again is helping you the truth you know sets
