

This morning, the eyes of our understanding will be flooded with light. We leave here again with a greater understanding of unseen forces. We walk in the power of God. And we know that our lives will never be the same again. We give room for revelation, utterances, and power in this house this morning. That the things that ought to be said will be said. The things that ought to be done will be done to the praise and glory of your name. Amen. God bless you. Have your seats. Amen. Now, we're still on the series on sin forces. On sin forces and um Hebrews chapter 11 and the prophet said, Our faith is the substance of things hoped for, the evidence of things not seen. So faith studies the unseen, the evidence of things not seen. Says, "For by it the elders obtained the good reports." And where we're going, verse three, he says, "True faith we understand that the words were framed." Through faith we understand that the words were framed. Through faith we understand that the words were framed. The periods of time were framed, put together. The period of time was rendered fit, complete, adjusted, mended, put into shape. The periods of time were framed by the word of God. So that the things which are seen were not made of the things which do appear. So that the things which are seen were not made of the things which do appear. the things which are seen. We're not made of the things which do appear. So the sin is used to explain the unseen when we talk about the faith of our Lord Jesus in the scriptures. Amen. Often time we hear people say life is spiritual and we say no life is not spiritual. Life is natural. But life is actually spiritual. Life is natural. Life is twofold. Life is there's the natural dimension of life and the spiritual dimension of life and both ought to coexist. It is the proper duality of life. The sin and the unseen world were made to function together. Genesis chapter one in the beginning God created the heaven and the earth. The world that God created is heaven and earth together. And at the end of all things, we see that heaven and earth were made for each other. Like a marriage. Like a marriage. The male and the female were made for each other. They may seem like poles apart, but they were made for each other. The male is not the female. The female is not the male. Heaven is heaven. Earth is earth. Heaven is not earth. Earth is not heaven. However, they were made for each other. They were made to function together. Amen. And we as believers can function with the best of two words. Amen. And we in this our series on unseen forces which will come to an end in this month of June. We've been emphasizing and a bit more practically uh being wise and strong with the power of God. We ought to be wise with the power of God and be strong with the power of God. Amen. Hallelujah. We ought to be wise with the power of God and be strong with the power of God. Amen. I was preaching as it were uh gospel charge letting people know how powerful the gospel is what we have come into and I use the story and I'm going to use that story to set a framework for some of the things I'm sharing today now most people have never really heard the gospel thanks to bad pastors bad idea of what the word of God really means but um if I tell you there were a people on this earth and If I tell you there was a people on this earth who if all the sorcerers in the world gather and said something evil against them it will not come to pass. You will be interested to know such a people. If I tell

you there was a people on this world who have great powers exceeding great power that they can say and it can come to pass. They can reverse things that have been said or that has been done. They can make things happen. They are able to generate power to make things happen. It will be interesting if I tell you there were people on this earth who have access to all wisdom that they can take a portion and use in their life at any time. They have access to all wisdom. If I tell you there were a people on this earth who have peace amidst every storm that even if there were a contrary wind or a storm they could just say peace be still and the wind will be so it will the forces of life will hear their voice and adjust and attend to them that will be interesting to know of such a people if I told you there were a people on this earth that fear got nothing on that when fear rages and things make somebody afraid come at them. They can switch sights and see what's happening in the unseen and just chill out and be relaxed and say, "Oh, there's nothing to worry about." Because they know that they are surrounded. Because they know that as the mountains surround the Lord surround his people and they walk in light, revelation and vision and power. You say, "Oh, what an amazing people." If I told you there were a people on this earth that Do not do worry, do not do anxiety. That if there is anything that could even make them anxious, they get to cast it on their God who is a rock. If I told you there was a people on this earth who can do joy, joy, joy continually that they can abide in joy continually. You want to be of those people. But that's the gospel. That's what Jesus has made available to us. And it's not appealing because of how horrible ministers of the gospels can be and also how people have deviated from what the gospel truly is. So it looks like, wow, I wish I knew those people. But that is our catch. That's what we tell the sinner that gets them saved. That's what we tell them that Jesus has made us. Amen. And we can go on and on painting that We can pend it in over 50 ways and there's no exaggeration. In fact, half of the truth has not yet been told. Amen. That's the people that we are in Christ Jesus. Amen. And when we choose to function below our reality, life would look different from that reality that God gives us, that reality that we have in God's word. But we choose to walk with that reality. Amen. Hallelujah. I have power. I have power. Yeah, I do. I have power. Amen. I have power. I have power. Amen. First Corinthians chapter one. First Corinthians chapter 1 and verse 22. It says, "For the Jews require a sign and the Greeks seek after wisdom, but we preach Christ crucified." So it doesn't matter what the Jews require, what the Greeks seek after. But we preach Christ. Christ is sufficient enough. Jesus plus nothing is enough. Jesus is enough. We don't add to the gospel. The gospel is enough. Jesus is enough. Most people make it look like Jesus is not enough. We get to mix Jesus with many other things. No, Jesus is enough. The gospel is enough. However, that Jesus that is enough shouldn't be an excuse to not do what God's word says. Because that gospel of Christ emphasizes prayer, emphasizes speaking, emphasize all of those things are part of the gospel. Not oh this is what is making the gospel hard that this is the works. No that's not the works that is the gospel. That is who we are. Some things are automatic. Some things are appropriated. And we must know that which is automatic is in our bed. But in our action we have to act.

That's why it's in our action we have to act. And there are actions to take. Amen. One can be wise with the wisdom of God. One can be foolish with the wisdom of God, but both of them have something in common. They both have the wisdom of God. Amen. I am not more powerful than you. No pastor on this earth is more powerful than you. None of the apostles were more powerful than you. Because we all have the same spirit of God and the same power of God. But the difference is how they use it. What they know about that power. How conscious they are of that power. How much practice they have of that power. And that is the difference. Paul says when I was a child, I spoke as a child. I taught as a child. I understood as a child. There's how a child thinks. There's how a child understands. There's how a child All of these things are also seen in the language of power and wisdom. What we have in Christ Jesus. Amen. No pastor has the spirit of God more than other person. Every believer has access to all the exceeding greatness of his power. But some choose to take 2 KVA from it. And the things that they want to power 50 KVA, 100 KVA, 90 KVA, 60 KVA. But they just took 2 KVA from the power of God and they and it did not work. And they say, "Oh, but the power is always working. It's called energ. God is always on. Is bad. You have to beat yourself. Call on him." And he does not answer. They cut themself maybe sleeping. Elijah knew how to mock them very well. God is always on. Neither sleeps nor slumber. Amen. Ever attentive to his people. Amen. So is how much of what we use? How much of that power do we know? How much of it is in our thinking, is in our emotions, how much of that power is in our conscience. Look at the reflex of many persons. you will know how bankrupt they are as it relates to power. Your responses show if you are spiritual. You see, uh woman, the baby is not kicking anymore. All right. You didn't hear me now. I heard you. Don't worry. The baby will kick. Say, "No, you are not getting it." No, you are not getting it. Yeah. You are not getting it. Not a pastor, a brother. And the the baby in the womb. They said they had to evacuate the baby from the womb to save the woman's life. And so they evacuated the baby. The baby was lifeless. The baby was lifeless. And a dear Christian, dear brother in the Lord prayed for that baby and the baby came back to life. Lifeless baby that they were evacuating to save the life of the mother came back to life. Seven a fast came to meet him and say what is the source of your power? That's just Jesus Christ. Just Jesus Christ. There are regular everyday stories of believers that we get to hear. Not even pastors. everyday stories of believers that choose to act on God's word, that choose to defy the odds. The woman said, "Ah, I I I've lost your baby. I I was bleeding." The bishop said, "Woman, you know how he talks. Are you pregnant with blood or with my baby? Give me food." That was it. And that's the child that resident pastor now. what you believe. Nobody is saying you should not say what your experiment, what your facts, what your theories, what your background, bad charts are showing you. But we have greater projections. We have other realities that we can superimpose on this reality. Just as in the natural, you understand the superimposition principle. That's how it is also in the realm of the spirit. We can superimpose it also. Amen. And you know you are supernatural when you see those your response. Jesus also had a bad day. How did you Yeah. Jesus had a

bad day. How did Jesus respond when he had a bad day? He fed 5,000. They just told him Matthew chapter 14, John the Baptist is dead. Now because that was his cing, he withdrew to a solitary place. And yet he with to place to pray, calm himself down. The multitude thronged on him to follow him. I didn't I didn't lash out on them. He worked a miracle. Being moved by compassion, has his emotions under check. Self government, not lashing out on people, has his emotion, mastered his temper, mastered his appetite, master his desires, master his tongue. A true master Any man that can master his temper, his temperature, his emotions, any man that can master his tongue is a master indeed. And we see it in the life of Jesus. He mastered his appetite, master his spending. What manner of man is this that even the wind and the sea obey him? And that's the manner of man the believer is. It is From there we are born again. We are of the crystals. We are of that Christ. We are like that Christ. So don't tell me you h I know God's word. I know God's word. And every time you are filled with fear and panic and worry. You don't know God's word. You don't know God's word. When life gives you something else different from what you desire, you just crumble. You say, "Ah, it's all over." We don't do that here. And you can't fake your responses. Your responses show you your maturity. It stares you in the eye every day and tells you you are a boy. You are a child. Your responses show you. The responses show you every day if you truly are a man of faith and conviction. It's just some young persons heading towards 30 years. We see that many times among beautiful ladies who were fellowship leaders in school and they are not yet married. Then you start hearing say we don't know what God is doing. Their convision start changing. They never weak material. Your strength fail in the day of adversity. was made of weak materizing, oh God, we don't know what God is doing. Maybe it's not God's will. This is so many excuses. No, no. That's why you must write your ticket. We go know what this is how my life is going. This is what God have said. This is there's nothing terrified. Nothing gives me sleepless nights. Nothing gives me sleepless night. Nothing gives me sleep. Nothing stops me from doing God's will and work for my life. Nothing. Amen. Oh, we're going to slow him down. Sorry, I didn't even get to know. I didn't even get to know. I didn't even get to notice that that was to slow me down. No, I'm I'm set on the course. There's the responses you have. And so when you now hear preachers say, "Oh, we don't have the same power." That's what they mean. Not that they are saying, "We don't have the same power of just because how you use it show you don't have the same Because your knowledge, your thinking, your conscience, your conscience, your conscience, the consciousness, your conscience of power. Said that man said an idol is nothing in this world. He has a conscience. his conscience. That consciousness, that conscience you have say, so it's all over. No, it's not. No, it's not. No, it's not. that conscience there's a feeling an emotion of power a thinking of power a speaking of power everything join oh yes no I'm not going to change what I'm saying because of what and you can't fake it I repeat it again you are a boy when your convictions are changing and you say um maybe it's not God's will God what are you even doing. We don't do that nonsense here. You say maybe because you have not you have not seen life.

Have you have you? Cuz you have not have been life and death situation four times in my life and I'm standing here. What have you seen? How many life and death situation have you been? You just have tough situations. Have your life flashed before your eye before. I have been in such four times and I'm still here. Amen. Last week made it the 12th time now. I couldn't get myself to come to church, but I dragged myself out of bed. The a spirit of a man will sustain him in the time of infirmity. And I came I was jumping up and I'm preaching. But I had just broken the jaw of the enemy. No, you will not tell me. you will not give me direction in my body. That's the 12th time it has happened in my life before a service, before a ministration, before a day to minister and I'm all broken down bodily. No, the spirit of a man will sustain him in the time of you build a strong spirit. You build a strong spirit. That's why you charge yourself in your so that your responses not like so uh we have strong strong pastors and they can just go ahead I just take care of my body put I don't do that nonsense now I just put my body in shape first no no no if I'm in faith then I do what I ought to do not my enemy not my my enemy not my this. No, your responses your dad has slumped. He's almost in a coma. I was in general school of ministry the morning session still preaching some years ago jumping and and we had we did joy in the Holy Ghost. And when I got that news, it was around 11:00 p.m. in the night. The next day early in the morning I was in the first session already. Then afterward went go see him in the hospital. He said in his own testimony that the Lord drove him back into his body because all through the night I wrestled for his life. That day the Lord said to me before he will go I will tell you and you will agree to it. His life is no longer in his hand. For you have resold his life out from his own confession. You have prevailed you have you handled difficulties say for as a prince that has power with God. You see those ones is in Bible. Have such experiences in your own life and I was in the hotel room. So it's not even a place that I could shout. I increase the television. I use the pillow to cover my head. No, but T 7 a.m. You say now learn how to pray for hours. You can't learn how to pray for they are stressing me. But I've done 24 hours before because I heard the one prophet that teach out of conte. I just went to go and I just went to I timed it. I prayed the whole 24 hours. I'm not going to be allowing unbelievers or people who I feel are suspicious in Christ Jesus be having records that we don't have. No. When I heard another he said he has done 48 hours I going to do the same only that uh it wasn't a straight 48 hours. press. If your faith fail in the day of adversity, it was made of weak material. What are you building? Are you building something that the rain, the storm, everything will come and it will beat against it and it could not the same things came against the two but it could not shake it? Hallelujah. Have you seen a report that you're like, "What is this? What did I do to deserve this? I've served God all my life. I've done evil to no one. Why is this thing working? But you know, I can't think like that. I can't talk like that. That, hey, it's all over. It's never over for me. It's never over for me. It's never over for me. It's never over for me. Amen. Amen. Many years ago, my mom's body just began to depreciate and her bones were drying and she had to go visit my sister. Then she and her husband were in black. Ah, what is happening to this woman?

She says, I just I just so I I traveled as I entered into the hospital. She sat up and you know that's why I tell these old people they should be knowing this word of God. They should be understanding these things. You don't gain authority in the family for your word to be law by eating drinking ice cream all the days of your life. You wrestle power so that your words have prevailing power in your family. Your words have prevailing power. Your words have prevailing power. Amen. Amen. There are examples and examples we can so people talk about. You have not seen bad day. I've seen bad days. Amen. Amen. I lost some good millions and two days after I was general school of ministry the day we were dedicating this place and I have not lost that kind of amount of millions before in business. I dance rejoice. I could have said, "Lord, I gave." But you know, Lord, I give. I give. I give. I give. I don't do that nonsense in nothing terrified. Satan always sees me and I'm still in joy and peace. I thought we were planning something against this man. You got nothing on me. [Applause] Satan is a thief. And after the program, I said, "No, there's nobody. Everybody say you can't contend without man. You can't I've already lost the gain I would have gained but he will pay me every cobble back and every engagement with that prince that has power in this city. He said I know I'm supposed to give you your money or I must give you your money. It's power. See if we use the legal art we will still be there. There are many cases that have been thrown away there eight years 10 years. So you give me, you will give me. You prayed until I saw my leg on top of his head. Then I beat my enemy as the dust of the [Music] air. I was still a student. Then when a lecturer said to me, you are still young. I still remember that chemistry lecturer was the HOD. Then it was 100 level. I got an absent case and I said no I finish very fast I finish in 45 minutes so they put my say must be mal practice that's why it was an absent case so I I followed up that matter my class uh what they call their name uh project what they call course advisor was negligent and as I was praying about that matter I prayed about everything I saw that same thing I climbed and I was like on a mountain two legs were on his neck. I had written all those letter they used to write to student affair. Write all the letter be all the different the department letter that they used to write. As I got up from there in the morning the Lord said go straight to the dean of engineering's office say you want to see him. So I went there I met the secretary. I said he say do you have an appointment? I said when he sees me he will know that I'm the one he's looking for. said okay so you mean you have an appointment so obviously as I entered I explained to him I said sir I'm a very bright student it's straight A's I always get he said wow nice let me see where's your cervisor why is your adviser not here I said I don't know he said go and call him to come immediately let him follow you said do you have a letter I said yes you're signing say go and meet the dean of physical science even if he's in any meeting tell him that your results should come out I don't even care whatever you had they should put a on I carried the paper when I say so you know the dinner I said I don't know him say you know him you just enter like that so you' have told me now follow me now follow me now follow me now we ran he was in a meeting he entered and told say very serious matter he sign I went to go and meet that we follow to go and meet the lecturer that

say you are a young boy you can be having carryovers he say sorry oh he put the a there the next day You they cause men to ride over our head but you have brought us men ride over my head. Oh they ride over my head. No, no, no. If I speak is for war. Just be taking it passive. But when that nothing terrified. There are circumstances and situation that tries to bury you. You will not let it. You not let it s. What pain me I could have let it slide but the man the audacity and I knew it was not it was a it was that he was an aotic man pointed his small finger to me telling me you are a young boy you can keep coming and coming me he said yes I said wait I left him I came back the next day he was likeh you so you are you know the system Put a didn't even bother whether they threw away the script. Put a put a by a strong hand he let them go. Say Moses favor will not let them go but by his strong hand the right hand of God does valiantly. Hallelujah. Praise the Lord. Every believer has power. Yes sir. But is how they are using it is how they are using it is how they are using it is how they are using it. Yes sir. Is how they are using it. Yes sir. Is how they are using it. Yes sir. H where were we? First Corinthians chapter one. But unto them which are called verse 24 to go. Notice it again one more time. But unto them which are Now jump to verse 30. But of him are I in Christ Jesus who of God is made unto us what? So Christ has made unto us wisdom. So Christ is the wisdom and the power of God. Amen. I have access to the wisdom and power of God. And in Christ I have access to wisdom and power. I do. Amen. Amen. Ephesians uh no no let's do Corinthians so you get it. 2 Corinthians chapter 4 and verse 7. But we have this treasure in vessel that the excellency of the power may be of God and not of us. We have this treasure in vessels. God in me Christ in me. Ephesians 1:19. And what is the exceeding greatness of his power to us what who believe according to the working of his mighty power which he wrought in Christ? Notice the word. And what is the exceeding greatness of his power towards all who believe? Is that you? Six words I used to explain this power. I've said it before. This is the power that you have. Far above all principality, power, minds, and dominion. Every name that is named not only in this world but that which is to come. I have power. Ephesians chapter 3. Look at verse 20. Ephesians 3 and verse 20. Now unto him. Now unto him that is able to do exceedingly abundantly above all that we ask or think according to the power that workketh in us. There's power at work in me. There's power at work in me. There's power at work in me. There's power at work in me. There's power at work in me. There's power at work in me. So power at work in us. Power at work in us. Dunamis is at work in me. Power is at work in me. Hallelujah. Praise God. So we have power in Christ Jesus. We do. Ephesians chapter 6 verse 10. Finally, my brethren. And now this was the text we read for the very first two parts of this series or the first three parts. Finally, my brethren, be strong. And we're going to read it again from next week. Finally, my brethren, be strong in the Lord and in the power of his might. Be strong in the Lord. Tell your neighbor, be strong. Be strong. Be strong in the Lord and in the power of his might. The power of his might. The cactus of his is two. Again, he uses three Greek words for power. Be strong in the Lord. Be strong in the Lord and in the power of his might. I'm strong in the Lord. I'm strong in the Lord. Ephesians 3

and verse 16. Ephesians 3 and verse 16. That he will grant you according to the riches of his glory to be strengthened with might by his spirit in the inner man. I'm strengthened with might by his spirit in the inner man. So the spirit of God is in me. Spirit of God is in me. Matthew 28:18. All authority in heaven and earth is given unto me. Go ye therefore. Having all authority and power he sends us. Go ye therefore. We go without authority. Amen. We go without authority. Luke 10:19, "Behold, I give unto you power. Exuse your authority." Power has been given to us. Power has been given to us. Power has been given to us. Power has been given to us. Ephesians 1:22. and has put all things and has put all things under his feet and gave him to be head over all things to the church and has put all things under his feet. All things under his feet. All things under his feet. All things under his feet. All things are under my feet. All things are under my feet. All things are under my feet. All things are under my feet. That's the same setup again in Psalm 8:6. Thou has made him to have dominion over the works of thy hand. And thou did put all things under his feet. The Genesis 1:26 narrative. Thou did put all things under his feet. Daddy did put all things under his feet. Daddy put all things under his feet. Thou did put all things under his feet. Amen. Thou did put all things under his feet. All things under his feet. Hallelujah. All things under his feet. Philippians chapter 2. Wherefore God has highly exalted him, and has given him a name which is above every name, that at the name Jesus, every knee should bow, of things in heaven, of things in earth, of things under the earth. Every knee should bow. Every knee should bow. Every knee should bow. Every knee should bow of things in heaven, things in the earth, and things under the earth. So I have authority in three words. in heaven, earth, under the earth. I have authority. I have power. I have power. And we must use that. We must use that power. So, I have power. I have power. I have power. I have power. Amen. Amen. Must be conscious of what you have in Christ Jesus. Ephesians 1:3. One to go if you're there. Ephesians 1 and verse three. Bless us with how many? So as long as it's a spiritual blessing, do I have it? Yes, sir. As long as I is the spiritual blessing, I have it. Blessed with all spiritual blessings. So I have access to every spiritual blessing. Because I'm in Christ, I'm a member of the church. I have access. Because if it's not at work in me actively, it's at work in my brother beside me or my sister beside me. There must be because in the church is that whole blessedness. I have the spirit of God. We have the spirit of God. And what I am not doing with the spirit of God, another person can be doing with the spirit of God. And every joint supplies that which is lacking. Amen. Amen. was sufficient by our relationship. What I need, God put in another person. What the other person, God put it in me. We need one another. That's how the system works. Amen. Amen. That's how the system works. Amen. Amen. So, we have power. We have power. And be conscious of that. 2 Timothy 1 and verse 7. 2 Timothy 1 and verse 7. For God has not given us the spirit of but of love, power, and of a sound mind. That's the spirit that work in you. The spirit of power. Spirit of a sound mind. I have a sound mind. I have a sound mind. I don't think anyhow. I don't think anyhow. I don't think anyhow. I don't think anyhow. The power of God is at work in me. Amen. Amen. Second of 1 Corinthians chapter 12

verse one. Now concerning spiritual gifts, brethren, I would not have you ignorant. I will not have you what? Ignorant. Then he tells them, you know, you were Gentiles carried away from these donles. If I give you to understand that no man speaking by the spirit of God calls Jesus our cause. No one can say just the Lord but by the Holy Ghost. There are diversities of gifts but the same spirit. That's what you have. Diversities of gifts. I have diversities of gifts, abilities, differences of administration. We have that in the church. Difference of administration. Diversities of operation. But it's the same God that workketh all in all. The same God who walketh all in all. The manifestation verse seven of the spirit is given to every man. The display, the exhibition of the spirit. So every believer has the display of the spirit. I can show forth the spirit. The spirit of God was given to me to show forth. I can show forth the spirit of God. I can show forth the spirit of God. of God. That's how I am. Now, all of these things you say, "Oh, sir, we have heard these things before." That's the challenge. You know, they use with you the year. Which day will you use it? Which day will you act on these realities in your life? Take it very seriously. Your responses will change. Your thinking will change. Your living will change. Your living will change. Your thinking will change. Mind how you think. Mind how you think. Hallelujah. Lord. Amen. Amen. We have power. Then he mentions the gift. For the one is given by the spirit the word of wisdom to another by the spirit the word of knowledge to another I mean mentions all the gifts of the spirit that we have. So I have revelational gifts. So I have I have revelation in Christ Jesus. I can know things. I can know things. I can know things. The word of the Lord is given unto me. You know the if you read the psalm Sam 1 Samuel, 2 Samuel, first Kings, 2 Kings, you will see the use of the word the word of the Lord. The that king Jehoshaphat said find a man of God that the word of the Lord is with. That word of the Lord is not the one that can preach or the one that have access to revelation. The one that can tell us if this battle will win it. I have the word of the Lord with me. That word of the Lord is that visible re uh uh visible presence that uh tangible encounter they had with the Lord is used for experiences and the word of the Lord came and stood. Do you notice that in Psalm where the word of God came and stood? That's not that's experience now. That's an encounter. We have encounters. We have encounters. We have encounters. We have encounters. We have encounters. So we act on the word. We act on the word. We act on the word. We put God's word to work. We put God's word to work in our life. So when are you going to act on these realities that we say we have in Christ Jesus? Act on it. What did I say? Act on it. Act on the realities that we have in Christ Jesus. Act on the reality that we have in Christ Jesus. So it's not, oh wow, I know who I am. Wow, I know what I have. Act on it. Is one thing to know who you are is another thing to and the call is to act on it. This is who I am. This is who I am in Christ Jesus. This is who I am in Christ Jesus. I am in Christ Jesus. This is who I am in Christ Jesus. I am in Christ Jesus. act with it. What are you doing with your in Christ reality? I'm enjoying it. What an enjoyer. I'm enjoying it. Baba, act on it. Use it. Bring others into the fold. So I have revelation in Christ Jesus. I have revelation. I have utterance. I have what to say. Yeah, I can prophesy. All the dimensions of

prophesying, I have it. I can prophesy. I can speak in faith and power. I can for fortell. F O R T H. I can foretell. F O R O E. I can foretell. Hallelujah. In Christ Jesus. Amen. I have prophecy. Imagine asking uh Ezekiel the power of prophecy. He will tell you, "Son of man, can these dry bones leave?" Say, "Lord, thou knowest." Then then he saw that prophecy to this, prophecy to this, prophecy to this. So I prophesied as I was commanded and bone came to bone. Some people think we just we just make up this word. Oh, I was praying for somebody during the week. It was the person's birthday. And I as I began to just pray for the person, the word of the Lord came to me. I knew it. The word was precious. I said, "The Lord has given you three things." And the word entered in this new phase. This this ah even me I knew I said the word of the lord. Ah that one is not just pastor praying for me. Nice nice nice word. That one enter began to speak the lord was with my mouth. I mean I always know what leads to those things. This boy pray before he called me. Say s just just say anything then somebody say just say anything but is powered by prayer that anything becomes not anything for formality because you have number it will not go soon waste assess run with words run with words sir Amen. Amen. Hallelujah. Praise God. We have utterances, prophecy, tongues, interpretation. So I can speak in tongues. I can interpret the tongue. I can use tongues. Remember there is a we can use tonesues to fire our words. Yes sir. To allow it have more force. That's why there's speaking in tonesues and praying in tonesues. Speaking in tonesues is vast. Praying in tonesues is only to God. I don't pray in tonesues to you. I don't interpret praying in tonesues. You can't interpret praying in tones because it's pointless. Why are you interpreting it to God? Lord, I use these tonges to say you are a mighty God. It means Lord in case you don't know what it means. These tones now mean that stupid. You can't be put in tong to God. But it say he that speaks in an unknown tongue speak unto men but unto God. How be it in the spirit he speaks mystery. Mystery there does not mean mysterious. It means spiritual knowledge. It means he's saying what only the initiates know it can be revealed. He's speaking mystery. Spiritual knowledge. What he's saying is knowledge. It can be known. Mysterious is what cannot be known. Mystery can be known. We speak mystery. We teach mystery. Mystery is used to explain something that a um when a council holds a meeting and other persons do not know what they said that is a mystery. The conversations in a secret meeting so it is secret information. So I'm saying something we say but my mind is unfruitful. the my mind that I used to normally speak English and the normal languages on this earth cuz not every English everybody speaks is unfruitful because I'm not engaging with that language not that my mind cannot know what if my mind cannot know what I'm saying how did I interpret it because interpretation is with my understanding I'm interpreting it by the spirit of God but it has to come through my understanding amen so it talks about uh 1 Corinthians 14:6 I can use tongues to get revelation say I can speak to you by revelation I can speak to you the the B part the ending part by revelation by knowledge by prophesying or by doctrine I'm using tongo but I'm using tongue tongue can be used like that when you all come together everyone has a tongue everyone has a psalm so there's how to use tongue there's how to

use there's how to use tongue Amen. Amen. There's how to use tongue. Hallelujah. So I have revelation. I have all I have power in Christ Jesus. Gift of faith, gifts of healing, workings of miracle. All these at work because I have the spirit of God. So if I have the spirit of God, I have access to these things. I have access to these things. We have spiritual power and wisdom in Christ Jesus. Amen. I have. Now look at that word wisdom. It says Christ has made unto us wisdom from God. So I have wisdom. But in the first Corinthians chapter 2, how be we speak wisdom among that are mature, knoweth not the wisdom of this word? So we have access to wisdom. We speak the wisdom of God. We speak the wisdom of God. We have access to the wisdom of God. Not just that we have the gift of word of wisdom, but we have wisdom. In Ephesians 1:17, that the God of our Lord Jesus Christ, the father of glory may give unto you the spirit of wisdom. I now remind you every time you see the spirit of it's not that receive another spirit. It's only one holy spirit. We have the holy spirit. When he says the spirit of wisdom, it is the wisdom of the spirit. Every time you see spirit of you can put that word after, the spirit of faith, the faith of the spirit, the because it is powered by the spirit of God. Amen. Amen. The spirit of wisdom, the wisdom of the spirit that is revelation in the knowledge of him. The spirit of wisdom. Amen. The spirit of wisdom. The spirit of wisdom. The spirit of wisdom. Hallelujah. Praise God. Colossians 1:9. For this cause we also since the day we heard of it do not cease to pray for you and to desire that he might be filled with knowledge of his will in all wisdom and spiritual understanding. All wisdom and spiritual understanding. all wisdom and spiritual understanding. Colossians 2 and verse three. In whom I healed all the treasures of wisdom and knowledge. That's Christ. Are you in Christ? In whom I hid all the treasures of wisdom and knowledge. Ephesians 5 and verse 15. See then that you walks constantly not as fools but as wise. Not as fools but as wise. Not as fools but as wise. Not as fools but as wise. So I can be wise and I can be foolish with the power of God. I can be wise or foolish with the wisdom of God. But I have access to the wisdom of God. See then that you walk sight constantly, not as fools, but as verse 16, redeeming the time because the days are So I have wisdom. I have wisdom. I have wisdom. Amen. Amen. Wisdom comes from the mouth of the Lord. And I have access to that wisdom because I have the word of the Lord. I meditate on it. I give myself to it. I have spirit of wisdom. I have the word of wisdom. I have access to wisdom as a revelation. For the Lord giveth wisdom, out of his mouth cometh knowledge and understanding. James says, "If any man lack wisdom, let him ask God that giveth all men liberally." So in Christ Jesus, I have access to wisdom. James 1 and verse 5. Let's read it together. If any of you If any of you lack wisdom, what did he say you should do? Let him ask. So if you lack wisdom, why have you not asked God? Wisdom come from the mouth of God. Wisdom. Wisdom. Wisdom. Wisdom for all circumstance, all situation. Wisdom. Wisdom. Wisdom, wisdom, wisdom, wisdom. The same James chapter 3 verse 13. Who is a wise man and endured with knowledge among you? Let him show out of a good conversation his works with meekness of wisdom. But if you have bitter envy and strife in your heart and lie not against the truth, this wisdom is not

from above, but it's earthly sensual. So he shows you, but the wisdom that is from above is first pure. So wisdom, wisdom, wisdom. So if I stay in God's word, I have access to we have the mind of Christ. The mind of Christ, the understanding of Christ. Amen. Is that wisdom? Do I have have Paul says we have the mind of Christ? And that was because of the understanding of Christ he had in the scriptures. We have that. So whether it's wisdom from the scriptures, we have that. Whether it's wisdom by the spirit of God, we have that. Whether it's wisdom as a revelational gift, we have that. We have access to wisdom. And we must be wise with that wisdom because it's possible to be foolish with the wisdom of God. That means you are not taking advantage of it. You are not using it. Amen. Amen. We take advantage of the wisdom of God. We use the wisdom of God. Amen. Amen. We use the wisdom of God. We use the wisdom of God. Amen. Amen. will use the wisdom of God. We'll use the wisdom of God. Amen. Amen. Matthew chapter 14. Matthew chapter 14. Now, I gave a context about that Matthew chapter 14 earlier. I just want you to see it from verse 12 for those who are not familiar with that story. John the Baptist has been and they buried him and went and told Jesus. The next verse, notice what Jesus did. So Jesus wasn't having a great day. He started his day. We hearing this kind of report. That's not the great way the day should start. But it didn't change him. It didn't change him. It didn't spoil anything. Hallelujah. But he went to spend some time alone and every time you see that's a synonym for prayer when you say he withdrew himself to a solitary place is the same pattern is used throughout the four gospel to explain Jesus went to pray so he withdrew himself he went to spend some time with his father but then people found where he was and they came to him and he did not snap at them instead he did the opposite he was filled with compassion he didn't snap There's no excuse. I can I can master the forces. Good day, bad day, nothing breaks me. Amen. Amen. Proverbs 24. Proverbs chapter 24 and verse 10. Proverbs 24 and verse 10. If thou faint, if you sink, if you if you slacking, you act forsaking, if you faint in the day of adversity, he says thy strength is small. Your strength is small. If thou faint in the day of adversity, Ecclesiastes 7:14, In the day of prosperity, be joyful. In the day of adversity, consider God also have set the one against the other to the end that man should find nothing after him. In the day of prosperity, be joyful. And in the day of adversity, consider. In the day of prosperity, be joyful. In the day of adversity, consider. So the day of adversity, we consider. That's a day to be whining. We consider. God has my times. Is God that set the days for me? I'm never bothered. Amen. Amen. Look at David. in the Psalms. Psalm 27 Psalm 27 and verse 13. I had fainted unless I had believed to see the goodness of God in the land of the living. I had fainted. In other words, I would have fainted. Old English, I would have fainted unless. So, the reason why he did not faint is because he kept his faith strong. I know whom I have believed and I'm persuaded just like Paul says able to keep that which I have committed into his hand. I would have f unless I had believed to see the goodness of God in the land of the living. Hallelujah. Is it not God that gives power to the faint and to them that have no might he increases strength? Isaiah 40:29. I've read that several times in the course of this series.

There's no fainting with me. There's no fainting with me. There's no fainting with me. Amen. Amen. There's no fainting with me. Watch ye stand fast in the faith. Quit you like men. Be strong. 1 Corinthians 16:13. Stay alert. Stand firm in the faith. Show courage. Be strong. When he say quit you like men is the word show courage is old English when he say quit you like men. Be brave. Be brave. That's the word quit you like men. Be strong. Stand fast in the faith. Stand fast in the faith. It's all over for me. I don't talk stupidly. Second Corinthians 2:14. Now thanks be unto God which causes us to triumph in Christ and maketh magnify by us in every place. God causes me to triumph. God causes me to triumph. God causes me to triumph. God causes me to triumph. God causes me to triumph. God causes me to triumph. God causes me to triumph. God causes me to triumph. Thank you, Jesus. Thank you, Jesus. God causes me to triumph. Hallelujah. [Applause] Now, let's read some stories so you see how the unseen sets in. Paul was in a life and death situation twice in a row. First is uh where they rescued him and we have read that one where those men vowed that they must kill him. Then he entered into a ship and that ship had a shipwreck. Say go from from from worse to worse from worse to worse. But no no no no no no. Acts 27. So Acts 26 leads to 27. So the two times Acts 26 then acts. So Acts 27 he's sailing to Rome. Now look at from verse six. Acts 27 from verse 6. Half 27 by six. And there the centurion found a ship of Alexandria sailing unto Italy, and he put us therein. And when we had sailed slowly many days, and scars were come over against sneez, the wind not suffering us, we sailed on that crate over against Salmon, and hardly pressing it came unto a place which is called the fair heavens. Nigh where unto was the city of Lassa. Now when much time was spent and when sailing was now dangerous because the fast has now already passed, Paul admonished them and said unto them, "Sir, I perceive that this voyage will be with hot and much damage not only of the ladden and the ship, but also of our lives." Remember he's a prisoner but you see that he was the freest man there the boldest bravest strongest doesn't matter what life throws at you who is in charge is in charge s and it's to preach the gospel this why his persecution is going through are you following yes sir Nevertheless, verse 11, because he's a prisoner, I didn't take him seriously. Nevertheless, the centurion believed the master and the owner of the sheep more than those things which were spoken by Paul. So, he didn't heed to what Paul said. And because the heaven was not commotious to winter in, the more part advised to depart things also if by any means they might attain to finish. And when and there to winter which is an haven of crates and lie towards the southwest and northwest but not long after that. So verse 14, but not long after there arose against it a tempous wind called Eurocidium, tsunami, Katrina, you know those names. All right. So this one had name. And when the sheep was caught and could not bear up into the wind, we let her drive. And running under a certain Iceland, which when they had taken up, they used helps under getting the ship, and fearing less they should fall onto the quicksand strakes sail. And so we're driven. Now if you have a bit of understanding of sheep language you'll get this. And the third day we cast out with our own hand the tackling of the sheep. And when

neither sun nor star in many days appeared and no small tempest lay on us all hope that we should be saved was then taken away because now they no longer moving is the wind that just blowing them anywhere. So they're no longer in control of the ship. And after long abstinence, after long abstinence, Paul stood forth in the midst of them and said, "S you should have hearkened onto me and not have lose from crates and to have gained this harm and loss." So now we have suffered more harm and loss. But nowashi but and now I exalt you to be of good cheer. You will notice that nobody followed him to be of good cheer. So Paul himself started eating because everybody was hey compulsory fast cuz the one died a day. Lord help me and I die. You know that kind of and now I exalt you to be of good For there shall be no loss of any man's amongst you but of the sheep. Now this 23 is the part that we want to see but I don't need it in this text to know that angel has been involved. I don't need to you know we so want them to always spell it out clearly that is supernatural is unseen but thank God they did for those who like this they need to see it. He now says verse 23, for there stood by me this night, the angel of God whose I am. I am of the Lord. I'm not of the angel. The angel of the Lord whose I am. I'm of the Lord. That angel is of the Lord. So that's why that angel attends to me. That's the emphasis is playing. And whom I serve. And because I serve the Lord and just minister to me seriously, sir. Wherefore, sir, he said it again. So you see it's not a mistake. Be of good. That's how to respond to life two times. Be of good for I believe God that it shall be even as it was told me. How be it we must be cast upon a certain island. Predition, no life will be lost. There shall be no loss of any man's life among you, but of the sheep. And when the 14th night was come, as we were driven up and down in Adria about midnight, the shipment deemed that they drew near to some country. Fearing less, we should have just the story is longer, so I'm jumping. 31 Paul said to the centurion and to the soldiers, "Except these abide in the ship, you cannot be saved." Then the soldiers cut off the rope of the boat and let So he's showing you the practical story. And while the day was coming on, Paul besought them all to take meat, saying, "This day is the 14th day that we have tried and continue fasting, having taken nothing. Wherefore I pray you take some meat." Everybody they fear for their life. Nobody get appetite for food and die. Everybody hold food. Everything has lost appetite. He said take meat for this is for your health. For there shall not now see it so that you notice it's not a mistake. For there shall not an hair fall from the head of Baba has made it worse. I understand that life is fair but you know they would stab some for stomach they would cut some people's leg you know I say not even the hair not even the hair of your for there shall not an hair from your head of any of you for not for there shall not an hair fall from the head of any of you for when he had spoken he took bread and gave thanks to God in the presence of them all. And when he had broken it, he began to eat. Then were they all of good cheer and he also took some meat. They say this one, this man talk like this. We listen to Rambo. He know something. And everybody followed him. And they were all in the ship. 200 score and 16 souls. How many is that? The score is how many? $60 + 16 = 76$. 200 are how many? Thank you. And when So he says it's just five persons. Paul

guaranteed the life of 276 persons. And when they had eaten enough, they lighted the sheep and cast out the wheat into the sea. Said no hair will be lost. You know how the story ended though? As if that was not enough. Verse 41. And falling into a place where two seas met, they ran the sheep at ground and four parts struck fast and remained unmovable, but the hinder part was broken with the violence of the waves. And the soldiers council was to kill the prisoners lest any of them should swim out and escape. But the centurion willing to save Paul kept them from their purpose and command that they which could swim should cast themselves first of the sea and get to line. You know this is prison break. Now the opportunity for the prisoner to run. I told you remember Paul was the prisoner and the rest some on board and some unbroken pieces. And so it came to pass that they escaped all safe to the land. Part theory of having a bad day. Acts chapter 28. Snake on bon. You say you have not seen life. Paul look at 26 27 28 men vowed under the influence of strange spirits that they must kill Paul. Then he enters a wind that almost killed him. Then he finally entered the island. A sapesty bam supernatural everywhere. And when Paul had gathered a bundle of sticks and laid them on the fire, there came a viper out of the heat and fastened on his hand. And when the barbarians saw the venomous beast hang on his hand, they said among themselves, "No doubt this man is a murderer." It's not what everybody say is not always correct to I've told you before. This man a murderer eh? Which murderer? Whom though he had escaped the sea, yet vengeance suffered not to live. And he shook off the bus of the fire and felt no harm. How be they looked when he should have swollen or fallen down dead suddenly. But after they had looked a great while and saw no harm come to him, they changed their mind and said he was a god. M in some quarters were possessions of the of the chief man of the island whose name was Publus who received us and Lord just three days cautiously. Verse 8 and it came to pass that the father of Publus lay sick of a fever and a bloody flocks to whom Paul entered in and prayed and laid his hands on him and healed him. His life not tough on him already. is still moving in power. He's still ministering, healing people. And when this was done, others also which had disease in the island came and were healed. So he healed other persons in the island whom also honored us with many honors. He joined prisoners, but it's different. They honored us with many honors. And when we departed, he laded us with such things as were necessary. Hallelujah. Hallelujah. The Lord is with me. The Lord is with me. The Lord is with me. The Lord is with me. So when you read from 26, you see the different factors in 26, there was wisdom, there was direction, and there was mercy. We've read that story before where Paul's sister's son was the one that there was wisdom at play. And the centurion said, "No, no, don't tell anybody." So let's do it like this. And in the ninth, there was wisdom, there was direction, and there was the mercy of God. For Acts 27, we see faith and the ministry of angels working together. Acts 28, we see him again being fortified. I mean supernatural, supernatural, supernatural everywhere. Hallelujah. Life is not ordinary. Life is not what? Ordinary. Our words, spirits work with it. Our words, spirit work with it. When the matter was getting harder, Paul increased it in his confession. No hair will be

lost. He should have said, you know, I said no life shall be lost. I did not say there will not be injury. You can would have packaged it in the face cuz that's why they showing you in the face of harder difficulty. He said no hair shall be lost. then started eating because I've done everything I need to do. We can't exact. No, no, no. This thing doesn't matter how the outcome is looking. And that's where I'm going to cuz I'll read some references about time and chance for you just now. Our words spirit work with it. The earth was without Genesis 1 verse one being created the earth. The earth was foron and God said let there be light. That's the rush. Let there be light and there was light. His words gave direction. The move of the spirit is with words. Right from the beginning of scripture, we saw that. Amen. Right from the beginning of scripture, we saw that that what a man says. Job 26. Job 26:4. To whom hast thou uttered words and whose spirit came from thee? Which spirit is speaking through you? So you see all these things that you are saying is not ordinary. Which spirit is speaking through you? That's Job is answering his friends that are saying many things. People don't just utter words. People utter words on spirit. I showed you that last week Sunday where they said it's a matter the sons of Anna. But when God was interviewing and interpreting that situation, he said Caleb and Joshua were a different spirit. So those men were speaking under the influence of a spirit. But if you read it plainly, look like there was no spirit involved though. There was no spirit involved though. We're speaking under the influence of the spirit of fear. held captive by fear because they said in our own sight we were even grasshoppers. And so we were and everybody thought they thought I die with die with day. Moses got up steal the people and God said all after Moses steal the people reminded of what Joshua said they still not agree. God said not one of these people enter the promised land. Not one. All of them will die in this wilderness. No one will make it out of here. Evil, adulterous generation. Children in whom there is no faith. That's what Moses had to say about them in Deuteronomy. Children in a forward generation. Children in whom there is no faith. They all died in the wilderness. And to see Caleb, it was not a fluke. It was not once. When you get to the book of Joshua and Judges, you notice Caleb said, "I am 80 years now, but I'm still as strong as at when God promised that this land should be given to me because I had a different spirit. Give me the land at once and I will take it." And they told him the giants were there. He said, "Give me at once." Was we still dragging this matter? Baba said, "Let let me go and take the land." Joshua said, "Go." He wasted all of them and he his daughter married right now married Odir the first judge of Israel sir the spirit of might nobility no fear of the giants is that spirit that I That spirit, that's the spirit of God at work in me. To whom has thou altered was and whose spirit came from thee? Old KJV. Dead things are formed. I've read this for you in our very first part of the series last year. Dead things, Rafaim, that's spirits. Dead spirits. These are residents of the underworld. Dead things are formed under the waters. Hell is naked before the and destruction had no covering. So there was so much theology in our last year series on unseen for we talked about this in Rafaim spirit. So when you say uh yeah that's it. Let me read. Uh so Job was simply asking these words did not come ordinarily. You were inspired

by something. Is fear inspiring you to speak? Is worry inspiring you to speak? Is panic? Tension, unforgiveness, bitterness, failure, frustration. What is inspiring you to speak? To whom did you utter these words and whose spirit has come forth from your mouth? That's what he was saying. Remember Proverbs 18:21. Death and life are in the power of tongue. So the tongue engage two force. The force of life or the force of death. Say you shall be satisfied with the words that you speak. You shall eat the fruit of your words. So there is the power of the tongue. Naturally they now add Jesus Christ drain and you are wasting your words. To whom has thou altered words and who spirit came from thee. Amen. Amen. Since we are in Job, let's stay around that place. Uh Ecclesiastes. Ecclesiastes 5:6. I read this on Sunday last week. Suffer not thy mouth to cause thy flesh to sin. Neither say thou before the angel that it was an error. Wherefore should God be angry at thy voice and destroy the works of thy hands? So be careful what you say. Be careful what you say. Be careful what you say. Be careful what you say. Daniel chapter 9 and verse 21. Daniel chapter 9 and verse 21. And while I was speaking in prayer, even the man Gabriel, remember that man is not man, he's angel. All right? Because he appeared as a man to Daniel. The man Gabriel whom I have seen in the visions at the beginning being caused to fly swiftly touched me about the time of the evening oblation and he informed me and talk with me and said, "Oh Daniel, I am now come to give thee skill and understanding. At the beginning of thy supplication, the commandment came forth and I am come to show thee." So at the beginning of thy supplication the commandment came forth and I am come to show thee for thou art greatly beloved. So at the beginning of thy supplication see there is no fluke the next chapter chapter 10 verse 12 then said he unto me. So let's start from 11. Uh no that same angel that you have seen before. Therefore I was left to know and saw this great vision. Verse 8. And there remain no strength in me, for my comingness was stunned. So now the angel came in his might, in his full weight of his splendor and glory. Yet he headed hide the voice of his words. And when I heard the voice of his words, then was I in a deep sleep. Remember deep sleep. Okay. On my face and my face towards the ground. And behold, an hand touched me which set me upon my knees. As it touched me, my knees buckled. I touched me power. I touched me. He didn't say carried me up. You know how some people know how to mix, he touched me and say as he touched me which this set me on my upon my knees and upon the palm of my hand. Was he lying the V before? He was lying on the ground the V before. You tapping and his B. Uhhuh. He didn't say he helped him. My face towards the ground. Remember his face was towards the ground. Verse N. Behold an hand touched me and which so you know that is the hand which set me upon my knees and upon the palms of my hand. And he said to me once ago, verse 11, I stood. So you see all that context. John uh then said he unto fear not Daniel from from the first day what and to chasing thyself before thy God. Thy was where and I am. They talk anyhow. Now the angels that will come for your words will come for your words. Angels always come for our words. Say rubbish. Negative angels will come because they will not say it's an error. Say good words. You see um one moment you like

ah things are working for me this country not ever better for anybody for this country. Now no Niger never happened to you now. I don't talk like a fool. I don't bow my head in cowardies. I don't confuse the angel even if it's by play. Say sometimes I just want to be real. I don't do that nonsense realistic. My words are full of faith and power. Say not to the angel that it was an ever and destroy the work of thy hand. I know I know I don't plant. is an error. Is mistake. I did not mean it. I did not mean it. I did not mean it. I am now come for thy Psalm 100 and verse 20. What did he say? The angels that hacking unto the voice of his word. They hacking unto the voice of his word. So every time I speak God's word, say God's word, angels hacking, they act on God's word. Notice Jo um what's his name? Lot engaging with angels told the angels that no I don't want to go there. I want to go here. And the Bible say and angels said okay angels hacking to our words. Even in an interaction they hacking to his word. They hacking to his word. They hacking to his words. Look at Elijah doing barbecue night. If I be a man of God, let fire come down. The first 50 is roasted. You know what a human what it takes for a human being to roast. And he did not run. Now that they have roasted, I will run. He did not run. The other 50 came and the same thing. Oh yeah, take it. Say it with language. Those things are have more weight. Say it in in bin words have punchan say it in any of your languages say it you will see it you will understand that kind of thing because no English was me say if I be a man think they lose the punch so you know drama me there's no department I did not grow up in I've been I've passed everywhere of course I like literature I like theater If I be a man of God, let fire English not a try. If I Let's just use a If I be a man of God, let fire come down. Roasted the other 50 and his and the captain. The third one is passing. He's passing roasted bodies. Let the life of your servant be precious in your eyes. Sir message say me I'm on my knees sir. If you can follow us sir Elijah say all right let's go. So we're doing roasting party said for the angel. So you thought nothing was for the angel of the Lord said to him fear not follow him. So the angel of God [Applause] fire the third say I don't beg you don't beg you don't beg you sir let his life really be precious sir he has begged you sir do not say to the angel it was an a mistake Don't [Music] them. Moses spoke. The wind blew. Moses, the wind blew and part the Red Sea. Moses spoke. Ground opened up. Swallow people. You think it was ordinary? and cover them back. But that Israelite, how can you see all of those things and still doubt? [Applause] Hey, see sense and wonder everywhere. Abara 1930. Hey, if you don't know 1930, it's not me that will tell you now. Ah Moses but the angel of the Lord for God sent Moses in with the hand of the angel. So you are seeing those things are not seen the unseen but he's there. That he sent him. That's how he was sent. That's how he was sent. Acts 7 verse 35. This Moses whom they refused, saying, "Who has made thee a ruler and a judge?" The same did God send to be a ruler and a deliverer? The same thing they say, "Who made you?" But that's what God made him. sent to be a ruler and a deliverer by the hand of the angel which appeared to him in the bush. I saw it take go. That's how he went. That's how it went. See another clear case cuz some people always need it to be so written in black and white. Look at Isaiah, our brother Isaiah. Isaiah 37. The same story is

in Kings. This story Isaiah 37 has bragged. He has sent his general rap shake. That one has announced brought the letter. Greetings everyone. I am general. I have sent with the report. Now this is what we did to the gods of this. This is what we did to the gods of this. We this is what and we have now come here and the heart of all the Israelite failed them and the king because see we have now we are the ones standing outside your gates. So Isaiah sent words to him. Sent words are working. [Applause] He sent him the word. Then the second time which was the second one want to read now. Look at verse 33. Isaiah 37:33. Therefore, thus say the Lord concerning the king of Assyria. Now, this is the second time, so the story is a bit long, so I don't have the time to read. We've read several times in this unseen forces teaching. Verse 83. Therefore, thus say the Lord concerning the king of Assyria. He shall not come into the city, nor shoot an arrow there, nor come before it with sheets, nor cast a blank against. Verse 34, one to go. By the way, by the way, the next verse 36. No, no, no. Stop. Then went So which word was he to? Which word was he hacking into? The word as I just said now. Then the angel of you can't miss it. Went forth and smote in the camp of the Assyrians 104 score and 5,000 185. And when they rose early in the morning, behold, they were all his corpses. They saw he shall not come into the city nor shoot an arrow exceeding G of his power. The angel over did it. They were all dead corpses. He not even shoot arrow. This one say then the other part by the way he came he will go back the king himself went back to his house in the house of his god where he was offering sacrifice his two sons daggered him in the place of his strength the place of his authority and power that one can pain when he say ah great euku you have seen me through I made it alive we regroup and come back they guard him in this rock. They finish him there. The house of Nisro is God. They dagger him there. Hallelujah. The angels attend to our words. They attend to my words. Matthew chapter 8. Matthew chapter 8. Matthew chapter 8 we know the story of the centurion he say I'm a man under authority I say to one go and he goes I say to another come verse 8 and 9 I'm a man under authority I say to one go and he goes and another man under authority he's using words do you have authority in Christ Jesus Psalm 107:20 he sent his words he sent his And what? Heal them and deliver them from their destruction. He sent his word. Remember he sent his what? Hallelujah. Do angels attend to this? Yes sir. Bible says and Paul and Silas as they prayed the place was shaking. There was an earthquake. Are you seeing response? Yes sir. There's response life answers to spiritual forces. Oh, Job chapter 1. Job chapter 1. Job chapter 1. There was a man in the land of whose name was Job. And that man was perfect and upright and one that feared God and assued evil. And there were born unto him seven sons and three daughters. His substance also was 7,000 sheep and 3,000 came, 500 yolks of oxing, 500 sheaxes, and of every great household. So that his so that this man was the greatest of all the men of the east. Number one on Forb's list. It's at that time. And his sons went and feasted in their houses everyone his day and sent and called for their three sisters to eat and drink with them the life of a party. They enjoying themselves the children. And it was so when the day of their feasting were gone about that job sent and sanctified

them and rose up early and offered burnt offering. So a rich man but all the same a priest unto God. Okay. For Job said it may be that my sons have sinned and caused God in their heart. Thus did Job continually because they were kind of boys. So I don't know they do as a patio. Now there was a day when the sons of God these are not human beings. These are supernatural beings. Sons of God we have explained that before. All right. So the assembly of the gods came to present themselves before the lord. and Satan how Satan that's the uh functionary term but leave who was that Satan in that context but it says Satan came also among them because of time leave all of that and the Lord said unto Satan whence comest thou then Satan answered the Lord and said from going to and fro I will explore this a bit more on Wednesday theologically for you so leave the theological details it's very simple but needs Torah framework. All right. And the Lord said, "Has thou cons?" Notice he didn't say, "Go and consider my servant Job." Let English be be able to read in English. "Hast thou considered my servant Job." In other words, Job is who you are considering. That's what brought you here. He didn't say go and consider my servant Job. In other words, has thou thank you. So, you have been considering Job. that and you saw that he was a perfect and upright man, one that feared God and evil. Then Satan answered the Lord and said, "Do Job fear God for nothing? Has not thou made an hedge about him and about his house and about all that he had on every side? Thou has blessed the works of his hand, and his substances increase in the land. But put forth thy hand now, and touch all that he had, and he will cause thee to thy face." So, and the Lord said unto Satan, "Behold, all thy heart is in thy power." Notice again what did not say. He didn't say, "I put him in your power." He says, "Behold, he's already in your power." Behold, all he's already in your power. Only upon himself. So, that was the protection only upon himself. Put not forth thy hand. So Satan went forward on the point of the Lord. Now look at 13 down. And there was a day when his sons and the daughters were eating and drinking wine in their eldest brother's house. And there came a messenger onto Job and said, "The ogen were plowing and the asses feeding beside them. And the Sabians fell upon them and took them away. Yay, they have slain the servants with the edge of the sword and I only escape alone to tell." Verse 16, while he was yet speaking, this is what people call coincidence. But you see these coincidences were orchestrated behind the scene. These things called coincidence were not coincidence. So it's looking coincidental. While he was speaking, there came also another and said the fire of God which is not the fire of God. So uh supernatural fire strange fire had fallen oh and has burnt up the sheep and the servant and consumed them and I only am escaped to tell thee. And while he was yet speaking came also another and said the charadians made out and fell upon the cameas and I carried them away. While he was yet speaking the fourth time, there came also another and said, "Thy sons and daughters were eating and drinking, wearing their headest brothers. And behold, there came a great wind from the wilderness and smoke the four corners of the house, and he fell upon the young men, and they all and and they are dead. And I alone I escape alone to tell thee." Coincidence? But it looks coincidental. If we did not know the

background story, we would have said it's coincidental. But it was not. Ecclesiastes chapter 9. Ecclesiastes chapter 9. Ecclesiastes 9:1. I returned and saw under the sun that the race is not to the swift nor to the nor the battle under the sun. The under the sun is that the normal view on of the earth. The race is not to the swift. There are people who are swifter than you but they didn't win the race. The race is not to the swift. That means naturally the race is supposed to be for the swift. This is how we must be in the natural. Naturally, we should train ourself to be swift so that we win race. But don't put your trust there. Put my scripture. The race is not to the swift nor the battle to the battle to who? The strong. The battle to who? The strong. So, normally the strong wins the battle. Yes, sir. Thank you. What's the next? So if a man is wise, he will always have bread to eat. Natural order. So that you say why don't you have bread, you're not wise. That's it. Don't no matter how much we sugar coat it. That's it. Nor riches to men of understanding. You can solve people's problem. Not offer solution. Solve their problem. Solve their problem. Because money is a slave to solving problems. Money is a slave to value. Money was created because of value. Men of understanding. Men of understanding that can interpret solve the complexities of life with wisdom. They will always have riches. Nor yet favor to men of skill. When you see a skillful man, I say champ people. Everybody is blown away by his work. That is the normal order. Then he now says, "But time and chance happened to them all." Time and chance happened to them all. Time and chance happened to them all. Time and chance happened to them all. Genesis, we see a man who made up his mind that for me, oh, Genesis 24, go to Genesis 24. that for me. Oh, I'm not going to leave this thing to chance because chance happened to them all. But we can we can make the forces of time and chance favor us. That not just time and chance is happening to me. No, we can make time and chance favor us. That's the difference of the believer. We can make time and chance favor us. So see Elzar, see how the man and Abraham was old and well in age. And the Lord had blessed Abraham in all things. And Abraham said unto his headed servant of his house that ruled over all that he had put, I pray thy hand upon my thigh. And I will make this well by the Lord, the God of heaven, the God of the earth, that thou shalt not take a wife unto my sons of the daughters of the Canaanite among whom I dwell. But thou shalt go unto my country and to my kindred, and take a wife unto my son Isaac. Verse 5. And the servant said unto him, "venture the woman will not be willing to follow me unto the land. Must I need bring thy son again unto the land from whence thou camest?" Abraham said unto him, "Be beware that thou bring not my son to die again." Verse seven, the Lord God of heaven, which took me from my father's house, and from the land of my kindred, and which spake unto me, and swear unto me, saying, Unto thy seed will I give this land. He shall send shall send his angel before thee and thou shalt take a wife unto my son. In other words, to make thy way prosperous so that the journey will walk. You will see the stories repeated. It's a very long chapter. You will see that when he finally got the woman, he mentioned that my master sent an angel to follow me to ensure that this thing go work. Now, but see the man himself that they sent message. Verse 10. And the

servants took 10 came of the 10 came of the came of his master and departed for all the goods of his master were in his hand. And he rose and went to Mesopotamia into the city of Nah. And he made his came to kneel down without the city by the well. outside the city gate even the time that women go out to draw water. Now look at verse 12. One to go. Everybody read. That's it. That's what people call lo. That's what people call log. But the man bend it. Send me good. I will make this chance work. Send me [Music] good this day and show kindness unto my master Abraham. Send me good speed is the word qual. Let the happening happen the way I want it to happen. That's simply what he was saying. Let it happen the way I want. So not the way the thing the situation just go the way you like. No, let it happen the way I want it to happen. That quirk moment. In other words, let the forces of time and chance bend to me. That means this one that I'm here. So, cuz that's how he wants to get a woman. So, let's not just be any random woman. He guaranteed it. Send me good speed. Guide me today. Behold, I stand here by the well of water and the daughters of the men of the city come out to draw water and let it come to pass that the damsel said to whom I say, let down thy picture. And when that notice what happened, Rebecca came and all of the whole story time and chance there is not luck that I was talking about. normal time and chance. Time passes everybody. Time is the most precious asset on this earth. You can't get it back. Time is always going. So time happens. And there are different seasons of life. There are different seasons. Oh yeah. There are different seasons. Yes sir. There are different seasons of life. Yes sir. Trans there is the word happening. Now Ecclesiastes says time and chance happen to them. So there's no human being that time and chance is not happening to where normal experiences and occurrences happen to everybody. But we can bend which are the forces of life. We can bend those two forces of life to favor us. Same way we can bend the natural you know there are natural forces of life where we talk about the law of gravity goes up it will come down. nuclear power. I mean there are natural forces now. Electromagnetism, gravity, nuclear force. We can explain all of those natural force which is just a natural force of life. But there are also spiritual forces of life. Yes sir. That is not studied with physics or with science. Look at that verse 12. Send me Send me good. Let this happen to me. Well, let this happening happen to me. Well, send me good speed. Hallelujah. Praise the Lord. Now for people who do not understand Job chapter one it will in the natural I mean the people in Job's timeline that primary audience it will look like ah coincidence or but that coincidence was spiritually orchestrated sir and it was an evil cycle. It was an evil cycle. It was supernaturally orchestrated but it was an evil cycle. So we pray may the forces of time and chance bend to my will not just normal time normal time normal. No no no no this is the set time for my David said for my times are in his hands. Ahithophel was a wise man. Everybody heeded his wisdom or they did not. Everybody heeded Ahithophel's wisdom. I mean he was feared. Everybody took what Ahithophel was saying. But there came a day that council turned. My times are in his hands. Thank you. There came a time that Ahithophel council turned against him and the council of Hushai was taken. Remember that Ecclesiastes 9:11. Put Ecclesiastes 9:11 again. Raise to the swift, battle to the strong. The

guy is wise but his wisdom that day did not need it and it was it was supernatural. How they did not need that wisdom was supernatural. How they did not need his wisdom was supernatural. That's what we have in Christ Jesus. We can guarantee such outcomes. We can guarantee such results. That's what we have in Christ Jesus. Hallelujah. We can say my life is just going the way anywhere ble. No, I don't do anywhere ble. No, no, no, no, no. I can bend the voice of time and chance. I can have those quirk moment regularly. That same word is in Ecclesiastes 9:11. Happen to them all. It's the same word happen to them all. So I can cause the happening to be supernaturally orchestrated. And that's what Abraham did. He made him swear. Then he said the angel of the Lord for wife. Every time I read that text, he this does for woman for wife. Baba want guarantee results which like that he say join. What he would Abraham have not been doing for normal matters. Mhm. The angel of the Lord. Hallelujah. And there was famine in that land. And Isaac sold not so money or that one pastor. That's not money there now. But he's a farmer. And he reaped a hundredfold. Amen. He reaped a hundredfold. That is say today was good though. This harvest was good. Oh, but you know many times those days don't come like that. There are weeks that you close out some sales and you're just closing just closing just closing say aha this is it. So we pray may the forces of time and chance bend to me. May it favor me. Say now good speed. Say now great happening. I don't just know what now just happened to him. I don't just now know what now happened to her. No they work like that for me. Things work the way they were supposed to work and it is orchestrated. divinely orchestrated the same way that Deon head cut off hand cut off and they now put the mama cows put the the ark on it and the mama cows kept going straight divinely directed by God. We've read that story in the course of this series already. My life is in the hand of God. If they if those mama cows that had the instinct to return to their children did not but kept going straight into Israel no priests nobody riding them and they were crying as they were going showing that their instinct was that let's that's not the way we should go and we need to go back to our young but they separated them from their young. Oh, people are looking at you to see if it is luck. People are looking at you to see this your confession, this thing that you believe, is it real? But we are divinely directed. It's not luck. Because they thought if then they say if it does not go, they would know that it was lock. But it was not luck. It was not luck. It was not luck. They would have known that. Maybe it was a wind that blew and cut off Deon's head. Now lie. It was not luck. It was power. I come in the name of the Lord. Say, "Blessed said is he that comes in the name of the Lord. I come in the name of the Lord." Every day I come in the name of the Lord. Every day I come with a scepter of authority and power. Every day I come in charge. I come in charge. I come in charge. Yes. Oh spirit of darkness so you will know where us all forces of life so that you will know to bend to our will divinely orchestrated. Divinely orchestrated Samuel was in his house. David came to meet him. So they both relocated to a different place. Then Saul sent his soldiers somewhere say no run stay with me. As they all began to enter into the gates, they all began to fall and they began to rule on the ground and saw himself heard it that all the

soldiers you send have turned to something else. So they are under influence. That's the word prophesied there. They are under influence. They're acting strange saying all manner of things. and saw himself came. The power of God messed him up. He tore his clothes, began to act like a mad man and prophesy. He could not touch David as long as David was with Samuel. They know they stay down there. See, he's not like that. He's not like that. He's not like that. He said, "Oh, king live forever." He's not We don't have any betrayal in our midst. So it is Elisha that is telling the king everything that you have discussed in your bedroom. Power labor not to be rich. Cease from your own wisdom. I told you what that means on Wednesday. We don't leave. No, normally you must labor to be rich. Proverb is not contracting himself. The context he's dealing with is that man that is rich not towards God, that is trusted in riches that can fly away God. The next verse I showed you, he say wealth can fly away and disappear. That's why you should not have that kind of wisdom the way unbelievers have it. I don't trust in money. I trust in God. I don't wear myself out because that's the word labor there. I don't wear myself out to be rich. The way the worldly man, the way the unbeliever wear himself out. I hear some people are so happy, so proud to say, I started 23 businesses and they all failed. But I'm still here standing today. That is why we use our supernatural advantage. I don't follow you. They do that nonsense. I don't start things that fail. It's only you that have that story of I started this, I started this, I have 23 business, I started not work. I know they do like that. The foolth himself because on the way to the city, I am no fool, sir. I have the wisdom of God. I read for you that put it up. The fool weth himself. We read it in the mode experience again yesterday. I am no I know the way into the city. I know the way into the city. Hallelujah. Amen. Let me try this. Let me just try this. I don't know if it will work. Let me just try this. Let me just try this. No. The labor of the foolish weth every one of them. Because he knoweth not how to go into the city. Because he knoweth not how to go into the city. I know the way into the city. I know the way. I know the way into the city. historical cultural context of the setup means that he he doesn't know how to make merchandise, how to do business, doesn't know because the farther you are from the soil, the more the money you make. So he knows how to go into the city. That's the historical setup. That farmer that knows how to go to the city will make more than the farmer that is too close to the soil. I am no fool. I know the way. I know I know the way into the city. I know the way into the city. Say, let's just try it like this. I don't they do all those try. I know they do loc and we never can tell and we don't know and we are not sure. Me I'm sure I have come with the scepter of power. For it is the fire that maketh the water to boil. It's power said for as a prince that has power with God. I will not let it power compels it. Evil side Isaac New said it everything except acted upon by a force act it by a force. Senator would have finished Israel that day had it been not for Isaiah and getting Hezekiah also to go and pray and Hezekiah's prayer was to provoke the jealousy of God. Oh Lord that dwells between the cherub beams. You made a covenant with our father David. Not go mention Jehovah not go die. appeal to the jealousy of God. We are your special people. Then Isaiah then Isaiah sent him words. Then that calmed him down. And

after everything again the king of Assyria now show no longer his rap shak. Isaiah sent another word. They will not shoot one arrow nor will he come into the city. Then the angel of the Lord, man of God, child of God, angel of the Lord is being released. As you are speaking, send me good speed. It's power. It's power. I should not be where I am in the natural. The kind of results I have in natural, I should not have it. If not by the power of God. Yesterday we heard stories. You see the difference. Say the one that I was so skillful in. I put out everything. I not even make up to 100K. But that one sir where you said is going to be you're going to have a good training. I made over 700K. The one I ready I even said I will give all my secret. No show. is power and we delay it and we drag it and we delay and we just make payment on Monday. Money was sent to money was sent to because he heeded to we follow the directions in our spirits. Hallelujah. Amen. Amen. Time and chance favors me. Stand on your feet. Time and chance favors me. May the forces of life favor you. [Music] Yes. Pray in the Holy [Music] Ghost. Hallelujah. [Music] [Music] told the woman stand at the door according to the time of life you shall have your child. She was baring. Oh, she said man of God don't that I have passed that thing. Don't tell me about that. That was what she said before. But all of a sudden the man of God and say stand at the door. Then said stay at the place of expectation. Stay at the place of expecting it to come. Yes sir. Yes sir. That's why I say stay at the door. Stand at the door. That's stay at the place. It's just old English. It's is it's ancient way of communicating. Stay at the place where you are expectant. Hannah M was moving but and Eli said you are drunk. He said man of God she could have been offended with him and say you know you are not even [Music] accurate. You cannot even prophesy. How can I be drunk? I'm not drunk. Oh. So she explained herself and he said she had the Lord. That's why when she came the next time in her prayer say for the pillars of the earth are his. It is the Lord that lift. Oh she has seen it. Oh what she said by strength and no man prevail. She knew it by experience. Oh by strength and no man prevail. Oh on her own pana had mocked her life out. And kept telling her I am no more than many sons to you. That comfort zone did not know until that day she said as we are going to Shilo we will pray I will pray I will not come back without my child. Eli dropped that [Music] word Joshua is fighting but Moses hand is up. I'm conscious of the power of God. He said then you see the story of Jonathan. He said that day he cuz that's how you make a day. The day he said if they come against us only one sword in all Israel and it was in Jonathan's hand had no sword. He say once we go towards the enemy and they charge at us, we know God has to our hand. The Bible say that day the earth shook power day. That day it's that day became a great [Music] day. Send good speed. That's why we receive words. Yes sir. That's why we pray. That's why we speak by faith. That's why we use what we have. Yes sir. Amen. Amen. There are if you if you go online there are at least 40 billionaires who teach on vibration and eastern religion practice and they don't hide it. I can mention names. I just will not go. We are live. If we're not doing a live meeting I will mention all the names of all of them. in your Forbes list of billionaire. Nobody you Nobody you Nobody Nobody you anything. Nobody you anything. Nobody you

He's shrine now. Go and f check the story now. But he was dancing wearing different clothes. Build a shrine for your wife. There are more skillful people who have sang their song did not [Music] move he move he move because he's a Lambo boy his power is power I don't know why but the song is streaming I am a baboon he move a baboon he move say see lines see lines he not move see lines see lines say he go get stream he not get stream nobody see you know I'm for diligence and hard work but I've seen diligence [Music] crumble they only needed two persons but the bank put her name she got the money they only [Music] needed made The forces of emer [Music] [Music] act with what you have. Yes sir. Amen. No. [Applause] Oh, there were some two persons trying to get married in my house and they were talking to me early in the week and I dragged them down and I put hand then I said ha you have said at the end of it I did not spend up to this amount of because the millions were getting too big by sight we reduce on Wednesday block me and say pastor s Somebody else is taking care of this. I said more will come. They were not there when I said they not even in this service but more will come. Is force. The bread will not finish. You will still be getting gifts after the wedding. We saw it in different people's life. They everything stronghead, everything I planned, everything I you going to suffer yourself because when you start taking responsibility of other person like we do, you will know the place of power. [Music] You can depend on your 5 million salary now. But when you start taking care of many persons, you see 5 million you will not reach. You need favors. You need other things. You need access. You need people to not pray in the Holy Ghost. [Music] For thou has delivered me from the strivings of the people. [Music] [Music] [Applause] [Music] Amen. [Music] And Isaac dug and they strove with him. He dog and they strove with him until he dug that other one I name. Yes sir. God has delivered me from the strivings of the people. I'm beyond the range. God has delivered me from the strivings of the people. See life is power. There are things that are not supposed to work or is supposed to be delayed. Be skillful. Improve your skill. But we still put power. Drain. Whether the skill level is great or it's not great, we still put power. Put power. Let it not be that after power has been put on it and you have gotten visibility. Fish pie still went down the drain. Some people opportunity we meet them they will still go down they will still go down a not go you will not that's why you need sense management sense wisdom all these things join but to say I don't how much you get they tell you something they argue how much do you have how much have you seen have you seen money that can make you have heart [Music] attack never see all you have seen your life never have reach 100 million. But there have been more skillful person that did not rise. Yes sir. I'm not even talking about your village people that that's nothing. Those are nothing life

itself. You talking village people I just want to learn will break them in a twinkle of an eye. Life itself looking like the system does not want to in the natural say the algorithm there is another algorithm. I tested when I started my business the week we opened the national came to the office I was just passing by a big jeep stop it was God showing me that that thing you are saying is working no advert no not and you know me and you imagine I make the kind of money I make and I you don't see me advertising my business on Facebook I tell you that power is power yes sir baba put Power. It is div is force. You go walk or you go walk. This thing go like this. This thing will walk like this. Yes sir. Mention the tens of thousands of dollar and 100 I will cover it. That's so in the name of Jesus. Amen. Amen. Pray for then say the next day the uncle called say ah your thought be on my mind. Is that not false? We have heard stories and testimonies here. Say it's not it's not it's not power baba is power. How did they promote you twice in that not in service I said they promote you there. They promote you there and they promoted you. It's power. You put power. Yes sir. I told him again that I going to promote. I told him what to do cuz this third one had condition. I I did not say it. I think I said it to God. I think it was in my heart. You will say it. I told the brother I see dollar in the hand, pounds in the right hand. I told him how how it will come tomorrow. There are no the fool we himself got know the way into the city. Oh, I know the way into the city. I'm hitting it and it's working. I'm hitting it and it's working. The power of God is working for me. I'm having mindblowing results. Mindblowing results. [Music] I was still talking to that brother. There the white man sent the mail. It has been corrected on the spot. I believe in those things. I believe there shall be a performance of those things that were spoken unto her. I believe I believe say I do not know a man say but the power of the highest shall overshadow you. That power of the highest is overshadowing your business this week. Send good speed. So it happened to you as it was supposed to happen to you. In the name of [Applause] Jesus, I declare it. over this auditorium. Let the forces of time and chance favor you in the name of Jesus. There are 46 of such persons right now. Let the power of God come upon you. Where the systems have been stuck against you, where it look like things did not work for you, but it was supposed to work for you. Now I command it. Let things work for you. In that male dominated field, in that female dominated field, in that field where they look over and they ride over, but not you, for your God has brought you to a wealthy place in the name of Jesus. Say, and they prospered by the prophecies of Aar. Now, this prophet is prophesying over you. Go up and don't come down. There are increase in the name of Jesus for you have a commandment to increase. There are 46 of such blessings. It should no longer be once in a while. Now continually favor of the Lord compasses you round about as a sheep. The forces of time and chance favor [Applause] you.
