

And we trust again that in this service this morning, the eyes of our understanding will be flooded with light. Live here again with a greater understanding of your plans, your purpose, and your will for us. And even as we study again on unseen forces, we declare that the things that ought to be said will be said. The things that ought to be done will be done to the praise and glory of your name. Amen. God bless you. Have your seats. Hallelujah. Glory. Woo. Hallelujah. Amen. Ah. Now smoke everywhere. Genesis chapter 1 and verse one to three. He says, "In the beginning, God created the heaven and the earth, and the earth was without form and void, darkness upon the face of the deep, and the spirit of God moved upon the face of the waters." The spirit of God moved upon the face of the waters. And he said, "Let there be light." And there was light. Let there be light. And there was light. Let there be light. And there was light. Hallelujah. Let there be light. And there was light. There was light. There was light. Genesis 11 and verse 4 see the same idea of heaven and earth together. And they said go to let us build us a city and a tower who stop may reach unto heaven and let us make us a name lest we be scattered abroad upon the face of the whole earth. You see heaven and earth together. Now of course the tower there is not a skyscraper. No no no no no. The word t in the word the Hebrew word is the word mcdal which is used for an Egyptian temple. It's an the word is also Egyptian in origin. So when he says uh the use of the word ziggurat a supernatural dwelling place for the gods on the earth that's the word tower. It's used later when in judges for a place where deities were worshiped. So the word has its own meaning. It's not skyscrapers. The Bible it's not an unintelligent book. God has no problem with skyscrapers. It's just being stupid religion. God has no problem with skyscrapers. Genesis 28:12, "And he dreamed, and behold, a ladder set up on the earth, and the top of it reached to heaven, and behold, the angels of God ascending and descending on it." Again, we see heaven and earth together. Heaven and earth together, heaven and earth together. Psalm 115. Psalm 115 and verse 15- 16. You are blessed of the Lord which made heaven and earth. The heaven, even the heavens are the Lord, but the earth has he given to the children of men. God gave the earth to the children of men. Isaiah 65 and verse 17. For behold, I create new heavens and new earth, and the former shall not be remembered nor come to mind. Chapter 66. Again, he uses the same phrasing. For as the new heavens and the new earth which I will make shall remain before me, say the Lord, so shall your seed and your name remain. So use of the word heaven and earth. 66 verse 1 and two. Thus the Lord, the heaven is my throne. The earth is my footstool. Where is the house that you build unto me? Where is the place of my rest? So he uses heaven and earth together. Heaven and earth together. The same idea. Just a quick read that I'm doing. Matthew 6:10 a self-explanatory of assault. Thy kingdom come, thy will be done in earth as it is in heaven. Thy will be done in earth as it is in heaven. In earth as it is in heaven. That's the divine intention. Uh Matthew 16 and verse 19. I give unto thee the keys of the kingdom of heaven and whatsoever thou shalt bind on it shall be bound in heaven. Whatever thou shalt lose on it shall be losing heaven. And he is on the earth. He didn't have to die to have keys to heaven. Amen. Matthew chapter 18. Because

not the planet away from each other. Matthew 18 verse 18. Verily I say unto you, whatever you shall bind on earth shall be bound in heaven. Showing you the supernatural influence of unforgiveness, bitterness and offense. Whatever you bind on it because the context is about forgiveness. So many time where we think that it's just my strong will. It's just my it's just I'm not going to budge. I'm not going to budge. You are being demonized ma we know what is the voices you are hearing you need to pray say no I'm not going to pray you need to because you are not thinking things clearly and is making things so real to you with the whole emotions and all so very whatever you shall bind on shall be bound to heaven whatever you shall lose on earth shall be loosed in heaven Matthew 28 Matthew 28 and verse 18. And Jesus came and spake unto them, saying, All authority in heaven is given unto me in heaven and in earth. Go ye therefore, all authority in heaven and earth is given unto me. All authority in heaven and on earth. All authority in heaven and on earth. All authority in heaven and on earth. Ephesians chapter 1. Ephesians chapter 1 and vers 10 or 9 into 10. And having made known unto us the mystery of his will, according to the good pleasure which he had proposed in himself, that in the disposition of the fullness of time, he might gather together in one all things in Christ, both which are in heaven, and which are on the earth, even in him. Heaven and earth in him, heaven and earth in him, heaven and earth in him. The same again, Ephesians 3:15, of whom the whole family in heaven and earth is named. The whole family in heaven and earth is named. The whole family in heaven and earth is named. The whole family in heaven and earth is named. The whole family in heaven and earth is named. The whole family in heaven and earth is named. Philippians before Colossians Philippians chapter 2 and we'll read from vers 10. That at the name Jesus of nine. Wherefore God also has highly exalted and has given him a name that is above every name. That at the name Jesus every knee should bow of things in heaven of things in the earth and things under the earth. Things should bow. Things should bow. Colossians 1:16-20 he says for by him were all things created that are in heaven that are in the earth visible and invisible whether they be thrones or dominion principality or power all things were created by him and for him. So notice the use of the word in heaven and in the earth visible and invisible. So we have visible and invisible in the same place. Visible and invisible in the same place. Hebrews 12:25-26. [Music] See that he refuse not him that speaketh. For if they escape not who refuse him that spoke on earth, much more shall not we escape if we turn away from him that speaketh from heaven whose voice then shook the earth. And now he had promised saying yet once more I'll shake not the earth only but also heaven. And this word, the particular word, the phrase, the use of the word yet once more signifies removing of those things that are shaken as of those things that are made that those things which cannot be shaken may remain. Hallelujah. So heaven and earth were created together. Created together. Heaven, earth, under the earth. Cosmology is what the Bible teaches. Of course, sin and death brought the under the earth idea. Revelation 5:3. And no man in heaven nor in earth neither under the earth was able to open the book neither to look there on. So because of sin there is now the under the earth.

But in Genesis 1 verse one in the beginning God created the heaven and the earth. So we now have an under the earth. The same revelations chapter 5 look at verse 13 he uses that word. Then we go to Exodus as well. Now we did do this proper theological study last year where we taught on unseen forces. This is unseen forces part two teaching on being wise and strong with his power. So I just need to do all this disclaimer for those who are new amongst us. Revelation 5:13. And every creature which is in heaven and on the earth and under the earth. So he uses that whole phrase in Exodus chapter 20 where they were told, "Thou shalt have no other gods before me." Verse four, "Thou shalt not make unto thee any graven image or any likeness of anything that is in heaven above, that is in the earth beneath or that is in the waters under the earth." So the waters in that context used to explain under the earth because the water under the sea. Ancient men, ancient way of thinking. Hallelujah. So heaven, earth, under the earth. And we saw that at the name Jesus, every knee bow, we have authority in heaven and on earth. Hallelujah. We have authority in heaven and on earth. And we see that the use of the word uh Elohim, we said, is used for Yahweh, the God of Israel. It's used for the sons of God as a company. It's used for the God and goddesses of the nations. It's even used for devils and demons. The word Elohim is not a statement or a word to worship. Never worship Hebrew or Greek words. They are just words. Amen. Because in the English when you say gods and you say God is still the same god. That's what it is in the Elohim. So it's it's use is the context that determine who you're speaking of. Deuteronomy 32:17 the devils were called Elohim there. Genesis 35:7 angels or the angel of Yahweh. The dead departed human somewhere is called an Elohim in 1 Samuel 28:13. So and in our last year teaching we repeated that the gods were not created to be worshiped. They were never to be worshiped. In fact they were to worship the God who created them. Psalm 29:1 Psalm 97:7 it says worship him all ye angels. Worship him all ye gods. So they were to worship God never to take worship. When angels take worship or supernatural beings take worship that's how they become devils. God is their creator. Nean 9:6 Psalm 148 verse 1-5 we read this text already uh he is their king or what is called king of kings lord of lords he has no equal is called god of godsomy 10:17 let's read that a bit just for refresher we've read that before and see how it uh dovetails into what we are speaking Deuteronomy chapter 10 and verse 17 for the lord Lord your God is God of gods and lord of lords. A great God and a mighty and a terrible regarded not person not take reward. So God does not do is not bias. Why did God know say God is bias? Why did God answer this person and not answer me? Why no he doesn't do like that? He's God of gods, Lord of lords. He's called the highest, the all powerful. Psalm 18, the highest. Luke chapter one, the power of the highest. So is there anything too difficult for God? Jeremiah 32:17, nothing. I mean God is called all powerful. Amen. So angels were never to take worship. You're never to take worship. Jesus said to the Satan, Matthew 4:10, thou shalt not tempt the Lord your God. Thou shalt worship the Lord your God. Shall worship the Lord your God. Worship the Lord your God. So the angels were made to take to not take worship but to worship God. They were not to take worship.

Amen. And when angels take worship, they become devils. Deuteronomy 29:26, he mentions that exact phrasing that they were not to be woripped, not to worship those gods of the nations. For they went and serve other gods and worship them, gods whom they knew not, and whom he had not given unto them. Hallelujah. So they they worship other gods and that's the word supernatural beings. Supernatural beings are not to marry. Matthew 22:30 Genesis 19:5 we saw that those uh men in Sodom wanted to have relations sexual relations with those angels in that came for Lot. So the the very idea of it is deliberately put in Genesis chapter 19 so that it it filters your idea of the Genesis 6 narrative that is a bit very confusing for many but however you want to explain what happened in Genesis chapter 6 you cannot remove supernatural perversion. Uh angels are to serve man not deceive man or or hurt man. So they were to serve man and minister unto man. Hebrews 1:14, "Are they not all ministering spirits sent to minister for them who shall be heirs of salvation? And instead of ministering to man and helping man, they are now deceiving and hurting man and ought not to be." So to whom you yield yourself, you become slaves to Romans 6:16. So, so instead of protect, they are now hurting man and they are now deceiving or harming man. Angels are supposed to do the will of God, not disobey God. But now we have supernatural beings disobeying God. And so the judgment I mean look uh disobeying God's will. That's very serious. 2 Corinthians 4 says the God of all blind the minds of them that believe not lest the light. So directly opposing God's will. Directly God's will that all men be saved. But Satan is directly opposing that will of God. And that's not how they were made. They were made to do the will of God. And so again we said when angels take worship they become devils. When angels have sexual perversions with men they become devils. When instead of serving man they deceive man they become devils. When they disobey or go against God's will they become something else. Hallelujah. And we must remember that the heavens were made to rule with the earth. And the heavens function with the earth. But now Job 15 says the heavens are not pure. Always remember that things are not in their perfect order. And that is why we have to learn about unseen forces. Things are not in their perfect order. Things are not in their perfect order. Things are not in their perfect order anymore. Things are not in their perfect order. things are not in their so that whole idea people have of uh why do good things happen to bad uh bad people why do bad things happen to good people I always tell you good things happen to good people good things happen to bad people bad things happen to bad people and bad things happen to good people it's just life now because um we have light and darkness on the earth good and evil on the earth hallelujah Yeah, Job 15:15, he says, "He put no trust in his sense. Yeah, the heavens are not clean in his sight." That's exactly it. So that whole uh relaxation that people have, even God is not confident that the angels are doing always the right and not the good angels, I mean all supernatural beings. So he say he put no trust. In other words, you can't just relax like that. Giving you the uh background of that use when he say he puts no trust in his angels. is that was that relaxation we have that uh as people we say today that don't like Jesus Christ or God they

say universe will favor you say lie oh put no don't put any trust in those things that is faith what is mine is mine don't do all those even god does not put any trust there cuz the heavens are not clean life will not always in fact the best of people the hardest working people don't always get the things that they should get you think that everything will just favor them but everything don't always just favor them. And you must realize because the supernatural beings that are supposed to administrate the proper order and functioning of things are not all in the light are not all in the light. And God has not created more angels. So the balance is not the same. So the ratio is not the same. So uh supernatural beings that has specific functions, not all of them are in the light. They are those that have those specific function. Some of them are not in darkness having that function. No longer in light having that function. Always remember that the proper functioning of things are not the same. Amen. And that's where in the teaching we said Psalm 82 where he calls out those supernatural beings for failure to judge properly. And he says God stands in congression of the mighty. He judgeth among the gods. and which some very lazy interpreters of the Bible have said this is men. Oh boy, we have to remove all the text. I mean the context is very obvious that it's not men. Jesus even uses it when he was trying to tell them that if angels were called God, how come you say I'm not God? John chapter 10 when he says if he called them gods of and the scripture cannot be broken, how can you be having an issue with me being God? Sam God incorrection of the mighty jud among the gods. How long will you judge unjustly and accept the presence of the wicked? This is not what it ought to be. Abi all right the presence of the wicked are not supposed to be accepted. He said defend the poor and the fatherless. Why are the poor not being defended? Why are the fatherless not being do justice to the afflicted and needy. That's what it ought to be. Deliver the poor and the needy. Read them out of the hand of the wicked. They know not that would they understand. They walk on in darkness. The foundations of the earth are out of course. Always remember that that the foundations of the earth are out of course. It is not how God founded the earth. That's not how the earth is. In fact, Jesus's favorite language is from the beginning it was not so. From the beginning, it was not so. So, always remember that it is not how it was made to be. Things are no longer the way it was. Where things are the way they ought to be is in the spirit or in Christ. And that is enforced by power because the foundations of the earth are out of course. Always have that in mind because many in the world community now people who are given to enemy die strong man submit your power they know all of that. In fact it's now like only people who in quote what they call spiritual warfare which is not what spiritual warfare means. Spiritual warfare is Christian living is not spiritual warfare is Christian living and winning souls. It's in the preaching of the gospel and I've taught you this extensively. Uh uh so sir when we cast out devil that's what we call warfare. Nothing wrong in casting out devil. You should cast out devil. But that's not how the Bible explains warfare. When it say the weapons of our warfare are not counter but mighty true God. Every time the Bible uses warfare is not in that context. It's not power encounters that is calling warfare. It's not power encounters.

And we get the idea which some pastors don't get because they just want to sound very scholastic with scriptures. They don't always want to get where the other people are coming that are in ignorance. I get it because you cannot have a power ministry and not know those things. And you can to now deny it is why they have to ask some of these world men as they call themselves today. Do you still believe in miracles? Do you move in? Of course, just to explain things properly because if you know except you are saying everything you did before was fake which now begins to look like this is all a joke or something. Amen. So things should be explained properly. The foundations of the earth are out of course are out of course. Hallelujahise. So it is not it is unstable. The foundations of the earth are what? Are now unstable. It's not how are out of course. They have been moved. The word out of course there was first used in Leviticus 25:35. And if thy brother be waxing poor and falling in decay, that's the word falling in decay. The foundations are falling in decay. Is the word used that word out of cause is used in Deuteronomy 32:35 as shall slide. Their foot shall slide in due time. That's the word. The foundations have sliding. Psalm 13:4, "Let my enemy say, I have prevailed against him, and those that trouble me rejoice when I am moved." Is the word moved. Be moved. He and in my prosperity I said, I shall never be moved. Psalm 30:6. So the the foundations of the earth have been moved. Did you get it? The foundations of the earth have been moved. That's what he's saying. So when you see how he uses that phrase, you see that same idea again in Job. Job 38. Just go to Job 38. Then the Lord answered Job out of the white wind and said, "Who is this that darkeneeth counsel by words without knowledge?" Because Job was asking a lot of questions and wondering why is things the way they are. Job 38. So who is this that darkens counsel by words without knowledge? Get up now, thy loins like a man, for I would demand of thee. Answer me. Answer thou me. Where was thou when I laid the foundations of the earth? Did you see it? All right. declare if thou has understanding. Who had laid the measures thereof? If thou knowest, or who has stretched the line upon it, whereupon are the foundations thereof fastened? Who laid the cornerstone thereof? When the morning stars sang together, and all the sons of God shouted for joy, or who shut up the sea with door, when it broke forth, as it had issued out of the womb, when I made the cloud, the darkness thereof, and take darkness a swaddling band for it, and break up for for it my decreed place, and set bars and doors, and said, hitherto shall thou come, but no further, and yet shall thy proud waves be stayed. Hast thou commanded the money since thy days, and caused the daypring to know his place, that it might take hold of the ends of the earth, that the wicked might be shaken out of it. It turned as clay to the seal, and they stand as rammet, and from the wicked their light is withholding, and is and the high arm shall be broken. Hast thou entered into the springs of the sea, or has thou walked in the search of the depth? Have the gates of death been opened unto thee? And has thou seen the doors of the shadow of death? This is a supernatural worldview context. So don't take any of the words literally. See it in the supernatural setting. Where is the way where light dwelleth? As for darkness, where is the place thereof? Thou shouldest take it to the bounds thereof. So

he says a lot of things. Then you go to verse 33. Knowest thou the ordinances of heaven. Knowest thou the ordinances of heaven. The word ordinance is the word statutes. That is used to explain what to be followed. how something uh an instruction how you follow the instruction or is used uh that word statutes is also used to explain certain feast certain ordinances. So when they keep the feast it was to remember this. So this is used to explain this. This is an ordinance to explain this. That's the whole setup there. So when he says, "Hast thou knowest thou the ordinances of heaven? Knowest thou the ordinances of heaven?" So the can thou set the dominion thereof on the earth? Are you seeing it? You don't have a Bible. So do you have knowledge of the laws of heaven? That's what he's asking Job. Do you have knowledge of how things ought to go? Do you do do you even know what you are talking about? So when he says knowest thou the ordinances of heaven that word the ordinances of heaven there ordinances remember is synonymous with the word laws statutes they all synonymous Abby. All right. So, do you know the laws of the heavens or can you set up their rule over the earth? That's the idea. So, do you know how the heavens rule the earth? Do you know how the supernatural rules over the natural? And the man of course couldn't answer any of the questions. Uh, can thou lift up thy voice to the cloud? An abundance of water may cover thee. So do you understand the secrets of power? Do you know how to speak and cloud the same? Because these are the things Elijah knew where I could say if I be a man of fire come down. So do you that was I'm putting it in in a easy do you know the secrets of power? Do you know how can thou send lightnings that they may go and say unto the year we are? So you see Moses knew these things. So he's showing there that they are men of they are people who understood the laws of heaven, the ordinances of heaven, how things work. So knowest thou the ordinance of heaven can thou set the dominion thereof on the earth? Did you get it? Yes sir. Psalm 148. See the idea of it. Psalm 148 from verse one to verse. Praise ye the Lord. Praise ye the Lord from the heavens. Praise him in the heights. Praise him in the heights. Praise him in the heights. Praise ye him all his angels. The word heights there is synonymous with the word heaven. In the heights, praise ye him all his angels. Praise ye him all his hosts. Praise ye him son, moon. Praise him all ye stars of light. Praise him ye heavens of heavens and ye water that are above the heavens. Let them praise the name of the Lord. For he commanded and they were created. He commanded and they were created. He had also, now look at verse 6, he had also Psalm 148, look at verse 6. He had also established them forever and ever. He had made a decree which shall not pass. Praise the Lord from the earthy dragons and all the fire, hail, snow, vapor, stormy wind, fulfilling his word. Hallelujah. He had also established them forever and ever. He had made a decree which shall not pass. Now Psalm 119, Psalm 119 verse 89. Forever, oh Lord, thy word is settled in heaven. Did you notice that? Forever, oh Lord, thy word is settled in heaven. Pay attention. The word is settled. So the word is a defining matter as it relates to how things function. Thy faithfulness is unto all generation. Thou hast established the earth and it abided. They continue this day according to thy ordinances. So when people say all

manner of wonderful things, God is not involved. So uh I mean look at the farmer. He farms, does everything he does, but ultimately it is still powers beyond his control that determines a harvest. Well, I don't believe there's any god. I don't believe in any unseen thing. There it is written into the ordinance. It's written to how the earth functions. You cannot remove the place that the creator set certain principles at work. They continue this day according to thy ordinances. For all are thy servants. Hallelujah. So there is an order. It's the same thing. You jump up, you come down. It's an ordinance. It's an ordinance. And that's why in the natural the scientists study those physical ordinances. And that's why you now have this law, this law. And even in chemistry for you see all the different laws. You say, "Oh no, that's no longer a law. That is a this." You see all those uh hypotheses or laws because science studies what is seen what can be heard felt to five senses. Science is the study of the five five senses. So how the five senses how the interaction of all we see feel taste smell comes together is being interacted and so okay based on this okay how did this lead to this? How did this lead to this? Now, of course, science have improved today. So, there are many questions that we can give answers to. Many questions we can give answers to, that certain people could not give answers to. Look at Ecclesiastes 11. As thou knowest not what is the way of the spirit or how the bones do grow. As thou knowest not the way of the spirit nor how the bones do grow in the womb. Now of course uh doctors gynecologist I mean uh the experts in that medical field can give you certain explanations. Surely they can. Now you grow your physical leg out. Now grow your physical and use those explanations. So there is still something as much as oh this is supposed to lead to this. Why is this something supposed to lead to this something? Give the answer to that one. He say that's just you end up having to say that's just how it is. That ending up saying that's how it is is what God was using to talk to Job. Babies should not come out from the womb and one neck is bent. That's not how babies should come out from the womb. You can already see that the ordinances of there. So now we have conjoin twins. We have this one. We have this issue. If you don't uh they tell you you have to take folic acid very well. Now of course because of how people eat today. Those days people did not need to. But at same time medical science have gotten better over the years where you say our mothers used to give birth easily. The children used to always die easily too and they say is cool is this one is this one. There are different names for its us that married as they are born many SS and some the one that survive survived one not survive have gone they say is evil spirit many of those things because they didn't know any of those things were just anybody see anybody you join then eat this then there were certain things that they ate that flush their system I mean closer to the herbs using all of those things it had its place but to rubbish The improvements that have happened in time is not fair and it's even ungodly to try to do that with scriptures as some pastors do trying to rubbish science. The Bible is not against science. It's just precience. It's just premoding. He's not against those things because those things are part of man exercising himself and knowing more about how things work on the earth. So as thou knowest not what is the way of the spirit or how the bones do grow

in the womb of her that is with child even so thou knowest not the works of God who maketh all. So in other words there are many things people do not know. The same way in the morning so thy in the evening with not thy hand for thou knowest not whether shall prosper either this or that or whether they both shall be like good. So certain certain principles now I don't know meteorologist as we call them today who are able to predict the way of the wind and they tell you this but how come with all that predictions there are some they see could not tell that's what he's saying there you don't know the way of the wind the way of the spirit that's why I use the word spirit there which in this context funny enough is not spirit of god the way of the spirit there's a way of the wind. The physical wind is just the word ruak is used for spirit is the word wind is can use for spirit can be used for can be used for certain emotions are also used like that the context always determines the usage but today there are much improvement but see how this man use it to speak to his audience directly and all of them would have answered that s we don't know now of course today even though today we can say with many improvement we can answer some of these question but we still can't answer all of them authoritatively That is what he's bringing there. So how the bones form in the womb of a pregnant woman. So there's a way God does his things. There's a way God does his things. And we can uh Isaiah, let's read that text for you. Isaiah 55. Let the wicked forsake his way, and the unrighteous man histo. Let him return unto the Lord and he will have mercy upon him and to our God. For he will abundantly pardon for my ways and for my thoughts are not your thoughts neither your ways my ways say the Lord. For as the heavens are higher than the earth so are my ways higher than your ways and my thoughts than your thoughts. So it's not because God does not want our thought to be his thought. He's just setting an order that God's thought is not our thought. But we can make our thoughts become his thoughts. Or we can think his thoughts. We can rise up. But he will not come to that level of flesh or canality. We will rise to the level of spirituality. For as the heavens are higher than the earth, so are my ways higher than your ways, and my thoughts than your thoughts. For as the rain cometh down and the snow from heaven and return it not tether, you don't see water on the ground going back up. So again, that is also an ordinance. That's how it was set. From ground is going up. No, it's from up down, not down up. Up down. All right. So the heavens higher than the earth. The heavens rule the earth. That's set up. And that's what he's telling Job, you do not know. So Psalm 82 when he says the foundations of the earth are out of course. We say but I've said you are gods all of you are train of the most high but you shall die like men. That is also another issue because they were not supposed to die but now they are going to die. That's already showing that things are not as they were made to be. Shall fall like men fall like one of the princes. Arise of God judge the earth for thou shall inherit all nations. So it's the same setup. Hallelujah. Praise God. So where people ask why is this thing working the way it is working? See Jesus using that same setup in the book of Luke. Luke 13:16. And ought not this woman being a daughter of Abraham whom Satan has bound load this 18 years be loosed from this bond on the Sabbath day. So Jesus said u not

so this woman who Satan has bound this 18 years be loosed from that infirmity. And when he said these things on, all his averses were ashamed and all the people rejoice for all the glorious things that were done by him. Did you get it? So woman, thou art loose. That's Luke 13. woman thou were loosed from thy infirmity. Verse 11. And behold, there was a woman which had a spirit of infirmity 18 years. A spirit of infirmity 18 years. And was bowed together and could in no wise lift up herself. So was that natural? That's not natural. Now spirit of infirmity caused it. But was it affecting the natural? So something spiritual can affect the natural, the spirit of infirmity. And Jesus say, "Ought not this woman whom Satan has bound." Mark chapter 9 where that man said uh I brought him to your disciples and if they can they could not do anything and he said if that Jesus now corrected in Mark 9:23 if thou can believe all things are possible to him that believes. So all things are possible with God and all things are possible with you that believes the two places where all things are possible. So So the man with God has power with God. The man with God has power with God. So we will share God's attributes will have God results. We would have God results. So Mark chapter 9 and verse um 24. And straight away the father of the child cried and said with tears, "Lord, I believe, helped out my own belief." So it's I I really believe that's why I brought him but help my own belief and messed up. I'm just I don't like what is happening with my child. And when Jesus saw that the people came running together, he rebuked the foul spirit. F O U L. The foul spirit, the unclean spirit, saying unto him, "Thou dumb and deaf." H dumb and deaf. The man is not The boy is not dumb. The boy is not deaf. The boy is not dumb. The boy is not deaf. Pick at him and throw at him the not the correct not the correct discerning of spirit because that was the issue. The boy had a deaf and dumb spirit because that was the intention of the spirit to lead him to the place where he's totally invalid in all ways from being moonruck to the now deaf dumb having no use of his senses. So he said thou deaf and dumb spirit I charge thee come out of him and enter no more into him. And the spirit cried and ren him saw and came out of him and he was as one dead in so much that many said he's dead. And Jesus took him by the hand and lifted him up and he arose. Notice that deaf and dumb. Luke 7 and verse 21. And in the same hour he cured many of their infirmities and plagues and of evil spirits. And unto men that were blind he gave sight. Notice and of evil spirits. He mentions that many of those infirmities were caused by evil spirits. Evil spirit. Hallelujah. So many things can affect many physical things we see can be affected by spiritual things. So when we say unseen forces, unseen forces basically deals with the influences and the powers of the unseen. That's simply it. The influences and the power of the unseen whether it be of God or of supernatural beings. Whether it be of God, of supernatural beings or of man. Threefold. Whether it be of God or supernatural beings or of man. an influence and a power and in that order an in so unseen forces deals with the influences and the powers of the unseen whether that unseen be of God supernatural beings or man of God we have the spirit of God supernatural beings they are now divided to two part and the bad ones what you call good angels angels of light angels of dark stars of light stars of darkness Powers of

darkness, powers of light, the angels, good angels, bad angels. Ab and the bad ones we should what? Rebuke or accept, resist, cast out, deal with, judge, beautiful. So we have bring it under. Come on. Now on sin forces of man will now be where we have sorcerers, magicians and we saw pet Paul put that ele in his place because the ele was the the one conjuring that did not allow suspense and power coming from a man in cooperation with unseen forces in that are negative abi. So it's unfortunate that when people hear unseen forces they always thinking to the negative. No, think it in all the areas. It's not negative. There's negative and positive unseen forces. Amen. Hallelujah. So influences and power that is from the unseen. Hallelujahise. Amen. So something to really really think about. So when we hear uninformed people say things like ah there's nothing like that. Ah, there's nothing like that. You really want to make all of us stupid. You really want to just as well throw away the Bible because there are so many stories within the Bible that you cannot say that there is no unseen hand behind the events. In Acts chapter 12, the church as they began to pray, the Bible says an angel was an angel came to the prison. Peter's shackles fell off, took Peter by the hand and the gate opened on his own accord and let Peter out. The doors are locked. Oh, the next day they can't find Peter in the prison. How can they say is natural? In fact, the other one earlier it says the doors were still shut with all the safety and the next day when they came the doors were shut but there was no Peter inside. So which door did he pass? You read the Bible and we don't want to believe this kind of things. How can you? And that's why we take our life for joke. Don't do that. Now during the week there was a horrible tragedy about a plane crash. One person survive. Now that shows you one person can survive. One person can survive. I choose to always be that one person who survives. Don't know what the man knows, who believes, who is with who what he have, who he is, who's he belong to. But that's a lot of That's a lot. Believe. Oh. Every man now, every man knows what he believes. Amen. This morning I I've responded to the message, but she's hearing me now. Sent a message about the bike tumble down and no injury. Those things are not ordinary. Now you hear stories like that then the and he said she was thinking about it that that always say my life is not in the sea. All of a sudden the accident roll towards the caterpillar but preserved the bike man and the rest hot bike injured. Bike did not walk again. Bikeman injured but no scratch and even the cake in her hand was not destroyed. My life is not in the sea. My life is not all those kind of things. No no no I don't believe. Don't be using your life be doing I don't believe same way we saw that the brother shared the story of the gas was left on she be believing oh be be believing oh be speaking oh say how come at that moment she said the way the backb was she was just thinking about that thing pastor has been teaching on sin forces that she wrote in the testimony to me that you say it maybe on Sunday next week we take testimony so you heard from my mouth and acted on that entered our mind and started saying it. My life is not on the road now. Stand up and on hot. That's not luck. Yeah. You be lucky like that now. You not great day lucky like that. I mean, you know how people always use their life to be doing play and they hear the stories we share. They hear the things that

we say. No, no, no. count me out this I don't think he's just see God is no respecter of person God is no respecter of person he's not God is not looking at somebody's face as the slang will say not the look with your face God is not you say oh he's not doing that it's not selecting he that cometh to God must believe that he is and that is a rewarder we will engage and so on Wednesday I began telling you how we engage and I of course in last year's series we taught 10 things and we ended with attitudinal cooperation. We ended with I gave you a lot of things about engaging on sin forces. However, now we're talking about being wise and strong with his power. And we said you can be strong in his power when you know nothing about faith. And I told you one way we can be strong with the power of God is by faith. Is by faith. It's by faith. And faith is not uh is not lock. Faith is not something that is invisible that we can say uh I can't see the faith. We can see faith. Faith can be seen. Faith can be seen. We can see faith. Oh, we can see faith. We can see Matthew chapter 9. That man that was sick of the palsy that was lying on the bed. The Bible say Jesus seeing their faith said unto the sick of the palsy son be of good cheer thy sins be forgiven thee. The man may have been far older than Jesus by physically but Jesus that is a trigger for compassion is all right. Son be of good cheer. Identify the person to yourself. Son be of good cheer. Thy sins be forgiven. Of course he is the creator God just working as a man. So say son be of good cheer. Faith can be seen. Faith can be seen. Faith can be seen. Oh, we can see it. We can perceive it. Paul perceiving that the man had faith. The same heard Paul speak who selfishly beholding him and perceiving that he had faith to be Acts 14:9 Paul perceived that the man had faith to be he said with a loud voice stand upright on thy feet and he leaped and walked because he perceived the man had faith the man I cannot walk why am I why you telling me to stand on my feet if I could stand would I not stand no foolishness like that cuz he had faith to be healed faith to be healed he was ready that that means Paul will move here the man will move be looking at him ready told you the story of the lady who had stroke and was used as an example in my meeting in Potacot that's the first to come out didn't matter to the power of God because she didn't it was later on her own unbelief now try to set in she now after I had prayed she had started doing what she could not do then when I was praying for other people in the healing line I now said any after doing many other things anybody else that I seek I saw her again and I said what are you doing she say I used to feel I said but are you feel anything again he say oh so if we have waited to that time she would not have been imagine she had come without oh would have prayed the normal prayer say add me to the list of pastor that prayed for her but never ready to take because lambo to take from the power of god power can be released but you take from it you appropriate it into you that this is it or this is it this will work this will work I refuse to to accept something else you know we can faith can be seen that idea where we feel faith cannot be seen look at Matthew 16 Jesus was talking about something else then Jesus said unto them take heed and beware of the lev of the Pharisees and Sadducees verse 6 and they reasoned among themselves saying it is because we have no bread which when Jesus perceived he said unto them oh you of little

faith why reason you among yourself because you have brought no bread the way you reason we can tell you don't have faith the way you reason so you see it's very for me very easy to tell people who have faith very easy to tell if a man is serious in what he says he believes very easy just let the person talk you will know if the person has faith just let the person talk let the person express themself and if if they are faking it you will also tell you will know that like Jul said you have language you don't have faith the man John came in to pray for that woman who was bed reading and the woman was I I know I'm healed I know I'm strong I know the same way with today we say my enemy is sick man and he said they told J turn to the father the husband and said why did you call me if your wife is okay just get She could not. So he said, "You have language. You don't have faith." There's language. That's what many people have. They have language. You have not done anything that shows you want to come out from the bed. You say, "I I believe that's I believe." You are ready to receive. But no, and people have more language and as you shake them up a bit, you see that it's just language. I know God is going to do it. I know. No, God is not going to do anything. You don't really believe do anything there. Just stay with your medication. If you have to ask me sir, should I continue taking the medicine? That's already shows you don't have faith. Now that already shows it has not come and there's nothing wrong with taking your medication. So complete it. Complete it for God's sake. Should I? Should I not? Should I? Sir, sir, I I I don't really know if I should do the operation. Me, you call me. I always say to do operation. Just go. You find another pastor. I will never tell you to do operation. You you call me for operation. Am I a doctor? Oh, that's how pastors put yourself in trouble now. Am I a doctor? You called me for that is not my field. My feed is the power of God. Hello. Hello pastor sir. We want to do an operation sir. I don't know what you are saying. I'm saying operation since you since you saw Dr. Eos are there. Confuse me for my in-law. Since she don't know [Laughter] you put daughter in front of my name. Ah, no I'm not. Ah. Hello. Hello. Hello. Hello, sir. Yes, sir. Sir, they have said it's is only an operation that can can solve this issue. Wow. All right. Let them do it. Sir. Sir. Daddy. Are you with me? I'm with you. So, we can go ahead. Sure. Call me and give me only give me lifelines like I like I'm boxed to a war. It's only you that do that one. You and your household that does that box to the wall. I never unboxed to the war. Even the man that they gave 15 years he turn and face the war. go out to the years you see they have told I don't know the and people must learn how to engage because that's how you know they don't have faith the whole issue with sir I don't know what they are saying I'm hearing a lot of rubbish in this aha then you will hear so if it's a husband and husband and wife issue they had ah what is your wife saying you won't believe what pastor Say hi. So pastor hates me like that. Something that we say it was fatal. I say they should walk in fatal. Pastor hates me. Husband have said pastor or the wife say I don't know. So what are both of you agreeing? Say sir we have not agreed anything. You are the head of the I push it back to the man. You are the head of the so what are you deciding to do? But you know what go say cut my call be go. Let's know and people know like that say have spoken to

my wife have I say put your hand there that's different setup in the name of Jesus hear ye the word of the lord baby turn into position uh I'm I'm going to tell you obviously do what you are going to do you are not we're not doing faith here now but if we are doing faith I remember telling Somebody call me another 3 hours. Say we I go to sleep. So we prayed now. So call me another 3 hours. I'm praying for your matter at 3 hours. You they get the issue. We don't know what is going to happen. Is it what is going to You don't know what is going to happen. Papa, you give me assignment. You can't leave me. Is it Is it me that needs the miracle? Is you and faith you you can see the motions of it. I remember getting that call from outside Ben city. I'm there with my mother right now. Her life is leaving her. But we are here rebuking and we have listened to a lot of your messages. Sir, just say something sir. I said what is her name? Faith can be seen. Faith can be seen. faith can be seen. Call for men who go again like that. No sir, no sir, no sir. We know how many years we believe for the baby. In the name of he who died and rose again the third day I head cough. I've not even finished it. That's why I got I always use that line these days. In the name of he who died and rose the third day I the baby started coughing. No, we know how many years we believe for this thing. What is this sympat? Do I don't I should be letting sending handkerchiefs now say sorry send me your postal address I should send handkerchief no there's a time for that that's why he say no if you want if you want a sport commentator I will be it to you cuz I'm I everywhere if you want sympathy no man sympathize like me if you want empathy I will give you empathy I'm I'm naturally intelligent now so I know how to be all things but That's not what you need. So now I I I want to be and that's why every time you guys call me that you like I never noticed that your issue is big because I expected that you are calling me because you're in faith. Now I'm beginning to realize that you were not in faith. So now I'll be following you as you come and say oh you are dead you are dying. So you see how he sounds that's demoralizing somebody is going down you wanting to you talk up. So I always cuz that's what Jesus taught us. Fear not. That's always the first thing. But it's even when somebody gives me the ultimate and tells me s so which option that there's no option you have given me now you're saying which option you say should we should see do the option faith can be seen s is all over s is all over s is all over I don't know we can't pay we can't pay I'm going to leave or I'm going to leave I'm going to leave or I'm going to leave they are going to throw our load or they are going to throw our load. There's no space in my boy's quarter. So you have friends stay in their house. So say no sir any word. Ah any word? No no there's no word. No word. Just like any word for me say there's no word for you. There there are motions that show a man has faith. Yes sir. blind Batimas. He threw away the cloth he was using to beg. You're saying I'm not going back to this begging life. And when they say don't call on him, he cry the more with a loud voice. Faith can be seen. Yes sir. It's not pretense. Faith can be seen. There are the emotions of faith. There are actions. There are actions. And that's why there is the tensile nature of faith in the Bible. Little faith, great faith, weak in faith, strong faith. Because faith can be seen. It can be quantified based on what we are seeing you do. It's

all over. No, it's not. No, it's not. Hallelujah. Praise God. And that's why I like s I got a call like that from one of our brothers outside the country, a serious matter. Ah, okay. Okay. Okay. So, I told him and I like the way he was sound. He was not sounding that hair. Sir told me ah this person enemy or they plan something wicked person in the office. I said in the morning we'll talk I'll pray about it. As I was praying the Lord said to me as I was praying and doing match over. Yes. So you tread upon the head of your enemy. Now that's match over. after doing match over on where this thing is coming even if it's mistake you would protect us cover our mistakes and I was praying I saw it I heard it so during the the next day when he was talking to me I said this is what the Lord said this this this and that your path will be exalted that's how then the next day two days later he tells me that everything went fine I even got a a mail. He sent me the mail. That's so you see anything could have gone any other way. Anything could have but we always believe in the power of God. Yes sir. And we need people who know how to what do you say? What do you It's not for church. Everyday life, everyday life shows you how things will not be, how things will not work. It's for you to decide. Will I accept this result or will I not accept it? I choose to change it. I choose to not believe this. I choose to not believe this. Amen. Amen. So based on how they reason, they say, "Oh, you of little faith." Based on how they reason, he say, "Oh, you of little faith." Amen. Amen. Look at Matthew chapter 8. Or no, let's do Matthew 6 first. Matthew 6. Because when you were in secondary school, when university, you could believe God for your for your needs. Now, because you earn 2 million, 1 million in a month, you can't believe God anymore. You now trust in riches now. Don't outgrow. We don't get better in life to outgrow faith. We don't we never outgrow faith. Huh? We never outgrow faith. We never outgrow those things. The same if you are living outside the country will you need will you e the one that they have uh people wake up in the morning and they have shot two persons don't they have security CCTV camera around people talk things you now know that really they not really exposed as they think if it's outside which outside the country is that you have another outside the country outside the country we see violence we see crime we see people die people sleep they don't wake up many things happen too. The same way people have this idea that it's in Africa that there are devils. So what is Halloween? What are they celebrating in Halloween? Oh, beautiful. So you are feeling we need to have one in Africa too. The one we have many festival to the gods here never reach all hallow day is the day for witchcraft that time in October. It's just it's not even hard. It's even in the dictionary. You see it allows days. No, it's not it's not say it's just too scared. It's just too scared. No, those are howling creatures that sponsor those things. Powers of darkness. I thought it was seen forces that that selfright those those coyotes all those foxes those sounds that they selfright the powers of darkness. Don't say he's in Africa. He's not in any Africa anything. He's mainly from Africa. How did they know that one? How did they know he's a reporter in in Nigerian man? You know what I mean? I mean, I'm just trying not to call the the woman writing that. How did he get the idea to write that is from from Bible? Why people doing like this now? I don't know how people have this

idea is balam is fromu and balam from ejua I don't even know how they combine that and Mas from Akoko Edo from Ewatu village. Then we have of course uh uh Simon the sorcerer that is obviously we know where he's from from Anna brother Okijah I know you people have this you are studying the you see are you see Nigerian names in those people just have amazing so Babylon is Babylon looks like like benic city. He said the master of the magician is that is Daniel in ben kingdom. He's not now. So having that idea of oh there are no devils abroad. They joke you are not a man. You are trapped in the wrong body. Break free. Break free. I wake up in the morning. I feel I'm not a male. In my own opinion, Baba, we know what is doing you. If we shake your hand, you will not say that thing again. If we shake your hand, we force. There's different. If we shake your hand, you will you get yourself back like what's happening to me? Yeah. sority as in our campus we just gathered and we lit candles and we do not know what happened. We just draw uh the penta dragon. We just we just do we just drew this diagonal. We drew the eye of Osiris. It was just what we saw in a movie. Oh, you they look for influence. You see influence, you they run. What do you who wakes up and be drawing diagram on the one lighting candle? What you are looking for? You will find I mean what an im motor that man was. I would have sang one of his song but I'm wearing I cannot I have to pull the cloth. Ah the influence of God it will put you between words. Ah God so little faith. So Matthew chapter 6 and verse uh 26 or 25 he said therefore I say unto you take no thought for your life what you shall eat or what you shall drink nor yet for your body for what you shall put on is not your life more than meat and the body than raignment. Behold the fowls of the air for they sow not neither do they reap nor gather into bands yet your heavenly father feeded them. Are you not much better than they? Which of you by taking thought can add one cubit into his statue? And why take he thought for ament? Consider the liies of the field, how they grow. They toy not, neither do they spin. And yet I say unto you that even Solomon in all his glory was not arrayed like one of these. So let's do 256. Therefore I say unto you, take no thought for your life, what you shall eat, or what you shall drink, not yet for your body. For what you shall put on is not the life more than meat and the body more than railment. Observe that verse 26. Then jump to verse 30, which is where I'm going. And I says, "Wherefore, if God so clothe the grass of the field, today is and tomorrow is cast into the oven, shall he not much more clothe you, oh ye of what?" Oh, you of little faith. Did he bring faith into the issue? Yes, sir. Oh, ye of little faith. Little faith. Little faith. Holy Ghost. O L I G O S used to explain little. Puny faith. You lack confidence in God. So the tensile nature of faith and we can see it when a man is in anxiety is not in faith. It's not in faith. When there's all this tension, worry, we don't know. Hey, oh, oh, I don't know if this will work. Hey, it will not work. Oh, hey, you are not in faith. And we can and I told you how we undo all of that. Revelation knowledge is faith food. That's why you feed on God's word. Revelation knowledge is faithful. You feed on God's word. And revelation knowledge is more than just uh what does God's word have to say as it were what I read. It's actually what you read jumping out of the page to you. That's revelation knowledge. Revelation is what you are reading will jump out on the page

and it will be that real and tangible to you. You know that ah God have said it or God have said it. God's word have come or God's word have come. That's why we can always tell people when I see them in those I always tell them what do you believe? What do you know? What have you seen? What have you heard? Many times I hear nothing. They just smile and say sir we trust God. See this one go day there 10 years day there 5 years you are you are elongating the time there must be something you are holding on to and telling yourself no I trust God I know what God have said I know what God have said I know what God have said I know hallelujah faith is an action acting on God's word so we can always By your actions, we can tell if you have faith. By your reasoning, by your speaking, we can tell if you have faith. It can always be seen. Look at Matthew chapter 8. Just sticking with Matthew a bit. Matthew 8. And behold, there arose a great tempest in the sea. Verse 24. In so much that the ship was covered with the waves, but he was asleep. And his disciples came unto him and awoke him, saying, "Lord, save us. We perish." Now, we're supposed to call on the Lord. So, they call on him. But notice, we perish. Why do you have to think you are going to perish? So, look at the answer. And he said unto them, why are you fearful, oh you of little faith? See, they were fearful. You see, fear we can all things can be seen from the way you are talking. fear. There's this fear, this anxiety, this worry. We can tell you are not in faith, sir. We can tell you are not in faith, sir. Oh, you of little faith. Then he arose, rebuked the wind and the sea, and there was a great calm. I will fear. Though a host were encamped about me, in this will I mean know how to counteract fear. In fact, the Bible says, "Be not afraid of sudden fear." Even sudden fear that used to grip somebody don't fear that sudden fear because sudden fear that come be not afraid of sudden fear. So as sudden fear hit you we sudden fear hits everybody we bounce that one away not be me say no you answer it back. No not me. Hallelujah. Amen. Amen. Hallelujah. That's Proverbs 3:25. Be not afraid of sudden fear, neither of the desolation of the wicked when it cometh. The Lord shall be thy confidence, and shall keep thy food from being taken. Hallelujah. Be not afraid of sudden fear. Sudden fear. That's what happened when they told that Gyris, "Your daughter is dead. Trouble not the master anymore." The Bible say immediately Jesus said fear not only believe rebuke you answer that sudden because the daughter is sick now the daughter has died matter has gone to worse but it matters not to the power of God matters not to the power of God get up rise up hallelujah Praise God. Lord, we can not all crying shows you are serious about your solution. Many crying shows that you are ready to die in your problem. That woman could have brought her emotions. And when we teach the tensile nature of it like this, it begins to look like, "Oh, we are heartless." Because you are not serious with your own life. Because that woman came with all our emotions. Thou son of David, have mercy on me. Jesus answer not a word. She even try to use connection. She's not a Jew, but she said son of David. Wait a That is not your calling card of a gentile. She's coming from the uh coming from the Jew road and you have a gentile woman and three things as I've taught you in that story. If that thing is done to you, sir, you're not going to receive miracle. And that's why Jesus called it

great faith. Hallelujahise. So we talked about faith as sight. Abby, faith as authority of the word speaking. The Canaanite woman aggressive faith is needed. We taught that as well where we say faith was worship you depend on the mercies of God. Let's look at that. Matthew chapter 15. There was something she did. Say it's just did nothing. It's just great faith. Matthew 15 4 21 Then Jesus went tense and departed onto the coast of Ty and Sidon. And behold, a woman of Canaan came out of the same coast and cried unto him, saying, "Have mercy on me, oh Lord, thou son of David. My daughter is grievously vexed with a devil. Grievously vexed with a devil. Oh boy. grievously vexed with the devil under the power of a demon. Kai and he answered her not a word. Did you see it? He kept quiet even to the extent that the disciples say send her away. He answered her not a word and disciples came and bes saying send her away for she cried after us. He answered her not a word. So he kept quiet. Then when he will finally answer, he gave two replies that are not good. I am not sent but unto the lost sheep of the house of Israel. What is that rejection? He said I'm not anointed for you. die. I'm not anointed for you. I'm not anointed for you. I'm not sent to you. What did the woman do? Then came she. Look at actions. Then came she and worshiped him saying, "Lord, help me." You would have thought it would have gotten better. See the second reply, "Insult." Silence to rejection to insult. Call that dog. And he answered and said, "It is not meat. This is Jesus. You can't have more compassion than him. You can't be more You can't have more character than him. He is the character you are trying to have." All right. Okay. So, it is not me to take the children's bread and cast it to dog. It is not me. It is not right that I would take the children's bread and give it to dogs. Look at what she said in the words of Martin Luther, not the king, the reformer. He said she trapped Jesus with his own words. Since you called me a dog, even the dogs eat from the since we are going to go that way sir. Since you have called me dog truth, Lord, he didn't say you lie. You lie. You lie. You lie. Truth Lord. Yet the dogs eat of the crumbs which fall from their masters. Then Jesus answered and said unto her, "Oh woman, great is thy beat unto thee, even as thou wilt." And her daughter was made whole from that very hour. Was there actions? I don't know why you send pastor message will not respond. I don't respond. We be lucky the angel of God due. Sorry about that. And I'm not sorry. Always know pastor help me. No, no. Give me P now. You'll be paying the P salary now. Say you know a person should be organized. Organize me now. Organize me. Organize me. Pay the person on my behalf. Some of those things are deliberate just to see how much the person means what they say. There are different motions. I don't have to explain everything to you. just to see how serious you are. Many things are done to just to see how much somebody will push, how hard you will go, how and you and you fail flat. You fell flat. Say you not respond to me. I don't know what but you don't do anything. So if you are not evil, why are you always believing what you did? You did not do anything. So why you think you did something? What I did? You respond to me. Oh God, cry onto God. No motion of faith at all. When they say don't cry the more. We've seen people like that say I said pastor don't let you cry the more you know. No I don't know. I just walked there. I told the usher that tall

usher very evil man. I I I told that tall usher I want to see pastor and he just sent me back. Church is for all. Uh T for Jibbo Church is for is your money in this church thief. Church is for pray. Come to church pray. I mean for people always know how to play those nonsense card. Church is for church for church is for what did you do to contribute to this church standing of what use are you to this church? Church is for churches for really you bypass common sense of doing things in governor is for go now governor is for go and go and stand in front of the convoy anything you see you take governance for the rulers are for even in developed society I think you see developed society now every developed society you you can't you is a public servant go and be doing public servant there See all those arm that is dangling. It's not his handle. Under that coat is gone that facing you. It's fake handle. There's no hand there. They wore it. The gun is is like this. That's how they train them in secret service. Oh. You see that? Why does that hand just look like it not be hand this one that so that you will not know now that do things properly don't go against uh protocol they say do it like this later they say go and meet him he calls you say no you can't tell me that you can't tell me Ah baba calm down just simple things simple motions are we here so silence rejection and insult so Jesus looked cruel coldhearted to that woman of course like I taught you when I we did dogged in faith Jesus was not being cruel to her because there's a broader old testament context I mean so she's from Thai and Sidon and there's ancient bad blood between Israel and that place and Matthew wants you to think of Kaa from Israel old time from Joshua time. So the right thing he wants you to see it from that angle because it's weird that the Canaanite woman will call Jesus a messianic name even call her Lord. So Jesus will test her faith. That's what he was doing. Just a test. Faith can be tested. Faith can be tested. Faith can be tested. Hallelujah. I believe God. Amen. Amen. Matthew 14 verse 31. or 29. And he said, "Come." And when Peter was come out of the ship, he walked on the water to go to Jesus. And when he saw the wind boisterous, and was afraid and began to sink, he cried, saying, "Lord, save me." And immediately Jesus stretched forth his hand and caught him, and said unto him, "Oh, thou of little faith, wherefore did thou doubt?" So he was already walking on water. "Wherefore did thou doubt?" Notice he gave it a name, little faith. Faith can be seen. Put the Faith can be seen. Oh. Faith can be seen. Faith can be Faith can be seen. Proverbs 24:10. If thou faint in the day of adversity, thy strength is small. That's what we are saying. So you build strength. You build strength. Yes, sir. Thy strength is small. Thy strength is small. If it's in the in the day of trouble, the day of distress, in the day of distress, you are weary, you are fainting, you are confused, you are dejected, you don't have any strength. You don't have any strength. Psalm 103. You don't have any strength. Psalm 103 verse 20. Bless the Lord, ye his angels that excel in strength, that do his commandments, hearkening unto the voice of his word. Angels hearken to the voice of his word. I mean, faith can be seen. Faith can be used. It's not something mystical that we can't see. No, faith can be seen. Even in that place where they told Jesus increase our faith, they were offended. Offense, emotions can affect your faith. Emotions can affect your faith. How you believe, protect yourself against

those nonsense because it's nonsense. So those things will affect you. Now that you are been wallowing in bitterness and offense, have you been able to pray? The answer is no. Luke 17. It is impossible but that offenses will come but warn to him to whom they come. It will better for him that a milestone were what? Are you there? Are you there? Luke 17. Yes sir. And if he trespass against thee seven time in a day, and seven time in a day, turn again to thee, saying, I repent, thou shalt forgive him. And the apostle said unto the Lord, increase our faith. See where they brought increased faith inside the context. He say, if you have faith as small as a must seed. This is not a matter of increasing faith. A matter of are you using it? Because you are thinking is about the faith itself. It's about what you are doing with the faith. The tensile nature of faith is what you are doing with the faith, not the faith itself. Amen. What are you doing with the faith? Look at Abraham now. The Bible say being be not weak, he staggered not. But you see Abraham, you could see the staggering. One point he says uh I will not have a child. The woman gives him Hagar. He enters into Hagar. The other moment the alza of the steward of my house. I have no hair but the steward of this my house is going to be my hair. You could see Abraham himself staggering in faith but being strong in faith giving glory to God. So Abraham had that same motions too. Hallelujah. Praise God. Had that same motions. What? So there's the place of faith. Faith can help us to be strong with the power of God. Is that okay? And the life of faith is not sense but of revelation. Mark 11:23 it says, "You shall say to this mountain, be thou remove it to see and do not doubt in your heart, but believe that those which you say shall come to pass. You shall have what you say." You shall have what you say. We speak in faith. 22 say, "Have faith in God. Whosoever shall say to this mountain, have faith in God." Have faith in God. Tell your neighbor, use your faith. Use your faith. Tell your neighbor, I can see your faith. I can see your faith. Always realize that we can see your faith. A husband can see the fate of the wife. The wife can see the fate of the husband. You can see it and say, "You are not just in faith." And don't be afraid to say things like that. Be in faith. Gloria Copelan jumped on Ken Copelan. The way you are talking, you will kill yourself. Kenneet, you need wives like that. Said you don't know this sickness is overwhelming me. I don't know. You're a man of God. You ought to talk the same thing uh Jamie uh the wife of and Mark, you need wives like that, like that with the husband. The same thing the husbands with the wife. You see those they share those stories. So you won't say that. We will not allow that. Oh, the same thing with the happy hunters. Charles and Francis Hunter. You see giving you stories of husbands and wife standing in faith and say no no no you can't say that and right there say in the name of Jesus rebuke it out of the body of the wife out of the body of the husband stand in faith faith can be seen faith can be seen faith can be used so if we are talking about being strong with the power of God should we use our faith yes sir should we use our faith yes sir should we walk by faith yes sir Yeah. And faith can be seen. And angels are released when we walk by faith. When we act in faith, supernatural beings are released by our faith. Look at all the actions of faith that different men of God did all through scriptures. See how supernatural beings were. We

will not answer thee. And the fourth one did not show up because they were in unbelief. The fourth one showed up in the fire because they were in faith. The angel shut the mouth of the lions because he say the Lord sent his angel and shut the mouth of the lions. Oh Daniel, the Lord whom you serve, was he able to deliver you? Yes. Oh king, the Lord whom I trusted sent his angels and shut the mouth of the lion. The Lord whom I trusted, I know whom I have believed. You know who you trust. The psalmist say happy is the man that has trust in God. That mean you do better if you can trust in God. And that's you you and I. And we make faith look like a passive thing. No, it's active. No, it's active. Faith is an active thing. It's only passive when is by in and by the spirit by the gift of faith and I passively in faith but actively receive the miracle. Amen. Amen. That's only when faith is passive and that's by the operation of the spirit because it's beyond the renewal of my mind. But the normal operation of faith is by the renewal of your mind. To how to what degree have I renewed my mind with God's word. That's the degree I have faith. That's the degree I have faith. I believe God's word. I believe God's word and I speak it. So when we say I want to engage influences, the angels are hearing. What are you saying in that life and death situation? What are you saying? In six trouble, yeah, in seven, he will deliver me. You just keep quiet. A God that know tomorrow. Yeah. When you are dead, he still knows tomorrow. One is is God that knows tomorrow. of all the things to pull out from your ancestor that one you went to go and pull out right pull better things. Amen. Hallelujah. Be careful what you say in your heart. Remember the birds of the air we fly. I'm hearing it. So suppose that useless club. That's what you said. I heard you. I've marked you. After this service I'm reading your number. All of you saying that in your mind I know you from those in blue. So I mention the clothes you wore supporting rubbish clubs standing in the way. How can a Christian serve devil um support devil? We are devil. What is the meaning of that? Please don't take us seriously before you say there's a spiritual say I be I be get out of here. This is not your church. Get out. Job chapter 5. We don't have mad people here. Which one is now? It's football. Which one is in the same way that you know Al is sir? Madam madam. There are no mad people here. Go to psychiatric hospital. Get out of here talking. I'm I'm wondering the people in the church that listen to that woman. You know Al is a demon. Uhhuh. Uhhuh. What is happening now? Go to school now. Ah. don't be doing this thing until we seen with passion. Same way they tricked our fathers into believing that hair is from the marine king from water and it's not wet. We is not wet. It's well in famine he shall redeem thee from death. You will eat this scripture. Job 5:20. In famine, he shall redeem me from death. And in war from the power of the sword. Did you see it? Yes, sir. In famine, he shall redeem me from death. And in war from the power of the sword. He shall redeem me from the power of the sword. He shall redeem me from the power of the sword. He shall redeem me. Remove sword. Put gone now. It's gone that they use today. He shall. You will say it. You say it, you say it, you cook yourself with God's word in faith. He shall deliver thee in six trouble. So let's read from verse uh 19. He shall deliver thee in six trouble. Yeah. In seven there shall no evil touch you. You see the way he use the word

touch. He personalize the evil because that is evil that he sent. That's evil that he sent. Touch you. I explained that uh um we have authority over all the powers of darkness and in last last year I showed you that there are beings associated with the realm of the dead and we talked about that. Then there are beings that are also associated with geographical dominion what is called territorial spirit princes of the nations. We looked at all of that as well. Thirdly, we talked about that there are beings associated with idolatry or that opposes sacra space. This is how you see the teaching of of devils in Genesis to Malachi that that the Greek text of the Bible might reation just call demons devils. So you it's but in Genesis to Malachi it is very detailed and that's where you have aazel he goat goat demons even squawking or howling creatures wild beasts liit all of those things ninth monsters noon beds presence howling creatures are being used it's associated with idolatry and opposing sacred space and that's we see it with people who worship those things and the biblical writer wrote about those things. Amen. Because they sell fright, scary, creepy. This they they sell it. Fourthly, there are beings that threaten the natural world of which we have chaos beast, which he mentions uh many chaos beast and symbols. Levian the dragon. He mentions all of those things. Job theory, thou has slain Rahab in the sea. And he mentions all of those things. We read them in our last year teaching. Then there are evil forces of nature that sponsors diseases, natural disasters, even to plague, sicknesses. And where I showed you that that word when it says the word plague and I show you in the Hebrew word that plague there in Psalm 91 is used in the Canaanite mythology even in the Ugaritic culture Syria modern day Syria and all of those regions today they worship as a deity deba that is a deity that they worship that sponsors plague that sends out those things there's a supernatural influence to some of those things which is why Jesus was so loud bowed in high. He said, "This is of the devil. This is of the devil. This is of the devil." Not, of course, not every plague is of the devil. Hallelujah. Of course. And many times there can be a collab just like the co I told you then is a collab collaboration of the wickedness of men and devils combined together. That's why it was such a great evil because two great forces combined from the lab to wickedness to fear and immediately the fear broke in the hearts of people the numbers started reducing and immedately people I beg I beg I beg we need to be traveling I beg I beg I beg you fly away because things are because uh fear has torment once the fear is first broken off and these are uh things that some persons aside from Jesus Christ try to study and they tell the the woman you have 6 month to live she began to live her best life I'm talking about a movie or a no real stories and you see and the person began to be the joyful happy no Jesus Christ so all of a sudden the sickness disappeared You see those proverbs, a merry heart, a merry soul doeth well like medicine. All those things don't have my countenance does not matter how I feel, how I think. How can your countenance not matter? Those are the first things that reflect on the body and your body reflect your countenance. You say it does not matter. Your body is basically a mirror of your countenance. That's why we can see your mood in your face. We can see it. So it can obviously affect your body. say no these are psychologist they are psyching me a

good thing we psych you now if it's so since you say I don't know some people not like good things no we like good things Job chapter 5 amen in famine he shall redeem thee from death and in war from the power of the sword did you see it sir so we said 19 he shall deliver thee in six trouble in seven even in the perfection of trouble thereall and no evil touch you. I believe this. There shall no evil touch me. There shall no evil touch me. There shall no evil touch me. In famine shall redeem thee from death. So when things are hard, you know they reach my side. And in war from the power of this world, in the day of violence and evil, cotlas no go walk. God no go walk against me. Nothing they plan go work. Their defenses are broken. Yeah. In a war from the power of the sword. The visionary shares this story every time of when they uh posted him to Sambisa forest and he sat on a landmine. True story. And I said, "Ah, wait, sir." And he he will sit stand go and he was you know when you know land miner once you move leg it will explode then say sir hey sir sit sit sit they use hand to clear the whole place s [Music] so he got up from there they picked it and threw it away and it exploded but it didn't sitting on top of the thing in the world of say I was s on top of the head of the devil not go walk you said cuz since I was young I've been saying it in famine you will be saying it all those reason it does not have effect does not have effect in six trouble in seven he shall deliver me you go eat all this kind of references people have no reference that they are fed upon [Music] in farming So he shall redeem thee from death in war from the power of the sword. Thou shalt be heed from the scourge of the tongue. Neither shalt thou be afraid of destruction when it cometh. At destruction and famine thou shall laugh. Neither shalt thou be afraid of the beast of the earth. [Music] For thou shalt be in league with the stones of the feet, and the beast of the feet shall be at peace with thee. For thou shalt know, For thou shalt know that thy tabernacle shall be in peace, and thou shalt visit thy habitation, and shall not sin. Thou shalt know also that thy sea shall be great, and thy offspring as the grass of the earth. 26 Thou shalt come to the grave in a full age. Now, this is it. I have been quoting this now for almost 17 years actively. And that's in in in quoting this and saying this and saying this. That's where one of the days I was saying the Lord said to me, "Your life is not in the sea that it should be taken. Your life is not in the air that a plane hazard should take it. Your life is not in the sea that you should drown. Your life is not in the gun. Is not in any of those things. Your life is in my hand. And when it is your time, I will take you." Amen. Amen. the seeds so that those things lose their power. Many years ago I was I uh I used to have this phobia for water river because I can't swim and one of those days I was passing this is over a decade now passing that long bridge going to worry and the way the vehicle was wobbling I said if this vehicle just tumble now so person will take that from inside of me there are rules you will walk on water or you will divide it. I said yes. They don't but the yes came out from my mouth. What I said that was the day I got the victory. I don't need to know how to swim to be delivered now. Don't put I don't put my faith on all of those. Swimming is know how to swim is good. But the divine response that's not be afraid of because I've been saying things that day it broke. I do my life is not in any of those things.

So, Amen. Amen. Hallelujah. Lord, but on the last uh flight from outside the country into Nigeria. I just looked my wife had slept off. I this woman don't even know what is happening. Everybody in the plane had come down moving around said this plane like a girl is show. I just realized that nothing 1 hour 2 hours ah somebody everybody say enter back the plane people are saying no this plane many things are not working here [Music] I shut my eyes as I shut my eyes saw they were stamping my passport that I have entered into Nigeria I is I turn to the person around I said Nigerians must be Nigerians I started moving up and down causing sin this plane is just that they not own the See this plane will not even have turbulence. He said I said you will see it. Funny enough that plane no single turbulence normal turbulence. Oh that they hit cloud was the smoothest flight. All the people that were they want to kill us. They want to kill us all slept got to Nigeria. We have got to Nigeria. [Music] We can confirm things. I have inside information. I have inside information. I I will not panic. I will not fear. I will not be worried. I will not be I will not be and funny enough that it happened to first flight from to to my connecting flight that one the plane you say we are coming we are sorry we are working on something I said today is not a this what kind of what is happening here 5 minutes after I pray the issue that they whatever they were working on I say we are ready I say ah I s baba go yeah not pray we call ah no I'm preaching on Sunday oh ah Ah, I don't see those things as coincidence. How come five minutes after I pray the plane now move from the first one and the second one? What did they happen? Sorry. Oh no, things don't work like that for me. No, I Let's be spiritual. Speak God's word in faith and power. Stand on your feet. Speak God's word in faith and power. I mean, faith is how we use the power of God. Faith is how we use the power of God. Speak God's word in faith and power. We can tell if you have faith. We can tell if you have faith. We can tell if you have faith. [Music] I will fear no evil. I will fear no evil. I fear no evil. So I will say of the Lord, refuge at my fortress. My God. What are you saying? Notice Psalm 91. I will say of the Lord. The original say of the Lord. Remove the eye. Say of the Lord. What do you say? I say of the Lord. So say of the Lord, what are you saying? What are you saying? There are things that that that should cause fear, cause panic. [Music] I will not go under. No. Uh I have a command to increase. Ain't nothing terrified of the adversary. Hallelujah. Say those things. Sometimes when you start speaking God's word in faith like that, it has not yet come. Then when it hit you in your spirit like hey you know that I have gotten the victory is that thing. That's why we say revelation knowledge is faithful. It's good to know all of those but you see when you see it when you see it the reason why we have been able to confront I I I rub the their cheek and push their head away say say put block on your head your life is in my hand I can see it I can see that you are alive by my mercy say put block on my head all flesh is but grass that's what I see they talk grass that wither away today is that tomorrow is not. Still they talk say for we are men inside your corporated building. No, there are stronger things. What do you know? What do you believe? Say I'm the owner of this area. I got up. I was sitting down before I stood up. Looked him in the eye and said, "No, you're not the one. I own this area and the

cult is head of the cult group there and the guy and I could see the gun there say you know they see let's go for our life sake you see oh because that obviously may be the jazz man that is with him say don't you see I I heard him clearly like that as a man in front of me so say don't you see David say when I Get up. Let me stand up for this matter is war. [Music] Faith is Jesus said I am he. They fell backward. He had to give himself to them. Say things like no man take my life. I lay it down. Is the way of sons. Don't be nobody know don't do that. Don't use your life to be playing. He had to even to die say I give up the ghost father into thy hand I commit [Music] die to die so hard for Jesus. It is the way of sons. Reverend freedom said when he had that accident his his his bone broke to one side. He said no no no no none of his bones are broken. That's a test for Jesus. The bone came back into position, did his leg like that and got up and left the hospital bed. What do you believe? [Music] Ran straight through a trailer. What do you believe? It's alive now. You have seen him now. How can your vehicle pass through? There was no way to escape that head-on collision. The other time he said you will hear a blast and a rumor and the arm robbers camper. They started hearing siren. There was no siren. It was the word. You will hear a blast and a rumor. It was not Isaiah said and you will go back to say where you came. Life is spiritual. Say police have come. Police have gone. There was no police anywhere. It was spirit. It's angels that are blowing this. Life is spiritual. Life is spiritual. Life is spiritual. Life is spiritual. I had pastor M in that vehicle coming back from Equ supernatural division meeting and a vehicle hit us to a trailer. We were waiting for that trailer. Two trailers were dragging. So we waited so that the vehicle will pass. The trailer will cut back. You know where they take your own lane. I'm in my normal lane. I own hazard light. Everywhere just got blank. Boom. come back. Pushed. That was still my Corolla. They pushed me into everything just blank. And we got up inside the car. Everything inside the car, the cab, all those things that need to anything that can be opened was opened. The car seat cover the back flew out. Everything scatter inside the car. We came outside. Where is the trailer? We did not see trailer again because that impact because the trailer you know when trailer you wait so the trailer can turn if they hit you and they where we were the car move forward. So when I came out from the car he came out too. We went to the back the bumper was okay. The car that hit the whole front had been destroyed. Water leaking engine scattered. I look at the man I say so and all the while we were there no vehicle passed say as we were driving I said ah thank god we have god though thank god we we talking about safety we're talking about how the angels of god keep people see angels of god kept us is not luck oh what you believe what you say what you believe what you say what you believe what you say what you believe What you say? What you believe? What you say? We're going for Reh Thanksgiving in his church in Saplet. Then the front tire of the vehicle pulled out and the car stopped and we looked we were in the side that is safe. We on the highway but when the car stop we were in the side that is safe. Even a lady that wore poor dressing you could tell she's a prostitute. When we and everybody was say how we not together I say vehicle we come a military vehicle came we entered the back seat free ride and the lady say God

is real I go serve God god is really you cannot know you you will know that there is a god that can vehicle on the highway vehicles behind us then vehicle is this way it seems that we have been seeing for something to happen he go park jib we you say all those things so don't wait until the day of where could I have said any confession it was just suddenly it happened because we saw entire roll out then as always you just look like everywhere just go blank. It is that covering it shall cover you under your feather. The rest is is that way film trick. That's film trick time. It's film trick time. You will not know how. You not know how but you are preserved. Me I'm preserved. That's the one I care about. That I'm preserved. The Lord is keeping me safe. Lord is keeping me safe. You say it. No, in a time now where there's insecurity, not for you. Not for you. I go out and I come in. You say it. You say not, hey, nobody know. No, I know. I know. I know. I know. I know. Only when I'm satisfied with my days with my angel come for me. No. When I'm satisfied with my days. No. Nothing like you can go out, but you may I will come in. Safeties of the Lord. The prayer for battle. But safeties of the Lord. The horse is ready for battle, but safety is of the Lord. Safety is of the Lord. Lord and that God keeps me safe. God keeps me safe. Saul was outside ready to kill David. And David right, I shall not die. Look at the the the where he got that psalm. I shall not die but leave. That night Saul fell into a deep sleep. That the servants of David caught the robe of Saul. A day outside somebody say I know die. He got fall into deep sleep. He says, "See, God has given us our enemy. Let's kill." He said, "No, he's the anointed. I shall not die. I shall not die. What say you? What say you?" The other time he left the house, Absalon and the rest have for shooting from his kingdom and he was going and they were mocking him and the rest were mocking him and he said, "I will return back for the Lord is a lifter of my head." Where we get that psalm, my glory don't lift off my head. He was saying it as he was going that I will come back. The Lord is the lifter of I so see I'm now king now king is suffering shame say the Lord is the lifter of my head I do not bow in shame I do not I do not no the Lord is the lifter of my head you say it oh nobody ever this me I would do it this does not ever know it will work for me say what you believe keep feasting on God's word until it dawns on you that ah truly truly some you notice how some people share some testimony of when they finally now got him say they have prayed for me pray for me but I now said that time is that thing that dying they were doing they could have done it from the get go but it's okay at least he came I say ah no what will I have done what will I have ah this is what I should have if I'm then what should I to that moment of appropriation. Everything clear. Hallelujah. Praise God. Amen. Amen. It will work. It will work. It will work. One of our sisters was sharing a story with me. You say, "Oh, that's a big money I've spent. Believe God for something like that." And I said by next week, Friday, you would have completed the money. That's just I stretch the faith more for her. I've not believed. It doesn't matter because the arrow they hand said it I shot the arrow for her before next week Friday you would have completed it that's the first time that kind doesn't matter to the spirit the power of God will bring it you believe you know when conversation switch you know when conversation switch what do you believe what say you say stand by the door by this time of

life you shall have your child I believe I believe I I believe. I believe. Have you seen yourself childless? Have you seen yourself barrying? No, I've not seen myself like that. So what have you seen? It will come to you. And once that once it comes to you, that's the answer. Nothing you are holding on to but I just trust God. That's not how we trust God. Sir, that's not faith can be seen. That's not how we trust God. You can't just uh cuz that's what we eliminate the fear. That's what we eliminate the worry. That's what we eliminate the doubt. Those are the things that attack your faith. I say of the Lord, death and life are in the power of tongues. I say it, may the forces of time and chance favor me, oh, send good speed, oh Lord. Is that not what the servant of Abraham said, send good speed? Today is that day. Qu moment. The forces and time and chance are favoring me. It's working for me. It's working for me. And that day where Jonathan won, he said it felt that that was a great day. It happened. And that became a great day. Any day can become a great day. The Lord said the day you leave Egypt, that shall be the first day of the month for you. That day, oh, any day can be the day. The configuration of time change that that shall be the first day of the month for you. Ah that shall be the first I believe God. I believe God. It shall be a performance. That's what Mary said. It shall be a performance that were spoken onto her by the Lord. It shall be a performance. I believe I believe. I believe. I believe. I believe. Faith never fails. Because God never fails. There's nothing wrong with the power of God. Hold on to your faith. It has great recompense of reward. Hold on to your faith. Satan comes from the world. He's coming for that faith in your heart. I know what I believe. I know what God said to me. I'm not going to take any other thing. [Music] I believe. I believe. I believe. I believe. I believe. I believe. So when we act in faith, we are being strong with the powers of God. I'll be a man of faith from tonight, from today forever. Forever I I I will build myself to be stronger in faith. Hallelujah. Praise God. Build myself to be stronger in faith. Stronger in faith. We heard brother shared that story. He said ah if pastor's driver at that time could withstand those armed robbers and they could not steal his vehicle. He said they will not steal my vehicle. If he had not acted he would have not had vehicle today now but he acted. So he too now has joined the testimony list. We don't know. We don't we don't do that here. We don't know. We don't know. We don't know this thing they until you try it which is not try which is used. Until you use it you will never you will still be thinking are you sure it will work? Are you sure? No. It always work. The Bible is that's why faith it will come to you. Is it that you open the book? Is it that all these stories are a lie? No. You will prove yourself Lord it will end. It will come. Hey, it will come to you. Aha. Say I know. I know. I know. I know. Hallelujah. Praise God. I believe God. I believe God. I believe God. I believe God. I believe God. I believe God. Lift your hands and pray in the Holy Ghost. Thank you, Jesus. I believe
