

will flood our hearts. Eyes of our understanding is enlightened. We will catch the spirit of what is taught. From today we'll have greater mastery in engaging spiritual forces. We make progress profit. We do well in the name of Jesus. In this service, we declare that the things that ought to be said will be said. The things that ought to be done will be done to the praise and glory of your name. Amen. God bless you. Have your seats on sin forces being wise and strong with his power. Ephesians chapter 6. Ephesians 1. Then we'll do Ephesians chapter 6. Ephesians 1 and Ephesians chapter 6. Wait till the end of the teaching. Ephesians chapter 1 verse 19. It says, "And what is the exceeding greatness of his power to us what who believe according to the working of his mighty power which he wrought in Christ when he raised him from the dead and set him his own right hand in the heavenly places. Verse 21, far above all principality, power, might, and dominion, and every name that is named not only in this world, but also in that which is to come, and has put all things under his feet, and gave him to be the head over all things to the church, which is his body, the fullness of him that filth all in all. Hallelujah. We said unseen forces supernatural forces, spiritual forces and it is supernatural influence. supernatural influences and power. That's what you say unseen forces. Supernatural spiritual influences and power. That is either God himself or the good angels, all the bad angels trying to come against you or men, good or bad exercising power. That is the unseen forces that we're talking about. Amen. And every day we live in a world that people require things to work for them. But many times things don't just work for them. Ecclesiast said the race is not to the swift. We talked about that also in the course of this series. Remember remember remember because we're rounding off already. This series is coming to an end this month. So in the concluding phases and we saw that uh the raise is not to the sweet. Ecclesiastes 9. Lift the scripture. Ecclesiastes chapter 9 and 11. The race is not to the Amen. The is not to the does he say? Should the strong not win the battle? But the strong do not always win the battle. What else? Bread to the wise. I don't know many wise people that don't have bread. Except you you are 5 years old. There are many wise people that don't have bread. nor riches to men of understanding. Favor to that guy is a skillful guy. That guy say two times Modiah stopped a coup. If you know anything about kings, they always reward people for those kind of actions. Nothing was done for him. I told you before, life does not look at your face so that you are a good person, that you are a nice person, that you are a caring person. Life does not look at your face. In fact, I said this on Sunday. The foundations are out of us. And this is not how deliverance ministers use it because it's not that text they use. What can the righteous do? And they use it to talk about your family. That's just stupidity. That's not Bible teaching at all. That's how your foundation be your father's house. That's just rubbish in scripture. But how God founded the earth is not the same thing again. How God founded the earth is not the same way again. Jesus said from the beginning it was not so. From the beginning it was not so. There are many things. Did you notice in one that the sun and moon was not for heat? Was the sun for heat? For light. The sun shall not sc that was not. You can tell that even creation itself wants to be free

from the bondage of corruption. The elements that regulate times and season are under the bondage of corruption. That's why Even the supernatural things that are assigned for the normal legislation of affairs, God is finding fault with them and telling them that how come you have not judged properly. How come you have not helped the widow? So the orphans there's nobody to help me should have been. So there are supernatural beings in the normal order. Sun, Moon and everything God created functioning the way they were supposed to function. Normal order everything is supposed to be functioning the way it was supposed to function but sin and death has pered the system. I've always I've taught this some years ago Jesus the Bible say it was not yet the time of fig but Jesus required fruit from that fig tree and the fig tree did not produce so it cost the fig tree. People often try to That text represent is it representation that Jesus was doing there or it was a physical tree always want to remove the physical import and turn represent we live what it represents. Why? Because fruits naturally were created to produce in season. It says the fruit in the global producing never fruit is not producing. So the fact that fruits don't always produce is corruption is the bondage of corruption. Yet the creator of all things stretch his hand to pl. How can you defile me? It was defiling the creator that made him cause the victory. No man eat of you again. You have failed in the function of your you have failed in the reason why you were made. The fact that this are not favoring you. It's the problem because the creator of days is your aba. The creator of this is your father. Notice has thou commanded the money. So there's the way God commanded this from the beginning. Things are no longer the way they were supposed to be. A good person can be good good and things will not work. Notice in that chapter 9 he says that wise man saved the city but nothing was done for him. That is life. That is life. That is life. The same way say I've seen an air under the sun princes. That's life. That's how life is right now. Hallelujah. We talked about time and chance. and it's supposed to be in your favor. Amen. We talked about the different supernatural beings that exist. Hallelujah. Different functions. I should never be in a situation stranded because the angels of God deliver me. They keep me from falling. They keep my feet from sliding. They watch over me less I dash my foot. So that means I I I have accuracy in my steps. I do things well. But now there are also supernatural beings that ensuring that I don't do things well. They causing me to slide them debts are not pure. See I don't just know what go be going to be. You must be five years. Anything that God have said is yours shall be yours. Maybe 12. No. No. 400 years turn to 430 which is 440 years because 40 years 400 years past 400 years they not come out from bondage. 70 years almost passed until Daniel read and saw that what was this thing? Jeremiah say 70 years old and see how much if he did not pray would not have known that it was supernatural forces that was ensuring that they stay in bondage. Immediately he began to pray we notice say from the first you set yourself to pray your prayer was heard though but they will leave me for road. Amen. Amen. We put power we put power. The believer has authority over all the kingdoms. I said this last year in our series on unseen forces. You have authority over uh the animal kingdom. Notice David. He say well I was 17 years. You

can't say he's so old and he had not 17 when he did that thing. He say a lion came and I rescued it from the mouth. I rescued it from the mat. Are you here? Yes, sir. Then he shares the other story again and said uh the Golth issue. Then we have Samson. Then we have Daniel. Daniel does not even tear lion from the mouth. Daniel just sleeps and God protect him from the lions. Hallelujah. Praise God. Whether you like this next one I want to say or not doesn't change it. Elisha said what he said and two she beers just follow those 42 youth all through scripture we see authority over the animal kingdom and is not the tread upon serpent and scorpion that one is dem that one is supernatural right not physical animal there however the man that God created has authority over all things that God made animal kingdom plant kingdom the planetary system and the Bible says in that Joshua chapter 10 that Joshua spoke to the sun spoke to the moon people said no you can't the sun does not stand the moon does not stand is the earth allowed men to be ancient because the sun rises so the fact that the sun used to rise that's what he was speaking to sun don't set that's simply what he said you make bible too hard sun don't set and the bible say it hasted not like that for a whole day said never Have God hacking to a man? You see, it shows you that gives you one clue that so if he did not do anything would not have no God can happen to a man like that. What going to be going to be? No. Hallelujah. We saw Jesus and that's why I've always said this over the years in the early life of Jesus, he present to us the kind of man God intends man to be. We see Jesus. He walks in walking on the water. We saw him give them food to eat. They say, "Ah, there's nothing." Then five loaves of bread, he multiplies it. In Jesus, we see mastery over things. It look like ah film trickle film trickle film tree. No, that's how God made man. Man was made for dominion and authority. Amen. Amen. Dominion, authority because every of the elements and ordinances that God made, he put them under man. He put them under man. And man cannot afford to walk in in in work under it. You are not under the element the beggarly elements of this world which uh Paul fun enough when he used that word elements to he connected to supernatural beings. So connected it to supernatural beings. Soh how God made this word to function then he he put the man over it and say rule rule reign and you see man I just know I just don't know no there's a normal order of things now that you are the righteous you should put things in their proper order now that you are saved you can't afford for things to just go anyh how it likes No, no. This is how it will go. I don't know. No, no. So, we talked about supernatural forces. We must learn. That is quite a lot. So, we've shared many concepts within this series. Ah, we have we have shared many concepts within spiritual. In fact, there's a day I read the book of Esther for you. You were not sleeping. Oh, we have taught many things. You see the place of of of the natural. Yes sir. You see the place of the supernatural. Yes sir. If I look at that Vashi story, how come Vashi did not come out to display her beauty? No. Display her beauty. Some of you think is nakedness. Script yourself naked. No, it's just h you know my wife is a fine lady. Let me call her. Hello babe. Queen Vashi. Queen Vashi. She not come. Why she not come out that day? She has been coming out other days when the king used to use her to brag like that.

That's it. Just let me see show let the whole world see my fine wife. It not she not come out. What did they there? That's the day she did not come out. That's time and chance. Oh yes. It happened to her negatively. Oh yes. Why should she now be removed? I not come out. I not come out. Unos and supervisors that don't have the power normally to to tell the king. He say this queen will have to get rid of her. How can they have that kind of authority to be telling the king what to do without his most beloved wife that is trying to showcase but that day still work. The king followed what they said. Say yes yes we find one new babe for you in town. You see how everything is working. Modia Modiah delivered the king. Time and chance worked against him. Nothing was done for him and even wrote it. So that means he came to meet the chronicler and told the chronicler the stories. That's why they wrote it down. Now after the fa the failed coupe he now told the written if it was uh gossip gossip the king used to know he would not be reading book. So they wrote it down but say nothing was done for him. Nothing was done for him. That's negative time and chance now. I told you when I was reading the book of Esther that God is not mentioned in that book. God is not mentioned at all because that's how life is. Life does not have to life does not present God to us. But God is always involved in many affairs. The way sup no angel or no no no any angel is mentioned there but you can see supernatural forces throughout that whole book but it's not mentioned that's life normal life you just say uh everything is just notice even to hey man wrote letter gave the king to sign king have signed it to to to kill all the Jews king not they read her. That's why Esther was very diplomatic in how she even though she had the favor of God, she was also diplomatic because the king had already signed and the king was going to overturn the king's decree because Hmon had given the king letter to sign Jasman. That's a is that one clear head? stargazer. He had he had studied the stars to see where the constellations will favor the right time to kill the Jews. And he saw it and he knew that ah this is the right time just like people study your weakness. This is the right time to get her, right time to get him. He knew this ah everything don't work finally. Not with God now. Not with a man that knows God. Modakiah. Something we have never seen Modiah do. She he finally did it. Something we have never seen Esther do in the whole book since we finally. And that's where both of them got major. Esther sees the king because she was a ceremonial wife. The king after he married her never saw her. Negative time and chance now catch her too. The other Modiah deliver king two times. Nothing was done for him. But when both of them said would say three days, three days. Modiah was praying. Esther was praying. Esther saw the king. Remember how the other queen was removed for seeing for not coming to see the king when the king summoned. Now this one was not summoned. This one was not summoned but saw the king and the king said I will give you half my kingdom. The other one that was summoned did not come and she was removed. Y lucky your luck. That's the foolishness of fools. It is not luck. How come it did not work since people often it's just luck. It's just when when God say it's your time it's your time. You may be are you 12? Only your father and mother is taking care of you. When God say your time is your time, it's a lie. That's not true. It's not

even biblical. When God say your time is your time, show me, show me, show me where he say where God says your time is your time. There's nothing like that in the Bible. Lazy preachers, lazy members, lazy which one is when God say your time is your time because one God what going to be going to be no life answers to pressure to power to force. You can only get so far in life without power. You can only get so far in life without power. Especially as a believer because the there's already evil power against you. Especially as a believer. Ah, because there is already power against you. There is an active host of darkness against you. Unlike the unbeliever that does not have active host of darkness against them, but active host of darkness for them so that they will not even know God. Amen. Amen. Are you here? Yes, sir. You know how many billionaires that have amoled tokens in their houses that they paid? Yeah. Cuz you don't do you have not how much research have you done on your top 100 billion? I have done that research. I did that for 5 years because of circular and I saw man say that billonia paid for this thing. I this one Buddhist charm now even the picture see the draw. Hey say I just it was given to me by a talisman. What you be talis man they use English they cover witchcraft. Jasmine I observe I because you see biographies writing say there's nothing like that there's nothing like that there's nothing like that that's why I always ask people how many do you know how many how many do you know how many do you know sted on the video last week of two men talking to each other I say say this man get grace unbeliever say this one say that's why he keeps moving keeps going forward say God is with himh hey this is not the community people sound talking like this noon is not normal this conversation of two dor people chop life people the chop life people that is discouraging the youth. But you the whole conversation was riddled with with power, with favor, with God, withh you know what happens in secret? You just be answering for people and say it's not by like that. It's not by like that since you have been doing is not by like that. What is your workings? What is your workings? What is your workings? Do things work for people? Yes. Now the race is to the swift. So swift people still win race. But there are some sweet people that don't win race. And many times that's why you say it's not that man's season again. That is the problem. There is nothing like it's not that man's season again. I'm always in season. There's nothing like he's not his time has passed. That is the problem that we're talking about. So why is his time passing? Why is this time passing? Is very same reason why the gospel was not made for trending. Because it's for all times. Something that is for all time should not just have one time. Something that is supposed to be in season and out of seasons, that means for all time. Something for all times should not be. It has rained five months. It has rained. No, no, no. It's for all times. It's for all times. Yes, sir. Hallelujah. Praise God. We believe God like that. We believe God like that. Amen. Amen. Let me see the book of Esther. Plenty, plenty, plenty. And how come Hmon advised her no Hmon would not have been killed? The king now went outside to go and think and came back. What was Hmon doing on the bed of Esther? God die. You know what I mean by one? where forces have entered your matter and and it was begging was trying to beg the queen I got to go for hey

and the king enter the same time that time you see time and chance the same time I have seen people because and some seated here share with me stories and I I'm seeing time and chance they talking to me say I said so what do you not do does he go for my hand? No, no, no, no. Spirit orchestrated actions. So that's what you said. So that's what you did when everything would have just turned this day. You have postponed the day of your lifting. Say I did not know that that kind of action not know papa know they pray not they know the day of a lifting you have answered harshly to somebody we're not supposed to answer harshly to I I'm I'm I'm not I'm not I I I don't have time I don't have time I don't have time I just face fruit Then there's somebody that broke through all this. Your I don't have time. I don't have chance. I don't have time. I don't have chance. And your very first conversation with the person is to sound the way you are not a marriage matter. Uh I am a very classy babe. I don't do that. The person not tell you like you it's just normal conversation but yet it was in the person's heart a person just ah conversation good oh I don't see time and chance this I'm telling you true life story because I was praying for the person it was now 38 years the person used to marry I follow go back oh see me I confirm no me I wanted her to see that she's mad So I say call because the person see her friend call. I say ask that person cuz I mentioned by word of knowledge call that person ask him if he ever loved you. She said he called the person. Ah yes now there was a day it was that day I was seen in the realm of the spirit. Oolo I talk they talk they talk and she's not materialistic but I've gone to drive don't go drive person get her for mine say oh this girl is very this girl is very mar go we will break it oh the stars over your head not that's so person I said to her you marry next year you marry next year one of our sisters like that also in this ministry I told her join a unit I said you will marry I join that unit everything will take care of itself Find it. Join the unit. Let people be seeing you. Leave all those bad boys that are eyeing you for rubbish. You want to know the story. If I say you will know because we are always announcing weddings. So I'll leave it. Life is power. I don't want to say no. You should have said no. I've seen people say I don't want to say no. That's the thing you will say no to. You say I don't want to say no. Say I'm not going to take I'm not going to push with this my degree. We have how many time oh you have even seen me in many meetings correct people like that I say no go for I say you have said in your heart that you're not going to do this can you say in your heart you're not the very supposed to do is what they said they're not going to do with the wise oh a man's wisdom makes his face to shine finish I have to use such phrases every day called me sir it's negative report they told me my organs are packed up and say and so on Sunday now come to church this year alone it is 11 persons that have called me for something like that me I keep record 11 person have called me for those kind of matter and so come to church on there come to church on Sunday there's nothing there now just believe God will heal you know nothing terrified now that's the mean that's because power we can put power on it there's no situation far gone and smart people they know how to listen they know how to pay attention they know how ah yes sir say go be amen I believe God though say on sin forces don't just

see for everything even Oh, healings. This is not supposed to go work. Oh, it to work. You know, somebody's not just lucky every day. Job said, why do you speak like one of the foolish women out there? That's why you speak one of the foolish believers out there. Somebody be lucky every day. One day jungle go. We don't talk foolishly like that here. No, I'm favored every day. Favor has compassed me round about like a shield. Say see say it is a conestim. People see me and they like me. It didn't used to be like there was many years ago. This is 2011 in uni. I was praying. I had finished praying. The next day I observed that's the year I noticed first time visible honor. People I don't know. I've just been walking on the road. You just see me just bend their head. I I know I I won a lot of souls but so I would like ah well done. So once I have to ask a do you know me say no there just something about you say there's something I say now prayer there's something I would just stay in prayer there's something there's always something there's always something even the people in the I I I really don't like if you are to favor me you will favor me it's beyond it's beyond it's beyond what you want there are People physically who are not attractive. Physically they are not attractive but people flock towards them. Yes sir. Yes sir. Who is not wise within countenance is just about face. Countenance is heart. Countenance is where the countenance countenance is heart. Countenance comes first from the heart before his face. Countenance. The reason why countenance is first from the heart. Everybody just like to be around them. They have compelling presence. They have fragrance. There just something about them. I've met some once I was somewhere with pastor Lab were about to buy a vehicle some years back and I saw I told I said I like this guy. There's just something about this guy. I was not born again. Oh, but you you see there's there's countenance. Not too long, the boy finally got born again, tries getting serious with his God and all of that. But there's something I saw in him. The devil also saw it. That's why Bab is handing to many things in the day. They show there are markings of greatness. Yes sir. Yes sir. There are matchings of people there's something about this person face show that's that's that face show shoe shine yeah that's the face used to shine and what is getting the face to shine is what we are telling you so some of those people is the person ser grandma too much grandma bless her grandma bless her grandma bless her there are people like that that's the light that shining on them. That's Sarah old, but the king is is still attracted irresistible at old age. He's still resistible. He's counting us. He's counting us. He's counting us. He's counting us. Hallelujah. And this I'm telling you, pay attention. Oh, because many many world people don't talk like this. Yes, sir. I don't know why. Oh, they talk like this. Just uh uh just turn your Bibles. Uh Genesis chapter 11. All right. Genesis chapter 24. All right. We studied. Okay. All right. Do that one year. People have real problem. Stop using teaching to ignore people's problem. Used to ignore use redemption to ignore people's problem. I was preaching for one of pastor like outside bin city. I said ah man of god you get work see your members their heads are buried in shame. As I was preaching for him I kept laying hands on him. Every session I laid hands on him. not know why cuz at the end of the day I told him I said be moving in the power of God you have turned yourself to

teacher teach teach nothing wrong in teaching Paul you will you will breathe I say if I was a bad person I will just carry all your members so every time I was preaching I always say your pastor is a wonderful pastor because as a guest minister you I must have sensor of protocol I kept directing them back to their pastor but they saw mace while I yet speak lightnings everywhere. The next time I preach for them again see testimonies like ah that last time you came I was feeling shy for the pastor. Every testimony of great thing in the church was tied to my coming say this is not good. I see second time I preach for him I see directed attention back to him again. They go force you. God has helped me from the treing floor, from the B floor. Anywhere help come. So Bible talk and they help the man from this side and they help from this side. He picked up now. Now you see picked up now. You see I picked up. Why does it take that long? I just No. No. Hallelujah. Praise God. I believe God. I believe God. So take this thing we are saying seriously. Yes sir. Because every day Job 38. Let's look at that. Joke 38. Job 38. Verse four, where was thou when I laid the foundations of the earth? Declare if thou has understanding. We read this last week. Who had laid the measures thereof? If thou knowest, or who has stretched the line upon it, whereupon are the foundations there of fasting, or who laid the cornerstone thereof, when the morning star sang together, and all the sons of God for joy. Or who shut up the sea with doors when it break forth as it had issued out of the womb. Notice what he keeps saying. Verse 12. Has thou commanded the morning since thy days and caused the daypring to know his place that it might take that it might take hold. You see the way the programming of days are done that it might take hold of the ends of the earth that the wicked might be shaken out of it. So the way God made the earth was to get rid of wicked people. But now wicked people they So the foundings of the earth, the earth was not made for wicked. That's why at the end of the day, all wicked people will be cut off from the earth because the earth was not made for wicked people. Say has command. So do you know how I commanded things to be from the get-go? Then he now gave it to man. Is that irresponsibility of man that corrupted the things? The heavens are not pure. It's in man's sin that we see Satan's sin as we call him today, Satan, devil. And we see all sin led to death and many of the other things. Failure to be a steward. Failure to be responsible. Have the gates of death been opened unto thee or has thou seen the doors of the shadow of death? See many things he's saying. John to verse 83. Knowest thou the ordinances of heaven. Knowest thou the ordinances of heaven. Can thou set the dominion thereof in the earth? Can you set the judician? Therefore, do you know how the heavens rule the earth? Then he say, can thou lift up thy voice to the cloud? Just now I looked I looked at the pastors. They understood the look when that thing was hitting the roof. Not make me stop my preaching. You didn't understand. If I stop this preaching because of you one week drought. That's what I was saying in my mind. If I stop this preaching because of this thing to now have to give command know your master this thing is so bad that when we were stopping rain because you see he say one of is part of the law of heaven. If you have gotten the secret you have got the secret. I and a brother plus pastor were in that boss and

a demon possessing lady because it was from ultrance always reveal the spirit when many you could you obviously can tell many years ago cried out in that bus this was like 2012 or 2013 cried out 2013 cried out in that bus too much we're just talking to ourselves too much every time Every time, every time, every time, every time. Stop praying. Knowing spirits have whispered to her. I mean, I will teach you like you know, but I'll be telling you many things. So, a spirit have whispered to her. I heard that now two months every time, every time let rain fall, let rain fall. We using on tree. If rain for it, it will be affect our meetings. You know how many years we use on that tree and we can count it with finger. How many times rain fair power is power. It was so bad. One of those time rain was falling. If you stretch hand you'll see rain there. If you you do hand like this rain is here rain is not here. Say it's lock. Go and be lucky now. As I heard that I turned back and looked at her. I said to I'll deal with this person. Then I heard stop the she jumped out from the I made the bus stop she speed she ran. So she heard the die we deal with her now I not cause stless we just they talk they reveal yourself I be I go use you do example I heard stop you be driver stop jump down say God save her god save her me ah no I would have made announcement hear me everybody in the bus that's I used to start my evangelism when I used to preach in bosses ah I said hear me everyone that was what is going to say Jesus I give it to him he has presence I give it to him he has courage until she come unto him shall be the obedience of the people thou are the desire of the nation the message compare willingness his name is like veteran is like ointment p for the virgins. Love him. Oh, the gospel is beautiful. It draws attention. Preach it beautifully. Sorry, sorry, sorry, sorry, sorry for taking your time. Sorry for disturbing you. You already started like a coward. You have message that elevates men. Present it like he's disturbing them. Good morning everybody. Hear me. I have come to tell you something that will change your life. Then sometimes I tell the boss I give the boss my I for as some persons do what is he trying to say the man said he has paid for everybody let's hear him out he say ah thank you sir thank you sir say listen don't preach one of those the boss will pass my junction go and drop me new be the boss driver one time I I got him body filled with his he came back and dropped me he said this thing preach it again as I'm still loading this new us just still preach it again because the god preach it again preach it again preach it again I've not heard it like this is this the same Bible is the same church is the same all those I say this Jesus I don't know why they the Bible has different Jesus it's another Jesus that they preach to you that's Galatians and and uh Corinthians now 11 I don't know the Jesus that they preach to you hallelujah Life is power. Life is power. Know as that the ordinances of heaven can thou set the dominion thereof in the earth. Did you see it? the enactment, the ordinances, how God, how things were supposed to follow starting from day and time to every other thing. There's how it was supposed to be. I should never be the one that things do not work for say the very first fish you find. Look at the way Jesus is showing normal order of things. I am never the one disadvantaged. You will compel life and the place where you own the reigns of life where you can control where you the secrets of this life will now belong to you is in the place of

prayer. That's our number two point. We said number one be strong in faith. That's how you engage power. So he said being wise and strong with his power. If you want to be strong in God's power, be strong in faith. Be strong in faith. If you want to be strong in God's power is prayer, oh is prayer. Is prayer is prayer. Is prayer. Let nobody tell you is not prayer. Is prayer. And the reason why people are lazy about prayer because I've not seen how much change that prayer does. That's why they are begging you to pray. You are thinking they are taking your time because uh for me when I want to pray I just uh I just bow my head to my father. I don't see the reason why prayer should be long. I just do uh uh bless you father. Bless God. Bless you father. I am your son. I'm here before you. Count my day. We progress and I just step out because I'm loved of my father. The works are finished is the finished work of Christ. Even prayer, you go finish prayer. Prayer is finished work of Christ. Because then why is Jesus praying dummy? Why is Jesus praying? If prayer is about the thing you are saying, that's God manifest in flesh. You no need to pray now. Are you more loved than of than Jesus? Is of his love that you are loved now. So that is God manifest in flesh and he prayed until you realize that I've told you before that prayer is not just about uh this thing change I pray for this I receive this there's also an aspect of prayer that is the release of power there's the release of power in prayer not all prayer is communion fellowship not all prayer is petition some prayer because the way some people pray is looking like it's God that doesn't want them to have it. Oh Lord, please Lord, Lord, do it because he not they pray. So he does not know that there are times you will speak to the ordinances the the year. O write this man childless. I don't read Genesis to Malachi. I stay in the episode. Read the whole Bible. Episodes interpret and apply those things you to Malachi because they never knew we will be crazy enough to throw away that part because that was their own Bible. They not have the complete with throw away one part against one part in our Bible interpretation technique. No. No. Hallelujah. Jeremiah 22. Let me give you the text cuz they will check and check and not find it. Jeremiah 22. Let's start from verse 24. As I live, say the Lord, though Kiah the son of Joakim, king of Judah, were the signate upon my right hand, yet will I pluck thee hence. And I will give thee into the hand of them that seek thy life, and into the hand of them that into the hand of them whose face thou fearest, even unto the hand of Nebuchadnezzar, king of Babylon, and into the hand of the childings. and I will cast thee out and thy mother that be thee into another country where ye were born and there shall ye die. But to the land where unto the desire to return, tither shall they not return? Is this man Kona a despised broken idol? Is he a vessel wherein is no pleasure? Wherefore are they cast out? He and his seed, and are cast into a land which they know not. 29 Oh, earth hear the word of the Lord. See the man is speaking to the ordinances. The same thing Babal will do that we now think is Babal practice to say the Lord write ye this man childless. H it's not the same thing when people want to swear for people. The same way some wicked mothers you see them hold their breast if it's not this breast you suck. Ah what did they do? Stop enacting ordinances against your child. Now what kind of foolishness is that one? But you see mothers how they used to know all

those things. We don't have to do what the ungodly do and how they do it. But to say that there's nothing like this in the Bible. No. Stop saying there's nothing like this. So you see the over against Jehovashin from 24 to 30. He will not have a child that will reign after him for the evil he has done to Israel. Because it's in his time that Israel went through captivity. One of the worst kings Israel ever had. Jeremiah said, "Yeah, O earth, write this man childless. There will never be a seed that will follow him. He will not have another. He will not have a son that will rain in hisstead." And it was so. And it was so. And it was so. Baba is by prayer. Is by prayer. So we said the place of prayer and fellowship. That's number two. Acts chapter 12. Peter was in prison. Notice what happened in Acts chapter 12 because today I don't want to tell much story. James had been taken from verse one down to verse 14. In fact, this is this part I like about this story. Look at verse 11. After everything had Peter had come out from the prison and when Peter was come to himself he said now I know of a shorty that the Lord have sent his angel and I delivered me out of the hand of and from all the expectations of the people of the So God should also deliver you from the evil expectations of men evil. God has delivered me from the expectation. So many hearts were fostering that king's desire of keep it up. Keep it up. Keep it up. So the king would not even be able to let I've already killed James now should I the many fostering thought of expectations of people join say we have to kill we have to kill Peter. Look at um have you seen people who love Jesus, who love him very well, love Jesus, die on timely debt. Have you heard of stories like that? Yes, sir. Everybody's going to tell me that if I live for Jesus, I spend my days all are you five years and every time life will be showing you. Many years ago, I still a teenager then somebody died in our church. I went to go and pray to ask the Lord why because that person was very important and useful. The Lord said to me no Christian has ever died or will ever die without me telling. I said ah sir don't do this to me. I kept praying because there are things that gives man reigns of control. You see as a priest I was res but it's in the place of prayer God will say okay this is it. I prayed and I fell into a vision and in that vision the Lord showed me different stories of different persons just like I'm a papa boy. So the same impartation fell on me that kind of way God teaches him things. That's how in that vision I I've shared this story before we have it in our messages on divine direction all those different messages on it and I saw three different persons one enter and I saw that pass that those I saw the motor park the prior to then I didn't even understand how I've never entered that used that park before so I didn't know how that park look the next day I entered the road to go to the park to see that's exactly how the park look so the cutting the story So the next day I asked the Lord was it a true story? Lord say yes. This these stories I told you are real human beings in this your city that died that loved me and followed me. So don't person kept getting all the knowledge not to go still decided to go the see let me even shock you there's even no unbeliever that have died without premonition. There's even no unbeliever that that people are so dafted these days with sensitivity. You go know now ah that the cord wants to be caught. Ah, you go know. Exactly talks about that tread. You will know the the if we know. So long story short I saw it

all the warnings even got a call refused the lady the brother the different stories. Lord said it is my prerogative to guide. You don't need to pray for me to guide you. As if no one will to look me in the face and say, "Lord, why you not guide me?" No, it is a bet right in the covenant that I will guide you with my eye. If I not want you to do something, then I will tell you. Not that so what's God saying now? That's why I did not make progress. You're just being stupid. You want to make do what you want to do. If God doesn't want you to do something, we tell you. Then there are life altering decisions that you should pray about. Of course, but how come many believers have died? Because they have areas of their life that is not for spirituality. Try your word people because you people you know I'm not part of that your word cycle. I'm not in any community. I just I belong to the Bible community. I believe in the Bible. How many of them speak that I shall not die, I shall live. How many of them speak um I go out in safety and come if you tell them safety on the road they say it's norm I should normally go out to save how many people have gone out and died on the highway take things for granted so we don't know how to appropriate things and say I live I leave you heard the story of our sister now how come the thought was coming to her oh how come it was that time. Those are the premonitions. Those are those are those are the tokens you just like the liars have their own, the righteous have his own. And God have frustrated the tokens of liars. You the signs will be there. Yes sir. That's the time then she started saying it to ah my life is not in the road is not in the sea is not and until I'm satisfied with my days I will draw my leg into the bed. Then the bike fell. Cake was in our hand. No cake inside cartoon. Cake do not scatter. Not everything is sense. How do you explain that one with your theories of sense? No injury. Back bike back cannot walk again. Batman injured. The person they carry no scratch, no nothing. Cake day. Okay. Angel go be lucky now. How many lucky people have you seen like that? Life is power. Life is power. What going to be going to be? No. No. [Laughter] So back to my chapter 12. Just said that one who benefit. It is it is James. James your man of God. James your great man of God. Oh James Bes. When we talk about the pillar of the church, we talk about James. James and John. Ah James and John PJ Peter James and John those ah Jesus right hand men inner cycle of inner cycle. Nothing can happen to James. Nothing can happen to James. Acts 12. He was beheaded. He was killed. Hey, the old church scatter everywhere. Hey, James had been killed. Oh, what do we go do? Oh, what do we go do? And when he had apprehend, so and when he saw that it pleased the Jews, you see negative expectation. Yes, that's that thing. That's why he added the two God for the expectations of the Jews. He pleased the people. He proceeded further to take Peter also tell and the prayer was made without ceasing. Look at how he guarded him. Oh, four quartian of soldiers. four squads of soldiers to keep him intending after Isa to bring him forth to the people. Are you seeing it? The same people again to kill him in front of the people so they will be happy. Peter therefore was kept in prison. But prayer was made without season of the church unto God for him. And when Herod would have brought him forth the same night when are you seeing time and chance this one you make it. That means it was the next day that he was going to take

him. But that same night, that same they were praying. That same night, Peter was sleeping between two soldiers bound with two chains. And the keeper thereof before the door kept the prison. And behold, the angel of the Lord came upon him, and Elijah shined in the prison. And he smote Peter in the side, raised him up, and say, "Arise up quickly." And his strings fell off. You see? You see it? If you don't have key, you can't open the par lock and the chains fell off as he touched him. Supernatural force, supernatural being. So, so it touched him, the chains fell off. And angel said unto him, "Get thyself or bind thy sandals." And so he did. And he said unto him, "Cast thy garment about thee, and follow me." And he went and followed me. And they went out and followed him and wished not that it was true. Everything was looking like him trick. Is it real life? Is this a vision or what? And when they had passed the first and the second word, they came unto the iron gate which lead into the city which opened to them of his own accord. As we were walking the gate open natural door then they not shut door against you say not my part of life it's not part of life it's not part of life except I don't want to pass through that door if I want to pass through the door I go open the worst that can happen that it will take time but it don't go open ah the door will open. If we say this door must open, I go open. I go open. Oh. And when Peter was come to himself, uh where is the where are we? Verse said, it opened to them and they went out and passed through. And when Peter was come, look at what Peter now said. The the angel departed from him. Verse 11, when Peter was come to himself, he said, I know of a shorty that the Lord have sent his angel. So you not not going to hear time for angel to rescue you now. Don't be doing like that. Oh, don't be doing like that. Yes, sir. You now see it. The angel said, "I am the angel of the Lord. I'm here now." Not always work like that. But see the deliverance was when he came to himself like what what really happened just now? delivered out of the hand of Herod and from all the expectations of the people. When he had considered this thing, then he came to the house of Mary. Then notice the mother of John whose surname was Mark. That's John. Mark's mother's house. That's where they were gathered together praying. And that funny enough, see again, see, oh Lord, of all the houses to go, that's not his house. Of all the houses to go, this is where you see orchestrated steps. orchestrated steps when you stay around praying persons. I was about leaving the house on Thursday. I said to my son, my last boy and I said to him, we'll see on Sunday. Ah, I said no, we'll see on Saturday. I said I'm coming back on Saturday. Why did I say on Sunday? Then I was I still said it again. It was on Sunday. He saw me because when I came they were all sleeping. The word is always correct. My wife said this one you are mentioning Sunday this one you are mentioning Sunday you see that thing you will pray to the place you always have auto correct your words your words your actions is what I'm telling you all you say is luck is lock do not be a pastor is just lucky no it's orchestrated steps I was wondering I said people coming on Saturday now so I will show that this thing slept Fast I sleep. So Sunday now they saw me say if you pray you ask why less pray we can give you the why. If you don't have one I have one for you. You know they pray. Prayer prevents poor performance. to go and die.

Oh, that's what Jesus was going to do. To go and die. He went to go and pray. But Bible said, "Then an angel of the Lord strengthened him to go and die. Baba, be strong for your destiny." Oh, it is the Lord that gave me with strength. Look at all the psalms are there. You need strength. Oh. Yes, sir. You need strength. You need strength. You need strength. Some people live uh altering moment that they need to pray. Jesus 40 days the Bible said the angel of the Lord ministered to him afterward. Angels of God. So that means was a supernatural supply that he was able to have strength throughout that journey. Be strong for your destiny. Oh yes. His prayer is prayer. Yes sir. I feel everything should not be about prayer. Everything by prayer and supplication. Let your request be made known to God. Everything is by prayer for us. Hallelujah. Nothing activates the ministry of angels like prayer. There are many others but prayer is one of the greatest. When we get to praying, angels are released. Prayer activates the ministry of angels. That's Luke 22 for those writing references down 41 to 44 where Jesus prayed. Look at that Luke chapter 1. No pun intended. Look at that Luke. Luke 1 11-14. No pun N intended. All right. Luke 1 11-4. And there appeared unto him an angel of the Lord standing on the right side of the altar of incense. And when Zachariah saw him, he was troubled and fell and fear fell upon him. And angel said unto him, one, two, go, everybody, fear not, Zacharias, for thou who is talking to him. When we pray, angels are released. When we pray, angels are released. Hallelujah. Revelations chapter 8. And I saw the seven angels which stood before God. And to them were given seven trumpets. Verse two into three. And to another angel came and stood at the altar having a golden censer. And there was given unto him much incense that he should offer it with the prayers of all the saints upon the golden altar which was before the throne. And the smoke of the incense which came with the prayer of the saints ascended up before God out of the angel's hand. Angels they gather prayer and he see it in the vision. An angel took the censer and fill it with fire of the altar and cast it onto the earth and there were voices, thunderings, lightnings and earthquake. Is this the workings of power? Yes sir. Throughout the book of acts you see an angel of the lord there was an earthquake. Don't be think that earthquake is 5.1. It's not a type of earthquake. It means I will shake the heavens and shake the earth. when you want things to shake. Yes, sir. Hallelujah. Psalm 141 verse 1 and two. Lord, I cry unto thee. Make haste unto me. Give ear unto my voice when I cry unto thee. Let my prayer be set forth before thee as incense and the lifting up of my hand as the evening sacrifice. Set a watch oh Lord before my mouth. Keep the door of my lips so that I should mind what I'm saying. Notice that's what the angel did to Zachariah there. Zechariah said ah I'm already old. The angel said, "I am Gabriel that stands in the presence of the early you will be dumb for you use mouth and kill destroy this miracle." That tells you how come there was delay. He was always staggering in faith. Though he was praying but he was staggering in faith. Though he was praying but he was staggering in faith. Though he was praying but he was staggering in faith because we have seen it in his lifestyle. So before you use your mouth to truncate this testimony, you'll be I notice when the child was being named and they were talking about what's the

name that's when his mouth opened. You know if he spoil anything again there are some people that should go mute for some time. You have used your mouth to destroy your life. Go mute in those things you say. My whole life every scatter scatter nothing ever work for me. continues talking foolishly. Stop talking like that. Hallelujah. The place of prayer. God delivered him. Daniel chapter 9. As Daniel prayed, what happened? The angel say, "I have come because of thy prayer be." Are you here at all? Yes, sir. Genesis 25. And Isaac intreated the Lord for his wife because she was barren. And the Lord was intreated of him. And Rebecca's wife conceived [Music] prayer. So she couldn't have a child. And and the Lord was interested. That means the Lord took it. The Lord. Ah this say yes what you have done. When will you entreat the Lord about all those matters? Are you here? Yes sir. Where people are looking at me. Prayer can receive things. So yes sir. In prayer we receive things. Yes sir. In prayer we change. uh Jeremiah 33:3, "Call unto me, and I will answer thee, and show thee great and mighty which thou knowest not of." Hallelujah. The place of prayer is the place of revelation. Oh, my eyes are open. My eyes are open. Oh, my eyes are open. My eyes are open. Oh Lord, that thou wouldst rent the heavens that thou will come down that the mountains might flow down at thy presence as when the melting fire burneth. That's Isaiah 64. It is the fire that causes the water to boil to make thy name known. Pow say that the nations may tremble at thy presence. Put it up. Let people that don't know Bible verse quotes see it. Verse three. When thou did terrible things which we look not for. See it. When thou did terrible things which look not for God only does things that I expect him to do. I cannot answer what I want to say because of that. Yes. That's true. But don't make life only what you want. Thou did terrible things which we look not for. It's only what I'm expected I see. No, it cannot be only what you expecting. Even what I'm not expecting. [Applause] Everything must be everything must be everything about my life is all the way I want it. No, my brain is too small. I put my life in the hand of God. That's why we say do what only you can do. Do terrible things by righteousness, mindblowing things. You see all that that wouldn't rent the heavens and come down. [Laughter] The Lord whom you seek shall suddenly appear in his temple. The breakthrough you are seeing have come. Oh out of everybody I gave you that word before I started preaching. That's it. The Lord will use you. You see is what though? The place of prayer is the place where those the the revelation will enter you. I have gotten big words, mind-blowing words about my life. Not like this. If I continue like this with the way money is entering my hand, I will not be able to achieve those things for the next 40 years. I was praying. Then I saw that Isaiah. It dropped into me. Thy sons and thy daughters shall come from afar. with the silver and prior to that year had never gotten money before. I finished praying. Do you have a dollar account? Do you have a dollar account? Do you have a dollar account? [Music] Sir, I did not forget you, sir. I did not forget you. You forgot me. I can remember what you did for me those days. Oh sir, you were the one that got me born again that time in uni. Ah you know I was my life has finished Facebook chat reconnections in the space of first time I'm sharing this in space of four months everything turned around

say you know you know in prayer as you are praying that's what will appear in your hand you will use it word will come immed told you that's my text that's the word it may not work for you because it's not revelation knowledge is person specific is different from revelation knowledge I will hit you for that unleash faith that was it and it's not about uh the visionary said God said to him I'm giving you an unseasoned basket of see that unseasoned basket it's person specific I don't need that one that one is his own word yours will come from as you are pray the light it will dawn on you that ah Ah oh nally be satisfied with favor possess the west and the south. See how pap they bless speaking I have nothing for you. I have nothing for you. Don't be so with the dam. Deuteronomy 33 verse 23. And of Napali he said, "Oh Napali is satisfied with favor, full with the blessings of the Lord, possess the west and the south." Ancient verses there. in the place of prayer kind of this one came to me January was in January as I was reading oh go possess now it became a daily occurrence and I was praying on the word that papy gave me williams gave me I was praying that this man just bless me bless me bless me for every month I was praying that text came to me I heard it recently some days ago again I say what is it? Why they know what this Bible verse two and of Napali he said oh Naftali satisfied with favor that's me fool with the blessings of the Lord possess thou the west and the south possess the west and the south leave the context don't be stupid leave context something you need trigger for faith no Bible where leave the context because what is important is your emotions are involved. If we're going to teach, we use all that text to do proper exes. But it's not it's not teaching anything that strikes that cord for faith to come in your heart. I've shared with you the story before now of how the Lord told me how to stop rain, he say you will go outside, you will speak to the north wind. It was that Bible verse on I think the north wind that drive the rain. One of my friend that know Bible more than me then now sat me down said that drive there is enough wind that brings the rain for months I could not now stop rain because that justice was affecting me every time I said the north wind that say no it's not it's not so which wind would I go to speak to as I was in that quagmire big English but the proper one for this matter The Lord said to me, "Worry not yourself about whether is north or south wind. Say to the wind, hear the word of the Lord. Obey me. Stay at the proceeding of my lip." Even go when God is giving you h the way of a prince, the way of power. Yes sir. Yes sir. according to my word is in prayer. Jacob wrestled with that angel said as that's what we're saying everything about prayer is not as a prince that has now that has power with God and men now that has you will pray oh yes sir it's in prayer we engage forces it's in prayer oh yes sir take some time and pray yes sir 5 hours is not too much for your life and destiny. Yes sir. Have you not watched him for 5 hours? Laziness don't kill you. Hey, just sit down. What going to be? No, no, no. In the name of Jesus. Oh, I step out with blessings. I step out with favor. Everywhere I go, I'm favored. The favor of the Lord compasses me round about like a shield. Woo, I'm favored every day in the name of Jesus. You keep praying. But when that sword have enter your hand, the sword of the spirit which is the word of God. When God's word have come to you, when God's word have come to you, which is revelation

knowledge, it is ah that's where you the the copeland say one word from God. One word from God. You see all those one word from God. That's where those statements were born from. One word from God. One word from God. Nova Hayes, Kennedy, Kenneth Copelan, KC Price, all of them. One word from God. See that revelation knowledge. There are many projects I can tell you it was this word that did it. It was this word that did it. There are some situations so that we don't linger long where we trying to hold on to faith. The other I told you I was not able to and as I inquired of the Lord I heard I am your healer. I got up. You see the oh let the let that thing it will strike. Is in the place of prayer. It's in the place of prayer. Is it the place of prayer? Oh, sir. You are looking at me. I'm Is it the place of prayer? Oh, yes. You will pray. Oh, yes. Until God gives you the key. Hallelujah. Am I not to you more than many songs? Am I not more to you more than many son? No, you are my husband. You are not my son. Is that anger that drove Hannah to go and pray? Because EA has been calming her down. Not see this one I'm saying now. So people now use it for anxiety and worry. Anxiety and worry is not faith. Pana was making life hard for Hannah. Pana was making life hard for Hannah. You will convert all that. Are you not tired of how situations look sometimes? Carry all that anger to prayer. Oh Lord, when when when I will not end like this, use it to pray. Where is the word that was spoken over me? Where? Where? Oh Lord. Oh Lord. Oh Lord. Oh Lord. Oh Lord. Oh Lord, I've seen people we raise them up. We carry them to climb the mount. We drop them up by by prayer, by prophecy, by power. Then they rush and climb down. With all that plenty word now here we see day. I just feel I no no no no no no no no no. Say I have sustained him with corn and wine. He is blessed. Yes. Yes. God has blessed you. I have sustained. That's what Jacob said. Say say he's already blessed. I've already s until you get restless. Where is that word that was spoken over me? Hey. Oh God, the Lord of the brakes does not rise for people like that. Oh, you will put pressure on life. Put pressure on life. Put pressure on life. Put pressure on life. Oh Lord, I not open this place to struggle. I open this place for abundance. All men seek me. They are seeing the billboard. They are rushing to this bookshop. You will march down. You'll be there. You march down. All men seek me. Which advert fish? What did he advertise? Stop being stupid. Time and chance favors people for people can see it now. There was nothing he did not have but climb up. Has it not come down? Sorry I'm saying it. Sorry if you ever watch this video, sir. Maybe you are not coming down, sir. Aquafina where is Aquafina man now because if it has already work is your no Esther was already queen but the king have not seen her ceremonial wife before you know they would have married on top of her head she would no she's she's cast aside she have not seen the king but three days they gave her half the kingdom plus decree Now you say you never pray. Now me they tell you. Let me tell you. Let me tell you. There are stories I've shared before but my brother was not around. So I'm let this is the first time you'll be hearing it. When my dad was sick and I was not around. I I I was we have a program. I I could not make it to the hospital. I kept praying for him. I kept praying for him all through the night. In the morning I sent pastor to go help me. All through the night, the Lord said to me, you have prevailed.

He will carry all your children. I will not let from today the Lord said that thing to me. I've not and I will not tell him except my brother go and tells him which he does not need to know. The Lord said his life is longer in his hand. I will go without me telling you until he carries all your children. My dad being my dad as he always is, he said some for I did not tell him cuz I didn't want him to. He said it's like he saw the Lord Jesus. Will you not see the Lord Jesus before drive you back to your body? From the night they told me I prayed till the morning. If I did not know how to pray for long, I prayed from that time till 6:00 a.m. on one spot and I was in the hotel room. I put pillow and cover my mouth. This man will enjoy me. [Music] You will count it. When you start counting in prayer, all manner of prayer. All manner of prayer. My eldest brother called me one day. I was praying. I just finished praying. He called me. Said don't tell anybody in the house. Beco just hit me. I told him nothing will happen. He said even in miraculous how he survived it. How come is the same time I was getting that prayer burden to pray? I can tell you stories upon stories in my family many that I've never shared with any of them and with different persons. It's in the place of prayer. It's in the place of prayer. They say you have prevailed. You have prevailed. You have prevailed. You are prevailed. It's by prayer, sir. Is by prayer, sir. Yes, sir. Is by prayer that they used to travel. Yes, sir. It's not by prayer. It's not by prayer. It's not by prayer. How do we have to share testimony about traveling in Africa? We don't share that story in our shut up. Get out of there. Don't see how the things don't see how they hate Africans. Notice how they hate Nigerians from traveling. You will need power. Yes, sir. The policies are already against you. You will need power. Yes, sir. That's all I will say. Oh. Yes, sir. You put power on it. Yes, sir. Oh Lord. Oh Lord. Oh Lord. Oh Lord. Yes sir. Today. Yes sir. Yes sir. Today. Yes sir. Put power on life. Yes sir. Yeah sir. Put power on your business. Yes sir. Put power on your business. Yes sir. He said, "I prayed in the front of that complex of that building." Is that not what you said to me? Yes, sir. I just envy the kind of stories is happening. The way God has lifted him. I had given him word. You will be favored in that place. You will get the job. He prayed the security man to tell him they don't used to pray here. You can shift. Don't be ashamed. He still kept praying. No. say they used to pray no year he get the cord I will still be praying at this front of this building no settle I don't want anybody God is the lift of my head oh I can't bury my head in shame no is by prayer man that's what I'm going to tell you is by prayer it's by prayer I've seen pastors that are ignored Nobody have time for them. Some people told them say people see you and they never want to give to you. Say not they open eye they look just say leave him leave him. No no no you break the heavens over you. Can a nation be born in a day? Yes. This one will be s. This one will be. Yes sir. You heard what that brother shared in mode experience. He said the one that did not even do enough marketing and advert. That's the one that move because pastor said is force. They say I kept wearing that shirt that pastor touch. You you were you sleeping in that meeting? That's the same kind of results you get in prayer too. I began to pray. You see that our brother I just like that car testimony last year. Hey all through he will open the app he will pray four hours 5 hours this must going to be what

going to be. No it's power. They're not supposed to approve for they approve everybody the family say my we don't used to do like that put power on it. God said to them, "Lord, when you come out, it will be the first, it will be the first month for you. That day you come out on it will now be the first month for you." That became the month. Exodus 12 is when you decide to come out for that you will come out and that will be the first day of the week and month for you. Is by prayer, sir. Is by prayer, man. As he prayed, his countenance was changed. Pray until your countenance changed. Yes, sir. Is by prayer. Is by prayer. Is by prayer. Is by prayer. It's in prayer we engage forces. It's in prayer. Not all prayer is give me give me. That prayer you will release power. That prayer you will get certainty in the place of prayer is the place of wisdom. The place of prayer is the place of revelation. The place of prayer. Your eyes are open. My eyes are open. Oh my eyes are open. Uh just talk to H. Let them see what they can do for you. This is not your, you know, there are people like that. This is not your level. No, nothing is beyond my level. Um, so how much do you think you can make from this business in a month? If 1 million, thank God. Do you need power to make 1 million? Do you need power to make 500,000 in a business that one event is 1 million? I know the people I'm talking to and you know it's you I'm talking to one event that you will do is is one you now you now say the whole month is 1 million the whole month is is is 500k when one event is like 500k is this how much you have no faith oh ye of little faith that's that Matthew Chapter 6 now. Yes sir. You will pray that brother pray oh your fashion house business pray. Oh there's only as fast we can carry people. Then you now learn to stand on your own feet. You will pray. Oh I have gotten word. Word of blessings already on my life. Possess Benicity. Possess Niger data. Possess the South with my business. You know they pray you just sleep lifting power. H I get promotion. I'm always favored. No. There are times where you just make those policy confessions. and monosabic confessions. There are times where you will be praying. Oh, you will be praying. Oh, you will be praying. Oh, you know that time you chatted me up about making that decision. Your thought was in my mind and I was saying I wanted to call you when I finish the program. I will call you and ask you how much is in your hand about that project. in the place of prayer not up to one hour you are chatting me and say sir I was getting that heaviness that's why I did not know which decision to make you see see life is connection oh life is spiritual s I'm looking at you before I'm seeing different things But I I am I am a content man and I just do it like this. Like you come carry come make small you not carry what you are do you not carry it and make it small. Why? Why are people like that? It's not know what is doing him people me. [Music] Amen. Amen. Why do we have to carry something big and we now reduce? When you see people that are not praying, how they are reducing things, I I say what why they doing like this. Now the the word was you come reduce you. I say I found my niche be find your niche. You come this one. I tried this ball to 250 enter my hand in the natural. Should 250 enter your hand? Should 500 enter your hand if you do with how excellent your skills are. Put power. Put power. All men seek me. It is my picture. People save in their phone. They save it. They save it and say that is the

cloth I did. So for me also they are showing other persons that your name is there the name of your business is showing on it say let me just call that company that did it think big stop thinking small stop thinking small break those cycles you're a great man I've always seen that many of you every time I look at you all I can see is greatness then you not be doing is it what they call those kind of actions. This one say they pray. So there are some persons where they oh god I have seen strangers send me money. I don't know them. Every time you have a difficulty first thing let me borrow. They get sense for life. You could not even stay long in the place of prayer. I was in conference Joshua was with me. I just I've not said I just remember that ah this one full week no money enter my hand. As I was there I say oh Lord no I put power. So every time they say let's pray and there was a lot of time to pray. I was there somebody I saw the name that person has spoken to me for eight years I saw 1 million the NJ they run around they whisper send I not get I for send now send 8 years the person noted me he didn't even see send me receipt he didn't send me receipt I just saw his name hey 8 years I march down one full week no allow at this is not good is power. Sometimes I just try to test these things be testing it on different things. Pray until the key of the city is given to you until you are the leader in that industry. is in prayer. All those good words or your husband is claim is in the place of prayer. You will now rise to that prominence. Say there are only if we can't count three persons in that VA space and not count is in prayer you will rise. You will know that ah God has given me this industry [Music] until you get there. I tell people the results we have in Hadi we can't get it other than power can't get it other you can only get it by power can only get it by power. Pray oh And this prayer we're talking about is not in the name of Jesus I no pray don't have prayer point pray until the wisdom drop. Pray until the idea drop. Pray. It was in the place of prayer that the Lord said do this business. Do it like this. what I'm doing today in the place of prayer. I say Lord I need big money not small one. You know my heart my heart has gone out to the anointed. I don't like to see God's men not taken care of. I don't like to see God's work not done. You know me money does not control me. I can give in millions. I have broken the fear of money in my life. Give me an idea. give me what to do that will cause millions to come. I was after I finished praying the Lord reminded me there was a conversation a pastor was having with you and he said this about consulting. Do you remember I said say that was when so I was even late said that was when you should have acted on it. It was not a normal conversation. That was a spiritual talk. The man had breath as he was having those conversation with you. Didn't you notice that everything was just saying was looking like was cord? I say yes. So I used to be like that too does not know how to read when circumstances conversations have shifted. I was telling my wife about somebody I said that brother has grown. He said that they will not tell you mouth. Now there are some things you will discern on your own that ah this thing not clear that's maturity you and either impartation gives you or prayer you will get that kind of discernment know that no this thing not ah this not go work this thing will not work this one will work push it like this do it like [Music] outgoing dare big things say the money is not complete.

When have we ever done any project in this ministry with the money complete? Oh you oh look at them they looking you in we have never done any project with the money you don't start project with money is the thing I learned from bishop once god command you move money will meet the vision it's only one bishop now say bishop you look Ah sir is by prayer. Yes sir. Is by prayer sir. Yes sir. We'll pray until things change. Yes sir. We'll pray until things change. Yes sir. We'll pray until things change. Yes sir. This week. Yes sir. Spend more time praying. Yes sir. If you are willing to wait for long. You won't wait for long. Yes sir. If you're willing to pray for long. You won't wait for long. That's the weight there. If you pray for long, you won't wait for long. Oh Lord, oh Lord, oh continue the next day until you see the hand of a man. It is about to rain. Pray until you see that sign that is about to rain. Don't stop praying until you see that sign. You will know. You see what I what when you see people come out for their weddings and I lay hands on them. What you think I'm giving them? Is the word that is the thing that we have already seen that is the answer. That's what they should not use to this thing has work. It has work. I will not spend up to that amount. The word of the Lord has come cuz that word of the Lord I've seen all the days circumstances and said be you will say it. You will say it. Hallelujah. Lord monkey but I don't to talk foolishly like that again. Mhm. Be comfortable with largeness. Yes, sir. Be comfortable with sir. Be comfortable. Yes, sir. Prayer enlarges your heart. Prayer. Prayer has too many things it does. Oh, um by calculation should take me 10 years. Me and you they do that nonsense 10 years. There's geometric progression and arithmetic progression. You not know mass must everything be arithmetic progression. Not everything is 1 2 3 4 5. There's also 2 4 6. There's also three 6 9. Must everything be 1 2. Is that only the numbering? You know there's 10 20 30 must not be 1 2 3 4 5 10 8 9 10 11 12 13 14 50 as no wife brought all her people in our company to come have a trading with me and I said to them you should have another branch there things you say with wisdom so that you not destroy your marriage. So it's business conversation. So I could stroke them there because I just go and be stroking like that. Say you don't believe in me. You don't love me that much. Ah I don't want any voice. So so that day I said to I said by the scaling of your business you have another branch. There was no money in my hand. The next day she sent me picture that she she saw a place. Ah I mean I'm an investor you marry investor investor in I use secrets here that I said okay later it's not up to four days now we have paid for the place it's not 2 million it's not three it's not four it's not five now the there was no money in the hand for that and even if there was not be that one I plan to use hand for but the thing was there strike oh strike there are people that should make larger steps you now take they don't used to start things with money or you start things with faith this is going to work so you jump being in the way the Lord led me while you are in the way you are in the way. Why you are in the way? Why you are in the way? Why you are in the way? It will work. It will work. It will work. I was going to buy a property and I kept praying praying and the woman said ah the other person so she she said she will take part pay payment for that property or building uh part pay payment for other persons were willing to pay she said no

no no I just she's after the country I just like that other she have not met me how they like they never meet said that other person that one you say is a pastor I prefer that talking to the agent I prefer that one to buy the property The agent showed me the chart said send the account numbers. People were putting pressure on her to send account number I paid in two months. Something that they were sending putting pressure is prayer. It's prayer is prayer is prayer. It's prayer sir. Because couple of weeks before that the lord have told me start buying properties. I know say get 20 million for account they buy property I didn't I don't need to have 20 million in my in my I didn't have 25 million in my hand at once so I told the agent look for property for me why being in the way you go pray oh pray pray I not borrow the money I paid for it Pray, pray, pray. Yes sir. Sir, you are sharing h financial testimonies. Share soul winning testimony. You that God trusted with souls. How many souls have you won? God trust you. Can God trust you with souls? Can God trust you with money? That's why God is not calm down. Don't over spiritualize things you don't know. God trusts you with souls. How many souls have you won? Why can't God trust you with money? The souls God trust you with, you don't used to preach every day. Calm down. If God can trust you with the Holy Spirit, he can trust you with anything. Stop having spiritual reasons why you will not make progress. Stop having uh in the New Testament uh based on weentric people, we don't really believe in prosperity. Talk for yourself. Your relationship people who they don't swear for. How can you not believe in prosperity? Are you mad? Say because once you get prosperity, prosperity preachers. E calm down. Don't be demonized against a concept. What does it mean to prosper? I taught you here in that message. Do don't you want things to work well? Yes, sir. Who is a which human beings against things working well? So I ser God don't want things to work well for me. How does that sound in your ear in the name of exesis? You should know when exists is stupid. You don't need any interpretation to know that is stupid exist that tries to make believers comfortable with poverty. It's not as I don't need Bible to know that one is rubbish you are teaching. Once we see perspective we be careful say ah that text cannot mean that. Why would we not mean that? Why would it not mean that it's me that is preaching it? Because you are the one having that wrong slant that once you hear prosperity you are thinking materialism. Nobody said materialism sir. You are responsible for what you are thinking sir. How come we don't apologize when we are preaching on healing? I talk I'm sorry I don't talk too much about I'm sorry I want to talk about healing but every time want to teach on prosperity we have to apologize. That's how much the priest of the power of the air is against your prosperity. We don't say I I'm sorry I want to talk about love this morning. Every time we talk about money we must apologize. I'm sorry I want to talk about money. I'm sorry to talk about sorry talking sorry always sorry when talk about money never see so you say the devil is against your money against your progress be for your progress a man wants to marry take he said the lord prosper you in your journey I've told you before I taught you in that series now progress doing that the word prosperity is from making is that a journey worked that's where the word came from s the word prosper did not come from finances came from that's

why you say prosperous new year sir which quentric does not do prosperous new year once we say prosperous new year we come Bible call this stupid why are you against the word prosperity explain what you want to explain speak against materialism speak against all of those but don't be against people having are you for not having don't be for the wrong things is over zilliousness or in followers that follow their teachers wrongly. you not carry ah me I'm for I'm for wealth once you have an apologetic position about money it will not come to you once you don't like prosperity making progress maybe I'll post on it during the week on Facebook once some I've seen some among some cycles once they hear the word success hear the words prosperity say ah let's be careful People they hear healing born again they don't say let's be careful. It's not a problem that they have been demonized. Yes sir. W to that man that his stronghold his his blockade came from teaching. The thing that is making not make progress a teaching. It's not not the devil again. That one is that's the real problem. So limiting beliefs, doctrinal beliefs is not the reason why you can't make progress because I don't think God is for my make. How can God not be for your making progress? Is God against you making progress? Put your hand on your head. Because the hand of God is upon you. Just saw the an angel of the Lord put hand on your head. So you just saw it. But you are preaching. That's the thing. Tell you life is spiritual. Yes sir. God has made a way. Oh. Yes sir. Is by prayer. Yes sir. And Isaac intreated the Lord for Rebecca. And the Lord was entreated and she conceived. Is by prayer. Is by prayer. Is by prayer. Is by prayer. Is by prayer. Yes sir. Is by prayer. Yes sir. It's by prayer. Yes sir. Have big dreams. Yes sir. In the place of prayer you have you are discerning. You know opportunities to turn down. You know opportunity to turn down. You know this is how to scale it. This is how not to scale it. this what I should do next. That that's why we pray because in the place of prayer you will have wisdom. You will know how to answer. Oh there was one meeting where I was showing you um the slots are full. The slots are full. Say no check again. I did it in master retreat. I did it in one meeting where I was having those conversational like prophecy with you guys. Pray you remember. Say it's not for me. I say no, it's for you. You must learn how to answer back circumstances. Yes sir. one of our sisters that checked the list the the the they told her say mentioned her name she said no it's not your name is not there oh somebody else by say let's check it now checked it and saw her name out of plenty person applied for it her name was among the number of people because word has gone forth Yes, I believe God though. The place of prayer. Pray until you shall no longer be called Jacob. You are now Israel. That's what we It's not just in the name of Jesus. Oh, thank you, Father. Pray until you are no longer called Jacob but as a that has power with God and with men and has prevailed. He's in prayer. He's in prayer. It will look like everything is just working for him. Yes. So yes. Hallelujah. be aggressive. That's what I'm convert all those anger, all those huh this situation have nothing change. Oh, use that O as prayer capital. Use that ah no just start from there. Start as just you will by this time this is what will happen. This is what will happen. It will be so. Hallelujah. Praise God. Did you get it? Yes sir. In prayer you command power. James 5:16 says tremendous power available.

Abby the effectual fant prayer of man athleteth much. Prayer makes things happen. Elijah prayed and he prayed again. Pray without ceasing. We never ever stop praying. Yes sir. There are many president have not entered new seasons. Is because they are not praying. It's because they are not praying. is because they are not praying. [Music] Diligence in prayer will bring you into new seasons. The day you know that the devil does his best to get you not to pray is the day you start praying. The devil does everything he can do to get you not to pray. Because if he can get you not to pray, see, take this matter seriously. Yes. Take this praying matter seriously. Oh. Yes sir. I'll pray until things change. I'll pray until things change. You know for those who wants to be mediocre they will not understand this story. But for those whose heart you know there are places you enter and your heart fail you. You break those things in prayer. You break those things in prayer. You break those things in prayer. There's no place my I enter now my heart fail me. Not say it's a mansion. It's a this. No, no, no. My heart cannot fail me because of anything. I have brought everything down in the place of prayer. If I don't have it now because I don't want to have it or I'm not pushing for it. But don't let your heart fail you because of the the giants, the mountains. No, my heart does not fail me. No, no, no, no, no, no, no, no, no. It's in prayer. You beat all those mountain down. Use your sharp treaching instrument. Use your mouth to beat the mountains low. Hallelujah. I have many words spoken over me in the place of prayer with war with prophecy. It says remember I told him say wage a good warfare 1 Timothy 1:18 this I commit unto this Timothy according to the prophet which went on before that thou by them mightest war a good warfare in prayer all those visions of possibility vision of possibility you will pray those visions of possibility you will pray you will pray oh s and it will it will shift All those pictures of greatness that you are seeing. I said this to my wife early this morning. I said any fool can desire good things. Cuz we're talking about a story. Any fool can desire say oh I like this in my life. Any foolish person can but not everybody has it. Proverbs said desire of a foolish man will kill him. Everybody have good desire. Even foolish person get desire too. Yes sir. But his hands refuse to labor. Desire of his sl say he's always wanting to have. So anybody can desire to want to have say ah this thing is so in my life. Not everybody has the the capacity for those things. Many times in prayer is where we shift to have the capacity. Look at the way I'm seeing some of you now. I'm seeing you different because of prayer eye. Because if he's normal, I say he's just a normal young guy now. No, no, no. You know, since when I've been taking care of people before I got married, I was already taking care of people. How many persons can I not take care of today? If it's there are 20, I will feed all of them. You learn to take responsibilities greater than you. Those are the hallmarks of greatness. Not see situation you fear, situation you go back. No, take on challenges bigger than you. Take on things. All of those days in prayer, Lord, this is over uh uh 14 years ago, I was walking along the road going to get get a bus. The Lord said, "This is the beginning of greatness. Pray make your way great. Make your way prosperous in the place of prayer just as much as the place of meditation. But prayer prayer. Prayer. How come the king returned the same way he came

for? For Hezekiah was not in prayer. Hezekiah prayed. How come 15 years was added to Hezekiah's life? King Hezekiah's life was not in prayer. Yes sir. Anybody telling you is not by prayer does not love you is by prayer. Yes sir. Spend spend 12 hours. I'm not giving you formulas because it's person specific unlike some person that do if you pray 9 hours you walk in healing. What kind of all those formulas? Learn to pray long. Yes sir. Pray until you see the change. That's simply what we are saying. So it's not about that I just want to pray for 12 hours for praying sake. Pray long. This relation must change. This thing must happen. I I this thing should have worked by now. How come it has not worked? Pray. Three days prayer. Look at what he did to Esther and Modiah. Twice Modiah had be forgotten. Now Modiah is a prince in the palace. Yes, you will pray sir. You will pray ma. Yes sir. You will pray. I don't have anywhere to pray. Is this not our church land? I mean they told you we stole it. You not come and stand there and pray. Say the door was locker. If they need door to pray not see pray. Oh. If you want to pray, oh, pray 3 hours, 4 hours. Learn to pray long. See the situation, my heart will not fail me. Pray until your heart not fail. When you hear things today now people tell me things, things that should make me afraid. I always answer, forget it. We have prayed away problems. That problems are now looking like nothing. There's a new one now. I'm scared for my children. You are a coward. Scared for your children. Bless them and let them leave the house. Don't be stupid. Hey, hey, hey. Nobody know tomorrow. Uhhuh. Uhhuh. Don't do like that. Fear, fear, fear, fear, fear. All your actions littered with fear, laced with fear. I believe God. I believe God. There shall be a performance of those that were spoken unto her. I believe God. I believe God. I believe God. I believe God. Hallelujah. Ah, I'm satisfied with favor. Oh, I'm satisfied with favor. Oh, naturally is satisfied with favor. I'm satisfied with favor. Favor have satisfied me. God have satisfied me with favor. Face me around. Things work differently for me, sir. Pray, pray, pray, pray. Some of you is just one day that has kept you back. One day, that one day of not praying. That one day that you refuse to to to pray that would have solved that situation. You now push your season another four years. Now made it take longer time. No, no, no. I will this will work now. It work now. Prayer. That's what that's the tenacity we're talking about in prayer. You will pray until you when you leave the place of prayer, you have the assurance. There's no way I won't get that job. There's no way that the promotion will not come. There are some of them you you pray on, you will know what to say. You call the person and say hello. So people pray, they get that motion. Place a call. Place a call. Ah, I cannot call my boss like that. Oh, they stay on one spot. Are you here? Yes, sir. Don't miss opportunities. Prayer helps you not to miss opportunities, miss seasons, miss moments. You can capture the moment. Great days. Oh, in the place of prayer. Only what my sweat can give me. What kind of life is that? That is life of of frustration and cost. Only what my sweat can give me. Don't fall into that doctrinal pit. Only what my sweat can give me. No, no. There are so many persons who have no faith. If I can do 45 years, I try uh somebody have lived up to 50 years. He has lived long now. He has tried. When who who who did this thing to you? Look at what you are bargaining with 50 years. Is that not youth? After this

series and before this before camp meeting, I'll teach you how to write your ticket with God. I don't you will anybody can come from nothing and become something. That is the benefit of the gospel. Yes, sir. Bless the Lord oh my soul and forget all his benefits. Anybody? No, we got the person born was living in prostitute. We we got the person say we can arrange the person and the person followed the ordinances followed the power of God follow the wisdom of God before you know don't get job before you know has this has say how can in 5 years life is replete with stories like that. Yes sir. I came from nothing and so stop giving excuse for your failure. Stop giving excuse for why you are not making progress in prayer. We destroy those excuses. I could have said to that sister um is normal. Ah it's a it's a strong thing. Oh let not your heart fail you. Go again. push in one month everything is complete see the people I'm even talking to they not even know is there you see that's why any fool can have desire it takes people that have greatness how can I say and the people they were like three person here and they know for them they want that thing to all be completed in one month they just look at me I be this life is a wise old s say how come this is work for this person life is perhead that day I said two weeks I did not know I was just talking based on if there something they say something is two I did not know there was anything that was taking two months or three months for anybody somebody that have sense that know that he's something like car to his life. Other people will be there. There's a brother who is getting married this year. He said he didn't used to meet me one on one. He will just believe I will see it. Then that's how many things shifted in his life. He shared the story with pastor Gloria as well. I don't know how you come and preach my message. People they get this other way. Oh go be go be take life take life take life seriously. I'm telling you, you are where you are because you want to be there anywhere you are right now in life because you are satisfied with that level. If you were not satisfied, you would have done everything you can do to leave that level. And that's what we are teaching in this series. Can no prayer, no word, no not you do something to break out from that cycle. There are many other things to do to engage forces. So strong in faith baba not strong in faith. Prayer not the pray you gift of good pastor. You are weary in life. Yeah I'm strong. I can never be weary. Ah no God has empowered me to bless to bless nations generations. I have my capacity have increased. Yes sir. If I talk to 20,000 you will know how anointed I am. If I talk to 50,000 you will see it. You will now see that is from the back people are going to start picking people. I know prayer is in prayer. Oh you will break into things. I will not be small. I will not. I will not end like this. I like that line. That line alone is enough to pray 2 hours. I even saw it among some persons also using that line. Say ah everybody that pray know that line. I cannot end like this. Untie that restlessness. Now is the set time. Until you get to that point, hey enough is enough. Things will not change. So put power on it. Put power on it. Where is that word that by now I should have this this and this? Where is that? As you are praying to break open to break open after you are prayed then you can now plan it. After you have gotten the wisdom for the next step you can now plan. But don't plan away prayer. No, pray first then plan. Don't Don't use plan to remove prayer. Don't use

plan to remove prayer. We'll pray. Things have changed. Things have changed. Things have changed. Things have changed. Hallelujah. Praise God. Amen. Amen. Cuz on Wednesday, I won't talk much about prayer. I'll move to number three cuz we are finishing this series. Like I told you the place of prayer in prayer things will change. Yes sir. Oh Lord look at him. Men ought to always pray and not to always pray. It's by prayer man. If you will do you will see it. Just pray with all the words. This week you will see that if you can do it very well in 8 days time on Monday they have promoted you. So I just note you pray then when you make the call it will be easy. You will have the border. You have the right words to say. Everything is by prayer. I'm telling you, don't rush ahead and miss out. Don't see God has ordered my steps. It's by prayer. Oh, I was just see see that you are spiritual. I was just about to point and you did your hand like that. It's by prayer. It's by prayer. It's by prayer. It's by prayer. It's by prayer. As you pray, angels are released. Lord, as you are praying, angels are there's lightnings. Yes, sir. Turn dreams. Yes, sir. An earthquake on your matter. [Music] Thou has done terrible things that we look not for. Even what I was not looking for, he did. The one I'm looking for, he did. God does exceedingly abundantly. I used to always get things exactly the 20,000, exactly the 50,000. I never used to have exceeding abundantly. I broke it in the place of prayer. I always used to get dying moment testimony when it was the last day for the payment was on Tuesday. The morning came on Tuesday. is the same fate. You used to get the payment one month before. Everything must not be dying moment. Everything must not be dying moment. Pray and change capacity. Increase your capacity. Yes sir. Your eye clear. Have you seen believers who want to put in for corporations put their mind on the top 10? I say one of these top 10 in the name of fear. No, let the faith the faith to aim for those kind of thing cannot be there. The faith for Okay. Can that's why you will pray. Oh yes. You will pray. Oh yes. God has lifted me. We can only get better. There are questions you ask. Have they ever promoted anybody? Anything that happened once can happen again. Have you ever promoted somebody that just started working here in 2 years time? In less than two promoted the president say yes now. Okay. That's thank you. That's what I want to know because where I'm going I've calculated. I need those promotions regularly. Okay. You will start maring down. Yes sir. [Music] Hey sister sir, you have put fire in us to pray. That's what I want so that you will pray. It will change or it will change. When people don't pray, they will be asking question. Every time my wife is pregnant, she will come and meet me say man of God, how will this one be? The priest me I've already prayed down. So I just be waiting. I'll tell her this is how the delivery you think is lock. The first one before the daughter wear hand glove. The second one she almost the third one she almost gave birth inside my car. Say why for pastor are different is by power. 2 minutes to get into hospital my wife has given birth. [Music] We do lock you put power. I don't have money to waste. So all my money is for generosity and and to meet my needs. I said it long ago. I don't have money. I I don't That's why I don't have money on drugs. Sorry about that, doctors. I don't have money for I don't have money for [Music] my money is for generosity and to meet needs my own needs. My own needs

for generosity. I don't have any other thing. I'm using my money for say is not lock because I was praying the Lord said as soon as Zion travail she brought forth [Music] and that's when I knew the name of the boy is Zion I knew ah this will come very fast does that text connect with giving birth to a That's what leave. Oh, that you you not correct God. This Bible verse. So I don't have no Bible again. Really say this is it. This is it. Prayer enlarges your heart. There are things I'm believing God for now. Even when I think about I say ah go you have come foul. Hey you can believe for this now. Ah God has ah prayer. [Music] If I call you now I say let's work on a 10 billion project. Yes sir. Yes sir. Yes sir. Yes sir. You know they know get yourself with strength sir. Just give about 100 million time has not does not know the protocol of greatness. You see money, your hand is scratching you. You already afraid her. I don't deserve this. That's why you don't get it. Life gives you what you deserve. [Music] Pray. [Music] Hey. Oh, [Music] listen so that you understand what I'm telling you. Listen, listen, listen, listen. Life gives you what you deserve. That's the problem. That's why h life gives you what you deserve. Life gives you what you think is your own portion. I don't really believe I I I should get much. That's why you don't get much. Observe where you are now. You will see that it's according to your imagination. You you are not living beyond your imagination. [Music] Uh give or take 10 years. Give or take 10 years before I can get a car. Give or so life will take to you. Give or take. Give or take. You add two children. Life will now add two. You say 10, life did for you. God going to come true for me. change the pictures you have and it's in prayer we get pictures in prayer I said I will be able to give tens of millions that one is not something I have given more than that what is 10 million this year alone I've already given over 60 million what is what is what what is 10 million naira it's prayer you will break those boundaries. [Music] Now the projects that I'm having conversations about my project conversations now are in billions. You break out of things. Oh yes, you break out of things is in prayer. The Lord told me you have gone beyond the envy of men. If men gather and they envious against you, they will waste their life for nothing. But nothing can keep you down. I prayed it that day. I saw my leg on heads on scores. You see, you have gone beyond the envy of men. Every evil eye. All those that hate your soul love death. You have gone beyond the envy of men. Right on your high places. In that vision. They shot at me. And they shot at me. I flew higher. Nothing can stop you again. I opened my eyes this not come. God talk to me dreams and vision. Oh don't know your own God that does not talk to you in anything. Those were shot at me. I said I woke uph. I rejoiced. I was flying. How did you shoot somebody and he flew? If they knew not have shot me. He made me fly higher. [Music] I have delivered into your hand. [Music] You like me, you don't like me. You will favor me. You like me, don't like me. Sign, sign, sign. Pastor, that brother said, "I don't really You're not the person I would have recommended, but they recommended him." The word has gone forth before is power. Recommend me. Rec. Write my name. Write my name. I really don't know why I'm doing it. Yes, do it. I really don't know why I'm signing. I don't really I really don't know why. Yeah. things work for me. Things work for me. Can a nation be born in a day? So why don't you

want to come out in a day? So it can be for you the first day of the week. Now you understand why I'm telling you about prayer. [Music] It go work. It will work. [Music] I will not end light. Here's [Music] my prayer. Lift your hands over your head. The ability. The grace to stay longer in prayer falls on you. [Applause] [Music] From today you will like to pray. Your mouth will always be moving. Take the name of Jesus. Let prayer fire fall on you. Prayer fire. I like to pray. And I will walk or it will walk. Nothing dies in my hand. None shall none shall cast you. Don't do that no to have. my younger lift up my head. Pray on this one your hand until you have the word for your destiny. Do you know that you know you do it? Heat. Heat. Heat. Heat. Heat. Heat. Heat. Heat. Heat. Heat. Hey in the way. Heat. Amen. If I ask you now that situation that has lingered long, what is God's word to you? You will tell me what pastor said. That's why I see what pastor said. If you are prayed, it would have come to you. Either you hear your own or in that word that was said, it will have more definitions towards you. [Music] We don't just leave things like that. What have you seen? What have you heard? Try and be seen or hearing something. It allows you to hold on, you know. Ah, this is it. Ah, this is it. [Music] Ah, this is it. Some of you when you tell your stories it will make others pray. Imagine you were thinking of boats that time from boats driving push. [Music] Anybody can rise and you are not there yet to know. [Music] God has compressed 10 years for you. [Music] God has compressed 10 years for you. And it has come together. Be satisfied with sweetness. Amen. I just saw it. Something that should have taken 20 years. [Music] Then it's 10 years. 100 million monthly. You will break through. Aha. You broke through. [Music] You are talking to us like we are big because you are big. It's only you that are not seeing you. I hear you. [Music] in UK is in London. Yes. Yes. We are can that's where those words come. The word is bigger than your current capacity. I said to those two lovely people that I love so much, dollar here, pound here, that word is bigger than them. But they will take it and they will now bear it. So they do life. [Music] I called my account officer. I said, "How much can this account take? Can it take 1 billion?" The account, I said, "Yes, it can." He say, "Okay, prepare for the progress." [Music] I said, "Is there a limit to this dollar account?" Say, "Ah, pastor." No, now it's you now. We open it for you. The own does not have limit. Say ah. Ah. I'm making inquiries because I'm making steps. [Music] I heard a story recently of a lady that they manipulated her life. They were using her to make progress. Some boys they use that's why they say use somebody's destiny. I've never heard it before. That's why I heard this. I thank God for that person that helped her. Sh. Now, they use people. The power of God is enough for me. You are not putting power. It's by power. [Music] I finish things that I start. You finish things that you start. You finish things that you start to stop doing what? No, I don't need to stop doing it. Oh, I'm still doing that business. I I quit. We don't need to quit again. It will work. Oh, or it will work. You are not small. is you that have not seen you. Can't we send this in across Nigeria? Yes. Can Nigeria be on your WhatsApp group? No. [Music] Think big. Think big. Is in prayer that those pictures will shift. So this thing can be like this. Possibilities. Possibilities. You are supposed to be smiling continually. That's why you

named yourself twice. The beginning one was not enough. You add the English one. Smile always. You will pray your way. You say, "Why is it not looking?" No, no, no. It does not look like that. [Music] We give you that money. Then the millions came. But don't put your mind on the woman is for this one. But the millions have still come. There is a rush. There's a rush. There's a rush. Increase your skills. Praise your tech skills and there's just something about you. Can you work with us on this project? Yes, you are working on many projects. [Music] Who is doing what they read in school in this country? You just use m I I I did not read it now so I'm not qualified. Stop talking like a fool. people ruling you. Do they have certificates? I don't I don't think I can ever rise without any Why do you always talk like you are swearing for yourself? How many of your leaders have certificates? Anybody can rise. That's enough to show you. God does not save by two nor by third class. God does not see they are first class that does not have job. There are many two and class that riding on horses. Let the forces of time and chance favor you. [Applause] Keep walking on it. I see many persons in 10 years in their hundreds of millions to billions. And we can't count five and not count you. Now, how can we count five and not put your name? We have to put your name. Some of you, some of you God has signed it and say because God have seen all the good things in your heart that you want to do for his work, that you want to do for his men. We favor you. We favor you. We favor you. God have seen all the good things you want to do. That's why we are shooting all these for you. [Music] The prophet say stand there till you have a child. Baba is by prayer. It's by prayer. [Music] It's by prayer. What shall it profit us to teach this series and you are not using it? So you are using it. Engage forces by prayer. By prayer, by prayer. Come, come, come. It's not only today you will stand out. You will continually stand out. [Music] I would like to know him. Yes. Yes, my lines have gone forth. My sounds have gone over the earth. Let your sounds go up. [Music] This priest is pushing you up. This priest is pushing you up. This prophet is pushing you up. Go up. We don't do that no here. We are many at the top. Don't do that. We are many at the top. We are many at the top. I've seen it. You see the greatness that we have seen. You see it now, brother. See it now. It's the only me. You see it now. Some of you have seen the check. I've seen it. I'm saying I've seen it. Seen that 100 million. You see it may not be much, daddy, but just put it in your pocket. You were hiding it. I saw you. You were hiding it in the suit pocket. It may not be much. It may not be much, but God has lifted you. I've seen it. I've seen you buy a car, give it to a S member and say I I I just traveled down because we are in a different city. I've not said this before, but I'm telling you I've seen it in the beautiful prayer. I just traveled down. Ah, and wow, you guys are doing well here. Say um um let's come just just follow me. You took the brother. You told him to take one car. They gave you the key you gave him. How can you be doing that when God have not lifted you? When you pray, you will have proper pictures. I'm telling you, I saw you giving [Music] some greetings to come. They are now said everybody look at It was not brother Benet and I mentioned look at what God has done for him. Look at how he such an example. Everybody say it was in that meeting that that brother wrote that check. We have seen

days before they come. I'm just watching film. I say hi. You should not count three persons in Nigeria then in Africa and not count your name. You you mean you failed. You failed all of us. You failed them because it's life and destiny is my head of you cannot count three persons in that in that v they should not count they should not count one two I know now she is the queen of that. Yes. So bring it. Let me put this bring it back. Yes. Oh, when you possess Nigeria, you possess Africa in the name of Jesus. Yes. Oh, glory. Full of blessings. Satisfied with favor. [Music] Yes sir. It's a big brand. Yes sir. Yes sir. You will build your building in under 5 years. Is not house or is modern house is your your your fashion place. I saw it just now. Let me be telling you what I'm see all this you can also sit in prayer. God has lifted you. Amen. [Music] You are very big. Oh [Music] that brother said h even with he mentioned that entertainment industry I said no have many entertainment not just that one but that one you couldn't see. So that means it was the first day he thought he was telling me something new. Oh, if you know how many things that we have seen, you know how many things that we have heard. Now pray out. If he's not shocking me, that means because I prayed for you. So the first time is you that have not seen you. It's you that I have not seen you. It's you that have not seen you, sir. See you. See you. That's why you must stop having those small pictures. Stop having those small pictures. You are not small man. You give him millions man and you are smiling doing it. Why will God not increase you? He will. He will. He will. [Music] God is a good God. [Music] And even the people watching us, I'm deliberately shooting all these arrows because many time we draw off the recording, off the recording. Yeah. Stop doing small things. Stop doing small things. Stop being comfortable to not be no and pro. Stop hating prominess. I don't want to be proud. Why? With it. So you waste all my teachings. You will now be proud because of what? Can you embarrass us like that? 100 million made you proud. What kind of nonsense is that? How small you are? Can you be proud for 100 million? [Music] You people are looking at me. That's why I don't to share some stories. So my testimonies will get you up. [Music] There's a project I was going to do. The Lord told me, give the title of it. [Music] That's what has led to what we are about to start now. See the figures where we are calling. They get attack foot. But God is a lifter of my head. That's the first one. Oh, [Music] because they are theory of such before December next year. I saw it. I saw it. There was an enterer driving from one to the other. I lifted my hand and I said, "Ah, God could only have been you." That things we say is only could only have been you. Could only have been you, God. And many of you, God is pushing you like this. But you are always afraid to pray, afraid of money, afraid to to confirm things with witness. Why? [Music] Now you bring yourself down. [Music] cannot put you up ma and you'll be coming down ma it's not fair stay up Lord what does this mean Lord how will this be you will pray your eye will see it [Music] I'm permitted to start like this but not end like this sir Yeah, that's it. We are preparing to start like that, not end like that. [Music] Be blessed. Ah, there's prayer fire on many of you. Leave Jacob and become Israel. [Music] Yeah, you need to take your own seriously and you have delayed your season. So you did not pray. Oh, you not pray. You

not pray and you are a generous person and your heart has gone now. Life does not always favor good people. See good person. Let time and chance favor you. Say good person. Why can this good person that that has hearts for people that that is compassionate me I know people I don't need to know people by the I know people by the spirit need to know one to know him compassionate for people not be bigger than this how come all of a sudden doors are now looking tight you will pray it away the iron door open on his own is you I look I said any doors you will pray for your family. Oh, the iron door opened on his own accord. [Applause] Aha. Yeah. Yeah. It opened on his own account. On his own account. [Music] Hallelujah. [Music] It satisfies me with good things. We actually change that verse. You hate good things. Say it's not really what God want [Music] materialism that is the problem not having. So don't have a problem with having a problem with things having you. That's not Ah, how did they read your Bible? [Music] He's in prayer. Yes, sir. He's in prayer. Yes, sir. He's in prayer, sir. He's in prayer, man. Yes, sir. Look at Daniel. Daniel prayed. Oh, God. I reveal secrets. Yeah, [Music] they call him Daniel master of magic. The it said the spirit of the gods. That means this man have our gods inside of him. Of course, not the old god, but the true god. That's how much Daniel had. Stop all those foolish thing of I don't like the spotlight. That's why you are retrogressing. So like the spotlight. Don't just be proud. Don't just be proud. Is I don't like the spotlight. My friend take spotlight. Notice I like to hide. I don't like to be noticed. Let them notice you. Set your face as flint. You are noticed in the office. So [Music] you know your boss can call you and when they call you now change the voice say man of God how is this thing going to be you go to the office you can't live like man of God you think man of God is only in the church you are a Christian and he's asking you you are saying e I know how this department work I know no it's not department he called you for that's why your boss call you man of go in the office is that what you are doing the office you will now they will now tell you you should know that he's asking you man of God let your god help us in this company those moments come oh those moments come and know that ah you will tell him that things I've done you tell you will go up. This thing will work. [Music] I started it by praying for my father like that. You will be promoted. No, this will work. Pray start it for different things, different persons. We can use prayer and push people. Push people. Push people. I mean, I can be doing something I will not tell you. you will have else. Give yourself to prayer. We can go bigger than this. It can get bigger than this. If you are tired of how things are, use that anger to go and pray. If you are dissatisfied with situation, use that anger to go and pray. Use it to go and pray. Use it to go on. God is your God. Yes, sir. I bless you. Be satisfied with favor. Let favor satisfy you, sir. Satisfy you, ma. In the name of Jesus. This morning again with the tongue of blessing. and I have blessed you. [Music] Run and not be weary. [Music] Have mindblowing results in the name of Jesus. Have mindblowing results. shall be said of you what God has done, what God has wrought in the name of Jesus. Amen. God has changed our story. God has done us well. There are 57 of such blessings even now. I can the power of God is burning on me. You can feel it. They like this. There's oil in your head though.

God has changed your countenance now before people. You are the loved. You are the celebrated. You are the wanted. [Music] We will not sit down until he comes, until she comes. You are sought after. Your vibes have changed though. You are always loved and favored. Be satisfied with favor. [Music] Be satisfied with favor. [Music] God has done you what we look not for. That's what he has done for you and your family in the name of Jesus. That's what he has done for you. In the name of Jesus, [Music] deny her not the increase. Not the increase. [Music] Did I not that family? The change the change of Yes. [Music] You can't end like this. You [Music] there's all your head. Do your first works. Do those things you used to do before. They're now greater. I know I don't wait. I take it by the horn. Take the bull by the horn. That's how God has favored you. Take it. Take it. [Music] Don't apologize to life. Make progress. [Music] The angel would be done to both of your families. There are things that have your mom will carry all your children. Don't punish the devil. I catch that arrow. I break it. Satan is a fool. I've been waiting. I said, "Why am I getting the restraining force to not go and sit down? You send the arrow now. Your mom will carry all your children. What the enemy meant for you?" Stagger and fall. No. Oh, this priest is alive. Oh, my my eye open. [Music] Break the arrow. [Music] will shoot you into greater steps. Make progress. It can only get better. [Music] For the pillars of the earth are the Lord. Woo. That's how Hannah is praying by. She now knows say for the pillars of the earth are the Lord. Hey, [Music] by strong hand by strong hand and it's falling in place. [Music] Top 10 tech founders top you know they ever put why don't you put yourself in those numbers sought after writers you know they put yourself why stop thinking small let Jacob become Israel one of the things that we have not spoken about yet but we've talked about in many is the hands of the anointed stretch towards you that one is also how you because he if you not work and you won't go walk. But at least your own angels they walk but that will not become laziness. You now combine the two. You will pray. You will add what your man of God have said and push you. You will now know. I beg you this week because that thing I released on you last week is continuing into next week Sunday into this week Sunday this next week Sunday to continue into it only this time pray more do 4 hours is not insia I don't know why I don't feel like sleeping don't sleep pray the next time you have that feeling you don't just feel like sleeping Pray till the morning. God is teaching you the way of greatness. You are saying I don't just know why you not force sleep. Don't force it. Pray be sleep. Pray and fall asleep. It may take you 3 hours just be praying. Yeah, I'm talking to people here. The next time that prayer burden God was putting on you, if you had prayed that prayer in the morning, you would have seen the breakthrough. The Lord of the braves has reason for you. [Music] Just like he wrote for David and the dream of Israel are breaking forth say peris [Music] take but you get breakthrough but that text of scripture say God has broken the lord of the bra has risen for me [Music] like this in many cities in the name of Jesus. [Music] I start things and I finish it. Yeah. Thank God I saw you. Yeah. I catch it. [Music] That's the same way you yield to those motions. [Music] Yeah. [Music] Hate mediocrity. Hate mediocrity. Hate smallalness. Can a man love Jesus and have

things? That's us. Can a man love Jesus and be rising high? That's us. Do I look like I don't love Jesus to you? That's why pastors must be an example of these things. Hard work. I did prayer I did. Power I did. I have excuse in school. You can be having millions and is and it's not because you did fraud. Is there money in fraud? Why they not in the top Forbes list? I beg all the Yahoo plus he could not use it to have 100 million in the account. Even common 100 million could not have. I beg I beg you. Yeah. After eating could not amount to anything. I beg I beg those are stupid people. There's something greater. [Music] God has exalted your horn. You know people think that when God exalts your horn, you will know he's not a nice God. My he not when he does, you will know. You will see the difference. Why people say my business? Yeah. You are in that season, sir. You are in that season, sir. I see many of you Follow the protocols of greatness. Oh, [Music] pray. Yes, sir. Be a giver. Yes, sir. Follow all the protocols for it. Yes, sir. When God is pushing you to do G say no, no, you can break through all of those things. [Music] Send 1 million to your dad. Send 1 million to your mom. You're not going to die. Do good things. Don't let money make your heart tight. Help your brothers. Help your sisters. Push the work of God forward. [Music] Hey, God is helping us [Music] and all those that watch this video, his fire will be stirred up in them. We pray we engage supernatural forces in the name of Jesus. Thank you Lord. Hallelujah. [Applause]
