

Shadow parasoto shambbeond shada. [Music] Amen. Father we thank you this evening Lord again we thank you for wisdom. Thank you for revelation knowledge again that will flood our hearts this evening. We declare that again in this service we walk in the light of your word. There is no confusion or full of wisdom and direction. We declare that the things that ought to be said will be said. The things that ought to be done will be done to the praise and glory of your name. Amen. We shall be edified, built up, transformed by the power of your word. Amen. Amen. God bless you. Have your seats. Unseen forces and we will delve right into the matter. We have looked at quite a lot of things. to looked at uh quite a lot of concepts within this um study so far. Ephesians chapter 6 and we will just proceed from there. Ephesians chapter 6. Ephesians chapter 6 and we'll read verse 10. Ephesians 6 and verse 10. Ephesians chapter 6 and verse 10. It says, "Finally, my brethren, be strong in the Lord and in the power of his might." Notice the word be strong in the Lord. Be strong in the Lord. That is in the power of his might. So it's possible for believer not to be strong in the Lord. So he says be strong in the Lord. Uh the Bible really the wisdom the instructions are so simple for anyone to take and use in their life. Be strong in the Lord and in the power of his might. So that means it is possible to be weak in the Lord and it's possible to be weak in the power of his might. Come on. All right. So he says, "Be strong in the Lord and in the power of his might." Then he says, "Put on the whole armor of God." The panoplia, "Put on the whole armor of God." Speaking about how a soldier is fully dressed for battle. In other words, be fully dressed in your Christian living that you may be able to stand against the ws of the devil. The ws there is the word methodia, trickery. trickery, corniness. Then he says, "For we wrestle." For we wrestle. So that means you have no choice in the matter. You're already in a wrestle. For we wrestle. It's not I don't want to. It's not a suggestion. It's telling you for we wrestle. So either you are winning in that wrestling or you are losing in that wrestling. But we wrestle. So it's not I don't want to. Sorry. You you don't get to choose if you want to or not. For we wrestle not against flesh and blood, but against what? Principalities, against powers, against the rulers of the darkness of this world. Against spiritual wickedness in what? Wherefore take unto you. So notice what it says. For rest not against flesh and blood. So who are we rest Lord but against principality and powers. Hallelujah. And uh this is can be so uh amazing sometimes that you may have this idea that I don't think I'm really wrestling against uh spiritual wickedness. No, it's just this man. It's just this woman. No, you must learn how to take authority spiritually, especially when you most believers, funny enough, can't even tell when a thing is of the devil. Such is how much they have dulled their senses. They have no sensitivity at all. They have the sensitivity of an unbeliever. Many believer and I wish I could say some many believers have the sensitive that if something is of the devil they will not know. If they are about to make the decision that their life will be destroyed they will not know sensitivity. They live like unsaved men very away from God's spirit and away from anything of God because it's just a register that they marked that I am a Christian but in their life they have never lived like one they don't so there's no place of prayer no place of meditation no place

of thinking on God's word no place of surrounding yourself with godly friends where they talk nothing is Just mark the register. I am a Christian and play. Just play your You were born to play from movies to movies to enter. All manner of entertainment. From there you hang out, you come home, you sleep. The next day again I am a child of God. You continue again. Many believers cannot tell. Just on uh a Monday here, I was I was so shocked. I was telling the brother, I said, "So you couldn't even tell at all that this thing will put you in trouble. Let's not go and get there in our life. So many people get there every day. couldn't tell that this thing you are about to walk into is the thing that they have signed. How can you not know those are you don't need to and that's where we now turn Christian into a formula kind of thing that if you don't pray 3 hours in a day don't it's not about like don't pray one year is that there is a something wrong with this sensitivity must it's not just about set a law now so if you do two hours every day you'll be very sensitive if you don't do two hours every day you will not be very sensitive not be so they It's not about the 2 hours, 3 hours, 5 hours. It's about your Christian life. Are you a Christian in practice? Do you hear from God? Do you does God speak to you? Do you interface with God about matters or you are just is my Lord, but really you are your Lord? Because if he's your Lord, you don't need to ask him. He's supposed to tell you. is the same thing in people asking for specific direction. Lord, Lord, should I travel? Lord, if he does not want you to travel, he will tell you, Lord, uh we we make it look like God is just going to let us. So that's first I always ask people what is the inward witnessing then you now know that they are not saved. They only saved in register. say, "I'm not getting anything." Aha, here goes the believer. I'm not getting anything. How long have you been saved? You're not getting anything. We shouldn't be This should be the reason why you doubt your salvation. You know, in what witness, you may not be a child of God last because we are pampering unbelievers to believe that they are believers because there's a witness in our spirit that tell we are children of God. So that witness cannot even speak to you in any matter. say maybe it's because I have not been praying. Stop. Stop this thing. Stop it. It's not just about you have not been praying. It's that maybe you are not known of God. And it may be you are not known of God. Please do not take what I'm saying to be that I'm joking. Oh, when you engage with many believer, of course, it's funny for us who take our life seriously. It's amazing how many believers don't get inward witness. Inward witness is not exposed to any fact, no fact, nothing, no nudge, no no direction, no anything. How? So it's a matter. So if you to tell them how do you not know that this conflict is from the devil? This is not life. Now there are people who have pure devil is after them. They said h it is I mean the sovereignty of Godh sovereignty of God for this matter God is the maintainer of my lot for this matter as you yet spoke the issue while you were yet speaking about the issue we already could tell that this one is the devil you are we are not even it's not even about we didn't even wait for the inward witness while the word was in your mouth was obvious this one is devil then there are some issues like I how can uh you not know that every sickness of the devil whether is devil that caused it literally if it's a spirit as long is not a good thing

that now is just basic knowledge of God's word you say maybe God is teaching me a lesson this lesson you want to learn you will learn it So, so it says, "For we rest not against flesh and blood." I'm telling you cuz you must be able to tell the difference. Must be able to tell that who is speaking through your husband now is the devil. You should be able to tell that who is speaking through your wife now is the devil. You able to tell now that the way that lecturer is talking is the devil. You should be able to tell and people can't tell that difference that this one know. Just step back a bit and rebuke that devil and you'll see the person will may not remember what they said may tell you something else automatically. Amen. Amen. There are some issues you should be able to tell, but we will take it to the person. We'll make it a person specific issue that anything sister divine is doing to me, wherever she is, leave her alone. Deal with the many times, of course, there's nothing she's doing to anybody and beside it's just a wasted prayer you are praying against a Christian. Aba for we wrestled against flesh and blood but against principality and powers. So he didn't say I choose to wrestle I choose not to wrestle. He says for we wrestle. That means we were born into a conflict because you are in the light. You came out from darkness. Satan is not happy that he has lost you forever. So he would do anything to frustrate your life. Always know that Satan is not happy when you are joyful. Always know. You see these are basic things. Always know that Satan is not happy when you have peace. always know that you say if God is really my God, how come all of a sudden I'm just noticing that Satan's work is to steal, kill, and destroy. That's his word. That's his work. That's that in fact his operation is so specific. All of a sudden my happiness just look like it's taken away and you are still thinking is is is normal just wake up and just I feel like I'm a failure. Where did that thought just come from? No. Now you should you must have a warfare position in life. And that's where that word comes from. must have a warfare position in life because that's why you have that faith that no nothing will make me not to be joyful. No, nothing will make me not to stay in peace. So that anything that tries to steal your joy and your peace can be from God. That is already against the living of God's spirit. Now of course there are different levels of something is from the devil. But anything that is not of God and is against you is obviously of the devil. And there are different degrees it is of the devil. It may not be a direct like uh u people gathered and said some things against you or a direct attack from spiritual wickedness against you. No, it could just be when we say it is of the devil, it could just be of the devil in the sense that this sin has no bearing from God. So it's not like a deliberate okay now let's steal her joy. Okay now no that will happen once in a while in your life based on how serious you are with God or based on how much you want your life to be destroyed anyone. So you can't decide to say no no no I don't want to be serious with God so I will leave me alone. That's actually Satan dealing with you. that in fact that kind of thinking is already Satan already has done a great work in your life. It's just the result he's waiting for. So you can't choose any side. You can you can't say I don't want to be that lukewarm place is the most dangerous place. It's even better you were cold. But that in between ah because if you are very serious he will come against you.

If you are not serious at all he has already come against you. If you are in between ah you will never know when he has already started destroying you. So the first and the last very serious not serious. It's very easy to tell that one but that one that is in the middle is always the hardest part. Even God say we spew you out of his mouth for that one. Don't know where you are. Let's know where you are. For we wrestle not against flesh and blood but against principality and powers. Hallelujah. Against principality and power. against the rulers of the darkness of this world, against spiritual wickedness in high places. Verse 13, wherefore, wherefore, take unto you the whole armor of God that you may withstand in the evil day, in the day of contradiction. Remember if you been evil, if you been on setting, if you being human, if you that is prone to uh facilitating, going back and forth, man that is prone to oxilation, moving to and fro, back and forth here and there, if you So it says, wherefore take unto you the whole armor of God that are able to withstand in the evil day, So that day of contradiction always come. It's not it's not uh it's a matter of when. It's not a matter of if it will come. No, it will come. Don't worry. Prayer will not stop it either. If not, it would have stopped for Jesus now. It's just life. There's darkness in this world. So you have to resist. Everything is finished in Christ Jesus. It may be the Satan that is giving you that reality of everything is finished in Christ Jesus because he wants you to really be finished outside Christ Jesus. Everything is finished. So that's why I don't read my Bible. That's why I don't pray. It's really everything is finished because Calvary covers it all. It have really covered it. Wherefore take unto you the whole armor of God, that you may able to withstand in the evil day, having done all to stand. What does he say you should do? Having all to stand, he say stand therefore. Having your loins get about with truth and having on the breastplate of righteousness and your feet shed with the preparation of the gospel of peace. Above all, taking the shield of faith, wherewith you may be able to quench all the fiery doubts of the wicked, and take the helmet of salvation, and the sword of the spirit, which is the word of God. Verse 18, praying always with all prayer and supplication in the spirit, watching the with perseverance and supplication for all saints. We end in verse 20, which is where the full stop is. and for me that all trans may be given unto me that I may open my mouth boldly to make known the mystery of the gospel for which I'm an ambassador in bonds and therein I may speak boldly as I ought to speak. So the subject of warfare is one of the most abused subject and we did start our teaching with that a bit uh when we started this series we read second Ephesians chapter 6 2 Corinthians chapter 10 verse 3 and 4 it says for though we walk in the flesh we do not war after the flesh for though we walk in the flesh so what does that mean when he say though we walk in the flesh for though we live in the flesh did you get Though we live in the flesh. So in other words, though we are humans, though we are humans, though we live in a human body, though we live in this world, we do not wage war the way the world wages war. Did you get it? So though we live as human beings, we do not live according to we do not wage war according to those human standards. We do not war after the flesh. Then he says, "For the weapons," notice what he's calling warfare. Is he in my Christian living? Thank you. For

though we walk in the flesh, though we are living in this world, we do not as Christians, we do not war after the flesh. That is our life. We do not war after the flesh. Then is verse four is in the bracket. So that means you can read three into five. For though we walk in the flesh, we do not war after the flesh, casting down imaginations and every height and exalted self. So notice the direct. But bring in the verse four. For the weapons of our warfare. So the weapons of our warfare are those the arms we use in fighting. Yes sir. Thank you. The weapons of our warfare. So we are not using human weapons. The weapons of our warfare are not kana. Cana in that sense is human ab is that what it means of the flesh. But it says but mighty. The weapons that we are using but are mighty true God. Are mighty. The weapons we are using are mighty. mighty true God to the pulling down of strongholds for tearing down strongholds. Tearing down strongholds. So if Satan is smart, what is he going to use to defeat the believer? Will be these things. And that's why he uses it because he smart in in the way he he has studied human beings. So he will allow you have strongholds. He will allow you have imaginations. He will allow you have high things that exhaust itself against the knowledge of God. Notice 4 into five strongholds. Pulling down strongholds casting down imagination. So pulling down strongholds. Secondly, casting down imaginations and every high thing that exalts itself against knowledge of God. So high thing ex of God and bringing into captivity every thought. Fourth thing, every thought to the obedience of Christ. The fifth thing, having in a readiness to revenge all disobedience when your obedience is fulfilled, allow you live a life of perpetual disobedience to God, his word, his leading, his prompting. So very very clear, we do not war. So the weapons of our warfare are not can but mighty through God to the pulling down of strongholds. So now spiritual warfare is one of the most popular topics today for many persons and it's it's it's so bad that when Christians think of spiritual warfare what comes to our mind is deliverance ministry or exorcism or a certain type of intercession. Now is there such a thing as confrontations with evil spirit with the believer? Yes. Can a believer confront evil spirit? Yes. Is there a provision for that in God's word? Abundantly. Is that what the Bible calls spiritual warfare? No. The only reason why it may look like that is because when we pray that is warfare. Prayer itself is warfare because prayer is part of the weapons of our warfare. And prayer is not just because there's a problem. Prayer is for my living. That's the reason why it looks like so when we say huh brother you better fight or fight in prayer. So say okay. So every time I pray I now feel like my prayer should be about the devil. The devil the devil. No that we talk about that there are which is also the challenge with always wanting to address God in prayer. always wanting to address God in prayer when God himself is telling you, "Oh boy, address this issue." Notice the Mark 11:23 and 24. Very simple text of scripture. Abi from 22. He say, "Have the God kind of faith or have faith in God." The margin says, "Have the God kind of faith." The faith that is of God or from God. Then he says, "You shall say to this mountain, verily, you shall say to this mountain, be thou removed." Notice who what you are saying. Who are you speaking to? Notice he didn't say you will tell God about the mountain. Notice

he didn't say you will tell God about the mountain. Is that what he said? You shall say to the mountain, "Be thou removed. Be thou removed. Be thou removed and be cast into the sea. And do not doubt in your heart, but believe that those things which you say shall come to pass. I'm not believing God. Yes, sir. I'm not believing God. Yes, sir. I'm believing that those which I say shall come to pass. What does he say? Say, I will have what I say. So, what am I to believe? I'm to believe what I see. I'm to believe what I say because he's talking to a man that already has faith in God. So he cannot be telling you to go have faith in I already said in verse 22 have faith in God. So you already have faith in God. So what you are to believe is what you are saying that what you are saying will come to pass. The same way in receiving prayer or receiving uh uh declarations from a man of God, you must believe that what he is saying will come to pass. Since you did not believe your own, you will believe his own will come to pass and you will have it. So you shall say to the mountain, oh that is it. Verse 24 now says there whatever thing therefore whatever thing you desire whatsoever thing you desire whatever you desire in prayer he say you should what believe you receive it and you shall what whatsoever thing you desire whatsoever you desire in prayer whatsoever you desire I'm to believe and that's how I receive it notice again it doesn't mention God amazing reason that he's talking about prayer there and God is not mentioned because he's trying to show you that you must know how in prayer. So he talks about faith then he talks about prayer because there is acting in faith that is not prayer then there's also prayer of faith but it combines the two there because there is the prayer of faith. Hallelujah. There's speaking in faith there's prayer normally. So whatever thing you desire when you pray believe that you receive it and you shall have it. So in prayer I can speak to things in prayer. Many times people have this idea that every time I want to pray I'm I'm addressing God. You are not always addressing God in the place of prayer. You are not always addressing God. No. And you shouldn't always address God in the place of prayer when you know there are speak today is a great day. You can also doesn't stop you from saying God help me today that today be a great day. I can also speak to the day itself and say today hear the word of the Lord. That part Christians don't even know that part. Some Christians don't want to know that part. Speak directly to the circumstance. speak because many times some issues are just pure you not speaking directly to the circumstance of the issue. You must address those circumstances directly. We have been trained to always want to tell God about our mountains instead of speaking to the mountains. And many times these are the reasons for delaying seeing some answers because you have been praying the wrong way until maybe after 30 days of going through that issue inside it you now remember you now started saying in the name of Jesus I declare this thing will not this thing stops now now you are finally addressing the issue last the angels of God because you were now serious cuz you when you started saying it were not serious then when you now believed what you were saying you say ah this in fact is enough oh Oh, it's enough. Oh, it's enough. Ah, it's enough. In the name of Jesus, I command this thing to stop. Now, I prayed for 20. You did not pray for 20 days. Is the last

three days you started praying. And maybe it was now that third day where you finally now said in fact it's enough. That's where you did not doubt again in your heart because every time you were doubting, you were having two thoughts on and this is where most students just log off because it's now involving you. That's why I say no no no I prefer all these finished works church where everything is finished. You see the challenge now because but yet there's the tensile nature of faith. Jesus say little faith, weak faith, great faith. That means I must learn the way of faith. And every one of us different areas or times in our life we have been thrown into different situations where all we had was our faith. If you are throw in those kind of circumstance, blessed are ye that if all you have is your faith in God. Those are the days you will learn that faith is enough. There's no other places help will come from. There's no other places help will come from except God. Ah you will now know that faith is enough. You say no faith is faith is enough. God is enough. But he chooses to walk with men. chooses to walk with us in our relationships as well. So spiritual warfare now being called casting out devils. It's uh a big distraction to the body of Christ. These signs shall that believe. Remember the Mark 16:17 this believe in my name they shall cast out devils. So now there's this strategic level spiritual warfare people SLSW people that have this notion of territorial spirits. Many apostles are involved in that thing and they believe that they are powerful highranking spirit that you must fight physically be if you don't mention their name in prayer. Oh, this spirit of this area. Oh, this spirit of this. Now, is it that now of course some other person go to the extreme and say there is nothing like spirit. Now it's always extremes people. Is that this versus this? What if it's all of them and it's just how you are explaining it? So they go so far. Now something that is very clear fundamentally in the scripture is that confronting confrontation of the spirit world isn't the pattern that one sees in the New Testament in regard to the defeat of principalities. We don't see there's no text we have in scripture where the apostles gathered and they were saying oh princess Diana of Ephesus leave us alone. Oh we don't have any of such rhetorics of failure or defeat. We don't have any of such prayer where they are saying oh bal oh bibop we don't have any of such and if there is no such record like that that's something to think about is that none of them ever did warfare is that there was no enemy against them then we now have the same apostle telling us that many times I wanted to come to you but Satan with me so it's not that he does not know that Satan can be an opposition against preaching the gospel in places but never did they give attention to the devil. They say resist the devil give no place to the devil. They never made him something to be terrified over. But this proponent of this SL whatsoever they are naming I had to write it down so I will not forget. Uh strategic level spiritual warfare there sect and a group in the body of Christ of which your die people belong to as well. They have to be uh very large following they have in the body of Christ today and they all believe the same thing about this warfare. Hey, what are you waiting for? Hey, so and it's all about there's this devil, there's this devil, there's this devil, there's this devil and it's something that leads to this idea of are there somebody asked me say there is nothing like uh generational cost. I said,

"What about those that have been caused generationally?" He say, "No, no, no. That's not what I'm saying." What are you saying? Saying, "Are people really caused generationally?" Are you five? He say, "Uh, no, no, no. I don't I believe it's just um um it's just a pattern of thinking. Is that not generational course that you have just identified how they were caused generationally by pattern of thinking?" No, no, I don't really think there's anything like that. is different from saying it cannot catch a believer. You know people don't know how to speak. Say there's nothing like there's nothing like ancestral causes. What kind of sound doctrine is that one? That's not sound though. There's nothing like you think the devil is playing in the life of people. I don't understand. There is such a thing as that. That's the benefit of the gospel that the believer's heart should not fail him over that what are we going to now do that know Jesus now once your heart failing we should introduce Jesus to you because it may be you are not saved because that's the game changer that if any man be in Christ is a new creature because in Christ Jesus I have authority over any and every of such things so I do not start from defeat so anything they did in my family my pattern my lineage anything that they It has already stopped that I met Jesus. Yes, sir. From that day, I'm Satan's master. I'm his lawful master and he's my lawful captive. Yes, sir. And I must know that. Not knowing that is what Satan now uses his whole warfare against you to do to ensure that you don't know that. Yes, sir. Sooner people realize that when Satan knows that you are for truth, he would now want you to have a wrong truth to find because it's not everybody that they are stabbing me that it will work. Now can you stab me against us? It will not work. So the way he will now stab me that will work against you is to get you to believe that God has given you a turn of the flesh. You will now say my turn of the flesh is this sickness. Aha it has worked. That one work. He has to find which is why we rest seven commissions 10 thoughts strongholds that's the only place he can catch you now he can't catch you if he's stabbing me which one be that one you shouting your name hey go I should give you the other one that you nobody knows add it so that you have four names you called just be breaking mirrors for nothing you just keep going to the market and buying mirror and I don't even have to have been praying for one That's the thing you must realize. Always realize that it's not your prayer life that gives you victory over the devil. It is the blood of Jesus that you are born again. Always that's the finished that's that finished work. Now that's that. But I don't know how to interpret Bible everything will be like this one is fighting this one. Oh is because I'm a child of God and I once I know that I have over the devil. It's not when you pray you seated far above. It's not say when you pray now. Why are you putting the condition that is not put which you wrote to them that believe Ephesians one maybe it's not in your own let's be sure I thought it was there in my own sh which he wrought in Christ when he raised him from the dead and set him at his own right hand okay verse 19 what is the sign of his power to us what who believe you are not among that are you among those who believe okay then he says that power is the same power that he wrought in Christ when he raised him from the dead and set him as right hand far above all prosperity, power, might. Is that where you started your journey in Christ Jesus? Yes, sir.

Far above all prosperity and power and has put all under your feet and given to be over all things of the church. Ephesians 2:6 now says, "And has raised us up together and made us seat in the heavenly places in Christ Jesus." So if you are seated in the heavenly places in Christ, it say based on when you pray. That's why it's a very stupid teaching that says when I pray I am now in the holies of I'm now abiding in go I'm now abiding in go can I leave his presence even if I wanted to can I his presence is following me how do you leave what is following you what is inside of you you are in an inseparable union with the presence of God once there is a 0.001% 001% separation between you and God. You are not born again. So I can't actually be separate from God. It's a cast me not away presence that I have in Christ Jesus. The word I've showed you that word before. He say he's not saying cast me away from your presence. It says your presence is a cast me not away presence. That word cast me not away. He's not saying it's simply basic context. I don't want to end up like Saul. I don't want to be like Saul. that was anointed and all of a sudden look at how he ended is now giving to devils. That's what it means. So that's what it means. But what he was crying out for was that regenerated state creating me a new heart which is where we start our journey in Christ Jesus. God has created us and has given us that thing that David was praying for. Cast me not away. The cast me not away. It's just unfortunate the way old English reads say cast me not. It look like saying the the the cast me not away is the name of that spirit that we are you have a cast me not away spirit because I will never leave or forsake you that's what you have in Christ Jesus and it's not notice there was no as dubious as legalistic preachers are they have not been able to manipulate that one cuz there's no no condition you say oh when you are a titer oh when you walk in holiness oh when you No, no, no. I will never leave nor forsake you. You have tried. So when you speak in tong, when you give thanks, when no condition can't the mind hate anything that is gracious now only when they need it do they remember that God is gracious. But it should never be gracious to any other person. Thank God. Imagine what kind of father say I'm only your father when you come first. That's an idiot father. Such should not be a father. Are you you just you just undo fatherhood? You should be taking as a joke. What kind of things? You should simply tell sir. Maybe you don't know but biologically I'm still your son sir. Taking first has to do with it's not taking first that makes me your son sir. I will never leave you or forsake you. Amen. That's the presence we have. Are you present in church right now? Yes, sir. Where's your presence? Are you present in Christ Jesus? Yes, sir. Where is his presence? In the beauty or in you? Which one? Choose one. Are you in Christ Jesus? Yes, sir. Okay. Are you present in Christ? Yes, sir. So, where should Christ presence be? When you fasted? Okay. when you did consecration since consecration is the best phrase going around now in Christ Jesus. So he will never leave me nor forsake me. I must know that I have a cast me not away presence. I have a cast me not away presence. He will never leave me nor forsake me. He will never leave me nor forsake me. He will never leave me nor forsake me. I must know that. Oh yes. He will never leave me. He will never No. He will never No. No. No. No. He will never leave me. He will never leave

the be the one that make it Bible is not in your own we say center reference imagine footnote what is all those ones is that one supposed to be in Bible it's already a translation the translation should have it already they translated so they should be able to tell you why they changed that word so you now notice that only theory translations have train of Israel So is it that all the rest don't where where they not translate their own from that they are all removing now the translator is doing why I always tell you about that all translations are an interpretation because in the translator's mind the KJV translators immediat Israel is my firstborn Israel is my son so that son of God there since God talking about nations they just put Israel in that's an oversab interpretation because Israel as a nation does not exist in in Genesis 11 because Genesis 11 there is not even an Abraham it's after Genesis 11 that you have Abraham so this is the tower of bab that he's talking about when he says in verse 7 remember the days of old consider the years of many generations ask thy fathers and they will show thee thy elders and they will tell thee when the Most high divided to the nations their inheritance. When divided to the nations their inheritance. That word when he separated the sons of Adam. You see that separated sons of Adam. Look at how many times is mentioned. Genesis 10:5. By these were the islands of the Gentiles divided in their lands. Everyone after his tongue after their family in their nations. Remember I've told you before the Genesis 10 table of nations I've used that phrase. The Genesis 10 table of nations they were all divided. The Genesis 10 table of nations have 70. If you have a septual the Greek translation of Genesis to Malachi you will have 72 because they broke it down. So 7072 nations. Genesis chapter 10. These are the families of the sons of Noah after their generations in their nations. And by these were the nations divided in the earth after the flood. Notice how many times using the word divided. Come on. Are you here? Yes sir. Notice how many times using the word divided. Genesis chapter 11. Look at verse 8. So the Lord scattered them abroad. See that word scattered them abroad from tents upon the face of all the earth. Now, hope you know the Genesis chapter 10 that you read just says, "By these were the islands divided. Okay. When you are reading, try your best to not always have a chronology brain that is after this event that this event is after this event that is this event." Don't do that with the Bible. It will put you in trouble because it's like somebody said look at where Job is. Job is in the timeline of Abraham. Job is after the flood. If you don't have job after the flood thanks now of course to which is the reason why Bible study is hard work. We now can see the date of the writing. We see that ah because no job is doing what Abraham does is erecting altar offering sacrifice. Once you have Job after once you have Job after uh Moses a while you won't understand why God is having a meeting with sons of God because but if you know the Genesis 10 sons of God take their portions of nations God is coming to see how they are ruling the earth and wanting to pass judgment about it and Satan is laying clean because he now is an active ruler on the earth because man has given him that dominion. He too is an active ruler on the earth too. So that's why he say Satan was also present because he's laying claim on legality that I have that's why he's the god of this world. So I also am a ruler in this world because there are

also other gods that the other nations say they will serve. Some people are shocked when they get to second commission for now is called the god of this world. I But in Genesis to Malachi, there are many supernatural called gods. It's not look like ah where is this come from? Where is you that is shocked? If you read from Genesis to Malachi, you will not be shocked because there are many gods and goddesses that are mentioned in Genesis to Malachi. Yes sir. And they all in this world. So when I say Satan is the god of this world and he writes it like that is because he has active claim because he's in the original sin that enter into this world. So he has a name and a ranking. Not necessarily makes him the strongest. It just makes him the one that has a status over the rest because he's directly responsible because he's founded the rebellion that brought sin and death into this world and by so doing he has held on to death because he's part of the creation of death. So everybody say ah leave him or leave him or leave him or don't cross him or don't cross. It's not all those things by moonlight the one that there's no Bible verse Satan was the strongest angel in heaven before where they get all those teachings from it's not in the Bible but it's so easy the ones that you have abundant references you people can't teach the one that there's no reference use it to be teaching. Hallelujah. So when he says, "So the Lord scattered them abroad from ends upon the face of the earth." Now the challenge with this is once you have this uh verse 9 also there therefore is the name of it called Babel because the Lord did there confound the language of all the earth and from did the Lord scatter them abroad upon the face of all the earth. So that what then it tells you these are generation of shem mentions shem children. You know why he does it in chapter 11? Because he wants to bring in what? Abraham. Because Genesis chapter 10 is it that there is no because he mentions Ham. He mentions Jaffet cuz Noah had three sons. Shem, Ham, and Jaffet. Abi, he mentions this. So why do you now have the children of Shem looking like they are living a different world, different from Ham and Jaffet? Because in chapter 10, he say divided the nations and he's mentioning those children. He's showing you that because those tr the nations all are from those lineage from those children who they gave birth to their children that they gave birth to their children. You will now see all those nations because the the child's name becomes the name of the nation because we don't use these names today. I've done this study before but I'll do it quickly again just to have an idea. Look at Ham for example and the sons of Ham. Kush. Now Kush is where the word Etopia is gotten from. Then he says misreme misraim that is the same word in fact that is in transliteration the same word for Egypt Egypt is not an English word now when you sometimes become when you hear words it's not an English word I see a Hebrew word Egypt is an Egypt word thank you remember so using Egypt here what is the name so he used that word mitim That is the Hebrew way of saying it. Misra, forgive my pronunciation. That same word is used only four times for misre and the word is used 680 times. So 676 times that word is used for Egypt in Genesis to Malachi. So who can they confuse? obviously can't be the biblical letter is also that are being confused which is why we study or did you get it the word Egypt Egyptians that's how is used for the 676 other

times so you see a word 60 680 references only four has it as m i z a i m the rest have it as egypt you say it's not Egypt that kind of I don't I see the same word. Calm down now. Did you get it? All right. So then he used the other one. Put P H U T. That's the word Libya. Genesis 46:9 uses that same word. Come ye horses and and rage, ye chariots. Let the mighty men comfort. The utopians. That's Kush. You see they use that all those words there. The Etopians. The Cushians. the Libyans, that's the word that put their pot that handle the sheath and the leads that handle and bend the bow. So that's Jeremiah 46:9. It's also used as Libya in Ezekiel 30:5. Etopia and Libya and Lydia and all the mingled people and coup And the men of the land that is in league shall fall with them by the sword. Ezekiel 38:5 Persia, Etopia and Libya with them. So he's mentioning places. Did you get it? So all of these names you are seeing here are all names that becomes territories today as we call them the sons of Jaffet verse 2 Genesis 10 I'm seeing Genesis 10 GMA that's also a territory. You'll see people lived there. Magog. That's the land of Gog. G O G Magog. Madea. That's where you get media med and pesia. That's where that word medis will come from. M a ds. We are not guessing. It's actually 2 kings 17 kings 181. So that you know that it's not guess. It's not oh what pastor just thinks this is it. No it's only uh two times that that word is called mada. And that's Genesis 10:2 and 1 Chronicles 1:5. Every other time is medis or media. Are these not nations? Thank you. These are nations mentioned in the Bible. Of course, the names may not be the names today. Javan, that's the old name. Ionia or Greece are all places. I 70 nations. Tubal, Meek, all are places. Tas all of them are places. This Ascenas is where it will now turn to Britannia in the time of Paul. So these are all places cashish which will become today modern day Spain kitim I mean there are places like that doim. So when he now says divided the nations here, divided nations here, the things when he says these lands were divided like this, divided like this in Genesis chapter 10. Do you know that there's no story line chapter 10 other than this gave birth to this? Sorry, I believe you have a Bible. Let's be sure you have a Bible. So that we realize that Bible study is really not so hard though in the sense of showing that there's thought because the last place there story line is chapter 9 that says and all the days of Noah were 950 years and he died that is supposed to take you to chapter 11. That's why he ended chapter 10 with these are the families of the sons of Noah after their generation in their nations and by this were the nations divided in the earth after the flood. Please let's be intelligent. Did Noah already have grandchildren in the ark? Why are you thinking it now? The answer should be loud. No. Now Noah had grandchildren in the ark. I thought it's only him, his wife and his children. So how did he not give birth to children in one hour since you don't want time to pass to believe that this nimro story? Because we want to read the Bible like we are not intelligent. We are just chapter 11 now happen. Is it chapter 11? Chapter 11. Why do you have it as one day and Nimrod was building? Why do you why does everything have to read as one day, one hour? That is that timeline that's so is using Nimrod to explain the whole timeline that this world these people were about these people were about idolatry. you are reading that's the same problem of reading without evil

book yellow page that have you as skyscraper that have done more damage to children and Bible teaching to today yellow pages of the the the briefcase society umbrella and briefcase that watch over the soul that society all those things that the proponent of having that uh skyscraper so God is against tower Say today now however today we can be skyscraper because God god has cooled down. What kind of god is that one backward god that you went to go and be serving. Talk about all that gods now that against development as you see in the Arab region they know the god that they are serving there that allows them be primitive. When the god takes s with with with lack of development then god say fruitful multiply replen does that not look like creativity? How can you put god with lack of creativity? You should put Satan and maybe the gods because God is the sole creator and he made man in his image. Satan many times lack creativity. He can only pervert. Creation is more with God. The same thing when I see very unintelligent people say things like this music was created by Satan. Can Satan create a thing? You don't even know Satan. How can Satan create a thing? When did you ever see Satan created anything? He can never create anything. Say Satan created pop music for who? For what? Satan created reggae, hip hop. What is he creating? Can he create? He's a pvata. He simply saw that what he does is that he makes you feel like this sound belongs to him. He's a patter. He makes you feel like this sound belongs to him. So that every time you hear that sound, you think of club. Every time you hear that sound, you think of ludness, perversion. So is that he has dominated that sound so that every time you hear that sound you are thinking of those things that's why it's silly to join those argument that why they sing the song like that is not why they sing why can't Satan could cannot even create a piano he can't he can't the guy lack creativity Jesus said Satan thinks like a man the best Satan can do is always walk through a man get thee behind me that's what Jesus said to Peter and he was talking to he said for thou serverest not the things of God mapter 16 for thou thinkst like a man is Peter that saying Peter think like a man Peter think obviously think like Peter is a man now oh my lord god it cannot be Peter Jesus is saying Peter think like Peter should think like a man for God say he's a man Satan is addressing because that's who Peter was reflecting his thoughts They can read them cuz I sometimes I believe people read Bible but the way people are looking at me when we say some things from Bible it will just look like this is the first time I'm hearing this sorry or it's not my fault I don't know you this is your first time of hearing it verse 23 Matthew 16 23 and he turned and said unto Peter get thee behind me. So he said to Peter, turned and said unto Peter, so it's Peter that he was addressing, but he dealt with what was influencing the orance. I told you that in Job, I read a text for you in Job that spirit can influence or transes. I did this. He's even in my note. I can tell you cannot lie on my head. My note is before me. But he turned and said unto Peter, "Get thee behind me, Satan. Thou art an offense unto me. For thou sverest not the things that be of God, but those that be of men." Say, "Where is he thinking there?" Sorry. Or is he s you like roasted meat? That's why you couldn't get here. Saves. That's the word saves. Thou exercise thy mind. That's the Greek word there. The word sav there is the same word for

exercise your mind. Thou exercise thy mind the way men do. The word sus there is the word frono p h r o o o o o o o o o o o o o o o o o o o o o o o o o o o o o o o o o o o n n n n n n n n n n n n n n n n n n n n n n n n n n n n n n n n n n n n n n e o, is the same word used in Acts 20:22. But we desire to hear of thee, what thou thinkkest, for as concerning this sect, we know that everywhere it is spoken against, what thou thinkkest. Romans 12:3, for I say through the grace given unto me to every man is among you, not to think of himself, but to think so badly. That's the word fo to think. There are different words for thinking. So why does he use this word? Because the word fo is is not just is how I exercise my mind. So it's not just the it's not the thoughts that I am having. It's how I exercise my mind to get the thought. So he's saying Satan exercises his mind the way man does. Why? Because his man he's using and walking through. In fact that's what he did to Eve now. He put the thought in Eve now. He can't think creatively on his own. He just leave Satan alone and say be creative. He can't. He has to he needs you to survive. It may look funny but that's the truth because outside you is boo. Casper the friendly ghost. So he needs he needs people to be useful. Needs people needs people. Needs people that in the natural have substance. Do you have beauty? Do you have fame? Do you have money? Do you have power? Ah, those ones will do more damage. Ah, if you walk through a a military man, a policeman, he walks through a governor, ah, a counselor, ah, he's doing great things. A president, ah, he will change the world and that's how he has been doing what he's doing. Look at all these alphabet community that the month they says their month turn that fire them. uh the the four letter alphabet I have even they add Q and W inside they are now 26 they identify as sheep and goat and pig if you want to cost me just cost me but now a human being say identify as a dog they will say let's take you to where dogs are kept you say no you still want to live in a house and you as a dog say and they speaking English so you see that people can be possessed and they they look you see levels of demonization He looked at his perspective. What kind of perspective makes you a sheep? In your own perspective, you you identify as what? You can deceive everybody, but which say what pronoun are you? I I am we. This is messing up English now. I am we. I am they. I am I am them. You guys look surprised and you think that's the advancement. That's not advancement. That's Satan's advancement. That is Babel influencing legislations. Then why is he now being okay people want to identify as as idiots? Why is it now have to be passed in a Why does it have to be passed in Congress now for other persons? Why do you have to use your your your foolishness to rob my own? Because I will not identify with you now. I can now be charged for a crime that I do not identify you with your proper pronoun as what is you that is confused. I don't know why should I be knowing your pronoun because you have to find the people that matter for something to have. Now look at how those people are funded. Look at how heavily funded those organizations are. Then we tell you give you say God should fund his work. Don't fire you there. You work for Satan. Any believer that is not generous work for the devil because using his money for the devil. Your money is never in things of God. There's no time you can gather. No, not a gather.

Look at all those institutions heavily funded. Heavily funded. Then they are strategic to ensure that their people rise. There are people rise in governmental positions. There are people rise. It's only when Christian are rising in positions, they rise and become thieves. Counselor, the governor say he say is a is a is the headsher in his church and is this is a thief. We should be looking at the pastor but the pastor will say haha welcome my son. This is your son. Well, a thief. I thought when did we identify with what we should not identify with say I have 20 governors as my son. You sir and Nigeria is like this. You are not you have not tried. She not but again you can't give what you don't have. Ah the pastors can give you what they don't also know any better. Have you seen what happened with nominal churches? Pastors will call assassin to assassinate the other. They about to promote that pastor to be the divisional pastor. I I cannot allow it. I cannot allow it. I cannot allow it. Hey boys, three of you. Is this a pastor? Are we doing mafia in church? Aha. But you see it in those denominational churches. They have two general over two general via that is those ones that are teaching people that having members that are governors they should be thieves too now you can't they were mentored from the ppit in the way of of a thief and Satan uses that because that's where he's powerful that's where he's powerful that's where he has authority that's where he can affect the system so He lets his people rise. Now again the people that now see Christians people that hold on to certain Christian values now mistake every action that those people now do to be of God and is God you calm down now that a president holds on to Christian values does not mean that or wanting to push the things of God doesn't mean that every decision he makes is correct. He may get it right sometimes you must does not throw away your discernment now. Yes sir. Mhm. Are you with me? Yes sir. Clear, clear, clear. Let me go back to my Deuteronomy 32 before I forgot what took me there because I want to teach. I want to preach, but I'm ending up doing teaching again. But God will help me. Pray for me. Remember the days of old. Consider the years of many generations. Acts and the fathers will show thee, the elders, and they will tell thee. When the most high divided to the nations their inheritance when he separated this is the word when he separated the sons of Adam that's KJV has that sons of Adam he set the bounds the boundaries of the people according to the number of the sons of God not Israel. So um Bian study Bible says when he divided the sons of man he set the boundaries of the people according to the number of the sons of God. Now the ISV translation international standard uh version says when the most high gave nations as their inheritance when he separated the human race separated the human race he set the boundaries for the people according to the number of children of God. This one tried cuz children of God. So it didn't that's the children of Israel. So children of God the Net translation which is why I like it says when the Most High gave the nations their inheritance when he divided up human man humankind when he divided up human kind of the people according to the number of the heavenly assembly. See why I like it heavenly assembly. That is magnificient on point according to the number of the heavenly. So different members of the holy assembly pick different nations and it was originally supposed to be

for help and protection and to guide them towards God's purpose but they now ended up corrupting themselves to take worship. That's what led to Genesis 11. That is the Babel story that is telling you and it's not one verse we did that there's a lot of Deuteronomy that has nations which God did not give them. I just just so that you are not if your first time of hearing this which should I beg you to go listen to that teaching on on sin forces. The same thing Paul made in Acts 17:26 when he say and he has made of one blood all nations of men for to dwell on the face of the earth and has determined the times before appointed and the bounds of their habitation. So there is a bounds of their habitation. That's what he's talking about that Acts 17:26. However, look at um the use of the word in Deuteronomy. So Deuteronomy 4 verse 19, lest thou lift up thine eyes unto heaven, and when thou seeest the sun, the moon, and the stars, even all the host of heaven, shouldest be driven to worship them, and serve them, which the Lord thy God has divided unto all nations under the old heaven. You see, remember uh um the way he raising, right? So it looks like God is the one that say people should go and be worshipping it. No, is that God is the one that created angels and assigned angels to human beings to and are they not all ministering spirits sent to minister for them. So that's where God is responsible. That's why he's saying don't worship them. Say don't worship those because it's God that assigned angels to people because he created angels to to serve the purposes of God which is to steward or have respons responsibility towards man and the fall angels were now responsible to majorly now point man back. Genesis chapter 3 to guard the way of the tree of life which is to point man back to the tree of life so that man knows where salvation is. Are they not ministry sent to minister for them who shall be hairs of salvation hair. So to point them back to salvation because his salvation is where they will enjoy the angelic ministry properly. So these angels now have an authority though not what God intended from the beginning not Genesis 1:26 intention of God but God can do this first before the restoration which is why Hebrews chapter 2 said the word to come God did not put it under angels and we have read it also in and I mentioned this thing that I'm teaching right now in that part two and three of this series this here the word to come. Hebrews chapter 2. If see when I quote a text and you don't know it, don't look confused. Just turn your Bible and put your eye there. It is better than to be looking like is in the Bible. It's you that don't know it. It's me I know it. So if it's looking new to you, you should be reading it, not wondering is it really there. You won't know by by by thinking that thinking is giving room to foolish thoughts. you then I will now be answering the thought that enter your mind because instead of looking at Bible to see that I'm talking from Bible because if we read every text I will not be able to see anything then you now wonder how come people who teach have to teach for hours because it's different from I came to tell five persons can not be you not teach anything you know you you you came the you came the same way you left the way the only difference is if the man of God put power in it but your understanding remainth the same because it's just entertainment is just uh hype and euphoria. Say kai that man the preacher. So what did you learn? Ah yan. So what did you hear? Say ah what fully mouth. So what exactly did

he explain? Say ah no no no leave teaching for that man. What is the teaching? Say I talk many things. He chapter 2. For unto the angels had he not put in subjugate the word to come where we speak Hebrews 2 verse 5 because the original word that God created he not put it in station of angels but the word in the fall in the fall of man the word looked like it was now putation of angels that was a temporal thing because it was to guide man back not to be that is also why we talk about another rebellion 11 rebellion. So because but we want people who really want to read as a one day something even if you want to have skyscraper because we want to be unintelligent can you build skyscraper in a day. So how can you have that story as one day and if it's ancient men could they have in one month with all the money bishop have been saying all the resources are available they have not be able to complete act resources we don't need any other mater we don't need any money we don't need anybody to send any money they have not finished it the skyscraper they want to build in ancient time and they did it in one year you calm down now even if you don't want to think well think where you can't have 11 as one He cannot fly. When there's chapter 10, there's no story. You just have chapter 11, a story. You should connect it back to the story of chapter 9 where he's telling you so Noah's children because Nimrod is not one of Noah's sons. However, one of Noah's son, which is Ham is already under a curse because of the way he's already has taken side with the devil, which is what it means. He's already functioning away from the promise of life. So we already have darkness after coming out from the flood. We still have light and darkness again. We could not even have pure light. We still have light and darkness again. Then you now see Nimrod coming from that lineage and he's a mighty one. So he somebody that people gave he to because he had he was a mighty one. He had that stature. Are you here? So he says, "Which the Lord God had divided unto all nations under the whole heaven." which Lord had divided, notice, divided unto all nations under the whole heaven. But the Lord had taken you, notice the difference. But the Lord has taken you and brought you forth out of the iron furnace, even out of Egypt, to be unto him a people. A people of what? Inheritance. Are you do you am I just do you have a Bible? Come on, respond now. I'm communicating. A people of what? As he had this day. I'm not Don't be making Bibles so it look like magic. So this is not Israel is my inheritance. say you are a people of my inheritance. I brought you out of Egypt. There's no Egypt in chapter 11 of Genesis. Now there's no Israel coming out from Egypt in chapter 11. Well, Abraham had not even given birth to a child. How much more to have a grandchild or a great grandchild that now gave birth to ah you there are too many generations apart. So to now have children of Israel when he divided nations is is contextually stupid. There's no Israel. So it's not they changing Bible. No, it's the translator that changed the Bible. Not that's why if you read the story properly without any Greek and Hebrew, you can tell that something is wrong here. It cannot be trained of Israel. There's no Israel in chapter 11 of Genesis. And I did not get it from the Greek and Hebrew word. I got it from just knowing the Bible story because we know Abraham is the one that gave birth to Isaac. Isaac to Jacob, which name becomes Israel. Then he has 12 sons and the

12 sons did not give birth. Levy did not give birth to Moses directly. There is now Moses that brought Israel. Even if I don't want to think, I should think. I'm forced to think that they now say of Israel s there's no Moses in 11 sir. How much more of Israel? So he can't fly. And before you go to chapter 32, he has been repeating that concept of nations being divided because there are many nations of which Israel is coming out from Egypt. Egypt is a nation. All right. As he had this day, verse 21, furthermore, the Lord was angry with me for your sake and swear that I should not go over Jordan and that I should go in unto the good land which the Lord thy God give thee for an inheritance. Notice that word inheritance. So there's land of inheritance because of um so they were told to be careful of verse 23. Take heed unto yourself, lest you forget the covenant of the Lord your God, which he made with you, and you make a graven image or the likeness of anything which the Lord thy God has forbidden thee. Notice the word forbidden. For the Lord thy God is a consuming fire. This where the word came from, not the Lord your God is hell fire. The Lord your God is a consuming fire. So that means he's passionate for relationship. That's why I say even so consuming fire. Even a jealous God. Yana in the Hebrew, passionate for relationship. That word is sanctified and only used for God because it's not the work of the flesh, jealous or jealousy. So that word is now sanctified by the Hebrew writers only to be used for God. Not jealousy as a work of the flesh because that one is evil. So jealous there which is why it is not used as jealous in the original is translation that has it as that because that's the only word they could use in old English that explains it. So they use the word jealous. Now today we have more better phrases we can use for that in English today because the English vocabulary has developed further than 1611. All right. So he says when you I call heaven and earth to witness against you this day that you you shall soon utterly perish verse 2 from off the land where unto you go over vision to possess it. You shall not prolong your days upon it but shall utterly be destroyed and the Lord shall scatter you among the nations. remember scatter again among the nations just like chapter 11 and you shall be left few in number and there you shall serve gods the works of men the word gods there Elohim that's not Yahweh because I told you there are half a dozen entities referred to as Elohim so so he put thanks for the translators putting s to make you know you're talking about other gods so I told you Christianity is not monotheistic Christianity is our faith is monolatric We we do not believe that there's only one God that there's no other god. No, we believe that there is many gods but only one god that created all those other gods and only that one god should be woripped. There's one god that created created the other gods. So it's monolatry. I I think I said that also in this series. Okay. Yeah. Lord your god is one lord. So of course are there other that is one Lord one Yahweh that's where Moses was teaching them that he is called Yahweh worship him as Yahweh. So there are many other Elohim but your Lord your God is one is one him alone you should serve. So we we do not in serving only God now say there are no other. No there are other gods but those gods are not to be worshiped because Yahweh made them. Amen. Amen. All right. So you notice how we keep using to drive out nations from before thee greater and

mightier than thou and to bring thee to give thee the land of their land for an inheritance. So you keep using land inheritance land inheritance that itself is a teaching. Did you get it? Deuteronomy chapter 12:2 You shall utterly destroy all the place wherein the nations which you shall possess serve their gods. The nations serve their gods. Jeremy 14:2. For thou art an holy people unto the Lord thy God. And the Lord has chosen thee to be a peculiar people unto himself above all the nations that are upon the earth. So it's to differentiate them from the other nations. Then he mentions the different things they should not do. Don't do this, don't do this, which we have turned to performance which was not the reason. He said, "Because you are my people, you should not partake of what they partook of." If God ever had an issue with people eating uh crayfish in the Old Testament, we have an issue with it today. He never had an issue with that is that people use those things to in their worship of their gods. And he said don't partake of what they partake of in the worship of their god. That's the context. The problem is the legalistic mind is looking for what he needs to do to please God. And meanwhile the text is that these people have already pleased me. They already a peculiar people. Not do this to be a peculiar people. All right? It's not do this to become my people. You already my people. Show your distinction by not which is what Daniel did. He didn't partake of the food that they use in the worship of their gods. Daniel and the three Hebrew boys. You now see it because that's where food offered to idols originate from in that context because it's passing. And not just the one offered to idols as the one that okay the remainder let other people eat they use the food to worship the deity. No that one is I cannot be saying I worship the deity as well because it's for the food is for all those who worship the deity. Of course we know that idol is nothing. So but your neighbor does not know that if you see you that night we say you backed. Aha. So Paul says be careful. So there are two aspect of that food of Adam to idols there that is explaining Deuteronomy 17 verse 14. When thou had come into the land which the Lord thy God giveth thee and shall possess it and shall dwell therein and thou shall say I will set a king over me like all the other nations that are about. So there were there was always this talk about the nations the abomination of those nations. They were always warned about those nations. So it was clear that there were other gods but they were never to serve them. Clear? Deuteronomy 11:16. Take heed to yourself that your heart be not deceived and you turn and serve and serve other gods and worship them not serve. How did this nation serve their gods? So will I do likewise? 12:30. No, don't serve their gods. Lest thou go after other gods which thou has not known and let let us serve them. No, no, no. So they were always wanting to serve other gods. Look atommy 13:13. Certain men train of ble are gone out from among you and have withdrawn the inhabitants of their cities, saying, "Let us go and serve other gods which you have not known." Deuteronomy 17. and have gone and served other gods and worshiped them either the sun or moon or any other host of heaven which I have not commanded. God did not give them that was not Israel does not have that god. So Israel had a national god. The other nations had uh the seven from the babel story the other nations because they went their own way after God scattered the

nations. So if God could stop them from serving something else then we stop people from not everybody will automatically be saved. Don't be having weird ideas about God because of wrong doctrine. If God stop them from being able to serve what they want to serve in their heart then God is the one responding for why people are not saved today. Now you should just everybody serve me now everybody else serve him. God allows people's choice. Yes sir. What God was against is covering all the earth in a darkness. Not and that you can tell because there's light opposing darkness. That's where you are now seeing the divine counsel is saying no this will not stand because there is the people that call name of the Lord that is against that not that people are not serving what they want to serve. Ah people have only serve what they want to serve a reprobate mind and God allows people that expression of their will. If not Adam could not have lost into the world now. They say ah Adam what are you trying to do? I I I I stop your choice. I stop your will. No. So they went astray and continue serving. So those origin of those 70 nations as they all left because it was a language of worship not that's where English is from whatever the new language that came out because with no English they were not speaking English there because there was no land like England. So how did those new languages now come? How did pigeon come? Well, they were also speaking it there. Say every language was spoken in Babel. Stop interpreting the Bible naturally. It's a supernatural world view. I've taught this again and again. I've had to correct storm is a supernatural worldview context because it build a tower whose top will reach into heaven. Just like Genesis chapter 28, Jacob ladder the top which unto heaven is showing you the pattern. So before you got to that text, you must understand what he's saying because it's the same word used for building a temple, building a Jacob said this is the house of God. But there was no building but they called it house. There was no building. I called it house. This is the betail house of God. But there was no house. Why is he now house of God that place of revelation? So there's a lot the top which onto heaven. You notice there who stop which onto heaven. Let us make us a name. God did not want them to make a name. God notice the the opposite to Abraham. I will make your name great. Not we will. That's opposite of worshiping God. So and the biblical writer wrote with contrast. So Abel, you have Cain. The people in Noah's time and Noah, you always see the contrast. You always see the contrast. It does that consistently. Deuteronomy 29 verse 26. For they went and serve other gods and worshiped them. Gods whom they knew not. Whom he had not given unto them. Notice the phrase is not new. He has been repeating it. Are not given them. They are not known. They are not known. It is used 10 times in Deuteronomy. Gods that he did not know. Gods that he did not give them. 10 times in one book he uses gods that did not know. Gods that he did not give them. So which one give them? Yahweh is their god. Because that's how they became his people. They became his people by faith because they believed in him. It is the people that believed in him was supposed to be the original Israel. But the original Israel now thought to anybody can be Israelite if you circumcise and you can give birth to children and they don't serve God and they still say they are the true Israel. That's why Paul can

make a case that the true Israel is the one that believe in God because that was how Abraham was called friend of God because I know he will command his children after me. Paul can make a case for that in Galatians 3 and say we are children of Abraham by we are children by faith in God because of is the same because we believe we are of faithful Abraham we believe the same way Abraham believed just like Jesus we say you are not children of Abraham you are say are we born of fornication say you you are of your father the devil Jesus was very blunt because within Israel was two people the people that believe in God and the people that don't believe in God which we have to today modern day Israel which is not biblical Israel but today's modern day Israel coming from the Holocaust and all of that. Amen. Amen. So when you see people who are overly Israel Israel minded as it were a place and forget that the Israel of God is the people that follow God and Israel of God is everywhere today where every believer is the church is now called the Israel of God. does not mean that there's no nation called Israel. Does not mean that there's no Gentile, but neither Jew or Gentile, but one new man. Amen. Amen. So Deuteronomy 29:26, they worship other gods and serve them. So that was they were always worshiping under God and serving them. So Deuteronomy 32 it now says the Lord's portion is his people. Jacob is the Lord of his inheritance. So the Lord alone did lead them and there was no strange Elohim with them. So when God brought them out from Egypt that's what he was now saying for the Lord's portion is his people. So that's where he will now give birth to Israel. Jacob verse 9 for the Lord's portion the the Lord's portion is his people is the people of God that is the Lord's portion so which one is God's own nation Israel but today you are called holy nation and you are a person so God's hol you are a holy nation every man in Christ you are a holy nation peculiar people all right so it's not it's more than the is the faith in god for the Lord's portion is his people. Jacob the lot of his inheritance. So Jacob is the one that he has now given that inheritance to that land to. So all of the things that were said by Abraham that uh with your seed with your seed we possess the land because there was a covenant narrative of land as well as the details of the covenant. It was also a detail of land with Israel. We now saw okay they now have their land where Moses brought them out and they enter into the promised land by Joshua. So this is now in effect but on their way they were still worshiping other gods. He found him in a desert land in a way howling witherness. He led him about he instructed him. He kept him as the apple of his eyes as an eagle seed up her neck flutter over her young spreadth abroad her wings taketh them be them on her wings. So the Lord alone did lead him and there was no strange god with him. He made him ride on the high places of the earth that he might eat the increase of the field. So I mean God was sufficient unto them. They provoked him to jealousy with strange gods. Verse 16 with abominations provoked him to anger. Abomination. He has used that word several times in Deuteronomy and he uses a lot in Exodus to that Deuteronomy. So many times that word is used. They provoke him to anger. Verse 17, they sacrifice unto devils, not to God, to gods whom they knew not, to new gods that came newly up, whom your fathers feared not. Of the rock that begat thee,

thou art unmindful and has forgotten God that formed thee. You see the idolatry. This is the core issue. Which is why when Paul was preaching, he said, "Turn from these vines and serve God." Because anyone who serves anything other than God is not saved. He's not a Christian. Doesn't worship God. Notice is not engaged. Serve worships is different. And the core of the gospel is the is a renouncing and pledging allegiance to a new kingdom. This is my Lord. This is my God. That's why to be born again you say Jesus is my Lord. because you are saying this is who is my God. Hallelujah. Amen. So that Deuteronomy 32 world view is where that God and Goddess of the nation narrative is born. Look at John chapter 12. So you see John chapter 12. John 12:31. Now is the judgment of this world. Now shall the prince of this world be cast out. Not by your prayer, by the work of Jesus. And if I be lifted up from the earth, I will draw all men unto me. All the nations will now seek me because I have destroyed the controlling power. Oh boy. If I be lifted up from the earth, I will draw all men. Now that narrative comes from first Moses lift up the brazing serpent and they were healed. So this will be the healing for the nations. Eternal life will be the healing for the nations. Is the same narrative with John chapter 3 where he says even as lifted up the serpent. So then it takes you back to the blessing of Jacob when he says until she come unto him shall be the gathering of the people. He is the desire of the nations. So all the Shilo is an epithet an alias an epithet for peace. So when the prince of peace come unto him shall be the gathering of the people that blessing. So we see it his desire of donations. That's what God is called the desire of the nations. But yet the nations are worshiping something else. But yet is called the desire of the nations. Hagi 2 verse 7 and 8 verse 6 and seven. For th to th to th to th to th to th to th to th to th to th to th the Lord God of host yet once in a little while I will shake the heavens and the earth and the se and the dry land. I will shake all nations and the desire of all nations shall come and I will fill this house with glory. The desire of the nations, the desire of the nations shall come. Habac 2. Behold, the soul which is lifted up is not upright in him, but the just shall live by faith. Now remember it says for the vision for an appointed time, but at the end it shall speak not like though it wait for it shall surely come. The it that shall surely come is a he. You now have the judge shall live by his faith. So if you think the writer is foolish, how did Paul know is his faith? Because he said the judge shall live by his faith. So the vision the challenge is how we read this because we use it to be the vision statement of your business. So the challenge now is that you have taken this text outside there for motivation purpose. When you are writing your goal in your office, you use this text, write your vision, make it plain. But the vision is m talking about is God's vision of restoring all the nations. God's vision of saving the world. That vision comes to pass by a savior because there cannot be salvation without a a sotai savior. So who is the savior? His name is Jesus. Name the child Jesus. Matthew 1:21. For he shall save his people from their sin. Luke chapter 2, Anna and Simeon came into the temple when Jesus was born and they said and lifted up and said, "Behold the salvation of the Lord." That's what Simeon called Jesus. The salvation of the Lord. This is who God will use to save. In Luke chapter 1, Zechariah when his mouth was

open said salvation has come day spring. The day star of our God has risen upon us. Jesus is called salvation is the savior and salvation himself because in him men will be saved is the state of being saved. Hallelujah. Praise God. Getting this? So John chapter 12 he says in that verse 30 and if I believe from the earth I would draw all I will draw all men unto me John 16 it says nevertheless I tell you the truth is expedient for you that I go away. If I go not away, the comforter shall not come unto you. But if I depart, I will send him unto you. And when he come, he will reprove the word of sin, of righteousness, and of judgment. Three things of sin, because they believe not on me. So the sin that people do to go to hell or the sin that takes people away from God is the sin of not worshiping God. Of righteousness, because I go to my father and you see me no more. Of judgment, because the prince of this world is judged. So it's not your prayer that is judging him. It's what Jesus is going to do. Abba prince of this world is judged. Having spoiled principality and powers. Is that what Jesus did by your prayer or in his work? Thank you. He made a show of them openly triumphing over them in Colossians 2:15. We read this text now. Blotting out the handwriting of ordinance. We read this when I taught you salvation for God is our king of old walking salvation in the midst of the earth. We thought then we did it also in this series. So having spoiled principality and powers. So he made a show of them and I told you the them and triumphing over them are not the same. There are two themes there. So who did he made a show of openly? He made he showed us because we are the proof of his victory triumphing over them. That's the principality and power. So for that use of them does not read with the context cuz just them them has to be principality and power. But no that's not true because of the word he used. When you defeat a king defeat a nation you are not showing forth the nation. the nation is the nation that you defeated is being shown as your slave. So it's not what you are is being shown to be something else. But because there is a parade in the history, the cultural where Paul is getting this narrative from but what is actually being seen is that our nation is a great nation. We may have handcuffed or chained the nation the other country's king and be parading him in the street. But what everybody is saying is not wow what a great what a great king is changed. know is our great be great Britannia great Britain if we're using when they were dominating the different parts of the world United Kingdom as it's called great Britannia hail Rome hail Caesar is not the the what is being shown forth is the victory and the proof of that victory is not that the tomb is empty is that you came out because it's you are the You are the agency. You are always going to be the proof that Satan is not powerful. If not, you will not be a child of God. If not, you will not be with eternal life today. So for me to be somebody that Satan has power over, I have to be unsaved. But I've already passed from there. So I started my life with authority over the devil. That's why the first sign that I that believe is that you show you are not of the devil by driving out there. That's the that's welcome starter pack. Your status pack is cast out devils cuz you are you are obviously triumphant over it. Clear? So the stronger man has come on the strong man and had destroyed his goods, his palace and everything. So that's uh strategic level spiritual warfare

people obviously do not know what Jesus have accomplished because they want to use their own prayer to accomplish it. But that's not why we pray. We do not pray so that Satan will be defeated. Is because Satan is defeated that we pray. We are not praying for him to be defeated. And this is the victory that has overcome the world, even our faith. We have already overcome. Whosoever is born of God overcometh the word. And this is the victory that overcometh the word, even our faith. Who is he that overcometh the word? First John 5:4 and 5. Who is it that overcometh the word? But he that believeth that Jesus is the son of God. Is that you? Because that's obviously me. I'm not sure if you are saved. So we have passed from secondians 4:4 Satan has bind the we are free from all of that the spirit that now work a train of disobedience you are not trained of disobedience that's so when I now want to be all authority I've told you that text before Matthew 28:18 when Jesus came and said all authority given unto me in heaven and on earth that's simply what he's saying I have the keys all authority is given unto me in heaven and earth so they have been dislodged The prince of this world is judge. He telling you all authority. So they are illegal. That's the origin. I've said this three times in different of our series since last year. That is the origin of what we say reclaiming the nations. I've said this phrase when you hear always ask question. How is salvation reclaiming the nations? Reclaiming them to who? We just be copying phrases that we don't know what it means. Say as I'm going to preach. We reclaim territories. Are you reclaiming territories if they still belong to somebody else? Then God is the one that is stealing it now. Sorry, you didn't get then God is a thief that is taking you away from the things that you should belong to. No, is that Satan is a thief that took you from God, but God has rescued you back onto himself because God is the one that made you. The earth is the loss and the fullness thereof. Satan owns nothing. He's not a creator. He's not an owner. But you gave him music. You gave him pop to own. He's not an owner. Satan owns nothing. He creates nothing and he owns nothing. Sooner you know it, the better. Stop giving him too much power. If anybody can worship Satan and come up with creative ideas, if I worship God in a second, I can bring a billion and one ideas than them. You must always have that approach. The same thing said he say I I saw a man that suspended say if I give myself one second to the Holy Spirit I'll do 10 times must always have that approach as Christians not be thinking that Satan has one doesn't have any r anything is that person's natural creativity that Satan is is stealing it's not that Satan is giving him any nonsense is that person on his own could have been that he has not just calmed down before if he calm down well and think properly he will see that he has that idea without Satan. He's a thief. Say he say uh I will give you money. I will give you money. You now remove the person's manhood. Which kind of help is that one? You want help me? You have to help somebody. But that's the devil. He say I want to help you. I want to help you with money. You say but you will not live more than 30 years. What kind of and people will still choke their head because they are looking for money. Are you that desperate? What shall it profit a man to gain the whole world and lose his soul? One soul is greater than the whole world. But you don't know one soul is greater. What shall they permit a man

to gain the whole world and lose his soul? So your soul is of greater worth than the whole world. You go to worship. You see how Satan is a thief because your soul is more important. You say even you see the trick for Jesus now worship me and I will give you everything. Satan can give people things so so that they will not worship God because that's to tell you that worshiping God is the is the is the is the call because for him to not want you to worship God to not want to bribe you with things. Ah because that should tell you that that is the real thing. Yes sir. So when we go preaching we are saying we collect this person say that's not your god. God is your god. You worship nothing else other than god. Satan is angry because he knows that if we continue doing that the end will come faster and he wants to delay the end because he already knows how the story ends with him being destroyed. So if if there's anybody that likes your no liking to win so is the devil. That's why spiritual warfare must go back to because the real warfare is in reclaiming nations. That's why in that efficiency he ended it with preaching the gospel because the ultimate end of this living now mind you funny enough the value of your soul is not just the whole world is greater than that ah yes your your your soul that's the soul of an unbeliever that is greater than the whole world not your own you are what the blood of Jesus your what is Jesus Christ that's how important you are you are what Jesus to God say I don't think I'm important now you go they use low self do F now say I'm just a miserable person because of pimples in your cheek. Ah, you're an idiot. Look at what was given for you. You must you must have things that boost your esteem. It can't be natural things. I've told you before even that thing that is called beauty is because you have no self worth. That's why you are not looking fine. Forget what your parents father and mother combined to produce. from when you become an adult. It may be funny, but I'm serious. And if you try it in in two years, you will see that you you will glow. This is the same reason why all the people who you said were poor were poor were poor. Immediately they had money, they not change. That tells you poverty makes people ugly now. Are you for real human beings? Thank you. Have you not seen the guy sa He lives sappa land. See how it change there. That tells you he was not naturally ugly. It there are factors. I've told you countenance starts from the heart before it goes to external. Have a joyful countenance. Have a happy countenance. There's a countenance from the heart. Have that that heart of I am loved. I'm treasured. You will notice that it will begin to it's the same thing. You see the way some women glow you know say don't get boyfriend you can say don't get boyfriend he get boyfriend get man get man and that is a problem because you should have father and mother now what is not why but the challenge is that why is it now because of man is is she's glowing that means it can affect the count you see as I said you can relate with what I because you don't have that's why you can't relate now those that have boyfriend can relate know some some people know how to always rubbish point no I won't let you say I cannot relate you call you don't have I ask all these people that have boyfriend they know when they don't have boyfriend their face strong like I don't know I don't know talking to me leave they're not in the they're not in the market anymore. That that thing that they are off the market is a first

satisfaction. It brightens the countenance. [Applause] It brightens the countenance. Amen. Amen. So when you now want to use your own prayer to defeat Satan that is defeated. Is that not headache? You are giving yourself the accuser has already been cast down. The prince of this world has already been judged. Remember first commission chapter 2. Now had they known they would not have crucified Lord of glory because did that lead to their own annihilation? First Corinthians 2 it say how be we speak the wisdom of God in a mystery not the wisdom of this world of the princes of this world that come to not because Jesus have brought the not oh princes not prince only one thank you the princes of this world that comes to not he has destroyed him oh so he's not Your prayer that is making the devil defeated is what Jesus did. So you are simply to announce Satan's defeat to him. So do we have a command to confront spiritual entities that will be in a power encounter which is casting out devil. But that's not what the Bible calls spiritual warfare. Jesus himself did the same. Matthew 12:28, if I drive out demons by the spirit of God, then the kingdom of God has come unto you. So within the exercise of advancing God's kingdom, we will cast out devils from people because Satan has bound lives. Even Jesus who we preach said not this woman has bound you. Your theology say not bound anybody. Take the the joke because you you are only preaching your street now. Travel now. and see how Satan has go to places where there's no light of the gospel no restraining force that comes from the church where he's just shrine shrine shrine everywhere and see captivity and see how sat has messed up people's life you will now know we we people don't value that there is church everywhere cuz why is there church everywhere why is go where there's no church everywhere and see you will touch the wickedness the wickedness is palpable Hallelujah. Praise God. So, Ephesians chapter 6. So, did you get it? Don't use Ephesians 6:10 to 20 to support power encounter. That is not it. Power encounter exist. Which is the danger of this their crystal whatsoever community they try to remove power encounter. No. Power encounters exist. It exist. Confrontation with the power of darkness exist. casting out devil, healing the sick, dealing with infirmities, issues caused by the devil. It exists. It Thank you. It exist. Finally, be strong in the Lord. So, we read all of those texts. Ephesians 6 10-20. So, notice Paul's explanation of spiritual warfare to the church in Ephesus. He nowhere recommends that we should confront supernatural rulers and powers. So do we deal with the devil? Yes. But it's nowhere. He say go and be looking for territorial spirit. No. He says we rest and powers. So it is not look for the spirit that is assigned to a place. It's telling you that within those flesh and blood that you think you have issue with are systems, ideologies and all of them that is attacking them that is working through them. So look at his list of weapons and notice that exorcism is not part of it. Truth, righteousness, gospel, truth, righteousness, gospel, faith, salvation, word of God, prayer, perseverance. Eight things that are mentioned there except it's not your own. I'm reading from Ephesians 6. Now I be there's no truth there. Okay, I did not say belt. That's the problem. Sorry. Now you can you have sense now you can write the one before it. Now is it the belt that is issue? Where is your belt or truth? Now is it physical belt? No. Now the important thing is truth. We we can

be so lost with the imagery. The metal is it belt that you're looking for is truth. He says truth is so the more truth you know it helps in your Christian living because the belt there is to hold all the armor together because everything is held together by truth because just like the the Roman soldiers uh uh dressing the belt will hold everything together. Where are you holding any physical breastplate now? Where's your physical breastplate? There's nothing just using those idea because he's using warfare. So using the co is the off of off what breastplate off that off the thing they mention is the main thing you don't have any breastplate. Yes. N is your shirt you wore. I don't know what you wore. There's no physical breastplate on you now. I mean you have the shoe you are wearing is called is called peace. That's not the name of the shoe. Now you have the different names of your shoes. So the gospel of peace then talks about the shield of faith. Where's your shield now? No physical shield with you here now. Helmet of salvation. Where's your helmet? There's no helmet here now. You are just saved. Where's the There's no physical sword. So don't have it physically. Abby that's because we were only looking for the one that I put off off. So when you got to sw the spirit you now stop say the the the the armory is over the sword of the spirit which is the word of God. So word of god is over. What is now the praying with all prayer that one is not part of because you put full stop that is done it's not done now one statement lead to the other at least the translators had enough sense to even put comma it's not done is he talking praying because he don't now say and the mouth of prayer it don't look like like it's a weapon again prayer is a weapon we with all prayers to the then he says perseverance to proclaim the gospel ab all right so it's not difficult to see now that instead of power encounter spiritual warfare in Ephesians 6 is having persevering faith in the gospel ab living a prayerful life living properly in following the lord Jesus knowing the truth of god's word that's the things you are seeing there the same commissions 10 3-6 How we fight strongholds of darkness is not exorcism. We are not evicting territorial spirits. You are simply bringing down strongholds, ideologies, arguments, destroying arguments and every lofty opinion. You are taking those thoughts captive. We read second commission 10. I'm talking from there. So spiritual warfare is about leading a life obedient to Jesus. It's about knowing God's word, walking in the truth of God's word, being prayerful. That's the spiritual warfare. So it's about your Christian living. It's not about jumping to the egg, entering plane and from when you are in a plane start saying every spirit over this territory not get what that one is not Bible. Did you get it? So there have been different concept we have spoken about. We have spoken about the laws of heaven. how they rule the earth and the laws of heaven are physical and spiritual. The physical one is the origin of physics where you get your gravity, gravitational, all those forces that rule on the other but they are physical but they are unseen because they are ordinances that God set in place the sun the moon and all of those things are what are studied to get the laws of physics the laws of chemistry and all the different laws that we have in our sciences. to the laws of sciences. So how the heaven rule the earth but there's also spiritually how the heavens do what rule the earthh I thought that now the foundations have been shaken the foundings of the no longer the way

it was made we talked about the nature and function of angels we have talked about the exceeding greatest power that we have in Christ Jesus we have talked about the authority we have in the words sir we have talked about that the seen and the unseen were made together. Heaven and earth function together. Okay. So we have looked at quite a lot of concepts and also within the same study we have seen that there is a need to be wise and strong with God's power. So we now said that one of the ways just 25 more minutes so I started early. One of the ways we are wise and strong with God's power. We said faith. Faith will help us to be strong with the power of God. Faith will help us to be strong with the power of God. Can you remember that? Yes sir. So are we going to take faith seriously? As somebody who wants to engage spiritual forces, should you take faith seriously? Thank you. So, is Satan going to be winning your life when you don't know anything about faith? Thank you. So, the more you say it's not by faith, it's not by faith. Who is happy? Thank you. Satan is happy. Say yeah. Yeah. It's not by faith. It's not by faith. It's not it's not by prayer. I say ah sir gron is prayer part of that warfare there is faith part of that warfare there sir you say is not part of it it's part of it s it's part of it sir hallelujah prayer is part of it sir amen you know prayer can destroy sabotaging mindset Was Jesus praying in Luke chapter 9 and his countenance changed? His face was glistering in Matthew chapter 17. And as he prayed, his face can prayer change your countenance. At least receive prayer can change your countenance. Okay. Prayer can change your countenance. Prayer can change your countenance. Prayer can. So we talked about faith and we said the tensile nature of faith in the Bible that there's weak faith, little faith, great faith shows you that faith can be seen. Faith is called action. The action the action of that woman was why Jesus said great faith because her will she kept coming three times silence rejection and insult and she still said I will receive my healing. Ah just say I've not seen such this is great faith Jesus said I will come and heal your child the centurion say no don't to come to my house just speak the word only and I know my servant shall be healed. Ah just I have not seen such great faith. Look at all the cases he called great faith. There was an action. That's how you must be and they don't outgrow it. I beg you. Oh, I will never see life. They um once um I'm doing well financially, I don't really need all of these things. There is no place you get to in life. Oh, you realize that money is a defense but it doesn't solve everything. Oh, there are people that with money have done 20 IVF. It not work. Baba, you calm down. Oh, don't be overestimating money more than his place. They have security. There's police. There's this. But the person was still shot dead. Ah, did you not buy security? Yes. We suffer say there money cannot do everything. Ohh money can do a lot of things but money does not do everything. Oh no no and in fact that is in Ecclesiastes. Let's read that so that and he calls it the excellency of wisdom. Ecclesiastes 7, wisdom is good with an inheritance, and by it there is profit to them that see the sun. Verse 12, for wisdom is a defense, and money is a defense. You see both of them, wisdom and money is a defense. But it now shows you that wisdom is a greater defense than money. But the excellency of knowledge is that wisdom giveth life to them that have it. It's not everything that money can do. Of course, this

wisdom he's talking about is the fear of God. It's not it's not everything. For example, money cannot save your soul from damnation. And that is the most important thing in this world, living cuz man was made to live unto God. Hallelujah. God wants you to watch to gain the word and lose his soul. So is it gaining the word that is the problem is that you lost your soul. So because that's the issue with people that gain this whole world and not serve God. They call him rich fool. They say my soul has laid up enough goods. Take your rest. I don't need God. Don't get there. Don't fall into that trap. Now of course people always assume they know what we are talking about. You don't. You can only know theoretically until you start seeing millions in your account and until you start passing 10 and 20 you will not understand what we are talking about that you money can making us serve God. Money can change your attitude and your and the way you relate with people the way you treat people. See see I said it everybody's looking at me. Don't worry give it time. Let's see. So that's the pastor. Sometimes I'm wondering see the hands on the s what's the why are they all burning down to greet him for 7.5 million your account. You don't even know if it will still be there tomorrow. I've not even started life. If you ask him do you have network doesn't have doesn't have network he just has his car and the money in his account hand for pocket no respect you see but you think everything is about the man of God that if you say let his way be closed his way is close because things don't have meaning because you think everything is about money everything is not about money s just raise proper you don't use money to money is not how you relate with people money should never be in your heart put it in your pocket Put it in your account. If you like put this plate and spoon, but don't put money in your heart. Have it everywhere but not your heart. Money is a bad master. Always have money as a slave, as a servant. You don't use to use and if you don't tell yourself this, that's why I say charge them that be rich in this world. If you don't tell yourself this, you will fall into that snail. The love of money is the root of all evil. Ah so faith will help you to be strong with the power of God and we said faith activates the ministry of angels. Abby second thing we talked about is the the place of prayer and fellowship. Abby the place of prayer and fellowship that when we pray we engage forces. So if I don't take prayer seriously am I doing myself? Yeah. Daniel chapter 9 we saw that. Acts chapter 12 we saw that I read several texts for you Isaiah also when Isaiah had finished praying said then the angel of the Lord and 185,000 of the you see consistently that prayer activates the ministry of angels revelation chapter 8 where we saw angels and prayer together incense and all of that God delivered him from negative expectations. So now very important James chapter 5 uh verse 16 notice what it says about prayer. Confess your faults one to another that you may be healed. The effectual favven prayer of a righteous man availth much. The effectual fing prayer of a righteous man does what? Yeah. The effectual fing prayer of a righteous man availth much. So prayer changes things. And he prayed again and the heavens gave rain and the earth brought forth her fruit. He prayed again. So Elijah was a man. He prayed and there was no rain for the spirit of Ty and half years. Verse 18. And he prayed again. So Elijah prayed again and again. So prayer is not a destination that you will

say I have prayed. We never arrive at where we are finished praying. 1 Thessalonians 5:17 pray without ceasing. So it's it's it's a it's a forever journey. You pray a destination that you can say I have finished praying. You don't used to finish praying. You only finish praying now for this moment. Not that I finished praying. I've never I've not finished praying. No. Because prayer is dependence on God. That's where the origin of prayer is man was made to depend on God. So I must have a heart posture of prayer that I'm always in dependence on God. So I never get to that place where I say even if God were able to open the windows of heaven this thing cannot happen. I don't get to that point where I say ah you know how much I have in my account. People have lost their money. Oh I know so many person have lost their money millions and billions. I know it's not I read I know. So people lose money. I've lo All right. So in prayer we activate the ministry of angels as well. Prayer engage forces. Now remember we say unseen forces is unseen influences and ah you are quiet. Oh I told you unseen forces mean now. unseen influences and power and that unseen influence and power can come from God from angels good or bad and from man because man has powers where man was made to have power. So when we are dealing with unseen forces all of these things are in place and in this series that we are concluding we are saying being wise and strong with his power and we're saying how am I wise and strong with his power or how am I going to so the last time we said I think 10 things or 12 things if I can recall but now we are just tailoring it to the emphatic places because you and faith. There's so many things to faith. There's so many things to faith. The place of prayer. There's so many things to prayer. Hallelujah. In prayer, you become more discerning. And there are three things we must learn to discern. Time, events, and men. Must learn to discern time. The times men and events must be discerning and prayer allows you to be discerning. You can discern the times. You know that no this this this season. No, this is not the season to be doing this. This is the season to be doing this. This is the time to be you must be able to discern the times that you are in. Must be able to discern men. Everybody's the same. Everybody same. Everybody's not the same. Oh bab they pray everybody is not the same. Oh that is not even true naturally. Ah our knowledge differentiates us. Our in fact our money many things are differentiating us on this earth. How can you say everybody? Everybody's not the same. Oh that is the way of dishonor. Everybody is not the same sir. I'm not my father. My everybody everybody's not the same. Everybody's everybody's not the same. Don't be having wrong. We are the male and female are two sides of God's house. But we are not the same. The male is the male. The female is the female. Which one is we? We are all the same. What do you mean? Always explain what you mean by the same. If not, it's not we are all the same as what? Explain. We have the same the same what. But how we use it? We may have the same Lord, but how do we follow the Lord? We don't follow the Lord the same way. We all have the same Holy Spirit. How are we following the Holy Spirit? Is there's difference. So now like I told you, we all have power. But I not saying that there's a difference. We may all have the same power, but we're not using the same power the same way. The way we use it is that

is why some of us what we took from that power is small generator. So that's the one that you now say this is the power that this person have. The disciples could not heal that child. But was Jesus able? Yes, obviously they don't have the same power now. They are not using power the same way. You understand the same context. They don't have the same or they're not using the power the same. There's nothing like leave that thing s there's nothing like that. Leave that thing s there's nothing like that. There's no difference in men. God himself said though these three men Noah, Daniel and Job were in it. If God was everybody saying why is he separating these three people in Ezekiel 14:14 though Daniel Noah Daniel and Job were in it. Obviously people have stature. The other place he says even if it was Samuel in Jeremiah 15 then said the Lord unto me though Moses and Samuel stood before me yet my mind could not be changed. That means these people have such power to almost change God's mind. We all the same. How Samuel not fall to the ground. How many of your fall to the ground? Calm down. That's why there's no growth because every time you see something that you say we are all the same. Are you living a fake life? Always live a real life. Don't live a fake life. Oh, look at the results you are producing. Then you now know you have need to work on these things. Add to your faith. It's not is finished. Add to your faith. Diligence. Add to your faith. Let me read it for you since you're looking for med. He said there's nothing to add to my faith. I'm born again. That's all. Baba. Sorry. So it's not Bible. I don't know where you got that one. Peter 2 Peter chapter 1. And beside this, giving all diligence add to your faith virtue to virtue knowledge to knowledge. They add to faith to add to faith to say I know Jesus. And that's all. That's not all. That's all for the salvation of your soul. But that's not all for your Christian living. You need to now know what you have come into now. God wants all men to be saved and to come to grow in what you have come into. You you remain at the door. Oh, I love the door. Oh, Jesus is the way. Oh, Jesus is my door. Oh, I love the door. Oh, I love the door. You don't go enter, you see the interior and see all that things. Move around the house. You I think builders, everybody that have house that live in the house know what I'm talking about. Imagine somebody comes to your house and just stay at the door say I'm comfortable here. Everything you are doing at the door move now go into the house. Amen. Amen. Clear. Clear. Clear. Faith will help us to be strong with the power of God. Prayer will help us to be strong with the power of God and wise with the power of God. So in prayer you command power. In prayer you command power. Prayer makes power available and I I will now joke with it. Ah I'm not I'm not a fool. If prayer makes power available, don't I want power to be available for things? Then I must pray. Then I must pray. In prayer you put Is anyone lacking? Let him ask. Ah in prayer I have wisdom. James 1 vers5 I take prayer ser. In prayer you put on strength. I wake put on your strength. In prayer you put on strength. Ah bye-bye we pray. Oh the pine prayer strengthen with might in your inner man. Those are all prayers. In prayer you put on strength. As Jesus prayed he was strengthened or was he not? Prayer is how you put on strength. Oh Luke 22:41-44 Jesus when he prayed be anxious for nothing. That's why we pray because if you have

anxiety obviously are not prayerful because we cast everything on the Lord. The devil will do his best to get you not to pray. Is in prayer we war with prophecy. Be sensitive to the spirit of God. Is in prayer. Prayer you know God's will. In prayer you are discerning. You are to discern times, men and events. People are not the same. Oh, the woman said, "I perceive that this is a holy man of God. Let us build a house for him, a place for him to stay so that he will not be lodging the way he's lodging. That thing gave her a child perceiving she I should not been there like that. I don't know many rivers I could have. The woman said the man not tell you how something go and dip yourself in the river. A man would have still be lepros. So let him come. They will know that there is a prophet in Israel. There's a God in Israel. Amen. Hallelujah. There are people God set up for your rising. Oh, be treating everybody the same way. Now there are people around you that continual season in your life. I don't like when we we we defy men. Get out child of dishonor talking to you and all hater of righteousness because it's a spirit that is talking through that person. You must know when people talk that thing looks like a serpent. You should be able to hear it in the voice. Which one is that one we are talking about? Oh, the gift of this man. He has helped. Say what is of this? We don't worship men here. So, so I'm an idiot. I don't know what worship mean. I worship God. Why would I worship a man? We must notify men. You can insult your father and everybody your life. Leave me alone. You must learn how to tell people hold your peace. They say do you know that God going to take your money hold your peace you know you know they not take anything the one that kept following if you see me when I go he's the one all of all of all of them say ah God has as the spirit of Elijah does rest upon Elisha but he kept shutting all of them up because you must shut up distractions from your singular pursuit and focus because you must know the place of men in your life say where can do that somebody else cannot do what can he do that someone else cannot do you are you are you you must be young you are really inexperienced in life no we discern times men and event later that same person say I need a destiny helper no you don't need anybody in this life oh you must discern men you must know this person is important in my life and you must know how to treat relationships all forms of relation and prayer helps you will know that no this one careful with this relationship prayer you discern times events that no no this is something I should put myself into say no because you know they pray you are not discerning you are not sensitive you are not taking note of things hallelujah prayer allows us to have orchestrated actions proper steps orchestrated actions prayer in prayer our eyes are open and you say I should not pray you lie you lie oh and I told you prayer is more than just petition oh lord oh lord prayer is more than that there are other types of prayer that's why we say prayer and fellowship that you understand because if you really want to have wisdom you will know why we pray for long anybody who say it's not by pray for long he still have his father and his He has a good pastor that is making he has a good pastor that he wants to keep and he will not give that pastor money or no hiring thief will not see say thank you. No let that person not have time for you cuz you are not praying now your father is not praying for you. Nobody's praying for you. No

person is praying for you but you know last. You are the one thinking nobody's praying. You know people are so bold to say you say I'm not praying but everything is okay. Who told you? Who told you? Try it now. Try it. Try it. Try it. Go to a church where is entertainment. Let your father and your mother also attend that church and all your friends attend that church. Bet. You will know. You will know that there is something called attack. No, you will see it. No, we everybody is everybody's forming everything. Let all your your your new church care about it. Plard greet us. Welcome. We love you. Everybody say take two hog. You come in. Say this is two hog now. One from the man, one from the woman. Cuz the woman is more important. Why you come back? Then put ladies like prostitutes to greet people. Then when people come in they say the everywhere the ambience then light like we disco hall no problem then after that which is not funny of those things as long as the main thing is there but the main is never there say we just want to do 45 minutes in this church I don't want to stress you stress me sir I'm going home to watch him sir I'm going home to go and eat food s I'm going home to go and sleep I'm going home look like everything people do in life is work hard no people relax See 45 minutes 1 hour and you know where people have problem don't call that kind of pastor you know fear will not allow you you know that you are going to die if you call that ah you will say do you know a pastor who prays that people know say ah you not call the pastor that you always say oh his preacher is in barbish you know call him the day of evil Oh, because that's who and that day of evil. I wish I wish he only comes once. He used to come more than once. He say hello. Hello. He say sorry or I'm relaxing. Say pastor sir. I say I'm I'm out and having a good time. Say sir, please. It's my family sir. God will provide a new one for you. For God giveth and God taketh you you you will know that the gift of a good pastor God have solved half of your problem already not by men is not by men [Music] for you go where you cause men to ride overhead where men are you will know that some people look at what they thinking the devil is after me. Is he not a pastor that installed that software? So that pastor, does that pastor not work for the devil? Cuz he installed a stronghold in your mind casting down stronghold. The stronghold did not come from you mingling with unbelievers. He came from church. A pastor installed the stronghold. You say we should not take. No, we take. That's why I say note them among you that labor in the word. Notice not say any pastor that labor cuz there are many now. Yes sir. Ah there are many oh very many mad pastors all over. That's why you hear I'm I'm always when I hear a pastor say it's not by prayer. Run say you know I'm your pastor. I don't believe in prayer. Don't come back next week. The day you hear that we no longer believe in the supernatural are wrong. That's not a church. Oh, there's no pool of the reservation there. Oh, I is a bart church. That's not church. Oh, bad chart. Braft. I can get that thing on UDI now. Go to go to Cosera now. Sorry, I'm advertising for them. I don't know them. So, I'm not advertising again. I don't even know if they are trying. I have to add that part. I don't know if they are good. Okay, leave it like that. The goal that most all those things that I used to say, Kai, this pastor, what a great thinker. I could have gotten that by leadership institute. I cannot be getting things from church I can

get without coming to church and I'm saying my pastor is a great pastor. That is the person assigned against my life. Everything I'm giving in church is what I can get outside church. No. That's what society is like. I should have just joined parkour community. I should have joined an NGO and you will do better in those associations than in that kind of place. No. Now it matters. Oh matters who is raising your hand up and is not allowing your hand to fall. Number three, the place of meditation. The place of meditation and internalizing God's word. Joshua 1 verse 8. And this where we end. You guys are trying to make this series longer. My God will not allow you. All right. Joshua 1:8. This book of the Lord shall not depart out of thy mouth, but thou shalt meditate therein day and night, that thou mayest observe to do according to all that is written therein. For then thou shalt make thy way prosperous, and then thou shalt have good, this is the word prosperous that is causing trouble today. People hate this word, but they can wish each other prosperous new year. Hypocrites once you just I remember telling some persons in the world your crystal crypto community I said for us in L10 this our year of prosperity say man of God year of prosperity I said yeah prosperity I said uh you believe in all those things believe in what sir I always don't know what madness He say um uh materialism. I say come on now. Stop acting like an idiot. The word I used was a foolish person. How is materialism and prosperity the same thing? Oh, I see. How can you think if you are are not intelligent should I follow you? How can materialism and prosperity be the same thing in your dictionary sir? And I say oh I thought you have joined. Joined who sir? Is everything about secret court? Which one you join? Where sect are we joining? Join who? You think I thought you have joined them? Join who is the them? Are you against money? Say no, I'm for money. Who am I going to join? Am I going to join poverty? Say join. Join who? Say no because you know they are prosperity preachers. Who? Which one are you? A poverty preacher? Let's be say no. You know, man of God, you know what I don't know what you mean, sir. is those I used to know but now I don't to know again cuz everybody be knowing what they mean know I mean people who all they talk about is money but that's not all I talk about now so I I I shall get it not get anything he's looking at me from afar pastor go is a suspect now get get away should you have been in my life I should have prayed where you not have come the first way. People I should be stopping to enter my life in prayer. They are not happy. There are some people that like I will be careful of you. You is God that have answer my prayer. I have now seen the people that should be far from me. You are saying how can you have a problem we having you are not a human being. You don't need to be a Christian. A man I I this is insanity. Have you seen a human being that is against making progress then that the same thing is feel that when you say you are against prosperity no be against now when people say prosperity preachers we know what they use that slant to mean today but I don't like it however I understand and I will not call myself that because I know what they use it to mean God forbid and I will not be called a prosperity preacher for any reason because have you seen I I saw one video today I was prosperity preacher. He read Ephesians 1:3 say blessed be God who has spiritual blessing. You have riches in Christ.

Hey my God, this is the problem now. All these people they they make they teach all of us they mad. Which one is we have which is in Christ by being born again? He say being born again gave you money. How now? How now? No. We talk with sense. How? How did I? So the day I meet just my lord, money came out to say no that's not what I mean. Baby say what you mean now? Is riches in Christ? Because I'm in Christ. I have money. How? How? They ask question. How does God print notes now? How? How do I have riches in Christ? By I'm in Christ. I have money. If you want to be foolish, you know all of us now I just But it's different when you now say God cannot meet my needs. Ah sorry we get problem there. Say God cannot help me to make money. Sorry I don't follow you for that one because we can explain say God because if you just have it as a blanket is automatic. So what about the question I don't have? You say they did not know the secret. What about the unbelievers that have stop don't be saying stupid things that is the prosperity preachers we cannot drain them now those ones are wrong doctrine now we don't teach wrong doctrine yeah but we don't now use that to be opposed to so we have a series on doing big things progress I told you that word prosper is simply like you are on a journey they say prosperous journey prosperous journey does not mean you have made money Your journey now it means the journey is fruitful. Yes sir. Is it not what you want? I be not want you you know when you they do go walk. Yes sir. Why will somebody not be against that? He say no. When you put it like this we are not against it. That's how everybody is putting it now other than the so don't use prosperity preacher say materialistic preachers because if for any reason you are ever adverse against prosperity in your heart. Hey, don't ever be against prosperity in your heart. Oh, oh, you will use God to back up your poverty. That is the that is the weapon fashioned against you. That one is pure from Satan and he's not using God. That is the forces. So every time you want you say is God is God is God wants me like this. Ah he delight in the prosperity. you every time you read a text that was of everything. Why do your heart always fail you? No, that's not what it mean. Why do we always have to quickly say that's not what it mean? What if it's what it mean? Because we don't do all this apology for healing. We don't do it for you walking in joy and peace. Why do we always do it when it comes to having? Is it not having that making this church not full? People they also they not come church Wednesday money must drop. You say we should not talk about money. We have to talk about money in church. Oh because people need and not talk about money like we are making money the subject or making money our God. Money is not our God. We know the place it should be. Amen. Amen. Man shall not live by bread alone, but by every word that proceeds from the mouth of God. Matthew 4:4. God wants us to prosper and succeed. I do a post on this tomorrow. So because there are some people when you hear the word success pastor you believe in success. No I believe in failure is in ministry that we don't use success. We don't define success the way the world defines success. Success is not a term in ministry because it's assignment is fulfilled. We are fulfilling what he said. So if you are using success it must be that the success is in line with fulfilling because ministry is you were given an instruction. If I say clear and you

went to go and clear there you are not successful. You are not fulfill what God said. So ministry is by instruction. We fulfill what he said. So we fulfill our ministry. We understand that. So if if you are using success from that parameter but not to be against the word success now which human beings against success cuz people worship you against the word success you against the word prosperity what do you not like failure poverty sorry oh not follow you then shall thou make thy way notice the word thou shall make thy way is that not what you and you go go change the verse say no it's not make thy way prosperous you see that prosperity there that's not baba prosper if you want prosper make your way prosperous notice I teach those same things but I explain uh third John 2 I wish above that I wish above all things that thou mayest even as I wish above all things that thou Why am I misquing that? I think I'm misquing that. That's not That should not be how it is in health. Sorry, I was removing something. And being held and being held even as thy soul prospered. Anybody that went to school so prospering, should that be materialistic? Should that only should that be money? So so prospering obviously now so this is a wrong text to use to be explain you have made money because I wish above that may prosper that's the first one that's if there's any place you want to is that first one may prosper because God is for you prosper and that's not money that's you doing well and the context in which you should do well is plenty it's not only one area you should do well do well God wants you to do well but in that context is talking about walking in the truth food. So I've not joined them. I be see I can explain the text where it's not hunger that called me. Oh, it's not hunger that called me. It's not sba. No. So I I don't twist scripture for filthy loca sake. Amen. So man shall not live by number but by every word. You know there are people that's why you must renew your mind. Like I said I'm looking for a safe place to end. I'm not seeing the safe landing. I'll soon see it because I don't want the thought to be scattered. You know there are people you call them. You say um brother Caleb take this money for example. I hope it's not like that in real life. You say um brother Caleb, I want you to um travel and um you tell him uh you send him um 247,000 for the flight. You say uh for your flight cuz I want you to come to Abuja. She sent you 247 and you say for your flight now but now say 247,000 and now go and use night bus to go to Abuja he cannot rise those are sabotaging mindset you may laugh now we are all pretending in church now but many of you are like that you always find that you say I'm not a fool you are actually a fool I'm not a fool absence no you front. That is how they go down in life. Is the same thing when people raise you up, you always have to come down. There are people you raise up now, you lift them up lie. They like gutter. They like the trenches. They like they like coming low. You carry they go up. They will carry they go say ah sir I say I belong to the street they can't rise ah you give them a good pair of shoes say sir for who for my grandmother now since I don't know who I'm giving shoe to can't every they is sabotaging mindset be comfortable with good things ah Ah, you now call it holiness. That is not holiness. Oh, no. Just talk about that you are unexposed. All those things are being unexposed. You not call it I being conservative. No, you have you are being poor. It's not you are not being conservative. You are being poor

and you are coming from a poor background. There's no conservativeness there. You are not being conservative. You are not being if not God will not have God who created abundance of mineral is he not is he being wasteful it's not being wasteful now no don't be doing is the same thing exactly when I needed 12k 12k came dying moment the why is everything your life dying moment you know they get before the dying moment cuz you can't think like that and it's also patterns so God's word when you use God's word and wash your mind. Use prayer and wash your mind. You will be wise. That's why we're talking about this thing in this series. So being wise and strong with his power. You hear that uh you have uh 3 months to live and so what? Why is it 3 months to leave? Who determines the three months? You say from what we studied. case I won't argue with you about what you study but 3 months cannot be it because your mind but if your mind is not washed by God's word 3 months I don't have a child yet I don't prepare no my timelines in prayer we capture timelines the same way human capture timeline and so that this is the best time to kill the Jews you know the timelines that I've captured I've captured I've captured many many timelines. So I know how the next 20 years will look. It will make this year look like a joke in prosperity. And I know you don't like it. But for it will make this year look like a joke. I've captured I've captured it. You see it's me that told you I've captured it in prayer. You capture timelines. Ah now is the set time you capture in you this time you capture it that this is how the days should be you will capture the time that's the exact phrase the same thing people who study constellations do and know the that they capture timelines to know that that same that's why they now say this is the season for farming oh boy once you study the laws of heaven you capture timelines so once you know how the it rules over the and prayer is one of such ways you capture timeline. So it's not just I'm just praying because I want. No, it's in prayer. That's why I cannot finish praying sir. When I know finish praying sir, I cannot finish. I need to be wise every day. I need to be sensitive. How can I finish praying? I'm not finished. So no, I I just wanted to eat and do other things. But I will still pray. I can't be done with prayer. See mindset. You always have to go back to the trenches. Go back to the gutter. go back to so where is the best place you would like to uh set up your family uh as a uh um as you marry and all of that where would you like uh what kind of house would you really like there face me I face you um a single room you can't be can't what this what you will like this say what your money can do you see people that they swear for this say what your money can do what you like then the person now say okay so how much is that now give you I know I know I know I know the spirit of I know you don't pray you don't renew your mind with God's What they do like that? Amen. Amen. Clean it. Clean it. I don't know why we build house and build 10 rooms. Why not just two rooms? You think this is holiness? Calm down. Calm down. Later you are saying sir I don't know if I can stay I I have nowhere to stay. You see I know what all those 10 rooms are for. Go and enter one and sleep. If all of us thought like you would we have room for you now. Look at people sir people just travel down. Is it not your house we came to put some of if you didn't have two if everybody is doing like you I must have only one ro till I die. Where do we now

put that person? Yeah. Don't be against prosperity. I'm telling you because know what you are against. I'm against materialism. I'm against money having my soul. I'm against money. But you see those mindset where you don't have proper pictures. It's in God's word. Guard your heart with all the diligence for out of it are issues of life. Life gives you what your mind detect. Is the that's that's why they can't give you big money. Anybody that is giving you 5K consistently that have 1 million is because that's the mind you have. They have look at you and say I know that's what it's worth. Every time every time somebody say I want to help you keep calling me just give me a three month. In three months all he gave you is 5K. Does that not tell you that is what he saw in you? It's what he saw in you is what he saw in you. It's the same thing. And let me also say this for those of you when we say ah I give him millions. I giving be happy giving your 10,000. If 10,000 you have start everybody from somewhere be happy giving your 10,000 be happy because for some people that 10,000 is all that they have. Give it with joy then you will rise. Give it when it become 20,000. Give it with joy. Not that you have billions and you say did you see it sir? Did you see? Well we've now find out what we saw is 52. No wonder they never allow the allow to come. Calm down. Be grateful for And that's why when people give me 5,000 I thank if these days bank my bank doesn't allow me to see people's name again. I don't know what I did them. I've complained and complained. I just see account. I just see money. I see I Lord favor them. That's the best I used to see name. I just used to see money. Who they sending money except the ones that send me people that send me receipt. I say ah God bless you. But the same thing I receive whether I see the receipt I don't see receive I still say God bless you. Ah God favor this person because the when people give to you you just pray a prayer for them. It's biblical. Philippians 4:19 would not have come. You know Philippians 4:19 it's not a prayer for everybody. It's a prayer for givers. You say I claim it not claim anything. It's the people that give that they pray that prayer for my God shall supply your needs because they were generous people. So there's nothing wrong in generosity. Amen. Renew your mind. Oh, so if he's and don't ever get to that place in life where you you are ashamed. Say that brother shared the testimony of 1 billion. Can I share testimony of 1 million? Share your testimony and don't be stupid. Why you have low? That's what you have now. That's a big thing now. Is reason why people cannot grow. Is this somebody that the skill level is is is 25 size 1 million NRA. Even that J is not going to work. Ah 1 million 1 million with this your 25 brain. Ah no now stop it. Stop it. Stop it. Stop it. Say the favor on my tongue now lie. You be thief. There's thief in your tongue. Ojibo grow into things say say there's favor your tongue now thief you be rich which favor your tongue grow be able to deliver increase your value now lie you they go down in your value before you were having now any you cloth put her there cloth now cloth I just put inside water the white change to blue cloth now cloth she See now cloth now cloth you use the tape to gummy say no go see him now the now the leg now the leg of the trouser are you so sewing for for a cuckoo great one is a wine just tell us who you are sewing this cloth for is a wine Wise one live forever. This dress is for you. You pull rope. Is it chief priest or priestess? You just giving me native bead

now. Let me also put it around my waist. Say is the new style. Don't be doing like that. Amen. Amen. and you renew your mind. Renew your mind. Renew your mind. Nothing wrong in being a conservative person. But don't be somebody who has mindset or pictures that are against progress or doing well in life. Yes sir. But if everybody have that mindset, nobody will have to give to anybody. Church is not the place. It's not Robin Hood where we rob the rich and give to the poor. We no everybody is told to give. Even the poor are told to give because there's nothing like you you don't have so you don't give. No, everybody is to give. Because generosity is not about how much you have. Generosity is about the heart. And that's what God's word is. Yes. Generosity is about the heart. That's why all the example of generosity in the Bible were not wealthy people. the widows might the young boy that gave the Macedonian church in all of them gave in their poverty now in their deep poverty so it's to tell you that there is generosity is not about how much it's about the heart where your heart is there your treasure is where your treasure is there your heart is if you love something you will give to it the same if you love somebody you will give to them you not say I don't think they deserve it no it's the same and you use God's word to wash your heart. Guard your heart with alance for out of it are the issues of your life cannot go beyond how much you have guarded your mind. So if you use God's word to guide your mind well and in prayer with distress sabotaging mindset then the greatest place to destroy mindset and to build mindset is in this meditation. That's why I say you will make your way not God. You will make your way prosperous as you stay in God's word. Pictures will be rising like ah no this is not it. This ish this is not no I can live without that sickness. Look at this Bible year. Now look at this. Look you have enough evidence. Can God do this? Can God do this? No. I have enough evidence. God can do this. You renew your mind with God's word. The more you stay in God's word, the more you have those proper mindset. Stand on your feet. Learn something. Renew your mind with God's word. If not, you are the weapon fashioned against you. You are the force against your life. You are the unseen forces against you. Renew your mind, child of God. Renew your mind child of God. Imagine you now combine them. Ah, as you soak in God's word, you notice revelation knowledge can come which is what we say trigger is faithful. Imagine you pray as you after you have in the name of Jesus. You read that verse. You're looking at it. I will he will keep them. I'm meditating on he will deliver me in six years. He said we are meditating on it. We I'm meditating on it. You now start using it to pray. Ah see the combo now think not good for your eye. You have God's word. Say so shall your profiting app your progress will appear to all. Meditation is how progress appear to all. You meditate on meditate on those prophecies. Meditate on those. I think on the words of blessings that are over my life. I say as I finish thinking about I imagine myself living in it. How does life feels living inside this world? I lived in it first in my imagination before it came to pass. Oh that thou wouldst rent the heavens and come down that the mountains may flow at thy presence as when the melting fire burneth. It is the fire that caused the water to boil to make thy name known to thy adversary. When thou did terrible things, verse three of Isaiah 64, which we look not for.

Hey, God did terrible things which we look not for. That's why we stay in God's word. God exceeds my expectation. That's how I have. That's the picture I have. Even five loaves of bread, he still had abundance. There was still extra remaining. That's the God I serve. Exceedingly abundantly above all I can ask or think. My God exceeds enough. Enough. Nearly enough. No, papa. He say leave nearly barely getting along street from barely getting along avenue. Leave all those barely getting along road. You may start there but I'm not permitted to end there. If you really love people you want to have because it will help you in loving people. There are a lot of people to help a lot of people to take care of. I know it experientially. When you really love people you want to have because their matter will pay you. Please soak yourself in God's word. Yes, sir. Let all those dirty. How did they talk again? Pigeon. Yama pictures. Thank you. Long may you live. Yama pictures fade away from your mind. I don't like the limelight. Is poverty that is doing you like limelight. It's it's not church you are doing in business. Don't be stupid like limelight. M fact go and be popular in your business. I I I don't like is it church you are doing or is business you are doing there don't understand the system that one is not that one is business it's not church now push make your laugh with your say no I don't want the whole world to know me then you say I want customers to come the business that have many customers the world know them I I I feel like uh I I just have to be modest what do you think modesty means poverty I just want to be count contentment is not poverty either. Be opposed to things that do not help your progress. Don't be don't don't pity it in your mind. Start where you are but rise. That's how you know that the man that is starting and is now greedy that you don't see him now be not be having be the person issue now t be no structure nothing in place the billions are coming to who to who with this brain can this brain host billions can this business host billions the way you are even structuring that looks like is for is for the destruction of the nations Don't do that now. Then you not say I really stretching myself. Pastor has given us words. I not give you word though. I not give you word. Don't give I know it's not me that gave you that word. You can't rise. You can't build. I will start with this. Sometimes as you pray, you will see God teach you the same thing. Be faithful with this. You know they faithful with little. No. Faithful with little much is committed now lie I I'm faithful with great the great not great come even in prayer God keep telling you say no no no no I'm not nobody will tell me that you grow in things you build in life you just want to start from the top the top you will still grow so when he says small beginning that small beginning can be big beginning but because that's not where you're going to end it's called small beginning that means always have growth in mind. Always have growth in mind. Always have growth in mind. Always have growth in mind. And that's why when you want to jump to the top like that, God will associate you with people because there are people that they will not help because they already at the top. They will help you. You know they serve anybody not close to anybody. I know you hate mentors, you hate advisors, you don't work alone. No. Let God's word remove that. Yama. Let God's word clean your mind. Yes, sir. Think properly. Yes, sir. Renew your mind with God's word. Yes, sir. The same thing

when you hear get a doctor's report. Say, "No, no, no, no. I've seen too much healing. There are pictures I've seen. I've seen too much healing and miracles to believe that this one is too hard." Use it to clean your mind. So that where is the doubt coming from? Because that doubt you will you will swallow it with God's word. Swallow that doubt with God's word. Pray in the Holy Ghost. Lift your hands and pray in the Holy Ghost. Thank you Jesus.
