

service. The things that ought to be said will be said. The things that ought to be done will be done to the praise and glory of your name. We open ourselves for miracles, healings, direction, lifting, and we know that we truly shall be edified. Our needs are met supernaturally as your word is taught and even via the ministry of angels. Amen. Amen. Amen. God bless you. Have your seats. Amen. All right. Again, we said what is unseen forces? We said unseen forces. It's uh unseen influences and power. And that will be the unseen influences and power that be of God or of supernatural beings which refer to as angels either good or bad and man acting in the acting with power also either good or bad and because a man negatively which will say magicians, sorcerers And all of those people acting in power against you is also an unseen force against you. I be so unseen forces deals with the influences and the power of the unseen. And that unseen could come from God himself or from supernatural beings, angels, spirits or from man acting according to how he was made. Amen. And in the course of this series, I've taught you about the forces of time and chance, how they ought to be for your favor. Amen. The ordinances of heaven, how they rule the earth. We've talked also um the flowing from what we did extensively more last year. We repeated again the nature and the function of supernatural beings. Hallelujah. And I gave you uh six nature terminology that they are called spirits, they are called heavenly beings, they are called stars, coke beings, holy ones, kadoshim and they are called the use of the word gods. G supernatural beings were called gods, sons of god also make it six. And we looked at function terminologies like we said we taught this extensively more last year uh theologically more last year and we also looked at the function of supernatural being and we looked at angel is a function technology is not a name as it were a function is just the same way a doctor is a function technology however the person can be called a doctor however it is a function amen so angel is function technology engines and the uh that's the function technology we looked at um watchers host Chevro beams ministers and one I mentioned last year mediators angels are mediators and that's one of the most uncommon part people do not understand about the function of angels that angels mediate angels mediate about matters intercedes about matters because there is like a law court setup and I've taught you that also extensively last year so that we do not uh break off from our line of thought because we're concluding what we have been teaching for some months now. Amen. Hallelujah. So we also had had to look at the authority we have in the three words in heaven on earth and under the earth we have authority in the name of Jesus. And um I told you that for if for any reason you ever fear the devil something is fundamentally wrong. If you ever fear the powers of darkness, there should be an excitement that comes to you when you hear something is caused by the devil because that means you don't have any issue. Should have you should be more bothered when somebody else is using common sense or human power or will or strategy than when you hear that this thing is they are calling your name somewhere. They are stabbing mirror. That one is not something to to lose sleep over. because you have authority over all devils and you must learn to use your authority authoritatively. Then I also

told you to be careful about that um uh over sab theology that has this idea that there is nothing like uh Satan attacking people or affecting people. That is not true in scriptures. In fact, Jesus whom we teach and preach said, "Ought not this woman whom Satan has bound this 18 years be loose from my infirmity." Some pastors teach in a very weird way like maybe they don't have members or something or they don't know what is happening in the world. Many lives have been destroyed. Maybe because they don't pray, maybe because they don't have uh the spirit of sin and knowing because any person who functions by revelation should know that people's lives have been messed up a lot. However, that doesn't mean that the Christian is under that. And we said the only place a Christian is under those things is in ignorance and unbelief because ignorance and unbelief put you in Satan's domain or Satan's scope of operation. But we are not in ignorance or unbelief. Hallelujah. We are not in ignorance or unbelief. We are not in ignorance or unbelief of God's word. We're not. We know who we are. And we said the truths of who we are are appropriated in our living. We must appropriate it. We must so it it will do nothing to you to just say this is who I am in Christ and you aren't doing something with it because it's one thing again which has brought people to that place where they say all these new Christian realities count me out of it because I know too many powerless people doing I know who I am. I know who I am. Sorry we don't know those people. We are not one of those people because when we say we know who we are, we actually know who we are. Is not something we are paring is something that we actually are. Amen. And once you are very conscious of that identity of who you are in Christ Jesus and you live and walk like that, you will notice that you would walk in dominion over everything contrary. Amen. Hallelujah. Ephesians chapter one Paul was very loud about the power we have and we also explore that in this series that six grace six Greek words he used to explain the power we have in Ephesians 1:19 what be the exceeding greatness of his power to us what who believe according to the working of his mighty power so exceeding greatness of his power exceeding the word hoop the power exceeds target then use another word the greatness there's nothing beyond the hand of God the where you say uh I want to be a great footballer like um Lena Mercy, Cristiano Ronaldo, they are the great. Hallelujah. Pelle, Maradona, the old men before the older generations, you could mention names. The great now even is there something that God cannot do? If there's something God cannot do, Baba, you will die with it. But glory be to God, there's nothing God's power cannot do. Hallelujah. So we looked at that word the magnitude megatus in the Greek the word uh greatness then he used the word power duna means explosion explosiveness of almightiness which deals with ability then he used the word walking energy and I told you there is no working power supply in any nation even if it goes off in for 5 seconds in 2 years in 10 years that means it's not working but god's power is always working there's no second I call that maybe it's like bad going from one journey to another journey that he will not answer. No, the power of God is always on. It's us many times that that switches it off. We we are the ones that go on and off, but the power of God is always on. There's no time.

The power of God is not operative energy is always working. Amen. And so it is you that determine how much you took from that energy. So if you took I pass my neighbor generator from the exing greatness of the power. That's why you couldn't power the things you wanted to power. But the overhead cables from the reservation is exceeding. There's nothing you cannot carry. So you're the one that use it to carry only uh you're the one that used to carry only your lights. You're the one that used to carry only two bulbs. Use it to carry many other equipment. Amen. So the working of his mighty powers of the word cltos is then the word kto. So we look at all those words to explain what you have in Christ Jesus. You have authority, you have power. Amen. And we looked at uh the structure of the powers of darkness. Whether there are beings with geographical dominion, you have authority over them. In fact, G and is and we look at that again on Wednesday. Uh though we talked about it before, we look at that again on Wednesday. That is not your prayer that defeats territorial spirit. is that Jesus in his resurrection made all of the gods of the nations to be illegal. That's why the statement we use now for preaching the gospel is reclaiming the nations because no nation belongs to the devil. Jesus by his blood has paid the price. Amen. Many times pastors speak so much about paying a price. Paying a price. And over the years I've had to teach you that the price for spiritual power is grace. Anything that you are paying pain pain is why there's so much boast you know how many years I fasted I fasted 40 years you know how many years days I fasted sorry of my own is freely given because it is called a gift of the spirit not the wages of the spirit first commission 12 called it the gift of the spirit amen for my own is a gift is not a wages is not a salary is a gift hallelujah and we labor in the grace of God. It's an advantage. Paul says, "I labored more than them." Yeah, the grace of God I labored. So, we labor in the grace does not mean that we are working so that God will give us what we already have. No. So, every Christian has the same Holy Spirit, but we don't use the Holy Spirit the same way. Again, that becomes the difference. All of us have the gifts of the spirit, but we don't use it the same way. And that's where we labor. I choose to go deeper in these things. Hallelujah. Praise God. And we have also had to correct that notion because most people have it. It's I committed a crime. I cast out a devil. I don't have rank for. We don't do that nonsense here. We don't do that nonsense here. And not because we're trying to get anybody angry with any pastor, any apostle or any preacher, but there are statements that make Satan too powerful. There are things people say that brings you under bondage without you even knowing. And there is no scriptural precedent for it. So then we also talked about how you must be expectant and for the being wise and strong in his power which has been our focus because Ephesians chapter 5. So we just begin from there again trusting I can't do a thorough recap because you should listen to the whole message and it has been enlightening thus far. Ephesians chapter 6 and verse 10 it says finally my brethren be strong in the Lord and in the power of his might be. So it's possible to be weak in the Lord. I choose not to be. I choose to be strong in the Lord because the word he uses there to be strong shows that you can be weak. You can uh so I choose to be finally my brethren be strong in the Lord

and in the power of his might. I choose to be strong in the Lord. He says put on the old armor that you may be able to stand against the works of the devil for wrestle not against flesh and blood but against principality against powers. And we said that it didn't say if you choose not to wrestle. It made it very clear that we wrestle. So it's not I don't want to I want to being born again already brings you into conflict with the powers of darkness. And many times where we can be fixated on Mr. this, Mrs. uh sister this, this person this. But there is many times a spirit working through these individuals that makes the work hard for you or difficult for you. And we had had to look at behind the scene that there is a there are many times there are operations happening behind the scene. So people just wake up and I gave you the job setup look like he just woke up and things were just happening. Job just woke up and things were just happening. But if we did not have that background story, it would have looked like is just this is just luck or accidental. But it was orchestrated supernaturally orchestrated by the devil. And but things were just happening like that. Amen. So there's a lot to learn. And so we began to look at uh how we engage, how we what we can do to engage in being wise and strong with his power. And we've looked at faith. We've looked at the place of prayer. But before I go further, just to reiterate some of the things that we have said about the ministry of angels thus far. Uh and also how we can have an advantage because that that supernatural advantage can be found in all things. Amen. Hebrews 1:14 says, "Are they not all ministering spirits sent to minister for them who shall be what? Hears of salvation." So angels minister for us. Angels minister for us. And in fact uh we must be conscious and I said if we are not conscious of the ministry of angels, if we are not conscious that I have supernatural advantage, we're not conscious that uh of the power of God. Many times in our lives, we will just live our lives without that assistance, without that aid and without that help. So must be conscious of it. We know that angels deliver messages or even bring what we call direction. Amen. And I'm conscious of that because I think that is the most common uh activity of supernatural beings or ministering spirit. One of the most common activity is bringing messages to you. And I think that is one of the most common uh I'm now sent from God. You see that uh in Luke chapter 1 for Mary, for Zachariah, an angel was sent with this message. The same thing with Acts chapter 10. For Cornelius, an angel brought a message AB saying unto Cornelius. Acts 10:3 and for send for job send for Peter. So send men to job to call for Peter. I mean even in Acts chapter 8 verse 26 we saw the angel said to Philip join yourself to that chariot. Arise go towards the south onto the way that go down to Jerusalem. So an angel told him to go towards the wilderness where he later joined himself to the chariot. So messages direction can come from the ministry of angels. Are you following? Yes sir. All right. So and when we say angels like we said it's a function terminology. However, it's also used to describe the whole ministry of God. If you want to speak in a more exact manner, we just use spirit, ministering spirit or use those any of those other six terminology, sons of God phrasing used to explain them. Hallelujah. Angels deliver. That's very common. We've even read some of those references. Acts 12:7 where the chains fell off Peter's hands and the angel picked him and

the Bible says the gate opened on his own accord. What a massive deliverance. What a massive deliverance. So I expect deliverance. Now we didn't teach these things for teaching sabi. So in we've read different texts, so many texts around these things for some months now. Be conscious of it. Yes sir. So there's no situation I'm in that I do not expect God's mighty deliverance. No. Then I'm also protected. Abby. Look at numbers 22:23. We also read that where the angel of God withstood balam on the way. God can protect me. Hallelujah. Acts 27:23 that that was also a protection and later turned into a deliverance. Paul says, "The angel of the Lord whose I am." And we read the whole of Acts 27. In fact, we read it from 26 into 27. We saw how his life was even first spared. Everything was supernatural because those men vowed that they would not eat, they will not drink until they killed Apostle Paul. And it was supernatural. And we also saw the place of the natural and the supernatural not fighting. There's a place of wisdom where Paul knew to say, "No, no, no. If tell the the centurion like this because if he had said it another way the man would not have would not have believed. So there was a way that information was communicated. Some people ah it's supernatural. Hey the power of God is working and they become foolish and stupid in how they even relate and act. They must you must know the the natural place. We saw Esther also when I we read almost the whole book of Esther. I will give you the story line of the whole book of Esther. You saw how she heeded to what the chamberling was saying because this person should know the king better and this person is saying wear this do this say no nobody can tell me oh I know what God have said calm down must because many persons have destroyed their miracles that promotion that intervention of God because they weren't wise they weren't wise amen they weren't wise so we say angels can deliver angels can protect say uh the Lord sent his angels and shut the mouth of the lions. So many times we mistake deliverance and protection to mean the same thing. They may be similar but they are not the same thing. Even your dictionary will show you a big difference between protect and deliver because deliver is I'm already in the situation and I'm brought out. Protect means I was prevented from harm. Are you following? And we see all of them. So it must not be that I'm in a situation and I'm brought out from the situation. I'm delivered from the situation. is that I'm also protected that I'm in the situation did not even happen. That's also protection. Amen. So very very very very important. Very very important. Uh angels can mediate for us and this is one that people haven't learned like I said when I was teaching you about last year on that role. Zechariah chapter 1. Zechariah chapter 1. Zechariah chapter 1 and verse 8. I saw by night, behold, a man riding upon a red horse, and he stood among the mital tree that were in the bottom, and behind him were there red horses, speckled and white. Then said, I, "Oh my Lord, what are these?" And the angel that talked with me said unto me, I will show thee what this be. And the man that stood among the might tree answered and said, These are they whom the Lord has sent to walk to and fro the earth. And the answer the and they answered the angel of the Lord that stood among the mighty tree and said, "We have walked to and fro through the earth, and behold, all the earth sith still and is at rest." Verse

12. Then the angel of the Lord answered and said, "Oh Lord of hosts, how long will thou not have mercy on Jerusalem?" That is intercession. "How long will thou not have mercy on Jerusalem and on the cities of Judah against which thou has had in the nation this three score and 10 years and the Lord answered the angel that talked with me with good words and comfortable words." So you see angels mediate over matters. The same thing Job was requiring when he says if there be a an interpreter that is a supernatural function he was using there. So one that can mediate that will pull me out from the pit. Amen. And there are such conversations we talk about the ministry of of a prophet who is a prophet one who hears divine conversations. What are those divine conversations? God supernatural beings. So there's a lot of chatter happening in the realm of the spirit, a lot of information, a lot of words going back and forth. Amen. And when you understand this major part, you realize that supernatural he said no this is in fact is that same um scenery that we have what was done unto him say nothing. Ah that's why the king could not sleep that night. that was also why is the king particular of particular with what was done unto him what was done unto him so it was not fair it's not fair a book of remembrance was opened onto you see that set up Genesis to Malachi that is the ministry of angels that is the ministry of angels hallelujah we must be conscious that we have intercession if there is accusation by supernatural by by devils and demons. Then there is intercession by good angels. And this is one area most believers are not conscious of. Many times you just praying mercy, mercy, mercy. The angels know how to take it a bit deeper and say this thing ought to be so for her. This thing ought to be so for him. There are things you enter and receive that you know you are not qualified for. It is say no this do it for this one do it for him do it for her. Amen. Must be conscious of such ministry. Amen. Angels can work signs for you. In fact the whole Exodus journey we saw signs and wonders and that will bring so many things. You can put so many things in that list. Walking signs and wonders. And we've also this I'm just highlighting things I have said so far in this series in case you didn't write it one by one. This is what I'm doing for you. All right? In case you didn't write because we've looked at angels working signs and wonders. Signs and wonders. And there is no end to the wonders. As long as it's a miracle. Ah, as long as it's a wonder. Ah, put my name there. Supernatural beings are involved in working wonders like that. Amen. Amen. are involved in walking wonders like that. Look at all the things that happened in the Exodus journey. It says by the angel that deliver them. So the ministry of angels was very active in all of those signs. In Exodus 14 said the Lord shall fight for you and you shall hold your peace. And you go to verse 18. And the Egyptians shall know that I am the Lord when I've gotten my horn upon favor upon his chariot and his horsemen. And the angel of God which went before the camp of Israel removed and went behind them and the pillar of cloud went from before their face and stood behind them. So there was a lot happening with the ministry of angels. You'll see how many times the word angel is used in that text. Even to the book of numbers, they would mention how the angels of God were loud in delivering them. And when we cried unto the Lord, Numbers 20:16, he heard our voice and sent an

angel and has brought us forth out of Egypt. And behold, we are in Kadesh, a city in the uttermost of thy border. So they were very conscious that through Moses there was a lot of ministry of angels delivering them. So you see the phenomenon of the deliverance of what happened to them in journey captured a lot by David in the psalms. They are closing all way out supernatural. Let's read some of that psalms and see something that David highlighted. Psalm 105. Hallelujah. 105. Are you there? Verse 13. And when they went from one nation to another, from one kingdom to another people, he suffered no man to do them wrong. Yay, he reproved kings for their sake saying touch not my anointed and do my prophet no harm. You know this is the whole nation that is calling anointed because Moses said Israel is God speaking says Israel is my son even my firstborn. So the whole nation was the anointed of God. All right. Moreover, he called for a famine upon the land. So he goes on just giving uh different context. Verse 26, he sent Moses his servant and everyone whom he has chosen. They they showed his signs among them and wonders in the land of Ham sent darkness and made it dark. Rebel, he turned their waters into blood. The land brought forth frogs. 31 He spake and they came divert. He keeps mentioning different things. 37 He brought them forth also with silver and gold and there was not one feeble person among their tribes. Egypt was glad when they departed for the fear of them fell upon them. Is this supernatural? Yes, sir. He spread a cloud for a covering and fire to give light in the night. The people asked and he brought quail and satisfied them with bread from heaven. Again, ministry of angels was the wind was blowing. All right? And he remembered his promise and Abraham his servant. And he brought forth his people with joy and his chosen with gladness and gave them the land of the hidden. and they inherited the labor of the people. See so much of what he says. So it is possible to read all of this and just miss out on the fact that there are miracles here. There are miracles here. Yes, sir. Amen. There are miracles here. Miracles here. Different kinds of miracles. Deuteronomy 29. Deonomy 29 and verse 5 or let's do from verse uh two. And Moses called unto all Israel and said unto them, you have seen all that the Lord did before your eyes in the land of Egypt unto Pharaoh and unto all his servants and unto all his land. the great temptations which thine eyes have seen, the signs and those great miracles. Even Moses knew it was a great miracle. Yet the Lord had not given you an heart to perceive, and eyes to see, and ears to unto this day. I have led you 40 years in the wilderness. Your clothes are not waxing old upon you, and thy shoes is not waxing old upon thy foot. Ye have not eaten bread, neither have you drunk wine or strongly, that you might know that I am the Lord. So see that ye have That Deuteronomy 29:5, your clothes are not waxing old upon you and your shoes is not. Which kind of miracle is this one? Is it that as they are growing their shoes are growing with them like this Lord Nehemiah 9:21 the same thing is repeated. So see it's not a mistake. Nehemiah 9:21. Yeah. 40 years did thou sustain them in the wilderness. I expect this kind of sustainers. I expect it every time. Most people speak of uh mana and quail as if it was a a a one day something. It was not a 10 day something. It was 40 years something. No. 40 years did thou sustain them in the wilderness, so that they lack nothing.

Their clothes wax not old, and their feet swelled not. I believe, oh, I believe. I believe. I expect such signs and wonders. Yes. Oh, I expect such Expert such such expert such. Psalm 78 verse 10. They kept not the covenant of God and refused to walk in his law and forgot his works and his wonders that he showed them. Marvelous things did he in the sight of their fathers in the land of Egypt in the field of Zion. He divided the sea and caused them to pass through it. He made the waters to stand as an heap. In the daytime also he led them with a cloud and all the night with a light of fire. He cleaved the rocks in the wilderness and gave them drink as out of great depths. He brought streams also out of the rock and caused waters to run down like rivers. He says that they sin yet more against him. They tempted God in their heart asking me for their loss. Yay. They spoke against God. They said, "Can God furnish a table in the wilderness? Behold, he smoked the rock out smote the rock that the waters gushed out and the streams overflowed. Can he give bread also? Can he provide flesh for his people?" Therefore the Lord heard this and was wrought. So a fire was kindled against Jacob and out of anger they they were being fed. Imagine what you can do in faith. Imagine what God can do in his great pleasure towards you because of even God said enough is enough. All this can I do? Can I do can I do this? Can I do this? Can I do this? You will eat bread. It will come out on your nose. So imagine what God can do in his great kindness towards you. I expect such I expect such all the days of my life. I expect such such and in and for all of us in the new covenant. God's kindness and grace is perpetually towards us. I expect such I expect such because I have abundance of grace in Christ Jesus. So I expect such I expect to see the wonders of God. And that wonders of God is also explained as the wonders of heaven. The wonders of heavenly beings. The wonders of his mighty power. I expect it. I expect to see the wonders of his power. I expect it. Note the word expect. I expect to see it. I expect to see it. Every week I expect good. I expect good. You know Robert when he began his healing revival used to always say expect. You must expect good. Expect a miracle. Expect a healing. Expect good. You must always that was his mantra. Expect you must expect good. Expect a healing. Expect a expect I'm ready. The words of our monkey said, "When I go for a crusade, I'm looking at where's the key miracle? Where's the healing? I I come to every meeting with my bow and my arrow. I'm ready to shoot." You must always expect. Expect the wonders of God. Expect the wonders of God. Expect the wonders of God. I expect it. Signs and wonders. signs and wonders is with the ministry of angels. Amen. Amen. And I expect it. I expect signs. I expect it to. So they work signs and wonders for us. Amen. All manner of signs and wonders. All manner of signs and wonders. All manner of signs and wonders. The ground opened up. Ah Paul said to that man, you'll be blind for a season. All manner of signs is a sign is a wonder. Amen. Amen. I expect miracles. I expect miracles. So the angels of God are working miracles for me every time. Another uh one that most people are not so familiar with is that angels protect your interest. They protect your interest. They negotiate for you. They are convincing people for you. That's what they doing for that brother. Marketing for him. They negotiate for you. Angels negotiate for you.

Yeah, they do that. Matthew chapter one, an angel of the Lord appeared to Joseph and said, "Don't put her away. Don't put her away. He's negotiating. He's speaking for our interest." After that, in verse 24, he said he heeded to what the angel said to him. Don't don't don't don't do that. that you want to do. Don't do it. Oh, don't do it. Oh, angels are negotiating for me. Yes. So, I expect it to I expect it. I always expect it. I always expect it. Hallelujah. Matthew 1 vers20. And while he taught on these things, behold, the angel of the Lord appeared unto him in a dream. St. Joseph, thou son of the fear not to take unto thee Mary thy wife for that which is conceived in high is of the Holy Ghost. Now we like to see this uh oh it's about Jesus about Jesus. See what the angel is doing there. Don't change your mind on this thing. We agreed 12 million. Don't change your mind. Do well. So in the ninth in the vision of the n say it is 12 million. You agreed. Why should you increase it to 14? I expect it. I expect it. because the some of the testimonies I'm going to share the people watching live across the Nigeria all over the world some of them are part of it that's why I won't share it cuz they not say ah so that's what happened to me ah I expect it to angels will negotiate on my matter well because they defend my interest they protect my interest hallelujah they protect my interest in fact that is how the ministry of angels if you are using A concordance search was first introduced to us in the Bible. If you are using a concordance search, Genesis chapter 16, look at the angel defending Hagar. Hear that is not a spiritual person like that? And angel of the Lord found her by the fountains of water in the wilderness by the fountain the way of shore and said, "Hagar Sarah's maid, whence comest thou and whether will thou go?" And she said, "I flee from the face of my sight." And the angel of the Lord said unto her, "Return to thy mistress, and submit thyself under her." And the angel of the Lord said unto her, "I will multiply thy seed, and it shall not be numbered for multitude." And the angel of the Lord said unto her, "Behold, thou art with child, and shall bear a son, and shall call his name Ishmael, because the Lord had heard thy affliction." Ah, now this same Genesis chapter Look at Genesis 21 again the same he and Abraham verse 14. And Abraham rose up early in the morning and took bread and a bottle of water and gave it onto Hagar and put it on her shoulder and the child and sent her away. And she departed and wandered in the wilderness of Beeba. And the water was spent in the bottle. And she cast the child under one of the shrubs. And she went and sat her down over against him in a good way of as it were a bow shot. For she said, "Let me not see the dead." And she sat over against him and lifted up her voice and wept. Look at the one that God heard. And God heard the voice of the lad. And the angel of God called to Hagar out of heaven and said, "What a dehagger. Fear not, for God has heard the voice of the lad where he is. Defending the interest of a baby that cannot talk that not say that cannot baby the child is not doing anything. God defends my interest. We saw that again which is we explained thoroughly the natur story in defending. I will defend this and they will not shoot one bow here. The same way they came the same way they will go. The next verse, then the angel of the Lord and 185,000 people say the Bible say and there were corpses there were corpses in defending I defend this city. How the Lord is defending me.

Oh, he's defending me. And when we see that defend, we made it take it to protection. No, defending my interest. My interest. He's defending my interest. M is defending my interest. Expect it. Oh uh if thou be the man of God, let's see follow that story. The king said go and confirm from Bal Echron if I will leave. Then somebody met the people that the king sent and said go and tell the king that he will not come back from that bed. Do you know what it means to send? They are supposed to ignore what he said and still go and consult by but they went back that's first thing you know about uh supernatural presence because Elijah was so terrifying that what he said made them to the king sent them message they not obey the king again they left and the man told them they went back to so the king was now wondering so you not go he said he would not go again no describe the man they said he had this the king sh is Elijah oh he's Elijah Even the king knows somebody that have that kind of status. Everybody is the same. Everybody is the same. Everybody's not the same. You can say, "Ah, it's Elijah. It's Elijah." Oh yeah. Go. 50 of you now go and bring him for me. That's how the 50 people man of God come down there say that's actually what if I be a man of God let fire come down roast. But what people are not seeing is that the angel is defending his interest because the second one the other 50 came again the the captain and his 50 they roast. The third one came and said let the life let the life of your servant be precious in your sight. Then we now saw that there was an angel there all along since because Elijah carried the fire. No, it's the supernatural being that is walking that thing that he's saying if I be a man of God. So we now saw it. There are many texts like that. If not for certain confrontations and interaction would not have seen that there was an angel behind the scene but they are always expected. The angel said followed him fearing nothing. So he was defending all along. Even though he was in fear of these people may I don't know what they may do to me. The angel was still defending his interest. Angels are defending my interest. Oh. Hallelujah. Praise God. Negotiating favorable things for me. I've had people say, "Ah, the Lord told me in a dream to do this for you." I expect that thing. I expect you to say I saw you in my dream where I was told to me I sleep angels of God are negotiating favorably for me say this is this is a better thing to if you do it like this it's not better do it like that for him do it like that for her do it like that for her do it like that for him the angels of God are putting things in the heart of people for You they are putting your thoughts in the hearts of people. Expect it. Oh, when you expect it, you will see it happen. Amen. Amen. The angels of God strengthen us. We read different references for that. He giveth uh you will not faint. He give you strength. We saw uh even Luke where Jesus prayed he was strengthened. I mean the angels of God are supplying strength to you supernatural strength. People many times ask me how you able to do the things you do because I have the ministry of angels always strengthening me. I'm always strengthened. I know this is not my own power. You say how do you do dises at the same time? So many of these things. I have long ago seen how angels supply strength. So say ah this thing it has to be graceful because ah no normal man can do these things that you do. Yes. So is the ministry of angels supplying strength. Supplying strength supplying strength is the

same way even strength for your feet not to slide. It is God that guided you with strength. No I I am strong for my destiny. I have power for my destiny. I'm strong. Oh, I'm strong. Yeah. And we've talked several things about that. Now, another part I had to show you also in this series was that Genesis 24 which is I will put it number eight for angels help your prosperity, your success, your prosperity. Don't fear that word. I've told you stop. Don't demonize the word prosperity. I've had to correct many in the christoentric cycle that have such a demonization of that word prosperity. Just teach what you are teaching. Explain what you're explaining. You don't have to be uh fighting and tampering with what angels care about your prosp because the word prosperity I've told you for I think two years ago last year we also did a series on that progress. We've had to teach these things again and again doing well doing big things. Wow. Had to teach it because once you have a wrong once you have there's something called limiting beliefs. When your limiting belief now comes from Bible and you use God to support a limiting me that maybe God doesn't want me to do well. No. That's why the Kenneth and Gloria Copeland used to always say it as a mantra. The will of God is prosperity. Don't change it. Don't say no no no. The will of God is healing. No, leave it like that. There are some things you should not change because you are not the materialistic person. So why you always trying to say no leave the the materialistic people that twist Bible verses for money their God is their belly they will get their own judgment but that's not what you do that's not what we do here either don't be against because because the word prosperity is simply making progress is simply doing well so is it that you don't want to do well in life is it that you are telling people that God doesn't want them to do well in life are you an atheist it makes no sense that a pastor will teach people so the problem is they already have created a monster of a word called prosperity and they trying to support it. The word prosperity in their mind already means something else. They have made prosperity mean materialism. So every time they see the word prosperity they are scared. Ah hey don't fall into that trap. One day you will know what I have done for you people in this ministry cuz sound doctrine like many persons who teach sound doctrine don't know how to talk about prosperity because let not let people not think I've joined why am I defending myself let I've joined them sir think whatever you want to think we join join join you want to join poverty don't join don't but there's always that fear why come there's not that fear when we talk about healing talk How come when we talk about joy, when we talk about peace, but once you hear the word prosperity, you just immediately be careful. Be careful. Why am I always being careful when it comes to prosperity? Amen. Amen. Yet we see people weak. I can't come to church because of of hustle. They say we should not talk about money in church. We will talk about it. People can't come to church. They hustle enough say pastor understand. God, I'm sorry. I cannot come to church again this week. money. He say we should not talk about it. Is obviously disturbing people and affecting people's activities and all of that. I saying no, we should talk about it. But there's a proper place. God wants you to have money. God is not against you having money. The only challenge is that people don't know the text to use to teach it. So

they use the text that does not say so to teach it. That's just a challenge. Amen. God wants you to do well. In fact, you don't even need a Bible verse to know that God wants you to do well. You just need to be a normal human being that is not mad because that is not something you should not serve anybody that is against your progress. When they say I'm against your progress, not the enemy. If God is against your progress, what is Satan now doing? I now need a Bible verse to know God is for my progress. Have they bewitched me? I need a Bible verse now. So, it's against me. Then we not say okay for your progress you are scared let people not think. You see how much demonization that can come from doctrine when you give people this air. No expect good this week. Amen. The same way we wish people prosperous new year. That's how we say prosperous week for you. Amen. Like I said when I told people that the Lord said to us that this year is our year of prosperity say man of God you have always been a teacher of the word and um I don't know you you this this is a true story I'm telling you so you have always been a teacher of the word and um one who have stood for uh doctrinal purity and I knew where they go. I was just waiting and uh and um I I'm surprised seeing things about um a year of prosperity and um I I had to check again if it's your post if it's you if your account has been hacked. They go through that stress. Nobody hackets my account. That's the challenge. So I asked him, "What do you have in mind?" When you hear the word prosperity, he say, "You know, we have to be careful." I said, "No, you have to be. I don't have to be cuz I want to prosper." So say he say we I don't I'm speak for myself. We have to be careful. I'm not careful for prosperity. I'm not careful for anything, sir. I'm much more careful for prosperity. I know I'm not careful. What do you have in mind? It was materialism we had in mind. So I now ask him, is everything okay with you? What will make me a materialistic preacher? Maybe you don't even know where we are coming from. First and foremost, I didn't start ministry because of money. 4 years we didn't take offering. Maybe your own belly is your god. Maybe you you I don't do that thing. I don't twist scriptures for filthy look. If that's what you are scared of, you say, "Oh, uh, I just want I say no." Cuz I was being careful. I said ah I don't see relationship to avoid what is being careful what are you against making when I was done with him of course he got the major correction I'm like how come we are it's now later don't know him that two he has been demonized too by demon I mean bewitched cuz when I was doing I realized that really why am I really against the word prosperity you ask me too that's the same thing too I'm surprised that you're against the word prosperity because you are having something else in mind. As much as of course it won't turn Genesis to Revelation and say uh uh you ask me are you a prosperity preacher. I wouldn't say I'm a prosperity preacher and I won't say I'm a poverty preacher either because I know the slant that you will mean when you say prosperity preacher because there are so many and God has helped you. You have not seen those people. There are many when they start twisting scriptures today for money, you will be shocked. You'll be shock Isaac sing the land is even learning. That one at least you can just know that it's ignorance. Hey, you will see a text you realize that from there the man of God have raised money. Those are the prosperity

pictures that we must oppose because that's not the prosperity in God's word that they explaining. You see when you hear a preacher that says protective preacher say say you don't have to walk, you don't have to do anything. God is there well and able to supply you. Even God is wondering which God is that one that well and able to. So they don't know how to teach things properly. So there's that idea that notion people have in their heart again about prosperity about progress. But the word prosperity is simply just to have progress. And I taught you that from Joshua 1:8. For the last 2 years, we have used that Joshua 1:8 to have a proper understanding of prosperity. Remember that. Yeah. Joshua 1 vers8. Joshua 1 vers8. We do seven into it. Only be thou strong and very courageous that thou mayest observe to do according to all the law which Moses my servant commanded thee. Turn not on me to the right or to the left that thou mayest prosper without thou goest. You see it you prosper without thou goest. That word prosper there used in verse seven is the Hebrew word sakal to deal wisely in the affair of life. to deal to there's a that because this is why I'm ending the series on this note being wise and strong with his power dealing wise with the powers of God where I know how to do what to do I know what to do and I know how to do what to do say ah pastor go things just look different for him I know what to do there's no time I don't know what to do no situation I don't know what to No time. I don't know what to do or how to do what to do. No, I know. I've said it so many times that in any situation of life, I know what to do. I know how to do what to do. It says that thou mayest prosper prosper whethersoever thou goest. Notice that word prosper there. Verse 8, he now says, "This book of shall out of thy mouth, but th shall meditate therein day and night, that thou mayest observe to do according to all that is written therein. For then thou shall make thy way, you will make your way prosperous, and thou shalt have good success." The word prosperous there is the word prosper, progress, rush. You would advance. You would advance. You make your way prosperous. It is used in that Genesis 24. So you go to Genesis 24 now and see that story that I used to show you prosperity the servant of Abraham. I'll do 21 then we'll go back. And the man wondering at her held his peace to know whether the Lord had made his journey prosperous or not because everything was happening too fast. He was looking at Rebecca like ah has God made this journey prosperous so easily like this. See that word prosperous abi that what you are going out for works is that are you against that have money everywhere but don't have money in your heart in fact I even told you you can have money in spoon and plate if you like but the only place you should not have money is in your heart that one is called the rich fool it was not rich towards God we teach very well where you should never be rich against God we should be Preach towards God. Charge them. Paul writing to Timothy say that's dragged their ear. Charge them. Warn all the rich people in your church. Charge them that are rich in this world that they be not highminded nor trust. I know many rich people that don't trust God. They can already calculate p uh one million in a month. All right. All right. All right. Budget. All right. That's okay. So they have never believed God because they have never carried the burdens of others. Their life is only about them and them. But when you start

living and caring about other persons, when you start caring about other project, you will see that some amount you thought were big were not big. You have been too selfish. And once you are all about me me, you cannot think kingdom financing. You cannot steal what the riches that you have to bless people because how much is really enough to take care of only you and you. You leave onto yourself too smallminded. God's word hasn't worked on you at all. When God will start working you will now know that ah I need to be able to take care of others too. Not just myself starting point myself then he moves on to others and I need to also be able to use my money to serve God. So the first prosperity message say we serve God for things. No, we don't serve God for things. No. But can we use things to serve God? Yes, we can serve God with things. But we are not serving God for this. So when they were all living Jesus told the disciples, will you not also live? They said, no, because he gave them bread, they came. When they thought bread had finished, they were all living. I said, will you not also live? Peter say will not live but die alone have the walls of eternal life. That's why we followed him. So the first gospel message say come to Jesus he will give you the fruit of the womb. No whether you come to Jesus or not he will give you the fruit of the womb. Come to Jesus he will heal you. Come to Jesus he will do this. All those things he did it for unbelievers too. No the gospel is don't come to Jesus he will heal you. Don't come to Jesus he will give you but if you come to him he will give you eternal life. He will put his spirit within you. He will make you a new person. That is the fact of the gospel. That's why the gospel is news to the rich and the poor. Once you don't know that, you will make the gospel only news to the poor. So when you see a rich man, you can't say anything. You stammer my Jesus. You feel intimidated. No, the gospel is news to everybody. It's the message is news to everybody. The rich man we we quiver we shake at the at the hearing of the gospel because it's news to him too. The poor man the same. The message is in. So that rich he say he was rich but not rich towards God. What was his issue? He say oh so thou has laid up enough goods take thy ease and rest. Say because he was not rich on said tonight your soul is required of you. And who shall these things be? Who shall these things be? Say for the man was not rich towards God. That was the same place taught on covetousness. A man's life does not consist of the abundance of things he possesses. That is proper understanding. The Bible warns us against stinginess, selfishness, greed about uh the warning of um the love of money is root of all evil was written to a pastor because most pastors love money and they tve scriptures because of money. Say the love of money is root of all evil of which many have pierced themselves with many sorrow. People have d even not just pastors now people have killed their father and their mother because of money. Yahoo plus yahoo whatsoever wicked people that's money. So money have made people do all manner of evil. Amen. Hallelujah. But God wants us to prosper. God wants us to do well, to succeed. Amen. Genesis 24. So look at that 21. Then notice before, this always blows my mind that Abraham sends his servant to go and get a wife and he puts this supernatural force to it. And the servant said unto him, Penture the woman will not be willing to follow me unto the land. Must I need bring thy son

again unto the land from whence thou came? Verse six. And Abraham said unto him, Beware that thou bring not my son Ti again, and the Lord God of heaven, which took me from my father's house, and from the land of my kindred, and we spake unto me, and that swear unto me, saying, unto thy seed will I give this land. He shall send his angel before thee, and thou shalt take a wife unto my son from tense, he shall send his angel before thee. For wife to just to guarantee the result, he put angel inside the matter. Ah, for wife. Look at verse 40 to see that it was the angel that guaranteed that result. And I said unto myself, per the woman will not follow me. And he said unto me, the Lord before whom I walk with, send his angel with thee and prosper thy way. There's an angel prospering my way. Mean I have seen him prospering my way. And you don't whether you see with the eye of the spirit or not there are angels prospering your way. Be conscious of it. Every day I'm as I wake up in the morning I smile. There's always a smile on my face. It's even is is reflex now. I just wake I just smile. That week again I'm always happy. I'm always joyful. Every week I'm always expectant. He has never left me without help. Lord said to me, there is a rush. I've seen it. That angel of the Lord guaranteeing result, ensuring that everywhere I turn, I prosper. Whethersoever I turn, I prosper. Hallelujah. The Lord before whom I walk with, we send his angel with with thee and prosper thy way. Oh, this man is thinking that everything I do, I applied for this. I wanted this to work. There's nothing in the last four years that I've wanted to work that did not work. Never. We can only delay the time but it will work. Ah no no no it's either it work or it work. I'm conscious. So every time when I'm seeing is looking like I what are you people doing about this matter? I open my eyes open the eyes of my spirit. I see what what they do. They still go walk or walk. How far say we have we have run tirelessly trying to you convince for that be conscious of the ministry of angels. Hallelujah. Praise the Lord. For you to see progress in your journey. Hallelujah. Progress in your journey or your progress in your journey. Progress. Success. Progress in your journey. The angels of God are guaranteeing that result. Hallelujah. Another thing we spoke about was Daniel chapter 9. Number nine, we spoke about to give insight and wisdom. Now, this is the reason why pastors must must once in a while list out things because it's now when you say when did he say it? Were you sleeping in the teaching? when we read all these texts and I said different things you were not taking notes because it's from listening to the teachings father that I wrote out all of these points I did not mention prosperity before so it's now because there are many things I we can't say we can't mention because it's broad that's why we say expect good Daniel chapter 9 verse 20 and whilst I was speaking and praying and confessing my sin and the sin of my people Israel because he was interceding for Israel and I'm and presenting my supplications before the Lord my God for the holy mountain of my God. Yay whilst I was speaking in prayer even the man Gabriel whom I have seen in the vision at the beginning being caused to fly swiftly touch me about the time of the evening oblation. This is the reason why people believe angels have wings. I've told you before angels don't have we did that last year. We did that also uh three years ago where I taught on angels in our series on supernatural

supernatural things. Yes. Now the only angels that have wings are those trebling type and they are not angels because a ng l that is uh uh hybrid creatures. They have this and these features and I explained that to you how that work because and those are what we call throne guardians because they guard sacra space. If you always have the picture of angels with wings in your mind that's why you are not having angels walk with you. So because every time you imagine angels you always think feather feather fly. They are not beds. It's images metaphor. It's figurative. Amen. They are not beds that are flying. Why does it look new? Some people in front look shocked. I've not said it before. Is that your expectation face? It look like a confused face. Look like I've not heard it before. Like it's not my first time of seeing it. Once you have that idea, they must fly. They must fly. Is reason why some of you have not received angels unaware? I have at least four times. At least four times. At least four times. and I turned and I could not find the person. At least four times in my life I've seen that kind of thing. Unexplainable being hospitable engaging strange people. You don't I like who is this? What is happening here? Must be conscious of that. That angels can come in human form. Appear in human form which is what we mean by appear in they can appear in human form. All through scripture we saw that. That's why I say demand men don't have wings. And is do you think Daniel is stupid? He used the word being made to fly to come swiftly is what he's explaining. Hallelujah. Not that you should always be looking for feather. And most of those drawings is not those are that looks like cupid cu p I don't know those things that's Greek philosophy or Greek philosophy dispion of angels. That is not Bible depiction of angels that we are shooting love and you are blushing. No wonder angels are not defending you. So because in your mind they are one small babies with with with pampers. How can those ones defend you? How can those ones protect you when the image you have of angels is that they wearing pampers with with small arrow shooting love? [Music] No wonder they cannot defend you. They can't guarantee result. It's romance that is defending you now. You want romance to defend you and oh angels of God are defending to give insight. So look at the word he now says verse 22 1 2 go everybody and talk with me and said oh the word skill is the Hebrew word sakal which is the word use the tree to make one wise I have now come to give you wisdom to you will deal wisely now I've come to give you wisdom and understanding ing the Hebrew word bina understanding you you can interpret the complex you you know knowledge is fact wisdom is application of fact understanding is application of fact in all the complexities of life in any setting because I have understanding whether we twist the setup or the context to be something else I still understand what you are trying to say which is when you know you have understood something you know just because once we we when they want to know if you have understood math now I give you word problem you cannot now solve it because you cram you don't understand you only know you don't yet when you understand if we if we twitch it here and here you can still answer because you have understanding say I've now come to give you hallelujah I'm always conscious of those withdrawers to give meaning to what you have seen. What have you seen? You notice in those uh in Jeremiah

also in that chapter one the angels say what does it mean? This is ask him what have you seen? Say this is what he say look at what it means. The angels of God are giving interpretation and meaning to things. That's wisdom. And that's one area we were being loud with in this series. Amen. Angels contribute to council resolutions. First Kings 22 19 to 23 council resolution divine council resolution. So they contribute in the divine council. Then at the end of the day the resolutions that are concluded on in chapter 4 say this is by the decree of the watchers. Angels contribute to council resolutions. C O U N C I L to divine council resolutions because there is a heavenly cote. Hallelujah. And they contribute in that they contribute. They contribute. Are you yet? Yes, sir. They contribute. Hallelujah. So we read that uh first kings 22:9 to 23 which is also in 2 Chronicles 18:18. So there's that resolution and we must have that. We also saw that in Isaiah chapter 6 that whole communication Daniel chapter 7 the ancient of days there was members of the court I mean let me just read that Daniel chapter 7 for uh and quickly run out of there verse 9 I beheld till the thrones were cast down the ancient of days these seats whose garment was white as snow and the hair of his head like the pure wool. His throne was like the fiery flame and his wheels as burning fire. A fiery stream issued and came forth from before him. Thousands thousands ministered unto him and 10,000 time 10,000 stood before him. The judgment was set and the books were opened. So it looked like the court sat in judgment. Abby, that's a court setup. C O U R T as a court setup. Understand things like this. We used the different words for assembly last year and I showed you one of the words for assembly is the word dean. D I N. There are different use of the word assembly in the Old Testament text. uh qua the word um e d a h mo appointed place and I said those different words for assembly different kind of assembly then there's an assembly that is used the word d i n that's the way people are looking at me sir so there's a council set up sir say council setup. So there's the word the and assembly council. There's the one s o I explained that one and I said it is the uh it is the council of the council. I think that was the exact phrase that I used. So when you say what was the what was the conclusion from the meeting what what was being said which is what is used in the ministry of a prophet every divine conversation you say has he stood in the council of God you would have heard now angels contribute in that council resolution the word congregation q a h a l then another word the the assembled place of meeting moed m o e different Greek different Hebrew words used. So you see in that Psalm 82, God stands in a congregation. Congregation of the god. So there's a say congregation use that word if you are reading it in English. Congregation, assembly of the gods. And we read that Psalm 89, assembly, congregation, those different cuz if you are waiting to type C O U T concordance, that's lazy way of studying the Bible. But when you study that assembly, that congregation, you will see that setup that we're talking about. Amen. That's the word judgment there in Daniel 7:9 and 10. That what the judgment was set. So there were smaller thrones everywhere. Judgment, supernatural beings contribute in that. Hallelujah. I expect good. Another aspect most people don't know is that they assist God in the governance of the world. They assist in the

governance of the world. Created host whether invisible or visible. So always be conscious of that. Amen. Amen. So they assist in God's governance of the human world. And this is one area that most people are very clueless about and we shouldn't be. So the Jon 32 world view I also had to explain that Abby that prince of Piadis. Now, of course, with the work of Jesus on the cross, they are defeated. All of those false gods, all of those gods over the nations that take worship has been defeated. However, there is such a ministry of angels in the good part now. I mean that is still active in assisting God because how is God himself doing everything that is saying he can but he does not need to that's why he created angels they do all of that so they do all of that ensuring that at every not because he's not everywhere god is everywhere the angels are not everywhere but he has assigned them different stations different work different portfolio different work to do amen Amen. Amen. So they can deliver the decree of God. They can also explain divine activities. They can execute divine judgment as well also. All right. So we said u I was going to tell you five things on how to engage how you can be wise and strong with the power of God in the light of all the things that we have said so far. Number one we said was faith will help us to be strong with the power of God. Can you remember that faith will help us to be strong with the power of God faith will help us to be strong with the power of God. Faith will help us to be strong with the power of God. And we said that there are the tensile nature of faith itself teaches us that I have a lot of road because faith is action. I can be weak in faith. I can I can have little faith. Don't say no that's old that's before Jesus died. Oh don't be learning in an awkward manner. No, you can be little in faith. You can be weak in faith. Not that the faith of God has any problem. is your exercise of faith because faith more is the exercise. There is still little faith post resurrection. There's still weak in faith post resurrection of Jesus. If your faith, if your strength fail in day of adversity, it was weak. That's why you must be conscious. The evil day will come for everybody. It's not a matter of if it will come, it's when it will come because it always comes. But you must be strong in the power of God. I'm strong in the power of God. I'm strong in the power of God. I'm strong in the power of God. I'm strong in the power of God. And I'm ready. I'm ready. Be strong. Strong in faith. Faith is action. Look at that. Little faith, weak faith, great faith. Even that saponician woman three times, three things happen. If it happens to many persons today, they will not have any faith. Jesus was silent. Three things Jesus did to that woman. Number one was silence. I've showed you, we taught a series last uh is it early this year or last year? dogged in faith last year. Okay. Um three things. Silence, rejection. Jesus was silent. The later they say this woman is following us today. The way the woman came, he rejected her. In fact, he told her I'm not anointed for you. Say I'm called but to the lordship sheep of the house of Israel. I'm not anointed for you. The man of God that want to heal you say I'm not anointed for you. Ah the woman did not see go. Then he said you are a dog. Ah ah ah a a a insult from silence rejection when God is silent. You see that you should continue in faith. No that I thought that also when we go silent my show that you believe because there are many things that always say why did God not do that and God is saying papa when you go

wise this is a release of power use the power you have why do you cry unto me you Moses divide the Red Sea. Oh my lord God, I cry unto my God. We make everything look like God is in charge of everything that is happening in the activities. No man, God created the heavens and the earth. The heavens is the Lord. The earth is the Lord. True. However, Psalm 115 told us the earth he has given to the sons of men. Man has a lot of role he plays in activities of things that happens on the earth. There are some things you say Mark 11:23 you shall say to the mountain or say to God shall say to the mountain be thou removed be that Christ to the sea and do not doubt in your heart. Three times he mentioned the word say as papay counted for us do not shall say to the mountain be thou removed that and do not doubt in your heart but believe that the things which you see so what am I believing I'm believing God will do it. Who send you that one? Why are you believing God will do it? Are you not a Christian? You already should believe God will do it. Is that you can't even believe your prayer? You can't even believe what you said. And many times when we get to that point where we now believe what we are saying, you will sit in your action. Everything about you will change. It will now be ah enough is enough. No, this is you will go no further than now you in faith. All those time you were a joker, you were playing. Is that point that because faith is action. Yes sir. where you tell yourself no this must be not being emotional I feel I trust God I know what my Jesus can never serious the blind man came to meet Jesus Jesus asking what do you want me to do for you can't Jesus see that he's blind many believers are too weak and beggy blind oh three times in the go people met Jesus with obvious condition that I can see as what should I do for you will Talk you will say it what God want me to I have are you 12 are you five you're getting old be matured act responsibly which is what and people are in the grave me have faith In the words of the visionary, everyone must climb Mount Pisgar and see the promised land for themself. Be a coward. My pastor, my pastor, have faith. Have faith. Have faith. Have faith for yourself. Have faith. Have faith. Everybody must climb and see the promised land. Oh, don't enter. Have faith. Have faith. Have faith. Have faith. Have faith in God. Have faith in God. Who against who believed he staggered not. So I don't know why there's obstacle. Are you a baby? Grow up. Obstacle. There will surely be obstacles. Who against hope? Believe in hope. We are too used to the way of of of failures. Even the natural are people without God not to be hardworking, not to go again. Christians give up too easily and they they they think is God is your fault. You are showing that you have no substance, no word inside of you, nothing inside of you. Empty rise up in faith. This thing will work or it will work. Be docked in faith. That's how we engage the power. Being wise and strong with his power. I'm strong in his power when I'm in faith. I'm strong in his power when I'm in faith. I believe God [Applause] because I trusted. David said, "I would have fainted unless I had believed to see the goodness of God in the land of the living. I would have fainted unless I had believed." That's why I don't faint. Many years ago when this psalm became clear to me I say I will never faint again. It's four years now. There's nothing I put my hand into that does not work. It's either it work or it work. I will not faint. I will not ah never never never will I

give up. Never will I say it will not work. One one month before we moved into this place was looking like we're not going to move. All of you were just following say pastor just show us the place God not shame you. We moved in. I know when people don't have faith. You can unbelief can be touched. It's not to be saying nice word. It's not saying nice nice words that show people have faith. John said to that woman and the husband when he came to pray for the woman as he entered the man said I know I'm healed. I know I'm healed. He said to the husband, why did you not call me? She's still lying down. She has not gotten up. Say your wife has language does not have faith. That's what many people have. My enemy is sick. My friend, stop acting stupid. How can you in your faith conversion you are your enemy? My enemy is sick. Oh, my enemy is You think that that's faith? That's not faith. That's not faith. My enemy. We don't. Faith does not deny the fact. Faith denies the whole the faith deny. What faith is denying is not I don't have headache. I have headache but it cannot stop me from doing what I'm doing. So I will remove this headache. Faith does not deny the fact but it denies his hold over me. So faith is not telling lies. Faith is saying the truth that if in spite and despite of this situation look at what God's word said and that's what I believe. I believe God. I believe God. I believe said there shall be a performance of those things that were spoken unto her. I believe I believe. Hey, see that Mary and Elizabeth said there shall be a performance that were spoken unto her. I believe for with God all things are possible. Then in Mark say to him that believeth. Two times you say all things are possible with God and with the man that has faith. Then you say you don't want to have faith. I have faith sir. I have faith. I have faith. I have faith. I believe God. For with God all things are possible. For with God all things are possible. For with God all things are possible. For with God all things are possible. I believe God. I believe God. That man that leaned on the kingst even if God were able to open the windows of heaven this thing will not happen. Elisha said you will see it but you not eat it. Oh me. I believe God. I believe God that God is able to open a way. You will not see wind. You will not see rain but the valleys shall be filled with water. I believe God you can take anything from me but don't take my faith. Oh then that's why Satan come for your faith because that has great recompense of reward. If he remove your faith you are finished. The trying of your faith now only your faith it and the after. It's only your faith is after to get you to talk and say I'm finished. I'm done. No, we don't talk like that here. It works or it works. Heads or tail, we win. Anyone I win. And nothing terrified of the adversary. Oh, nothing dies in my hands. Oh, I have a commandment to increase. I keep going up. And the man was great and became exceedingly great. [Applause] And I was great. And I became exceedingly great. I believe it. I believe it forever. Oh Lord, your word is settled. I have faith in the word of God. When Jesus told Peter, "Come," Peter walked on that word. Come. Faith is solid enough for me to walk on. I believe God. I believe God. I believe God. I believe God. I believe God. The angel shut the mouth of of Zachariah because the man has obviously been the reason why they have not had a child since talking and finally the child has come say you'll be dumb. You will not be able to talk until you be mute before you

go use your mouth spread this miracle. There are many believers that have used their mouth to spread their miracle and their breakthrough. Are you sure God is really doing something in my life? Aha. Because they think everything is about God, not knowing that some things are about the resistance of human will. Some things are about powers. Everything for you is just God, God, God, God, God, God. Is God your boss? Is God the governor? Is God the president? Everything God, God, God, God, God. Learn the place of the release of power. It's not everything God, God, God, God. Speak to things. That's why you stay longer because if it was all about God, I would not need to I would not need to pray long. 5 seconds is enough. If it was in God's God is disposed to doing me well. I I showed you that text. He say write this man childless. That's why we speak Monday. Yeah. The word of the Lord I prosper this day. Are you here? must learn how to say that. Monday, hear the word of the Lord. I prosper. Tuesday, hear the word of the Lord. I prosper. Wednesday, hear the word of the Lord. I prosper. Thursday, hear the word of the Lord, I prosper. Friday, hear the word of the Lord. I do well. Saturday, the word of the Lord, I make increase. Sunday the word of the Lord I abound keep saying good speak to the days I say I have cried to God speak to the days now learn how to speak to things he stretched his hand to take figs but he said it was not the time of he said no might of you I can't stretch out my hand and things don't come no [Applause] He was teaching that's the same place he taught us faith think I'm a coward. No, let us go up at once. They has bread for us. You will say it. There's no situation I don't come out from. You will make bold to tell people say you don't know me. This always work for me. Many years ago I was with a team of persons. The project we're working on was uh 1.9 billion. I was in that team and they were saying I was in the team of the project. We're working on a 1.9 billion contract and I don't mention these things and of course my I have a slot in that profit that will come out from it. And they were saying are you sure this will work? I said I said the fact that I'm in this team it will work. I don't join myself to what does not work. Oh I had to tell them I'm a man of God. Oh no no I cannot join myself. I have wasted night. I was sleep awake walk. No no no no no I don't no must learn. I told them I said the fact that I'm here this thing will work for the angel of the Lord whose I am appeared to me and said no life shall be lost. Look at how Paul is speaking. The fact that I'm here God has given me the lives of everybody in this ship. You say it cuz you have faith. Has there been any you have followed me today I not walk? I I'm not sure I don't know if it will not work in your hand but if it's in my hand and you not join with me it must work never I will guarantee that of faith can move mountains I believe it I believe it speak to the ordinances speak to everything say teach us witchcraft don't be stupid not be speaking to So Jesus spoke to the wind. Yes. Peace be still. This storm over this house, it is over for you. I will not wake up every day in anger quarreling with my wife and my husband, my children. You will you will rebuke the cloud. Thou defiling clouds, you will go no further. You will see something you will charge up. No say he went to where the child was and started rebuking all those things that was going on the child's body that he thought it was God. One by one they all began to die off the body of the child. I

believe God. You can't take away my faith. I believe God. I believe God. I believe God. I believe God. What I want you to become is is is ferocious with your faith. Targeted in your faith. Trouble not the master. The the the child is there. Say no. The child is not dead. Fear not. Fear not. Fear not. Go and prosper. Who is telling you it will not work? It will work. Oh, we have put power on it. In the name of Jesus, it works. In the name of Jesus, it works. [Applause] Do well, make progress. [Applause] There's a project I'm working on. The money is not complete. I already told pastor, go and clear it. When did we use money to start project? When we use money to start something, why in the way the Lord led me? I cannot stretch my hand out and it comes back empty. Hey, [Applause] he reprove kings for their sake. A faithless people, stiff neck generation, I am sustained this whole week all the days of the week. I'm sustained. [Applause] Bring those seven persons without shout. The power is coming on them. You are sustainable. [Applause] [Music] You are sustained. Bring the seven of them for me. Hallelujah. I've come with a tongue of command. That's faith. You will say it. Things are working. Oh, things are working. Oh, you have put power on it. Things are working. Oh, things are working. Oh, the name of Jesus. Prosper. Do well. Yes, I have the supernatural advantage. I have it. I have it. Bring the last person. Yeah. Welcome. [Applause] Oh, glory. Yeah. God has blessed you. It prospers for where the tree fall there shall lie. Oh, it will remain there. So shall it be. The word that goeth forth out of my mouth shall not return back void. [Applause] The the margin says in that for with God all things are possible. says no freshly spoken word of God is without power freshly spoken word. [Applause] Oh glory I believe God. I believe God. I believe God. None shall cast a young bishop shouted you are not pregnant now with blood end of my food that faith let that baby turn you say it you say it speak in faith and power and my wife who have never had the fear of miscarriage once I see I empathize sympathize. We don't but we don't talk like that here say what is the fear fear you took in go and give birth that's all one is I wish I wish the baby I know I've never put my head once to feel heartbeat die if you get mind nothing dies in my hand [Applause] The second wave in prayer we will wrestle. I've wrestled. The Lord say I've given you his life now. He will carry all see you will wrestle. Ah you will wrestle. Another way we engage forces we talked about it was prayer. Sit down. Sit down. Sit down. Believe them. Let God be true with them. When it is in prayer, it's in prayer. Oh, the place of prayer. The place of prayer. Hallelujah. The place of prayer and fellowship. Look at this. Oh, this one just entered my spirit. How did I not read this Ezra then? Kai Kai. Thank you, Lord, for remembrance. Hey, Ezra chapter 8:22. Put it, put it, put it, put it, put it, put it. Woo. I will use for I was ashamed to require of the kings a band of soldier and horsemen to help us against the enemy in the way because we have spoken unto the king saying the hand of our God is upon all of them for good but is I would have asked the king but I've already told the king that God was enough for me. He say, "So now I'm ashamed. How do I go and tell the king God could not do it? I've already said it work. It go work. It go work. I cannot follow. I cannot now go back and say, "Hey, hey, we are finished." Ah, no. No sir, sir. I know I told you I trust in God not in chariot, but give me your

chariot. No, never. Glory. God is sufficient. The next verse. So we fasted and besought our God for this and he was entreated for us. Not know because now that we are having multitude of thoughts it go work. Hey should we go back and go and beg. Hey could I go and tell the king now your hand if you not help us. So say so we intreated God. We besought him and he was in treated for us. The same thing he say and Isaac intreated the Lord for his wife Rebecca and the Lord was entreated and she conceived. It not go walk not go [Applause] [Music] [Applause] when I get to pray. Call unto me and I will answer thee and I will show thee great and mighty things which thou knowest not of. Yeah, that's the power of God. The time is faster from the other side. [Applause] The sound of joy because you prayed. [Applause] Because you prayed. See the Lord was intreated. Ha. The Lord was intreated. The Lord was intreated. Who is telling you it will not work? God releas mountains. Men who prayed ah that's how Jacob became Israel. Say shall a nation be born as soon as Zion tra she brought forth you will pray the answer into your lap telling you prayer does not work because you don't like to spend time I just do 5 minutes no many times prayer is about the release of power it's not about I receive it's I release power for that thing because it's not always God's hand that is not making me receive it. So I need to release power. What did God say? said the wedding held and this was what was praying. So I fasted and besought the lot. How can we go back and tell the king? We asked for soldiers. We would have asked you for soldiers. So hey, he says, "No, no. I man up." So we besought God. Because we had we had already spoken to the king in faith. We said God is enough. [Applause] [Music] [Applause] Sufficient it is God for him. He said the psalist say blessed is the man that has God as a refuge. You all know better. I say you get God. The God of Jesu that rise on the skies to your help. Hey is in the place of prayer. The Lord of hosts, the King of glory, [Applause] you see in prayer and I cried unto the Lord of hosts and he heard me. He say my enemy prevented me because he was too strong for me. So God delivered me. It don't matter how the enemy strong, God delivered me. Say they prevented me the way but God but God. But God but God. That's Psalm 18. He say so I beat the enemy like the dust of the air. I finish I scatter his bones everywhere. Hey, prayer. Thank God for the gift of prayer. It's a gift. [Applause] I cannot end like this. day go by come true for me. Let the Lord of the breaks arise break forth upon us. Aha in prayer. In prayer. Who is telling you is not by prayer? Baba. It's by prayer. Oh, it's by prayer. is by prayer. Is by prayer. Is by prayer. Is by prayer. [Applause] Do you think this rain did not want to fall? [Applause] As the weather I said Lord I gave commandment to rain not to be falling on Wednesdays and Sunday service. So he said I I have heard you forget it. It will just make the weather cool. So I he was intreated for me. God they hear me. Oh God that answered prayer. Unto him shall all flesh come. I've come. I've come. I've come. Can I just get 5 minutes with you, sir? Now I have all time with King of Kings. Look at how people lobby to get 10 minutes with influential people that can turn things for them. No one more influential than Yahweh on your knees. You rule the world [Applause] on your knees. [Applause] How can we go back

and tell them the God that we trusted was not able to do it? Say, "So I besought the Lord."
How could I tell them that God was not able to give me a child? Oh, I had to resort to No,
no, no, no. How could I tell them? that. No, no, no, no. So I besought the Lord and he was
in treated for us. [Applause] Come on, lift your hands and pray in the Holy Ghost. Come
sing that song. The Lord of hosts. Pray, pray, pray. We'll continue from here on Wednesday.
Heat. Heat. Yeah. Heat. Heat. Heat. King of glory [Music] glory. Yahe all the Lord the king of
glory the Lord the Lord the Lord Heat. Heat. Heat. Heat. power. Hey, he's the Lord of
heaven. The Lord of Angels. Heat. Heat. The light of I want your glory. Y the king of glory.
The Lord, the Lord, the Lord is the Lord of heaven. Salvation, the King of glory. The King of
glory. [Music] You see the way you are feeling. That's it. be ashamed to go back and ask
people when you told them the hand of God was shame. [Music] So we besought the Lord
and you treated us. Heat. Heat. [Music] Heat. Heat. The king of glory always the Lord of
the Lord of
