

Amen. Father, we thank you this evening, Lord. We open our hearts to your spirit. And we trust again that in this service, you've flooded our hearts with revelation, knowledge. We declare that we are people of wisdom, people of strength, people of honor. And we live with that esteem in the name of Jesus. We declare again that in this service, the things that ought to be said will be said. The things that ought to be done will be done. We give room to the spirit of God. Break us unhindered and we declare that in revelation utter truth and power we are edified and even as the word comes it answers questions it brings answers and solutions in the name of Jesus and more so it helps us to be strong and be wise with your power. Amen. God bless you. Have your seats. Uh, Romans chapter 15. Romans 15 and verse 4. Romans 15 and verse four. I'll wait for you a bit. A popular text of scripture. Now you can quote it. It says, "For whatever things were written at four times were written for our learning, that we through the patience and comfort of scriptures might have hope." What did he say? Whatever things were written at four times were written for our learning. And we said the word learning is the Greek word *didachala* doctrine. It was written for our doctrine, our instruction. So it's to give us information to function. Is to give us learning, doctrine, teaching. So the things the stories the things that were written our time were written for our teaching our learning that we through the patience and the comfort of scriptures might have hope. So those stories we get doctrines from it much like what he said in 2 Timothy 3:15 Timothy from a child has known the holy scriptures which is able to make you wise unto salvation through faith which is in Christ Jesus. And it says, "All scripture is given by inspiration of God, and it is profitable for doctrine, for reproof, for correction, and for instruction in righteousness, that the man of God may be thoroughly furnished, equip unto every good work." So the scriptures is for doctrine, and we're teaching on unseen forces. Is the Bible loud with the unseen word. In fact is so loud with the unseen word that the Bible it's a book Hebrews chapter 11 let's look at that quickly 11 it says now faith is the substance of things hoped for the evidence of things not seen and it says for by it the elders obtained a good report through faith we understand that the worlds the worlds there in verse three is the word *aion* periods of time that the worlds not the cosmos but the *aion* is the period of time. The period of time, the cycles of time. Through faith, we understand that the cycles of time were framed by the word of God. Starting from the very beginning, starting from the very beginning of the word. Through faith, we understand that the words were framed by what? The word of God. So that the things which are seen were not made of the things which do appear. So that's how God's word comes to us. God's word comes to us interplaying towards God's word comes to us interplaying towards through faith we understand that the words were what is faith substance for evidence of things not seen for by it the elders bore witness obtained a good report is not receive report card when you obtained I know that word obtained look like they collecting report card the elders there bore witness to that so they lived about the faith they were their whole life was regulated by the faith. So he now says through that evidence of things not seen we understand that the worlds were framed. So the cycles of time so the different

periods of time were framed by the seen and the unseen word. That's how the scripture is given to us today that the words were framed by the word of God. Did you see it? By the word of God. So that word of God, the word of God in every cycle of time comes to us with what? The seen and the unseen word. So that the things which are seen were not made of the things which do appear. So the seen word will be used to explain the unseen world. How do we know that? That's what he's teaching. Verse four, by faith Abel offered unto God a more excellent sacrifice than Cain by which he obtained witness. So that physical thing that came that Abel was doing pointed to something unseen. He goes on Anoch something physical Noah Abraham mentioned all of them. So something they did is pointing to something else. Hallelujah pointing to something else. So the sin explaining the unseen. The sin explaining the unseen. So the unseen word and the seen word are written together in the pages of the scriptures. So where somebody say is the Bible loud on the unseen world are we must rediscover the supernatural world view of the scriptures because the the timeline the history of the Bible it's in a timeline that is not scientific but supernatural. In fact it is in the age where the supernatural is the norm. So when you now ask so they are thinking their words are not scientific are not modern are ancient and supernatural in their imagine looking at Kane and Abel where say tiller of the ground you would think is agriculture. No is that Cain will no longer function as God's man on the earth. That nothing not nothing agriculture anything anything that taling has to do with spiritual function but the same word used for dress and keep has nothing to do with word for serving God. So he's using occupation to explain they are serving God. So he's using a sin work to explain the unseen work that they represented. And it's easy to see in that timeline how they use words. That's why we must rediscover the biblical usage of words, how words are used. So on sin forces, being wise and strong with his power, there's a lot to study. There's a lot to talk about. Hallelujah. Amen. Colossians chapter 1. Colossians chapter 1. And we will do after Philippians, you have Colossians. Colossians chapter 1 and let's do from verse 12. Colossians 1 and verse 12. Giving thanks unto the father which had made us meet to be partakers of the inheritance of the saints in the light. Verse 13. Who has delivered us? Who has rescued us from the power of darkness. Say I'm rescued from the powers of darkness. I'm not going to be Are you seeing it? The believer is not going to be rescued. The believer has been rescued. So what about believers that need to be delivered from the power of darkness? No, they're not needing to be delivered from the power of darkness like they have not been delivered. No. Is their ignorance that allow the devil mess up their life? Their ignorance and their unbelief or their active cooperation. And that's why we tell Satan, take your hand off God's people. Amen. Not that we are now trying to deliver them from the powers of darkness. No, we are telling Satan, you ought not to have touched this. It's like the land is your own. The land is your own. But it doesn't stop land grabbers from coming. Land grabbers are coming. Does not mean that the land is not your own. You will now insist this land is mine. This land is mine. Thank you. Did you get it? Yes, sir. Giving thanks unto the father which has made us me to be part of the saints in the

light who has delivered us from the powers of darkness and has translated us into the kingdom of his dear son. Translated say I've been translated. I've been translated. So totally removed from one place to the other. I've been moved from the powers of darkness. I have nothing to do with the powers of darkness. I have been moved over to the kingdom of his dear son. I'm in the kingdom of God today. I have nothing to do with darkness. And that is such a reality that I want us to start with. Of course, I believe every barber of this ministry should know that. But not doesn't stop us from reiterating it again and again. Every believer has been delivered from the powers of darkness because every believer is Satan's master. We have authority over all devils. Amen. And often when we say that which people don't even let it sink in which is the challenge they don't let that knowledge sink in and that is the very reason why once we say that they say what about those that are under the power of darkness do you want to be under the power of darkness those under the power of darkness are like you thinking like that it was that kind of thinking that Satan Satan that's what brought them under the power of darkness so it is that fear unbelief that put them under what they have authority over because I told you this land is yours and you now got there people now came I said you you were fetting so that's often the issue with many believer okay it's not my own now what we are we now going to do we will now come and follow you there that's what a pastor is doing when we are now helping remove what say Satan take your hand off say but this land is your land is your say this land is not your own notice will raise voice that's that aggression Amen. Because that's what that person should have done. I say hey because Satan likes to take what is not his lay hold on what is not his. So take your hand off. Get out. That is how the believer functions. Amen. So uh you are telling me now that I have no connection with my ancestral past. If you walk in the light of your inheritance, if you know you have authority over all devils, you com you believe that, you know that, and you confess that, you have no business with that. But knowledge is appropriated. The fact is appropriated. So it's not I am no, you must you appropriate it. You do what? You appropriate it. You use it. And I give you the context in uh first Corinthians chapter 8 knowledge. There's not in every one that knowledge revelation in everyone there should be that knowledge. We should have that knowledge that there's one God father of whom are all things ab and we we have that knowledge that an idol is not in this world that first 8. I read it now on Wednesday. Have that knowledge. Have knowledge. Knowledge facts. moving from nosis to epicnosis full precise and accurate knowledge because that's where the ministry gives now function where we are to give you not just knowledge but full and precise epnosis the word in Ephesians 4 to bring you to the knowledge of the son of god knowledge epignosis Ephesians 1 the eyes of your understanding be enlightened that you may know that again is to give you epignosis that is it growing great and the knowledge epignosis full and precise knowledge. The professor's kind of knowledge. You know it that you know that you know you have every knowledge of it. And that is power. That is power. Say what about us that s we are under the powers of darkness. So you and your family not me and you. So you say we talk for yourself. We is

you and your house not me and you. The man in Christ has authority over all devils. And nothing is changing that. We must understand that God's word is more real than my experiences. See, because there's always going to be somebody who out there who says, "But look at what I'm going through." It does not change God's word. God's word is more real than my experiences. God's word is more real than what I am going through. God's word is more real than what I can ever go through. Colossians 1 again, look at verse 14. In whom we have redemption through his blood even the forgiveness of sin. Say we already have. In whom we have not going to have. So we have redemption through his blood. The forgiveness of sin who is the image of the invisible God. The firstborn. Underline that. How many? The first born of every. For by him were all things created that are in the heaven that are in the earth. Notice that. For by him were all things that are in that are in the visible and so God created visible and invisible things whether they be thrones or dominion. So it gives you a context or principalities or powers. All things were created by him and for him. All things all things visible and invisible were created by him and for him. And he is before all things and by him all things consist. He is the head of the body, the church, who is the beginning, the firstborn from the dead, that in all things he might have preeminence. For it pleased the Father that in him should all the fullness dwell and having made peace through the blood of his cross. By him to reconcile all things unto himself by him I say whether they be things in earth or things in heaven. So all things in Christ things in heaven things on the earth in Christ to reconcile all things unto himself. Heaven and earth now in Christ Jesus. Amen. Go to Colossians chapter 2. And we'll read from vers uh 8. Beware lest any man spoil you. Colossians 2:8. Beware lest any man spoil you. True philosophy. Philosophy and vain deceit. So it conjoins what it means by philosophy because all philosophy is not wrong. So philosophy even vain deceit. The one that so the love of wisdom is not a bad thing but vain deceit the one that's where you now say false philosophy and he says it is after the traditions of men is in line with what has been passed down from men to men and it's also after the rudiments of this world the sto of this world keep that in mind we'll come back to that on Sunday that word rudiment you see how it is connected to princes these principalities and powers. That's a word that is also used to explain principalities and powers sto because of how foundational principality and powers uh influence cultures and what we call paradigms way people think preconceived notions patterns after the rudiments of this world and not after Christ. So then it says for in him dwelleth all the fullness of the godhead body that's Jesus Christ and you are complete in him which is the head of all principality and power that that doesn't mean head of all witches. You know how people explain things. No is the head of all head of all. No it look like they are all the same. No they are not. When you say head it means the supreme being the highest authority over all principality and powers. So principality and powers have a creator. And he says Jesus Christ funny enough he's teaching Christ Jesus here not God as we know it. And that's why we can boldly say Jesus is God because Colossians is one of those book that very loud on everything you know God to be is what he calls Jesus Christ. So you you are stuck Jesus.

So he says he's the head of all things might and power which is the word Lord of hosts. So he's that lord of host Genesis to Malachi keep referring to he's the lord over the host. So he's the head of all principality and powers. Then he says, "In whom also you are circumcised with the circumcision made with our hands." That's how we got born again in the putting off of the body of sin of the flesh by the circumcision of Christ. Buried with him in baptism wherein also you are risen with him through the faith of the operation of God. So when you say I believe, it was an operation that was going on. It was God. God performed an operation in you. Hallelujah. Who had raised him from the dead and you being dead in your sins and the unconsecration of your flesh had quickened together with him having forgiven you all what? Verse 14. Blotting out the what? That was blotting out the what? that was which was and took it out nailing it to nailing it to his cross and having spoiled principalities and powers he made a show openly triumphing over them in it. So what does that mean? having spoiled principalities and powers. The word spoiled there a domi it means to strip off to disarm. And now in this context it implies what a conqueror does to plunder to to you have gotten a massive victory so you plunder. So when you say we spoiled the enemy, ah you did not just defeat, you finish them. For those of you who play game brutality finishing better when you play with Sega, you'll see the meaning of brutality. I don't know if those games still exist anymore, but those days when we're younger, oh boy. You see finishing that's finishing is where it's called spoiled. You will see how the the bones will even show hey that's finishing having spoiled principality and powers we have rendered them useless. So upon obtaining the victory in a conflict of battle the victor now takes away the spoils of war that the opponent used to own. That's the word to spoil. So the spoil having spoiled because I did not just defeat you. I took the things that you used to own that used to brag with. They are all now mine. So you have nothing you are in control of again. I have stripped you naked completely. That's the word spoiled having spoiled principality. So upon obtaining the victory in a conflict or a battle or a war, the victor takes away the spoils of war that the opponent used to own. So what the victor what the victor the conqueror takes from the opponent now becomes his. So in disarming the opponent the opponent is stripped of what he used to have. So it says having spoiled principalities and powers because that's unseen beings having spoiled and this is the ones that are contrary to his will and his purpose. negative uh the the powers of darkness. Having spoiled the evil principalities and powers, having spoiled, disarm them, strip them off and in ancient time you will parade them. The historical setup in those days you will parade the king and everybody will say is look at who used to be great. So that's finishing. So he's now the king is now part of the spoils of war that we have all taken captive. So we took the king, we took everything in their kingdom captive. They all under us having spoiled principality and powers. Did you get it? And having spoiled principality and power, he made a show of them openly triumphing over them in it. Did you get it? So that Colossians 2:15 used the word them to in fact two different persons and that's what we often forget and having sparsity and power he made a show of them openly triumphing over them in it. So two them are there

he made a show of them. So let's do a quick exegetical analysis of this text. So we look at the word spoil there a do to disarm to strip of the first instance when he used the word he made a show of them. He made a show of them triumphing over them in it. Now he made a show of them is one word in the Greek dematiso which is to exhibit. Now who is he exhibiting? The powers of don't answer so that you don't give me a wrong answer. Who is he exhibiting? I've taught this before. Who is he exhibiting? the powers of darkness or the church upon that victory because um the enemy is being paraded. But who has the victory? The kingdom that has just plundered the other kingdom. So he said he made a show of them openly. Then says triumphing over them. Now the two them like I said is what you must is two different persons you must take note of. So because one is the church, one is the prosperity and power because the victory has been given to us. So he made a show of them. So he made a show of them opening triumphing over them in the to them. Now it should be recalled that when you observe that word discern, it is it to strip the captor of what he used to own? So having stripped the capital, having stripped the principality and powers of what they used to own and have and brag with. He made a show of them openly. So it's so easy to see how he says, "Oh, made a show of them openly." Now that word openly is the Greek word paracia always used to explain the believers boldness that we now have the assets that we now have consistently every time he uses that word is one of the in Christ reality that we have access we have boldness in Christ Jesus is one of the realities we have in Christ I'll give you just a quick just put it in bracket that word uh openly there boldness efficient just write the references down put a bracket for that Ephesians 3:12, in whom we have boldness and access with confidence by faith of him. That's the word boldness there. Don't turn. Just write it down. Just just write the references down. It's the same word again in first John 5:14 when he says, "And this is the confidence we have in him." Used for us again. Confidence is the word confidence. The confidence we have in him that if we ask anything according to his will, he hears us. is the word in Hebrews 10:19. Having therefore brethren, boldness to enter into the holiest by the blood of Jesus, we have boldness. Hebrews 10:19, we have boldness to enter. is the same word in Acts 4:13 where they perceive and when they saw the boldness of Peter and John and perceived that they were unlearned men the boldness of Peter and John the boldness the boldness is the same word in first John 4:17 year is our love made perfect that we may have boldness in the day of judgment because as he is so are we in this world so every time he uses the word boldness He uses to speak of what we now have in Christ Jesus. Cast not away therefore your confidence which has great recompense of reward. Hebrews 10:35. So confidence, boldness, that's the word. So when he says he so remove that word them because the word a show is the word dematiso. He made a show to make an example to show as an example to exhibit. Now remove the word them and put us and see how it reads. Having spoiled principality and powers, he made a show of us openly triumphing over them in it. Now come a bit and see if that work. I've explained this in some of our hard questions Christ answer. of explained this text before and those teachings I

think are on the website hard questions cried answers so we talked around those things Hebrews 2:14 what does that say I quoted every time for as just stick with the Colossians for as part of flesh and blood what did Jesus do he likewise of the same that through death he might what destroy him that had the power of death so that destroy him is that the same thing I've spoiled yes sir is it the same context and destroyed him who had the power of death. Verse 15, and delivered them who all their lifetime. Notice in that defeat is our deliverance. And delivered them who all their lifetime were subject to fear. All right? So we are free. Lifetime subject to bondage. So that word destroy is to anol. Something is not viable again. It has lost its vility, its power almost like it has expired. So Satan is still alive but it has expired has be that's actually what it means is so you can't say it does not it exists but it's just good for nothing but to be trampled on that foot is good for nothing. All right. So back to that Colossians 2:15. Notice how he uses the word. So how did he spoil principality and powers? The pretext tells us that's why we read 11. So that means upon his resurrection, the believer was displayed as the proof of that disarming. Because what is the proof that Satan has been disarmed? I've said this over the years. What is the proof of the empty tomb? What is the proof of the resurrection? Is not the empty tomb, but the believer. What is the proof? What is the sign and wonder that Isaiah says we are made for signs? What is the sign and the wonder from the resurrection that the grave is empty or that you are born again? That I'm born again. So the display, the exhibition is twofold in in ancient practice. The display of the enemy also is a display of the victor. The display of the enemy is the display of the victor. So where and that display of the enemy is where they match the with chains on the neck of the king that has been defeated. He's being brought into town. Now everybody in town is rejoicing because the enemy, the opponent has been destroyed and all of their subjects have now been taken captive as the spoils of war. Now that parade is not done for the sake of parade is done so that the other nations can now see because we are showing forth our power. We are showing forth our authority that we have these kings as our subject now. So what is being shown forth it cannot be the defeat. That defeat is already obvious because he say having spoiled is not the showing that is the spoiling. So the showing is you and I. Of course we know the historical practice but historical practice is not done for the sake of showing the enemy. Everybody already knows the town criers have already run into town to say the king we have won a great victory. Everybody has gone to announce that already. So now bringing the enemy king with chains on his neck is not for the sake of the people in town to know. Is for the sake of the people in town to know that they are the victors and for every other person to know that this nation now has this as as captor as uh as in captivity. So the the dreaded one is now a subject under us. It shows the greatness of our kingdom. Are you here at all? It shows the greatness of our kingdom. So look at it again. 11:12 in whom also you are circumcised with circumcision made without hands in the putting off of the body of sin by the flesh of the flesh by the second of Christ buried with him in baptism wherein also you are risen with him. So we are rising with him through the faith of the operation of God who had raised him

from the dead. So is this resurrection reality? So are we with him in the resurrection? Where did he spoil prosperity and powers? Is he in his death? Oh boy. Remember now that this is not really blown. He's not Jesus was not saying Satan come. They were landing punch what Jesus did. So upon the resurrection is he showing Satan or showing the church? The church is what was raised up with him now. Thank you. So remember the as much as we understand the historical setup remember what is actually happening. There is a dying then there's a resurrection. We died with him. But in that death he defeats the principalities and powers. He destroy through death he might destroy. remember so what now happens after he destroyed he delivered us that's why I can never be under the power of darkness because legally and vitally I am totally free from Satan's domain because he died and was buried Christ died and was buried and in his resurrection I was raised together with him by the operation of God by faith I was raised together with him raised where far Come Come on. Ephesians one. Far above how many? All prosperity and power. Is it because they have been defeated? Yes sir. Yeah. Because they have been defeated. So who is being shown? So change the phrase having spoiled prosperity and powers. He made a show of us. Did you get it? That's how to read it. So that word made a show is a compound word in the Greek dematiso like I told you it's it's to make an example a pattern. So when you have an example of that dematiso means other things will follow. I'll give you an example of such where that word is used in Jude uh in Matthew 1:19. Then Joseph her husband being a just man not willing to make her a public example was minded to put her away privately. Notice what Joseph wanted to do. to put her away. What? To put her away. So a public example means a public show. So something that people are going to see. So and Joseph her husband being a just man not willing to make her a public, you see that word, a public example. So that word openly like I told you is the word used for freedom of expression boldness. So when he said he made a show of us in confidence remember two words come on again uh I'm in verse 15 that's why we always say go back go back having spirit and powers he made a show of them openly that word openly so they made a show that made a show then the word openly so we said that that word openly is the word confidence boldness remember openly. All right. To make an example and when you make an example, other things will follow. So he made a show of us in confidence triumphing over. So see another phrase triumphing. The word triumphing ju just observe the phrases triumphing. The word triumphing is used for receiving trophies. That is the proof of victory. So what is the proof of the victory? That they are in chains or that you are their master. What is the proof of the victory? But that you are their master. Does that also show that they in chains? I told you the two are together. But what is really being shown that you are now in charge that that great enemy is now under. So who is he showing? That's why looking at the word triumphing. So over them of course not over us. The them there is the prosperity and power. So triumphing over them has to do with a trophy. A display of the trophy. Did you get it? Look at another place where you see that word triumph. Second Corinthians 2:14. Now thanks be unto God which cause us to triumph in Christ Jesus making

manifest the server of his knowledge by us in every place. So what he displayed is the proof of what he did. So the display is that the believer has been freed from the enemy. The believer is now Satan's master. that the believer is far above up his mighty and power. So the one who was under the enemy is that the saved or the unsaved man. The who was under the powers of the enemy? The unsaved man. So now that you are saved, are you the proof that Satan is now the one in chains? Thank you. So that's it. So what follows when a person has been delivered? So the person who was displayed as the resurrection was not Satan. The person that was displayed at the resurrection was you and I. It's not Satan that was raised together with him. It's you and I that was raised together with him. So it's not Satan is showing forth. It's you and I is showing forth. Oh sir. Oh okay. That's showing we we know that historical practice so well thanks to epic movies that you have watched. That's why it's so hard to shake it off. But realize that this is not fight of look at me. The fight here is that he died. He was buried. Look at that's why we read the pretext. He was buried and by the operation of God we were raised together with him. So always remember that that is the context. So when he say having spoiled where did he spoil in his death. So what follows after death? Because if he's still in the death then there's nothing to show. But if there's a resurrection, there's something to show. So that resurrection is now the show of the victory. But what is it showing as the victory? You and I, not uh not a medal on our neck. You and I are the proof of that resurrection. So he made a show of us because him from the resurrection others will follow. remember pattern that's why I use the word dematis so there will be others that will follow so just as Christ is triumphant that's how we are triumphant because he didn't do it for himself he did it for us that's why I use the word openly he showed us in confidence in boldness so that means we are all in style we are in our festive cloth in Zion the place of all festivities so we We are all decked in our royal appar. We have been shown forth as the proof of that victory. Amen. And having spoiled principality and powers, he made a show of us openly. So the challenge has been the use of that word them. So remove them and put us in. If is you didn't steal your own, right? Always to write in your Bible now your Bible. So that next time when you are reading your Bible you already know the the translation because they didn't think the them will be confusing because of the context because there have been two them there is prosperity and power then there is us we are the first them because he talks about what has been done for us in Christ Jesus. Remember Colossians 2 is a long read. For I would that he knew what great conflict I have for you and for them at laosia. So then he began to talk about the believer talk about what we have in whom I hid all the treasures of wisdom and knowledge and this I say lest any man. So it tells us where we are command and ye have therefore received Christ Jesus the Lord so walking in him rooted and built up in him. So I'm talking about the church, the church, the church, the church. Are you with me? So flow. So the the whole discourse from Colossians chapter 2 has not been power and power. So to them are infed. So it means at the resurrection the proof of Jesus resurrection is the believer. Jesus is the pattern of everyone who has been raised from the dead. So as the

first we are to follow after. So the believer is now the trophy triumphing over them in it. That's the word triumphing over them in it. Used in 2 Corinthians 2:14 for God who causes us to triumph. So that's the triumph. Did you get it? So he displays his triumph over the enemy through the believer. So the church is the trophy of Christ resurrection. Where was the display done? Openly on the earth because we are on the earth now. We have been shown forth. That's why he says all authority upon the resurrection. Matthew 28:18. All authority in heaven is given unto me. Go ye therefore is showing us forth. That's why we legally have a right over all principality and powers. So the disinheritance of Babel, the undoing of Babel has happened where the nations were disunited where the tongues of the nations were scattered in Christ Jesus and in the spirit. All the nations come together and they are under one tongue in Christ Jesus. Amen. The disinheritance of the nation. So Satan has no claim over any gentile nation because the Israel was standing alone among all the other nations. But upon what Jesus have done, that's why it's Jews first also to the Gentiles. Even the Jew himself that had failed severally, the Jew that the Israel that has failed to be the example, the covenant, the people of covenant, God has also forgiven them, restored them. And in what he did, Jew and Gentile becomes one new man. The trophy, the proof of the resurrection is the church. So the proof of Christ's victory are the delivered ones which is you and I that have been delivered from the power of darkness. We are the proof of Christ's victory. So Jesus by his sacrifice nullify the authority of the devil by dying and setting men free. So everyone who is a believer will follow that pattern. Did you get it? So every believer follows that pattern because Jesus has set a pattern. So deliverance is the work of Christ. Did you get it? Deliverance is the work of Christ. So how did Jesus display victory over Satan? Will that be true who believe? So he displays his triumph over the enemy through the believer. We are the proof. Ephesians chapter one. Go back. We read this text. We just flip back a bit. Ephesians chapter one. So you you see Ephesians 1. Which he wrought in Christ when he raised him from the dead. Observe. Raised him from the dead and set him at his own right hand in the heavenly places. So notice after he raised him from the dead set him at his set him that's Jesus Christ but he is not alone as he will later show you in the same Ephesians because when Christ was raised we were raised together with him because that becomes a pattern far above all principality and powers did you see it might and dominion and every name that is not only in this world but also in that which is to come. Verse 22. And has put all things under and gave him to be head over all to the church, which is he gave him to be head over all things to who? So who did he hand over that authority to? To the church, which is his body. Because the church is on the earth. So who is exercising and using the authority of Christ on the earth? The church. I remember that vision papa Hagen had where Jesus was standing with him and there was a demon doing yaki yak up and down and uh was bothered. He couldn't even hear some of the things and he always regretted that he didn't hear all the detail of what Jesus was saying in that vision because he was the one that was distracted. And so he turned to Jesus and said, "Won't you do something about this demon that is making

noise, disturbing in your presence?" And the Lord Jesus said to him, that's up to you. I already handed you all that authority because this is a nothing to me. I'm paraphrasing it. You are the one to use that authority. And it was this. And you know how says God taught him. God now Jesus told him, I'll give you three references because he has a pattern of three scriptures. And that's again with you know how God speaks to us accommodating our frailty. or he has a pattern or two or three scriptures enough to build doctrine because so okay I'll give you three scriptures for it and he gave him all the scriptures that shows and he said wow so if I don't do something nothing will be done about go say yeah because you are the one using my authority say wow that's why and go Jesus told him that word in that vision there's no text in the scripture that says that Jesus should use authority over Satan He said then he ded on him that really there's no text like that. Every time authority over the devil is mentioned it's always the believer using the authority because he gave that authority to us. Amen. He gave that authority to us. We are the one who uses that authority. Hallelujah. He has shown us forth. So we have been shown forth as Satan's master. Observe that over all things because that's also something you must take note of. The same thing is again mentioned in Hebrews 2:8-9. Thou has put all things in subjection under his feet. Get used to the fact that all things are in subjection under our feet. Oh boy. All things. Tell your neighbor. All things All things All things are under under authority. Amen. Let's start off first Corinthians 15. This is going to be 1 Corinthians 15:27. It's all precisely 24 down. Then come at the end when he shall deliver up the kingdom to God, even the father, and when he shall have put down all rule and all authority and power, for he must reign till he had put all enemies under his feet. The last enemy that shall be destroyed is death. What that means is that Jesus had done something already but we do not yet see it completely and in all fullness. Why? Because all the earth has not become new creation. The church is new creation now but soon all the earth. So that's the time lap now. So it's in that time span he said he must reign. So now to the end of all things we see his reign until even that last enemy because he's already the king over all things. We now see the last enemy which is death because people are still dying. Physical death as we like to call it which is not just physical death but death. There's still a separation spirit away from body that is that's why I told you that is the picture of death. So when you make that we I can't wait to die. I can't wait to be with the Lord. Can't wait to and you make death look like what is stopping you from being with the Lord. Then go and be born again and say I can't wait to be with the Lord. I'm already with the Lord upon being saved. It's not when I die that I'm going to be with the Lord. I'm already with the Lord. Every day of my life, I'm with the Lord. In fact, I'm in an inseparable union with him. All right? And has put all things under his feet. And when he said all things are put under him, it is it is manifest. Oh, you are not there. Verse 27. It is manifest that he's which did put all things. So when you say all things are under feet, God is not under our authority or this is Paul didn't have to say this but just in case of mad people. So even Paul as a teacher and understand that some people not get sense for they in Christ reality say everything is under me even God. Ah, so

and when all things shall be subuted unto him, then shall the son also himself be unto him that put all things under him, that God may be all in all. So when he says the son there as a man because he's he has been doing it as a man. So that's quite a lot and this is not the time to show you too many references for that phrase. So he put all things there. Then we have Ephesians 1:22 and has put all things under his feet. Remember the all things again in Ephesians 1. Is it all principality and powers because they are mentioned far above all? All all principality and power, might and dominion. and every name that is named. Five things that are mentioned there, principality, power, might, dominion, and name. And every name that is named. So all things under his feet. And that is under our own feet too. Come on. All things under his feet, which is in turn under our own feet. Hebrews 2 verse 7 and 8. Thou made him a lower than the angels. And thou has crowned him with glory and honor. And that set him And thou did this set him over the works of thy hand. Thou hast put all things in subjection what? Thou has put all things in subjection under his feet. For in that he put all Is this how God made man? Remember this Psalm 8. How God made man. Crowned with glory and honor. We talked about that in the truth experience meeting recently. That's how God made man. So upon the resurrection now man has taken his place. Man has taken his that's where we say we have already been glorified and we shall also still be glorified. So we have been glorified in the sense that we are still together with Christ. We have been crowned with glory and honor. We are now that man that man to be that can reign and rule that has authority over all all things. Amen. Say but we see Jesus. So we do not yet see all things put under him then we now see Jesus. So Jesus came for that reason to ensure that we have that original position. So when we do not yet see all things under his feet that's why we now see Jesus. He came was made into Lord and the angels for the suffering of their count with glory and honor. So he himself became a man. That's why I mean use the same phrase count with glory and that he by the grace of death should taste death for every man. So substitutionary work for it became him for whom are a things and by whom I became many sons unto glory. So see how he explains it. So because of what Jesus had done, we are now in that place. We now have authority over all things. Did you get it? We now have authority over all things. Philippians chapter 2. Wherefore God al let's read from verse uh again verse six who being the form of God not robbery to be equal with God did not hold on to his equality with God so that means he's equal with God that's Jesus being but made himself he did not hold on to his equality with God he became a man that's what he's saying he made himself of no reputation but took upon him the form of a servant that and was made in the likeness of men. So he came to serve and being found in the fashion as a man, he humbled himself, even became obedient even unto the death, even the death of the cross. It's one thing to die. Now die the death of the cross. That's shameful. Wherefore showing you again a pattern of power that grace to the humble wherefore God also has highly what? and has given him a name which is that at the name of Jesus every knee should of things in things and things the three worlds w the three worlds heaven earth under the earth is that the three worlds currently soon the

third one will disappear because God did not make the third one. It was sin and death that created the third one, hell. So, heaven, earth, under the earth at the name Jesus. Notice didn't say at the mention because he's not talking about the pronouncement. He's talking about what Jesus accomplish on the resurrection because upon the resurrection is at the name at the name Jesus. When we say in the name of Jesus, we are saying it's a microcosm, a short way of saying in the name of he who died, was buried, and rose again the third day. That's the longer version. So when I said I'm saying in the accomplishment that happened in the dead. So that's why when Peter says such as I have given unto you in the name of Jesus Christ rise up and walk. He was using the name. There are people who say in the name of Jesus and they not using the name because they are not conscious of their authority. They're not conscious of their authority. So uh the seven sons of Ka said Jesus but nothing happened at because seven sons of Ska did not have any authority over the devil because they are not Christians there. So the demon pounce them and beat them silly because they say in the name of Jesus Christ whom Paul preached. So it's not a formula. Are you really in the name? Because in the name and that's why we are born again in the name of Jesus. There's no other name given among men by which we shall be saved. So it's in that name we got saved. So it's not in the alphabet J sus. Are you getting it? So when you hear in the name of Jesus, it's not in the alphabet J sus. No, that can be English or or Greek as much as you want to. Yahosua, Yeshua, Joshua, anyone. It's not about that. It's about what it represent. So once you foolishly attach yourself to alphabet as when say in the name of Jesus no I don't like when we say Jesus I like when we say I like where we say no that's not it's not the alphabet it is what is behind it so you say in the name of the president not say is he vivable or now you know I say I came in the name of the president you are saying is it the pronunciation the people that are with me we bring you under you will now know I came you actually want to know the name of who it's not about the alphabet it's not about the pronunciation is about that that is how I was sent to the function I was sent to represent the president I was sent to represent the American president I was sent to represent the king the I was sent that I come in that name so it's not about that I I have to mention that name so it is a status it is upon the resurrection of Jesus. So at the name Jesus, every knee should bow of things in heaven, things in earth, and things under the earth. That's the authority we have. Things in heaven, things in the earth, things under the earth, bow at the name Jesus. At the name Jesus. When I function in my authority, the man that functions in his authority, heaven, earth, under hell bows to that man. The man that walks in the light of his power, walks in the light of his authority, heaven, earth, under the earth. That's why people like us will always be unfazed when you tell us about what you are going through. Oh s no because we come in the name. We come in the name just like that message when I told you Monday I come in the name of Jesus. Tuesday I come when that's the mindset come in the name of the Lord so you are conscious that everything will work everything will work heaven earth under the earth comes under heaven earth under the earth are there powers in the heaven they come

under powers in the earth they come under powers in hell they come under we mentioned those entities in the three words the other time amen hallelujah and that's why in the tabernacle In the temple there were there was there were three layers. The twotory building there were three layers. There were three layers. Heaven, earth, under the earth. That's how they build. So that you understand dominion. The authority of the believer. The dominion of the believer is over the three words over every name that is made. So ghost, demon, principality, height or power or power it does not matter. We have authority over all every power in heaven on the earth and under the earth is only God that is not under th authority. That's why you showed you because in heaven we have authority. That's why angels attend to the words we speak because we have authority not to we are not fighting them. So they are not we are not in opposition against them. So they hacking they yield to us. So when we are using that authority, they join us. They join us. Oh, just like when you have a protocol attached to you, he's with you. When you have uh I mean whether it's military or police, anyone that is attached to you, they are with you. They are with you. Hallelujah. At the name Jesus. So when there is now an opposition, they are going to take your side because they are with you. So when we use our authority, those good unseen beings in the heavenlies walk with us in using that authority. Then if there are negative ones, they come under. Are you following? So in heaven, on the earth, under the earth, say do you know where they have carried my name to? Anywhere they have carried your name to. See if in the words of say I fear Kane more than I fear juju more than I fear voodoo because voodoo ah Kane you will feel it. Voodoo you not feel anything. That's how the believer must think. I fear. Have you been flogged before? I fear say mention the full name. Add Alvin to it. I give you my address too. Number seven. Stab it and see your debt. not Jesus say um I have his picture snap new one on your Bluetooth send it to you use that one is newer it's life it's fresh until you can touch it see as I'm touching this thing until you are able to touch your Authority is tangible to you. It's like the cloth you are wearing. Touch your cloth. Aha. Your the authority you have in Christ must be real like that. All things under. Facebook reminded me of a post, five post I wrote 2016 2017. All things under. All things under. All things under. All things are under our feet. All things are under our feet. All things are under our feet. Amen. All things are under our feet. You must walk with that consciousness. All things are under me. And the word under there say they are subject. Subject there is the word hoas. They arrange themselves under. They are under my obedience. All things were designed to respond to man. All things that God created in heaven, on earth, under the earth as we now have it now are all to respond to man's authority. In fact, supernatural beings respond to authority. Amen. That's why today when you say out, out they go respond to authority. Our authority in Christ over all principality and power. Principality includes the angels of God, the fallen angels that we call devils or demons. We have authority over all. Hallelujah. The true enemy we have are not human beings. We wrestle not against flesh and blood. We read that for two weeks in a row. Now we wrestle not against flesh and blood but against principality and powers. They are the

issue. And we wrestle by standing on our authority in Christ. Standing on the power of his might. You don't try to defeat an already defeated devil. That will be foolish and pointless. You don't try to defeat an already defeated devil. What do you do? You take a stand. You take a stand. You don't try to own a land that's already your land. You take a stand. Don't encroaching this land again or I finish you there and say I need to go and buy the land again now because they are dragging the land with me. Get out of this place. Use authority authoritatively. All things under in heaven, on the earth, and under the earth. All things under you. All things under you. All things under you. All things. And it's not because you pray. It's not because you have a prayer life. It's not because you understand the four dimensions of the blood. It's not because you understand the 12 the 12 chambers of the monarch of the palace of heaven. No, it's because you are born again. You are Satan's legal master. All things are under you in heaven, on earth, under the earth. That's why we don't sing stupid songs like we going up to the high places or I not follow you. No, I'm I'm not in my singing going to be stupid. Cannot go up to tear the devil's kingdom down. Satan can't be up and I'm down. No, no, no. I'm far above. He's under. In no equation is he up. In no equation is he up. He's in no height higher than mine. I'm in a height above his father of all principality and power. That's why we don't sing stupid. Strong man, submit your power. Submit your power. Submit your power. No sir. At the cross of Christ upon the resurrection, every strong man submitted their power. And it is the reason why we are called believers today. It is the proof that no strong man has power. Because Luke said he will do three things. He will go into the strong man's house. He will spoil his goods. And he will destroy all his vessels. That's what Jesus has done for us. So we don't quote scriptures anyhow. Let's read that text in Luke. Go into a strong man's house. Strong man. Strong man. How can you still call the devil strong man when you are born again? You miss the picture. Luke 11. Go to Luke 11. Luke 11 verse 18. If Satan also be divided against himself, how shall his kingdom stand because he said that I cast out devils through Belzeub? And if I by Belle cast out devils by whom do your sons, do your children cast them out. Therefore, they shall be your judges. So the children, those disciples were casting out. Remember they were very young. The oldest was 21. They used to marry early in those days. I hope you know. All right. So and Peter I think only two were married as at that time or one about one married one just about to marry. They were young guys. Teenagers were disciples that follow Jesus. When you hear people say things like Jesus have a problem, you are too young. You are too young. Teenagers are God used to change the world. Say you are too old. Say you're too young. My friend stop trying to. So it says if I with the finger of God another another of the corroboration another account says if I cast out devil by the spirit of God so that's if I by the finger of God by the spirit of God cast out devils not translation another of the I think that's Matthew or Matthew spirit of God if I with the finger of God cast out devils no doubt the kingdom of God is come unto you then it tells a story when this is what people have now used any When a strong man armed keepeth his palace, his goods are in peace. So a strong man guards and keep his palace, his goods are in peace. But

when a stronger than he, so you notice that in the equation there's a stronger than he when a stronger than he shall come upon and overcome. He taketh from him. That's that's what Jesus did for us. He taketh having spoiled principality taketh from him all his armor where he trusted and divided his spoil and he that is not with me is not against me and he that g not with me scatter it. So it's where they told us we saw a man cast out devil but is not with us. That's where Jesus now had to do all explanation. Amen. Amen. The strong man when he's stronger than Jesus is the stronger than and he have sp and that victory has been given to us today. We are the proof. He has shown us openly as the triumph over the powers of darkness. Amen. Hallelujah. Amen. Amen. Luke 10 verse 17. The 70 returned rejoicing. Lord, even the devils are subject unto us. Underline that was subject. Satan and his cohorts are subject. That's why we treat them as nothing. We have authority to tread upon. Then he says, "Is that what you are rejoicing over? Rejoice over that souls are saved. Oh say and said unto I be Satan as lightning fall from heaven. Behold tell your neighbor see. You must see to you must be that tangible. You must be able to see it. Behold I give unto you power to try upon serpent and scorpion. I'm about to travel now. Will I get to my journey safety? Eh, I always get to my journey. Safety. Safety will tell me not to travel. If there was evil on the way, safety will tell me not to travel. I don't walk by fear. Just like our song, though I walk through the valley of the shadow of death, I will not though, they rise up against me, but my God, they will stumble. And that's just what David was confessing. They'll stumble and fall. I'm never terrified of the enemy. No, no, no, no, no, no, no. I'm powerful. I'm powerful. Say, behold, I give unto you to tread on. The word tread is the Greek word pate. It means when you have a headon encounter, it is a crushing context. It is used in desecrating a place treating it as trash. We treat Satan as trash. Tread upon serpents and scorpions which is used figuratively to explain something and over all the powers of the enemy. That's it. And nothing shall by enemies hurt you. Nothing. Hallelujah. I have authority to tread and trample serpent and scorpion which is metaphorical of course for the devil and and its demons. No power of the enemy can hurt me. No power. Doesn't matter how many ms that they are stabbing. No power. Say have you seen what the devil is doing? The devil is very powerful. Nah. Have you seen how powerful I am? You have not seen it. That's why you always see the wrong things. Behold, I give unto you power. And that's why we are teaching this series again. Because just like we taught it the first time, understanding your supernatural authority, this time you must be wise and strong in his power so that you can be the best of two words. Amen. Amen. Hallelujah. All things are under all things. Remember how God created man and let us make man in our image after our likeness. A representative of the unseen. Hey. Oh boy. Oh boy. Oh boy. Exodus 20. Let's do this. Let's do that. I'm avoiding Genesis 1 because enter that Genesis now. Won't come out again. Exodus 20 Exodus 20 and verse 4. Thou shalt not make unto thee. Thou shalt not make unto me any graven image of any likeness of anything that is in heaven above in the earth beneath or in the water under the earth. Water under the earth was used to explain hell. That's the reason why some pastors say do marine powers. Very silly door

way of interpreting the Bible cuz the ancient war they use water under the earth to explain the domain of darkness because of the chaos under the sea. So they use it to explain that. Are you with me? Thou shall not make unto thee any graven image. So don't make any graven image of God. That's what they were told. Abby, don't make any graven image of God. Don't make any graven image of God. Don't make any graven image of God. Leviticus 26:1, you shall make you no idol, nor grav image, that I rear up unto you a standing image, that shall ye set up any image of stone in your land to bow to it. For I am the Lord your God so not to make any image. Deuteronomy 4 and verse 12 it says and the Lord spake unto you out of the midst of the fire. He heard the voice of the words but saw no similitude only you heard a voice and he declared unto you his covenant which he commanded you to perform even ten commandments and he wrote them upon two tables of stone. And you know that ten commands what is in Exodus 20 about thou shalt not make any graven image. So they were told never to make any image of God. God is a spiritual being. God has no physical form. Nothing in this world can be made to represent him. But yet he calls man his image. Frightening. You didn't get that. Make nothing. Make nothing because he has already made what represents him. Make nothing to represent me. I've already made what represents me. Man represents God. And now for the first time upon the revelation of Jesus, God has that man. Some people call it little God. Little Jesus as you shall get the point. Finally for the first time God has that representative because every man outside his identity and vocation is an aberration misnomer does is that's not how man was made is functioning against and away the away from the reality of who he is. But now that the man is saved we function from that height from that authority. Hallelujah. Glory. [Applause] Amen. Amen. For we have this treasure in vessel. We have this treasure that the excellency of the power. Hey power. I am image of the unseen. Image. Nothing else can represent God. I wish you are getting this thing and say it deep hand from inside say this is the idol that I serve see me you are bringing something from inside pocket me I'm the image they brings they bring statue of something that used to represent what is not god but me you You are afraid of a carving. You are entering a place. Say see it's a shrine. It's a shrine. It's a shrine. It's a shrine. See you shrine. This is shrine. Yes sir. This is shrine. Yes sir. Yes sir. Shrine. Yes sir. Shrine. Yes sir. Shrine of God. Shrine of God. Yes sir. Temple of God. I'm I'm about to as you you enter say see carving see start to see red cloth hey go and buy red cloth native chalk native for they they sell those things for market. But you temple you are the temple of God. Let it enter. That's when you see you see you you ought to have dread for who you are. You have seen yourself [Music] finish nothing. Sit down great people. I just kind lift your head up. I know who I am. I know whose I am. I know who I am. I know who I am. I know who's I know who I belong to as well. For the greater one lives inside of you. Greater is he that is in you than he that is in the world. He say you have overcome them. Talking about the spirit of the antichrist. Oh, talking about the powers of dark. Say you have overcome them. You have overcome them. You have overcome them. I'm not trying to overcome them. And this is the victory. Yes sir. That has

overcome even your faith that it's not common to be born again. Nothing common about it. I'm Satan's master. All things in heaven on the earth and under the earth respond to me. Yeah. Also spirit of darkness so you may know where we stand. Yeah. Also powers on the air so you may know where we stand. The believer power Water covers the sea. Confrontations over the powers of darkness. Nothing shall by any means halt. Nothing shall by any means nothing shall by any means hurt me. I'm sure of who I am. I'm sure of who I am. I've preached to doctors before. I've entered shrine a lot. I've seen now and you see the terror people have they pull their shoe. Oh, next time you think about who you are, take off your shoe. You're standing on holy ground. You are holy ground. If you touch a leper, the leper becomes clean. Is the law of the blessing on higher? Now a leper touch you, you are leprosy. But now Jesus without hand glove without anything the law of the spirit of life it's a higher law and that's where the believer functions from that place when these things became a reality in our hearts remember the first time I realized that I have that authority not just over the devil but over things because that's where you see oh the devil the devil So, so you not every issue say okay if it's not caused by the devil okay no I have authority I have authority I have authority I have authority I have authority I have authority over all powers of darkness all powers of darkness I have authority I have authority oh boy holy ground we can do something here now if you pass here you will fall but you. Hey God, if charm work on you, you should you should die. Touch and follow. Hey image. They touch. They touch image. Image. They follow. They carry me. They go. No. No. They go. Hey. No. No. No. They stumble and fall. Yes sir. As you touch me, you fall. Yes sir. Yes sir. Is the other way. Yes sir. That's why you are a living fire. Naked wire and it starts here. You will identify you enter. You will pound it in. pound it in that you know that you know that even in your weakest state Satan is a boy boy is under feet reality we trample upon serpent and scorpion over the years I've always loved milliped while I just sit I just crush it as I'm doing that I just oh god this is so so fun is the fun of crushing it crush wash things under feet so that you are reminded of the devil. Satan has an exalted position under my feet. Positionally under foot reality. Satan is an underfoot reality. So every time you say, "Oh, the devil stop talking with talk with like you are trembling." Talk boldly. Talk talk boldly. The believer has boldness. Yes sir. Talk boldly, openly, freely. I committed the crime of the mouth. Committed a crime that the devil you not have rank for. What image temple see language is using to qualify us. That's why Paul say know ye not. The other time say they taking believers to court. You're taking children to court. You shall judge angels. You unseat principalities and you take their place over the nation. You sir, you you you will give you the morning star. You will reign and rule with him over the nations forever. You and you can't judge it and you can't judge a matter. That's what he was talking about. I have authority. All things are under me in heaven. On the earth. on the earth. Under the earth, under the earth, they are all under my authority. What is that? Matthew 8, I say to one, say, I'm a man under authority. I say to one, go and he goes. I said to come and he comes. I'm a man of authority. I say to things in heaven, go, they go. I say to things in heaven, come, they

come. I say to things on the earth, go. I say to things on the earth, come. I say to things under the earth, go come I have that kind of authority and it's not when I pray in my weakest week. It's because I'm in Christ Jesus. That's armor. You you are dressed. That's why you wear the belt of truth. Hold yourself tight. Yes, sir. He has held you together. Unmovable. Stand. Have you done to stand? Stand four times. Stand. Not the year. Stand four times. If you tell somebody something four times mean they hear word stand. Have you to stand? Stand. Stand stand. Your sister don't stand. You go to trouble. Stand. Say no. B. Stand. Understand? Some of you will never understand this thing until you put it to use. When we were much younger and these realities began to dawn on us, we used to when we see mad people, we pursue them. There was one I pursued. Oh, he ran. I was then four people now started pursuing me too. See want to use him for ritual. So I now learned that you have to be careful in this thing. But so you you and Jam face don't cross road sir straight on sir even wish that he may try to reach out to us so it can be obvious to everybody that he was the one that made the first attack so that you can you need practice you need practice of your authority you just stretch your hand towards you just see how it goes down on the ground then you say this madman was trying to attack me they say oh what happened I just touched him in the name of Jesus. Wow. Don't get free crusade is violent. Leave it for me. They violence which when I come we don't have authority over human will. That's the only thing we don't have authority over on this earth because we are not operating like devils. Not because we can't but it will be violation because God does not force people's will. That's it. But every other thing because he wield the earth over to me. He wields the earth over to me. Let us make man in our image of our likeness and let them let them have he will the earth to me. Man is the agency that stewards that reality. And now I am that man. Things in heaven, things under the earth in me. That's why we must always feast on our realities. Think on these things. Feast on your realities. Who I am in Christ. Think about it every time. Wear it. Eat it. Sleep on it. who I am in Christ Jesus. I'm powerful. I'm more than a conqueror. Hallelujah. I'm Satan's master. I'm Satan's master. Can draw a line and things begin to happen. You are touched not see them to do this. He rebuked kings for their sake. That's when they came out from Egypt. Look at how he touch not my anointed and do my prophet know that they use for only pastors. It's Israel. It's not one man. It's the whole nation that is called anointed. And they were murmuring and complaining after Balam did what remember they say he has not behead iniquity in Jacob with all that bad lifestyle because Moses up the mountain say there's a shout of a king in their midst baptiz Moses in the cloud because that one man was exercising authority there is no divination against Jacob no enchantment Hey, no enchantment. He has made the divers mad. Hey, I think about my mother. So what are we going to do about our precious that's normal flows has made the diver m job chapter 4 the he has disappointed the devices of the crafty their hands cannot perform the evil enterprise once he reach my m stumble and fail let the angels of God Persecute them. Let them make their way slippery. See David though, how much more you in Christ Jesus. Yes. So take your place. And in

Christ you have taken your place. Take your place. Yes, sir. Seated on high. Yes, sir. Take your place. Yes, sir. Oh, boy. Take your place. Yes, sir. It's not because of how good your day is that you are in charge. It's because of the power of the blood. Yes, sir. It's because of what Jesus has done. Know it so that in the day of evil when the devil is telling you but you are not really a in the name of Jesus I w you there. It's not because you be understand that now that no man movie deceive you. You do not have authority because you were living your best life. I see all those nonsense they try to act in movies. He was in his wicked Satan. I'm never in my weakest side. I have been trying from the kingdom of darkness to the kingdom of his dear son. I'm never at my weakest with Satan. I'm my weakest with men, with women, not with spirit. Now they know something. Say the [Music] lion. Beautiful. Does Satan make mess of people? Only foolish people allow Satan to make mess of them. But no problem. Let's say you want to join foolish people. So that is making me of you. But let's see how. Imagine lion waking up in the morning if I don't pig make sense. Measure me. What kind of coward this is that one? If I don't vow pig lion is so lion is is crying. If I don't vow, sheep will make me of me. Sheep at the sight. At the sight. At the sight. At the sight. At the sight of the lion. The animals get to running. A being with authority. At the sight of every devil runs. Every devil flees. At the sight, at the mention. No, at the name. I do you one better. At the name. Not at dimension. At the name. Every knee they go down. Oh, we there are stories we don't share anymore so that we don't put you in trouble because you will be thinking they are not. I know two pastors are alive and well. And if I have not done it, I will not even have known. And I have done it too. When we say all things in heaven and earth under the earth, as you heard the uh brother, if he shares that story, he began to pray in tong and the people who flashed him gone. They were about to steal his car. They all scampered, ran off. He said, "Is it the devil? I don't want know. all things when I when I engage that authority when I engage that authority. Hey lab, that's why you must be bold. I still remember that story that some of you now came to like I liked it. I never since I was a teenager that story I have stuck with where that man was a prayer band meeting he said he the stopped him and his wife and he brought them out. It was a rainy day and say and he say he said say lie down and his wife that's why it's good to like your wife his wife laid down on the mud and he turns my wife then I can still remember the posture the he say then I lifted up my hand wabana wabana to death to you can argue later house they use power say they use power. You can argue that later but he walketh now. He said immediately they fell to the ground and they were foaming out of their mouth all [Music] things. Remember of that story of pastor where a demon possessed person was trying to confront him and he came down I am William for long shot the power of God picked the demon possessed and flung high against the wall. He never say name of Jesus. He introduce himself full name. Full name that we are mentioning name. Full name. I can tell you stories upon story. Say I Shambach rebuke you. 21 days we were casting out devil as Shambach was coming from the door. I shambach friend of God. No name of Jesus rebuke you. The demon everybody the demon was confessing all of their sins for them. You

you did this bad thing you he didn't know he just from the door he announced his name not even the name of Jesus that's what it means to be the name the other ones are cowards I remember years ago many years ago so that you don't think he's the ones you know that come from he doesn't come for our meetings but he called me a pastor like that he said and the demon was mentioning all the different things that you have ever done. So you have called I said shut up and now no don't talk don't talk don't talk don't I not I not call you for interview session in the name of Jesus Unless Satan and I me I like to I I don't waste a teaching moment. I said it doesn't matter what they have done. Even if you call them in the act they have power over you. I added it before I said come out in the name of Jesus don't fire you there because you jamo. He could not argue anymore. It is not that that gives me power over the devil. It is the blood of Jesus. I must never forget my authority is not because I am behaving well. The day you lose sight of that you die on the highway. Instead of saying the name of Jesus the vehicle cannot say I just committed something bad now. No, I'm conscious of my authority. I don't have authority because I behave well. I have authority because of the blood of Jesus. Let it soak inside of you. None of the text of the authority of the believer added your conduct to it. I say for those who behave where we cries no far above there's no place where he was putting morality to it. There's no way he was putting behavior to please. Now, nobody's saying don't behave well. But don't ever because we wait. Oh, it takes you wait for that day where you feel like you are in your weakest say, "Hey, she's in her weakest. Let me attack her." No, I have authority over all devils. Over all the powers of darkness. Nothing shall by enemies hurt me. Nothing. King can hurt you. But you see powers. Oh, hi. Say touch and follow you. You go. How come people with pr enter? We give glory to God forever. Hey God. Just say say first give me the key first. Oh god. Free car. Is it Is the car registered? He say it's not registered. H thank you. Oh say it's a one chance boss. New boss. I've been looking for boss since Satan knows the people is looking for. How come those things don't How come those things used to happen to people like us? In the name of Jesus. Understand that the name of Jesus has power. I've seen people with guns buckle on their knees in the name of Jesus. that name when you are conscious of your authority was a a lady that was about to be raped and she said in the name of Jesus the power of God picked the man hang him on top of a tree you you there are things we have seen just teenagers people were teaching you have authority he didn't know what else to do and in that place where the man had already opened his zip she said Jesus in the name of Jesus out there on the on under on the the bush, picked him, hanged him on a tree, was shouting, "Help! Help!" She told everybody they beat him almost to death. The name Jesus, we use it for everything. We use our authority. is the same way where lies where where uh lies oppositions well up against us in the name of Jesus every weapon formed against me shall not prosper. Oh in the name of Jesus you quench all the fiery darts of the enemy. Yeah Satan, you will go no further. You will go no further. Caleb said, "Let us go up at once." The other said, "They are we saw the giants, those sons of Anard. It matters not who they are." God said, "For all those other person,

they not going to enter promised land." But see, for this Caleb said, "For it was of Caleb and Joshua said, for they were of a different spirit." That's the same spirit that I have. That spirit that sees Goliath and says he's too big a target for me to miss. I'll remove his head. I'll remove his head. I'll remove his head. Is it not a cause? Oh, no. Priest deon's head cut off hands cut off legs cut off before ark wood see living presence of God. If wood make they gone headless what will living presence do? Sometimes just sit down and think about this thing. You just sit down. H oh boy we don't shout in church but you shout at home sometime you cannot hope you shout in church but as you are reading it you now think it cut his head. His presence will never leave me. So every confrontations with the likes of Deegon, I leave them headless. The presence of God is with me. The presence of God is so with me that me approaching people is God approaching them because God is in me. I am his house. Oh yeah. I beg you to see what I'm saying. Think it. Say God is with me. God is with me. I'm with him. over the door. Sand. Drop your Bibles. Drop drop drop everything. Drop everything you have. Drop drop drop. Just come come face me. Come come come come come come come come come come come come come come come come come. D drop drop drop drop everything you have. Come join join join [Music] join. Look at what the Bible says. Let me show you real. David said, "By my God, I run through a troop. The name of Jesus." Hey, and I said nothing. Oh, I only wear the consciousness. Hey, imagine I now said Just the consciousness. Come come see it. The Lord is with me. Watch it. Then it will increase the tempo in the name of Jesus. We pass. Glory. Yeah. The things that we have done. I command they hear a blast and a rumor. Let these arm robbers on the streets run away. All authority. Oh, they will not break my gate. [Applause] [Music] David say when I speak it for wo you have made me get up. Oh you have made me get up. I was just keeping quiet before but now I speak. Oh when I speak like this oh it what hit you people? What happened? I just felt like a force. This one was because you are Christian. No, this one because you are Christian. Oh, I told all those plenty boys. I rubbed their cheek and they said, "Oh, we are many." I said, "Hey, tell him they showed me the gun." I even thought he knew me because he called me man of God. I didn't know that it's over. The bad boys knew I was a man of God. I said, "Hi, have you come for my meetings before?" He said, "No." He said, "I know done with the talk." He showed me again. They gone. I rubbed his cheek. I was pitting him. His life was in my hand. His life was precious in my sight. Oh, his life was precious. He had father and mother. I was I was that picture of Elisha. Elijah said, "Let the life of your servant be precious in your His life was pre." So I rubbed his cheek and I pushed him away and they all could not move. I walked to go see my friend pastor as I was I told him I said in fact I'm not happy that you allowed boys to gather in front of your street. This how people said I'm going. He said ah man of God that's how they used to be there but they have never stopped me. I said no today their last day I'm going safe. God back there they were not there. And I told them he said we are we are men your computer we are men for me. I move with innumerable. You are many for innumerable. What bet me? The day I'm doing

alter versus co. What bet me? I got the I don't they sleep for nine because of 13 witches. Hey [Applause] David say when I speak you go they speak oh in the name of Jesus give [Music] way you do I do it too for bad boys shut up the name of Jesus say what there's not if I slap you. There's no like what if it does not work. Don't bring that nonsense here. [Music] That's why people are destroyed. What is this? What if? What if? What? We don't do what if here you wear it. That's how David was running through troop. Yes sir. Yes sir. When they they gave him impossible tax for bride price, he brought Philistines four [Music] false because we are praying to God. Oh, but when we own our machine gun, when we own our tongue and the real one, not the one in the face of opposition, Hey, you you nothing activates your power like speaking much more adding volume. You will increase it. So that the intensity overshadows you cuz you remember who is covering you in the name of Jesus. Yeah. Just like that in the name of Jesus. Go down just like that. Say is that you put the P grand come at me to take what is in my pocket. Go down cuz his life is precious in my sight too. I will show I can the power of God can lift him like this. You will see her with your clear eye. I I will not [Applause] you casualty go plenty. [Music] That's why they say my father my father the chariots of one man had more power than all the armies. You see that army? It was physical army. I'm not talking about talking convention of the power of darkness. You they fear. What about [Music] physical I've touched mil military men they crumbled as a pack of cards. I've touched the other form [Music] of what if we evacuate one they will beat me. No. Everybody come with what they have. Commanders, I'm a commander. I'm a commander. I say to this week, that's how it is. I say to another, this is it. I command days. I command years. I command things. I command spirits. I command places. All things under my authority. We have come in the name of Jesus. We have come in the name of Jesus. You say it. No, you you can't be for me nice guy. No, no. Dog dog is a fearful thing. So come against people like us. The Lord is with me. The Lord is say as a mighty terrible therefore shall my adversaries fade [Music] away. Look at what Moses did to all the gods of Egypt. Hey, that's finishing divine presence carrier. That's you. That's see our brother is on the ground. Good man. Oh, imagine he's really a thief. Good day, chief. Morning until police come. Look at how his body is has been has been almost congealed together. Help him up now. What happened? It was like I was pinned to the ground and it was like electricity was just passing through all my body. I could feel like all my body vibrating. I couldn't even move at all. Yeah. I said don't come against a man that prays. This is just small one with God. I come in the name of the Lord. Come on, lift your hands and pray in the Holy Ghost. [Music] [Applause] [Applause] [Applause] [Music] Monday. I don't try. Oh, I use the power of God. I'm not trying it or I'm using it. I'm conscious that it works. [Music]
