

Amen. Father, we thank you this evening, Lord. We open our hearts to your spirit. And we trust again that in this service, the eyes of our understanding will be flooded with light. We leave here with a greater understanding of your word, your will, and your plan. Even again, as we study on unseen forces, we learn how to be wise and strong with your power. And the things of the spirit are real and tangible to us. And we live with that knowledge and revelation in the name of Jesus. In this service again, we declare the things that ought to be said will be said. The things that ought not to be said will not be said. The things that ought to be done will be done. The things that ought not to be done will not be done to the praise and glory of your name. We declare we are edified, built up, transformed by the power of your word. And our lives are open to the wonder working power for healings, miracles, deliverances in the name of Jesus. Amen. Amen. God bless you. Have your seats. Amen. Colossians chapter 1 and we will begin from that text of scripture. Colossians chapter 1. Colossians chapter 1. Are you there? Colossians chapter 1. Colossians is just after Philippians and we'll read from verse 13. Who had delivered us from the powers of darkness. Underline the word powers of darkness. That's unseen forces that are negative and against you. He says we have already been delivered from them. So we have nothing to do with darkness and has translated us into the kingdom of his dear son. I have been translated into the kingdom of God's dear son. I have been translated. I have moved from one kingdom to another. I am not a child of the devil. I'm a child of God. Hallelujah. Verse 14. In whom we have redemption through his blood, even the forgiveness of sins. We have not going to have but we have. Then in verse 15 he says who is the image of the invisible God? Who is the image of the invisible God? Who is the image of the invisible God? The firstborn of every creature. Who is the image? He calls Jesus the image. the image the image of the of the invisible God. Now let's take a look at this because uh just read and the firstborn of every creature. What does this word mean? Because this word have a supernatural worldview. The word image the word firstborn is a supernatural context word. Verse 16 it says for by him were all things created that are in heaven that are in the earth. So heaven and earth, the unseen and the seen world were created by God. And this God here, he says, is Jesus Christ. That's why we always emphasize Jesus is is God. It's not is not God, but really like God. No, he's God. Jesus is God. For by him were all things created that are in heaven, that are in the earth, visible and invisible, whether they be thrones or dominion, principality or power. All things were created by him and for him. All things were created by him and for him. All things were created by him and for him. So the word image is from the Greek word icon. E I K O N is the word which refers to the figure, the likeness of a thing. What we will call the replica or assemblance of a thing. Remember Jesus in Matthew 22:20 asked them whose image and superscription is this? And he said it is Caesar. And he says render unto Caesar what belongs to Caesar and unto God belong to God. In other words, your money belongs to Caesar but your soul belongs to God. So you know what to give Caesar. Uh you know what to give God. So the coin is Caesar but your life, your heart, your worship is God. Amen. uh I will explain that over the years but

that was Matthew 22 verse 20 the same thing in Luke 20:24 and in Hebrews 1:3 he uses that same word image again because uh most people use that word that word image there is contradictory it can be used to disprove the deity of God because he say the image of so there is God then Jesus is just an image of God. It's just an image of God. So it's just a representation. Then they now use Genesis 1:26. Man is also an image of God. Is man God and say, "Yeah, yeah, I get it." No, we don't really get it because image of the invisible God. Now the words he said afterward should have showed the kind of image that he was. Now, Hebrews 1:3 now went a bit further and changed the word. Instead of using the Greek word icon, uses a word called character. C H A R O A K T E R Hebrews 1:3. Who being the brightness of his glory? So, it says if God has any glory that is shining forth, it is Jesus. He say he is the brightness, the fulgence, the the the thing that causes the shine. What you say it is rated this what? It is rated this. It is Jesus that is the brightness of the glory. It's the So if God has any glory that is shining is Jesus. Ah that's frightening. It almost removes God completely from the picture. Yeah. Because you should because in the worship you must have an image perspective. So people bring in an image so that they can worship. So it tells you understand that Jesus is the God we worship because that is that relatability of God. God in tangibility or or in that visibility that you can see we can touch is always going to be communicated and expressed as Jesus right from Genesis to Malachi to Matthew to uh revelation is that same focus. So he says the brightness of his glory. Then he uses the word the express image which is the word the exact copy. So two words are communicated with the word image which is the representation of a thing or the exactness. Now 2 Corinthians 4 uses the same idea verse 4-6 when he say let the light of the glorious gospel of Christ who is the image of God. So he calls Jesus the image of God. Then in verse six he refer to the light of the knowledge of the glory of the Lord that he shines in the face. Now he brings in the word face to help clarify what is what is implying by image. So I'm trying to show you how when those are the three references in the New Testament books as we call the New Testament books the Greek text of the Bible that uses calls Jesus image of God. Second Corinthians 4, Colossians 1:15 and Hebrews 1:3. Notice what the other two does. 2 Corinthians 4 says image of God. Then it says the face of Colossians says image of the invisible God. Now those other expressions that they are using is the very reason why you cannot say is just like me cuz they added other but the Hebrews 1:3 now is the greatest of them all because that one the word he uses there is not I have a picture of God. This is God himself representing himself. So he uses that's why I say express image the exact there's no difference. It's not he's trying to look like God is behaving like God. No this is God behaving himself as a man. This is God himself behaving living acting showing himself forth as a man. That is express image he uses there which is the word character. So in commissions 4 when now says in the face of Jesus Christ that word face was employed to depict a person's a person's presence or appearance. So it says the knowledge of the glory of God is in the person is in the appearance is in the person of Jesus Christ. The glory of God is in the person is in the

appearance of Jesus. That's why I say we behold his glory. The glory as of the only begotten because that's the glory of God that has ever shown from Genesis to Malachi. The glory as of full of grace and through John chapter one we behold his glory. The glory as of the only begotten because that glory is in the face of Jesus Christ. We now saw that glory as a man as a person. Amen. Hallelujah. So the word face which is the same thing in the Hebrew *panim* Exodus 33:18 where he says I will show you my face for thou cannot see my face for no man can see my face and leave now that is his face that is his face where he say no man can see my face this is his face Jesus is that face of God the glory of God is in the person the appearance of Jesus amen hallelujah so when John 1:14 The word was made flesh that among God will be his glory. That is it. It's the same idea in 1 John 1 verse 1-2 when he says that which was from the beginning which we have heard which we have seen with our eyes which we have looked upon our hands have handled of the word of life for the life was manifested we have seen it and bear witness and show unto the eternal life which was with the father was manifested to us. So notice how John writes we beheld his glory. We have heard we have seen we have looked our hands have handled. So that is Jesus in his humanity. Abby, but he makes it loud that that is the image of God. Not a representation or a semblance, but an exactness in being God himself. So it's God himself who became a man. Not a man looking like God. Not a man representing God. Genesis 1:26 is a man representing God. Are you getting it? Yes, sir. 2 Corinthians 4, Colossians 1:15. It is God as a man. There's a difference. Man representing God. God in representation as a man. God himself in visibility as a man. So God is now making himself visible, transparent, tangible. I don't can be seen, can be heard, can be touched, can be felt. That is the image there. So don't mix the two when you say, "Oh, I'm an image of God." Jesus also an image of God. No, that is how you were made. You were made to represent God. You were made to show him forth. Just like the Matthew 5, let your light so shine before men. Now that's how we're made to image him, to represent him. It's different when now says Jesus is the image of God. So, and that was what Adam and Eve failed in to now be found because that would need faith to now live as God's image because living as God's image is done by faith. When you say God made man as his image and likeness but man has to be in his image. Did you get that? Man has to be in his image. Let us make man in our image after our likeness. So the man himself is image of God. But in by identity all humanity but we said all humanity do not live as God's image because living as God's image it's because how you representing who is not in you who you have not who you are not worshiping and serving you won't worship you won't reflect him properly. So faith is now the entrance point to now being able to live as God's man. That's why that is called the failure of the first creation. That's why a new creation was sought after because the man that God intended man to be is the man that images God that and to image God you have to worship and serve God. Amen. So when he uses that word image of the invisible God notice what he was doing there. That God who is unseen we have seen him. That's why it says image. The image of invisible God. So it's not that cannot be me and you. Are you

following? No. So the image of invisible God. That God that looks invisible unseen from Genesis to Malachi. This is exact not somebody that is looking like him. This is exactly him. If you were going to draw him, you're going to touch him. You say if you have touched Jesus, you have that's why Jesus always kept correcting them and say, "Have you been so long with me? If you have seen me, you have seen the father. Who else should they look for? Because this is the representation of God. This is the image of God. How can that not now be God? It's amazing how because that's why they were told not to make any graven image. So people ask, oh should we I worship the father, I don't worship the son. What is that? What how is that? Where is the intelligence there? I worship Jesus Christ for God's sake. I worship the father. I worship the son. I worship. If that makes you sleep better at night using father, son, spirit phrasing, no problem. I worship God. And worshiping God means I worship the father. I worship the son. I worship the holy spirit. If you use those expressions used to explain God in his relationship with man. Fine. So God is the father. God is son. Because in him taking that responsibility to show man exactly how man should represent him. He becomes a man. He's in everyone at the same time by his spirit. That's God. That's God. That's God. So it's not about the form, theory expression. No, it's about God in person himself is in person as a father, in person as a son, in person as a spirit. Don't need to do just formal expressions. No, in person. Get used to the word person. That's why I like the way they say God uh the person of the person of I like that Hallelujah cuz there's a personality to the father the son and the spirit in the scripture. So the person of hallelujah we beheld his glory. We have heard we have seen we have looked upon we have handled. So that is the image there. So it's the exactness that he's dealing with. Did you get it? It's the exactness that he's dealing with. He's the exactness, the image of the invisible God. Then he does goes further and calls him the firstborn of every creature, the firstborn. Notice how firstborn is used in Genesis 32:28. And he said, "Thy name shall be called no more Jacob but Israel for as a prince that has power with God." So the concept of names are important. Then we now have that same Israel. Now in Exodus 4:22, write just write the references down for firstborn. Exodus 4:22. He said, "Thou shalt say unto Pharaoh, thrael is my son, even my first born." Now are you going to take that literally by bet or there's an office Israel is to function? Of course an office Israel is supposed to function. All right. Uh then the whole concept of firstborn where you if you are actually reading the Bible you see how firstborn was used that Cain is first but Abel is first born Ishmael is first born as it were by birth but he's not first born by office. Isaac is Esau is firstborn by birth. But so you already if you are reading the Bible, you already seen how they are already using the word firstborn. So it mustn't have just a biological meaning. Again, that's because of their language and their world view when they use the word [Music] firstborn. That which continues the lineage of the father. So it's always going to be a a function. So I have given birth to that which prolongs my day. I have given birth to that which continues my day. I've which prolong my day. I've given birth to that which so I shall live forever. My works shall be seen forever because I have him who continues me. Are

you following? That's the concept of firstborn in their language and all of that. Uh Genesis 43. Genesis 43:33. And they sat before him. Now this is the contest of Joseph just to get a bit back. And when Joseph came home, verse 26, they brought him the present which was in their hand into the house and bowed themselves to him to the earth. And he asked them of their welfare and said, "Is your father well? The old man of whom you spake of is he yet alive?" And they answered, "Thy servant, our father is in good health. He's yet alive." And they bowed down their heads and made obeisance. And he lifted up his eyes and saw his brother Benjamin, his mother's son, and said, "Is this your younger brother?" Remember, he was it was not he had not revealed himself to them. Is this your younger brother of whom you spake unto me? And he said, "Yes, God be gracious unto thee, my son." And Joseph made haste, for his brothers did y upon his brother, and he sought where to weep. And he entered into his chambers and wept. And he washed his face, and went out again, and refrained himself, and said, "Set on bread." And they set on for him by himself, and for them by themselves, and for the Egyptians, which did eat with him by themselves. Because the Egyptians might not eat bread with the Hebrew, for that is an abomination unto the Egyptians. And they sat before him, the firstborn according to his birthright, and the youngest according to his youth. Now those are words you must get used to. The words in the Hebrew are stronger. Beor the word be is firstborn. The word bet right there is the word bea. The right of the firstborn. That's exactly what it means. So there is a phrase like that. So the firstborn right is contrary to how men choose. The biblical firstborn right is different from how men choose. Men choose as a function of the order of their birth. Why? God's choice is by faith in the promise because if not a Cain would have been the firstborn but Cain did not serve God's purpose on the earth. to Abel. Esau did not. In fact, Esau said, "What is my bet right?" So, are you seeing it? So, the betright was now Jacob's because Esau said his betright is rubbish. He call it profane. What is my bet right to me? Away with this. Did you get it? So, there is two concepts of firstborn in the Bible. The first born that is by bet and the first born that is by office. So the right of the firstborn was given to who? Isaac, not Ishmael. The right of the firstborn was given to Jacob, not Esau. The right of the firstborn was given to Joseph. You will see that when Jacob is now praying, Reuben is the biological firstborn. So see that it's not a mistake. Even Jacob himself know or Israel himself know that Reuben is his firstborn where he's blessing his children. Genesis 49, Reuben, thou art my firstborn. That's biological. My might and the beginning of my strength. Notice those words. Firstborn, beginning of my strength. Firstborn, beginning. You see those words just now in Colossians. Firstborn, then beginning, the beginning of. So you see how those words have meaning. Thou are my firstborn, my might, the beginning of my strength. So look at 48. Genesis 48. When Joseph brought his children for Jacob to pray for Jose uh Jacob laid his right hand on the head of Ephra. He wanted his father to put the right hand on Manasse because it was Manasse and Ephraim. Manise was the firstborn by Beth. But Jacob in laying hands crossed his hands like this because Joseph brought his children head on. But he said no, he too shall be

great. But the man was talking based on vision that this is firstborn by so it's not within the same place where they are doing firstborn by birth. There was also firstborn by office. that this one is the real one that will continue your lineage as God's prophet. You will continue God's work on the earth. You will function on the earth as God's prophet, as God's priest. So it is not Ishma, it is Isaac who will continue the days of Abraham being God's prophet, priest and king on the earth. It is not so that right of the firstborn. So there's how they use the word firstborn then they use the word betright. Did you get it? So all those words and he blessed them that day saying in thee shall Israel bless saying God made thee like Ephraim and as mana say and he set Ephraim before mana said and Israel said unto Joseph before I die but God shall be with you and bring you again. Then look at what he now does in verse 22. This was where he conferred on Joseph. Then the next chapter he called all the sons together and blessed all of them from Reuben and also blessed Joseph in their front but he had already given Joseph the firstborn blessing. Look at it. Moreover, I have given to thee one portion above thy bed. Now when you say one portion above that bed because the way they share bedright uh if they are sharing inheritance for example let's say uh everybody sitting here now no just we share one one so I have something to share I give him one I one one one one then I will come back since he's the first I will now give him another so we now have double portion. That's the meaning of double portion. So that double portion is not give me two times as it were. Give me two times anointing is that you are now the firstborn over the rest. That's what Elisha was eyeing. I want to be the senior prophet. That's why immediately they saw and they said the spirit of Elisha of Elijah rest upon Elisha. What did the son of the prophet did? They bow because he's not the because that is that is the double portion. Not that we do times two miracle that one mathematical counting you are doing with you know how many miracle Elijah Christian is that one that they recorded now you know how many miracles Elisha did you doing seven * 2 14 this one I did seven this one I did 14 is that how double double portion work no that double portion is not that's old testament now that Jesus Christ I die I bury I be raised again from the dead there's nothing like double portion what are you Those words have meaning. Don't be demonizing Genesis to Malachi. The words they have meaning. So the double portion is simply the right of the firstborn. So he gave him a portion above his bed. So that's the firstborn language. So notice how he says Israel is my son, even my firstborn. Did you get it? Now look at the text. Psalm 89. Psalm 89. Psalm 89. And he shall cry unto me. Verse 20. He says, "Thou art my father, my God, and the rock of my salvation. Also, I will make him my firstborn. higher than the kings of the earth. My mercy will I keep with him forever and my covenant shall stand fast with him. His seed also will I make to endure forever and his throne as the days of heaven. So I will make him my firstborn. Notice that I will make him. So notice that the firstborn in the above text refers to functionality. Abby so is is not ontology. It does not relate to the being who came out first from the mother's womb. No, it's not that is not the being. It's not B I the nature is not that. What is looking at is the function. So that's why I say I will make him notice what that now higher than. So it's

function. He's using the word firstborn for function. So that means he will be what? Literal first child. No preeminent. He will be the chief. Did you get it? He will be the firstborn. He will be the chief. Is the same word that is used in Psalm 2:6. Is the same historical context where he's talking about the Messiah. He's the firstborn. The true David's son, the real David who sits on David's throne, the greater than David, the real David, the real uh beloved son in whom I'm well pleased. That though David was called the beloved son. David is representing him. He is David's son, but he's David's Lord. That's why Jesus asks him if David if he's David's son, how come David call him Lord? So it's in prophecy. So that is so you see the same context in Psalm 2. Yet I have set my king upon my holy. I will declare the decree. The Lord has said unto me, thou art my son. Thou art my son. This day have I begotten thee. He's already son. Why does he call him son? His functionality. Ask of me and I shall give thee the hidden for thine inheritance. The uttermost part of the head for thy possession. So as a son, he is a hair. Remember Hebrews 1, God who has appointed in this last day spoken to us by his son in whom he has appointed hair of all things by whom also he made the word. Hebrews 1:2 the verse three brightness of his glory but he calls him hair of all things. So it's again firstborn language. So in Colossians 1:16 after he calls him in verse 15 image of the invisible God firstborn of every creature. Notice he now says that in all things he might have prayer minutes. Is that in line with firstborn functionality? Thank you. Prayer mininess. So he calls Jesus that firstborn. Firstborn of every creature. So now we can even go into the grammar. Who is the image of the invisible God? The word of there is a is when you are using of to explain that which is a part of. We say partitive genative. You are substantiating the article by saying this is a part of this is the image of. So that means there are other images the the grammar is intelligent the use of words because man is also image of God. So image of by using because there are other people who image God but this one is the image of the invisible God. That's why at the first B we realize that he's not like like us but greater than us because he is God who became a man. Philippians 2 who so a piece of the pie that's a part of so the incarnation Jesus became a by the incarnation Jesus became a part of creation but it does not in any way negate his preexistence you get so Jesus is a part of creation say sir why are you taking all your time to explain this we don't really matter no we matter if you jump AWU they will explain this thing for you and try to use even the grammar as if we are all in as if we don't have the original language before us too. No, that's not what he's saying. So he say firstborn of every creature. So Jesus was the first that God created. No, don't be stupid. That's not what it's not is function because firstborn in the Bible has more than one application. Are you following? So you say oh Jesus was the first. So Jesus is a man. He's not God. He was the first thing that God created. No, that's not what the writer is explaining. So, allow us do some study this evening. Is that okay? I promised you on Sunday we're going to do some study. So, he's the image of the invisible God. So, when he now says by him were all things created. So, if he's a part of creation and not the creator, then how is he all things were not created by him? It makes no sense. So that's why he

selects his words. So those five verses are very uh from Colossians 1:15 to 20. Those five verses are the some of the strongest verses that explains the preminence of Christ and I've stuck with them in every of our write up since 2012 since the ministry began using to explain the preminence of Christ the eternal purpose of God because it's one of the loudest those seven all things in Christ ah you cannot you cannot explain you can't remove those words and now have a god no that is God then what is God now doing if Jesus have done all of those things if all of those things are Jesus Christ. Are you getting it? Mhm. So by him were all things created so it will not be plausible if he's a part of creation. No. So Jesus is distinguished from the creation by his pre-existence as God and he's now also a part of creation as his what function because of what he came to do. He was born for a reason. the child shall be called. So, but does not negate his pre-existence. That's why we call it the incarnation. God became a man. Did you get it? If the man is God became Jesus, God became a man. So, the idea sinks in. Hallelujah. So that Jesus is the replica, the representation. So when he says image of the invisible God, what he had in mind is the exactness That's why he change us and say the firstborn, the one who is preeminent over every creature. That every creature was supposed to shine forth. That is how they are supposed to be shining. That's what they are supposed to be reflecting. That is who became a man. Exactly what man is supposed to be showing forth is what is now working among us. Are you saying firstborn preeminent higher than so he goes further and now say okay for by him so because so in case they don't understand what the firstborn of every creature notice the colon the translators understand that though sometimes we don't take the their use of punctuation marks seriously however they got it right here then I say because by him that's what is explain firstborn they higher than the kings of the earth remember Now the Psalm 89 higher than the kings of the earth when he say I will make him my firstborn higher than higher than a language of prayermininess. So he's the image of the invisible God. Clear clear. Then look at verse 18. He says, "For he is the head of the body." Notice he repeats the word firstborn again. Head of the body. Head of the body. The church. That's the body. Who is the beginning? So it says Jesus is the beginning, the firstborn from the dead. Are you saying beginning and firstborn? My first born, beginning of my strength. Know how the word beginning is used alongside. Now the word beginning there is the word ar a r c h e the word he uses there for beginning funny enough is the same word for principality that I told you to write down when we're doing those studies some weeks back right or Wednesday princ I think that was last week Wednesday by the way principality power I told you to write those what they write them in the the Greek words for them too so we had thrones dominion principality as in Colossians 1:16. So he now says, "Who is the beginning? Who is the aray? Who is the principality? The firstborn from the dead, that in all things he might have preeminence." So the way he uses it here when he say who is the beginning it's the word in Acts 10:11 will come in Acts 10:11 says as it had been a great sheet clean at the four corners corners c o r n e r s that Word ar is used there is the word used as first is the word used as principality is the word used as rule in

first 15 24 we have read it already in the course of this series now that word we have not read is the use of that word as a corner c o r n why does he call because what I'm doing for you is what we call etymology of a word why how you are not able to give many definitions to a word if you know the root then you can see where every word deviates into other expressions All right. Now that word A R C H E is used for beginning, is used for power, is used for mag, magistrate, used for principality, used for rule is now used in this Acts 10 11 and Acts 11:5. Two times where that story was repeated is repeated again. Acts 11 where Peter is recounting what happened where he had that trance and he saw those fourfooted beasts arise, kill, and eat. That's chapter 10. He repeated the story in chapter 11 and it's used for corner and if you look at that at the four corner it was led down the corners those four corners are to hold together the box as it were that the animals were inside. So it will hold it together. So the use of the word corner is that which hold it together. That's why it says the beginning is that's why uh when you are building you lay foundation. Foundation is at the beginning. Are you getting the context? So when it says the beginning is the foundation. This is what we are looking for. So the same meaning you have in Genesis 1 verse one because that is the foundation of the world story when he says from the foundation of the world. That is the foundation of the world. Genesis one in the beginning created the heaven and the earth. That is the founding. Then he said the end of the world another Greek word sentia the completion the consumation. So we have finished the house. we can now move in. So you know the world has come to an end when all the earth is hidden then man can now live the way God intended the whole world to be. So he uses a building language foundation of the word end of the world foundation is we have just begun the project the project we have consumed end of the world we have consummated the project so all of you interior decoration people once you have finished everything after you have the builders have built the people can leave in we have finished the work so enter and leave all the earth is now hidden that is the end of the But that's why it begins when you finish the house. You don't finish the house like you just say, "Wow, I finished my house." Well, you have finished your house, you live in it. So the end of the world does not mean the word literally is not going to exist again. That's why words have meaning. End of the world means the project is finally complete. So now it can be as it was made to be. Right now the church is complete that we have the spirit of God. We are now the new creation. But all the earth is not yet the new creation. When that is complete then we can live. So the end of the world does not mean the word is not continuing. That's why we're saying what is that word? When you say end of the world, the words without end. That's this cosmology. The heaven and earth cosmology has no end. Ephesians theory. We've said that again and again. But people forget so because they are written in English. The word is coming to end coming to an end. God is tired of this word. No that's not what end means. That's not what end mean of the word. No he wants to finish his project. You know they do uncompleted house since creation. Ephesians 3 verse 20-21. Now unto him that is able to do exceedingly abundantly above all we can ask or think according to the power that worketh in us. So there's a

power at work in me. Unto him be glory in the church by Christ Jesus throughout all world without that is it world without end. The world has no end. So he uses different words for that world without will that end. Did you get it? World without end. So what God the ages the aons are without end. So that say oh the the period of time is not coming to an end that there will now be no period again. There's still a period because when what are where we are all with the Lord? So what is that now called? Is that not which world are we not living? So we're not living anywhere. We are just in heaven. What is this? That's not how the biblical story ends now. New Jerusalem coming down. We are here with the Lord. That existence does not come to an end. So when you have stupid rapture teachings that shows like the world is coming to an end, it's not biblical. It's if I you do a lot of proof texting to have that idea first. You see how porous those rapture teachings are. People are pulling their clothes, their clothes are dropping. That's is those movies left behind and co that have done more damage to the body of Christ because before those movies, those ideas were not so popular. The rapual theology was not so popular until those movies thanks make things popular. Songs makes things popular. It was those beliefs were only held by three denominations across the body of Christ. But after that movie, other denominations began to buy into that idea of a world coming to an end. Then three and a half years, three and a half years, even see some pastors so confused today to conspiracy theories saying all manner of calculating actual is 2027. Are you that daff with the Bible? How can the world come to end in 2030? Which word is coming to 2030? Not the one me I'm living in. You say you people like the word too much. What's like the word? What has that to do with liking the word? I mean I'm just wondering for that man how he will feel when by 2030 I said we kiss him say maybe drink poison and die because me I can I take it to the bank Jesus will not come before 2030 cuz that idea you have of coming is even wrong say now they pre there are those that will be saved by their blood don't you think does not make a mockery of the death of Jesus they saved from what by which blood by what they are suffering. You will build no text in Genesis to Jude. You just enter revelation from from visions and images. You just started concing a doctrine together and it's so exact. You say there is the antichrist. No, he say the spirit of the antichrist. That same John say antichrist. That same John say spirit of the antichrist. You have decided that all of it has to be sp there's now an actual antichrist that is coming one personality that will rival Jesus because that what are you doing no other writer in scripture wrote about it because they are all daff and you establish a doctrine on that basis and we should take you seriously say is escathology know these things are complicated it's not complicated your ignorance is complicated The Genesis to America is loud on end of the word. That's why it's called the day of the Lord. It's not something you can just read in Revelation, just make it up. There's too many. In fact, it's the loudest theme in the Bible. I've been telling you before the loudest theme in the Bible is salvation, the day of the Lord. They all taught together. So when you have that idea, they are not reference, they are references. Oh, there are references. Where? Which book was John reading? You think John had his book of revelation to write revelation?

Which book did John use to which which book did Paul have that allows you have a proper understanding of eschatology the right way? Amen. It shall come to pass in the last days. That is biblical eschatology. So they all spoke about last days. What is happening in the last days? What is happening the last time? So the world without end. Pay attention. know because when I now get to the word to come you now sleep off say I wish I understood what he was saying then you should understand what I was saying I was teaching you I did not think you will not take me seriously you are waiting for when I will be serious I'm already serious world without end that God created is a world without end is a world without that's the world that God created said, "The world is not coming to an end." Isaiah 45 verse 17, "But Israel shall be saved in the Lord with an everlasting salvation. Ye shall not be ashamed nor confounded. World without end. World without end. World without end. Psalm 90 verse 1 and 2. The prayer of Moses the man of God. Lord, thou has been our dwelling place in all generations, in all periods of time. Before the mountains were brought forth orever thou has formed the earth, the world even from everlasting to everlasting. That is not how something to end. Everlasting to everlasting that showing you that is continuing is an everlasting to everlasting world. Amen. So like we said, what is he removing in the destruction of the heaven and the earth? Is the destruction of the sinner, Satan, sin, death, everything is not plans. is removing from his world. So the biblical cosmology of heaven and earth we abide forever. So what is removing is that hell that came in and every other thing that he did not plant is what is removing not that is removing the world. So what where are we going to now live? Say in heaven. So how how is heaven and earth now being destroyed? Say no it's not that heaven. So which heaven? So we are in heaven but heaven and earth is being destroyed. So which heaven? Say no. Theology will make you look like you did not go to school. We are in heaven but okay heaven earth is being stressed so where are we going to be and we are somewhere where is that place called somewhere oh from a garden to a garden I'm going to teach you this for 5 years this thatatic concept I'm staying around it for the global eden concept I've been doing that for for two years now uh teaching around that phrase is so that because if you which is mastery of God's plan and purpose cuz that's what we live for. That's we understand why God created it. What am I ever living for? You're not living here for just acquisitions. Acquisitions are vanity up vanity. All is vanity. That's there's more to existence. There's more to the meaning of life than just having money, wife, children, husband, pleasures. There's more to life than that. That's why my life must count for that. If not, it's a waste. Amen. Hallelujah. Forever and ever. Luke 18 verse 30 who shall not receive manifold more in this present time and in the world to come life everlasting. So there is a world to come. So but it's still called world. Are you seeing it? Some people now don't want to be called world again. That's what I'm trying to emphasize. You notice that it's still world. So is there are simply three periods of time. time past, the present time, and the world to come. The time to come. That's the theory timeline you have in the Bible. The time past which can be called the foundation of the world. Are you getting it? Foundation of the world, the

beginning of the world since the beginning of creation. Different phrases are used for it. Then you now have this present time. Then you have the world to come. And this present time is all end of the world because the end of the world is now split into the two that two part the present time and because they are all interconnected. So you see so for sake of easy teaching we do time past, present time, time to come. Easy teaching. Abi when they use a single phrase beginning of the word end of the word but when you open up that end of the word you will see many periods of time which we can call this present time and the world to come depending on your use of the word end nothing confusing with the English I'm speaking so it should be the same thing you are hearing and that is the understanding except you're arguing your mind that is the understanding so many time when people say they don't understand is that they not hearing they already conflicting because I'm not the one that confused you before. That's why I'm using simple English that even my children understand it. If I teach this thing, they understand what I'm saying. It's English you can hear. Amen. So say world to come life everlasting. So which world are you going to live for everlasting to everlasting? Which thy eternal life? Which which place are you going to be living that eternal life? Th everlasting in heaven. Okay. Because so what now happened to the earth? So there will be no more earth. Say no sir. You know you can't say that because every place that said no more is heaven and earth for the first has passed away. There's no place where you have singular no more earth no more. No is the two together. Because which heaven does God not want again? The heaven that spiritual wickedness reside. The heaven that is filled with dark forces. The heaven of uncleanness. The heavens that are not pure is what is removing to have only the heavens that are pure. Which earth is he removing? The earth that is not pure. The earth that is corrupt. Are you following? Not that there will be no more uh the world of time and space will no longer exist. I know now it will exist. This world of embodiment is forever. God made the word of embodiment as much as he made the word of disembodiment. The spirit word inhabitants of the spirit world disembodied spirit. That's God that make that word also made a word of embodiment and he made the word of embodiment to rule over the other in the sense of that everybody is concerned about this word of embodiment because God made man to dwell with man is God made man for that embodiment. So the sin and the unseen are now function together. So the unseen is made in a manner that it can be made embodied. Angels are unseen creature but they can appear as a man because both were made for each other. The seen and the unseen all in that tangibility visibility relationship that is the order of things and God is not changing that. Amen. So the wall to come Ephesians 1:21 far above all principality, power, might and dominion, and every name that is named, not only in this world, but also in that which is to come. So there is a world to come. There's a world to come. There's a world to come. Hallelujah. There's a world to come. Matthew 12 31:32. Wherefore I say unto you, all manner of sin, even blasphemy, not two separate things, sin that is blasphemy shall be forgiven. sin even unto sin even unto blasphemy because blasphemy is also sin it's not like sin then there's blasphemy so what is blasphemy now not is sin the and there's

two functions of and is conjunctive or culative so it's a conjunction so the conjunction can be corulative where you couple two things but God and father Lord Jesus Christ. It's not that there is God then there is father of Lord Jesus Christ. Now the same person God that is father of our Lord Jesus Christ. Amen. So and which is the old English we use even even which is the Greek word kai even. So it's cumulative and culative. So you are adding things this and this and this accumulate it. Then it's also culative to join it. So wherefore I say unto you all manner of sin and blasphemy. So that's copulative joining them together shall be forgiven unto men. So that means there is no sin that God does not forgive. Then he now says but the blasphemy against the Holy Ghost shall not be forgiven unto men. And I told you what that mean. What sin is this? The sin of you not believing your sins can be forgiven. The sin of you rejecting the forgiveness of sin. The sin of you saying I'm not doing I don't want to accept Jesus as my Lord. I don't want to make Jesus my Lord. Is that sin? Amen. The sin of rejecting the sacrifice of Jesus. The sin of not accepting what Jesus has done. Did you get it? Yes, sir. is that sin that he's talking about of rejecting the sacrifice of of Jesus of mocking it of blasphemy to hell with Jesus Christ save me die for I'm rejecting what saves me I'm saying to hell with forgiveness of sin so what does that mean I want to remain the way I am that sin cannot be forgiven because what the person is rejecting is the forgiveness of sin amen Amen. Amen. And whosoever speaks a word against the son of man, he shall be forgiven him. But whosoever speaketh against the holy ghost. So what is saying the holy ghost because that holy ghost that is the spirit of regeneration is how that's when he say speak a word speaking against that regeneration that new birth that transformation because no one can see just lord but by the holy ghost. So when he say speak a word against the holy ghost he's speaking against how a man is saved. And I'm saying I I don't want I don't want. Whosoever speaketh against the Holy Ghost, it shall not be forgiven him, neither in this world, neither in the world to come. So there is a world to come. Did you get it? World to come. Matthew 24 and verse 14. And this gospel of the kingdom shall be preached in all the world. This gospel of the kingdom shall be preached in all the world for a witness. Now all the world here is the inhabited earth. So every person the inhabited the inhabitants of the earth every person on the earth should be made to know the gospel in all the world. for a witness unto all nations. And then shall the end come. See how uses the word end. Then shall the end come. Did you get it? End of the world. So the first time you see that word end of the word was Matthew 13:39 where Jesus was putting forth the parable of the swer the parable of the seed all all the parables Matthew 13 had c seed so he say he that sweth the good seed is the son of man 38 the field is the world the field is the world the cosmos the Good seed are the children of the kingdom but the tars are the children of the wicked. The enemy that sold them is the devil. The harvest you see what he's calling end. The harvest is the end of the world. Does that look like when you have harvested that is the end? You you don't eat anymore. Once you harvest you don't eat that's when you now eat. Now thank you. So when you read the use of the word endia we have completed the project. So now we can enjoy the world is as it

was made to be. Now comes a new beginning. That's why we say new creation, new beginning. That's why Isaiah keeps using the word a new beginning. I will do a new thing. I'll do a new thing. That is now new beginnings for the whole world. Right now the man in Christ has a new beginning in Christ when he got born again. But all the earth have not gotten their new beginning yet. The is to come. Ass have come already. But we do not yet see all things. So for us we have not seen the fullness. That's what the coming of the Lord is for. So that in that fullness we too can put on amen put on immortality. No different between us and him. Then we in that same the Romans 8 the whole creation also joins in that glorious liberty of the sons of God. So what is happening to us is happening to all the earth. All the earth is made a new. Amen. So that is the teaching. The field is the world. The good seed and the children of the kingdom say the enemy that sowed them is the devil. The harvest is the end of the world and the reapers are the angels. As therefore the th shall be gathered and burnt in the fire. So shall it be in the end of the world. Consumation the entire completion. Then he now changes the word for world. Here he uses the word aon period of time. Did you get it? So Matthew 13:39 end of the world sailia used in 39 40 use again in verse 49 of the same Matthew 13. So shall it be at the end of the world. Aon in Matthew 24:3 they asked Jesus a question and he sat upon Mount the disciples came onto him privately saying tell us when shall these things be that's the very first scene and that's the one people miss out because escathology signs of these things be what was the very first scene disciples went out and departed from the temple and his disciples came to him to show him the buildings of the temple Matthew 24:1, the buildings of the temple. And Jesus said unto them, see ye not all these things. Verily I say unto you, there shall not be left here one stone upon another that shall not be thrown down. So there was a context of the literal physical temple. The temp the temple of Solomon that was rebuked that Bible said my hand will complete this thing that you see in the Hag and the rest where they rebuked that temple of Solomon. That temple is what he's saying is being destroyed. It shall be thrown down. And his disciples came to him privately and said, "Tell us when shall be the signs of these things." But your favorite esquetology preachers forget that. So they turn this. So there are theories of rapture. Two shall be, one shall be taken. The one that is taken is not taking to go and be killed. You are now wanting to be the one that is taken. The one that is taking in the story is the one that that is going to die. You say Lord Lord Lord take me. It's just again this is same failure of grammar because they don't read from the very first chapter because there were three questions that they asked him there. You just model everything. Everything is about the word coming to an end. The word is coming to an end. The word is coming to an end. Pray that your flight be winter. Yeah. Your flight, your running, your escape. Are you going to run and escape dying? You cannot run and run away from damnation. Sorry. You cannot the jackpa from damination. You say book my flight. Book my flight. Yeah. Booking flight to run. You say for win everywhere is cold. You know fear escape where they will catch you. Is that that already shows you that that's not there's nothing spiritual about that. And this came to pass in AD.70 where

General Titus marched into Jerusalem and destroyed Jerusalem and most especially the temple. It came to pass what Jesus said was going to happen. So they were don't model all the signs together and call everything one because three questions were asked there. That is proper Bible reading. Amen. So look at it again and see if I said anything strange. And as he sat upon the mount of all his disciples came unto him privately saying tell us when shall these we went to school. What does this that means he has said it before where did you see end of the word in the first two verses. So you must start from that those events. When shall these things be this throwing down of the temple wall that's the very first thing. When shall these things be? Then he now says, "And what shall be the sign of thy coming?" Are you seeing it? Sign of thy coming even of the end of the world. He uses the same wordia which in their mind remember they understand the word in their in their language. They are not seeing it as there's not going to be no more word. When are you going to complete this whole project? Because it's in the same order you are throwing things down. Just like say this temple is thrown down. So when are you going to throw down this temple this heaven and earth temple so that we can have a new temple which is the global eden is all brought together because that is the word I told you before they have when they one of the meanings I said this on Sunday one of the application of the word heaven is the temple. So everything is brought together because he's talking about physical temple just like the earth heaven and earth together is a a temple story. Okay. So the new [Music] temple that endure to the end shall be saved. You I pray you endure to the end. Listen don't model things up. Is it is it endurance that get you born again? What is what a foolish way of reading Bible? Now always read things in the context. You are scared. Don't be scared of proper Bible interpretation is liberating. So So imagine this. Look at end of the world. Let's read together and see the insanity. Verse 16. And let them which be in Judea flee onto the mountains to escape God's judgment. So if they now flee, they have escaped it or what? How does that sound? How is that now your God? How is it powerful like that? They are using they are using leg to escape judgment. Let him which is on the housetop not come down to take anything out of the house. Neither let him which is in the field return back to take his clothes. I mean jackp from there run. This is not the time once you see that invasion run. Don't say I need to collect my colle just they run they go. That's what he say. W unto them that are with child and unto them that give suck in those days. Pray you that your flight be not in the winter neither on the Sabbath day. And then shall be a great tribulation such as which great tribulation is there a great tribulation for Israel? Israel has many great tribulation. The one that happened that time, the one that happened again where they were all scattered before they came together in 1940 something after the Hitler and the rest they have. Israel have had many great tribulations. So which one are you talking about? When you take great tribulation, which great tribulation when this tribulation you are going through the world, it's not great enough. Say no, there's one great tribulation that is coming. No, that's daft way of interpreting Bible. In this world, you shall have tribulation. Is it not great enough? bed you know the great trial you are not reading the

Bible together Peter calls what we are going through right now great trial you are waiting for great one because we don't have a missionmindedness sorry I'm not going to pamper that interpretation I say many people believe it doesn't change the fact that they're not reading Bible because that's why it's always cut and nail cut and I cut this one and join and we want to join all the context text to be the same. Not all the context are the same because to the prophets to the apostles to the people the Israel the believers alive in that time of Paul they were already going through tribulation. Look at it. So that you look at the what they called what they were going through. 1 Peter 1, wherein ye greatly rejoice, though now for a season, if need be, ye are in heaviness through manifold temptation. Verse 7, that the trial of your faith be much more precious than of gold. The trial of your faith. So there's the trial of your faith. The trial of your faith being much more precious than gold that perisheth, though it be tried with fire, might be found with great praise and honor and glory at the appearing of Jesus Christ. All that you have gone through, see that same trial, 1 Peter 4. I explained this the day I taught you, judgment shall begin from the house of God. Beloved, think it not strange. Verse 12, concerning the fiery trial, which is to try you as though some strange thing has happened to you. But rejoicing as much as you are particular of Christ suffering. Remember, there's always sufferings of this present time and not to be compared with the glory that shall be revealed. Notice trial then transformation, suffering, then glorification. It's always taught alongside each other until you now get to revelation where you are now having a vision. It now turn into h they will give you a mark not to buy and say they give you we looking for one word ruler. He will unify all nations. Preach the gospel you not preach. You are waiting for. So what are we now doing now? We are now waiting. He's coming. He's coming. He will unite all nations to do what? Only revelation. You have it. You have that your uh the one that we are going through now is what are there not policies that are that do not favor the gospel? Are there not legislation that do not favor the gospel? Because you don't want to believe the antichrist already at work because you're looking for one person. So after your favorite antichrist die, another one will still be born. You know how many generations have passed that they have been naming one individual. That illiteracy is why so some people have backslided because of those foolish interpretation that they say the words come to end not end don't be teaching Bible cut and nail approach a great trial 2 Corinthians 8 moreover be do you to wit of the grace of God bestowed on the churches of Macedonia how that in a great trial of affliction great trial of affliction the abundance of their joy and the deep poverty abided unto the riches of their liberality. Deep great trial. So look at the word tribulation. in revelation. Just look at the word tribulation. I know I'm it's look I'm going there are only five times you see the word tribulation. Never be scared of proper Bible interpretation. Now they hide something they fear. Let's see the verse that come they fear say no no you can't change it. Don't tell me that's not what the verse is saying. Look at tribulation. So you let's see if Jo is already in tribulation. Revelation 1 is the very first time he uses the word he says I John who also am your your brother and companion in so John is saying he is in tribulation and in the

kingdom and patience of Jesus Christ so he's going through a lot that's the word tribulation the same word trial there pressing affliction anguish pressure persecution that word tribulation you are being there's pressure there's affliction trouble everywhere so and he says I'm going through for the preaching of the gospel so he said he's in tribulation now revelation chapter 2 one of the churches that they are writing a letter remember the church are going to read it but it will have no meaning to them so I'm reading a letter and is for 5,000 years from now 1,000 years from now there's a beast how does that how does that communicate to me say give it to the churches in Asia Are the churches in your church? I think it's the church to Ephesus. Is that the church in Ben city? And you do not want to make sense to them. Really, how is that for interpretation? I write this letter to you. It makes no sense to you now, but your corpses will understand this message. Thank you. That's how when we don't want to read Bible, well, I've told you before. Wrong doctrine is synonymous. We look like you one day. you are when you the more you understand you will see how they work hand in hand because it look like submit your brain submit your brain you will not need it don't think don't think is in reason when they don't interpret Bible where then when they find Bible where they will now come with stupid phrases like the body of Christ is sick the church is not trying or God say you are preaching rubbish before and leave the church alone they now make it look like it's a move there's one video I've been training now Is it not people like you that preach that nonsense? Sound doctrine shows that everybody is supposed to work hard. But pastors are telling their members that they we have stifled people's dream. They could entrepreneur. No, now they keep people dream. It's not here. Nobody who teaches sound anybody dream. Let's not be making look like body of Christ. It's not body of Christ. It's you that is sick. It's you that know what you are preaching. Body of Christ this, body of Christ that, body of Christ this. Then look at the person try to save the body of Christ. I committed a crime. I cast the devil. I don't have rank for is this is this is how you will save the body of Christ. If you want to go into criticism, nobody can stand. Just teach the scriptures. Just teach the word of God. Let all men be liars. Let God's word be true. where it where it attacks some persons then they they are just because it's not them that after we after teaching the truth you can do nothing against the truth but for the truth you fight the tree go grind you fall for grand so letter to Ephesus but the church in Nigeria will interpret it better for them letter to uh Philadelphia but the church in uh uh in Spain we interpret it for them today. No, now it must mean something to them. Hallelujah. And unto the angel of the church in Smuggna, Revelation 2:8, right? These things see the first and the last, which was dead and is at life. He said, I know thy works and tribulation. Are you seeing that they already going through tribulation? I know thy works and tribulation and poverty and thou art rich and I know the blasphemy of them which say they are Jews. It's even better now. It was even stronger in those days where they will have policies that Christians could not even buy things. They say they are one of those people. Don't sell for them, don't sell for them. They not belong to us. They are preaching something else. Yes sir. It was so severe how people just take knife. Today now

there are laws that won't protect people from just daggering you when you say you are a Christian say ah kill them the enemy of the states now you can use human right come from some other places and they say ah yes we are supposed to protect everybody but it's not like that once you say Jesus Christ dagger them so there was tribulation then and there's still tribulation thee. Thank you. I know thy works and thy tribulation and poverty and thou art rich. And I know the blasphemy of them that say they are Jews and are not, but are synagogue of Satan. Fear none is not saying a church that use the title synagogue is of Satan. That's not it. Don't Bible with your bias. If you hate that preacher, say you hate that preacher because the word synagogue there is just assembly. Fear none of those things which thou shalt suffer. Behold, the devil shall cast some of you into prison that ye may be tried and you shall have tribulation 10 days. Why don't you want to believe that these are the things is now seen later on in the vision. No, it cannot be. Yours is that great one that people are using their own blood to to pay for their sins. making a mockery of what Jesus did so that your vision will be correct after they have suffered with their life after suffer your life that second batch that third batch everybody is in that second batch now is our blood we will use because if we be used by works no man stand works they go they stand before God ah No, fear none of those things which thou shalt suffer. Behold, the devil shall cast some of you into prison that you may be tried and you shall have tribulation 10 days. Be thou favor until the end unto death and I shall give you the crown of life. He has an ear let him years. So these are things that they were going through. Look at verse 13. I know thy works and where thou dwellest even where Satan's seat is the heart of men and is controlling these people. and thou holdest fast my name and has not denied my faith even in those days wearing antipass was my faithful mati who was slain among you where Satan dwellestth because Satan is walking actively through these people as an accuser accusation that's why I use the word Satan her Satan accuser bringing that's why you are dying killing Christians everywhere that's the context tribulation Again in verse 22, see the word great. The very first time use the word great tribulation. Verse 18. And unto the angel of the church in Tatira, write these things, sayeth the Son of God, who has the eyes like unto a flame of fire, and his feet are like fine brass. I know thy works and charity and service and faith, and thy patience, and thy works, and the last to be more than the first. Notwithstanding, I have a few things against thee, because thou suffereest that woman Jezebel. Jezebel that is long dead. You notice metaphor. You suffer that woman Jezebel. There's nobody by the name Jezebel in that church. Oh, ah is using it as a parallel. You saw that woman Jezebel which call herself a prophetess to teach even to seduce because that teaching is seductive teaching to seduce my servants to commit fornication. This is male and female. And to eat sacrificed onto idols. So commit fornication there is not sexual intimacy alone that he's talking about but the core which is partaking of the table of idols worshiing selfishness humanism all of those other expressions that they become today where you deviate from worshipping the Lord from being one with the Lord and being one with many other things which is sharing yourself because you are the temple of God.

Shving yourself with all that things is what is called committing fornication. There you are the temple of God but you violate that by doing all that things identifying serving other things. So that's why conjoins it and which is the word and to commit fornication even things sacrificed unto idols. Remember the use of the word and. All right. They say, "And I gave her space to repent of her fornication, and she repented not. Behold, I will cast her into a bed to sleep with her." No. Now, and them that commit adultery with her into great tribulation, except they repent of their deed. So great trouble. So those who said I will kill her children with death and all the churches will know that I am he that searchth the rings. what is her children what she has taught remember the look at the context as we go let's just read it because of time because for those who have never heard such interpretations before verse 24 but unto you I say and unto the rest in as many as have not this doctrine so it's the fruit of the remember Jezebel oh Jezebel is not sleeping with anybody now she's a prophet she's teaching now oh god He wrote it there. Prophet is teach. He's teaching seducing, deceiving people. So why does he use fornication? Because he already used the word teach and seduce. So is the teaching is deceiving. Just like in the last days there will be seducing spirits. It's not pulling people's cloth. Now doctrines of devils. This is one of doctrines of devils that he's talking about. So he uses that word great tribulation which is the same word tribulation he has been using before. So words have their own meaning in how the context of use. The next time we see the word great tribulation was revelation 7:14 and that's the very last time where he talked about verse 14. And I said unto him s thou knowest and he said unto me these are they which came out of great tribulation and have washed their robes and made them white in the blood of the lamb. How do you you wash it with blood and it's now white? That already shows you that don't be reading this literally. You wash it with blood is now white. I don't understand. You wash something with blood is white to be stained. Now the same way of fire is is is lake not body of water. There's a lot of imageries because he's communicating many. So like I've taught over the years, revelation is that last book that test you. It's a quiz to test whether you have really read your Bible. You have been jumping because every imagery in revelation I use from Genesis to Jude. So we now know that jump Bible which is the reason why your fave raw right because they are lazy. They sit in counseling places office they read Bible tweeting and fighting bloggers know they read Bible cuz they are reading Bible all those imageries I've never been able to believe that rapture theories or all that mark of I mean I have not taught you once in all my years of following the Lord Jesus that should tell you that good to the guest brain I didn't even know the proper explanation But there are some things that don't just make sense and it's just revelation. They say yes. Where else now? Try to support it. Support it. That's why people don't have the proper biblical understanding of the end of the world. Amen. Hallelujah. Praise God. Amen. Amen. Romans chapter 8 Romans chapter 8 Romans chapter 8 Romans chapter 8 let's read from verseh 16 the spirit also bear witness with our spirit that we are children of God and if children then heads hairs of God joint hairs with Christ if so be that we suffer with him that we may be also glorify fight together. For I

reckon that the sufferings of this present time are not worthy to be compared with the glory which shall be revealed in us. The sufferings of this present time. Are you seeing that there's already sufferings? Some people are waiting for it to start. The sufferings of this present time, there's sufferings already. There's a lot we go through for the sake of Jesus Christ. Not just normal sufferings of humanity alone. there sufferings we go through for Jesus Christ as well. Then he now says remember if we suffer with him that's verse 17 so there's the suffering that we because we believe in him because of his name if the word hate me they will hate you also that's forsy so we say I don't understand why people if they hated me they will hate you that is so there is a power there is a force there's an unseen force only that is negative that is working through people to actively hate anything about Jesus Jesus Christ sir and you you can't wrap your head around why you just there's a lot of right up against Jesus Christ against church against pastors against giving don't fall into that conspiracy don't fall into it say oh there are pastors that are doing this there are people that are doing this there's churches that are doing this what about all the many others that are better you not going to see use those ones as example it looks like there's always a right up against a church right up against a pastor you think is just criticism that's why you shouldn't join those even if the church is wrong and those pastors are wrong is he on Facebook will settle the matter just like one dearly beloved mad woman who went to sit down I have a story to tell then she now told her story of when she was young so what are we going to now do on due time now she has left Nigeria that's always how it ends just subjecting people to torture. That's not how to say should they not speak and see some people emotional. Lean on me, man. Lean on me. How do we solve issues like this? Let's not outgrow Matthew 18. Don't outgrow it. How come you didn't tell him to his face before we are doing interview? I I want to tell my story. How does this I think they have serve you paper now. You sue you took him to court. He warn you, you you you paid him there. you jackpa and left your husband people never forget Nigerians only one month after one month the issue have died everybody move on to the next trending topic say we stand with her we stand with her we stand we are I was not there I don't know I don't know what happened I don't be standing with I don't stand with anybody I stand with the man I stand with I don't stand with anybody I stand with Bible I stand with Jesus I don't stand I don't know where they stand I don't remember for where I stand they stand I stand with him I stand with eyes. I don't stand with anybody because you must have an objective way of viewing things. Have an objective way of using to some it look like ah you don't care. Those people are the ones that don't care and the ones that are leaving anyhow. Let's not model up things. Tell him to his face. If he will not hear you, tell somebody else who will tell him. If he does, then tell it to the church. There's not time that I say tell it to CNN. Tell it to your favorite podcaster. tell it in your interview. There's no time we because they can't judge anything. It's just going to be taste by moon like hey have you heard have you how does that solve the issue? Doesn't solve any issue but people like that which is the same reason why we tell people uh uh of course please now don't every sane person should be

against rape. In fact, when we hear that you are not against rape, it shows something is wrong. But doesn't mean that we should not have proper judgment because cry out not me say good just now first to cry out that's proper judgment. Don't just oh the first person that's not how to interpret things. So you grow up and you realize that many people have been killed for those kinds of interpretation. All right. So fundamentally we should know what we are against. We should be against exploitation, manipulation or even things like that. Should be against that. That is a sane person. That's how sin people think. However, we should not be for a way of dealing with matters that are not taught in scriptures and say no. You are empowering what already has a bias against the church against the name of Christ because that's not how we deal with matters. There's how we deal with matters because you see let me tell the world the world does not like you. The world hates you. Amen. So we must always get it clear. Must always get it clear. Don't don't don't uh project what is not because people don't talk about all the thousands that are getting saved. I see gloom. I see darkness. Me I've never been able to see that gloom and darkness that people are seeing for the body of Christ. I don't know how which eyes that they are using to see their own. I see gloom. I see the church in Nigeria. One of my friend in worry. Oh God is so popular these days as a group the church the church every church has filled. Hey God can we preach what we are preaching now in Lagos in our places. Can we preach it in in Sooto? Can we preach it in the one you are preaching sir? Can you preach it in sooto? Because everything you are preaching about that pastor on your pizza everything that is training is what you are preaching if you want to go the way of criticism you finger will come back to you just preach what you can preach and leave there except you are just sounding the way I'm sounding just being objective generally because sound doctrine impress discernment to you doesn't take away your discernment and know it gives you proper discernment proper view amen hallelujah Yeah. The sufferings so we suffer with him, we shall be glorified together. For I reckon that the sufferings of this present time, so remember this present time are not worth it to be compared with the glory that shall be revealed for the manifestation, the unveiling, the revealing. That's the word apocalypse. The apocalypsis of the sons of God. So the we now we are still being revealed. So that will be the final unveiling where we will now see ourself the way we really are. our glorification of exactly like him, not just in spirit but in body. For the creature was made subject to vity, not willingly but by reason of him that the same in hope because the creation itself also shall be delivered from the bondage of corruption into the glorious libert of God. For we know that the whole creation groaneth and traveleth in pains together until now. The whole creation is groaning because this is not the world. This this is not how God made the world to be. So the whole world the creation itself everything created is groaning. That's why everybody wants a better world. We all want a better world. There's a groaning and tra in pain together until now. But not only they but oursel also which have the first fruit of the spirit even we ourselves grown within oursel waiting for the adoption to with the redemption of our body. So it's not power demonstrations that is calling manifest the sons of god to w the

[illegible]

this is just a physical example there are thank you thank you that's how many times in life this so and we on the other side we are just putting one finger we we we feel help god because he say hold your side I hold I said meanwhile is the all the weight. Have you ever carried load with somebody before and the person cannot carry [Applause] load? I will use this example not because I think women are not strong. But have you carried heavy with a lady before? You understand the example. I just gave a disclaimer. But you say part of believe that women are not strong. No. Now more ladies. No. No. I don't say now car now. The whole weight is on your side because you know if you put the weight even the way the person is holding it with you feel like so that's how we carry that's how we are all the weight is on his side he's helping us the holy ghost helpeth our infirmities so in this s this sufferings of this present time all that we are going through we have the holy spirit as a help then you now tell me not to walk with the holy spirit you lie The Holy Spirit will help me. He He will help me or he will help me. He helpeth our infirmities. He's helping me. And that's where we learn how to live with the spirit of God. How to walk with the power of God's spirit. The spirit of God is helping me. Help him. So the Lord, the spirit of the Lord lays hold opposite alongside with us over and against the opposition. So it becomes easier and it becomes lighter to carry any burden because the Lord is helping me. The Lord is helping me. And that's why we learn how to walk with the spirit of God. It's what makes life bearable. If not, all will just have it one day. I can't wait for the world to be better. I can't wait for new Eden. I can't wait for global. I can't wait for all the earth. We not follow you to do that. We can't wait because we actively are doing something and the Lord is actively helping us. So we are saved by hope. But hope that is seen is not hope. For what does a man seeth? Why does he yet hope for it? So but the spirit itself maketh intercession for us with groanings that cannot be uttered. The groanings that cannot be uttered here is not that you are altering it sir. I say pastor you don't believe in groaning in the spirit. That's going in the spirit is not prayer here. Not a lie on the Bible. The groaning that cannot be altered. You are altering your own. No groanings that cannot be altered. Where is groaning in the look at how many times he mentions groan to now lie against this text. Verse 22, he uses the word groan. For we know that the whole creation groaneth and traveleth in pain. In verse 23 say even we ourself grown within ourself. Then you now go to 26 you turn to prayer. What a wow Bible interpretation. All of a sudden it turn to prayer. Creation is groaning. We are groaning. All of a sudden it turn to prayer point. I need to groan in the spirit. No n that's not how to read the groanings that cannot be. Many times we have those s i s i g h. Hm. Have you have you ever gone through things before and you just there are some you but the real one you don't used to it they your mind just the one you can say it is where it go better but then you not do that. Say what is happening? You not go understand the groaning. Are you guessing it? That cannot be altered. And that's how creation because this is not how the world was made. This is not how everything was made to function. And so walking in and by the spirit makes these times bearable, better. And somebody is telling me not to walk with the spirit of God. You lie. You lie. You lie. I will learn how to walk with the spirit of God

better. I'll learn how to engage the power of God's spirit better. I will not just in power, in revelation, in utterance. And in power, it go complete. It is not in man that live to direct himself. So God will direct me step by step. He lead me. I'll allow him go. I would receive help. I would I will receive help. It's not good for man to be alone. Right from the beginning, God intended to be the helper of man. Ah, I lied my eyes onto the heels from where my my coming from the Lord. Help me Lord. Help me Lord. And we are together and he supplies the help. He supplies the help and that's how we live. Hallelujah. So right now while everybody's waiting for the new creation, all the earth to be better, we right now are functioning. The Holy Spirit is helping us and we are functioning with the power of the word to come. Hebrews chapter 2 verse 3. How shall we escape regret? So great salvation which at the first began to be spoken by the Lord and was confirmed unto us by them that heard him. So all the people who have borne witness. What did God do? God also build them witness both with signs and wonders. So I become a preacher of the gospel. God bears me witness with signs and wonders with diverse miracles different distributions. The word diverse the different meismos distributions of the Holy Ghost. So any way the spirit of God can work with me, go walk with me to reach the world. Hallelujah. And gifts of the diverse miracle and gifts of the Holy Ghost, that's me, distributions of the Holy Ghost according to his own will. For unto the angels had he not put in subjugation the world to come whereof we speak. So there's a world to come and that wall to come is not under. No, no, no. It's under the subjugation of the new creation man because he says we shall judge angels. He will right now and this is where we would continue from here on Sunday. You will see those text say I will give you the morning star where Paul say don't you know you shall judge angels in 1 Corinthians chapter 6 and he says I'll give them to they will reign and rule with me right now that territorial spirit over places placeholders since babel where god is inherited the nations but right now in the dearis of Jesus they have been defeated but they are still there but they have defeated so that's why we go saying you No place belongs to you because they are in rebellion against God. Instead of teaching men to follow the Lord, they took the worship of the people in that community in those places and became the gods and goddesses of those places we judge them that your time is up. Your time is up. And for all those fair s p e r for those places we disinherit them. And in that word of glorification the global eden as we like to call it the or the eternal eden we are now going to rule in those places not them. That's the same context he's doing here where he says the world to come. He not put it in under angels. Now in the 70 nations Genesis 11 as at that time there was no nation called Israel after that God created a nation called Israel and it was not under those principality and powers that were disinherited in chapter 11 of Genesis. So historically that was that world to come was Israel. But upon the work of Jesus on the cross that world to come now which starts from the new creation man we are not of course under angels. That world to come is not also going to be under angels because man has taken his place. Then the world is now as it was made to be. Hallelujah. Praise God. For unto the angels had he not put in session the world to come where off we speak.

But why in a certain place testify because that salvation is of the world to come that we speak because there's something because the salvation that we are preaching so great salvation has to do with the world to come because all the earth will now be as it was intended to be. Amen. Just like we sing it that's why to put things in songs every man in the sacred place living as we were. All right. So and why in a certain place testify saying what is manful of him or son of man him. So you see that for thou has made it lower than angel crown him in glory and honor. Daddy put all things. So it's showing you that the original order was all things in subjection on that man. Amen. But the failure of Genesis 3, Genesis 6, Genesis 11 have changed the world and all the rebellion since then have turned the world to something else. see the world to come again. Hebrews 6. Now this time he put it alongside with power for it is impossible for those who were once enlightened. I always teach people if you don't understand how this text read just read the beginning which is chapter 4 and read it into chapter six then you'll see how intelligence comes back to life. Because it is impossible for those who were once enlightened if they shall fall away to them and begin to repentance see this crucified to themselves son of man aresh and put to an open shame. So when you read four into six you already get the image that this cannot be how you lose your salvation. This is actually how you cannot lose your salvation that is teaching because he say it is impossible. It is impossible. It is impossible for those who were once enlightened if they fall away. It is impossible to what? Renew them again to repentance seeing that that will be crucifying Jesus Christ aresh again and again. And you can't crucify Jesus aresh again and again. Calm down. You know some people are reading it but they are still reading it with that backward way of interpreting Bible that that once you see you cannot come back. So how do you not come back? How come all the how come that same preacher after preach that message say if you are back come their brain be working you only just now say then you say come come. So which time are we now going to now stop coming. No he's saying the man that save cannot be born again again and again because seeing it is impossible to renew him again because already saved once. You cannot be he can you cannot be Jesus is not dying every day. Oh, I have come again. Jesus died for me again. It cannot. It is impossible for those who are already enlightened, who are already saved to be renewed again and again. It's impossible. Read it together. You now see, oh, that's what he was saying. Not that he's teaching. It is impossible for those who were once enlightened. If they shall fall away, what is that fall away? Parapito use uh gotten from the word paratoma where a believer falls into a trespass where if you if you see your brother fall into a trespass he which has resto not a one. So where a believer falls into sin, he says you cannot what you can see what what he say you can do if they fall away. If they shall fall away, if they shall enter into any trespass, to renew them again unto repentance, seeing they crucify to themselves the son of God aresh and put him to an open shame. So renew them again. The word renew again again. How many times did Jesus do his work? Once. Then he says once. Then he says to renew them again. Why? Because the enlightening is how they were first renewed. The enlightening is how they

were first renewed. Titus 3. I've never heard the word renew before. Okay. show you the word renew is used alongside explaining salvation. Titus 3:5, not by works of righteousness which we have done, but according to his own mercy, he saved us by the washing of regeneration and the renewing of what? Thank you. So he call salvation the renewing of the Holy Ghost. So when you got born again, you were the Holy Ghost is what made you a new person. That's why he's saying it's impossible to renew the person again because you already enlightened. How can you be cannot be renewing the person again and again because that will be bringing Jesus to an open shame because that's the very sin that Jesus died for that you are saying Jesus should be dying again and again and again. Hallelujah. Don't don't take my word for it. Don't worry. another in a different topic. We'll teach on this topic again since it's a bit confusing. If you still have and I we just talk around Hebrews chapter 6 but there's nothing confusing there. It is impossible for but where are we going? Let me read why I came to Hebrews 6 so that we're not distracted by so when people tell me I I believe I can lose my salvation I say yes. When people tell me they believe they can lose their salvation I say yes. Say ah which one you want to lose your own now. Amen. May you lose your salvation. He say no that's not what I'm trying to say. Then why do we teach what we don't want people to why are you learning how to lose your salvation? Do you want to lose your own? Say no. Say but you can be lost your own say no I don't want to lose my who do you want to now lose their own. There's something called the fruit of doctrine. That's how you know bad teaching. How come we don't do a teaching on how to lose your holiness? Why do we do a teach on how to lose salvation? You see the fruit, the spirit of that teaching is wrong. How come we don't do a teaching on how to lose your walking in love? We teach people how to walk in love. We teach people how to be saved. You are not teaching us how to lose our salvation. Do you want us to lose our salvation? You're not getting it. Why should we be teaching people how to lose their salvation? Do you want to lose your own? I don't want to lose my own. So why are you teaching me? I should be learning how to keep my salvation not how to lose my salvation. But this thing is not my salvation that I'm keeping because it is it is the meaning of insanity to be keeping your salvation. It is my salvation that keeps me. It is the savior that keeps me from keep me saved. If I keep my salvation then I saved my savior. No, that's why it's called savior. What does a savior do? Save somebody. So if he could not save me then he's not a savior. That's why I say he will keep us from falling. He will present us for it is his responsibility not my responsibility. Amen. Hallelujah. Learning something. Yes sir. So it is impossible for those who were once enlightened. Remember the word is impossible. So is so what is simply saying in Hebrews 6 4-6 which everybody agrees which some now they agree that it's impossible to re them again and they use it for losing salvation but you note that the impossible is to renew again which is not losing salvation exactly it's impossible to renew a believer again and again because he's already saved that's the context. So it is impossible for those who were once enlightened that's the believer and have tasted of the heavenly gift tasted there is to partake of it say they taste they did not

eat those that are when we when people don't know how to explain this thing you say they taste you not eat it you taste but one day you will not eat is the same what Jesus tasted death for he did not die he did not partake of death I he only taste it no now don't give Bible your own meaning Jesus tasted dead. The same word in Hebrews 2:9 that he should taste death for us consistent in how it has been. So has tasted and have tasted of the heavenly gifts. That means and we're made partakers of the Holy Ghost. Is that not you and I partakers? We are associates of the Holy Ghost. Associate. That's why he walking alongside with us. That's why he's helping us because we are not associates. We are partakers of the Holy Ghost and have tasted the good word of God. They live by the word of God and the powers of the world to come. That's where we are focusing in this second part of this series. The powers of the world to come. Powers. I like the use of the word powers. He put S. And the powers of the world to come. That is what we are living with right now. So some people are waiting. We are waiting for when all the earth is made a new. No, we don't. We are not waiting. Right now we are living with that power of the word to come. Right now we are partakers of the Holy Ghost. Right now we are working with the Holy Spirit. Right now we live with the power of God. Right now we are doing things. Right now Hallelujah. Right now we are engaging forces. And if we for our good right now, we are bringing down every negative force against our life, against our ministry, against what God has called us to be right now. We are not waiting right now. And we have that power exceeding greatness of his power. We have the power of God. That power is not some people is until the new until all the earth is renewed for finally move in power. Why now? Now is even now you have more things to bring under subjugation. Enjoy your time of practica. Right now. Right now. Right now I'm in charge. I'm in charge. Right now I live with the power of God. Stand on your feet. Right now I live with the power of God. Right now I function with the power of God. I function. Right now I engage forces. Right now I engage forces. Right now. Right now. Right now. Right now. Hallelujah. Praise the Lord. Not later. Right now. Right now. Say, there's a lot going on. The Holy Ghost is helping me. Right now. Right now. Right now. The Holy Ghost is helping me right now. I'm a particle of the Holy Ghost right now. I'm walking with the Holy Spirit right now. Not tomorrow. Right now. And I choose to live like that because it makes the days better. It makes life bearable. Everything is okay. Right now. Right now. Right now. Right now. Right now. I function with the power of God's spirit. I function. Right now. Right now. Right now. I walk in revelation. Right now I walk in revelation. Right now I walk in power. Right now I walk in power. Right now I walk in allance. Right now in the name of Jesus. In the name of Jesus. Yeah. Right now. Right now. Cry. Right now. Right now. Every day. Every day. I walk with vision. I walk with vision. That's why we that's when you understand you now see why with supernatural it makes the sufferings of this time bearable. The only issue is how it has been overstretched by charismatic to now be make it look like there's no suffering at all. No, there's suffering. Things are happening. I'm not talking about because you don't have money in your pocket. Not that one. There's a lot we go through. There's a lot of opposition

against us for being saved. Then secondarily, the things that we now go through, but firstly is in our standing for the Lord Jesus. There's opposition. There's a lot of opposition against that. The world hates him. They will hate you. It's a lot of opposition. So we suffer with him. Then the whole creation is even groaning. We want the whole world to right now. Uh air pollution, global warming, this one. Look at the the it shows you the world itself is decaying is dying. Is and God is going to end that whole corrupt order, that whole corrupt system. And he's going to be transformed at the same glorious liberty. Out of the dying of the old comes the new. Hallelujah. Just like out of his death came the new creation. Out of the dying of the old will come a new heaven and a new earth. Hallelujah. And that's what I live for. I live for the propagation of the gospel for the for that day to come for the for the glory of God for the kingdom of God. I live for that. I live for that. And right now I'm not just going to be passive like oh cancer may ravage my body now but in the world to come I will put on immortality. No even now I can dislodge cancer. That same spirit that will make me put on immortality is already in me now. If that same spirit that raised Christ from the dead, Romans 8:11, if that same spirit that raised Christ dwell in you, that same spirit that shall give life to your mortal boy, that same spirit, oh boy, that same spirit, that same spirit, that reminds of first Corinthians 12:11, all these work that one and the same spirit. That same spirit, that same spirit, that same spirit, that same spirit, that same spirit, that same spirit. So now we can go further in this series. Yes. Because it's that same spirit. Yes, sir. That we're talking about. That's a force. Yes, sir. That same spirit. I walk with the Holy Ghost. I walk with the ghost. I walk with the angels of God. I walk with the angels of God. That same spirit that raised Christ from the dead is at work in me. And with with that spirit of God, I'm making things I'm I'm I'm is making things bearable, making things better for me. I walk with the spirit of God. I walk with the spirit of God. In the name of Jesus. I live by the spirit of God. I function by the spirit of God. I'm yet to have a better yesterday. No, every day keeps getting better and better. It can only get better for me. I live by the Holy Ghost. I walk by the Holy Ghost. I function by every day by the Holy Ghost. Every day I come in the name of Jesus. Every day I come in the power of God's spirit. Every day. That's why when we have human issues, we reconcile quickly because we want peace. Every day I have peace. Every when we have every we deal with the things because nothing will make me not have a great day. Nothing will make me not have because the Holy Ghost is helping me. That's why if you notice, he will tell you my daughter, go and do this, my son. I don't know why we don't want to commit to that. I I I choose to commit to that. I choose to commit to that. I choose to listen to the Holy Ghost. If he says go here, I go there. If he say buy that, I buy that. He say get this, I get this. He's helping me in all areas of my life. I not say no. Help me in business. Don't help me in marriage. No, help me everywhere. Help me everywhere. Help me everywhere. Help me everywhere. Help me everywhere. Some of us are not that wise. So we say, "Help me Lord. Help me in the choice of this. Help me in this. me. I have chosen for the Lord to be helping me in everything. And he have said he will never leave me. Hey, see assurance. He have said he will never leave me nor forsake me.

So I'm so I may boldly say because of his assurance I'm now filled with boldness. I can boldly say I can boldly say I can boldly say. What are you boldly saying? That's how we can now boldly because of the assurance, the good word of God, the powers of the word to come. We can now boldly say, I boldly say, I cannot be stranded. I boldly say I can never be stranded. I boldly say it. I boldly say it that my life is the story of the glory of God. My life has ended in glory. I boldly say it. I boldly say it. I boldly say that I'm nothing terrified of the adversary. I boldly say it that I'm surrounded by with favor. I boldly say it that everywhere I go, people love to do me well. I boldly say it. The earth is the Lord and the fullness thereof. I reach the world. I preach the gospel. I live for the propagation of the gospel. I boldly say I boldly say I boldly say I boldly say I boldly say boldly healing is at work in my body. Health is at work in my body. I boldly say it. I boldly say in a in a suffering of this present time Edo state is not safe there's this I live in the Lord Jesus I dwell in David said Lord is my safety is there's one thing where the Lord keeps you safe there where the Lord is your safety I love David he personifies everything he said the Lord is my safety not only is he keeping me safe the same David said Lord keeps me safe. I dwell in safety. The same David now say the Lord is my safety. The reason why I'm safe physically is because I'm in the Lord. Every day I dwell in safety. This is the reason why we now boldly say my life is not in the sea. It's not in the road that it will be plucked off that a vehicle will take me away. No, my life is in the hand of the Lord. I dwell in safety. I dwell in safety. You will boldly say it. I boldly say I boldly say in six trouble year in seven the Lord delivers me. I shall laugh at famine and destruction when it come. I boldly say it. I'm always laughing at famine. Is economic crisis. Haha. I always laugh at it. I laugh at destruction when it come. You got the wrong person. You got the wrong address. No, I never quit. I never throw in the toy. I never say it's all over. I'm done. Oh, great days. Great days. I I'm filled with life and energy and power. It can only get better and it's only getting better for me. It can only get better for me. Have you seen how some Christians talk? Nobody know I don't even know what's going to happen to somebody feel your debt. No, I don't talk like that. My story is the story of endless victories. For God always causes me to triumph. Always causes me to triumph. My story is a story of triumph. Victory onto victory. Victory onto victory. That's it. Heads or tail we win. That's my story. Oh, that's how I talk. That's how I think. I think by the spirit is supernatural. He say have you heard? He said no. When they told he said trouble not the master gyrus is dead. Jesus immediately turned and said fear not be not afraid. I have that response to life circumstances. Immediately life circumstances come at me. I say I will not be afraid. [Applause] Jesus got there and raised Lazar and raised J's daughter up. Little girl, I say arise. Rise up. Every day I come in the power of God's spirit. I come with resurrection power. Power of the word to come. Oh, is at work in me. Oh. That power that raised Jesus from the dead is at work in me. So I don't say things like ah my own is if it's now even if natural things you hear people say things like my own is finished I don't think I can ever get married. Okay if is now marriage that is such an issue. No Lord where is the man I'm ready now. Where's the man you've just followed your your leading in utrance in

revelation and everything doesn't take time you just hear you see you know then the person engages you see there's nothing that makes us cry if it's going to make me cry I tell God I tell God I tell God my only crying is for good thing is tears of joy He does not understand that people mourn. We are not talking about that. Mourn with them that mourn. Brother, not not not that it is my strategy for life. Your strategy for life be you are already preparing to mourn. You already preparing for failing. No, if that time comes good and fine, we mourn with them that mourn. But for me, I will come to the grave in a full age like a shock of commenting in a season. So only when I'm satisfied with my days, I boldly say it. The principalities and powers have heard. The princes of nations have heard. My life is in the hand of the [Applause] Lord. Is the He that watcheth over me neither sleeps nor slumber. I'm assured of great days. God is not sleeping on my mah say beat yourself cry out maybe bow will hear you maybe he's sleeping my own not asleep I call on him once he answer me God said in that parable say will not the even the unjust judge say will she not will he not avenge that woman speedily said but your God is not so much more much more shall not God much more God is not unjust that I don't need to come again and again because of my importunity. No, but God heareth me. To him that he pray all flesh call. I love to talk to God because he hears my prayer. He answers me. He answers me. [Music] So I have what to say. I said that's it. Oh. Yes sir. I have words. I have words. Prophecy comes to make days bearable. Prophecy comes so that we now have what to say. So this what to say. Though this what how I see at last master what shall we do? The enemy was still there but the man switched sight functioning by revelation. He was not afraid again. The same enemy that was surrounding was still there. That's why I live by the unseen. I've seen how the days to come will look. I didn't see it broken to the left or right. No, I've seen heal and hearty, health, strength, victory. I boldly say so now and now even onto the world to come. I'm already functioning in that power. I'm not waiting. Oh, and I'm not wasting time. redeeming the time because the days are evil. So I maximize my time. I live by the power of God in all transition and in power. It can only get better. I would cry to God and Yahweh's sabbat. He will yell, "Oh, the Lord of angels armies. He will ride. Oh Lord of Jesu, ride upon the cloud to my head. Say I know what it mean to if you see the imagery in their world view to ride upon the cloud. He is swift on my matter. God is swift on my matter. God is swift on my matter. God is swift on my matter. Hey, I'll never be broken or discouraged. See, happy is the man that have the God of Jacob as a help. Then you are you are you are regretting being saved. No. Happy is that man that have God as a refuge. David now said Yahweh my refuge, my fortress, my God. In him will I trust. I will not f to I know whom I believe. I know whom I believe. There's so David said I would have fainted unless I had believed to see the goodness of the Lord in the land of living. I will not faint. I know whom I believe. I know I know whom I believe. So I'm not fainting. Oh there's no fainting for me. Oh I boldly say it. I boldly say it. Go ahead and say things now. Hallelujah. Come on.
