

All this evening we open our hearts to your spirit and we receive insight and clarity again on the subject of unseen forces. We will be wise and strong with your power. We declare that in this service again the things that ought to be said will be said. The things that ought to be done will be done to the praise and glory of your name. We declare that we live here full of wisdom, full of courage. We do your word, act on your word, will think by the spirit. will live by the spirit in the name of Jesus. Amen. God bless you. Have your seats. Matthew chapter 28 and we'll begin from that text of scripture. Matthew 28 and verse 18. It says, "And Jesus came and spake unto them, saying, All power is given unto me in heaven and on earth." All power. The word all power. All power. All power. Not some power, all power is given unto me in heaven and on earth. All power, all power is given unto me on heaven and on earth. All power. The word power there is the Greek word esuzi. Our authority, all authority is given unto me in heaven and on earth. Then he says go ye therefore he bequits that authority to the church in our mission in our living for purpose. So we can say all authority in the natural and the supernatural are given to Christ and he gives that to the church. When you say all authority in heaven, all authority in the unseen and the sin world, all authority in the supernatural and in the natural. Hallelujah. All authority. Philippians is before Colossians. Philippians chapter 2. And we see that text of scripture. Philippians chapter 2. and verse 8. Are you there? Philippians 2 and verse 8. And being uh let's start from verse six. who being in the form of God, taught it not robbery to be equal with God, but made himself of no reputation, took upon him the form of a servant, and was made in the likeness of men, and being found in fashion as a man. Notice the word being found in fashion as a man. So that means God is not man. However, Jesus is man, God became a man. But there so there's man, there's God, there's angel, but God became a man. So he says, so he's not showing you that God naturally is man. No. Or God normally has always been man. No. God made man, made angels. God is not a man. That does not mean he can't appear as a man appear as an angel which he has done in Genesis to Micah used to appear as an angel because he appears the way the being he wants to relate with. However, in Jesus Christ, he didn't just appear as a man which he has appeared as a man before in Genesis to Malachi but now he comes as a man which is where we say God became a man. Jesus humanity as a man does not make him to be less God. But that humanity offers him limitation. Yeah. Because the physical body of man is what make Jesus appear less. But not in essence because he sleeps, he gets tired, he gets hungry. All those are not attributes of God. So when we teach on the concept of God in Christ, we always say that everything you find in God is found in Jesus. But not everything you find in Jesus is found in God. You get that? Not everything in his humanity, not everything you find in Jesus humanity can you find in God. That is a no no. It appears paradoxical, but I've told you before two truths can coexist. All right? Everything you find in God can be found in Jesus. But not everything you find in Jesus's humanity, you find in God. No, no, no, no. Philippians chapter 2. Who being in the form of God, gospel songs shouldn't trend. All right, just get so you get to know that by the way because if it's about the lyrics, it should it will

never because soon they'll sing it in club just now. That's why people are already making a mockery of things like that because we must always know the nature and the norm of things. It is for what season not the rain. But it's good at least you have dable songs. All right. Shouldn't the gospel doesn't because imagine singing all those pure doctrinal song. He can't trade now. In fact, no. No. It will not all say why don't you always like what is popular talk for yourself I like it or it just doesn't mean we should not say the truth you can like something but does not mean you should not say the truth now it doesn't the gospel is for all seasons it doesn't trend then you say what's a new one ah it's for all times for all times and the fact that unbelievers get to to hop hop in on those things thanks to the devilish use of Tik Tok by even among believers. So get to hop in on those things. So even out of the context of it is being used for other things too. People are not turning back. So he says let this mind be you which was also in Christ Jesus who been in the form of God. So who normally is God not robbery. So he didn't hold on to his equality with God. had what? Thought it not robbery. He did not hold on. He didn't think it that hey I'm dropping it. Old King James can be wonderful. Say it not robbery. You want so did not grasp cuz that's what a thief grab something and run away. It didn't think it a thing to grab a hold of but he let it go. Taught it not robbery to be equal with God but made himself of no reputation. Made himself of no reputation. took upon him the form of a servant and was made in the likeness of men. That shows you he normally is not man but was made in the likeness of men and being found in fashion as a man. So again telling you that that is not his normal fashion being found in fashion as a man he humbled his beame obed to the death even the death of the cross. Wherefore God also has highly exalted and has given him a name which is above every name. That the name Jesus every knee should bow of things in heaven, things in the air, things under the earth. Notice that in verse 10, do they bow? Things in heaven, things in the earth, things under the earth. Say, I have authority. I have authority in all three words. In all three words in heaven. In heaven. In the earth. In the earth. Under the earth. Under the earth. My words matter. My words matter. In heaven. In heaven. My words My words put angels to good use. put angels. The power of God works for me. The power of God works in my favor. Works in my favor. On the earth. on the earth. The power of God is put to use. The power of God is put to use. Things that are against or contrary to my desire and expectations are brought under. in my living. I have authority in my living. That is in the preaching of the gospel. And is in and in standing as God's man. And in standing as God's man, I have authority. I have authority. All right. Under the earth, under the earth, I have authority. I have authority. The devils obey me. The devils obey me. The demons obey me. The demons obey me. All the powers of darkness. All the powers of darkness. Obey my command. Obey my command. I have authority. I have authority. So that's what we're talking about. So you say, I have authority in heaven, on the earth, under the earth. I have authority and I have the power of God. So just like I was saying the concept of God in Christ which is the fullness of God. We said everything found in God is found in Jesus in his humanity but not everything found in that humanity is found in God.

So Hebrews chapter 1 go to Hebrews chapter 1. Hebrews chapter 1 verse 2 and three it says or starting from verse one. God who has sundry times and in diverse manners spake in time pass unto the fathers by the prophet had in these last days spoken unto us by his son whom he appointed heir of all things by whom he made the worlds the aons the periods of time who been the brightness of his glory on again understand that so that means if God has any glory that is shown forth it is Jesus he is the brightness of the glory the reason why it is rated 60 watt 100 watt is the brightness of the glory. The forger and the express image of his person he uses the Greek word character the express. So it's not a replica that is God himself. Express image express image. Then he uses the word of his person which is the word hypostasis which means Jesus humanity substantiates the unseen God. So you want to see the substance of the unseen God. This is the substance. This is how that unseen God looks like, talk like, behave like. So that's why we say everything you find in God can be found in Jesus. That is the express image of his person. He substantiate God. That's why in our theology, we make bold to say anything Jesus does not do, God does not do. Are you following? Because that is how God looks like. So we finally saw God himself behaving and we didn't see him turning out lightning thunder instead. We saw him differently. So we now know where men have misused, abused his power because we saw him in flesh and he acted differently. That is God. So that is how we know God. Amen. So he says express image of his person. Express image of his person. So Jesus exhibited two sets of attributes. Is that so? as God and as man. So Jesus in his humanity would be divine and substantially deity. So Jesus as God is deity and as man is divine. Amen. So everything you find in Jesus can be found in him. So Jesus in his humanity exhibits the attributes of God which he demonstrated in word and deed. However, Jesus as a man also exhibited human attributes such that he was hungry, he was tired, he slept and eventually we saw he even displayed mortality which can never be found in God. He died. All right? So that is the humanity of Jesus. However, he's fully God and fully man at the same time. Why? Because so what is the difference? And this is why most people cannot explain Jesus is God. Because oh, but he's tired. But no, that is everything you find in God can be found in God. But not everything you find in Jesus in his humanity can be found in God. And those two truth coexisted perfectly in the presence of Jesus. Amen. Look at that. Colossians chapter 2. Colossians chapter 2 and verse 9 it says for in him dwelleth all the fullness of the godhead bodily. So God in Jesus showed the fact that everything about God is found in Jesus but not everything about Jesus is found in God. That is a paradox but it's true. Are you following? I repeat it again and again so that you get it so that you understand how you also can function in two worlds at the same time because for Jesus he is God but as a man there are some limitations but in his godness no limitation in his manness limitation he can only be in one place at a time as God is omnipresent but he's not present right now in Galilee so in his words and in his deeds there will be other ways he will he will walk in that order but He he did not stop being God when he became a man. No, he's fully God, fully man. The only difference is that not all the attributes uh all the attributes of God

are found in his humanity, but not all the attributes and also not all the attributes of his humanity can be found in God. Never, never, ever, ever. Amen. And so that demarcation must be mentioned. Hallelujah. So also with us we must learn how we too can function into words. Genesis 1 vers1 in the beginning God created the heaven and the earth. Man was made for the heavens and for the earth because the heavens is the Lord. The earth has given to the sons of men. Speaking of location for God made man to dwell on the earth and made supernatural beings to dwell in heaven. So God dwells in heaven. Man dwells on the earth. They are not planets away from each other. It is based on constitution. God is spirit. John 4:24. God is spirit. So where will he dwell? In the spirit world. Where is the spirit world? Yeah. Just like the air and the sky is here in the natural. But you are not seeing it. That's how the unseen world is here because it's also depicted by the air and the sky. I mean see how intelligent the ancient men were. The air and the sky depict the unseen world. That's the same way the air and the sky they are in the natural but they are what we call natural or unseen. Air is natural but you are not seen physically. They are but you can see the effect. However, the unseen world can now be seen by set of of devices. And I mentioned something on Sunday about uh what veils the seen and the unseen world is the mind. The mind is how we live on the earth. God breatheed into man and man became a living soul. Your mind is how you live and function on the earth. Amen. And God wants us with full cognition to function in the unseen. We are not doing Jehovah sc that are contacting. They have to go beside themself. In fact, one of the ways you know something is wrong with once a man operating supernatural without cognition. You can tell that it may be of the devil very obvious because by the Holy Spirit we have full cognition and I shared with you natural things that can get a man out of that drugs, alcohol, weed all those many that kind of lifestyle puts you between words and you see that you are not in full you are not in full cognition. You are not in your sound mind but you are between words. The same thing with insanity, exhaustion, tiredness, all of those natural things. I did not add one because I didn't want pregnant women to get angry. That's the same way pregnant women many times are between words too. And you must be very careful with because she's carrying another life and sometimes the whole effect puts her between words so that when the woman finally gives birth, she looks different like say this woman you were different. So husbands are taught and that's why the pregnant woman must be spiritual the proper way must know the word of God to bring that in check and not be saying that's how we are that's not how anybody so because you are carrying another life so there are many times if not handled proper that's why it is a strength and a power when you know how to bring your mind under when you have mental fortitude and strength because that can put you between words. Ah, she's bringing life into this world. She as she's tampering with powers. Ah, she's becoming a co-creator. She's she's she's between words at that time. And that's why even the first week they say when the woman has given birth, take care of her very well. She's still in a very fragile state because if she's just bing her head and swinging her head anyhow, swinging, she can just from there. Psych. You guys are looking at me. I see

that you were in abash now looking at me like it's your first time of hearing what I'm saying things looking so lost to them be learning things you're getting older you that are ladies these things looking shocking to youh what you going to do Brazilian hair your whole desire is weak better learn meaningful things that helps your life but is looking for the best the best you be the best you want somebody else to be the best and sweep you off your foot. You sweep somebody else off your foot work on yourself too. Please don't be a minus looking for a plus. It's 1 plus one, not half one plus half. 1 plus half is one and a half. It's 1 plus one that is one. Work on yourself as well. Amen. Amen. But to teach men to be patient because many times that can happen where she just look like and that's why she's having all manner of cravings because that hormones that again is those things are tampered with because the way God made man the spirit is in the body and your body can affect your spirit as much as your spirit can affect your body. That's why you can get tired after moving the power of God. For those of you and when you build capacity, you can now handle more a full stadium and you still have enough strength to go. When we're growing in the things of the spirit, we get easily tired, exhausted. But over time, you go again and again and again. Say not tire is me is spiritual strength, his stamina, his staying power. Jesus said I perceive virtue left me. So you can feel it. You can feel that's the same reason why we tell people I know the person is healed. Now people are wondering it's not love because we know now if something leave you not go know something leave you. The same way you know something leave you. The same way you feel headache you feel something. That's the way we we know something has left us when we are moving the power of God. Amen. Because it can and I teach that over the years. Two ways you can move in the power of God. the principle of divine life and the principle of divine power. The principle of divine life is exhaustion. That is the function of the anointing where you put your hand on people because by the increase of your strength, the more proficient you are in the things of the spirit, the more so it's basically like the person is taking from you because you have strength. The principle of divine power. Bush. That one will not be exalted. Just eat it. But when you without saying much, you just touch the person. All right. Be healed. Take it. If it's your first time, you'll tire. You'll tire. Hey. See. All right. And that's why when you lean and function much under the anointing, you see those papay video where people start supporting because hours you have been ministering like that. It's not just because he was getting old. Of course that also had an effect because his physical body could not match what his spirit was giving out. So somebody by the right and the left supporting his hand then he was already 75 76 uh 80. Ah so and moving in the power of God standing there moving the power of God for hours that's a lot. His physical body can no longer take it but his his spirit can take it. That's why you take care of your body. If not, if you not your spirit will leave your body for you. One will live one which is death which is why we don't glorify that state and say oh I can't wish I can't wait to to be with the lord in the sense of I can't wait to die if death is a good thing. That is what God saves us from that spirit away from the body because God wants the spirit to be in the body forever which is how it's going to

be in the resurrection because the spirit and the body were made together but our bodies now do not match the right in our spirit. So it can easily suffer wear and tear just small power your body's already getting tired because the glory within and the glory externally are not matching but soon when the glory externally your body's put on immortality it will match. Hallelujah. Amen. So um where you perceive virtue left you. So all of those things there's a lot about the the supernatural words when I was teaching you on visions seeing to the spirit and all of those things is called revelation apocalypsis. Why? Because there's now an uncovering because it is your mind. So I told you the distance between the natural and supernatural is what your mind that's what veils it your mind. So that is happening your mind does not mean it's not the realm of the spirit. Your mind is how you function on the earth. So whosoever has your mind has you. If Satan has your mind, you don't die. If God has your mind, you do better. And that's why the greatest asset you have is a renewed mind. Not I speak my mind. I speak my mind raising voice shouting. That's not how you solve any issue. In fact, that's the way you go violent if you want to. It's not I'll talk or I'll talk. We don't do that. Yeah. Same thing we teach couples. Uh your power as a woman is not in your is not in you being masculine. You are not masculine. You are feminine. Your power is in your femininity. You don't have to I need to match the man. Don't match him because he will soon match with head because don't go the way that is not. Your power is actually in your femininity. Not in your masculinity. You are not a man. Don't become a man. He say he's not hearing me. So you you you go higher. You go higher. No. No. Use your femininity which is just simple words babe I love you but the way you are sounding now aha that already not so the man does not think you are ready for war you can't be ready for war you can't win him now the man is such a weakling four moves you are on the ground oh it doesn't take more than that to put any living soul on the ground the law of Mortal Kombat now kak kung fu taiishi sensei so all right so it doesn't take I remember uh many when I was a teenager they were told three moves put a man on the ground four moves put a man on the ground are you willing to learn yes sir Four moves put a man on the ground. So you know the sensitive places to touch and any giant can be brought low. Are you ready? Yes, sir. Thank God we're not using it. Guys are in the realm of the spirit so you didn't get that. It's not prayer. Prayer prayer. Thank God God saved us early. must be brutality. So the mind is very very important. Are you with me? The brain is very very very important. What you do with your mind is very very important. So be careful what you do with your mind. So uh where again I mentioned this on Sunday but it doesn't hurt repeating it again and again where you also uh believe that they are holding back and you don't want the proper route and you want they holding back there's more there's more and because it's selfishness is devilish wisdom pride show off that making you want more of the power of God you also before you know the person looks beside them And you wonder is this believer manipulator is manipulated which is why your safety is in sound doctrine. So I say this which is part of one of my popular quotes. Never trust a man's thoughts here the lord that is not rooted in sound doctrine. Never never trust a man supernatural that is outside

sound doctrine. One day command will come out from it. Which is why we're not I was not surprised when I hear that preacher said the holy Jesus told him that he does not associate with the poor. His Jesus will tell him that now his Jesus is outside scriptures. The same with the other ones Jesus told him about the mystery of it and what follows it. They have different Jesuses because once your doctrine is not sound, you will hear the mystery of washing. You will hear the mystery of being a high priest like Jesus Christ sprinkling. You will get all those kind of mysteries because your Jesus will be telling you things that he has fulfilled the scriptures will be telling you that now you should engage the mystery of the you are engaging but I thought we say we have you see that Jesus now is not looking like Jesus in the Bible again that's why we stick with sound doctrine you may think oh I can move in power without sound of course you can because that is the mercy and the grace of God but you We can judge and we can over time see the mistakes and the errors that will come out from it which some of them are learning now. I've seen Apostle Sulman correct himself a lot now of recent time though God is helping him I'll just put it like that so that nobody thinks I'm throwing shades at him we has corrected himself of oh when I started then I will not preach I just come and say there's somebody here and do that for three 8 hours 6 hours I've destroyed many lives ah finally this is what we were saying since thank God you have seen with your mouth now that you have destroyed lives with the prophetic and that's not the prophetic that's not how to handle do it. Cannot tear a home, destroy a home in the name of you are being forensic. That's not being forensic. Amen. So there's how to use the things of the spirit. So the mind is very very important. The mind is very very important. And I've showed with you those stories of the bush bash brothers. I say pastor go is holding back on us. There's more hold back on you. Every pastor is holding back on you in this world. Which pastor go is that one that I thought you know how many resource we have on the things of the spirit holding back. Ah no no [Laughter] no it's YouTube music I blame as I'm playing it in my car it will just enter because it's always sgest for me. No no no. So get ready for more of no no no today. All right. Once I say something I'll just drop no no no for you. Amen. Cuz I'm influenced though. Say, how can the man of God I'm under influence? I've told you before. I'm never told you I'm not in I can't be influenced. But of course it has that's a good song. So it's godly. So just that the things of God should not trend. But I mean the lines are perfect, scriptural, exact, on point, amazing. All right. So pastor said we should not sing. You have itchy ear. You should be in green white green building. How can I say something that's stupid? It's a godly song. The lines are all scriptural and why shouldn't you listen to it? I'm simply telling you that don't try to make the things of God trend. It's unnecessary. It is not made for that. It is for all seasons. Don't make it. Don't try to make it. Don't have the same ambition unbelievers have. No, you don't take over like that. That's why you now see unbelievers using it for wrong purposes. That's that's not taking over now. No, it does. You don't take over like that. Again, outside sounding people have many take over mentality. Is the reason why we have lost many of our fine girls to most beautiful girl to pageantss to shows because they say they should

take over. Go inside that sector. Go inside the sector sector them. The same way I think there are some governors that have been pastors that were thieves because he has been a thief since he was always a thief. I mean that's why there's proper discipleship and why we have that mode experience where we try to give you all that necessary wisdom to be the best of two worlds and learning how to function cuz Christians don't know how to function in society. They will fall our hand. They will turn to something else. No. So the mind is very very important. So Romans chapter 8, Romans chapter 8, for they that are after the flesh do mind the things of the flesh, but that after the spirit the things of the spirit. For to be kindly minded is death but spiritually minded is life and peace. The carnal mind is enmity against God is not to the law of God in it can be so that in the flesh cannot praise God. So I must ensure that my mind is not towards the things of the flesh but towards the spirit. So once I have gotten saved, this is how I must now position my mind. Amen. Colossians chapter 3, it says, "If you be risen with Christ, seek those things which are above, where Christ seated on the right hand of God." Verse two, "Set your affection on things above, not on things on the earth. For you are dead and your life is hid with Christ in God." So the renewed mind is very important. The renewed mind is what? Very very very very important. Ephesians chapter 4 verse 22. that you put off concerning the former conversation, the old man which is corrupt according to a deceitful laws and be renewed in the spirit of your mind. Did you see it? Be renewed in the spirit of your mind that you put on the new man which after God is created in righteousness and true holiness. So how do you put off the old man in your mind? How do you put on the new man in your mind? So mind how you think. Mind how you think. Mind how you think. That's the same way we walk in newness of life. Romans 6:4 is in our mind. When you all those walk in the spirit, walk in the light, walk in the truth. How do you walk is in your mind, with your mind, in and with your mind. Amen. Romans 6:4. Therefore, we are buried with him by baptism unto death. That like as Christ was raised up from the dead by the glory of the father, even so we should walk in newness of life. Newness of life. Newness of life. Amen. And we are of the same mind in the Lord. The same mind. He say let this mind be you which was also in Christ Jesus. The same mind be of the same mind. We are told about the mind. Very very very very important. Very very important. What I do with my mind is very important. I cannot say it is not important. No. In fact, look at Jesus telling us to take heed. Mark 4:24. Now observe these different things he say should take heed of. Mark 4:24. And he said unto them, take heed what you hear. Take heed what you hear. Be careful about how you hear. Notice all the caution in scripture. Take it how you hear. For with what measure you meet, it shall be met unto you. And unto you that year shall more be given. For he that had to him shall be given. And he that had not from him shall be taken even that which he had. Take heed how you hear. Take heed how you hear. How you hear? How you year? Hallelujah. Mark chapter Matthew chapter 6. Mark Matthew chapter 6. Matthew chapter 6. Matthew chapter 6 verse 31. It says, "Therefore take no thought, saying, what shall we eat? What shall we drink? We wherewith shall we be clothed?" The same thing again in verse 34.

Take therefore no thought for tomorrow. Take therefore no thought. The thoughts. The thoughts because the thoughts are very important. what you think. Take no thought. Be careful how you think. How I think. How I exercise my mind. So how I think is very important. How I think is very important. How I use information, how I take information is very important. Why? Because man is a product of influence. Amen. Man is a product of influence. Our choices can be shaped by five sources. Number one, yourself. Uh let's put it this way, good human beings of plus yourself because you you can shape your thoughts. You can you can influence your own actions yourself that oh I'm going to do this. I'm going to do this. So good human beings can influence one another. Bad human beings. So good human beings, good human images, bad human images. 1 Corinthians 15:33, evil communication corrupt good manners being or deceive evil communication corrupt good manners. Man is a product of influence. Thirdly, evil divine images. evil, evil divine images, which you say evil supernatural beings, evil supernatural beings, which is why you must take it how you think. In John 13:22, then the disciples look one to another, doubting of whom he spake. Now there was lean on Jesus bon one of the disciples whom Jesus loved, Simon Peter, therefore beckon to him that he should ask who he should be of whom he spake. He then lying on Jesus's breast said unto him, Lord, who is it? And Jesus answered, "He it is to whom I shall give a kiss when I have dipped." And when he had dipped the soap, he gave it to Judas's scar, the son of Simon. And after the supper, Satan entered into him. So what Judas did was under Now you know this is from the supernatural angle that we are seeing it. But to Judas, it was with his clear head, but it was devil. All right? This is uh John 13:27. It was the devil that influenced him. The same way in 1 Chronicles 21 where David numbered Israel, it was Satan. Chronicles use Satan, Satan stirred up. So there are many actions. Why have Satan filled your heart to lie? Book of Acts. Acts 5:3 and Peter said unto Ananias, why has Satan filled thy heart to lie to the Holy Ghost and to keep back part of the price of the land? Acts 5:3. So, it was Satan. But it looked like it was not Satan. They have both decided what we are going to do. But it was Satan. So, evil divine images, evil supernatural beings. Then good supernatural beings can also influence Good supernatural beings can also influence. Good supernatural beings can also what? Influence. We saw that with Mary her choice. We saw that with Joseph say take don't be afraid. Take take the woman to being warned in the same thing with the wise men. good supernatural beings influence the action because they were going to go back to tell Herod being warned in a dream. In fact, Philip joining the uh the angel told him to join himself to that chariot that's influencing his action. He was not who goes into the wilderness. So he was influenced. There are so many actions the same way why Peter thought on these things. The angel spoke to Cornelius. I mean you see the whole angel part good angels have always influenced people's actions all right the same way they told Gideon told uh Manuel Samson's parents I mean good angels and lastly God himself which is the most important our choices are influenced God influences our choices too where he tells us what to do. Why Peter was thinking on this thing? He said, "The spirit made me go." There's a book

written by one of the old-timers. The spirit bade me go. The spirit bade me go. Acts 11:12. Why Peter taught on these things. The spirit so the spirit of God bade him go. The holy spirit cannot just we can in fact it is not in man. There are a lot of emphasis about divine direction and we've taught that over the years. So we can be led by the spirit of God. We can be led by the spirit of God. Amen. We can be led by the spirit of God in different matters. So God directs us, helps us. That's Jeremiah 10:23. Oh Lord, I know that the way of man is not in himself. It is not a man that walketh to direct his steps. So God obviously can influence us himself. Amen. So God can influence us. Good angels can influence us. Bad angels can influence which are devils or demons. Good human beings plus yourself can influence you and bad people can influence you. Never underestimate that. Never what? Never underestimate that. Let me read the text for you and see how Satan can rile up people. Satan can ri up people. The book of Acts. Just uh quickly read that text. Acts 21. Acts 23:21. Sorry. Acts 23:21. Just to give a bit of context, this is where people were plotting to kill Paul. So let's start from verse 12 so that you can get the story for those who it may appear like this their first time reading it. And when it was they setting up the Jews banded together and bound themselves under a curse saying that they would neither eat nor drink till they have killed Paul. They they bind themselves under a curse and said they will not eat or drink until they kill Paul because Paul was put in Jerusalem. You know the whole story start from verse one and it starts from Acts 20 downward. You see the whole story and he Paul himself knew he had to go to Jerusalem. So the Lord did not tell him not to go to Jerusalem but he said I go bound his feet to Jerusalem. So he knew he had to the witness was telling him to go to Jerusalem because the persecution no persecution. God wanted him to still preach the gospel there. However, he knew something was going to happen but God not him not to go. Even Agabos a more skillful prophet. The other disciples there which I wrote in my book on simplicity of the prophetic were doing what not send them. They now interpreted they knew something was going to happen. So they told Paul and the Bible say they by the spirit they told Paul not to go. Who said that was not what God was saying but just say that something is going to everybody knew even Paul knew something was going to happen but he did not know the detail. Agamos came and say burns and affliction. So he now mentioned the detail that they have not been able to get. Yeah. So they got that and he said he didn't say don't go. He said this is what will happen to the man. That's mature prophetic. Didn't say don't go. The other ones said don't go. The other one said don't go. But he said, "Why are you breaking my heart? I I know I'm supposed to go. I go bound in the spirit of Jerusalem." So he knew he had to go. That's the inward witness. Always follow the inward witness. That nudge that I know that I know that I know that I know that what I know. Know that I know that. I know that. I know. It's always in everyone. It's how God leads us. It's the primary way. In fact, he leads us today by that inward witness. You just know that. You know that. You know that. You know that. What you know, know that you know. Follow it. That nudge within you. And so he went and this is that story now he's there preaching and they have come to arrest him and in fact uh

according to Agabos prophecy though it didn't happen letter by letter because our actions so the gentile rescued him from the Jews that want to kill him the soldier so but there was a rescuing this we take him from this so that detail because there were too many choices so Agabos what he saw somebody asked me years ago and I wrote it in that same book. Is that wrong? No. It is is it that it was a wrong word? No. The details are that he will be handed by one person another person and the Jew and the Gentiles were both there. So the that is not what is needed for accuracy. That is accurate. That's how you judge prophetic revelations because the choices anybody could have handed him to over to so because that what Agabos saw was the normal order it was supposed to be but thank God that centurion rescued Paul. If not they would have daggered Paul if the soldier did not rescue Paul from his fellow brother's hand. So when they had rescued Paul and verse 10, and when they arose a great dissension, the chief captain, fearing less Paul should be pulled in pieces of them, commanded the soldiers to go down and take him by force from among them and to bring him into the castle. So the gentile soldiers, they rescued Paul because the people were already ready to eat Paul up. And that night following, the Lord stood by him and said, "Be of good cheer." You see why forces is needed. Be of good Paul. For as thou has testified of me in Jerusalem, so must thou bear witness also at room. So you're not going to die here. You're not going to die. And he had not gotten that revelation since. But in that same means he's hearing be of good cheer Paul for. So that this kind of I've told you the cing in the vision is the utterance always learn that the cing in the vision is not I saw I saw some people glorify I saw I saw I saw I saw I what does it mean that's how again you know people that are not mature the cing in a vision is not what you see it's what you hear what does that mean what did you hear from that vision because that's why we inter we don't interpret the sight we interpret the the orances because with God's word because you you heard something you can see anything is the meaning you are giving to it so that meaning is utterance what was that meaning given to it so the court thing in a vision is the utterance that's why he heard in a vision anas acts chapter 9 anas heard in a vision you see that's a mistake is that he saw in a vision no that's already obvious you see in a vision he's trying to show you the principle of engaging a vision, how you prolong or shorten a vision. So this thing came from Paul's I can tell you how Paul had this vision while he was thinking about so I'm here now so this is how I'm going to die and he just prayed in the Holy Ghost that vision popped up before him and interacted with it. That's why they didn't have to put it in a very supernatural way that why Paul was in the prison. Oh, bright light. No, no, it was not that kind of encounter because this is not an encounter type. This is just a vision. It's not that something the Lord wants. It's not why is the bush bunny and is not consumed. It's not that type cuz this is in his relationship with the Lord which you have had but you didn't think it was important where things pop up like that. You see something you don't get. What does this mean? What does this mean? I in fact yesterday we're going out somewhere. I just saw that we got there and we didn't have the key. So we're still in the street. I just said let's re do you have they said no I forgot the key.

We reverse back. I just just flashed that ah the key. I say you would have driven long distance say h dreaming to return back again. Ah ah no no no. Let's just quickly do it now cuz I saw it just flash somebody else was getting the same are we maybe out of curiosity maybe just as I hope we have this but I don't take coincidence I don't I never believe in co that somebody else also was having that same feeling me I talk my own I don't they keep things so that's again how people learn maturity so I quickly everything's a teachable moment when you are with your pastor so I use it to explain to the person should have said it. Don't keep it in your heart. When things come to you like that and you are not the one going after it, it's always supernatural. I've learned that I'm going somewhere and I just it just comes to me like that. Hey, don't go out. I don't go I don't go. Just come to me. Leave your car. Go by another means. You see, you never can tell the day people are planning evil against you. But by the spirit, you know, you know, I've I've said it even in days where they are protesting. I've never been in those kind of places where I'm just held up. Remember them where they were going to I didn't just show up that day. I just woke up and I just knew not to. Then that was the day they were throwing stone that broke glass bank glasses opposite my office and I see pastors just seem to be lucky. Not luck. You know, you not the lucky two. No, I do. I function more than luck. There's something I use is greater than it. We're going to make purchase for a property. We just made purchase in was that 10 minutes but that's 10 not up to 10 15 minutes not even up to 10 somebody else had come that was ready in less than 2 minutes somebody else was present that wanted to pay and would have paid a higher amount and I went out the day I'm not supposed to go out that day I'm supposed to be tired and sleep I said no let's just go and see that place now if not life is just like that you say no it's locked No, follow those nudge. I've learned even in and by every means that was against my order. I shouldn't go out. I should be tired. I should rest. But no, no, no. Let's go. Let's go. So wisdom covers for I said since then I should not just drive. Somebody else should drive since I'm say being wise. So because it's the exhaustion that I'm tired. Okay, somebody else can just go and come back. But glory be to God. that I yielded to those things. Amen. I've been walking down the road and I just said, "Stop. Stay back." And a big stone. I will not be alive today. That stone was so big is bigger than this uh is bigger than this Bible opened like this that somebody threw from the next compound. Who throws big stone like that? Is it that you don't? And is people pass that back now? It's not like I was rubbing my back on the fence as I'm walking. So he didn't even drop it by the side of the fence. He just throw uh not be in my head. Yeah. That's why you say those things. You are giving there are things say ah it just look like his own case is just different. Be led by the spirit of God. Follow all those n don't go here. Do it like this. Observe this. I follow everything. I follow everything. was the time uh brother Mavis took us on that road. That was the day I stopped taking that road. Then they now had to go and reverse back because they have blocked the road. I no no no no no man life is and I just unnecessary not pastor had showed me a new road. So that he showed me the new road the day before. The next day I took that road and that was the day they blocked the road

that we were taking corner road but I didn't I didn't see it. He say it just look different for him. Things always look different for me. I was telling my wife that we're going to take another road. Then brother Joshua called me to tell me that there's something happen. Let's take another road. This I was just saying I would not like to follow this road. See there's something about just being led by the seem like accident happens on one side not they ever catch [Laughter] me I wish that can it can we can be intentional we living like that just follow every nudge follow every nudge I feel like leaving the house and taking uh uh I don't have to lick why do I feel like just put it there you'll just see the need later there's that there's one there's that one movie I saw something a concept like that. I can't remember the name now. Does one of these kind It's all has to be an action movie. I don't do I need you to survive movies. I want I don't I just need to know that it's action fiction. Let's get out of there. It's like an assassin kind of movie where we look like they could predict some things ahead and just take see we have something greater than all of that reality. You can tell. So I may need I think in that movie the person needed an inhaler just he didn't know why he just took the inhaler later he had need for it all not that he himself but somebody else everything join that reality that they try to act in all those movies that look super and beyond it's normal with the believer when we stay in our element that's what we're talking about to so that you learn how to live like that learn how to live like that learn how to live like that learn how to live like that. Learn how to engage people like that. Always follow that nudge this afternoon or something. And I just kept that notch that brother should not drive with that car even if the paper cuz just I could not place my so I will just drive myself and go and see what they are doing and bring my wife back. I don't want because they just why am I getting that consistent flash that I can't place my hand around this and not use my life and psych experiment what if what if not everything must be dead or but I don't want to it's better to not experience it than to experience it and I say ah hey let's learn those things hallelujah Yeah, let's learn those things. Let's learn those things. So that's what is happening here. Acts 23. So he says, "Be of good cheer, Paul, for as thou hast testified of me in Jerusalem and must thou you must bear witness also at Rome. And when it was day, so the daytime day, setting of the Jews, banded themselves together, bound themselves under a course, saying that they will neither eat nor drink till they have killed Paul. You know how people b a c. Now all of them came together and said, "Hey, let this and this happen to us. We will not kill that guy. We must he must buy. He must die." You know, put it in today's phrasing. You understand? That's exactly what you agree. You agree, but you see that it was they were powered by the devil and they were more than 40. Once you see a common thinking that is against the normal order, a spirit is involved. Every time you see a thinking that is against the norm, a spirit is involved. That's why I could never join. Uh I I I love the whole fight against police brutality. I have helped many persons out of police brutality and we pray and want the police uh uh to be reformed. But you see once something done they uh in in infringe on other human rights. I mean that was so terrible. I remember my wife was pregnant in that season. I couldn't even take her to the hospital.

We have to pass corner corner corner corner corner corner road and be trusting God that very wicked people who block the front that leads to a hospital. But that's how you know they are not human. They are not being not because you are fighting for police brutality. You don't come around call places where people will need to assess. People need to access hospitals. You don't block road to hospitals now. Don't block into places that life matter. No, we will speak up. We will speak up. Everybody that they suffer these things. It's not everybody. It's you who dress well, who of course it is not good what they do. But it's not really everybody that suffers it. Let's be be frank about it. Of course, people who behave well have also suffered. And that's the reason why we must never take side with oppression, take side with brutality. But not everybody obviously suffer those suffer and now your brother will suffer it. That's not the reason why we do good. It's not because our brother will suffer it. It's because the team itself is wrong. Police brutality is wrong. You can speak against that. I'm talking about now I mean during that NSA protest I see how it was hijacked for you know nobody could go out anywhere again stealing in shop. How is that one police brutality now but people can't I don't know how people can't predict things like that. You should be able to predict things like that because you can see that this thing is no longer natural. Now a spirit is involved. When you start seeing people say ah we're going to ah we're going to kill them. Hey we're goingh. No no no no no. Back away. Drop your placard. leave them. We were protect which is your fundamental human right to speak against what you don't like but it's not your fundamental human right to destroy somebody's property. No, don't don't go beyond exercise your human right to the limits you can but don't infringe other person's own you that's being normal a good citizen you have every right to speak against what you don't like in society on any platform as much as it is civil it is not what they will bring uh uh litigations against you over do it in all the normal sane way fight for all the things you want to fight for good and fine time. But you see once you start seeing that common thinking, that common thinking that is looking against order, oh r God is for order. Anything that is not for order is either is evil or is of the devil. You should that should be your discernment, your cue to know something wrong here. So they bound themselves. You must have easy ways of spotting things that are chaos. So the same way I'm talking to somebody and the person told me that um the Lord is telling me that I should be very careful about this whole honor thing because there's human worship. I know I just laughing. I know the Lord. He's the one that we used to rebuke. He's the one that the person the devil is that person's lord. Which lord is that one? Our Lord is already outside Bible. The Lord is giving you admonitions about you must be very careful about honor. God never teach us to be careful with the foot of the spirit. Dummy, we don't get careful with foot of the spirit. God told you to be careful with horn. I don't really need to listen to the next statement say no. It's just the way I'm putting it. Anyhow you are putting it is wrong. There's never a time that anything of the spirit will be wrong. Any good conduct is never wrong. There never a time that any good conduct will ever be wrong. That will not God is telling me to be careful of self-control. Uh that is because I'm too I too much have self-control.

That's why nonsense is happening to me. How does that sound? God is telling me that this is my patience. You are too patient self. That's why people are riding over you. That's not why people are riding over you. You are not sagacious. You are not wise. You don't have street sense. That's why I use that big word. It's not big word. Must have street sense. Must be shrewd. sagacious those big big English that we don't like but those are proper words for wisdom that covers those expression now it's not patience that was your problem nothing is wrong with patience say because you are a forgiving person that's why it's not because you are a forgiving there's not don't find fault with the right things nothing is wrong with forgiveness because you are a forgiving person say because you are generous person no nothing is wrong with generosity speak against don't fight what is of the spirit say because you are a kind person There's nothing wrong with kindness. Don't regret good things. It's not evil that overcomes good. It's good that overcomes evil. Amen. Those are basic rules of discernment. And you can tell that once this is going against the normal order. I know that this is either an a wrong influence, the devil, bad images, but this is not God. This is not good images, good human beings. This is not the Holy Spirit and this is not good supernatural beings. Nah, that is influencing this action. Be able to tell. That's what we are talking about about being wise and strong with his power. Be able to tell that this is not from God. No, this is not from God. There were about 40 which made this conspiracy who swore together and they came to the chief priests and elders and said we have they were not even they they said body we have bound ourself under a great cause we will eat nothing until we have slain Paul. Now therefore ye with the council signify to the chief captain that to bring him down unto you tomorrow as though you would enquire something more perfectly concerning him we orever he come near are ready to kill him. So you see there was a strategy that once you are bringing down to come and hear the matter now they will take him and when Paul's sister's son heard of they lying in weight see good person a good person he went and enter into the castle and told Paul what did he tell Paul then Paul called one of the centurions unto him and said bring this young unto to the chief captain for he had something to tell him and he took him and brought him to the chief captain and said Paul the prisoner called me unto him and prayed me to bring this young man onto thee who had something to say unto the is he being wise telling Paul will not solve the issue because Paul is going to be brought by that chief captain out so when Paul's sister son told Paul you see this is you don't need to listen my son we must be wise must be wise with God has already told him. Remember God had already told him before that he will surely be brought to him. But they see see that people are still trying to kill him. Everything join you have to. So it was God. You can now tell that it was God that made somebody to hear if nobody was now present who could have heard. God would have told Paul by himself. But it would have lacked credibility for it would have lacked credibility if he had just called the chief cafe and said the Lord is revealing something to me about that they complying. Huh? Who are you? Who your lord? But now somebody else that is being used so it will make sense. I mean don't always determine how God will set you free, how

things will work. Say it must can God just reveal to me? No. There's somebody else that somebody else was needed in that matter. And the chief captain took him by the hand and went aside. I'm in Acts 23. We are in verse 19. What is it that thou has to tell me? And he said, the Jews have agreed to and desired thee that thou would bring down Paul to move unto the council as though he would inquire somewhat of him more perfectly. But do do not thou yield unto them. For there lie in wait for him of them more than 40 men which have bound themselves with an oath that they will neither eat nor drink till they have killed him. And now are they ready looking for a promise from thee? And the chief captain then let the young man depart and charge him. See thou tell no man. You see the common sense again. Say no. We know the powers that we have. The Lord is watching over me. Haha. On Twitter, pom pom pom pom. Apostle Paul may go through storms, but he will always survive. Anything they plan against him, they will not be able to kill him. He's in the night. They will kill him. Must know the place of discretion. All right. Say, but the Lord is working with me. He's really working with you. And so the chief captain then let the young man depart and charge him. See thou tell no man that thou hast showed this to me? And he called unto him two centurions, saying, make ready 200 soldiers to go to Cesaria and and horsemen the score and 10 and spearmen 200 at the third hour of the night and provide them beast that they may set Paul on and bring him onto Felix the governor. Are you see God used that chief captain for Paul and he didn't have to be born again? He just had to be a man that is for righteousness, for doing things right. Use. Look how many persons God have used. But is he not a supernatural story? Yes. But did not remove the place of the natural. Let's stop this. And I'm an advocate of being the best of two words. I'm an advocate and I will always be because I've seen how many believers make a mockery of the things of the spirit. The same thing just like we're having that conversation yesterday. There are so many person who say I'm for sound doctrine but no supernatural. Why do we always have to do one this versus this? Your doctrine is sound but you don't believe in power. How come? Because and it's so common to see people that's how doctrine is not sound. Me I know I just need to now because you see you can do nothing against the truth but for the truth. That's already obvious that something is wrong. How can sound doctrine be against something that is of sound doctrine. So we not see that something that's not how we determine things. You see those people that bound themsel and said they will not eat or drink? Were they being influenced? Could it have been God influencing those people to bind with an O to kill Paul? Thank you. All right. So that vow to kill Paul that's supernatural. That's how much people can be influenced. So I told you life is like a force of wind. Unseen forces can guide us to where we need to go. So just like wind can move us forward that's the same way unseen forces can guide us to where we need to go or can seek to stop us from going where we need to go and we cannot remove that place it's just there quietly they don't have to always say now this is something supernatural that is about to happen here but you just read it between the lines let's look at Esther's story a bit let's look at Esther's story a Esther chapter 4 let's even start from verse one chapter one of uh

the Esther story uh after Vashi is being removed as queen. Of course, this is just a Cana King of course just uh a Cana setup but ultimately it will yield to something so to yield to something meaningful because who gets angry with his wife that his wife does not do what that king wanted his wife to do. So that's canality. However, kings of those days act weird because they get to pick as much wives as they do because he didn't obey the order of the king Aaseros. So the background of the story starts from chapter one. Are you with me? So we now have chapter two which is just trying to give the story. The king is searching for a new queen. Look at 2 verse one. After these things, when the wrath of King Ahazeros had been appeased, he remembered Vashy and what she had done and what was decreed against her. Then said the king's servant that ministered unto him, "Let there be a fair young virgin sought for the king. And let the king appoint officers in all the provinces of his kingdom, that they may gather together all the fair young virgins, young unmarried women." And that's the use of the word virgin there onto Shusha and the pal because that's the normal way you're supposed to marry. Are you getting it? So that's the context of what he's speaking of. Does not mean that the people you have preached to now that were something else before they got saved are now useless. That's very ungodly way of reading the Bible. Don't read the Bible with lenses of condemnation. It's not fair. It's not proper. It's not even how to read. and let the maiden which pleased the king be queen instead of vashi and the thing pleased the king and he did so verse four verse five now in shush and the palace there was a certain Jew whose name was modakiah modakiah the son of j the son of she giving you a background the son of kish a benjamite are you seeing has taken you back to the certain lineage who had been carried away from Jerusalem with the captivity which had been carried away with Jeconiah king of Judah whom Nebuchadnezzar the king of Babylon had carried away and he brought up Hadasa that is Esther his uncle's daughter for she had neither father nor mother. So she was orphan and the maid was fair and beautiful whom Micaiah when her father and mother were dead took for his own daughter. And it came to pass when the king's command and his decree was heard and when many maids were gathered together into Shushan the palace to the custody of Hagi that Esther was brought also into the king's house to the custody of Hagi keeper of the women and the maiden pleased him and the maiden pleased him and she obtained kindness. Is this supernatural? Are you seeing it? of all the many persons you now watch and see how wisdom and the supernatural is all coming together. It's the same thing Joseph will do. He before he will appear before Pharaoh. He's a dream interpreter. He can interpret dream. He shaved. He cannot meet the king like that. The king will not have listened to him. He say but God had put supernatural things in his mouth. He was going to just interpret that dream. Everything just no man. No sir. Don't remove if God want me to get a job, I'll get a job. I don't need to write any proposal. I don't need to write any CV. I don't need to know anybody. Yahweh is my connector. Divine connection. Amen. Divine. The same thing with Jesus is my Buddha. Some songs reflect illiteracy, but it's okay. Not okay to sing it. It's okay

for them. want to bese God too. So the maiden pleased him and obtained kindness of him and he speedily gave her her things for purification with such things as belonged to her and seven maidens which were meant to be given her out of the king's house and he preferred her and her maids unto the best place of the house of the women. Esther had not showed her people nor her kindred for me charged her that she should not show. So she didn't reflect that she was a Jew. All right? But that would have meant she would they would have say ah you an Israelite. Ah no we can't trust you. We may be a spy. You may be this. You may be that. And walked every day before the court of the women's house to know how Esther did and what should become of her. And when every maid turn was come to go into King Ahazeros, after that she had been 12 months according to the manner of the women for so were the days of their purification accomplished to which six months with oil of my six months with sweet odor. So you must send the best to then toss came every m I told you it's just canality Abby but you'll see how this canality that you think why should God be involved in all this whole canalist story will now later be used to preserve life where some actions not every uh sinful not every sinful thing is caner but not every kind of thing is sinful like Food is kind of is natural is of the flesh. So not every kind of thing is sinful. The clothes you are wearing are so understand that this is just a king's desire to have another wife and all of that. Then thus came every maiden unto the king whosoever she desired was given her to go with her out of the house of the woman unto the king's house. In the evening she went and tomorrow she returned unto the second house of the women to the custody of Shagas the king chamberlain which kept the concubine. She came in unto the king no more said the king delighted in her and that she were called by name. Now when the son of Esther the daughter of Abihel Abbe the uncle of Modiah who had taken her for his daughter was come to go in unto the king. She required nothing but what he the king Shabalene the keeper of the women appointed. Are you seeing the wisdom? Because that person should know the king. No, no. I know what your other women were doing. I know my beauty routine. I know my style. I know my this. I know my this person that knows the king say, "Do it like this. Do it like this." She followed it to the letter. But what he the king's traveling the keeper of the women appointed and Esther obtained favor in the sight of all them that looked upon her. This this you can also see the place of this in the natural too. So Esther was taken unto king Aasseros into his house Roya in the 10th month which is the month Tet in the seventh year of his reign. And the king loved Esther above all the women and she obtained grace and favor in his sight more than all the unmarried women the virgin so that he set the royal crown upon her head and made her queen instead of vashi. King made a great feast. So notice that she heeded to what that he was telling her. All right? So not just that, oh she's finding favor, finding favor. Now see that it is the Lord that causes us to find such favor. Psalm 31 verse 21. These are Psalms of David. Psalm 31 and verse 21. Blessed be the Lord for he has shown me his marvelous kindness in a strong city. Was that a strong city? Was I in a that was a strong city but it was she was still finding kindness. Abby finding kindness in the eye of people. For thou Lord will bless the

righteous. Psalm 5:12. With favor will thou compass him as with a shield. With favor will thou compass him as with a shield. Psalm 30:7. So these are things that uh they knew. Psalm 30:7 in my 6 into 7 in my prosperity shall I never be moved. That word prosperity there is what? In my security which is the context of the ease the salvation. Lord by thy favor thou has made my mountain to stand strong. Lord by thy favor thou has made my mountain to stand strong. You have by favor made me a mountain unmovable. That's what he's saying. So in your good favor you have made me so secure, unmovable. In your good favor you have secured me in good favor. That is what we believe. Hallelujah. Amen. So this kind of favor, this kind of favor. Now Esther chapter 4. Now this was the mod the Hmon part that have set gallows. So Esther will have the courage to take a big risk to meet the king when it was not the time to meet the king. Verse 11. All the king's servant and the people of the king's provinces do know that whosoever whether man or woman shall come unto the king into the inner court who is not called. There is one law of his to put him to death except such to whom the king shall hold out the golden scepter that he may you know this is not how proper kings should behave. This is a bad way of being a king. Remember Jesus said the kings of this world exercise dominion the wrong way. This is not how a man ex this is not how to actually exercise dominion proper rulership. This is how unbelievers exercise authority and dominion. All right. So just setting crazy laws except such to whom the king shall hold out the golden scepter that he may leave. But I have not been called to come in unto the king these 30 days. And he told to Modiah Esther what? Then Modiah commanded to answer Esther. Think not with thyself that thou shall escape in the king's house more than all the Jews. Because now remember you are a Jew. When he finds out you're also a Jew, he will kill you too if he's really going to kill all the Jews. For if thou altogether holdest thy peace at this time, then shall their enlargement and deliverance arise to the Jews from another place. But thou and thy father's house shall be destroyed. And who knoweth whether thou had come to the kingdom for such a time as this? Then Esther b them, return Modiah this answer. Go gather together all the Jews that are present in Shushan, and fast ye for me, neither eat nor drink this three days, night or day. I also and my maidens will fast likewise, and so will I go in unto the king, which is not according to the law. And if I perish, I perish. So the Miah went his way and did according to all that Esther had commanded him. Did you see that? Chapter 5. Now it came to pass on the third day that Esther put on her royal par and stood in the inner court of the king's house over against the king's house. And the king sat upon his royal throne in the royal house over against the gate of the house. And it was so when the king saw Esther the queen standing in the court that she obtained favor in his sight. And the king held out to Esther the golden scepter that was in his hand. So Esther drew near and touched the top of the scepter. So it happened the proper way. So because that two options if you enter wrongly you can be killed if the king does not ru that way accept. So they pray to guarantee that result. Did it work? Okay. Then said the king unto her, what will thou Queen Esther, what is thy request? And it shall be given thee to the half of the kingdom. That was not in the bargain. It was just

that I should meet this man and be able to talk to this man when it's not the time to enter into the king's court. But you see how favor is working. All right. And Esther answered, "If it seem good unto the king, let the king and Hmon come this day." Don't just say s Thank you my king. Thank you my love. Thank you my darling. Thank you my king. A man should die. A man should die. That has been his trusted advice. They don't just say things like that. So you could see she even understood the place of diplomacy. Don't just say hey man or a man say hey a man should come for a feast. Let's eat together. The a man that we are planning for that we already know his plan against this. So and the king said cause Hmon to make his that he may do as Esther has said. So what did Esther say? In verse four, if he seem unto the king, let the king and Hmon come this day unto the banquet that I have prepared. Then the king said, "Cause Hmon to make his that he may do as Esther has said." So the king and Hmon came to the banquet that Esther had prepared. And the king said unto Esther at the banquet of wine, "What is thy petition and shall be granted thee? And what is thy request even to the half of my kingdom it shall be performed?" Then answer this and said my petition and my request is if I have found favors again court is boiling now I instruct you if I have found favor politeness courtly having already found favor why you have to dance around he's not dancing around if I have found favor in thy sight of the king And if he please the king to grant my petition and to perform my request, let the king and man come to the banquet that I shall prepare for them and I will do tomorrow as the king had said. So prolong the matter be you see she's using her femininity using sweetness persuasion using everything. Why not just say that was not part of but you could tell that this may have been what she got in her heart as the best weight and it worked because hey man is the king's advisor and say somebody that is like the king's right hand man just come and say kill him or kill him kill him say where did this woman come from let's investigate our past a man will speak up too and said I've been I've been suspecting her for some time too my king you know these women you don't need to trust then finish. Aha. All those kind of lines will just be dropping. Then went Hmon fought that day joyful and with great and with a glad heart. And when Hmon saw Modiah in the king's gate that he stood not up nor move for him, he was full of the nation against Modiah. Nevertheless, Hmon refrained himself. And when he went home, he sent and called for his friends and Zer his wife. And Hmon told them of the glory of his riches and the multitude of his children and all the things we have foroted him. Hmon said, "Mover Esther the queen did not did let no man come in with the king onto the banquet that she had prepared, but myself and tomorrow am I invited also." So he was bragging like it's only me and the king. Nobody else is there now. So you go take that too. Yet all this athlet mean nothing so long as I see Modiah the Jew sitting at the king's gate. Then said Zerich his wife and all his friends, "Let a gallow be made of 50 cubit high, and tomorrow speak thou unto the king, that Modiah may be hanged there on." Then go thou in merrily with the king unto the banquet, and the thing pleased him. And he caused the gallow to be made. That's the same gallow that we he prepared how he would die on that night. could not the king sleep and commanded to bring the book

of records of the chronicles. That same night see is coincidence. No, it's not coincidence. So that same night the king could not sleep and he commanded to bring the book of records of the chronicles and they were read before the king and it was found written that Modiah had told of Bana and Terish two of the king's chamberlings the keeper of the door who sought to lay hands on king Ahazeros and the king said what honor and dignity had be done to Modiah for this then said the king's servant that minister said unto him there is nothing done for him and the king said who is in the court. Now Hmon was come unto the outer court of the king's house to speak unto the king to hang Modiah of the gallows that he had prepared for him. And the king's servant said unto him, Behold, Hmon stands in the court. And the king said, Let him come in. So Hmon came, and the king said unto him, What shall be done unto the man whom the king delight to honor? Now Hmon thought in his heart to whom the king delight to do honor more than to himself. And a man answered the king for the man whom the king to honor let a royal par even royal paring himself. And the king said to him and make haste take the parare and the horse as thou has said do even so to Modiah the person that he is planning to kill. God has shown me great kindness in a strong city. God has shown me great kindness. The same person is the one. Let nothing fail of all that thou has spoken. Then took Hmon the par and the horse and is the same person that dressed Modiah and brought him on the horse back through the street and proclaimed before him touch shall be done unto the man whom the king died to honor. And Modiah came onto the king's gate. But Aman hastened to his house mourning and having his head covered. Now this is the story is just beginning. And a man told Zer, his wife, all his friends, everything has befallen him. Then said his wise men, these wise men, I I I I hope you know these are not wise men because for months they conjured for when the stars were aligned, when is the proper time that we can kill the Israelites. It was that same season. You will see the stories will not you go back and read chapter 2, chapter 3, chapter four before this chapter 4 that we started. You'll see that they had been plotting when is the best time when does the stars align when will everything work for our favor? It will just look like pom pom pom and the Israelites have been killed. this Hmon because this man is from the descendant of Aag. Saul that uh evil king that when Saul left some portions of things that Samuel said to obey and sacrifice is from that lineage. This Hmon all right from that lineage. And while they were talking with him, sorry, verse 13, look at that story. And Hmon told these wise men and Zerich his wife. Then said his wise men and Zerich his wife unto him. If Modiah be of the seed of the Jews before whom thou has begun to fall, thou shall not prevail against him. Oh, but thou shall surely fall before him. That means is dying on them small. He say if that man is really a Jew, if he's really of the seed of those people, the way things used to work for them, this f go long, things are going to be bad for us. And while they were yet talking with him, came the king traveling and hastened to bring Hmon to the banquet that Es prepared because remember I saw something else. Hmon was trying to quickly block the king to now the banquet had reached and the king and Hmon came to the banquet and Esther the queen and the king said unto Esther on the

second day at the banquet what is thy petition queen Esther and it shall be granted thee and what is the request and it shall be performed even to the half of the kingdom and Esther the queen answered and said if I have found favor in thy side oh king and if it please the king let my life be given me at my petition and my people at my request For we are sold, I am my people, to be destroyed, to be slain and to perish or proper words. So that the effect will be there to be destroyed to be slain and to perish. If we have and we had been sown not just the Israelites or the Israelites, no my people. So let the king commit first and say, "Oh, your people shall be spared." You say he's Israelites can't a king do not take back his what? Understand that place of diplomacy and say I'm supernatural. I think by the spirit not remove the place of doing things properly. That's why you should know how things work normally. So you know this how to say this, this how to go about this. And the king Ahazerus answered and uh and said unto Esther the queen, who is he and where is he that does presume in his heart to do so? Kai and Esther said the adversary and enemy is this wicked Hmon just point hand. Then Hmon was afraid before the king and the queen and the king arising from the banquet of wine his robe went into the palace garden. And you see that the thing was a heart thing immediately went out and a man stood up for to make request for his life to Esther the queen and you know the way he's making request like trying to hold her leg everything joined for he saw that there was evil determined against him by the king cuz the king went out like you know that kind of kai kai kai kai kai What's and the king returned out of the palace garden onto the place of the banquet of wine and Hmon was falling upon the bed not trying to rape her. No, you know there was the way the banquet is set up there will be those cutting like then they will be eating. So so she had maybe of she went to go sit down on the bed. Baba followed where Esther was. Then said the king, will he force the queen also before me in the house? As the word went out of the king's mouth, they covered him face. He not let the word say ah this is best with languages. Say you have the way they say abomination as before he finish the abomination language just bind him and they carry the go know unto the king behold also the gallows 50 cubit high which man had made from the Modiah who has spoken good for the king stands in the house of Hmon and the king said hang him give there. Hang him there. Hang him there. So they hang him on the gallows. Then was a king robe pacified. Oh boy. What a story. Did you get it? So in chapter three, Hmon was promoted from verse 7 to verse 15. Hmon will plot against the Jewish people. So that's chapter 3 we did not read. See? So it was in that chapter theory that you see that you saw the whole letter. Hallelujah. Things to think about. So it was in chapter two that Modica had thwarted the plot to kill Aaseros the king. So 10 chapters, beautiful read. And you see that beautiful read. Notice how the supernatural and the natural were working together brilliantly. And guess what? That whole book, God is not mentioned once. G O you will not find it any reference that you you'll find G O you won't find one reference that has G O where they reference God but yet God is in view that's how you are intelligence in the king's court Jesus Christ my Lord and Savior let us sack you now be intelligent and yet there's all the God factor must know how to walk in the

king's palace, how to sit among the great. And that's why some Christians never get to get those kind of push, those kind of of of contact. You say, "Oh, for you guys, it's just favor. It's just, oh, it's just favored." No, there's the place of favor. There's also the place of being smart, being intelligent, being wise. Hallelujah. Genesis 41 where Joseph is brought out of the prison. Learning something? from verse 8. And it came to pass in the morning that his spirit was troubled, and he sent and called for all the magicians of Egypt, and all the wise men thereof. And Pharaoh told them his dream, and there was none that could interpret that dream. Then came the chief unto Pharaoh, and said, I do remember my fault this day. So what looked like he forgot Joseph but that day remembered his fault that Pharaoh was wrought with his servants and put me in word in the prison in the captain of the guard's house both me and the chief baker and we dreamed a dream in one night I and he remember the baker is dead though the butter. So we dreamed each man according to interpretation of his dream. And there was with us a young man, an Hebrew servant to the captain of the guard. And we told him and interpreted to us our dream. To each man according to his dream. He did interpret. And it came to pass as he interpreted to us. So it was me he restored unto my office, and him he hanged. Then Pharaoh sent and called Joseph and they brought him hastily out of the dungeon and Joseph shaved himself and changed his raiment and came in unto Pharaoh. They didn't have to tell him that one. You don't see the king anyhow so that you say is this person they cannot amount to much just fine give him two bag of gold let him get out of there that he could have turned like that. You will notice how we also interpreted the dream. And Joseph answered Pharaoh, saying, "It is not in me. God shall give Pharaoh an answer of peace." And Pharaoh said unto Joseph, "In my dream, behold, I stood upon the bank of the river." So John verse 25. And Joseph said unto Pharaoh, the dream of Pharaoh is one. God has showed Pharaoh what he's about to do. See say God has shown favor as if favor is having both of them are having the same God understanding communication because he's going to interpret it and God is God of all you that's why you must have superior have proper doctrinal persuasion God is God of all whatever that person is worshiping is nonsense so you can bring God in because you want to achieve something and you are not lying God because there's God because I'm being brought in for preservation so we should say God. Behold, there come seven years of great plenty throughout. So he explained that dream and for that the dream was double unto Pharaoh twice. It is because the thing is established by God and God will shortly bring it to pass. Now therefore see inter see wisdom. This point was not part of the dream. Verse 33. Now therefore, let Pharaoh look out a man discrete. Did you see it? Discrete. That's the word discerning. Discrete and wise. Why is there a skillful can interpret things? Set him over the land of Egypt. Let Pharaoh do this and let him appoint officers on over the land and take up the fifth part of the land of Egypt into the seven plenteous year. Say ah this wisdom was just downloaded on him. Nah remember Joseph has always excelled in every task given to him in his father's house. He he knew how to take care of the father's things. when he got to Portifer's house, he knew how he

was promoted. He always So, it's that same managerial skill that he brought in here now and knew that this is the best way this can be done. Forces of time and chance are favoring him. But this is by not by coincidence now, but by divine orchestration. and let them that's why we say may the forces of life favor you see he's just preaching so we cannot say amen now your life and your business let favor do this and let him appoint the officers over the land to take up the fifth part of the land and let them gather all the food of those good years that come and lay up corn under the hand of Pharaoh and let them say can I an NBA fan. She he mentioned you say you know something show how skillful you are how you see exe which is the same thing in the natural execution is king. He he said the strategy but does not mean that they know how to carry it out. say all the many wisdom sometimes in the natural when I do some things people say oh you are giving out too much information all that information not the person use there is a skill for using it that's why execution is king in business it's not I have this great idea everybody has great idea what is the execution game so you protect your execution game you protect how you are able to deliver only ministry we don't do that and we say everything because there's no secret there and you protect your execution how you are able to think it through and this is the best way to go about it so he said everything said let them gather all the food of those years that come up and lay up corn under the hand of let them keep the food how are they going to keep it is still missing and that food shall be for store in the land against and this thing was good in the eyes of favor in the eyes of all his servant and favor said unto his servant Can we find? So because of the way the thing is standing the thing is sound standing too wise. Can the king say can we find such a one as this? A man in whom the spirit of God is. And Pharaoh said unto Joseph, for as much as God has showed thee all these, there is none so discrete and wise as thou art. Thou shalt be over my house according unto thy word, and shall gather all my people, and and thou shalt be over my house. And according unto thy word shall all my people be ruled. Only that was not part of what Joseph said. That's how you know that favor was still added to it. Only in thy throne will I be g than thou. What is happening to the king in one night? Just created a new position that does not exist. and just hand over all your power and just say me I'm just here I'm just going to be chilling and relaxing you just be running the whole show prime minister role is born and Pharaoh said unto Joseph see I have said thee over all the land of Egypt and Pharaoh took off his ring from his hand and put it upon Joseph hand and araid him in vesture of fin and put a gold chain about his neck and made him right in the second chariot which he had. And they cried before him, bowed the knee, and he made him ruler over the land of Egypt. And Pharaoh said unto Joseph, I am Pharaoh, and without thee shall no man lift up his hand or foot in all the land of Egypt. And Pharaoh called Joseph name Zap Napani. treasury of the glorious rest and he gave him to wife as you can just say for God's sake just gave him all right let no devil speak all right let no dry gene people There's also next season Abby we come again but my children will not support that club s and he gave him to wife and s the daughter of piperah priest of own and Joseph went out over all so

there's nobody you cannot manage with wisdom Joseph did not argue because if Oh king, oh king, they give me wife. They give me wife. Well, there's nothing with wisdom you can't possess. And the king will not have given him an evil person because if not the king to to the best of the king's say by wisdom a house is built. So if the man is wise, there's no woman can't manage. That was that was that's a lot because he say gave him to be wife. So it was by the king's suggestion and Joseph was 30 years old when he stood before Pharaoh, king of Egypt. Oh boy. So he say, "Oh, it's it's it's it's just favor. It's just this. It's just But you can see the mix again. Can see the mix." Don't remove the place of diligence. Had Joseph not been a diligent person all these years, he would not have known how to be diligent overnight. See that word took him from the prison and put him in the palace. One word from God will take you from the prison and put you in the palace. I came to prophesy to five persons. Touch your neighbor. And you see all of those things they say be diligent. be diligent. There are people I could tell could have risen higher but they refused. They didn't know when to make the adjustment. Lord said to me some years back I have desire to increase you but you are not playing in the right field. You can only get hundreds of thousands. Shift your gaze here because I have desired to pour you out a blessing but you don't have the structure the framing for it and how you currently are going. So twitch it like this. Twitch it like this. And twitch it like this. I'm using KJB language. And I arose with all haste and did as my Lord beed me. See it's just of it's not. Oh it's not. It's not. And begin to do this for people like this. begin to see don't remove the place of being led by the spirit of God. Don't remove the place of be skillful like this since you naturally like again one of those times the Lord said to me because I was praying oh I don't like since you naturally like to give a 110 to anything that you do and you want to always see that things work to the best carry the same approach use it for these kinds of people and I said I only know one person I will cause you to meet many how I began to be uh some of them I serve them some of them I found a way to say I do this for free for you and you'll notice that with me you won't suffer loss say you mean that can you do that all right let me let's get to work I didn't just get to know billionians like that and of three billion that I have close business ties with mean supernatural but there was something that I did something that I did that is ensuring don't remove it to say it's not by all those things just just the word is spoken is spoken and funny enough I like I shared with you guys one time one they don't know that I'm a pastor one now found out I say hey I was watching one video I saw And I was wondering we really even have those videos where we prophesy. I saw you say you are not a man of God. You are a real man of God. Say you are a real one. Oh, you have I you have that's how I say you have I, you have ear, you are a real man of God. No wonder you just say it like this. It will work like this. But at last it was not prophecy. So it was business strategy. Why is it? But he have said it and I needed a way to preach. So I just agreed. But it was business something that I was saying. There's the part where of the supernatural but not the not be one there. But since he highlighted that no finally my opportunity to preach the gospel and oh boy he believed. See there's a place of doing things the right way. It's a

place of doing things the right way. I've been given three million gift from uh and say uh just because of your integrity that you don't want your walls to fall to the ground. You are an amazing person. Just take this just take this. Just take this. Another I can tell you stories upon stories. Just be diligent. say, "Oh, just uh if you ever need this, I'll just be the one to support it. I'll be the one to do this. If you ever need a funding of 1 billion, call me one day. Don't mind the rich is taking from the poor." So sounding like are you did this work for you and the masses? Why do you have this hatred for the rich and you want to be? It's the same thing say don't mind they want to jam you with their car. Have you ever seen what people go through that drive? You see how much some people are very silly they don't used to leave you horn. You will be afraid to horn say if I horn this horn will not be thinking that I'm trying to form that I have car. No it's so that will not jam you. Leave the road. Get out the road. Get out. Get out the road. It's not they will be doing they have car be hating where you are trying to get to. You will not get there. Love where you are going and you will get there. Amen. Chable moment. Recently I was doing some things in a banker that nobody has their account number. uh and I was sitting down and the uh because I've come to the bank more than once in recent times because of certain things that I'm doing and so they had known me and for God's sake I have a presence that shows that I'm doing well in life and I sent n so I mean you can obviously tell that the person is doing well in life so I mean I'm trying to give you the proper story so how you get it so the security people have he me everybody's healing me and they already know that I'm not a boy, a guy. So they already know that this is straight money. This is not so it's clear. So I was in the bank and I was sitting down normally because they will give me such a preference though I do not have such close ties like my main banks that I do things. So I I was sitting and there was an old woman that that was uh standing by my side. I just got up and said she should sit down and I'm a pastor number one. I have influence in society for God's sake. I mean when I came back the customer care person said cuz she was seeing what she was seeing with her computer cuz I had given her you are very humble s like people that are like you sir don't do like that. I said no no no no I I would I would I would stand I can't be sitting and an old woman is standing I was not raised like that say ah hey only for me to come out from the bank and I saw police come were carrying the woman and the woman say thank you my son no thank you my son yeah that's the part of the story I did not mention You can cash out on those things. I always meet people twice. Don't worry. I always meet people twice. I always do. Oh, this is I'm giving you wisdom. There are people like that. I said has you were that brother that time. I said yes. Say oh what an amazing person. If you ever need this you say I just like those kind of stories are more like this. Be a honorable person. Just be a decent human being. Just be a decent human being. Just be a decent human being. I think it hurts nothing to be amazing. be like that. I choose to be like that. I choose to be like that. And she wasn't even dressed so well. So maybe it's her children. Maybe I don't want to think anything. But I didn't do it because I knew any of those [Music] things. Everything join. Hallelujah. Preparation. Do things well. Be honorable. Be godly. All those

things it does not matter. It matters. Treat people with kindness. Treat people with honor. Treat people properly. Amen. Not just in the name of Jesus. Oh, I walk in favor. Oh, I walk in miracles. Oh, I No, no, no, no, no. Add this part also. Now there are many persons here who hate their boss and they want to make progress in that office. And many persons who hate alas not be so we do. Hallelujah. I walk by the spirit of God. I'm led by the spirit of God. Amen. Amen. Lord, by your favor you have made my mountain to stand strong. Stand on your feet. I walk by the favor of God. I live by the favor of God. But that favor will come at a price. That favor will come with certain be wise. Be kind, be compassionate, be not our normal virtues. Those normal virtues have come true for us. have done business with people in the real estate sector and they said oh I'll take 5 million off it that you cared so much that your word will stand what is everything say I've not seen anybody who want to suffer great loss to the so that their word will not fail say no no no no let's just take that money off it I can tell you stories upon stories mindblowing stories Just do the right thing. Be honorable. Be kind. Be patient. All those things that you say is fruit of the spirit not get used. It has use. It has use everywhere in your life. It has use everywhere in your life. In fact, look at how that lady landed a good husband. You say it does not matter. That's why you have landed the one that want to kill you. So it was just watching those why largeness of heart. No. Who gives water to the animal? She fetched also. For man that you don't know. For man that you don't know. You never can tell the moment. Always do the always be that honorable. Always be that kind that do things well. I'm led by the spirit of God because the day the things come is the same thing. Some of you people would have wanted to help you say no I cannot give anybody part ownership of my business. So no I cannot structure my business like this. No I cannot do this like this. No I cannot be led by the spirit of God. Everything say borrow me 20 million. It's not every time that people will borrow. Why not give people you know they think down to and maybe that's what God is telling you but lie. There are times you do that. They are oh those companies that grow with investors that become so big they don't have 12 head they have two start somewhere follow those set it like this know sometimes naturally I even ask some questions how many revenue streams do you have he say two which serious entrepreneur have two revenue streams shouldn't even have five you should not have 10 should have above 10 it may be just man service twitch the service such a way that 10 ways money can come out for me you know you don't need money say no money is the root of all evil money is not the root of which kind of did you you miss your Bible study the love of money which is aaries is the root of all evil not money is not the root of any evil money is even the reason why there's evil not having money is why there's evil so ah no money is good it answers gives you options amen And I'll do things well. I'll be honorable. I'll be honorable. I'll do things well. I'll do things well. I want you to leave this meeting this evening with this consciousness. I know the place of favor. I know the place of God's supernatural help. And many of you have got no supernatural help. And you have lost it by your carelessness, by being rude, by being stubborn. I can be honorable. You never know where you'll meet people. You

never know where you'll meet people. You never know where you'll meet people. Lift your hands and just pray in the Holy Ghost. Go ahead. Just pray in the Holy Ghost. Thank you.
