

to be said will be said. The things that are to be done will be done to the praise and glory of your name. We declare we shall be transformed in this house even receive healings, miracles, direction by the power of your spirit. Amen. God bless you. Have your seats. Unseen forces right. Hallelujah. Romans chapter 15 again and uh you already know where I'm going. Romans 15 and verse 4. For whatsoever things were written at full time. Whatsoever things were written our full time were written for our learning. Our learning. So we are to learn from the scriptures. Whatsoever things were written our full time were written for our learning that we through the patience and the comfort of scriptures might have hope. Whatsoever things were written at full time were written for our learning. So we learn from the scriptures. Amen. The scriptures set the tone for how our lives would look like. In fact, Jesus in Matthew 4:4 and said, "Man shall not live by bread alone, but by what?" Every word that proceeds from the mouth of God. I live by God's word. I function by God's word. I'm alive by God's word. God's word is the constituent of my life. I live by God's word. I live by God's word. So God's word is the food that I eat. God's word is the meal for my life. Meal for my living. God's word is the food that I eat. I'm alive by God's word. I live by God's word. Amen. I live by God's word. Hallelujah. I live by God's word. I'm alive by God's word. Amen. were found and I did eat them and they were the joy and the joy of my soul. The said God's word is food. We eat it, we feed on it, we we we live by God's word. So man was designed to live by God's word. That means if I look at my life and there is a deficiency, it will be a word deficiency. If I'm not strong, it will be because I'm not strong in the word. Hallelujah. Any deficiency in my life will be a word deficiency. If I'm strong in God's word, then I'll be strong in that thing that God's word teaches. Amen. Because God's word is what I live by. God's word is the rule of my life. In fact, the I've told you before the Hebrew word Torah, that is the rule for living. The rule of my life. This is how my life go. This is how I conduct my conduct my affairs. This is the instruction for living. This is my wisdom for living. This is and that's God's word. Hallelujah. And that God's word Hebrews 11 showed us that faith substance of things hoped for, the evidence of things not seen. For by it the elders obtained a good report. It says in verse three, through faith we understand that the walls were framed by the word of God. The periods of time, the cycles of time were framed by the word of God. So that the things which are were not made of the things which do appear. So the is used to explain the unseen world. Amen. And when we get familiar with the scriptures like that that it is a it has a supernatural worldview context, it would help our biblical interpretation. All manner of sermons has been preached from text that has no connotation to those things. No connotations to those things. And people have used it to say all manner of things about all manner of things. Hallelujah. And many of the things that we have taken scientifically recently in Bible school I was using an example of the reap to communicate to them. I saw that video again yesterday. The pastor was passionately that apostle that passionately talking about everything what he does not know. Talking about everything, everything trending. What is not trending? Talking about everything. The man was sleeping. I could see the passion. The only pain that's when you

know sound you see how those things look ridiculous. And I was trying to use it to connect with what he was saying. You already on a wrong premise. You have started on the wrong foot. You are making it worse by the day as you are going deeper into the like wow. Audience are always used to doing wowsing their father and mother of horrible teaching. Wow. Wow. I can understand based on where he's coming from and many persons are coming from that place also in their biblical interpretation but the passion was just too much ignorance should not be that loud I mean the boldness was too much what you think there are no references for this one okay even though worldview conting There's a part that's why for you want to understand woman finish what are we doing here all the things are unnecessary trying to justify I think we want to justify some things with Bible it's unnecessary somebody once asked me show me a Bible verse that God can meet my need I don't need to show you a Bible verse I'm a Christian and I believe God meets my needs so that means there's none going to make your foolishness looks like it is it is on a high level. Am I engaging you? Did I tell you I'm an atheist? I think a believer God can it for God even if there's no scripture that God made in it. I think God can do anything. But it's amazing that you need a Bible verse that show a Christian a needs and Bible. So all those needs that are met there even if we don't want to say the need is is is [Music] uh material. Let's not say the need is material. What about the healing in people's body? Is that not people have different things they need God made? There are some things we should all dignify with a response that's mischievous. first come to ask who are we talking with because these days I ask people when I see some arguments and they have been they not born again then how can I be arguing something with you you don't even know anything about the scripture first thing you have to know the lord Jesus first so I'll be in your DM so that we can talk about Jesus then delete their comments want to talk to me the argument is already the wrong foot. Amen. Hallelujah. So the Bible writes the seen and the unseen world together. And when we understand that the biblical words and phrases have a supernatural worldview context, it will change how you read and see the Bible. When you realize that the words in the scriptures are not as in fact they are not scientific at all. When you read the Bible with that scientific lens that you you need science helps you make sense of the Bible. It wasn't the Bible you read. Science can never help you make sense of the Bible because it is precise. Are you following? So you cannot be delving further like somebody said uh observe where the Bible talks about the kidney. You not like that kidney not the kidney that we are using. Do you know where your brain was? How did they know was how could they have known at that time? How many human beings have they dissected? Even till date now that people are dissecting parts and observing more and more things which human being could they have cut open to be dissecting to know how could they have known that their biology was not advanced now. So when you are wanting the ability to be as advanced as today and trying to force that into the Bible allow ancient men to be ancient allow the first five books to be the first five books. Allow the historical books to be the historical books. Allow the poetic books to be the poetic. Allow the major.

Allow those books to be what they are. Amen. And the core context of the Bible is that the faith of our Lord Jesus Christ was explained with the sin used to explain the unseen. Why? Because faith itself studies the unseen. When I say I have faith, it's like somebody say I believe that $3 + 2$ is five. You have to believe for that. You should know for God's sake. That's something that I don't need to believe five. It's obviously five. I don't need to believe. I can see it. I believe this is brown. I believe this is coffee. I believe this is white. I believe this is blue. You believe? Are you blind? See it now. What are you believing? I know this is white. I know this is cream. I know this is red. I know this is orange. I know cuz you know colors, not that I believe. So belief itself shows that it is something that it's different from the natural. So I believe so it will involve the unseen in itself. Just the word faith alone believe already shows me that it will involve the unseen. Then he now says through faith we understand that the words were framed by so the things that are seen were made of the things which do not appear. So the scene was used to explain your sin. That is very practical. And that's how to read biblical stories. Are we good? How to read biblical stories. But before we go a bit further, I think we I told you that God has a task force of divine beings who carry out decisions for him. And we said it's referred to as God's assembly or God's council or God's court. C O R Psalm 89. Psalm 89 and verse 5. And the heavens shall praise thy wonders. The heavens shall praise thy wonders. Oh Lord, thy faithfulness also in the congregation of the saints. The congregation of the saints, the congregation of the saints. The congregation of the saints. And the heavens shall praise thy wonders. The heavens shall praise thy wonders. I told you to use the word heavens. Is that physical heaven or a short form for [Applause] supernal heaven and earth to bear record I call sky and sand. What is sand bearing record of I call heaven I call unseen and seen beings to bear record. Moses was so conscious of two words. So he says and the heavens the heavens there which is the in the Hebrew is the word shamim. I am plural speaking of the plurality of those heavenly hosts that God created. And the scene is used to explain the unseen. Did you get it? S E N. The scene is used to explain the unseen. So what is the physical heavenly host? Sun, moon, and stars. So what is the unseen heavenly host? Would that be supernatural? Thank you. So in the Bible we see heavenly host, moon and star. We see unseen heavenly host because they use the seen to explain the unseen. In fact, Moses in Genesis one said the sun, moon, and star is for signs and for seasons. For sign is a sign that shows us there's more in the heavens. That's most in fact. So for signs for seasons and I've showed you that word sign o t h where we get the word signs and wonders for it's a sign it has a message it bears so that every time we see the sun moon and star we are reminded that there's more there's also unseen forces every time it sparks that to light. Amen. Psalm 89:5-7. For who in the heaven can be compared to if there is none in the heaven. Why is that saying for who in the heaven? That is foolish comparison. Comparing with nothing is an insult. You would as well praise a dog that praise the Lord like that. Are you following? For heaven. So out of the out of nobody who lives on the earth, you are the finest. So I obviously will be there's nothing else that's not a you want

to insult me insult me is you are comparing God with what does not exist and that's a praise that's not a praise that's why we actually went to school so that we think properly kind of so the den phrases in the Bible is not that there are no gods is that they cannot compare unto God when who is none like not saying that there's no it's not saying that there's no gods and funny enough many Christians spend their lif not knowing that the gods are real which is a challenge in biblical interpretation already because if you don't know that god made the gods it's obviously going to affect how you interpret the bible and also how you see powers because ultimately there is no power that be except it be from god because the one that made all the heavenly host of which we have bad guys today. So you must realize that the ultimate source of all things is God. All right? Now he disassociate himself from them because they are against his plan, his purpose, his will, his word and his man. Those are now devils. Amen. But they didn't get that power from themsel. So there is a distortions. There is a distortion. Like Job said, the heavens are not clean. The supernatural beings are now been found with corruption. So they are all not serving the function God made them to. That's how we now know the devils because they go against God's instruction. Instead of minister for man, they deceive man, they cheat man, they hurt man, they oppress man. You don't know this woman who Satan has bound. That's not the work of supernatural business. You're supposed to minister Adam and Eve trying to deceive them. How is that the ministering for somebody? You are deceiving the person. You are not ministering for the person like that. Did you get it? And the heavens shall praise thy wonders. Oh Lord, thy faithfulness also in congression of the saints. Psalm 89 and verse 5. So for who in the heavens can be compared unto the Lord? Who among the sons of the mighty? Remember the word mighty. The word mighty there is just the KJV being polite. They don't want to say who among the because there's really an issue. People have this dread to call any other thing God other than God. But he know them. The Bible is so even KJV could not they still use the word goss and all of them is the same Hebrew word Elohim. Are you following the same why? Because the use of the word Elohim is not to categorize God as it were. That's not how you know God is different from the God is that they now use those denial statements non like unto him to show uniqueness to show difference that God. So you now see references of God of gods. God made the gods, the gods are to worship him. You now see those are the differences in their teaching. So it can't be the gods at what does not exist. No, they exist. They were made by God. But they were not made to be woripped. Hallelujah. All right. So they say, "For who in the heavens can be compared unto the Lord? Who among the sons of God can be likened unto the Lord?" The answer is a loud no. Are you saying that's the denial statement? They know none like unto him. That's even an insult to think they can compare. He made them. That's why till date the devil has never forgotten. The devil knows there is a God and they tremble. They are not following to do that nonsense. So now Satan is trying to fight God. Ah, not a stupid rich like that. It's only inollywood. It's not in the Bible. And in fact, it's amazing how teachings a lot of teachings have come out from. There was war in heaven. Only one place you have

that reference. And it's it's in revelation and it is messianic. It has to do with the incarnation context and yet taking it outside it it its poor view to now see all manner of wonderful things and even says my care for the dragon. Oh boy, you have God. No wonder God is weak in your eye because you already have God and Satan fighting. And even in the natural, you have never seen darkness fight light. Not once in your life. Till you die, you will never see light and darkness fight. But you have this idea that God and the devil is fighting. In fact, uh there are so many ministries who glorify Satan and praise his works and speak of how much Satan is destroy is is after you. Oh, if you have not complete, have you completed your watch? If you don't pray six hours every day, you are a target for the devil. If you don't do four hours every day, you will not know what God has done for you that you are not listening to those crab. Those pastors work for the devil. Not directly but indirectly because they help the devil sponsor fear and control over the hearts of people. Yeah. Imagine me watching those Facebook read and I saw one not from the Apostle. This guy is in the UK. I like what nonsense is this fear everywhere littered around what he's saying. Not fear from me. I don't have fear again in my life. I literally don't. I mean as I'm watching I can see the fear in the man. It's palpable. I could touch like I'm touching my phone screen. That's how people talk about the devil. We have to be careful because of the devil. You see then it didn't take me long to see that he's also connected not a person. There have to always be a connection. Darkness ignorance must collab must associate they just have to have to invite them for your conference. So darkness must mix. like minds. We all fear the devil. No one text of scripture of a special prayer point for the devil. Not one in all the episode. And we glorify the devil. Nollywood hasn't helped. The media hasn't helped. In fact, I put it to you. Look at how how even skit makers now are using it. I don't know why I never get to see people like that with a native port walking down the road and I lay hand on him physically in that ski show. I will tell him to let it show in the skit. He'll be there on the ground. I don't know that it's mistake or I don't know that ski. They say there's a camera by the side. You are on the ground. That's the camera video you and you see some people what has I've seen some of those skills and their Bibles in some people's hand and they run because they touch somebody and the person fail. That's where you run towards the person that they fail. Don't even know how to win souls. Everything fear, fear, fear. Hey hey hey run. Oh things are happening. Oh and that's the same way people have charms. It's so normal for people to expect that if he met a witch if he met a witch doctor and they gave him something he can prosper. Now your pastor said go say nah nah not work like that. Have more faith in the devil than in God. Just why not worship him? Since you have so much faith in the devil, go be a worshshiper of Satan. You're already doing a good work, serving his purposes already. The devil, the devil, there's so much devil in the in the conversation. I remember many years ago, I was sleeping and that thought you are all alone in this house. What if something just come out from the wall? Come out. I had to answer. I shouted, "Come out then I'll break your neck in a second, in the twinkle of an eye. I dare you." I didn't and then I had not seen that scripture. It had not been real to me. I have

not seen my authority in Christ Jesus. So like what kind of thought waking up like what am I panicking for? So hey, all I knew is you talk back to the devil. Toa told us always speak back to the devil. So that's all I knew. Just talk back. Hey, no not me. People fear dark places. What can come out from there? Say happy because there are things in dark places. See pastor does not know. It's you that don't know when did you get born again? We can still count finger say no I have more years working the supernatural than some people have alive physically I'm much more I'm much more being saved that's not the issue jaw the point I'm making is there is a deliberate uh um shift of the narrative that has helped the devil stay relevant media And all of these agencies have helped. You see, uh, as you begin to pray 6 hours every day, the devil will come for you. Why do we say stupid things like that? You see it now? Then the person that wants to pray cannot pray. He's already if I pray for consent like that. See, take it. Um if you pray 12 to 3 sensitive time, do you realize that this time zone does not work outside the country? That there are different time zones. See some things is just go to school. Today is working 12 to 3. All over the world is 12 to 3 p.m. 12 to 3:00 a.m. All over the world is 12 to 3:00 a.m. Is it the same time as all over the world? No, it's not. But we glorify the devil. Oh, Satan is doing something. Have Satan wrecked life? Yes. Has Satan messed up people? Yes. If you give Satan place, can he do all of that? Yes. Does he have more power than you? Never. Never. Never are we told or taught that in scripture that Satan has any power over the believer. So then I'm going to now start my consciousness like that. Am I already walking in defeat? I'm already walking in defeat because uh here I am about to pray and um as I begin to pray this prayer now the devil is here with me omnipresent devil that you worship now everywhere at the same time no that's not scriptures too much fear of the devil you say you see It's not every devil you can cast out. It's not every deadly situation that you can deal with. Why don't we glorify? Five words, four words, three words, two words, just one word to cast out devil. Why shouldn't why shouldn't why should our sermons ought to be about you ought not to use more than a sentence. If that becomes the teaching, will that help us to deal with the devil easily? Yes. say, "Oh, the devil is doing a lot." Oh, see, let it not come for me. What if he comes? Because Satan, the devil, like a raven seeking whom he may devour. Whether you pray against him, pray for him not to come, he will come. But you deal with him, put him in his place. I remember he wrote that in his book that somebody said to him, "Don't talk about the devil. I don't want you to know about me. Just you talk about him. I don't want him to know about me." Say he already knows about you. Some Christians are cowards. For who in the heaven can be compared to the Lord? Who among the sons of the mighty can be lacked unto the Lord? God is greatly to be feared in the assembly of the saints. Saints there is not church. Saints there is the word holy one kadoshim and to be had in reverence of all them that are about him. Oh Lord God of that host who is a strong Lord like unto thee or to thy faithfulness round about thee. Are you here? So notice that verse 5 to verse 9 of Psalm 89 talks about that supernatural council. Talks about that supernatural assembly, God's assembly, God's council. The same thing in Psalm 82:1, God stands in

the congregation of the gods. He judgeth among the gods. God preides over the assembly of gods. He precides in the heavenly council. In the assembly of the gods, he gives his decision. So the original Hebrew word translated God is Elohim. And many of us thought of Elohim for so long in just one single sense as one of the names of God the Father. But is the it has a wider meaning in the Bible and I gave you the six entities referred to the word Elohim within the Bible. All right? So you know that it's not only God that is God Elohim in the scriptures the the assembly itself is called God super in fact even the disease Samuel I gave you that six descriptions and I've done that again and again so let's move on was even used for demons I told you that 217 1st Samuel 28:13 it was used for the human dead in the afterlife. But you see, the Bible distinguishes God from the other gods. I'll give you just stay in the Psalms a bit. We just run uh through several Psalm 29. Psalm 29:1 Psalm of David, give unto the Lord, oh ye mighty. See the problem there? Because he said, "Oh ye mighty." That's the word gods. Give unto the Lord glory and strength. So, oh ye mighty is actually two words. Oh ye sons of God. That's that's actually how it reads. Sons of God. Beni Elohim is what is in the original. Beni. If you have a concordance, it gives you two Hebrew words. Ben B, the word for son. Two words. Oh ye mighty, give unto the Lord the glory due unto his name. Worship the Lord in the beauty of holiness. The voice of the Lord is upon the waters. So he goes on and on and says all of those things. So the gods are commanded to worship the God of the Bible. They are commanded to worship him. They are commanded to worship him. Hallelujah. Psalm 97, the heavens declare his righteousness, and all the people see his glory. Verse seven, confounded be all they that serve graven image, that boast themsel of idols. Worship him all ye gods. Worship him, oh ye gods. So they are to worship him. Zion heard and was glad and the daughters of Judah rejoiced because of thy judgment, oh Lord. Verse 9. So you see the far above context was first used for God. So just like God is far above the gods. That's how the man in Christ is far above the gods. Look at that verse 9 where Pet where Paul got his Ephesians 2 from. For thou, Lord, are high above all the earth. For thou art exalted far above all gods. Thou are exalted far above all gods. Thou are exalted far above all gods. God is far above all gods. Hallelujah. And that's how the man in Christ also sits. Amen. First Kings 8:23. And he said, Lord God of Israel, there is no God like thee in heaven above or in the earth beneath. No God like thee. No God like thee. Remember, no God like thee. So there are in heaven and in earth, but there are none like him. All right? Who keepeth covenant and mercy? No god like him. No god like him. Now he is their creator. He is their creator. Psalm 95. Psalm 95 and verse three. Please for no reason think that there's only one reference for this. So he's giving us one reference. So just one reference for ah like I told you we have a teaching the part one of this series on on sin forces we dealt more with all of those things. All right so please this is the part two of the series of which we are in track n all right for the lord is a great god and a great king above all gods. Psalm 95:3 he's the for the Lord is a great God and a great king above all gods. Above all gods. Praise ye the Lord. Praise ye the Lord. Psalm 148 verse 1 to 5. From the heavens praise him in the height. Praise ye him all his

angels. Praise ye him all his hosts. Praise ye him son moon. Praise him all ye stars of light. Praise ye him ye heavens of heaven. Ye waters and above the heavens. Let them praise the name of the Lord. For he commanded and they were created. He commanded and they were created. That's how they were made. Psalm 33:6 the same thing. By the word of the Lord were the heavens made and all the hosts of them by the breath of his mouth. He made the supernatural beings. He made them by the breath of his mouth. He made them. In fact, Job went further and said he it was God who garnished the heavens. His hand even formed that crooked serpent. Now, God didn't make him crooked serpent, but now that serpent that became crooked was he says it's God that made him. So, that's Job 26:13. John 1 vers3 all things were made by him and without him was not anything made that was made in Acts 14:15 remember when they they said the gods have come to us in flesh and Paul and Silas tore their clothes what did they say turn from these vanities and serve the living God which made the heaven the earth the seas and all things therein in Acts 17:24 he says the same thing God that made the world and all things therein, seeing that he's Lord of heaven and earth dwell not in temples made with hands. Acts 17:24. The same thing in Colossians 1:16. For by him were all things created that in heaven in the earth, visible and invisible, whether they be thrones, dominion, principality or power. All things were created by him and for him. So he the creator. Yeah, he is the creator. So he made them. Clear. Clear. Clear. So none like unto him. Psalm 89 and verse 8. Among the gods there's none like unto thee, oh Lord, neither their works unto thy works. None like unto thee. So you see a difference. Just write the references down. I'll quote all of them for you so that we'll be fast. Deuteronomy 3:24. Oh Lord God, thou has begun to show thy servant thy greatness and thy mighty hand. For what God is there in heaven or in the earth that can do according to thy works and according to thy might. So there is a limit of power, but with God, no limit. That's who you serve. That whose you are, whose you belong to. That's who's your That's where your identity and your authority is from. And you allow somebody with a staff or four. You allow somebody uh fully dressed in the regalia make you have a sleepless night because he's speaking. Oh boy. Paul filled with his spirit set his eye on him and said to him, the man even challenging with power was withstanding somebody from being saved. He say you'll be blind for a season. Say h all right now. All right now. Not because you have revelation knowledge. Not because of anything. All right now. Say I give you three days to live and you say all right now. No revelation knowledge, no confession of God's word, no prayer. I wonder we came for your burial now cuz that's that's that's how to be stupid then because that's how and why those people say that ah Satan has power. No, Satan jammed an ignoramos. Idiot is the word for ignorance because a believer that is acting like an idiot because that ignorance put him under Satan's domain because Satan is lord of obscurity. Ignorance is part of his power. So every ignorance you have gives him authority over you. And that's why we have told you before Satan's power is in ignorance and unbelief. Don't yield to him. Satan's power is in ignorance and unbelief. If I'm not ignorant and in unbelief, I'll never know the Satan has power once in my life. And that's

every one of us here. That's why say I give you three days. Come. Is it me you raise and point your finger to? Do you know who I am? Do you know who I serve? I belong to the Lord Jesus. The God of gods is my God. Is him I serve and I have far greater power and authority than you. Take back your words or it will be for you a matter of three seconds. That's how to talk. No. Sorry. Oh, sorry sir. Sorry, sir. Sorry, sir. We'll pack it. I've seen missionaries like that or which doctor told them pack all this your crusadings and get out of here sir sir should not be a missionary you are not sent by our god say sent nobody sent you wonder even my catch you for mission feed sorry about that hunger sent You you don't know you will go clothed in his armor. You don't know you you are you are a lightbringer when and that's why I want you to see when the light of your authority and your wisdom the two things we are talking about in this series this time around being strong being wise and strong with his power wisdom and power when you see how powerful you are even for physical entities. I told you the story of that dear man of God. I was my wife were watching it again. Put the man said am I afra I am I a freeze? He say you should chill. How come you are not afraid to point a gun to a man that can kill you? But the other pastors had ran for their life say ah this thing is ah nobody's telling you to do that we have always told you before always give them everything you bel that belongs to you and your whole lineage if it's possible to even tell you to wait and travel to go bring more things for them since fear has controlled you to that extent which is okay because who is alive that serves the lord yeah I don't want to be a coward alive serving the lord Neither am I going to be dead serving the Lord either. I'll serve him well. God's word work and that's why you put this into you. So every time we say let's demonstrate these things agile. Every time you have an opportunity or Christ evolution meeting or or supernatural activation every time we are practicing anything always raise your hand so that you'll be used so that you realize that oh that is me. I have power. Amen. Amen. Gather all the witches. You're greater than all the sorcerers on the earth. So if I mean if all the sorcerers had a summit and held their hands against you, you don't even need one hour. Those are that's how we make these things hard. Say ah there are there are too many there are too many. Hey, hey, for one hour, let's begin to bind and loose in the name of Jesus. So, how many minutes now? 45 minutes. 55 minutes. 1 hour long. I get dead now. Say no. Why not 5 seconds? Because you didn't think 5 seconds would work. You didn't think 5 seconds will work. You didn't think 5 seconds would work. You didn't think 1 minute would work. Why? Because for you, it's about time. is the same school of thought that says there are different uh the power of God for dealing with issues differ. The I even saw a video on that again last week. The power of God to heal headache is not the same for is the same soul does not make you wise. Stop saying nonsense things and crying yourself doesn't make it correct. Crying yourself doesn't mean the thing is powerful. It's just tripping people with emotions. Say lie is the same power. Whosoever of was healed of whatsoever is how you used it. This the reason because those are the reasons why you remove yourself and say when will I reach my pastor level. You don't need to reach your pastor level. You already in Christ level. all this

unnecessary level which day would matter on me I don't I don't need any useless man what have you done Jesus own you must always realize that the issue is about your using of what you have even Peter can't say has more faith than you he said we have like precious faith Paul all of them we have like precious faith the same spirit you say no it's not the same all of the gifts in first 12 were all wrought by the same same spirit. Which one you have? Smi spirit. You have the same spirit that raised from the dead. Yes sir. So the issue is how you are using your own. So that's why he say it may just be how he preached it now. No sir. No sir. You are wrong sir. It's not about how he preach is wrong. Because at the core it's not about you. You say you that know better. You just say it's about how you use from that. That's not what the man had in mind. What he actually had in mind is that we don't have power the same way. We have power the same way, sir. We all have seated power. Every no Christian has more power than other Christian. Oh, now you are getting Yes. is that Christians use power more than others. We all have access to that resurrection power is how you use it. Some people choose to take I pass my generator from that power that can power everything and that's the one they want. The one that can only light but the power can power all the look at the the the KVA we have here now that powers all these things we have here. Limitless is the one from the resurrection. You went to go and be fetching small. It's you which you hold responsible. So when we talked when I taught you on stature that was what I was correcting because the stature is not in the power. It's in how you use it. Yes sir. It's in what you take from it. So, oh that man that say oh we are age but we are not grace that is usage that's not we all have access to the same power the same wisdom the same we all have access to the same wisdom and the same power all of us here have the same power that Jesus have no one Christian can have it more than another because you don't have more holy spirit than anybody else is what you do with what you have. That's one. Second, there mean there are many differences. How much do you know about that power? How much are you conscious of that power? All right. Gle said, "Go get you down to the lab and bring that plague and come put it in my hand and take it the foam from the mouth of the dead person and put it in my hand. As it gets in contact with my hand, it will die." You don't try that now. It's consciousness. We don't have that same consciousness. You see it because that one is not gift. Stop thinking everything is gift. That's also the also the converse of some of our uh which new creation reality people that are now confused with rapture is the same error because it made it look like there's nothing about Jesus. No. Why do we always have extreme it must be this versus this this versus this in our theology. Can't it be complete? If you are going to believe we have authority over the devil then there will now be no devil. is not doing anything in anybody's life is a lie. Uh service is not a lie doing people's life. Doesn't change the fact that we have power. Doesn't change the fact that he will go. Amen. Amen. So as we talk about being wise and strong with his power, wisdom, strength, have you seen who you are? Because it's the consciousness that differentiates us. It's the consciousness. And this consciousness is why everybody should pray for the gift of a good pastor. You don't know

what God has done for you. When you don't have pastors that are feeding you with fear every day, feeding you with the fact that out there is dangerous. You may out there out there you are finished. No one knows tomorrow. Every everywhere you turn, fear, panic, frustration. feed on God's word. Amen. We all have the same power, the same spirit of God. Why you looking at me like it's the first time I'm saying that? I've said this. I've been saying this all the years you have you came to join this ministry hearing me saying this. We have the same Holy Spirit. Nobody has more Holy Spirit than anybody. It's always how we use what we have. Is that you can't believe it will work. If I if I walk down now and someone say ah just like that just like that just like that it's not fair oh God when it's just consciousness it's just what I'm conscious of I'm conscious so there's consciousness there's knowledge they all the same oh we don't know the same somebody that read their Bible once in a month wants to follow us to be Okay, now you are getting it say so those things matter. Ah ah that's what we are saying sis now you that pray once only when there's crisis in your life you want to follow us to talk we that pray for because our life depends on it we are not praying because there's a problem we are praying because we always like to talk to God so now that's why even God is saying is that is that my son I've not heard that voice before is the day of trouble is trying to locate your voice is that my son knows you more Satan has heard your voice more than God has heard your Amen. So is there and that's going to say oh look like God is hearing this person better than this person. Yes because that person has touched more in God by reason of use have their sense exercised by reason of use. There's maturity. That person is more mature. That person understand the dealings of God. That person knows how God does his things. the other person don't even know. Some Christians are still having challenges knowing if it's God that speaking to them. That's the difference. And that's why we don't joke with ignorance. We reject it. Ignorance is not a gift. So Paul says concerning spirituals, brethren, I would not have you to be ignorant. God doesn't want us to be ignorant concerning spirituals. God doesn't want us to be ignorant concerning spirituals. I choose not to be ignorant choose not to be ignorant about all that I have about all that I have all that I can do all that I can in Christ Jesus in Christ Jesus when are you going to use these things every day in life it and also let me quickly say this to all pregnant women it doesn't stop because you are pregnant too they used to use power of God too. You don't understand what we are going through. We don't understand why when it comes to when we want to talk to you about power, you get angry. It's the same thing. Everybody has that too. Same thing. We come to this other say leave me now let me just enjoy myself small let me just suffer small let me don't take side against the power of God because the date will matter. They were not trying to now we cannot because you in your mind you have been saying ah you have made allowance you have made allowance that don't make allowance don't make allowance don't make allowance for fear don't make allowance for I say this especially those nearing where they about to give birth you start having all the thoughts of how how the delivery look like how inspire no I love my pastor I don't know but copy personal lie no copy no lens no people

ultimately know what they are looking for every time my wife she ask me so how is this delivery going to be if you say other thing I reject it I negate it I conf I I tell her don't let me rush you only say what God's word says because that's why you need to be a man the man the priest you can see you are not you now say No, we correct that. No, you speak God's word. I know you are between words sometimes these hormones things. No worries. But this is this then so how will it be? Because we believe in God's word though. So this is how it will be. This one will not take more than this time. No one know. Let's not be make this look easy. That's why your own is hard. So because for you shall be harder and harder for us shall be easier and let be swearing. We can as well just wear for you too because you have been wearing for yourself since everything is always you can't tell me that no for me is different. Yes. Go a different they go. What? Some people like what they have because you you ask for it then you are now shocked that it was what you expected that you are getting. I don't have anybody in mind. Don't don't worry. I don't have anybody in mind. No, I don't. I don't have to have somebody in mind to say the truth. Now ready yourself. It's the same thing with people who say things like I think I passed the age of getting getting married. Is there age for marriage my marriage? Get out of there. Everything you are negative. I think I'm done for. I think nobody love me. What about all of us that love you? We are not people now. Nobody love you. Nobody love you. Insult us now. Sus drain. Nobody. Nobody. Nobody. Which kind of love you they look for? It starts from there now. Nobody love. Nobody love me. See love here. Now it's from here it will lead to the other type of love. Nobody love me. Nobody love me. Nobody love me. Negative confessions. All true. What do you believe? What do you say? All everything is inside that thing. We're talking about power. The same spirit the same. Are you getting it? Yes, sir. Are people commission differently? Yes. People are anointed differently. Sent. That's the word anointed. Commission. Sent. Chosen for a tax differently. Yeah. Because he said some. But that is not the same thing with do we all have access to that power? Yes, we all have. How I use it is up to. I have friends in industry that are not pastors who use the power of God in industry in every area. Stop having this idea that it's only pastors that heal the sick. Stop having this idea that it's only uh I have to be a man of God first. I have to be a prophet first. You already a man of God enough that you are born again. Every Christian can use the power of God's spirit, can walk with revelatory gift, utterance and power. Stop falling your hand and saying no, it's not for people like me. It's for you. Why not try it first? Say ah my vehicle was about to s why not say stop in Jesus name so that you now be able to see you nothing you they talk now lie everything is just ah anywhere b I see you will never know it works because you have never used it that's what we are saying here use the power of god take side with the power of god and stop your first time of using something you that don't know how to use it you are saying you are using it and now saying you didn't go workh You're already in in unbelief and you have notified the whole process now because this is not magic. It is faith based and so it must be continued by faith. That story I shared with you that man of God said it is a toy. He said no this is what I do for a living. I kill

people with this thing. Say it's a toy. He said ah he was so sure about it. So the man said I'll use it on you. Said no problem but it's a toy. It won't work. He didn't say no. All power belong to God though. He said no problem. And the man did it and it didn't work. He do it to the air. He say it won't work again. I told you it's a toy now. I told you. I told you. Maybe it's because I grew up around ICC. So I got to see how machete enter back and just say, "Hey, just do like this." Niger boys not now things have gotten better. I've seen those drama as a teenager. We normally believe those kind of things. So when I began to know the power, thank God got me early. If not I thought I must have joined society. There's no way no way nothing will make me this life be powerless. There was no way nothing in this world that I can I cannot live a powerless life. Thank God got me early. If not, I must join society. Cannot live without power. Maybe you can. Me, I can't. I can't try. Life is too dangerous. So, just stay without power. No covering, no nothing. Just there. Just naked out there to be plucked. No, not in my head. Oh. Ah. No. Practice the power of God. Practice the power of God. That's what I'll say. Practice the power of God. It has lost his power. It has lost his power. It's so easy to believe that the man can say put something in your tongue then that thing will lose its power. Ah now I want a pastor start saying you see how many people come against pastors when they say things like this that I'm saying. So let's be careful. Let's not kill human being. any doctor that was saying it. Stop arguing with people that are not saved. Not everybody that is commenting that is with us keep warriors. Amen. Amen. I believe in the power of God. So what's different between than me than all of than all all the great people we love is their knowledge of the power, their experience of the power, their consciousness of the power, their practice. I mean we can go on there's so many difference the tangibility that they those things are so real. Sometimes I I I look at John Gillick's biography again. I say this man is not normal. His thinking has gone. Cannot even think normal again. That's a real spiritualist. That's like what I like thinking. Think like that. Think like that. Talk like that. No, we don't know. We know. We know. We know. There's no fear here. Will I come? I will come out from this situation. Amen. Amen. What led us there was that text we reading just now. Among the gods there's none like unto thee, oh Lord, neither are there works like unto thy works. Psalm 86:8. And we read Deuteronomy 3:24 if you can recall. For it says for what God see text you for what God can do. For what God is there in heaven or in the earth that can do and you not tell me I should go and I should go and serve the devil. I should I should take anything seriously. For which God can do according to the works and according to thy might? No. I have the highest. I go live the highest for the lowest. I'm satisfied with the highest. I'm satisfied with the highest. And God gives us wisdom in different areas. Not because these things will not because he's trained us in all aspects because because God is a God of mercy and grace. Of course, we can't just go around killing people everywhere because they because we have great power. Cuz sometime can be fear like Elisha like Elijah like we saw cuz he was afraid. So, okay, do it like this. Do it like this. But that thing, stop it. Let fear die in your life. Let fear die in your life. Let fear die in your life. 1 Samuel 2:2, there is none holy as the Lord. So when you that's no

no God can never be found in sin, defilement, never none holy as the Lord. There's none beside, neither is there any rock like our God. 1st Samuel 2:2 is the same thing in 2 Samuel 22:32. For who is a God save the Lord? Who is a rock? save our God. Jeremiah 10:6, for as much as there's none like unto thee, oh Lord, thou art great and thy name is great in might. None like unto thee. None like unto thee. That's our God. Hallelujah. There's none like unto thee. None like unto thee. As I have 40. Isaiah 40 verse 18 to whom then will you liken God? Or what likeness will you compare unto him? The workman melted a graven image. So all those things that they are molding said no now. Have you not known? Verse 21. Have you not heard? Has it not been told you from the beginning, having not understood from the foundations of the earth? It is he that sits upon the cycles of the earth, and inhabitants thereof as grasshoppers, that stretcheth out the heavens as a cotton, and spreadth them out as a tent to dwell in, that bringeth the princes to nothing. He maketh the judges of the earth as vanity. Yay, they shall not be planted. Yay, they shall not be sown. Yay, their stock shall not take root in the earth. And he shall also blow upon them, and they shall wither, and the white wind shall take them away as stubble. To whom then will you liken me? Or shall I be equals? Here the holy one. Lift up your eyes on I. And behold, who had created these things that bringeth out their host by number? He calleth them by name. by he calleth them all by names by the greatness of his might for he is strong in power not one faileth why seeest thou oh Jacob and speaketh to Israel my way is hid from the Lord and my judgment is passed over from my God has thou not known has thou not heard look at how many times you see that it's a matter of your appropriation what have you internalized have you not heard thou not known has thou not heard that everlasting God the Lord The creator of the ends of the earth fainted nor neither is neither is weary. There's no setting of his understanding. That is your God. He giveth power to the faint. And to them that have no mighty increase strength. Even the youth shall faint and be weary. The young men shall utterly fall, but they that wait on the Lord shall renew their strength. They shall mount up with mount up with wings as eagles. They shall run and not be weary. They shall walk and not faint. Deuteronomy chapter 10 and verse 17. For the Lord your God is God of gods, a Lord of lords, a great God, a mighty and terrible which regarded not person or taketh reward. So God is not partial. Oh, oh, how I wish I can be like a massing. Oh, what God did with her? Oh, we got to look at our generation again and do something like that. All this generation, generation, generation, generation. But go get to work. We go look at our generation again. Send down the mantle of our bishop. We don't need it. Just leave and walk with the power of God. It's the same Jesus that walk with him that is working with you. That will suffice. And as you start acting, you notice that you have acted like those same people too. Because the spirit of is the spirit of faith is the same spirit of faith that rest upon every one of us. It's the same spirit of God. And as we start believing God, we will see similarities in our actions too. We do things they did. We see things like they saw. We will hear things like they heard. Amen. Ah that means we should not have respect for these people. Talk for yourself. When you have respect, I honor them. I hold people in high

regard who have horn, who have labored in the word, who have been used of God mightily, who have moved in the power of God. I love their stories. I'm a student of power, a student of revival. I study history. There is no p pastor on this earth that have power that has a book or or is a that has done something supernatural that is maybe a YouTube channel or something that I don't know the name. Just like people in the natural know all their secular people. Me I know all our people. You can't mention a pastor that is popular a bit except the ones that are not popular that I will not know the name in this country that know I know. Even the one you think I don't know his name. I know the name. What else should I be doing in my life? I need to know the things that concern where I'm going. I need to know the things around what I am doing. Amen. Amen. Hallelujah. Very very important. And you from studying all the different male who have moved, you see consciousness. You see how they talk. How they think that consciousness. Consciousness. How they think. How they talk. What they know. You can see it. Why you are saying ah it's not won't do like that. Amen. For the Lord your God is a God of gods and lord of lords. That's our God. A God of gods and a Lord of lords. Hallelujah. He's a God of gods. Amen. So, uh, and how did he make these supernatural beings? Do they behold what is happening on the earth? You are not sure. All right. Hebrews 1:14. Let's walk it back. Start from Hebrews. We'll go back a bit. Hebrews 1:14 says, "Are they not all ministering spirits sent forth to minister?" The word minister, there's the word diconia, which is the word to serve, but it says their service is public service. For are they not all public servants, ministering spirits, sent forth to minister for them who shall be heads of salvation? Their ministry is public to all. Their ministry is public to us. So everyone can lay hold of their service. Amen. Are they not all ministries present to minister for them who shall be heads of salvation? Hears of salvation. The angels of God are ministering for me. Look at things he mentions. This is just a quick read we're going to do. Look at things he mentions angels or supernatural beings for, you know, angel is one of the names that qualify supernatural beings. Okay. Psalm 91 we just for he shall give his angels charge over thee to keep thee in thy way. To keep thee in thy way. So the angels are observing observing my actions. They're observing how things are going. They keep me in the way. They guard me in the way. So I have guardians. I'm never alone. I'm never alone. I never I know this will make Liverpool fans happy, but we don't walk alone. This is the only time you get to hear me say that. All right. For he shall give his angels charge over thee to keep thee in thy way. They shall be thee up in their hands, lest thou dash thy foot. So the supernatural beings are there for protection. Are you conscious that you are always protected? Are you conscious that you are always protected? Thou shall tread upon the lion and the other representation of the supernatural beings. Verse 13, the negative ones. Thou shall tread upon the lion and the other. The young lion and the dragon shall that trample under foot. I showed you that this is a supernatural being from verse three. Surely he shall deliver thee from the snail of the father from the noistorm pestilence. The word deba I told you in the ancient word it was used for a deity. Then he says he shall cover thee in that was our part one last year teaching. He shall cover thee

with his feather under his wing shall thou trust. His truth shall be thy shield and a buckler. Thou shall not be afraid for the terror by night. So are there terror by night? You shall not be afraid, nor the arrow that flyth by day, nor for the pestilence. Again repeat it again, the pestilence, the plaging spirit. No, not for presence that walketh in darkness, nor for destruction that wasted at at noon day. A thousand shall fall at thy side, 10,000 at the right hand. It shall not come n. But do you notice that this protection text, it says, I will say of the Lord. So he had to appropriate it. What I don't know cannot hurt me. What you don't know is hurting you every day. Ignorance is not please. Say it. I'm safe. I'm in safety. You say it. Psalm 34:7. The angel of the Lord encamp round about them that fear him and deliverth them. The angel of the Lord encamp round about them that fear him and deliverth them. The angel of the Lord encamped round about them that fear him. and delivered them. Is that what you saw in the book of Acts? Angels delivering people. Is that our inheritance? Thank you. That's what we have in Christ Jesus. Psalm 12:5 verse one. They that trust in the Lord shall be as Mount Zion, which cannot be removed but abide forever. Hallelujah. Is that you that trust in the Lord? As the mountains are round about Jerusalem, so the Lord is round about his people from hence forth from hence forth even forever as the mountains are around. So the Lord is round about his people. Did Elisha know that Lord open his eyes? That's why he was not afraid. So if I walk by revelation it will affect my living. He was you know he was not looking in the realm of the spirit. So when the man said Lord open his eye that he may see that because he was he didn't need to see actively in the realm of the spirit to know that he was always in safety. I'm always in safety. Always in safety. I'm always in safety. I'm always in safety. I'm always in safety. Always in safety. Hallelujah. Praise God. I'm always in safety. Hallelujah. God is keeping me safe. He's keeping me safe. And he does that but with his supernatural beings. Psalm 103. And verse 20, bless the Lord, ye his angels that excel in strength, that do his commandments, hacken unto the voice of his word. Notice that. Bless the Lord, his angels that excel in strength, they excel in strength, that do his commandment, they hacking. How is that news? The angels hacking to God's word. That's not news. Should they know which word would they hack into before? But it's news that they hack to yours. So when it says they hack into God's word, who is speaking that word, you God's word in your mouth. I love the way he put where God told him that. And that again is what affected him in his crusades when God said to him, "My word just as my word in my mouth is powerful." That's how my word in your mouth is as powerful as my word in my mouth. You say this is too much. Oh, but that's how God teaches people to walk in the things of the spirit. How to talk, how to see, how to think, what is, how to act. I mean, everything. Amen. Bless the Lord, ye his angels that excel in strength, that do his commandment, hacking in unto the voice of his word. Bless ye the Lord, all ye his angels, ye ministers of his that do his pleasure. That do his pleasure. Hallelujah. They act on his word. Psalm 104 the next chapter it says who maketh his angels spirit his ministers of flame flaming fire angels attend to God's word hallelujah Yeah. Daniel chapter 10. And he said unto me, Daniel 10:11, "And he said unto me," Oh Daniel, a

man greatly beloved, understand the words that I speak unto thee, and stand upright, for unto thee I am now sent. And when he has spoken his word unto me, I still trembling. Then said he unto me, "Fear not, Daniel, for from the first day thou did set thy heart to understand and to chasen thyself before God. Thy words were heard, and I've come for thy words." So Daniel thought he was just praying, but the angel say, "It was your words that brought me here." The angels of God always act on our words. The angels of God always act on our words. Hallelujah. So there's an active on sin realm, the good and the negative. The negative against us, the good for us. So why should I be overly focused on the negative that are against me than on the many that are for me? Hallelujah. Are you here? Yes, sir. Oh boy. Also look at some supernatural stories and how people got increase. just show you some things. Second Kings chapter 3. 2 Kings Tyrion verse um 15 or let's read 14 to just get a bit of the context and Elisha said as the Lord of hosts live before whom I stand surely where it not that I regard the presence of Jehoshaphat the king of Judah I will not look towards thee nor see thee So the man of God's emotions matter. So I wouldn't even be here if not for this other person. So I won't even say anything towards you. All right? But now bring me a ministry. So that affected him because he was a bit unsettled. So he said, "Okay, bring a minstre to play." And it came to pass when the ministry played that the hand of the Lord came upon him, the ministry played. So there is no there is no spiritual rhythm no spiritual reggae pop afro whatsoever any there's nothing like that there's no Christian one it's just how people express themselves the core of music is the lyrics is the lyrics is the lyrics and who is singing it and who are you singing it to and how are Are you singing it in praise of the Lord? Hallelujah. Not in the praise of not as mockery. I'm not as much thrilled when people tell me a Christian song is played in a clubhouse. What song would they play next? What's going to happen next? That's when there's real revival. I said we have all gone mad or something. How is there revival when afterwards other songs are going to be played? There's no revival there now that the Christian song is played in a club. It should not be played in a club. That they choose to play it in club because they don't have fear anymore now because you want to merge things that should not be merged. That's simple. However, it's not about the general of the music. No, no, no, no, no, no, no, no, no, no. It's not about that because there's no Christian type. There's no Christian type. Christian slow song. Christian songs are slow. West life songs are slow. Oh, this generation don't know West life. Okay. Okay. So, who shall we liking? All right. So, which one do you know? Which one is this generation? Slow song singers. I don't know cuz the last generation that I listen to worldly music, that was the last CD I let go. Breaking it. Oh god. Soad. Oh, never again will I play all these blues. All right, you get it. So there are I don't even know which one. Anyone that people play now. So slow songs. Uh Celind still sings. She's alive and well, I believe. But the way part we cannot speak of. Okay. I think she sings slow songs too. Know everybody has seen slow songs. I love your Jesus. Abby. Why we try to spiritualize slow song, fast song? No, it's about the lines. It's about the intent of the singing. People can be well-meaning and uh most pastors as I've taught you over the

years are hypocrites because of their standards of judgment are very woeful. Nigerian branch we do one thing American branch we do something different because different god the god of light and the god of naira the same doctrine does not work everywhere. So we can invite secular singers who we know look like they have gay affiliation to sing but we we can be stereotyping the ones in Nigeria because of dress how they if you have an issue with how a minister of God dresses that's you that has nothing to do with Bible people should dress well yeah but the fact that you're not receiving from them tells a lot about you not about the person it says a lot about you so go and work on yourself and stop glorifying backward systems. Should people dress well? Yes. But how does dressing have to do with how we judge if a song is of God or not of God? The lyrics show that of God now. But it's not just that the lyrics show is of God. That one that is trending particularly, it's like you are swearing oath now that you are not going to turn back. Why should you have an issue with that? It shows maybe you are of the devil. Why should you have an issue with I saying I'm not going to turn back? So it's quite s do you want to turn back having issue with the things you should not have issue with every line is pure pure gospel pure scripture so it doesn't matter how it was sung of course people have uh different reasons why they sing their songs and that in tongue can affect the songs but how do you know consecration is they say the song of consecration you sing it passionately quiet do you Uh, dance with my father again. It's not slow song. Okay, I'm old school. Don't wor many old songs or James at last. All those songs are they not slow and they have done havoc. All right, I rest my case. slow songs slowly led her on as well. All right. So, 2 Kings chapter 3 to see here the Lord make the valley full of ditches. So, they played and it didn't matter the general of the plane because there's no Christian type. Don't fall for that stupidity. There's no and funny people argue don't read Bible. There's no general of Christian music that they say this one is Christian that is slow, that is fast. It can be slow, it can be fast, it can be anything. There's no music that belonging to the devil. Nothing belongs to the devil for God's sake. The earth is the Lord's and the fullness thereof. Nothing belong to the devil. Nothing belongs to the devil. Nothing belongs to the devil. Amen. Amen. So that I can't receive somebody because of how they dress is my conscience as my conscience. This conscience should people be decent? Yes. However, my not receiving people is about my conscience. And that's why every minister of God is careful how they look so that people can receive them because we want people to receive us because we are sent to people. But to say I should now throw away my discernment or my rational thinking because you have beef with people, it's not fair. So they began to play for Elisha. And he said, "Toss the Lord. Make the valley full of ditches." He looked stupid. For to th the Lord, you shall not see wind, neither shall you see rain. Yet that valley shall be filled with water that you may drink both ye and your cattle and your beast. And this is but a light thing in the sight of the Lord. He will deliver the Moabitete also into your hand. And and you shall smite every what? And every choice city and shall fail every good tree and stop all the wells of water and mar every good piece of land with stone. And it came to pass in the morning when the meat

offering was offered that behold there came water by the way of Edom and the country was filled with water. And when the Moabites heard that the kings were come up to fight against them, they gathered all they gathered all that were able to put on armor and upward and stood in the border and they rose up early in the morning and the sun shone upon the water and the Moabites ministry of angels. Oh boy. And they saw the water on the other side as red as blood and they said, "This is the blood. This is blood. The kings are surely slain and they have smitten one another. Now therefore, Moab to the spoil. And when they came to the camp of Israel, the Israelite rose up and smote the Moabites. So they fled before them. But they went forward smite but they went forward smiting the Moabites even in their country. And they beat down the city and every good piece of land cast every man the stone. And when the king of Moab saw that the battle, so you see the story, it happened exactly like that. You will not see wind, you will not see rain, but the valley shall be filled with so that supernatural intervention in a time of crisis and famine like that, God came through for them. Hallelujah. The next chapter, chapter 4, 2 Kings 4:1. Now there cried a certain woman of the wives of the sons of the prophet unto Elisha, saying, "Thy servant, my husband, is dead, and thou knowest that thy servant did fear the Lord, and the creators is come to take unto him my two sons to be bond men." So not every Christian walk you see sons of the they have come to take him away. So that I'm a Christian is not automatic does not automatically that I worship God does not automatically gives me money because worshipping God and money are not the same thing. Worshipping God and money are not the same thing. So how do normal people how should you normally make money? By doing what normal people do to make money by physical interactions. Because money is a medium of exchange in between men. So you have to do what people do to be able to get money, to be able to make money. That's how money is made. That's how money is made. Money is made by that interaction. That's how money is. That's how money is made. So I don't want to do anything. I just want to sit in my house and let the God of heaven flood me with money. You can as well just be a thief because you already have the makings of a thief. You can as well just start robbing because you're already doing it. The desire of a slothard will kill him. I wish not read proverb for you. Ah just lazy. I don't want to do anything. You know most people don't know that hard work is a force and it's also unseen perseverance. There are many unseen those are unseen physical forces of course and many of those look at how people have never been motivated by people who work hard in the name of Jesus. Money is coming now. Oh, God is flooding me with resources. Oh, Baba only work three hours in a day or even look at some persons who are loving the whole virtual space. Now, at least we have one of the persons here who teach people a lot of things like that. Does she look lazy to you? She's not lazy. So, why are you lazy? Because you not take it as okay. So, this is a virtual work. So we just get to lazy about better go get a job. So shall your poverty come like an armed bandit go take you by surprise. Hey, hey, don't die. Don't die. Don't get Don't enter street straight. Don't hit streets. Work hard. Work hard. Stop, stop, stop desiring. See the desire

of the SL will kill him because he can't desire for Africa. I like this. I like this. You don't have money, but you are desiring. Work hard. Work hard. Why are you planning to spend a 100 200k every month? Huh? Your your your desire have 200k budget. You have made it. Oh, let that plan for 50k and grow. That's what you have. Why are you eating 200k in a month? You really are a glutton only. You you're not even married. You're eating 200k. How is that? How much is food? Say ah sir you have not gone to the market e it's not about going to the market you are just a liar it's not how much is a bag of rice it keeps going down now you will not praise the government nothing you hit your country nothing is ever good let's leave that by the way so saying ah something still good is still reducing and lie say why is it only rice if it was not rice now you say rice is the only food we eat negative people Not never see anything good. Never see anything good. Always finding something negative. Negative. Other countries want to go now. They are chasing them like they are tips. Immigrant like your country. Nothing like your country. The freedom you have moving around with bag and passport like thief. Say where's your visa? I say it's with me. It's with me. Go always carry it about. See, nobody ask where's your passport? Where's your visa? So don't have cuz you don't need to have cuz you're a citizen. All right. Mean you can say my father, my mother. Hallelujah. Are you here? Yes sir. What led us here? I was talking about the desire of the go kill him. All right. Let me read it for you. No, I have to quote it. No, let me read it. Let's turn our Bibles. Proverbs 13 and verse 4. The soul. Now there are many. So we'll read all of them so that you see the soul of the slugard. The slugard. Yes. The sluggish the Hebrew word atel indolent that doesn't like walking soft life the soul of the slugard desireth and had nothing. So he has many desire, many things he's longing and covering for and has nothing. But the soul of diligent shall be made fat. Proverbs 21:25. Now this is the one. The desire of the slotful. That's the same word slaughter. The desire of the slotful killth him for his hands refuse to labor. You have seen it no one walk deserve the slotful. So the Bible emphasizes diligence as how people make money because that's how everybody makes money. So it should be the norm not that you believe that oh I believe in supernatural supernatural does not mean that you should not do because the money the last time we check is fiat note you can touch it now is currency differs from nation to nation we use here amen Amen. Amen. This is desire of the slothful. So the slothful man has desire. Verse 26, he covered greedily all day long. So all day long is to be throwing on Instagram. He get work not get time now. He not get work. Say get time just a scroll say wow lord when that's lost des kill killer lord when wow see wig 700k lord when which head do you want to put it my friend go work out people that should use that are people who have something to put it 700 not the money if you can afford it it's your preference is is you but not that uh your salary is 700k say somebody has I'm not trying to spoil your people's business that say hello cuz if that spoils your business you really have a poor business plan or structure or How many do you have? You said there you have 700 of you can't you can't now who will not buy it you have you have all the hair you bought to sell you have won all no bought them to sell them now so that people who can afford them that will buy

them are you following don't envy don't desire things that you don't have the growth for crumble on You don't be desiring just be desiring your eye. Your eye they choke every time. That's the same thing with evil eye. You envy say ah that guy things are working for him not work for him before. See how hardworking people are. Copy from those people. Amen. See how hardworking people are. Get to work. Get to work. Amen. Be hardworking. Not just everything, anything you can do to make your work easy so that you you don't have to spend longer time. You don't have to. No, that's not the way. That's not the way. That's not the way of wealth and increase. That's not the way. Hard work is good. Amen. Hard work. Work hard. Oh, work hard. and work hard does not mean you should wear yourself out. That's not what we are saying. Not wear yourself out in the sense of that because you don't trust in God. That proverb has been misqued. I'll read it for you. Proverbs 23. Most people don't even know the proverb. Proverbs 23:4. Labor not to be rich. You see, you see it now. The Bible say we should not labor to be rich. How do you read? That's old KJV that is confusing you. Which one is labor not to be rich? No, the word labor there when you say labor not to be rich is the word yag to toil to be weary. In other words, do not wear yourself out to get rich. Look at what he says next. Seize from thy own wisdom because your own wisdom is telling you. Now that does not end it because the next verse five gives it a bit more context. Because will thou set thine eyes upon that which is not? For riches certainly make themselves wings. They fly away as an eagle towards heaven. Because this thing comes and go because there are people far more clever than you. simply cast but a glance at riches and they are gone. So even when we say financial security there are people who are secure but there they still now accident came they were not secure against that. So this financial security many times is a myth because it doesn't secure you against many because there are many other factors that money can can't solve. So don't make your life all about money was what he was speaking of because it can sprout wings and fly away because people get rich today, people get poor tomorrow. People not that he's not saying you you cannot build or to or you not saying that you cannot accumulate wealth systematically. That's not what it's against. But it's against that philosophy that the drive you have as a Christian same drive the unbeliever have. I can do anything. I can cut anywhere. I can as long as we make it as long as we make it that money will fly away will disappear. So do not wear yourself out in that regard that say do not labor to be not that because that is the very opposite of what he has been teaching has been saying labor to be rich. So it can't be saying don't labor to be rich. It goes against this is chapter 23. If you started from chapter one you could not have arrived at that conclusion if you were reading the book as a whole. It can't say don't labor. is against the spirit of what he has been teaching. So you have to read it in the context and in the context which old English is old KJV is affecting. So when he say labor not to be rich do not wear yourself out to get rich. Do not trust your own cleverness. That trusting your own cleverness is the same thing as trusting in riches. Look at it. All right. Proverbs 11. See that he has talked about it before. Proverbs 11. Proverbs 11 from verse 24. There is that scatterth and yet increasth. There is

that withheld more than it is meat. So there's something to withhold more than meat. But it turns to poverty because you should plan with your money. So shouldn't spend everything you have. The liberal soul shall be made fat. He that waterth shall be watered also himself. He that withholds corn, the people shall curse him. People don't speak well of stingy people, but people who give, people are always praying for them. That's simply what he's saying. The blessing shall be upon the head that sellth it. He that diligently seeketh good procureth favor, but he that seeketh mischief shall come upon him. Verse 28, he that trusteth in his riches shall fall, but the righteous shall flourish as a branch. Now 1 Timothy chapter 6. So see where Paul is now teaching. But they that will be rich fall into temptation and a snail. So you need to know this. Everybody who wants to have money. They that will be rich fall into temptation and a snare. There's this snare. There's this thing you must be careful of. And hurtful loss which drown men destruction and perdition. So as much as you want to have money, be careful that it doesn't go into greed. For the love of money, it didn't say money. Nothing wrong with money. Money is a good thing. Money gives you option. Money helps many things. Money brings happiness. Don't buy that crap that say money does not give happiness. Does poverty give happiness? No. Money? No. Money doesn't give contentment. Not money can give you happiness. Now what they mean by money does not give happiness is contextual. They are speaking about that there are people who have money and they are still not happy because God is not in your life but explain things well. Don't just be saying things like money. Does poverty make people happy? See how angry people are. Most angry people are poor people. Most poor people are angry. Most angry people are poor. Most people are angry both ways. Converse rule. For the love of money. Yes. So angry people are poor. Poor people are angry. Always angry at the rich. If you don't know, for the love of money is the root of all evil, which some coveted after. You see, in coveting after money, they have forsaken the faith. Pierce themselves through many souls. They don't care about doctrine anymore. Don't care about the things of God anymore. So he goes further. Then in verse 17, he now says, "Charge them that are rich in this world, that they be not what?" So money can make you highminded. That they be noted high minded. Not proud, nor trust in uncertain, but in the living who giveth us richly all things so that they do that they be rich in good works. Rich in good works, ready to distribute, willing to communicate. So as I desire to be rich, I must see this ready to distribute. So stewardship is the mentality for a believer when it comes to wealth, not ownership. I must have the stewardship mentality that I'm a steward of God's riches. I'm a steward of God's I'm a steward of this riches. I should use it to help, take care of myself, help people and all of that. I must not put my trust in riches. And that is the challenge. The average man puts his trust in riches. Remember the story Jesus told in Luke 18 and Mark 10. When Jesus told that man, you lack one thing. Sell all that you have. Luke 18:22, "Sell all that you have and distribute it unto the poor and thou shalt have treasure in heaven and come and follow me." And when he heard this, he was very sorrowful, for he was very rich. He went away. He went away because his trust was in riches. That's why Jesus said, "How hardly shall

they that have riches enter into the kingdom of God?" Because this man is worshipping riches. Riches is his God. Many persons are like that. Money is their God. Once you serve money or you worship money and it's very easy to fall into that temptation to trust in riches like so the reason why you are happy the reason why you can sleep well at night the reason why anything is always because of money no don't be like that that's why say do not labor to be rich you are falling into that snare already you are falling into that worldly system don't do like that that's what proverb remember proverb is a proverb It demands interpretation. So it's not taking at the surface a proverb. Do not labor to be rich. So do not wear yourself out like the world do for what flies away. That reading alongside Ecclesiastes intertextual corroboration. You see it ecclesiastic talks about that a man has so much where later he flies away. later is a bastard son that we inherited or somebody else you see that whole context put it together the same writer so his thoughts flow together in proverb and Ecclesiastes so you can't give it your own meaning amen so the man of God told her in the story we're reading 2 Kings chapter Was that supernatural? Shut the door. Keep pouring oil. The oil multiplies. Is that miraculous? Notice he told her to sell it. She still had to do business. Don't remove the place of the natural. Don't remove the place of the natural. So we know that uh we can get supernatural interventions. Okay, that's Old Testament. What about Jesus? Since some people have Old Testament as books in their brain, let down your nets. And he did. Luke chapter 5. Luke 5 and verse one. And it came to pass that as the people pressed him pressed upon him to hear the word of God. He stood by the lake of Janessar and sat and saw two sheep standing by the lake and the fishermen were gone out of them and were washing their nets. What did he do? And he entered into one of the ships which was Simon and prayed him that he would he was so poor that he had to rent it. Stop stupid narrative that make you sleep well at night. is preaching. He saw he enter so poor he could not he had to so poor so stop defending your poverty and trying to use Jesus to justify it it's not fair is the reason why I would never use that phrase and I've never been ever be ever ever able to use that phrase to say Jesus was poor first we make poor poverty just about money as it poverty has too many context of which unproductiveness laziness not living for purpose There are so many that associated with poverty not just not having money because every wealthy person will will pass that phase in his life where will not have money. The converse rule of life affects everybody. If you want to be rich it will be looking like you are becoming poor at first because you'll be g you'll be removing all your money and putting it into projects putting into different things to accumulate for tomorrow. If you want to be wise, you'll be looking foolish at first. Then afterward, cuz as you are learning, you like, I don't know this. Hey, I'm not smart. Hey, but you are getting wiser, but it look like you are foolish. The same way you want to get stronger. You'll be looking weaker as you hit the gym. Notice you get tired, but you actually getting stronger than the other person is not gyming. There of things. It is how life is. So don't let that makes you uncomfortable. So if it's about ush in Dangote's admission he say he was broke. He said no that's a big man broke. No it's not big man. You always we always like justifying things.

But he was broke because he was he didn't want to borrow the money he was going to use for those major projects. So he put a lot of his money into it. And for him that is being very very broke because he's not he's not used to having that limited amount in his account. So that's the reason why poor is relative because you put two billionaires one is poor compared to the other you don't know \$249 billion then one man is saying \$1 billion baba one is one is poor sir you are getting it so always realize that those terms are relative so then to now use it for Jesus I'm not saying of course Jesus Jesus didn't have to be rich and wealthy because that's I mean he didn't come to he didn't come for that purpose he came to die I mean somebody's living to die will his living be about accumulation so don't use Jesus in that yastic because that's if he wanted to accumulate weight would have easily but that's not his mission that's not what he live for and beside he had enough to take care of himself there was never a place where Jesus said I have not had food because I'm poor I'm suffering don't lie don't had we know the grace of our Christ died for for that he was poor not poor in his living on the cross which is used to explain sin he became sin for us is the same thing as he was poor for us not that he was poor through his life no he wasn't and it's not just because he had treasure all those one one way of explaining no that you almost that way you are saying everything he was using for ministry was his was his personal money. No treasur was not treasure for his life was for his ministry for God's sake not suffer for the thief money the examples do not follow he had treasurer he had fine clothes that's beyond all of that that's not the purpose for his living if he wanted to leave for accumulation it would have been very easy because he had a lucrative job competit a lot in that day and name. Hallelujah. And when he had let speak it, he said unto Simon, "Launch out into the deep and let down your nets for a" And Simon answer said unto him, "Master, we have to all night and have taken nothing. Nevertheless, at thy I will let down thee. So there's a place of miracles. And when they had this done, are these fishmen? Is this their normal craft? But the power of God and they are having a different result. They toiled all night, caught nothing in that same river, but the power of God came upon it. That's what we are talking about. That's what we believe. Supernatural intervention. Not that we are lazy just there. No supernatural interventions. We believe in it. Hallelujah. See another Genesis. Let's go. Old Testament. Hate that word but using it deliberately. Genesis 26 used for books. Go to Genesis. And Isaac dwelt in Gera. Verse six. And the men of that place asked him of his wife. So she's my sister for he feared. That whole story. Verse one. So that you get a bit of context. And there was a famine in the land beside the first famine which was in the days of Abraham. And Isaac went on to Abamec, king of the Philist Gera. And the Lord appeared unto him and said, "Go not down into Egypt. Dwell in the land which I shall tell thee." So Isaac now dwelt in Gera because he didn't want to go into Egypt because God not allow him going into Egypt. But was there famine? Was there famine? So look at verse 12. Then Isaac sold in that land and received in the same year and 100fold and the Lord blessed him. So the Lord was involved. The Lord blessed him. Not all farmer can receive 100fold. Now not all farmers can receive a 100fold. Not all farmers I mean look at poetry

farmers. Not all the beds die. Look at every form of haveve never done agriculture before. me have at least I have practical knowledge of agriculture. To have a 100 food is a lot. Is that supernatural? Yeah, it's supernatural. Look at the Jacob Laban mating story of the animals. Hallelujah. Amen. Psalm 122 and verse 9. Psalm 122 and verse 9. Psalm 122 and verse 9. Have you learned something this evening? Psalm 122 and verse 9. Because of the house of the Lord our God, I will seek thy good. This is the reason why some of some of us want to be which every Christian should have as a desire because of the house of the Lord is the reason why you want to be wealthy should be a good reason. Hallelujah. For God has let's read more text in that psalm. God does not have delight in your poverty. God does not is not enjoying it. Psalm 35 as we round off this evening. Psalm 35 and verse 27. Let them shout for joy and be glad that favor my righteous cause. Is that you and I? Yes, sir. Yay. Let them say continually, let the Lord be magnified, which had pleasure in the prosperity of his servant, the shalom of his servant, the wholeness, that things are working. God cares. God has pleasure that things are okay with you, that you are in peace. God has pleasure in it. Once you take side against God's word is now a spiritually induced problem you are going to have once for any reason you have this idea that God does not want you to have good things no you are not reading the Bible where you are already now against you will never so every time you want to pray every time you want to every time we are saying be blessed it's enough for me everything in this life is what I work hard for don't do like that don't be like that amen amen Amen. God has pleasure in the prosperity of his servant, in the peace, the great wholeness, wellness. God likes it that everything is okay with you. God likes it that everything is okay with you. Hallelujah. Amen. Amen. And in my prosperity, I said, I shall never be moved. Psalm 13:6 and in my prosperity. The word prosperity there is the word security, in my ease, in my security, in my safety. I said I shall never be moved. Then he said, see why he shall never be moved. Look at the next verse. Lord, by thy favor thou has made my mountain to stand strong. So this is why I'm unmovable. Favor has garrisoning me about. I'm unmovable. So I shall not be moved in that security. The security that I'm getting now by God's favor. I'm fenced in by God's favor. Hallelujah. I'm conscious of that. Hallelujah. I'm conscious of that. So don't take away the place of miracles. I'm working hard. I'm working hard. Don't take away that place. On Sunday, I'll show you actively. You see what the angels are doing behind the scene. But notice for Jesus's old, he said the word. Could Peter not say the word? Maybe his word would not have worked because he didn't believe in that kind of thing. And there are different actions and activities people have taken. The woman came to meet the prophet. There was the speaking of the prophet, the speaking of a man that understands the way of the spirit. When they had no wine, the Mary said, "Whatever he tells you to do, do it." And he told them, "Turn." You cannot remove the place of miracles in the Bible. You cannot You cannot. Hallelujah. You cannot remove it. What about the woman that was going to eat the last and die? She and her son and Elijah visiting her made that bread to stay. You can say, "Oh, that's the power of God affecting matter." Is that not enough to renew your mind that

the power of God can help you in every don't remove it. But now the power of God can help me and there's nothing is helping you in. So you're just desiring and loving and liking. No, work hard. I beg you, work hard. Work hard. See that Esther story that you liked. See that Joseph story? None of them were lazy. None of them were lazy. Even David say miracles of promotion. David was promoted. Monica was promoted. Are they lazy people? Read their story. Well, now they are not lazy people. Don't be lazy. Be hardwork. Push. I can listen to God's wisdom. I can listen to God. I can also uh have supernatural intervention. And it shows up in different ways. Where I am is where I'm not supposed to be right now. By my natural growth procedure, by my own cleverness, I shouldn't be here. But my trust is not in riches. My trust is in God. And he can give me the wisdom the idea because ultimately it's God that give everybody brain. You notice ideas are flying up and down because God give everybody brain. God give us richly all things to enjoy. God has put in the earth everything that we need. You have a brain. Use all of these things but ultimately God himself can still help us and guide us. Amen. And we are open to that. Hallelujah. Yes. So make up your mind. Oh this what I want to do this. So it is for prosperity for having money and all of that. What do you intend to do with your life? How do you intend to do it? If is any area know that the Lord and his host are with you. And that's why we have the Elijah Elisha story in the Bible theologically positioned at the right place to show you that God's power can be involved in our activities. God's power God's power. I believe [Music] Amen. Stand on your feet, J. I don't know how else to say it. Go ahead and just pray in the Holy Ghost. Thank you, Jesus. I believe God. I believe God. I believe God for miracles. I believe God for miracles. Thank you, Jesus. I believe God. The Lord and his host, they are with me. The Lord and his host, they are with me. The Lord and his host, they are with me. The Lord and his host, they are with me. Has given his angels charge over me to keep me. To keep me, to keep me. They are guarding me. Even in my finances, in every area of my life, they are guarding me. They are watching over my affairs. Oh, thank you, Jesus.
