

Amen. Father, we thank you this evening, Lord. We open our hearts to your spirit again. We thank you for the preciousness of your word. We declare that in this service again, the eyes of our understanding will be further enlightened. We live here with a greater understanding of the unseen realm and how it works, how it functions, and we take our place as seated on high with our authority over everything. We thank you that the things that ought to be said in this service will be said. The things that ought to be done will be done to the praise and glory of your name. I ask that your word come with fire and audaciousness this evening. Breaking stony ground, opening our hearts more to greater revelations in the name of Jesus. Amen. Let your power be felt in the words that are communicated this evening in the name of Jesus. Amen. Amen. God bless you. Have your seat. Unseen forces. All right. Here we go again. Romans chapter 15. And I'm going to teach with an idea that you've been a member of this ministry. Amen. I'm talking to my members. All right. Romans chapter 15. We did a series uh last year or 2023 into 2024 was it or just purely 2024 20. All right. Unseen forces understanding your spiritual supernatural authority. And this time we're doing on sin forces being wise and strong with his power. Hallelujah. I didn't want to give you strange meaning. Uh I didn't want people to have a strange meaning. I wanted to say be wise and strong with powers so that nobody's thinking what does this mean? All right. You know people uh say they know scripture but they are very selective in their hearing because the way they know scripture it's to be excited or to fit into a camp. This is how we say it in our camp. God's word is simple enough. We shouldn't complicate it. Amen. All right. Romans chapter 15 and we will read from verse 4. Romans chapter 15 and we'll read from verse four. It says, "For whatsoever things were written at four time were written for our learning that we through the patience and comfort of scriptures might have hope. Whatsoever things were written at for time were written for our learning." Say they were written for our learning. Learning that word learning is the word doctrine. The things that were written our full time were written for our learning. The scriptures are written for our learning. So we learn from the scriptures. Our understanding of the faith is gotten from the scriptures in Genesis to Malachi. And now we have the complete cannon of scriptures Matthew to Revelation. And we can say our understanding is full. Look at first Corinthians chapter 10. Again, there were stories he had began to talk about the people who were baptized unto Moses in the cloud and in the sea and how they did all eat the same spiritual meat and did all drink the same spiritual drink. And it says that the rock that followed them was that rock was Christ. And having said all of that, he went down and it says in verse 11 of first Corinthians. Now all these things, what are these things? So the events in the Exodus, the things that happened and the reason for the the Exodus is the reason why Moses wrote Genesis to give them a background of God's plan and purpose. So now all these things happened unto them for examples and they are written for our admonition upon whom the ends of the world are come. So these things are written for admonition. So the things that are written in the scriptures are written for us. Remember we said the biblical writers did not write to you. You were not the direct

audience. So they are written for you not to you. So it's for you. Amen. Hallelujah.

However, what is written we can get a lot of understanding from those text. Second Timothy chapter 3 and from verse 15. We quote the text often. Paul writing to Timothy says from a child you have known the holy scriptures which is able to make him wise unto salvation through faith which is in Christ Jesus. Then he says all scripture verse 16 all scripture pass through all scripture is given everything the whole documentation every all scripture is given by inspiration of God so the scripture is 100% God 100% man all scripture is given by inspiration of God is not inspiring himself obviously he didn't write it men wrote it 100% God 100% man is given by inspiration of God and it is so all scripture is given by inspiration of God and it is profitable for doctrine. He starts off with doctrine again the rule of living. Moses said let my teachings drop like the rain. Let my doctrine and you see a lot of Moses doctrine in the law of Moses in fact that is the doctrine of Moses the Torah the teachings of the man of God. And so but there were stories involving his teachings. The Bible it's a story. Uh in fact we use this word for those who think more around in a literal manner or think more with literature. We use the word the Bible has as the largest theme narration stories narration way of writing narration prose form of writing narration is the loudest largest of so there were a lot of stories that the biblical writers used to communicate their point. Amen. And when we look at a teaching like this on sin forces, one is already uh quick not a member of this ministry obviously. One will be quick to just write u n s e n zero reference or supernatural s u p e r you not see any reference. So there are many synonyms of that word today. Of course, modern Bibles will have that word unseen, have that word um supernatural. However, there are many words and phrases that covers that understanding. And that's why we're going to have an in-depth study this evening and on Sunday and every time we gather on a Wednesday on a Sunday till we will be done with this series. Amen. Hallelujah. So, we have to read a lot of stories. Amen. Because those stories were written for our learning, for our doctrine. So there is a doctrine in the story which is very well corroborated with the simple or plain teachings that the prophets had and also that the apostles had which is how you come about a biblical subject or a or a teaching a biblical discourse or teaching. It has to agree with every portion of scripture. It has to agree with the law of Moses. It has to agree with the prophets. It has to agree with the four gospel. Has to agree with the episodes. Every of them have to come together. It has to agree. All scriptures must come together. The whole and we see the same thing. So we shouldn't have something in Genesis to Malachi that has been removed in Matthew to Revelation. No. No. Paul says all that he taught he taught it from the scriptures. Amen. Hallelujah. I said none other things. So there was nothing else. I think that's Acts 26 22. Having therefore obtained help of God, I continue until this day witnessing both to small and to great, saying none other things than those which the prophet and Moses did say should come. So Paul said, "I said none other things." None other things except that. That's all that I said. Amen. That's all Paul said. Paul who was alleging from the scripture. See that alleging from the scripture all that he thought he taught from there that's um Acts 17

we see that this Acts 17 and Paul as his manner verse two was Paul as his manner was went in unto them and three Sabbath days risen with them out of the scriptures opening and alleging that Christ must have suffered and risen again from the dead and that this Jesus whom I preach unto you is Christ. So where did Paul teach from Genesis to Malachi? So we can't throw it away in the name of we are teaching. No, no, no. We can't throw it away. We can't throw it away. Romans chapter 16 and verse 25 and 26. Now to him that is of power to establish you according to my gospel. That is the preaching of Jesus Christ according to the revelation of the mystery which was kept secret since the word began and now is made manifest. and by the scriptures of the prophet. So that's what Paul taught from he taught from Genesis to Malachi. So that um beautiful when when Peter says the wisdom God has given to our brother Paul the wisdom second Peter chapter 3 15 and 16 and on account that the longsuffering of our Lord is salvation even as our beloved brother Paul also according to the wisdom given unto him the Sophia the wisdom the wisdom given unto him the full and broad intelligence given unto him. That's why it's called the Paul say the mind of Christ. Paul had the mind of Christ. He got it from Genesis to Malachi. The onign of Christ in the scriptures. So it says that wisdom he made him he was very wise with the scriptures is now being explained almost like a grace as also in all his episodes speaking in them of these things. So in his episodes we see that wisdom in the letters and Paul called that few words which I wrote in few words. Paul called his polite episode few words. Ephesians chapter 3 verse 2 3 4 and five. He says if you have heard of the dispensation of the grace of God which is given me to you word. How that by revelation? How that by revelation? What revelation? By the revelation of Jesus Christ upon reading the scripture. Not esoteric. Not it just fly into my ear. No. How that by revelation of Jesus. You see that same phrase in Galatians. He said I knew Jesus. I knew the gospel by the revelation of Jesus. Not by man. By the revelation of Jesus. So it's not tales by moonlight. It's not what it's not what was said around town from the scriptures. How that by revelation he made known to me the mystery as I wrote a fore in few words whereby when you read you may understand my knowledge the word knowledge so is the way I put together my knowledge the flow my knowledge so it's not the normal word for knowledge uses a different Greek word which is sunness is the flow how I made it flow together my knowledge in the mystery of Christ my flowing together that understanding to show you Jesus Christ as who all the prophets spoke about and that is conclusive not that every verse is Jesus Christ. Amen. Hallelujah. Which in other ages was not made known unto the sons of men as it is now revealed unto us his holy apostles and prophet by the spirit called the holy apostle and prophet one thing. Amen. We will talk about ministry gifts. uh we'll look at that before camp meeting. Apostle and prophet here is the same. He says he's calling in fact those Genesis to Malachi men apostles and prophet as much as they themselves is putting the two as the same. Not that they are always the same but he's putting the apostle and the prophet to mean the same thing in that context. Not office of an apostle office of a prophet. No is the two together because Moses function as an apostle

yet he's called a prophet. In fact, there were many of those people who functioned underline the use of the word functioned with multiple graces. David, Moses, many of them function with all what we will call ministry gifts today. Amen. So where what they taught was from where the scriptures. Amen. What they taught from the scriptures. What about Jesus? Did Jesus say search the scriptures? In fact, when Jesus was going to teach in that Luke 24 as we see the end of his life upon the resurrection begin at Moses and all the prophet he expounded unto them in how many all the scriptures the things concerning himself. So we have the four gospel the book of acts the epos all agreeing with the scriptures. So if your doctrine does not agree that's the problem. And so in our teaching on unseen forces, it has to agree. It has to all agree. Not that oh that one is easy to see unseen forces there. No, you must always remember that you are not the direct audience today when you read the book. So don't use your today's world view to gauge their understanding. Nobody is arguing about the supernatural in their timeline. In fact, just like we can argue science today. That's how they argue supernatural in those days. Not like nobody you say I don't understand. No, no. Everybody understood there was an act. I hope you get more than me. Today it will be strange when you hear somebody say there's something like science. Uhuh. You blind. That's the same way in those days where somebody say there's something like supernatural like they will not we don't have time to lie to you. You just keep shine your eye. In fact, just follow me. Let's go and see David. Follow me. Let's go and see Moses. Follow me. Let's go to Samuel's house. Just look at that story now. He say uh I am the seer. He said you will look for a se um Saul and his servant when they were looking for their father's donkey. So okay, let's look for a se. They asked somebody said no you go up you see the se there. They finally saw and say h looking for this see he say I am he that's very shocking then he tells him so and so imagine I say there's something like super how do you inside that kind look at how they made it so normal that we are fine fine fine this is enough just look for a se that's not that kind of worldview is even from the world view you will say is it's not common knowledge no it's common knowledge the kings held the prophet responsible for happenings as if they forgot that there's common sense. There's your proper administration of your country. Though of course it was a theocracy, not a democracy as we have it today where the prophets were the ones who ordained the kings. And that's why today when people sound very barbaric when they say things like what's the church doing about Nigeria? You just want to get pastors arrested for nothing. And I sorry for the pastors who I for a reason I won't use a strong word I wanted to say dim with but I won't because they put themself in trouble hidden to all those church I to say let us speak up speak up without leave the pit want to speak up speak up with your personal page speak up on your own don't have to bring it to church imagine they were killing Christians no one letter written to and now we address Caesar. Now we address Neville. You think they you think they were stupid. That's not the purpose of where we gather as a citizen. I have a right to speak against what is happening in the nation that I don't like. But not that's not the office you are standing here when you are preaching. You're not standing the office

of a citizen. You are standing in the office of the Lord to let us know God's word. And God's word can be known without what is happening in Nigeria. Amen. And that's the reason why people have a local gospel that you can't preach everywhere because the message is always about this country. The country is the gospel is the same to everybody everywhere. Amen. But what is happening Nigeria is not happy everywhere. What is happening in America is not happen every what's happening in the UK is not happen everywhere. So don't preach a local gospel. Preach a gospel that is as it is revealed by the holy apostles and prophets. Amen. Hallelujah. So it all has to come together. Amen. It all has to what? It all has to come together. So when we read the scriptures, we must see that they are not writing contradictory things. They are writing the same things. Hallelujah. Since we're in Ephesians, let's just go Ephesians chapter 6. Ephesians chapter 6. You know, we're going to go back to Genesis. So let's just dance around a bit. All right. If we don't go to Genesis chapter one, what shall it profit us if we teach and we did not read Genesis chapter one? Well, we leave it for today so that we can lay some introduction. All right. Ephesians chapter 6. Are you here? Ephesians chapter 6 and we will read from verse 10. Ephesians chapter 6 and we will read from verse 10. Let me know when you get there. I hope you're not there because of the screen. If not, they will put it off. Don't be there because of screen. Ephesians 6:10. Finally, my what? Finally, my brethren, be strong in the Lord. Tell your neighbor, be strong in the Lord. Be strong in the Lord. Be strong in the Lord and in the power of his might. And in the power of his might. Two words he uses there. In the power of his might. In the power of his might. In the power in the cactus of his isus. Crackus. The word dominion. Be strong in the Lord and in the power that to be able to bring everything under and make his subject because you have extreme strength. So is the word ctos is the Greek word not the normal word dunam means they all are synonyms for power but he chooses that be strong in the lord and in the power of his might then uses might force is force so there's a forcefulness to bring things down be strong in the lord and in that subjecting doineering force oh boy thought you were with me. Yes sir. Be finally my bed. So I've been writing since then he says all right let's conclude this whole discourse to the church in Ephesus. the church in Ephesus the book of Ephesians has a parallel like the book of Joshua just like Joshua be strong be strong that's how in fact when you the more you understand the uh theological way of interpreting the scriptures or when you read the Bible together as a team Genesis to Revelation as a single reading you will see how easy the episodes parallel different of Genesis to Malachi Ephesians looks like Romans Ephesians looks like the book of Joshua. If you are using a story template, you will see that inheritance, inherit the land. Except if you have never read the book of Joshua, what what I'm saying will just pass over your head. Not a problem. But if you have, you see many of the phrases and words Paul is writing about are all Joshua phrases in the book of Joshua that he uses a lot in this Ephesians. So when he says be strong in the Lord is exactly how they took Kaa have that in your mind that will help you because you remember where he's reading from. So in case you say where the pastor get that which book is Paul reading from

Genesis to Malachi so he so Joshua is is loud in his mind as he's writing this letter. Joshua is loud in his mind. So he says, "Finally, my brethren, just like Moses has gone, God is telling Joshua, be strong." That whole stand, sit and walk. That watchman use as the uh short form of Ephesians. Stand, sit and walk. Stand to know our who we are in Christ. seat our authority work the believer's conduct. All right. So finally my brethren be strong in the Lord three. So 222 stand sit walk Abby finally that's 222 six chapters Ephesians have finally my brethren be strong in the Lord and in the power of his might that's what my uh way of putting Ephesians in the paragraph not mine all right finally my brethren be strong in the Lord tell your neighbor be strong be Strong. Strong. All right. Be strong. The word strong there is the word endonamo which means you have receive strength. So the way you have receive strength that's the word empire in simple English today is empower. Be strong. Be empowered because you already have this. So walk with that conscious. That's why I say be strong in the Lord. Walk with that empowerment that you have. Walk with that enabling. Be strong in the Lord and in the power in the charact strength the dominion of his might of his forcefulness. Verse 12. Imagine uh uh sorry I'm in 10. Imagine all of that. Then he now says in verse 11, "Put on the whole armor of God that you may be able to stand against the ws of the devil." Put on the whole armor of God that you may be able to stand that you may be able to stand against the whole ws against the ws of the devil. The word ws is the word trickery, craft, deceit against the whole craft of the devil. Verse 12, for we wrestle because that's the word for remember. For it's a conjunction for because we wrestle not against flesh and blood. We wrestle not against flesh and blood. We wrestle. So our opposition, the word wrestle there, pale, not WWE. We wrestle. We our opposition is not against flesh and blood. It's not mama A and sister B and brother E that is your problem. But what is behind them? What is behind them? So Paul knows that there is something behind people's actions on the earth which is the word unseen forces and we'll get there shortly. So it says for we wrestle not against flesh and blood that is not where the opposition is. It's not human beings. Our fight our struggle is not against human enemies. No, it's not against human enemies. It's not against our struggle, our fight. It's not against flesh and blood, but against what? But against principalities, against principalities. Ar is against principality. the chief using the Greek the Greco Roman word structure for princes in power geopolitical forces he's using it to explain supernatural forces that's what Paul did here so this is principalities were they were physical principalities I mean the ruling class so princ principality power those words are words in the Greco Roman world as it were stra just like we Senate, House of Rep, the executive branch, the legislative branch, judiciary branch. I mean, all of those structure, there's a structure, too. So, he borrows phrases within that timeline. Remember how we taught you on gospel that the word gospel had meaning in their timeline. So, he borrowed a word that looks like he's human beings, but he just say we don't flesh and blood. So, they get it that he's saying, "Oh, so there is higher authority to the things that are happening." So he uses that phrase principality and power. This is the word most used by Paul. We'll get there. We're patient. We'll get there. For we wrestle not

against flesh and blood, but against principality and ps. You know, we didn't touch more on this in the part one on sin forces last year. All right. So we look at this a lot. We read this text nearly every time. For we rest not against flesh and blood, but against principalities, against powers, against the rulers of darkness, cosmocroto, the rulers of darkness of this age. Underline the word darkness. A broad term that that we said we were going to use to explain demons, devils. I told you to use the word powers of darkness. That's how Jesus used it. The powers of darkness. All right. So we use it to explain the whole devil demons because the use of the word demon came in that space between Malachi and Matthew what is called the sec second temple period Judaism that second temple period it's in that uh second temple period that timeline Malachi and Matthew that timeline between what that word demon became a normal phrase that people use to explain it that's why you don't see that kind of word in Genesis to Malachi which I taught you before. So the general phrase we can now use is just powers of darkness. I'm not saying it must be. You can still call it devils. You put s or you put powers of darkness or you put the uh uh dark supernatural beings. anyone or you leave the word demonic demoniac though it's limiting but it's okay but if you want to be exact that word will not stand as a full umbrella it will only stand for just spirits that harass people won't stand for the full stractor of de of devil forces all right it won't if you are being theological if you are being exact in your understanding of God. All right? For we rest not against flesh and blood being exact in your understanding of God or your understanding of the Bible. Hence why I use the word theological. So don't let that word always throw you off. It just means proper understanding of God and his word. So we use theology as a branch of study. I'm studying to know God and his word better. So they just call it theology. All right. For we wrestle not against flesh and blood. to the wrestling. We are in a contest. There's an opponent and he says it's not human beings but against principalities and powers. You notice he used the word against against. So are they all the same? Remember I have taught you four for for doctrine for rep for. So the first one will link all the rest together. Beautiful. So against principality and power. So we mentioned against. So is that all of them together? All right. So against principalities, powers, rulers of darkness of this world, spiritual wickedness in high places in the heavenlies, wicked spirit. That's what spiritual wickedness. Are you seeing it? We wrestle not against flesh and blood, but against principalities and powers, rulers of darkness of this world, spiritual wickedness in high places, wicked spirits in the unseen, wicked spirits, he ended with that. Wherefore take unto you the whole armor of God that you may be able to withstand. So this is not, hey, we are finished. So all right, so let's start fighting. No. Wherefore take unto you the whole armor of God that you may be able to withstand in the evil day and having done all to stand therefore. So having done all to stand do what? So how are we fighting this fight? By throwing blow or by standing. All right. So we are all sure. Wherefore take unto you the whole armor of God that you may be able to withstand in the evil day. And having done all to stand, stand. See how many times stand is mentioned. Stand is mentioned in verse 11. We stand. Don't all to stand. Stand therefore. Four times he

mentions stand. So you can't miss the point that this fighting is not to be throwing blow. This fighting is by standing on your authority in Christ Jesus. All right. Stand therefore having your loins geared about with truth and having on the breastplate of and your feet shaw with the preparation of the gospel. Have all taken on the shield of faith wherewith you are able to quench the fiery that of the wicked and take the helmet of salvation, the swirl which is the word of God. praying always with all prayer and supplication in the spirit watching the unto with all perseverance and supplication for all saints. So we are called upon to bind on sin forces. So we have authority over the devil and evil spirits. Now notice the use of the word principalities. Three times he would use that word in Ephesians. You sure you're ready for a study? All right. So, we're studying Ephesians 1:21, Ephesians 3:10, Ephesians 6:12. So, let's start Ephesians 1. So, because he says finally in Ephesians 6. So, that should not be the first time the church of Corinth in that letter are hearing the word principality or power. All right. So, let's see where this was first mentioned. Ephesians 1 verse 18. All as we love to read from verse 17 the Pauline prayer that the God of our Lord Jesus Christ the father of glory may give unto you the spirit of wisdom and revelation knowledge of him. What will happen when you have that? The eyes of your understanding is enlightened. And you know what is the hope of his calling? The hope of what we have in Christ. That expectation, the full package, the what being a Christian is really all about. What you have come into in Christ Jesus. That's what it calls hope of his calling. And what is the riches? Not money. The word riches there is the wealth, the abundance. The riches, the abundance. But there's an abundance we have in the spirit. When we say that's why we call it the wealth we have in the spirit, the abundance in the spirit. The riches of the glory of his inheritance. Where is that? In in descent. All right. How is he in descent? By the Holy Ghost. In the sense. All right. And he gives an example of that abundance. Verse 19. Even what is the that's the word and remove and and put evil. So he started mentioning that abundance the riches of the glory is mentioning some of the details. So one of the riches of the glory is exceeding greatness power. I wish you got that. One of the riches of the glory that is in me is that I have exceeding greatness power to us what who believe according to the working of his mighty power. Six words I used to explain power. Notice how before he always talk about principalities. He would talk about power that we have. So we have what? Six words to explain the power. We have exceeding hoopaloo or power that exists target. When you throw something beyond it surpass it sup it excel it goes beyond it's exceeding. So hoopal it exceeds target. My favorite example, somebody say give me water. You says you bring the pen to a river, he will drink and drink and drink a clean river. In case you hear river and your mind goes to dirty one because of your village own. So obviously the example should fit it should be clean river. All right? Because it's always flowing. So it can't be it's always flowing. So river is not stagnant. It's supposed to continuously flow. So anything you put in it will easily move consistently with it because of the currents are moving. So it's always clean and fresh. That is over. I just said give me water. One small bottle is enough. But you gave me over and beyond. Hooper ball. The

power of God exceeds target. You want to heal headache. You put so much. The power that that is healing headache can raise the dead. That same power that is healing can raise is hooper ball seats target is over and beyond. So you address uh fever like you are addressing legion of demons inside a body. H are you getting the power is like that is hooper ball over and beyond. Did you get it? Yes sir. Exceeding greatness. Then the word greatness get us greatness to explain the magnitude of that power. So when we say how far ah if the power cannot do it baba you'll die with the problem and thank God there's nothing the power cannot do. So the power in magnitude cover all scope all scope it covers everything. So if you say all man cover everything is brought under by that for with God all things are possible. So that power everything join. So he uses that word megataus again to explain power. That's the word greatness of his power. Dunam means inherent power which is where you get the word dynamo. Dynamite. So selfgenerating dynamo. Dynamite. So it's explosive. It's inherent but it's explosive. It can do much. So inherent but able to do much. self. That's why you can say oh this generator what is the power inherent rating is this that's why it cannot carry more than that but this is exceeding greatness of the of the dunamis. So the dunamis is you can't exhaust it. It's exhaustless. you it's infinite because he said exceeding hoop greatness then he asked that to dunamis so one small generator in our Nigerian language we say I pass my neighbor that very small generator of one KVA cannot carry all the instrument we have here notice how big our generator is 100 KVA is a 75 KVA when you see all of that Oh, so 50 could not even carry the things that are here. Wo. So you now bring one small generator to carry all the things we have here. It won't work. Two AC that already tripped it off. Maybe you want the AC to trip off there because the AC is stronger than it. So the power does not bounce back. It's able to go where it is sent. All right. So you get it. So it says exceeding greatness of his power. Did you get it? According and that power is according to the working. The word walking is the word energy that's still in verse 19. According to the working. So what is the efficiency? It is always on. You not go off. It's always on. Always working. So that's the word walking. Nothing is ever wrong with the power is always working. And where I use that example again that no country no matter how developed they are, they say they have a working power system. But in the sense of this world working as long as it goes off for one second in one year or five years which happens all in developed countries it goes off for some seconds some minutes someday we have to write a letter send a mail to everybody in the community that oh we are changing from this grid to this grid or something happened or turn that storm so but we'll resolve it in no time. There's an apology that goes with that as well but that's fast. So they can never say, "Oh, we have a working power system." Are you following? For example, in California, the power when those fires were raging, those people didn't have lights. They had to on their backup. That's why it's called backup generator. All right. So the that's working power system, but it goes off for 1 second, 2 seconds. There's no time we call on God. I say no, it's it's maintenance we are doing now. It's a thunderstorm. The thing shocked me. This this this problem shocked me. I'm trying to get myself. No. Is working in

Nigeria. That's the power in you. All right. Of his mighty. That's the word is again mentioning the forcefulness. The forcefulness of the isus of his power. Power. The last word cactus dominion. Everything is brought under it. which he wrought in Christ. Are you in Christ? When he raised him from the dead and set him at his own right hand in the heavenly places. So I'm in Christ in the heavenlies in far above. So I'm in that right hand. I have exceeding greatest power. I have hoopabalu. I have megators. I have allowed the different phrase the Greek word instead of the English because English will have to repeat power two times. Some people think Greek is for revelation. Are you getting it? So I have power dysalu I have megators. I have dunamis. I have energy bu that's where you get the word energy. And this energy is exhaustless. is always running. All right. Energy. I have cracktos. Six words to explain power. He has exhausted the whole vocabulary just to explain the power that is in you. You think Paul doesn't know what he's doing. He knows what he's doing. Then he now says that you are that power is enough. So if he reach to rack, I will beat the devil hands down. that if he say let evil rack oh you didn't get that then he now says no need because you have authority you are in Christ so with delegated power he is already going to behave far above you see why that statement is very offensive to people like us where the preacher say I committed a crime I cast out a devil I did not have rank for is very offensive because it's a mockery on himself Not the church. Huh? They casted out devil before they got saved. Judas was tying from the P. The devil did not say you are stealing from the P like they try to act in those Mount Si movies. He's stealing from the P. So that's the reason why not born aware in the eye. Judas was sick as a devil and he was a thief on Paul and the devil did not say you Judas you cannot you cannot and he was not saved eternal life is not even resident it was that Jesus sent them in his name power of aton power of aton that's not how he sent us we are now Christ to that in the name that we are going that is not the power of aton is that just like Christ Jesus was to the principality of power. That's how we are. That's how we have come. Amen. Amen. Far above. Far above how many? Far above how many? Far above all principality. That pastor did not get the memo or the apostle. So he's not a pastor an apostle whatsoever. Fos should know better because they lay foundation. That's not good foundation for us to run with. That is a crime. Far above. You know what the word far above mean in the Greek? It means far above in place and rank. The two is actually the two. When you hear the word far above is far above hooparano above the rank or place and that place is the word in bracket power above the rank or power. So any rank we outrank them. Yes sir. any rank we had ranked them which he wrought in Christ when he raised him from the dead and set him at his own right hand far above now this one he mentions both the good and the bad one because he say all principality all he left none so this all principality here shows that the believer has power over all why I haven't even scratched that where Paul say you don't even know you will judge angels Now there is a biblical way of doing it and a non-biblical way of of of interacting with angels that some people have said the angel wash my plate really authority like that I don't think you have seen one if you have fear will not let

it utter from your mouth wash look at the the tallest person among us here let that person also let's say The person is also big like a giant will will startle you a bit. You'll be careful in how you engage that person. I mean the strongest person in your place where you go and gym will startle you a bit. Now think of being higher than that bigger than that cuz that's how the physique look for supernatural beings. Bigger and stronger. They have all the muscles for it that go with the might too and they don't have flesh and blood. No go tire the way you quick tire would they run. So so that they are under us in Christ Jesus is not h to be used in a playful manner because the authority is not given for play. It's for a use. Amen. Did you get it? So, it's only one set we wrestle against and that's the dark ones, the on the negative ones, the ones that are corrupted, darkness, the ones that are in darkness, not the ones that are in light. So, far above all principality and powers. Underline it. Now, see the another word he uses principality. Power. The word power is esia. Principality. Arusia might dunamis dominote that mentions the word dominion which another word for it is government is calling those powers government. there a government there legislation we'll come to that and every name that is named there's governmental legislation on the matter so I brought another government into this matter that's the I brought another government that word dominion there but let's we have the time so let's look at it far above all principality The word principality is the same word in Romans 8:38 where he says, "For I'm persuaded that neither death nor life nor angels nor principality nor powers." In Romans 8:38, just write the references. You can't turn there. You can't turn. You can't turn. Just write the reference because of time. Write it. In Colossians 2:15 say, "Having spoiled principality and powers, Jesus spoiled them." In Colossians 1:16, which we will read again, for by him were all things created that are in heaven, that are in the earth, visible and invisible, whether they be thrones, dominion, principality or powers. So use this word thrones, dominion, principality or powers. Four words I use thrones, dominion, principality or powers were created by him and for him. So it was him who created them. In Jude 1:6, and the angels which kept not their first estate, that word first end state is the word principality. That's what I wanted to show you. The angels which kept not their commencement, their chief place that did not stay in the might, the rank, the status, the proper word we will use in our English vocabulary will be the word status. They didn't stay in their chief status. but choose to cohabit with fine fine guests that they saw in Genesis chapter 6 as he reserve in chains of darkness under the judgment of the great day. to use that word first estate principality is the same word used in Hebrews 2:3. How shall we escape if we neglect so great salvation which at the first? So it's used for the first which at the first. So it's used for high power. The first the commencement of status. So you already see that is high ranking. You are quiet. It's high ranking. So principality that's the word now is used for human administration governments too. In Titus 3:1 it says put them in mind to be subject to principalities and powers to obey magistrates be ready to every good work to speak evil of no man no brother is talking how the believer should conduct himself in society. So I remember I gave you that that word is from the Greco Roman word. Now that word

principality is used in first Corinthians 15:24 as the word rule. Then come at the end when he have delivered up the kingdom to God even the father when he shall have put down all rule and all authority and power. You see when shall have put down all principality power. So he uses a different word. Use the word rule. rule, authority and power. You see why you must know the words in the Greek for teaching purpose, the rule, the principality, the authority and the dunamis. So notice the phrasing. So in our Ephesians 1:21 where we are he now says far above all principality back to our text far above all principality power might and dominion and every not only but also in that which is to and has put all under and gave him to be to who? So who did Christ hand that authority to? So he mentioned power remember the twin power and authority for power we feel calm because of resurrection the now being born again that status in Christ Jesus we are finally that man that God intended man to be he say if he we rock and we go beat them. Ah that is on head of before God. Bman has taken his place. All right. Now he now says in authority delegated power you are at the right hand. You are just like Christ. That's what he means by put on the armor. You are dressed like Christ. The same appar. The same camouflage. The same uniform. All right. So he's just telling you with within the authority of the Christian life, within the authority of the Christian, those things where put on the armor, all those things are who you are in Christ Jesus, not something I'm going to look for the are you already saved. The salvation protests your mind. I'm saved. I'm so sure I'm saved. Uh so everything there are all details that you have in Christ Jesus already, not something you are going to have. far above all principality and power, might and dominion, every name that is named. Every name that is named. Say with me, every name that is named. Every name that every name not some when I I mean this text you see you say pastor be fast. I read this text for months. That's when I do I remember Facebook reminded me of that post recently where I found it. I mean where this scripture was shining light, I could touch the light. I mean it was so blinding. I say and I had that I I slept. I had that dream where I was pursuing the devil. I could not before short distance then increase his space that I could not meet up with him. Then before I b he has already bend and I could not see him. Then before he bend bend bend bend bend. It's like I had a drone shot view. I could see that he had done many b and he was panting let's not ever catch up with us so we are finished I woke up the lord say far above those were teaching days where the lord was using brighter grammar to teach me many things exactly when I woke up I heard like somebody called my name I turned nobody was there far above you have entered I told my friends the one that called me chariot in the birthday video. Let's go and eat. Let's eat and dine tonight. So any devil matter, bring it to me. Even with like this go, Satan recognizes it m his master and its lawful master in Christ Jesus. He is now the prey of me the mighty. The tables are reversed in Christ Jesus. Not only has the prison water been killed or destroyed or paralyzed, you are now the master over that prison water and he has now been thrown into the prison. Jesus finished work in redemption. Far above. That's how we can't rubbish it. I can't sleep in the night. I can't sleep. They are pressing me. Who is pressing you? what you are far above.

That's why Satan hates when we teach like this. He would do anything to make people not believe and agree with this that we are saying and tell them ah there are powers. Oh did we say they are not? That is the very thing that we have power over that that you're trying to define and explain. Luke 10:19 I like always said it like that. Luke is not of the UK is Luke look at 10:19. Behold I give unto you power to trample upon. Behold I give unto you to trample to trample. to tread upon. You just they trample under. Behold, I give unto you exusia delegated power to trample upon serpents and scorpions and over. How many again? That apostle did not get the memo. or over the of the enemy and nothing. See how we generalize everything you now say and nothing. So that powers of the enemy is now called what? Nothing. Nothing. So when you say the devil is after me, nothing is after you. That's Hebrews 2:14. For as much as the children are partakers of flesh and blood, he also himself, that's Jesus, two part of the same, that through death he might destroy. I like that word catego, render useless, make a nothingness, bring to nothing. The classical Greek cause it to bring to nothing. What has been brought to nothing is after me. The word in the margin is useless. So you say the devil is after me. Useless is after you know we use the word useless anyhow when we are just throwing shades. When you say somebody is useless he's good for nothing. So the Satan is good for nothing. In the words of Rhad Bonny my man my hero. He say Satan is not thinking well. Jesus have mortally wounded him. exact phrase in a magazine by fire that book he wrote it. Jesus have mortally wounded him. He has crushed his head. Satan is not thinking well. Ah he's not thinking well again. Oh if not that's why sometimes say let me let me let me let me try Jeremiah let me try Nelson's house. Okay. If you think where where they go kill you, you go go. That's why you stand. You don't throw blow, you fall our hand. You stand. Having done all to stand, you still stand. You with stand, you stand. Having done all, you stand. So once you start once you wake up early in the morning, powers in the sea, powers in the water, the marine, you are a fool. So sorry about that. You are defeated. It was a sleep. Forgive me. All the people who are who pray like that, forgive me please. I didn't mean it like that. Hi God, that was a big sleep. Hi. Sorry about that. I didn't I mean that from the bottom of my heart. It was not deliberate at all because I have aunties that pray like that. So, so you know what I'm talking about. So, I'm not trying to be disrespectful. No, no, no. Satan have play you one one is it say that 10 10 Satan have play you 10 10 and he have warn you. Every demonic as you wake up in the morning as you are doing that thing, you know what you are doing? You are sinking lower. Everything arising against my life. What are you waiting for? The only good thing you first go under after you as the thing is trying to bury you. You now say die. You not go up back again. So it's just yeah see I've watched these things in this on scene. have there was one then I I visited my auntie and she mentioned about uh Keny how she loved him though uh she's now where and they pray all of those prayer but oh you wrote a book on believers authority these things I saw those things and that day when she was praying I had just began to uh actively see the unseen I mean by initiative not the one that comes comes to me. I we're just praying that early morning. I said, "What are you waiting?" I just

show her. Then as she say, as she engage the authority, she rise her head up. So we are not dealing with the issue because you first go down, then you when you finally say out, when you finally say get out, you jump up back. So you could not the punch did not land. So that morning in that devotion I prayed I said in the name of Jesus everything that is recognized in this house as a distraction I just sum everything no longer seize in your maneuvers let your schemes end in the name of Jesus. said that prayer is short. I say we'll do the rest in tongues leave like that short powerful pass. Sometimes we think is by mention all of them the one in the all powers behold I give unto you power. See, I give unto you power to trample upon serpent and over all the powers of the enemy and nothing shall by any means hurt you. Did Jesus give you the guarantee? He's a liar. That's what we say. That's what Jesus means. That means Jesus is a liar because they are hurting us. No, they only hurting those that are outside that authority. How can a Christian be outside that authority? They know not. So they walk on in darkness. Every time you are in ignorance, you walk in darkness. You are the same. You and the devil are in the same room. Satan's authority is broken off. You know, using Reverend Freedom's best word, Satan does not exist. He only exists in the realm of ignorance and unbelief. That's the only place you will ever jam the devil as a Christian. Except you don't know your right and privileges in Christ. When you don't know your right and privilege in Christ, you will run into the devil a lot. But I can't remember the last time I had a run. I only run into him when I'm praying for people and dealing with people's issue. I never run into the devil. I never believe I can run into him. Me and him can never do a running into each other. Say just like that. That's why we're teaching on sin forces. That man with knowledge. Look at what knowledge does. We'll come back to this Ephesians. Look at what knowledge does to a man. But you say, is it not just is not just 1 Corinthians 1 Corinthians 8. Verse four. As concerning therefore the eating of those things which are offered in sacrifice unto idols. We know this is not what everybody can say. We know this word we know is the Greek word idol. Eid we perceive it. That means it clear our door open finish. Oh. So is the word to perceive clearly. You have noticed it clearly. You see, have you unraveled the whole We have seen everything into to have seen every part of it. We know that an idol is nothing in this world and there is none other god but one. It didn't say there are no other gods but we don't recognize them as anything because the gods are dead. I've told you that for though there be that are called gods. So there be so it's not it's not Paul will not be how can it be diagnos something like god I've told you before and it's not the female doors the there are beings behind those statues those uh icon iconography the draw all those representation there are beings behind it all right the female the male version the male and female god and goddesses that people worship It says, "But to us there is but one God." Oh, let's verse five. And though there be that are called gods, whether in heaven or in the earth, as there be God's many and lords many, but to us to us there is but one God, the father of whom are all things and we in him and one Lord Jesus Christ by whom are are these the same references in Ephesians one where he say all things remember that all things in Christ that's your

dominion your authority and we by him verse seven how big there There is not in every man that that's the challenge. There's not in every man that knowledge. The word knowledge there noises G n o s i is a different Greek word again for knowledge. There's not every man that fact that knowledge. The same way you can I know this person finish. I know this. There's not in every man that theoretical knowledge, experiential knowledge. physical, tangible, you have seen everything you need to see about that knowledge you have in Christ. So how be not every man that general intelligence for some with conscience of the idol that is the problem they still have conscience like narot t l I touched it shock me that thing still happens to some Christian that once it happened to you know you don't have that knowledge once you are pressed in the night you don't have That knowledge it's undeniable. It's undeniable. Once they are still able to oppress you in the night, you don't have that knowledge. your life not behind man that knowledge once you can believe that so it's one thing to know that there are powers of darkness in this world is another thing to say it with sigh like you are scared like things they happen you already don't have that knowledge Satan is going to use it to do 10. There is not in every man that for some with the consciousness that's the word conscience. Their mind is full of conscience is now a pattern. That's why you see people on trust that you already believe they're not saved before you knew the gospel say that's not a Christian that is is going to that was conscience. So there's there's good conscience and negative that conscience now is not it was instilled in you by teaching. So when you say conscience conscience is not just the one that maybe no good and bad. Ah no conscience is a bigger there are different phrases or different context of conscience. There's conscience that can be sealed with hot iron. So, so a a [Music] preconceived way of thinking or a a pattern a notion that is now the conscience. So I have this particular pattern or notion that's now what is calling conscience. The conscience did you get it? Of idol unto this hour eat it as a unto hand. So so it says so there are people that have that. So when you are with them you let them pray their prayer. It's the same thing too. But if you have opportunity to explain explain to them because if they don't pray that prayer they may they may feel like they going to die. So don't now tell them h tell them the truth but at least it's better they pray that they don't pray because they don't pray they don't finish because they really finished they really under because see knowledge is knowledge let me try and say it the way bishop says it the only bishop you know now the one in altar the level of truth you know is the level of freedom you command. Yes, that's why I can write Sat and get lost. Now you have to I've never seen ah you have to know something to be writing book title of book s get lost is you know obvious that you are looking for trouble. Yeah. See that thing is that book he wrote said my wife told me I have been bleeding since morning. Say woman are you pregnant with blood or with baby? Give me my food. And that is David Jr. today. You see in that book he say he was a mad man. said get into that car. I should get into I say the wife say she he forgot to mention that I was inside that car with his with his with his child pregnant where he said the mad man went inside the car and the mad man became normal that's authority you see

now if you are into abadabi not apostle teaching what you will not hear is oh god lord that dimension there's double o and I that end with but I won't call cuz that's playing the fool. Mhm. I said it in a nicer way. Um, your prayers are really working with me now. I'm really changing. I'm getting better. Just keep doing that. Interceding for me like that. Standing the gap for me like that. You owe it. Paul says, "Pray for us." I'm I'm loving that. I'm changing my phrases every time I'm about to order it. I just Somebody said I was into his message. He just keeps calling things fool idiot. I could not listen. I almost said it to him. That's because you are one of those two phrases. No apology. Aba. How can that your lie is the greatest lie? Two hour message every time. Every time. If you want to lie, lie intelligently. That one is so obvious. We can just Okay. So where is it in every statement? Say no no no that's not what I was trying to say. How come you're trying to say is also not intelligent trying to say you change it to the whole message every line. Ah no it's just to arrest attention calm down. Amen. Hallelujah. It has helped many of you. But you say, "Oh, I learned it from Saul." Saul, don't don't sound like S when you want to. S I have played the fool. That was a king. He called himself by proper name. Sorry. Jesus told them, "Oh, fools and hard to believe." It's descriptive. Leave it outside. Not of course, some people are very insulting and all of that, but it's descriptive when I use it. I don't know how other people are using it. descriptive of what I am saying not of a person but of a state. Amen. There's not in every man that knowledge. So knowledge matters. Hallelujah. Knowledge matters. So back to our Ephesians chapter one where we were looking at [Music] principalities. Far above all principality and powers. Ephesians 121. or principality. So write it down this Greek word so we see how many you have the word principality put a hyphen r a r c h e so that you know the difference did you get it put a hyphen r go down it's your note let it finish buy new one write intelligent right write everything one straight line write your note like somebody that has ever read a book thank you say give me the book say Is this right now? Right. Right. How you write reflect how you put thoughts together. People like us, we can make serious things out of just looking at how you write. We can already tell how you live cuz that's how you process thoughts. Everything just scatter scatter scatter scatter. Aha. Scatter scatter approach to life. You can't give what you don't have. Now is the same thing. You can think uh in the word of Dr. Mike, anything can reveal anything. All right, I've been reading too much these days. Help me Lord. Far above all principality, the word a r c h e. Power is the word esuzia e x o u s i a. Might is the word dunamis in Ephesians 1:21. So put them out. Might dunamis do somebody people are already faster than me. I like that they already wrote out the major words. All right. Dominion is the word curotis. K U R I O T S. And every name that's the word on O N O M A. and over every name that is named. The name there could deal with persons, could deal with uh authority, could deal with uh emotions, feelings or what we will call force or command over every name that is named. So something that is a terror, something that can evoke fear or some any of such things a name bring it down in this world and also in that which is the cup and has put all under his feet. And he gave it to the church which is his body the fullness of him that filth all in all. So

look at Ephesians 2 closely. He now says that that authority is being used by who? 2:6. He had raised us up together and made us sit together in the heavenly place in Christ. So are we seated together with Christ? We are seated together with Christ. Beautiful. We're seated together with Christ. Now Ephesians 3 and verse 8 9 10. Unto me who am less than the least of all saints is this grace giving that I should preach among the Gentiles the unsearchable riches of Christ. Now see where I mentioned principality again. And to make all men see what is the fellowship of the mystery which from the beginning of the word has been hid in God who created all things in Jesus Christ to the intent that now unto the principalities and powers in heavenly places might be known by the church the manifold wisdom of God. Did you see that? to the intent that now to the intent that now unto the principalities and powers in heavenly places might be known by the church the manifold wisdom of God. Did you see it? So what they did not know they are finally now and what they did not understand was why God intended man to sit on the side of the north. So when the Jesus declared showed us to the great assembly Psalm 22 Hebrews chapter 2 we have acted that before when he led that procession where he was not ashamed to call us brethren they now understood that so this is always what God intended so might be known by the church the manifold wisdom of God the many wisdom of God they now see that ah so every time we live and function with our Ah, no wonder God put man in charge. Ah, no wonder this. Hey, to the intent that now unto the principality and powers in heavenly places might be known by the church the manifold wisdom of God. All right. So that's the good one again in that sense. Then he now says in Ephesians 6 verse for not against flesh and blood but against principality and power again. Now principality and power in Ephesians 3:10 is the same word a and esia. So in 6:12 we now write out again all the four principality is the word a powers is the word exusia again. Rulers of darkness. Cosmotos. K O S M O K R O A T O R. The word ruler. Cateo is the word the one who seizes power. So it's like the chief. The one who seizes power and refuse to let go. So he uses that word for the ruler of darkness of this world cosmos is the word world. So so he already uses it as world ruler. So world ruler of darkness that's one word. So that word ruler itself is world ruler of the darkness. Scottos of the darkness of this world. So, principality path, rulers of darkness. Then he says, that's the fourth one. Spiritual wickedness, which is the word wicked spirits. Did you get it? So, principalities, that's how we use it. Amen. And we have authority over them all. Hallelujah. Colossians chapter 1 and verse 16. Turn your Bibles. We read that text just now when I was giving you reference for principality. I said we we'll come back to it. So look at what God created. For by him were all things created that in heaven that are in the earth. We see that in Genesis 1 verse one but not today. We'll read that on Sunday. All right. So when God created heaven and earth, what is in heaven and what is in the earth? Visible and invisible, earth the visible realm, heaven the invisible realm. They were created by God together. They intersect. They overlap. Whether they be thrones, they in the same place. That's what I mean by so they in the same place. One is the unseen word here. Then the seen word here. They are both here. Say yeah. Say no

here. They are there. Okay. They are both there. They are both here and they both there. So anyone say no it's not here. Outside. Okay. Outside there. Yes. There's an unseen word there and a seen word there. There's a seen word here and unseen word here right now. Hallelujah. For by him were all things created in heaven that are in the earth visible and invisible. Then he mentions whether they be thrones or dominion. That's the word tronos not tando. So same m movie. T h h h h h h h h h h h h h h h h h h h h h h h h h h h h h h h h h h h r o n o s. T H R O N O S is the word used for a potentate. We'll get to that. A seat because a throne. Potentate. So whether they be thrones or dominion. Dominion is the word he used in Ephesians 1:21 chotis used for lordship. The word is used again in Jude 1:8 talking about the time of Noah uh sorry the time yes in that time of Noah but he now uses it to speak of the time of Lot in the same timeline. He now uses it in the time of Lot to explain that likewise also these filthy dreamers defile the flesh, despise dominion, speak evil of dignitaries just like dominion. Despise dominion. See how powerful they were like hailstone and the rest. Dominion despise dominion. That's the word dominion is used in 2 Peter 2:10 as government. But chiefly them that walk after the flesh in the lust of uncleanness and despise government. So government is the word government. The word dominion there. So put in bracket government. We'll get to that. Lordship, power, dominion, all principalities is the word a powers which is the word esia. All things were created by him and for him. So notice two different ones that we have or one that we have added now which is the word tronos. Abby. All right. learning something. Okay. Okay. Um, I think that works. Um, we have it all covered. Okay. Spoil principality and power is the same thing. Colossians 2:15. Okay, so that's all the phrases used in the Pine episodes when speaking about unseen being uses those phrases. Now, uh outside the poline episode, you see the use of the word angels as well. Paul uses it in Romans 8:38. For I'm persuaded that neither death nor life nor angels nor principality angel is the word angelos agelos messenger. Now remember in unseen forces and I will do that recap again where I told you there are terms for status terms for nature. There are nature terminologies. Nature technology tells us what an unseen being is like. Function technology tells us what they do. Status, ranking, and assembly. The space they occupy within the heavenly assembly. Status. All right, did you get it? So nature technology where we use the word spirit and that's where we stopped using the word angel because angel is not a nature technology but a function technology but they use it generally to explain supernatural beings. Why? Because again of that ceno temple period that word was the loudest phrase just like demon was loud. Angel was loud in that timeline too. So they now use it to explain everything which is why it's not allowed in Genesis to Malachi. There are so many other words used to explain supernatural beings in Genesis to Malachi. So right now we are still in the Greek M of Revelation. We are looking at the words used for unseen beings, unseen forces. All right. Hallelujah. 2 Corinthians 11 verse 13 and 14. For such are false apostles, deceitful workers transforming themselves into the apostles of Christ. And no marvel, for Satan himself is transformed into an angel of light. Satan himself is transformed into an

angel of light. So, Satan is not an angel of light. But when he wants to deceive people, he pretends like an angel of light. I mean, if he just comes out blatantly and say, "Uh, I am Satan. I want you to kill yourself." You won't now. So, you have to make it look nice like sound like he's for you. That you ought to know better. This is not how you should behave yourself. Life is becoming too hard. Just end it. Aha. Now thief just always look at how he signs his letters. You will see his hand. You know, no matter how he's trying to use nice words, you will see it. You know, say devil. Therefore, it is no great thing if his ministers also be transformed as minister of righteousness. I mean, they now wear suit now. Citadel. All right. You got me there. I didn't have to say Gandu. All right. All right. I don't know if that one is orotic, but I mean he do sound weird outside of scriptures. But ah entrance of worry. Welcome. He has given me the keys. So there are so many people who we don't know if they are really Christians because biblically we can't say they are one of us. All those people we can't call them part of what we do because they are outside Bible and if outside Bible we should asteric you. So you understand why they are a so Paul will put them here. We don't know where this. So angels is another word used in that regard. Did you get it? So angel is used alongside principalities used alongside those powers for no mar for Satan himself is transformed into an angel of light. That don't fight it. The word himself is just a word. The use of the word is a pronoun. Different. There are different types of pronoun. So it's not personal in this case like he's dealing with one entity when he uses the word Satan. So that himself can also be themself is the same word in the Greek. So he's transform into an angel of light. First Thessalonians 4. You see another one. Archangel. 1 Thessalonians 4:16. For the Lord himself shall descend from heaven with a shout and with a voice of the archangel and with a trump of God and the dead in Christ shall rise first. Archangel, that's argalos. A r c h a w g l o s. Archangel used two times in the Greek text. Matthew to Revelation is what we mean by Greek text of the Bible. 1 Thessalonians 4:16 and Jude 9. Yet Mike the archangel when contending with the devil he disputed about the body of Moses does not bring against him. I've seen all interpretation of this text. Why interpret words? You don't know the meaning. You have to start from Jude one and I've done that several times. Yet Michael the archangel when [Music] contending with the devil he disputed about the body of Moses does not so bring against him a railing accusation. Railing accusation railing is blasphemy. Supernatural angels of light don't use blasphemy to talk. That's not their mode of communication. They don't communicate with blasphemia, railing accusation. No, no, no, no, no. So, he doesn't use railing accusation. Instead, he uses authority. The Lord rebuke you. Doesn't go into uh sounding like he doesn't uses Satan's weapon. Doesn't uses blasphemia. Doesn't use railing accusation. Those are Satan's weaponry. Instead he uses his he walks in his authority. The Lord rebuke you. He's not know this is how confused Bible translation read it. And even M because he's afraid of the devil. He could not shout. He could not raise his voice. Does not bring. So when you say does not bring does not raise his voice. May God deliver you. Which one does he cannot raise his voice? You must obviously not know what the word rebuke mean. Because

if you are trying to say my kid does not insult the devil, rebuke is an insult. Get home, tell your father I rebuke you. What follows you will understand since you don't know what no you test with your mom especially especially when she's near with her shoe as she's pulling shoe should have heel. Yes. Tell her I rebuke you. Then come and tell me what happened after. There are some things you should learn. This generation they learned all these things and in the old they just tried it. I rebuke you. Aha. Say they crazy. They okay? Where did they bring that nonsense? Aha. So they don't understand sarcasm. Say and they use it. Oh, but you use it for them. H you will not sleep that day. Say where should I put it? Put it on my head. You now go and put it. Okay. Just pack your load. But this one I say I just get Junior get into your room. Oh sometimes I I just it was assassination attempt. We escaped. We survived. See I could die today. Sorry about that mom. Sorry about that, Dad. But it's the truth. Sorry. Say we will see tonight. It's not I take your iPad, Junior. Take your iPad. That we will see. You just go home and start crying. Just start crying. Don't start crying. Don't say we will see. We'll see when we get home. Say, "What were you doing in that party? You were eating meat. You were eating. You not give me to keep it for you. We will see. Mommy, I will not do it again. That's the next thing that follow. Which one is Which one is uh What do you mean? Huh? You dare answer back. You not answer back is authority. See, I'm speaking my mind. So with the voice of the archangel and the trump of God and the dead in Christ shall rise first. So he uses that word 2 Thessalonians 1 and verse 7. And to you who are troubled rest with us when the Lord Jesus shall be revealed from heaven with his mighty angels. There he uses the word mighty with his dunamis angels. which is mighty angels in flaming fire. So in mighty angels is used together. So another one write it mighty angels. So we have archangel we have mighty angels plural mighty angels. Did you get it? So the word angels 12:22, Hebrews 12:22, "And you have come unto Mount Zion, unto the city of the living God, the heavenly Jerusalem, to an innumerable company of angels, right? The phrase company of angels." So you see that these same things we are seeing in the Greek text, you see it in the Hebrew text only with different wordings but the same meaning. That's why I'm giving you a a full list. Company of angels. Company of angels. Hebrews 2. Verse 11 and 12. For both he that sanctifyth, and they who are sanctified are all of one. For which cause is not ashamed to call them brethren, saying, I will declare thy name unto my brethren. In the midst of the church will I sing praise unto thee. is not ashamed to call us bedren saying I will declare thy name unto my bed that my bed is not us that's another bedren so there are two bedren there are two bedren the word bedren there is the word delos showing that we belong to the same sect is the word used for national people of the same national ancestors I'll give you similar meaning when you say br I don't know any person you call brus Are they your brother? He say you somebody senior to you. Then the same way you say uh it's my brother. You when you outside the country you see somebody that is like you that is a Nigerian. You say it's my brother. Me you say papa ma. No you use so we till today we use words like that. So you can call somebody bros as greeting. You can say brother. So it's in that sense a del

force an associate of a of an office people united together. So a group a member of a group member of an assembly I will declare thy name unto my bed. So it's not a church word. It's also used for confrontity to members of confront bed too. All right. So in the midst of the church will I sing praise unto thee. That's Psalm 22. Psalm 22:22. It says I will declare thy name unto my bed. In the midst of the congregation will I praise thee. Congregation. That's is I gave you that word in on seen forces a status que. We'll come to it again. No problem. Just follow. We'll read those those things again. congregation. So there is company of angels and that's where we have come onto and we are all in the general assembly because supernatural beings and us we are in that congregation now general assembly we are all the church church there so there are two church that make up the church there's earth church and heaven church is not again don't think of building so church is again a word he borrows from the Greco Roman world. Are we good? Which means ecclesia, the gathering of citizens, the gathering of the elite like an a senate gathering. So or called out one. So people that are they convene we we are we convene together in the meeting. So there is an assembly. There's a congregation. We are congregating. We are gathering an assembly of people that convene at a public place for a purpose. So they were assembly of the Israelite. That's why I say the church in the wilderness. The assembly of the Israelite when they congregation. So it's now used as general assembly. Hebrews 12. We read that just now. Nabi General Assembly Company of Angels. Hebrews 1:7 and verse 14 we see another word spirits. And of the angels he said who maketh his angels spirits and his ministers a flame of fire. Verse 14 of Hebrews 1. Are they not all ministering spirits? So I write another word for them. Ministering spirits sent forth to minister for them who shall be heads of salvation. Ministering spirits. Letoigos is the word. They function publicly. So they are public officers not private just like civil servant. Public officer. So it's a public officer. They we they work for we the angels work for the same government with us. The supernatural beings that work with us work with this under the same government under the same kingdom of God. The good ones are in the same government. So ministering spirit public. So they are being employed just like the police force is for everybody. The milit this for everybody is for everybody. So it's a force for everybody and those in that employ those in that are called ministering spirits. So those supernatural have been ministering spirits. Ministering spirits. Did you get it? Hallelujah. Say, I have authority. I have authority over all the powers of the enemy. I have authority. I have authority over darkness. I'm in the light. I'm in the light. Yeah. Just Just as the light does not struggle with darkness, that's how I don't struggle with darkness. That's how to think. That's how to think and that's how to function. Amen. Amen. So we have authority. We have authority. 1 Samuel chapter 5. We haven't read any story. So let's read this story as we conclude this evening. uh 1st Samuel chapter 5. And the Philistines took the ark of God and brought it from Ebenezer unto Ashdod. And when the Philistines took the ark of God, they brought it onto the house of Dagon and set it by Dagon. Dagon is the Philistines deity of fertility. The icon, it has the uh tail of a fish. man and fish appearance. So it's like a

fish god in iconography. The drawing the icon the image icon the image the icon the image. And when day of Ash arose early on the tomorrow, behold, Deon was falling upon his face to the earth before the ark of the Lord. So remember they brought the ark of God and they put it in the temple of Deeon. In the morning when they woke up they came there they saw that Deeon had fallen upon his face and they took Deeon and set him in his place again that's the the molding the statue but it was representing something Abby but they didn't get it at first so they put him and when they rose up early in the morning so the next day so first day it fell what happened second day second day report Deon was falling upon his face to the ground before the ark and the Head of deon and both the palms of his hands. That means he has been crushed, head removed, hands cut off. The symbol of the defeat of kings in their timeline. They are still not getting it. Therefore, so that this one did not miss the image. They not know they understood what it meant. Therefore, neither the priest of Deeon nor any that come into Deon's house tread on the treasur of Deeon in Ashdot until this day. So it says until the time where that B was writing because that his temple does not exist today. You know what I mean? And until this day know the person writing. All right. So they were for generations for many years they were still there was all that nobody ever enter that place again not go die cuz it cut off the head the annihilation of Deon Deon is dead that's the end that's that they all knew what it meant ah cut the nobody could have done that because the the statue is anointed head. So the person would have been struck but instead it was Deon that was struck. Ah so what did they do? And the hand of the Lord was heavy upon them of Ashdod and he destroyed them and smoked them with emeralds. So they had that boil of oser like a hemorrhho on their body. Everybody there had that. And when the men of Ashdot saw that it was so, they said, "The ark of God," so they could not miss it. They knew what was happening. The ark of God of Israel shall not abide with us. Wasn't the same act that Eli's backsliding children took into Yeah. They took into battle and they lost. Okay. So nothing is wrong with the power of God. Nothing is wrong with it's either how you are using it or how you are receiving it. Nothing is wrong with the power of God. So the issue was they were using to cover up their error that we have not been worshiping God but we know that if we take the ark of God, God has no choice but to vindicate himself so that we will win. Philines carried them captive. So remember the story now that's where Eli when they told him and where um was born the glories departed when he say what has happened to your father has died there just fell backward died okay then sent therefore and gathered all the lords of the Philistines unto them and said what shall we do with the ark of God of Israel I read I quoted this text during generous law of ministry but didn't read it and they answer let the ark of the god of Israel be carried about unto Gat and they carried the ark of God of Israel about Teda. And it was so after they had carried it about the hand of Lord was against the city with a great ah and he smoked the men of the city both small and great with the same thing in their secret part. So even inside their body when they pulled their cloth not the one that was obvious. So I mean it was obvious something is going wrong. Are you seeing unseen force? Something is happening and it's

undeniable waking up to see things in your body. Therefore, they sent the ark of God to Echron. Now, this was in judgment against them. Abby. All right. Therefore, they sent the ark of God to Echron. And it came to pass the ark of God came to Echron that the Echonite cried out saying, "They have brought about the ark of God of Israel to us to slay us and our people." So they sent and gathered together all the lords of Phil and said, "Send away the ark of God of Israel." These ones were wise. Didn't allow it. They didn't receive it. They already knew what was going to happen. Said, "Let it go again to his own place that he slay us not and our people. For there was a deadly destruction throughout all the city." The hand of God very heavy there. And the men that died not were smitten with the emerald. So some died, some were smitting with a emerald. Chapter 6 verse one. And the ark of the Lord was in the country of the Philistines seven months. So they they daddy daddy daddy they go they are slow learners moving it from place to place. And the Philistines called for the priests and the divers saying what shall we do to the ark of the Lord? Tell us wherewith we shall send it to his place. And they said, "If he send away the ark of God of Israel, send it not empty, oh, but in any wise return him a trespass offering, then he shall be healed, and it shall be known to you why his hand is not removed from you." They said, "Then said they, what shall be the trespass offering which we shall return?" So we are sorry they remember they don't worship this god. So you see power is all the same. It's not the same. They saying no this one don't pass us. This is this power they pass power. All right they say no no no let's we are very sorry. Five golden emerald, five golden mice according to the number of the lords of the Philistines. For one plague was on you all and on your lords. So you notice this is not how Israel offer sacrifice. These are rubbish items that they are using. Okay. Wherefore you shall make images of your emeralds and images of your might that mar the land and you shall give glory unto the God of Israel eventually will lighten his hand from off you from off your gods and from off your land. Wherefore then do ye harden your heart as the Egyptians. So they remember story and Pharaoh hardened his heart when he had wrought wonderfully among them. So this is not an Israelite priest. Oh so they are remembering story that that's how Pharaoh and all the girls died. I beg you not too much now. Therefore, make a new cat that's like a wagon or wheeled vehicle and take two sulking kind k I cow on which there had come no yoke and tie the young cow to the cart and bring their calves home from them. So separate them. Are you seeing it? It's old English. Take the young ones from them. Did you get it? So it says you must make a new c and take two cows which have never come under the yolk and have the cows yoke to the cat and take their young ones away from them. their calves, take their young ones away from them, and take the ark of the Lord, and lay it upon the cat, and put the jewel of gold which you return him for a trespass offering in a coffer by the side of, and send it away that it may go, and see if it goeth up by the way of his own coast. Nobody is going to be riding that wagon. So the wagon is supposed to go straight. That's cat. Se is supposed to just go straight. Then he and see if it goeth up by the way of his own coast to bet she then he had done us this great evil. But if not then we shall know that it is not his hand that motor. It

was chance that happened to us. No, this one was not chance. So chance there is an unforeseen event. No, it's not an unforeseen event. It's not an accident. No, it's not. Uh and the men did so and they took the two milk two cows. Two milk cows. Hitch them together. So mother cow milking cow the mother cow they are going to separate them from their young now are supposed to return back. Mother cows will return back. A normal one is supposed to return back. So they put it and the men did so and took two milk uh kind tied them to the cart and shut up their calves at home. So they have done the agricultural experiment. So they are supposed to return back to each other. And they laid the ark of the Lord upon the cart and the oxen with the mines of the gold and the images of the emerald. And the oxen took the straight took the straight way. Verse 12. So the oxen headed straight to the way of Bashmesh and went along the highways loing as they went and turned not aside to the right or to the left and the laws of the Philistines went after them unto the border of Bamesh. So they saw that it was exactly like that. Abi nobody was driving it by instinct. It's supposed to return to his young. Are you seeing it? But it kept you say God cannot lead me. This is animal. It is hard for thou to kick against the pricks. That know what Jesus said to Saul. It's hard to go against divine destiny. You see there's nothing like there's nothing like force. They set it up and it kept going straight into Israel to the border town. That's that bes to to was the border town. He did not return back to his young. That can never happen naturally. member did not pray. They did not cry unto God. How much more today when we say Christ is in me, this is an act would that Moses used to explain God's dwelling with them. How much more his actual presence in me He will lead me thus far. He will bring me thus far. And he kept going and going and going. My brother there's 46 2 Kings chapter 7. There was an issue in chapter 6 of 2 kings. I'll give you the framework quickly after 2 kings chapter 6 where Elisha had blinded that. I would have read chapter six but I will just reference it. The way they surrounded Elisha Lord open his eye that he may see that they that be with us are more than they that be with them. Remember the story verse 15 and 16. At last my master, how shall we do? And he answered, "Fear not, for they that be with us are more than they that be with them." So after all of that story there it happened that there was now serious famine a great famine in verse 25 and there was a great famine in Samaria and behold they besieged it up until an ass head was sold for four score pieces of silver and the fourth part of a car of dove don so they were eating dove sheet I've read this reference for you before five pieces of silver not to read in another teaching. All right. And as the king of Israel was passing by upon the wall, there cried a woman unto him, saying, "Help my lord." So things are were really bad. All right. Give me 10 more minutes. And he said, "If the Lord do not help thee, when shall I help thee out of the band floor, out of the wine press?" And the king said unto her, "What a" and she answered. So they were eating their own children. So the matter had gotten so bad that the king now sent a servant to Elisha to go and kill Elisha or find out what is happening. And Elisha was with the elders of Israel. The servant had not come. Look at what Elisha said. Elisha sat in his house and the elders sat with him. And the king sent a man from before

him. But before the messenger came, he said to the elder, "See how this son of a murderer has sent to take away my head? Look when the messenger come shut the door and hold him fast at the door. Is not the sound of his master feet behind him?" So he was sent by his master and his master will shortly follow him too. He said, "But hold him at the door. or he won't be able to pass the door. Keep this the the air mystery. No fear. Have you noticed something about Elisha? That's the forces that we're talking about. So the chapter six a full army he led them by the hand to the king of Israel. They after blinding them they open their eyes see then say king of Israel give them food to eat. That's to show that he alone had more power than the armies. That's why the king is calling my father my father. The chariot and the horsemen thereof. Are you see you have more power than all the armies of Israel. That's what they that's the praise actually. Elisha, you have more power than all the armies of Israel put together. You are the armies of Israel sir. That's the praise. That's the So, so did you get it? And while he yet talked with them, behold, the messenger came unto and he said, "Behold, this evil is of the Lord. Why should I wait for the Lord any longer?" So Elisha said, "The Lord is not telling me anything. I will now take the initiative." So as he step out like what is even happening? I'm not seeing anything. I'm not hear anything about how we can survive this famine forces to engage for our profiting, for our welfare, for our dealing wisely the affairs of life. Come on now. All right. So since I'm not getting anything, I will now take the initiative. So what happened? Immediately step out like that. Then Elisha said, "Hear ye the word of the Lord to see Lord." So as he opened his mouth, all trans came. So he didn't wait for the word to come then he will now say what he said what he heard but this one as he open that way prophesying which I have taught you how to open your mouth that's taking initiative not the the easy one is where you say Lord what are you saying to this person you hear it then you now tell it to the person but this one he opened his mouth hear ye the word of the Lord to see the Lord tomorrow about this time shall a measure of fine flour be sold for a sheke and two measures of barley for a sheke in the gate of Samaria Then a lord on whose hand. Look at the unseen story. We are reading from chapter 6. Every detail of chapter 6 has been powers unseen. Going to chapter 7, the same. Then a lord in whose hand the king leaned answered the man of God and said, "Behold, if the Lord will make windows in heaven, might this thing be?" And he said, "Behold, thou shalt see it with the eye, but you shall not eat it." He he he vetoed the man there. Immediately the man said, Elisha said, "You will see it, but you will not eat it." It had to be the one that the king sent. The king could have sent to somebody else, but that word was a force controlling him and controlling the king, ensuring that the king had to send him because the king should have remembered now that he said you will sit and we not eat it. What does that mean? Maybe the food will not reach his hand. No, he go die because this was mockery. That meant that that issue Israel was facing was caused by forces of darkness. Are you following? This is we'll get there when we read this text another day in this series. And there were four lepros men at the entring of the gate and they said one to another, why sit ye here until we die? If we say we will enter into the city, then the famine is

in the city and we shall die there. If we sit still, yeah, we will die. So if we stay here, we go to the city, we shall die. Now therefore, come, let us go into the host of the Syrians. This is the worst thing that can happen. So let us go to the Syrian camp. If they save us alive, we shall leave. If they kill us, then we shall die because anyone that die, we die. So let's just go to the worst case. And they rose up in the twilight to go into the camp of the Syrians. And when they come to the uttermost part of the camp of Syria, behold, there was no man there. For the Lord had made the host of the Syrians to hear a noise of are you seeing powers? There was no chariot. But what the armies of Civia was hearing that have come to fight no they are vexed now. Oh now let me tell you the setup. After Elisha blinded them led them to the king and they got back home they went to engage powers that brought a about the famine in Israel and so that when they fight it will be a a clean slate. They will wipe out Israel. Aha. But when and because Israel was in unbelief but one man standing in his office stay which in this case will be us staying in the office of Christ in the name of the Lord Jesus can make a difference. And when the lepers came to the uttermost part they went. So what did they hear? And the Lord made the host of the Syrians to hear a noise of chariots and a noise of horses, even the noise of a great host. And they said one to another, "Lo, the king of Israel has hired against us kings of the Hittites, kings of the Egyptians to come upon us. Wherefore they arose and fled in the twilight, and left their tent, and their horses, and the asses, even the camp as it was, and fled for their life. And when the lepers came to the uttermost, they went into one tent and did eat and drink and carried silver, gold until they said to themselves, "If we continue like this is not fair. Let's go and tell the king." Verse 10. And they came and called onto the porter of the city and told him, "We came to the camp of the Syrians and we saw no man there." So the porter told the king, you know how the story went. And the one of his servant answered and said, "Let some, I pray, the five of the horses." So they took them the people and the king appointed the Lord on whose hand verse 17 he leaned to have the charge of the gate and the people tr. So as that one went to go and oversee the the food shaving know they have been farming the mass multitude climbed him to die they so did he see it? Yes. Did he you say you will see it but you will not eat it. Notice and he died as the man of God had said who spake when the king came down to him. And it came to pass as the man of God had spoken to the king saying two measures of barley for a shekel and a measure of fine flour for a shekel shall be tomorrow about this time in the gate of Samaria. The power of God changed economic forces for good. And the and that Lord answered the man of God and said, "Now behold, if the Lord will make windows of heaven, might such a thing be." And he said, "Behold, thou shall see it with thy eyes, but thou shall not eat it." And so it fell out unto him, for the people throwed upon him in the gate, and he died. Hallelujah. Say powers forces. That's the story. Self-explanatory. Those four lepers as they moved in faith. Anyone we die anyone, but let's just go. It was their footstep. Oh, that the Syrian army was hearing their footstep as they were coming. What the Syrians were hearing was what? chariot and he said the Israelite are going to go and rent army and not the kind of army that we can

stand against. They ran for their life. What will make you run? Leave all your items and there was no army. It was four lepers. Lepers that have sickly individuals. Hi. Say forces. Forces. That's life. Oh, you can choose to ignore it. You can choose to live as if there's nothing like that. But there's unseen forces shaping activities behind the scene. Hallelujah. I come in the name of the Lord. I come in the name of the Lord. I come in the name of the Lord. I come in the name of And I can speak the word of the Lord. I can speak the word of the Lord. So I can say to this hear ye the word of the lord this is how it's going to be from now ends forth. Baba Higgi said to that man who was sharing the story with him of every time every time I have to check my sugar level I have to take this insulin I have to take I take said to him you will not be able to find it again. I said no I normally I normally used to check it. I normally used to I normally if I don't register I used to register my sugar at every time. So you will not register that sugar again. The man had diabetes. He had to check his urine every morning for sugar content to see how much isoline he will need for his daily injection. And it was with Papa Hagen. And every time he kept running, I'm going to check. I'm going to check. I'm going to do this for almost two weeks. He was with papa again when he shared that story and he said to the man, you won't be able to you won't find out diabetes again. Just like that, the man did not find it diabetes again. That's power. Hear ye the word of the Lord. Hear ye the word of the Lord. Hear ye the word of the Lord. Learn to speak like that. Stand on your feet. I've come in the name of Jesus. I've come in the name of Jesus. Things will work for me. No, my own case is different. Life is perhead. And I detect that this is how my own will go. When it comes to me, the playing field is different. Yes, sir. No, no, no, no, no. I'm not disadvantaged in nothing. terrified of the enemy. Head saute we win. Head saute we win. There's no time I lose. No, no, no, no. I come in the name of the Lord. I come in the name of the Lord. So if for any reason I notice that what is hindering my life or coming against me is principality powers, what should I do? Stand. Rebuke it. Use your authority. That's it. That's the easiest issues you can ever face. Issues caused by powers are the easiest issues you can ever face. Nothing is worrying you. Just say what you want. Jerry, my life is going like this. My life is this is my best year yet. I've been saying it every time I say people around me say you're just smiling you're just happy I say I have a lot to smile about to hey this year is working according to word so sayh but for I don't know anything about for you God did not call me to explain unbelief I don't know how to explain your own I know what I am saying this year the lord told us engage forces me I'm engaging In the day early before break of day you have shouted how the day will look, how the week will look. Just like on Friday we come and shout how the the new month will look. This is how May will look. mighty miracles and breakthrough on every side in the name of Jesus. So hear ye the word of the Lord. That's how to speak. That's what to say. That's what we speak in the name of Jesus. Things are working. That's what we say. So we can say to one, go and he goes, come and he comes. That's the same way we can say take your hand off my finance, take your hand off my business, take your hand off and we can say to another account this is how it will be. Now in the words of papa he says go

ministry go bring the needed funds the needed funds are coming in the name of Jesus. The needed help is coming in the name of Jesus. I am never stranded. I'm never stranded. I've so said that thing that I always I'm never stranded. I've also so said it. How come it was that day that there was now SS in the boot? There's always there's always I'll never be stranded. I'll never be stranded. Say it. And nothing terrified of the adversary. Paul said was looking at nothing terrified of the enemy. I'm not terrified of any opposition. I always win. I always win in the name of Jesus. And prayer is one way we use that authority in Ephesians 6. Praying with all manner of prayer and supplication in the spirit. Prayer is one way we exercise our authority. That's why we pray. [Music] Hey, it go walk. Oh, or it go walk. I win. Oh, or I win. In the name of Jesus. Yeah. It can only get better. No, it don't better. It don't enter worse. No, no, no, no, no. We don't do that. Yeah. can only get better. In the name of Jesus, how long can you stand? I can stand forever. How long can you speak? Here comes the divine response. I can speak forever. These are things Satan has said to me. Woken up one morning say how long will you stand? It was an issue for a loved one. I said, I will stand forever. That sickness, I will see it go now. healthy, hearty. We can't find the trace of that disease anymore in the lad's life. Yeah. How long will you speak? I will speak it forever. And if Satan knows you're going to stand forever. The number you are calling is not available. The number you are calling is not available. He will run. I'm able to speak forever. No, I've said it five times. I've said it 10 times. The joy is that I said it. The joy is not just that it came to pass. The joy is first that I said it. Oh, I said what a friend of mine said to me. He said that thank God there were days we could not even believe for this kind of figures is it's even a thing to thank God for that our mind have stretched like this not you was and I said thought about that that is true that's what he said to me from I said all is true mind of stretch Church mind have stretched. Hallelujah. I thank God for everything. If you are willing to stand forever, you won't stand for long. You won't stand for long. You will see it come to pass. I don't quit. I don't give up. I don't give up. I don't throw in the to I win. I win. Heads or tail. I win. You see this thing, this approach, I don't just have it in the unseen. I have it in the physical too. That's that's my approach in anything I do this life. Either I win or I win. So in the natural if you will require 110% I will give it. I win. I win. I win. I win. I win. I win. Oh I win. Is that you? Yes. Now praying the Holy Ghost.
