

Jesus Lord we thank you we thank you for the great work of your spirit on the earth we thank you for really all over the Earth your spirit is moving your glory is covering the Earth we thank you for this great assembly we thank you for the workings of your spirit in our midst we thank you that we have made us a quick understanding thank you for your spirit that inds us that gives us the ability to understand the word when taught and we ask again this morning that no one is confused everyone is full of understanding in the name of Jesus that in this house the things that ought to be said will be said the things that ought not to be said will not be said Revelation knowledge is Us in the name of Jesus we walk in Clarity we understand the subject of Salvation as it was taught by the prophets and the apostles and that is [Music] our that is our great greatest understanding let's put it that way our greatest understanding will have the greatest comprehension we need to have of your plan your plan your purpose what you are doing on the earth we have a a great comprehension of your plan and your purpose what you are doing on the head why you saved man why you came why things are the way they are and how the restoration of all things will unfold this morning we again receive Miracles amen miracles for our body miracles in different aspect of Our Lives In The Name of Jesus all trances Revelation power of God's spirit is available in this house to meet the needs of people where they exist in the name of Jesus amen God bless you have your seats and turn your Bibles to Psalm 74 I'm teaching on walking salvation Vis in the earth and I will teach this uh on Sunday Wednesday Sunday Wednesday I teach this till we find a good place to pack and would um teach it in all that topics throughout the year 2025 amen but there'll still be a foundation much like the Mountain of God series and all those other series were Foundation to many of the other things we taught this shall also be walking salvation in the Earth Hallelujah move to this and you see God has that's what God has been doing God has been systematic in how he has been working all things to his glory how he's restoring how he's reordering the Earth out of chaos out of the dark Waters now he written to you you are not the direct audience the prophets did not write to you because you were not alive I was not alive our parents grandfather great grandparents were not even alive takes many generations back back and so they had a direct audience they wrote told their direct audience and they direct so the same thing the prophet the apostles had a direct audience who they were preaching to now what they taught them is what is now written for us you see the emphasis is f o r Romans 15 First Corinthians uh First Corinthians chapter 10 that we read our four time waiting for our learning Ministry because he's atic Ministry because he's a spokesman for God man for God more than him he obviously wrote more and spoke more about God more than him he obviously wrote more and spoke more about God's plan on the earth than naan he God G that is going to know more than him this is where his teachers he obviously should know more than all of them he wrote more about God's plan when God said to samel I found a man God wasn't joking David was really sold out to God's plan and purpose on the earth and that's Israel's only King that cared about the resoration of God's plan on the Earth every other king failed and God kept reminding them be a king like David so see finish is

not good so when David say say what is David even saying ah it's not one king in the palace eating and chewing and don't have time David that said I rather be a doke keep
