

progress father in the name of Jesus Lord we thank you open our hearts to your spirit again and we trust that the eyes of our understanding will be enlightened we thank you for the preciousness of your word touch us in a mighty way in this service we know that at the end of this teaching again our hearts will be flooded with light our hearts is full of your passion full of your dream full of and we care about your walk on the earth and we play our part renewing all the Earth For Your Glory in the name of Jesus again in this service we declare that the things that ought to be said will be said and the things that ought not to be said will not be said your name will be glorified we shall be edified built up transformed by the power of your word and the people said amen amen God bless you have your seats again Psalm 74 and verse 12 by now every believer every member can quote that text that's how learn to quote Bible verses you don't have to memorize it you just need to hear it again and again Psalm 74 and verse 2 for God is my king of old working salvation in the midst of the earth God is my king of old walking salvation in the midst of the earth isn't that amazing God is my king of working salvation in the the midst of the earth so it is not salvation from the word it is not salvation from the world I get to fly away I get to go to heaven I get to go to a disembodied opposition but it is not salvation from this world but Salvation of this world and salvation for this world is that okay it is not salvation from from this world no no no God is not saving us from this world no Jesus came to rescue this world there's and we have emphasized that already in our over 13 part of teachings we did that for the very first seven Parts come on yeah yeah yeah yeah yeah we did for the very first seven part salvation is not flying away so God is Not salvation is the rescue God has rescued us from this world no he has rescued this world because that again is that uh y gospel the lazy way the excited way you feel like a man of God I'm a man of God where as a man of God the concept you have is twofold an Angry God and it going to heaven makes up your whole Theology and so you have two things that are born from those kind of teaching God hates the word God hates man but one way or the other is just shall save man you better fall in line or you born something like that kind of how the gospel story is told by many PRS but that's not the biblical story so God is my king of old Psalm 74 ver 2 God is my king of old walking salvation in the midst of the earth God so love the word is not saving us from this world if he does revelation 21:22 shows us that we'll still come back is not saving us from this world he saving this world salvation is not from this world but it is of this world we are being rescued God is saving this world this world that created the world of his creation his Heaven and Earth creation so salvation is this word and for this word but he said my kingdom is not of this world yeah my kingdom is not the s that grows in this world the way the worldly way of doing things the sinful fleshly carnal way of doing things the flesh is not always seen the flesh is that which is not the spirit an identity outside the spirit is many times explained as the Flesh and depending on the context flesh has more than one meaning the Bible at least six meanings of the word flesh in the poine episodes alone flesh could be the human body the skin flesh uh is used to explain Humanity uh Humanity flesh could be used to stress ancestry there are many context of the word flesh so you

don't have a singular meaning of the word flesh in the poine Epistles or in the Bible amen so it is not salvation from this word but Salvation of this word and for this word his Rescue of his his people and his word from Death God is rescuing his world from Death from sin from Satan from the devil did you get it God is rescuing this word he died for this word he died for his creation that is the biblical story and that's where you have a multiplicity of biblical of Bible references is that okay First Corinthians 15 and verse 1 moreover Breen I declare unto you the gospel which I preached unto you which you also have received and wherein you stand by which also you are saved if you keep in memory what I preach unto you unless you have believed in vain verse three which is still where we are for I delivered unto you first of all that which I also receive how that Christ died for our sins according to the script SCP and see how long according to the scripture is because we are still looking at according to the Scripture it is easy we can do it in 15 minutes Jesus died for our sins I just read all those verses he died he died he died but how is it according to the scriptures and we said we need to understand the Bible intelligently from Genesis to Malachi position how did they explain Jesus died for our sin using those event because that's the according to the scripture there how did they die for our according to the narrative we have from Genesis to Mal and that's what makes your understanding of the bible Torah you are not the specialist where oh I only know the topic of righteousness I only know the topic of love I only know the topic of Faith know the topic no no no no no know and understand the whole biblical story the biblical story is about God's plan and purpose on the earth that's the most important thing his plan and his purpose before the word began the word began and to the end of the word his plan and his purpose is what have shaped Before Time began in time and when all the world is renewed in the world to come his plan and purpose is the most important thing amen are we good so Jesus died for our sins Matthew 1 and verse 21 say shall name the Child Jesus for he he shall save his people from their sin tell your neighbor save his people from their sin all right so the biblical story we see salvation we are saved from sin salvation we saved from sin he have saved us he has what have saved us the word salvation is the Greek noun soteria s o t e r i a and that word salvation soteria is used in the Greek text several times but that the equivalent of that word salvation is in the Hebrew yes Yeshua yesu and that is used 77 times now the word soteria is used 44 times from Matthew to uh Revelation the word soteria the word Soo is used 3 times and Soo is the verb to save saved present tense past tense anyone save saved and in Matthew 1:21 it says and she shall bring for and thou shall call his name Jesus for he shall save his people from their sin so save his people from their sin So when you say we are saved Sav from what Sav from what so he say we are saved Hallelujah save so the word Soo is even used for bodily healing in the for gospels several places it is used for physical healing Matthew 9:21 Matthew 1 9:21 for she said within herself if I may but touch the H of His Garment I shall be saved that's the word whole but Jesus turned him about when he saw her he said daughter be of good Comfort thy faith has made thee whole that Faith have saved you and the man was saved from that hour that's the word Soo so the cont it it was used for bodily

healing too now in the episodes it is used primarily in the reference to the work of Christ that is the Fulfillment of all the prophets spoke concerning his suffering for sins of humanity and his consequences and you have several texts like that Romans 5 ver9 and 10 much more than be now justified by his blood we shall be saved from death through him for if when we enemies were reconciled to God by the death of his son much more be reconciled we shall be saved by his life saved First Corinthians 1:18 for the preaching of the Cross is to them that perish foolishness but to us which are saved it is the power of God Ephesians 2 verse 5 for when we were dead in sins had quickened us together with Christ by Grace ye are saved verse eight for by grace are ye saved through faith and not of yourself it is the gift of God so the word saved so salvation from what we talked about that the what the word the word why of Salvation remember so we are saved from sin Matthew 1:21 what are we saved from saved from sin and that salvation is through faith in Christ Jesus Luke 177 give knowledge and salvation to his people by the remission of their sin by the remission of their sins so if there is salvation there must be a savior and that's another word the S the Savior and God is called the savior of man and he shall bring forth a son and that shall call his name Jesus for he shall save so we know who the savior is the savior and my spirit have rejoiced in God my savior Luke 147 in Luke 2:1 For unto you is Born This Day in the city of David a savior which is Christ the lord so Jesus is called the savior is that okay John 4:42 the word saved savior is used there also and said unto the woman now we believe not because of thy s for we have heard him ourself and know that this is indeed the Christ the savior of the world so who is the savior Jesus not my behavior Jesus Is My Savior Jesus Is My Savior now that's very important who saved me not of works let any man should but who saves me is not my behavior my behavior is important after being saved but my behavior doesn't save me people who be better than me and they will die in their sins they would uh suffer damnation they will live separated from God they will never be called God's man and they behave better than me notice the different Expressions that I'm using AB all right so anyone you're comfortable with they all exact phrases Jesus is called the savior of the world now in the book of Acts acts 5:31 it's amazing how that word s used 24 times he's always using in reference of Jesus no time was our works called savior acts 5:31 Him had God exalted with his right hand to be a to be a prince and a savior for to give repentance to Israel and remission of sins that word remission I told you AES is forgiveness of sin acts 13:23 of this man's seed had God according to his promise raised unto Israel a savior Jesus a savior in the episodes Ephesians 5:23 for the husband is the head of the wife even as Christ is the head of the church some people want us to edit that but we are not going to edit it for he is the savior of the body Philippians 3:20 for our conversation our citizenship is in heaven we explain that we explain the Rome and Philippi situation for our conversation in Heaven from when we also look for the Savior the Lord Jesus and I told you that the people in Philippi were not planning to go to Rome is overpopulated they wanted Rome Philippi to be no different from Rome and that's what the return which I hate that phrase return but it helps the brain a bit but the biblical phrase the

coming of the Lord because it's not a return as if he left he never left because the Heaven and Earth plus space are in the same place he never left the world he only left physical sight are you with me he only left physical sight he only left one plane and he didn't leave that plane like he's not his activity or his effect or his work is not seen because he's walking actively in and through us the Lord walking with them confirming his words he's still with us hallelujah so the word coming which I explained with the four words if you were around when we T in TR experience about the Christian hope forwards Paul used to explain that the coming which is the parusia he uses apocalypses Revelation he uses another word fullness the pl I give you come on now then he uses another word that is used to explain appearance AB he has appeared so Jesus is called the Savior 1 Timothy 1 vers1 Paul and Apostle of Jesus Christ by the Commandment of God our savior and the Lord Jesus which is Our Hope First Timothy 2:3 for this is good and acceptable in the sight of God our savior First Timothy 4 and verse for therefore we both labor and suffer reproach because we trust in the Living God who is the savior of all men so when we saw that God who has been called savior from Genesis to Malachi wanted to save man we saw Jesus Christ so we said God became Jesus God became a man called Jesus is that okay and that is how the Salvation story was consummated 2 Timothy 1:10 but is now made manifest by the of Our Savior Jesus Christ who had abolished it and has brought life and immortality life and immortality notice the two phrases conjoined with the word and but separated at the same time life and immortality to light through the gospel so is visible now now men can have life now men are going to have immortality because of what Jesus has done all right Titus 1 verse3 but in due times manifested his word true preaching which is committed unto me according to the Commandment of God our savior so there's an emphasis in all the letter savior savior the same thing second Peter 1:1 and so our entrance shall be ministered unto you abundantly into the Everlasting Kingdom of our Lord and Savior Jesus Christ Our Lord and Savior Jesus Christ so it's called the savior of the word the savior of all men Our Savior God my savior a savior the savior of the world the Savior the savior of the body God our savior savior of all men Jesus Christ Our Savior Our Savior Jesus Christ I mean observe all the phrases so humanity is saved through him John 3:16 and 17 and 18 for God so loved the world that he gave his only begotten son that whosoever believes in Him should not perish but have everlasting life so we can't get any other way no matter what people say no ah what if they never hear about Jesus there's salvation in non order you are looking for lazing routes preach the gospel stop making excuses stop looking for there has to be a way there has to Baba go and preach stop making excuses amen because we know we say we're taking God to the people of course God is not far from anyone of so but there's a sense where that is true but don't do Theology of this versus that this and that can be correct I've taught you that in many of our teachings last year don't do either or it can be this and that Bible theology can be so we are taking Jesus to the word the word already have God around them because it's not far from there yeah both of them are correct just depend on the context you are looking at it is that okay but God sent not his son into the

world to condemn the word but that the word through him so see that we are not saved from the word he's saving the word he didn't come to condemn the word but that the word through him might be saved so he's saving the world he that believes on him is not condemned he that believeth not is condemned already because he had not believed so not believing so humanity is saved through who through Jesus Christ is that via faith in the gospel so Mark 16:15 he said unto them go into all the world and preach the gospel to creature he that believeth and is baptized shall be he that believeth not shall be so there's a consequence of not believe in you stay the way you are and that is called that's going to ultimately end in damnation he that believeth not shall be damned is that okay all right Romans 10 verse 8 to 10 for what sayth it the word is n the even in thy mouth and in th heart that is the word of fa which we preach that if thou shall confess with thy mouth the Lord Jesus and Shall Believe in thy heart that God has raised him from the dead thou shalt be saved so how are people saved by believing for with the heart man believes unto right for with the mouth confession is made unto salvation so a man receives salvation by faith in the gospel of Christ so salvation is only received by faith in the thank you so it's only received by faith in the gospel faith in the Savior faith in Jesus Christ so when is a man saved when from the moment he believes the gospel of Christ in his heart for whosoever believeth on him shall not be ashamed whosoever call upon the name of the Lord shall be saved Romans 10:1 Romans 10:13 I mean it's clear enough hallelujah what is the gospel I'm just going to teach what is the gospel the gospel is used severally in the the word gospel you areel on is the word a good message Glad Tidings is used 74 times in the New Testament books the verb was translated from the Greek qu you are Giza which is used 52 times now in Matthew the word gospel is used five times in Mark is used eight times in Luke it is used four times in Acts is used six times in Romans is used 13 times in First Corinthians it's used 12 times obviously you have to listen to it in the message the idea is just to write the whole reference I obviously don't want you to write it now you must always learn that a teacher knows what he's doing all right so it's okay if you are not able to write it I just want to let you know that I have the reference so all right so CU I observed I was listening to some of the messages I said before anybody thinking that we don't have all the references because there's a need why I'm having to because salvation teaching always these are the reasons why we always Dodge all these slippery slopes because I've touched the sacred cow I was not supposed to touch but already saying it's not a fly away it's not an Angry God is not four step the Roman Road of Salvation God is angry Jesus have bore his anger you are saved now I get to go to heaven those that don't believe get to go to H will make the end of the world the end of our Christian faith hell and heaven it is not in the Bible the end of the Christian faith is not heaven or hell the Christian hope is not even Heaven neither is the Christian the unbelievers uh end when we make heaven and H the end of which the Christian is going or avoiding it is you will be forcing many Bible verses you will be committing the crime of proof texting so instead of c j e x e g e s i s you will be doing the crime of i j c e e i s e g e s i s which is forcing a text to mean what you want

it to mean and when we study the Bible we take what the biblical writers are telling us we don't give them meaning we take the meaning they are giving us is that okay and that is Bible study so the word gospel is used many times and that word gospel in the four gospel is called the gospel of his kingdom of his kingdom the Gospel of Jesus Christ they all mean the same thing it's just the gospel it's just the fact and the way it is explained the gospel of the Kingdom so we talk about the kingdom the reign of God and we have emphasized that in the very first part seven part of this teaching we emphasize God's kingdom say to Jerusalem your God reigned so in Isaiah 52 where they were running to Jerusalem to go and say is that your God reigned the kingdom of God that's the way you see the gospel com from Genesis to Malachi like we said the facts have differ from Genesis to Mali but the essence of the substance has been the same and the substance the essence has been God's Kingdom on the earth so Matthew Mark Luke and John you notice they were just went straight and called it the gospel of the kingdom was was preaching was not preaching the gospel of H he was not preaching the gospel of going to heaven if not when people die they ought when people get born again they ought to die on the spot no that is not the end I get to be I've emphasized again and again so by now we should be crystal clear but in case you're slow no I've repeated for 14 part so slow reach 14 times never remove something from your mind all right but we still have a long way to go so maybe when we have reached the number of times and you see hold on to your view we will now be praying for you so the Gospel of Jesus Christ The Gospel Mark 1:14 now after John was put in prison Jesus came into Galilee preaching the gospel of the kingdom of God I've told you before Matthew uses the word the Kingdom of Heaven it means the same thing as the kingdom of God taught you in the same series too that all the references in Matthew that have Kingdom of Heaven are in Mark and Luke called kingdom of God Matthew is a nice guy he doesn't like always mentioning God because of the uh Hebrew uh Hebrew or of always mentioning the word God God God so he just wants to use the phrase heaven but it's meaning the same thing so the gospel of the Kingdom the go the gospel of the Kingdom the gospel of the kingdom of God the gospel this gospel the Gospel of Jesus Christ all are used to mean the same thing in Acts the word of this gospel in Acts 20:24 none of the things move me that I count my life there unto myself so that I might finish my course with joy acts 20:24 which I have received of the Lord Jesus to testify of the Gospel of the grace of God so the gospel of the grace of God so that means a major fact of the Gospel will tell us of the grace the mercy of God for who by the grace of God should taste death for everyone so you can't remove the grace of God when you teach the gospel that's why the gospel can be called the message of the grace of God but that is not a specialization summary that is a statement that explains that when we talk about the gospel we are going to see how kind how gracious God is Not that I should force every Bible verse to be Grace did you get it all right are we good so Jesus saves us from sin delivers us from the bondage of sin and that's why we read First Corinthians 15:3 Jesus died for our sin so let's pick up from where we stop Jesus saves us from sin now I said on on Sunday as in closing

that the challenge is always where you have this personal every CH is personal this is a personal person is Person of course we understand the fact that you ought to make your own decision to follow the lord to serve the Lord but what Jesus did was not personal what Jesus did was corporate what Jesus did was for the whole world that selfish way of explaining the gospel makes you not know the gospel properly because every time is always about me me me and I the world does not revolve around you alone sir man stop being a spoil brat or wealth blanket or all the different everything is not about you you you you you you you be matured you're not a baby everything cannot be about me me me me me me me a lot of persons who live their life like that not even everything is always about me me me I I I I come on why not think about others too because everything is just about me how I feel what about how another person feel that's selfish everything is about me me me how I I I so we don't think about how our own actions have consequences on others it's just all about how I feel so when you say you don't understand what I was going through you don't understand what about what the other person is going through it's not that's the new expression of Love Now self love you ought to love yourself you snap me picture in the bedroom with mirror self love upload self love self love that trended for some years now is dying away slowly enough bet pictures on Instagram and Facebook on self love say you have to love yourself deal with your heart let God heal you of your wound and your heart you have to love yourself is have eaten the wrong bre fast you to you ought to love yourself ultimately last Li in this life because nobody will love you now forming H philosophies from from heart and from darkness and you think he's going to help your mind he going to damage your mind never form philosophies wisdom principles form your failures form your mistakes from the things that have gone wrong with you don't form messages from it don't even allow your mind to accept it as a normal way of thinking because for every of those wrong philosophies you accept is somebody son and daughter that will suffer for it in how you lash out cu you are going to repay to somebody thinking that that's how to think that's how to live and when people call you out because few persons have the boldness and the courage to call you out you now think that those that call you out are where they talk why are they judgment us you are not behaving well sir you are not behaving well man the gospel is not about me me me I and that alone has affected Bible interpretation is the same reason why we can't let Adam be because there has to be an Adam who made all of us sinners for Jesus to die to free all of us they don't even need to be an Adam that lived for Jesus to die for sin you must realize that there are limited text that have Adam thank you I love the way many not their head so many in fact when you type Adam in the New Testament books you rarely see a reference the way we teach Adam today and that came from an innocent ER from St Augustine his Latin translation was wrong which today we have seen that's where he coined his Orin original s theology from he was that translation Latin translation he was using was a wrong one it messed him up and he said trying to for some text and now that we know better is running to and we are still holding on to a man's error and forcing every Bible verse to be about Adam because there has to be Adam for

there to be a Christ I put it to you Adam is only mentioned five times in the poine episode once in Romans say no it's not once in Romans for by one man the Adam is only referen in Romans chapter 5 and 14 that's where you see Adam's name Adam name only make it in Romans 5:14 then you have Adam again first 1522 then you have Adam again in 1ans 15:45 then you have Adam in first Timothy 2:13 and 1 Timothy 2:14 so when you want Adam to be the most popular character Adam is only referenced nine times in New Testament books in Luke 3:38 in genealogy Romans 5:14 nevertheless death from Adam to Moses even over them that not of Adam's transgression made now get there again 15:22 for as in Adam all die now you see what they are always consistent linking Adam with and we get that and that's the only place you you can mention Adam's name firstan 15:45 and so it is written the first man Adam was made a living Soul the last Adam was made a quicking spirit just about how Humanity was made and Adam was first formed then First Timothy 2133 and 14 and Adam was not deceived for the woman being deceived was in transgression Jude 1:14 not talking about Adam sin and Enoch also the seven from Adam prophesied of this sin behold the Lord cometh with 10,000 of his s simple so how do you have this kind of seven reference nine references of Adam you use it to now make up your Adam theology your historical Adam being responsible for everything that is happening the whole world because I told you Genesis chapter 6 is he still Adam Genesis fact let's not go too far Genesis chapter 4 is King Adam is K not contributing his own part to the human problem all right because we're always looking for somebody to blame is the all about the blame game I don't do anything I don't know anything that I'm doing wrong you will never do anything wrong s you never do anything wrong man it's always your neighbor but that's not how to think and how to live this honest hypocritical way of living are we good so leave Adam alone help me preach to your neighbor this evening say leave Adam alone all right it is O it is very okay to teach salvation Redemption and leave Adam alone understand that h because one of the things that has been fighting your understanding in all the things that we have been saying is that you you always go back again and Adam Adam Adam you can't let the man go can't let him be how did God form man man was formed of the Dust of the ground that's how God formed man man was formed of what Genesis 2 ver7 and the Lord God formed man of the Dust of the ground and breathed into to his noser the bread of life and Man became a living Soul now also quickly note there the Bible does not teach us biology the Bible does not teach us geography the Bible does not teach us archaeology human Sciences that's not what the biic writers are teaching so once you always want their letters to give you the accurate age of the Earth the accurate that is not what they are writing for people have asked some man of were there people were there this all of those innocent good questions that may look good sometimes not good depend on the angle they asking it from comes because we want the Bible to be what it is not so we T in one of our children experience meetings last year how to see the Bible how not to see the Bible how to see the Bible is that okay because how people see the Bible affect their understanding they want it to be science book it's a pre not against the Bible is not

against science but it's a pre science and a pre P premodern book Don't Force the Bible to be writing to teach science because you see we can learn everything from the Bible you sound unintelligent you went to school you know how many years you have been learning mathematics there are no quadratic equations in your Bible sorry it's in your own say you you can learn anything and everything from the Bible stop sounding talking foolishly because now you can't interact with intelligent people then you not say so you don't appreciate my Bible that is not why we should appreciate Bible Bible should be used for what Bible should be used for is to give us the Bible is written so that we have an understanding of God's plan for mankind and how we are to worship Him and how others who have lived before worship Him followed his plan and purpose on the simple is not written to teach me about science it's not written to teach me about economics he said I learned as a businessman my best book is proverb it may be your best book but there's no business there if you use that business you are D you don't know business I learned how to invest from Ecclesiastes you are a liar and the truth is not in you you are twisting and forcing him to say what he did not say you are using your modern understanding to twist those words outside the context those biblical writers were not writing anything about that they did have business and the Bible is honest enough to show us they had business but yet the important thing was faith in God faith in God they believed in God they worshiped God it was not teaching you about their business all their lifestyle but introducing you to have faith in their God amen and that's why all the occupations in the world are not in the Bible because occupations are still being created say any occupation that's not in the Bible is not occupation for you handling the Bible deceitfully wrongly let's not do that is that okay so the Lord God form the dust of the ground of the Dust of the ground of the D so God carries dust like this and he blow it and he was molding he said my hand is dirty my hand is dir M bring water he washed his hand again then he ched it again to the mold he was molding he was molding he was molding then he resuscitated man that's how it will look when we have all wanting to read backward so it was a CSE that God made he now breed into his Corps and his corpse became his man and his Man became a living thing C and I've told you don't read the Bible like that because you will have instead of a creation a resuscitation death preceded life so Man was created dead then it's not alive it's not alive yah what do we do he say wa I know what to do I put my breath mouth to mouth nose to nose and Man became a living being and they say hooray man has been created or resuscitated brought back to life n because if I'm going to create something I will take my hand you are not God that's why we say You Are God Alone separate him from you so when he say God created man you don't have to mold something statue why don't you just have the spirit of God picked up dust and that is our life already why don't you have it so fantastically miraculous and Supernatural like man is alive why does there have to be a CS first that they are not Breen those are already limited pictures that come from Death where are used to languages of death before life so again our creation have a resuscitation story he holds his nose and breing into his nose the Breath of Life so because we want the

writers to write biology that is not the logos in the word that's not the logic that the Bible teaches us the logic the Bible teaches us about the plan and the purpose of God that can be teed in many systematic ways different topics as we call them today soy the logy of the logos of Salvation the study of the doct of of Salvation ecclesiology the study of the church patology the study of the Holy Spirit and you go on and on and study all the logic angelology all the many Logics biology all the many logic however the core reason why we have the Bible is not to be a textbook for history a textbook to argue with Scientists or any of such it's to teach and make us know about our God and we must always do exes to her metics put ourself in the den and there what did they say in the then and there there's a distance between the biblical writer and me and you so what did they say in the then and there travel to the year and now and hear the same thing to unify two words two timelines so that we can hear the same thing they said in the then and there in the year and now is okay Genesis 2:7 the Lord God formed man of the Dust of the ground and be into his NOS the breath of life and Man became a living Soul now when I was teaching you two years ago on this the enology of dust I show you notice he said off the dust of the ground he didn't say and God formed man you can remove the word of God form man dust of the ground dust and ground say God form from the ground God form formed man from the dust but God formed man of the Dust remove the word of because it's italicize added by the translators to help you understand God form man dust of the ground that already shows you that he calling man dust of the ground God form man dust man is formed dust of the ground dust is the Hebrew word AP a h a p h a r i mean Genesis chapter 2 and verse S and that word dust has a multiplicity of use it is used 110 times it is used for the literal dust it's used for the powder the ashes the dry heads is used for that one it's also used more to explain something else it can explain man's identity and vers 14 let's do some study this evening for he knoweth our frame he remember that we are what that we are dust he remembered that we are Genesis 3 and verse4 and the Lord God said unto the serpent because thou has done this thou had cursed above all cattle and above every beast of the f upon thy belly thou shall go and dust thou shall eat all the days of thy life so serpent is eating dust all the days of his life wow that cannot be eating sand Genesis 18:27 and Abraham said behold now I have taken upon me to speak unto the Lord which I'm dust and Ashes Abraham called himself dust and Ashes I am dust and Ashes so the word formed is the word he has to Fashion to frame the word dust there is used to teach man's identity Abraham said I who Am I who am B dust and Ashes I who am but dust and Ashes the same thing job does remember I Bes that thou has made me as the clay and will that bring into dust again the way they use the word dust so when you read Genesis chapter 2 it is not it does not refer to the construction of man from physical dust though that idea can be gotten because of our physical body but that's not what Moses is teaching if not that will give us biology and remember he can't be writing biology because he doesn't know biology in fact they don't even know many part of the human body modern science is far better than ancient science anient science so primitive that they thought that they were thinking

from their kidney and their liver they didn't even know where the brain was located they didn't even know man had a brain when the Bible was written that was their sense their sense had the brain in the kidney that's why you say my kidney my reins instruct me aha that's not you f biology today if you write that one say I learned from the Bible that the kidneys were instructed to see everything I I I no they are not wrong it's how they understood it in their time so say no they error you see now that means error in the Bible no there ER in how you he not in any Bible HH that's how they understood it in their time and God is so honest unlike many persons he not afraid to be he could have inspired them to use 21st century language in their timeline but that would be bullying the people because how would they understand what they are saying when they will now use our language we you you and I to prove a point to you and I that is smart so you need to borrow so because it's all about proving a point so God has to borrow today's language to be speaking to ancient men is are they going to understand what he's saying say you know there are soft words Moses be speaking like that audience are wondering and they will never see the technology in their time but they're using phrases like that that's bullying the people that's not teaching then again we start getting angry with God like why is God not sensitive to what they are going through you can't please man do it like this do it like this which one do you really want God is a big God he can handle himself so he chose the people he chose and inspire them in the time he inspired them to write is that okay so the use of the word Moses is not right biology he's simply narrating man's existence and man's identity his reference of the Dust of the earth is to conclude that God made man from the dust of the ground made him a living Soul so he describing the Mortal state of man a will say God did not make man to die God did not create man to die but man could die would not die how did he not die if it was impossible to die how come he not died that is the use of the word do so we have explained that that that word does means frail means it can change state so man was made in a manner that it can change State for the better or for the worst he was made in such a way that he can become better or he can grow worse and what Adam chose and all different human beings have been chosen have been that choose the way Adam chose has been choosing to make it worse instead of choosing to get better is that okay so dust is used to employ that man is natural different from supernatural beings Abraham said I am but dust and Ashes separating himself notice how job used it he used to separate himself from God separate himself from the supernatural shall M man be more just than God shall a man be more pure than his maker behold he put no trust in a servant and his angels is charge with job 4:18 19 how much less in them that dwell in houses of clay whose Foundation is in dust which are crushed before the mo they are destroyed from morning to they perish forever without any regarding so notice the way manite is giving counsel to job he describes man in a manner different from God All Flesh Shall Perish together and man shall turn again into dust so dust explains mortality but God did not made man to stay mortal God did not make man mortal does not mean death mortality today now means death but mortal means it can die God did not make man to die God made man to live in

fact that's why death enter into the world because that's what Adam did not choose by not choosing life he chose death are you following so that you understand it from the Bible we have said this in many sentences clear so Psalm 103 and to 16 like as a father pities his children so the Lord pities them that fear Him for he knows our frame he remember that we are dust as for man his days are as grass and as a flower of the fet so he flourisheth for the wind passed over it and it is gone and the place thereof shall know it no more so man's frame dust 15 and 16 he uses grass and flower after what he's gone so you notice what he's doing he's showing to explain man's mortality so he's using to teach about man so what did God now do we see breeded into the man the breath of life and Man became a living Soul so we see life and living just as much we saw life and living in the different creation so observe the Genesis 27 and if I look at verse 9 out of the ground made the Lord to grow every tree that is placed down to the sight and good for the food the tree of life also in the midst of the garden and the tree of knowledge of Good and Evil so man has seen an unseen part that's why I say the hidden man of the heart man has the seen and unseen part for lack of better terminology they are not distinguishable but you can distinguish it only in an explanation but you can't remove man from so the dust of the ground is used to explain the physical or the seen part of man the life that goded is used to explain the Unseen part of man where we say the man is both seen and unseen at the same time what makes man a living being is unseen what makes man the kind of man that's what we call the spirit of a man the life of a man no wind life of a man is the spirit of a man is that okay all right the Unseen part of a man that makes man alive is what God breed into man but yet that man is called dust his identity is explained like that remember Moses is not teaching science rather neither is he teaching human anatomy what he's teaching is God's intention and instruction to Adam how God created human beings in his plan and purpose so in the beginning when God was making man man originally because if we inherit Sin from Adam who did Adam inherit Sin from obviously your brother your father your sister no are you see how the theology begins to look small so who the Adam everything is own form no the reason why Adam can't sin is because God created man with a choice and God created man dust of the ground those two things are in Genesis chapter 2 that because Moses is introducing us to the plan and purpose of God how God made man that's why the creation is different from the Creator is that okay so the tree of life and the Tre of Good and Evil life good and evil are cut threee obviously Moses the writers are not expecting the audience to think Adam ate a tree because there's no tree in their timeline that was giving anybody life and there's no tree that was give anybody good and evil we don't go for evangelism with fruit in our bag they say Do You Believe In Jesus say yes e this one just one bite it's one bite that brought sin it's one bite that brought Life One bite all right now I don't believe in Jesus all right I have another fruit in my back B itat bite this one just one bite please not two bites all right now you you die in your sin what if the person later believe before he die oh sorry you have already taken one bite you can't take another bite of life that's how the message looks silly so they are imageries so they are to connote things connotative

meanings they are to connote things the Tree of Life the tree of Good and Evil how do we know that because when we get to the Book of Proverbs Tree of Life is used as a proverb wisdom is called a tree of life to them that lay hold upon her Proverbs 3:18 happy is the man that findeth wisdom and the man that get understanding Verse 18 she is a tree of life to them that lay hold upon her wisdom is called a tree of life so the writer references Tree of Life figuratively for wisdom Proverbs Proverbs 11:3 the fruit of the righteous is a tree of life he that winneth souls is wise the action of the righteous is life and then describe that his tree now in Proverbs 11:30 hope deferred makes the heart sick but when desire comes is a tree of life AB when desire comes a tree of life no so he's using Tree of Life as a proverb Tree of Life is used three times in Revelation Revelation 22:2 22:14 that which restores or bring back relief so it's applied in that context that of that which restores bring back that which sustains or restores so God commanded verse 16 and 17 of Genesis 2 go back there Genesis 26 and 17 and the Lord God commanded the man saying of every tree of the garden thou mayest freely eat but of the tree of knowledge of Good and Evil thou shalt not eat of it for in day thou eatest thou shalt surely die I will kill you so the word commanded there implies to give a charge it is not a moral commandment we failed the moral commandment but Jesus have come to keep the moral commandment so that now we don't get to go to hell gospel gospel message man could not keep the moral commandment but Jesus kept all the moral commandment for us now we are free free to do what to break the moral commandment say no that's not what we trying to say sh but in a way but he has freed us from the moral commandment because we get to go to heaven we don't get to go to hell I will destroy it in your mind until when you try to think about it you say N I need to read the Bible Well I'm just starting all these phrases I will use more stronger words soon no Mercy shall be showed to that theology it is it allow for specialization and I see and sometimes I just laugh when I see some pastors still in the country and all over the world having still brandishing a movement with that kind of presentation of the Gospel say join our and just dress well two shop nice package the whole place it's the gospel of the grace of God something God is doing something in our time we need to know about the love of God your sins are not counted against you God loves you nice brilliant stuff but how is explain will put us in trouble because you notice that's why there are some topics that will never be to that kind of church go hook the theology so we just keep repeating say I can stay with the fact of the Gospel now lie preach everything the Bible so now you can't preach some other things because when we start teaching on prayer teaching on fasting say ah but Jesus fasted for us we don't need to fast don't catch you CU that is not finished work that's the unfinished work and say um give your money say but it's all about Grace it's all about you now it's about you now we are saying it's about you bring your money you don't want because it's all about him but says about you now we are counting on your generosity we look to you all right but now God is looking to you you say he should not why should God look to me we look to him he never looks to US ah he looking to us to reach the ends of the world that kind of theology because it's a specialization gospel that this is

the one that I'm for I am for wisdom can't call it wisdom no no no we can't pronounce it way and for wisdom every time I read Bible I Open Bible I you be seeing wisdom widom widom everywhere I am a wisdom preacher I preach wisdom wi every time I open my bible I pre Holiness we can't pronounce it properly remember I can't be Holiness can't be the Bible own because that's why your Holiness cannot eat with Sinners your holiness does not say neither do I condemn you your Holiness is far just like the people who K Jesus that's not Holiness so the today Holiness teacher is just like the Pharisees of Jesus day and he says Hol preacher you kill Jesus I put it to you it was people like you who sat in Moses's seat interpreting Moses wrongly that killed our Lord I'm a oess preacher then you other go I'm a Prosperity preacher can't be Prosperity it has to be Prosperity I Preity I'm not a PO preacher I'm a prity preacher because Jesus died so that there's money in your account his debt puts gold in your account his Deb put money in your account you cannot know Jesus and not have M he's the Lely of the valley the bride and Morning Star he's dead on the [Music] cross was for your prosperity for you know the grace of our God for your sake he was poor and he died so that you will be rich all the Apostle preaching the gospel say Jesus died for our prosperity we yet poor yet making others Rich if you look to the gospel you will not be poor come to Jesus he will give you money I feel like preaching this evening off the M off your m you are lying Li not die for down a scam gospel so you are not rich you can be rich because of Jesus death no that's what we say and what somebody else now when we start something like this they don't believe God can help us for our everyday life no way he can't are you happy we have agreed with you they don't believe God can help them in the everyday life they speak against the blood the blood that was shed for our prosperity how does that sound in your ear the blood that was shed for our prosperity how do you sleep at night knowing you are lying to yourself the blood that was shed for our prosperity s was he Shar for our poverty neither the gospel is news to the rich and the poor that's why a preacher can wake up hold the mind in a concert or in a service or in a memorial meeting and say you are poor is a you are ungodly and people are like yeah r on I feel like preaching this evening you are really preaching that's not the gospel the gospel is not Jesus died to give you money neither did Jesus die to give you poverty that's why within the scriptures hard work and diligence is praised for how people get rich the the saved and the unsaved knows that so it's amazing when a Christian does not know that money is in the hand of men God did not create any currency currency differ from Nation to nation and if you make money you do economic activities activities within the economy that are legit for if it's the non legit ones you'll be arrested those Sav yet in jail dying for your own sins say died for my sin that's what you are doing now in prison is your own sins so man has so we can conclude that Adam was not made to die neither was he made dead however he could die based on his choice that's why got told him to choose life Adam was created in such a manner thust he can change state it can go onto something higher which God wanted him to do go onto Glory received life but he chose death he could die that's why he died when he did not he the promise of Life So Adam has a will the human story

and that's where the Genesis account gives us Adam and not just Adam as an individual but Humanity. Humanity have a will because we saw the same thing we King he had a choice seeing light at your door and he opened the door and killed his brother so God gave Adam a choice choose life. God's plan was for man to eat the Tree of Life man to choose life is that okay come on so he was not to die but he could die he could go lower he could go higher he was given a choice to choose life or death we read Deuteronomy chapter 30 so what did Adam's Choice do to him Genesis 3: 11 to 19 observe go turn turn turn and he said who told thee that thou was naked thou eaten of the tree well if I commanded thee that thou shouldest not eat for the man said and the man said the woman whom thou Gest me that's where the blame game started you look for who to blame you never take responsibility for your action and the man said the woman whom thou Gest to be with me she gave me to eat she gave me of the tree and I did eat and the Lord said unto the woman what is this that thou H has done and the woman said the serpent bealed me and I did it and the Lord God said unto the serpent because thou has done this thou Cur above all CLE and above every beast of the feed upon thy belly thou shall go and th thou shall eat all the days of thy life and I will put en me between thee and the woman between thy seat and th seat he shall bruise thy head and thou shall bruise his heel unto the woman he said I greatly multiply thy s and in thy concession in sorrow thou shall bring forth children and desire shall be to thy husband and he shall rule over the verse 17 and unto Adam he said because thou has hacking unto the voice of thy wife and has eating the tree of which I commanded thee saying so there's always an emphasis eating of the tree of which I commanded thee and thou shouldest not eat of thou Cur is the ground for thy sake observe verse 17 Cur is the ground for thy sake in so thou shall eat of it all the days of thy life turns also and so and this where we say it notice it was Prosperity that was cured my Lord because the same way and of the ground keeper of no it's the same word used to explain just like we say a pastor is a sheer does not mean actually anim that the pastor isar we know that better say my P is a is my shepherd are you an animal but you don't want it to be so when you reading Bible because you want them to teach biology you want them to teach agriculture you wanted to you believe Moses was writing agriculture was teaching people how to farm say have you clear your grass clear your grass no now these are imageries that's why you don't see them used the again they now start using what the imageries mean why are they thinking like that acient men acient way of thinking allow aient men to be aient so it says in the sweat of thy face verse 19 thou shall eat bread till thou return to the ground for out of it thou was taken for th Thou Art and unto thou shall return this was not said to man before this is the consequence of man's sin for th Thou Art and th thou shall th thou art that is not the fault th Thou Art was already Genesis 2:7 to9 unto th thou shall return so man did not go to something higher so now man have sealed his mortality he has rejected life and immortality which Jesus brought back for man man has rejected life and mortality amen so it says Cur is the ground the word cost is the word a r is the word used to explain Exile just like when people are C in ancient time they banish

them from the land they take them to the evil Forest a away from the land so when you hear somebody's cost it's not you they mad you they CRA no when you hear C is out of my land are you seeing Bible story man is away from the garden man is a away from how God made him to function that is the cost and that's why I told you what is cost the ground the Earth something has happened to God's Earth something has happened to God's word by man's action did you see it so the word AR is used for inability so just like darkness is the absence of Life of light darkness is the absence of light what would Death be the absence of Life what did God tell man to partake of so if he didn't partake of Life what did he partake of remember if you choose anything you choose know you are choosing something he not choosing life he chose death if he chose life he was not choosing death simple all right so inability so if the ground is caused for man's sake it means man's sin has affected the Earth God was not reacting to man's sin neither was he performing an action of I Cur you I Cur you no Thou Art Thou Art not I Cur you the ground is ca for thy sake it's not is simply stating to man The quence of his action is not performing that's why he said for what you have done this is now it so because man did not know how far his actions have brought a consequence so God pronounce the consequence or result of Adam choice and notice one of the consequence was that he will return to dust verse 19 so man is dust but man was not to return to dust so we see when Adam is referenced in 1ans 15 44-48 we read it already before it is soon a natural we read it this uh evening already it is soon a natural body is raised a spiritual body so the body God gave adam was natural it was not sin that made it natural it was sin that made it stay natural and made it not go into spiritual not make it put on immortality is that okay right there is a natural body and there's a spiritual body and so it is written so it's explaining that's what you see in the beginning so it is written the first man Adam was made a living so the last Adam was made ital last Adam a quickening spirit last Adam quickens so remove the was made because it affects understanding last Adam a quickening spirit how beat that was not first which is spiritual is that not true that was not which is spiritual but that which is natural afterward that which is spiritual because natural was the order natural then spiritual God made man natural to go into something spiritual all right remember Spirit of man is unseen man is seen and unseen at the same time because he can function in two world based on the way he is made all right the first man is of the Earthly the second man is first mind of the earth Earthly the second man is the Lord From Heaven as is the Earthly such are they also that are Earthly and as is the Heavenly such are they also that are Heavenly as we have born the image of the Earthly we shall also bear the image of the image of the thank you so that word quickening there is reference from life from the dead Resurrection so man was made natural this implies without the spirit Moses described that as dust he was to choose the spirit choose to be spiritual choose to live eternally he was not to die though he could die you notice the emphasis if he could not die then how did he not die sometimes just calm down and think about your if he could not die how did he not die if he could not how did he not a God made man with an in no man has a choice but God told man how to use his

choice God told man what to go for and that's why that sin is an important because that sin is against the Mandate of God for the earth that is not ordinary sin so that's why that sin did something to the Earth because that man is now being explained with his vocation like an obber like a king a king priest prophet a failure to dress and keep it will do something to the why because he has used dress and keep it to explain the function of the man is not a farmer even though farming is the loudest occupation in that day so he will use it to speak of his spiritual vocation just been intelligent that is the the number one vocation in the day farming so he's using farming to explain spirituality just like Gard is not what is in a garden is a Sacred Space when you not see the Hebrew word for it the word dress and keep you will now see it the same word used for a priest serving a tabernacle and Temple is no longer fing it's not a the the Hebrew meaning of the words I was using the temple so it's not a f language so in chapter 3 and chapter 4 that the words are used for farming outside that is used for serving to dress and to keep to serve as a priest in God's Temple so dress and to keep because that is a temple the garden is a temple is serving as a temp as a priest king and Prophet there that is his vocation so remember I give you a statement on Sunday when Paul references Adam he doesn't reference him he references him for vocation that was an emphasis his work that is why he's referencing Adam so that we can re God has re restored our vocation Hallelujah so man without the spirit but God wants man to have the spirit the first man Earthly God made man that way that which is born of the flesh is flesh that which is born of the spirit is spirit so you see two identities are mentioned so the way God made man he now said flesh become Spirit dust become Spirit do you get it dust become immortal mortality put on immortality which is see the same thing to today did you get it all right and flesh and blood cannot inherit the Kingdom Flesh and Blood could not put on immortality that was the fall the same reason why Adam could not because something has happened now Flesh and Blood there mortality cannot put on you know it must there must be faith is that faith in the Covenant faith in the promise faith in what God Said obeying God worshiping God that's how man becomes what God says not any other way so man's identity without the spirit but man is to put on so flesh refers to man's identity without the spirit it means Man without the spirit or Mortal man that could die but should not die but yet chose to die not confusing AB man that can die but should not die and God told man not to die by telling him how to live but man chose to die chose mortality chose to stay the way he was made not go into something higher and that's what he would have been saved from if he had believed he would have been saved from now being destroyed destroyed damnation use a simple word that St go into something higher he would have been saved from going lower because his sin made him go lower instead of go higher are you following if he had obeyed God he would have been saved from that just like we are also saved from going lower because we are already gone higher we are already now glorified though we are wait where we put on immortality physically but we already have the immortality in our spirit how because we have the spirit of God that is an over down payment the inest of his Spirit AB be all right so God made Adam mortar m o r t a l is not

sin that made man mortal no sin made man immortal not go into immortality man is already called dust before the fall I think for the last two years we have emphasized that point all right so it should be a bit clear could die but that was going to be his choice but and yet that's what he chose so Genesis chapter 5 and verse three and Adam lived a hundred and three years and begat a son in his own likeness after his image and called his name Seth and the days of Adam after he begotten Seth was 800 years and he begot sons and daughter and all the days that Adam lived were 930 years and he died so Adam was to choose life but he did not hence his body hence Adam that Adam that physical man now his body remained mortal and if his body remained mortal he began to produce after his own image and likeness so his image and likeness now not noticed he didn't say God's image own image and likeness now is explaining his identity that means he has chosen to stay mortal because God's image and likeness is life and mortality which is why he told man man you are you can image me you can represent me but you will need to have my life you need to have my spirit so that sin was against the image that sin was against the life that sin was against the light that sin was against the AG the purpose is simple enough against what God was telling man to do so he was made natural and needed God's life to be Incorruptible and Immortal and that is what he said no to the tree of life was not about Adam's Body alone it was for man to be and live in the image of God so in Adam's Disobedience we will see a need for a new creation which is why Moses in retelling the story from Genesis chapter one because Moses writes after the fall he now uses words like that so the life which is the tree of life for Adam will now become a promise that will be preached by all the prophets it is now a promise it is now God's commitment that I'm not going to change my mind man will still have life so it is now taught as the promise of life to Adam it was just a choice to all of us now is now taught as a promise of life and that's how the gospel comes to us today how all the prophets passed it on like that so different means of communicating the same promise and plan of God God dwelling in man in all the God's dwelling is with man so Genesis chapter 2 gives us the reason why we need a new creation and how he tells that story we see chapter 2 chapter 3 he's retelling the new creation story of Genesis chapter 1 God offered Adam life he rejected life hence remained mortal so Adam's Disobedience was the reason why there must be a new creation did you get it so now the next thing did Adam's Disobedience make every man a sinner we already probed a bit into that on Sunday but let's probe a bit further what did God say to the man eat of the Tree of Life what else did God say to him now in what God told him to do so remember we have been putting in identity and vocation so look at the vocation Genesis 2:15 and the Lord God took the man and put him in the garden to dress and to keep it to dress and to keep it the word dress there is the word *abad* only in Genesis chapter 2 three and four do you have the word used in an agricultural sense 2091 times that word is used and only five times is the word used in an agricultural sense out of 291 that's intelligence is important *abad* a word is used 291 times and only five times it is used in an agricultural way that means I need to know what the word means and is simply the word

to serve use as serve the Lord let my people go that they may serve me Let My People Go that they may serve me let my people go so that they will go and dress and keep dress that's the word Abad to serve as a priest to what keep is the word sh to observe what I say to keep it two words used for King priest Prophet from Genesis to Malachi now remember the Garden of Eden is a sacred place it communicated God's King om on the earth AB heaven on Earth God's Kingdom on the earth remember in a temple Heaven and Earth in a place then a heaven and earth together in a place in all the temples in the world there was a physical image unless but not in the temple in Jerusalem AB be and God was using that to say man is my own image so in the temple which explains Heaven and Earth in the same place there is always an image but God say man is my image image my Praises uh reflect me into the world and reflect the Praises of creation back to me men will come simply put men will come into the temple to know who God is like and many in the temple will live knowing who God is but man must know who God truly is by having installed into him life and that's what he failed to be God's man so you see the concept is not fly away I sin makes me not to live as God's man I get to not function in God's Sacred Space so when you understand it like that that word dress is the word in Exodus 3:12 certainly I will be with you and that shall be and have sent thee when thou brought for the people out of Egypt He Shall Serve God Upon This Mountain shall worship God serve God so it was said they going to serve God on the mountain Ser him where he dwells so just like they were going to serve him in the M was to serve him in the sa place and he failed to do that instead he served his selfish purpose Exodus 19:5 look at the vocation again now therefore if you will obey my voice just like Adam was to obey God's voice and keep my Covenant then you shall be a Peculiar Children unto me above all my people for the Earth is mine not I hate the earth the earth is mine and ye shall be unto me a kingdom of priest and a holy nation these are the words that thou shall speak unto children of Israel that's the same word Abad again implies service how a priest serves in the temple so the priests in Israel were specifically chosen by Moses to serve in Tabernacle serving in the Tabernacle that's the word dress So Adam was given that same function a service was so that's a priest service then we see the word keep shama to guard protect or preserve look at it said to Abraham to Genesis 17:7-9 and I will establish my Covenant between me and thee and I see after the in the generation for an Everlasting Covenant to be a god unto thee and to thy seed after the and I will give thee and I will give unto thee and to thy seed after thee the land wearing thou a stranger all the land of Canan for an everlasting possession and will be their God and God said to Abraham thou sh keep my Covenant that's the word sh keep dress and keep dress is a keep sh is used so notice that the same vocation is repeated so that you don't have a distance God was waiting for Jesus nobody ever heard the same statement again no I told you what Adam failed to do Noah Kickstart God's kingdom that was also met again with failure Abraham start God's kingdom that was met with failure in Israel going into Exile then we now have Jesus that's why you see a long from Abraham to John the Baptist we cannot remove that it can't just be Adam sinned Jesus came so many

other details in the Bible you are jumping and it that Gap will affect your understanding which is what we have been bridging is that okay so the dress and to keep it keep keep keep what about the prophet Adam as a prophet notice in verse 9 out of the ground made the Lord God to grow every tree that is Pleasant to the sight and good for food the tree of life also in the midst of the garden and the tree of knowledge of Good and Evil God commanded the man saying of every tree of the garden but after he disobeyed remember Prophet God's voice you must be a custodian of God's voice stand in the council of God but however we see something again Moses David Moses also explained Adam having Supernatural revelation God caused a deep sleep to fall upon Adam verse 21 that word deep sleep is the word used for a vision tadema to fall into a trance to wake into the sights of the Divine to to wake into the to fall into so it's used to explain visions that word TMA deep sleep is not only referen in that place we see that uh deep sleep is used again in Genesis 15:12 it's used in job 4 job 4 in thoughts from visions of the night when deep sleep fall on men so it's the word deep sleep is not I'm sleeping very long no my sleep is deep my sleep in my sleep I've gone into the deep I'm seeing deep things is not the snoring has passing to the next level no that's not what he's saying for the Lord have poured out upon you the spirit of Deep Sleep Isaiah 29:10 and has clothed your eyes the prophet and your rulers the seers are covered so the prophet has the spirit of deep sleep so it's used to explain a prophet function so what God told Adam to do spread this thing is what he failed to do which can be used in the verse 28 fruitful multiply replenish the subdued remember we have used that Mand he blessed man and said fruitful multiply that dress and keep it that is vocation fruitful multiply replenish the head subdue it that is vocation all right so Mo Adam is now taught as an AR type an AR type is an ideal example of actions Behavior or functions or prototype and AR type look similar but they don't mean the same thing a prototype will be an unrefined version of something that later versions can depart from So Adam is not a prototype or an archetype he sin is an AR type did Adam Disobedience make every man a sinner no didn't make can a sinner didn't make uh they also had to choose their own they all had their own individual choices you are quiet they all had their own individual individual so Moses employs the history or genology to his audience we see in the story of Adam and Eve then subsequent stories that men and women who obeyed and did not obey some rebelled against God some obeyed God K re against God Abel obeyed God Noah obeyed God the men in Noah's not obey God toah disobey God you see the obey disobey is keeping the narrative just like he says Abraham obeyed my voice kept my law and my charge Genesis 26 who did not obey God's voice Adam so they keep showing you that every human being had the same offer every human being had the same choice not I don't know I don't I can't choose anything no Adam has swe everything no no no no no you don't have that story told no that's why his name is not referenced again nobody saying because of Adam I am what I am no no no so until you get to Romans 5:12 wherefore as by one man sin enter into the word and death by sin and so death pass upon all men death passed upon all men for that all have sin not for that Adam have made all

Sinners and made all to sin that's not what he's saying sin is an action a choice so the word passed spread so that means as time kept progressing death kept traveling from person to person did you get it death kept passing from person to person hallelujah amen this bious wind Romans 5:2 let's look at 12 to 14 we read it on um Romans 5:12 to 14 wherefore as by one man sin entered into the world and death by sin so death passed upon all men P the same word p the same word used for somebody traveling down a road to spread from place to place for the Lord sin was in the world but sin is not imputed when there is no law nevertheless death rign from Adam to Moses even over them that had not sinned so he's making it like we said who did Adam inherit his own Sin from for Adam to not have sin sin is a choice God created man with Will and God created man in a manner that he can change frail our we are called dust but that dust is to go onto something higher remember so that word sined de passed upon all men is was not referring to what happened to all men by procreation rather death moved from man to man P death is moving just like something is traveling so the situation keep getting worse death is passing from this person to this person to this person death is moving from man to man by who sin not Adam sin by a choice of sin just like the first man also sin that's what he's referencing so he uses the Greek word hamatan which is a verb for something that you do and he doesn't say Adam he mention people in Romans 2 verse 2 remember we said you read 1 to 4 Romans chapter 1 to 4 I read together 5 to 8 together 2:12 for as many as have sinned without the law shall also perish without the law for as many as have sinned in the law shall be judged by the law for all have sinned and come short of the glory of God Romans 3:23 notice is not mentioning Adam notice is not saying Adam made me to be sin no I'm sinning because I sin hold yourself responsible for your action while the beginning of sin was by Adam Adam is not the reason why everybody is sinning because Adam himself also sin who we Adam now blame from his own sin too since we are all blaming Adam who Adam now blame God but how did God create man did God create man to sin no so sck stick with the Romans 5 since we are blessing the point a bit more so he said death rained from Adam to Moses even over them that had not sinned after the similitude of Adam's transgression the word nevertheless implies in spite of this so he said death reigned underline the word reigned death [Music] rained now death rained look at verse 17 for If by one man's offense death rained by one much more they which receive abundance of Grace and of the gift of righteousness shall rain in life death rain life should rain look at verse 21 for her sin had rained unto death even so might grace re through righteousness unto eternal life by Jesus Christ Our Lord the word Rain r e i g n so death did not automatically pass on men Romans 5:21 reveals the reign of Grace as well how does the reign of Grace pass upon all men automatically or in our own choices automatically we are all Christians or we to believe the gospel so this is how we are to read Romans 5:14 nevertheless death R from Adam to Moses even over them that had not seen that of who over that word over even over them that had not sinned after the S of Adam transgression remember we said harat refers to an action of sin something that is done Paul is saying that the action of others the

action of others cannot be Adam SE now people because then he now brings in similitude a semblance a likeness that means we can their individual sin is just like it's not removing people's individual choice and saying they don't choose they don't decide anything so over them that had not sin after of Adam's transation so Paul distinguishes Adam from others it was not a single sin everyone was responsible for rather every man was responsible for his own action look at verse 14 notice the different words he uses transgression transgression is the word parabasis to Sid step a principle to go over to Step Beyond and is still used for others that word transgression is for only Adam you and I transgress still today transgression will go beyond instructions that we are told another word he uses in the same Romans 5 just follow follow follow try I know there's a lot of distraction because of the wind but avoid it just verse 15 for the offense offense is the word parapa is also used for our individual not is used 23 times remember Adam is only seven reference and all of the seven reference of Adam we don't have sin transgression mentioned in all so who is not doing all of this one if not us if everything is Adam Adam Adam it doesn't make any sense because this word parapa is the word used to explain offense in fact sin in Ephesians 1:7 when it says the forgiveness of sin this is the word sin here paroma we're dead in sin Ephesians 2:5 so it's used for our actions it's the same word in Galatians 6 vers1 beden if a man be overtaken in a fault that's the word parapa ye which are spiritual res such a one in the spirit of meekness considering thyself lest th also be tempted is the same word in James 5:16 confess your fault one to another so is not used in a manner that shows it's only Adam it's used for me and you our own failings too confess your fault one another say confess Adam for one to another are you with me so verse 19 for as by one man's Disobedience many were maintenance many implies a large number shows that what happened was not absolute it's not universalism by The Obedience of one shall many be made righteous Adam's action was called Disobedience he refused to heed what God told him so Paul is teaching Adam's action as an archetype for us to learn from and also know its consequence he's not teaching Adam's sin as our sin that was never the focus James told us the of sin James chap 114 and 15 I will not assume you know it so you see where that God is not involved James 1 14 and 15 let's start from verse 12 let no man say when he's tempted I'm tempted of God for God cannot be tempted with evil so even Adam cannot say God tempted him God cannot be tempted with evil never tempted he any man God will not tempt any man to sin but that will be then why are you now saying the man if you are the one that Ted him then it's okay now you know setting trap for somebody to fail then you not say I said you are just a fool God is not like man that's a foolish way of living setting trap for people to fail God didn't set a trap for man to fail there's a difference between testing and tempting temptation is a proposition to sin God does not propose for man to sin neither does he give that offer for man dysfunctional people are the people that set trap one for another say I set trap for you don't for what kind of relationship is that one I've wor such Wicked people setting trap for you say I set trap don't enter no now test testing somebody from tempting somebody are you with me it's an ungodly way of

Behaving so he said let no say when he's tempted I'm tempted of God for God cannot be tempted with evil neither tempted he any man every man is tempted when he's drawn away of his own say his own of his own lost and enti and when lost has conceived it bring forth sin and sin when it is finished bring forth death so it shows you the origin of sin and death again it shows you the origin of sin and death again let no man let no one the word tempted is the word Paro to Endeavor let no man when is tempted but he say every man is tempted each and every one of us so temptation is common to man because temptation is in this world we are in this world there are propositions there is choices we make choices so man can be tempted if man cannot be tempted he will not have been tempted in the garden man can be tempted why because man have choice because he can decide what to do and decide what not to do notice that word drawn away every man is tempted when he is drawn away that word drawn away is the word aelo it's got from two words e and H now that other word is the word used for Peter drawing his sword out of his shield that's to draw out so e out of every man is Center when he's drawn away to drag forth so the Temptation is dragging me his own is private his own look at the phrases he's using every man is said when he's drawn away of his own own not of Adam walk with me please his own not Adam his own leave the man alone is dead his own is everybody have his own drawn of his own individual private the desire is a part every human being have desire that desire is not sinful in itself but desire can be used in a sinful manner because those are legitimate desires we explained that last week we explain that on Sunday power is a legitimate desire sex is a legitimate desire the desire to be honored celebrated a legitimate desire it does not mean you should be proud those are legitimate desires however they can be used wrongly thank you legitimate desire everyone is tempted when he's drawn away of his own lust drawn away of his own the word lost there is the word epia which means longing now this is where because it's not a longing against God is used for a forbidden longing then he uses another word enticed to ENT trp like a bait to set a bait so every man is tempted when he's drawn away of his own lust then he says and when lost had conceived so it's easy to abort it when it is in the desired stage when it's in the enti but once it has conceived it has moved Beyond where you can now have bought it you and I can explain that AB that's why you got to a point you could not now because there was a point where you could say no but you are going to a point now ah you have just given him all right so that's the process of Temptation to bring forth so observe the words observe the words he doesn't put Adam there Adam therefore is not responsible for any man's sin first John 32-14 not as king who was of that Wicked one and slew his brother and wherefore slew him because his own Works were evil and his brother righteous marel not my brethren if the word hates you we know that we have passed from Death onto life because we love then he that love not his brother abided in death so it's individual action they could even blame Adam for it no Adam is mentioned in King so leave Adam alone Adam is therefore not responsible for any man's sin Adam is not thought as being responsible for man sin man can sin because he has a will man can choose to obey God every man has been presented with the promise of life

and each man have a choice to make say I have a choice to make I have a choice to make I have a choice to make so what sin did was to take man from dust onto dust faith in God would have taken man from dust onto life we don't sin because of Adam if we sin because of Adam how did Adam then sin who did he inherit his own form we sin because we have choice and because we have will we have choice and because of our frame we are dust so the only thing you can claim from Romans 5 Adam did to you is we die because of Adam and not sin because of Adam that is the only place that is positional because he is giving birth to in his own likeness and image which is now how he's procreating not that death is inside the the SP being passed into the woman you not push it women don't have only have that to there just the biology will will be confusing every human being has his choice the the death that is common is that death passes from one man to another that death is mortality we can all lay claim to Mortal not separation from God we can all say because of Adam we stayed mortal because he had brought that choice based on the first man he's giv better that in his own likeness and image but not the separation from God because Abel did not separate from God Cain did even in his own children we can see that they are going different Road even in his own children so stop looking for Adam stop looking for how Adam brought all of our human problem you won't find the Bible supporting you there how did the world get this bad the Bible tells us how the world get this bad it started with Adam then his children and his children children and since man has been living man has been contributing to the problem of the world so the problem this how you should read it the problem that started way back is how you should read it the problem that started way back with Adam that Noah tried to fix but could not that Abraham tried to fix but could not that Israel as na tried to fix but could not is what Jesus has now fixed that is how to interpret the gospel not looking for a a specific person so the problem that saided way back with Adam God in Christ has brought an end to it that's how not what Adam did to me God has undone it Adam does not even know you he will never know you you are responsible for your own choice is it Adam that made the person to say no to what you were saying did he know Adam before come on let's be smart now so it is proof text in only two texts this Romans 5:12 to 19 and Psalm 51 quoting Mo David out of context is what people use like I told you the original man which history today we have history it was a mist transation of the Latin that he had that made him mistake the the verbs and the pronouns there and took it to me okay so he's saying that everybody has inherited no everybody has not Paul was very consistent with making sin a choice of every human being the soul as shall die not the soul that Adam made to sin shall die there's no none of the Prophet before Jesus or the apostles after thought Adam is making me to sin I'm sinning because I want to sin I'm drawn up my own lust be responsible for your own action amen so if we don't reink how we see the world how we see man who understand salvation the work of Jesus did you get it so Jesus atoning death does not need to depend on Adam there don't need to be an Adam for Jesus to know what Jesus is doing is taking the weight of sin Chaos evil of creation is dying to get creation to be restored to his original standing that's why his death produces a

new creation is dealing with what makes creation not to be God's creation that's what he's dealing with leave Adam alone because the longer you force Adam you won't see the world so it's now okay there's a m examination we failed Adam failed different people failed but Jesus could keep all of the moral instruction and because he has kept all the mo instruction we get to go to heaven and we don't get to go to hell that is not it Hallelujah instead it is not salvation from this world but Salvation of this world did you get it it is not rescue from it is Rescue of it's not rescue from this word is Rescue of this word that does not involve Adam how bad has creation gotten ah so bad though it has even gotten worse that God had to on his own had to kickart his kingdom on the earth because all the men he wanted to use show that they were dust show that they are no different from Adam they are also prone to their own choices of doing right and wrong so he himself become a man tempted at all Point yet without sin so he could kickart God's Kingdom on the earth Hallelujah that's how to understand the gospel so choose life instead he chose death so stop having this idea of God hating the Earth and man and can't wait to destroy it no if you don't correct how you see the end of the Christian Life as heaven and hell you will never understand the gospel properly creation is rotten Romans 8 his death be Resurrection makes creation whole saves creation just like an artist an artor his damage he doesn't want to throw away the artwork what does he do he saves his artwork he doesn't destroy his artwork he saves his artwork that's why we are now called his workmanship at least the artist here understand my example gave it to different artists to restore the painting they could not restore it he had to restore his painting himself simple creation we is we not save from the world we as the is salvation of the word hallelujah so Jesus Takes the weight of sin death evil of creation is on the cross not because of Adam it's on the cross because of creation it's not only Adam that have sinned if is only on the cross because of Adam that means the other people sins are not forgiven it's only Adam s is forgiv is on the cross because of humanity hallelujah amen did you get it now I'm nearing where it's becoming a bit easier looking like what you normally have heard I've been using some phrases some words you have not heard before but I'm bringing it back to your old gospel teaching because we going to tie it all together is that okay only that we are removing a fly away only that we are removing those things that should be removed Hallelujah God is a good God hallelujah let's end with this text Hebrews chapter 2 go to Hebrews chapter 2 and let's safely end here Hebrews chapter 2 from verse 9 but we see Jesus who was made a little lower than the angels for the suffering of death crowned with Glory and Honor that he by the grace of God he by the grace of God should taste death for every man he by the grace of God by God's gifts he will taste death on behalf verse 14 for as much then are the children are partakers of Flesh and Blood he also took part of the same that through death he might destroy him I had the power of there that is the devil Hallelujah true death he might destroy so his death is because death is passing from Men to Men remember the word pass is the same word used for a traveler moving from one place to another there are 44 references of that word passed in the New Testament so it's a normal word for traveling so death is passing from

person as they are sinning Jesus comes to stop death from passing so that now the one that is saved has passed from Death onto life stop looking for what did Adam not do to me leave Adam alone what did Adam do to Creation what did you and I do to the world too because you and I also played our own part in making the world bad so until that Adam Adam is leaving the [Music] brain that's why we ask question so how did Adam s cause death and our sin today does not cause death Adam's sin was against life Adam's sin was against image Adam sin was against the spirit that's why blasphemy against the spirit cannot be forgiven is the same thing the Bible characters are straightforward in their presentation the kind of sin Adam committed is the kind of sin the man you preach to that does not believe the gospel is committing is rejecting God as his God is different from Individual actions Hallelujah did you get it it say he by the grace of God should taste death for every man so the the reason why he's dying shows the grace of God he said I have a commandment to lay down my life why will he be commanded to lay down his life we're going to explain all of that on Sunday Hallelujah stand on your feet lift your heads and just pray in the Holy Ghost
