

4 and verse 11 Revelations 4 and verse 11 that's Revelations 4 and verse 11 Thou Art Worthy oh Lord to receive glory and honor and power for thou Hast created all things and for thy pleasure they are and were for by your will they were created and have your being so God made humans so that he could over to kind not the male male and female the two has Dominion in that real are you following has Dominion in that real are you following so man that's why we said that that word image cannot be used uh different parts of speech one word can serve as different parts of speech so that word image can now be used as a verb man was made to image God oh and as an adjective as well was made to image God we are imagers of God we have image bearing capabilities amen and so sin is what happens when uh a human fail to be genuine fail to live the way God intends the human to live where instead of worshiping the Creator we worship the creation instead of Behaving and living as genuine image bearers we Dem mean our genuine image bearing and that is what the Bible explains at sin missing the mark where you throw an arrow and fall short of the Target and it says missing the mark what was the mark image and likeness let them have dominion and so and we we in our explanation so far we saw that it's not Adam we should be holding responsible for why people sin everyone there's no that has faced that is not common to man temptation is common to man every man is tempted when he's drawn away of his own loss James chapter 1 we did read those text so right from the beginning like we said God the the story the Bible is telling is not the story of flying away the story The Bible Tells is creation to renewed creation that's what I'm trying to show you so Genesis to Revelation you see a continuity you saw gong of Eden in Genesis you see gong of Eden in you see G of Eden in Genesis you see G of Eden in Revelations you see bringing it together so the writer is the writers are ensuring that the biblical narrative is the same they unify it together in such an intelligent manner that we should also pay attention to Hallelujah so God made humans so that they could look after his word and his intention was for that to push spread his influence his do Dominion with the family with the Human family so as man increase in population more the human humanity and Divinity enjoying fellowship sharing participating one with another the family in heaven the family on Earth uniting working together cooperating living sharing God's good rule on his Earth Hallelujah and the use of the word Earth there is what we will call his world so the Earth there will have Heaven and Earth in the Earth all right so for not to all always be using the word it like that we now say the world its core or as it Center an image the image re explains two things the image explains the image in the temple shows the worshippers who the who they are worshipping this is who you are worshipping this is who he looks like and also to take worship so man now as the image of God is to genuinely reflect God into the word for the world to see who God is and also reflect the Praises of creation and say Lord this is what we call you this is what everybody calls you in our interaction with people this is what they say you are this is who you are so there's a communication or for the right word we've used over the years Fellowship most people like to use the word intimacy I feel is a word we get to throw around carelessly and people start explaining all aspect of intimacy

like they are perverse or something and using those kind of explanations for the Lord I think you should get a husband or a wife or something something fundamentally wrong with those kind of Expressions it has no reverence Hallelujah so that's why human rebellion was so disastrous because what humans had a role to playing the earth now the Earth is not the way God made the Earth to be because man is that supposed to look after the Earth has failed to look after the Earth and has brought contradictions into the world and now that thing is running wild in God's creation the first man opened the door but every other man kept opening the doors in different areas too and sin and death has been spreading and passing the word used in Romans is the word used for a traveler so it's like think of a think of where you live for example some something was put in your compound is one place before you know that thing starts death let's say they are putting death in front of your compound before you know the death is spreading spreading so you know death is everywhere that's what has happened to God's word and it got to a point which is called the fullness of time God said no no no if we don't do something now something is going to so when the fullness of time was come Galatians 4 God sent his son AB born of a woman made under the law to redeem them that were under the law so when the fullness of time was come so this thing has been spreading and spreading and say no no no I have to save and rescue my creation so what did he do he picked all the debt from his creation and ensure that his for the man who now takes care of it there cannot be that sin or death in him again because the other men that were taking care of the Earth are sin and they were spreading were irresponsible so now God has the man that can dress and keep it and that's why we shouldn't have an Escapist mentality of I get I'm born again now I get to fly away no I'm born again now I get to live as God's man and if I have a futuristic way of looking at things I am already in God's new heaven now and I will be in God's new heaven tomorrow also because I'm already there now and forever I'm in the new Heaven and Earth always put the two together every time you see Heaven and Earth passing you never saw Earth passing away you always see heaven and shall pass away which Heaven and Earth Revelation say the first Heaven and Earth which one the one of sin death what God did not planned that's why the Isaiah Jeremiah the prophets Ezekiel all talk about New Creation New Covenant God is renewing his creation is renewing his Covenant is re so there is a new Exodus the man that God made has now passed from Death onto life so creation itself is frustrated because humans got it wrong are you getting it so the world itself is malfunctioning because the man to take care of the world doesn't know how to take care of the world so that is the mess that the creation was in that made the creation to need saving so the problem is not oh they human sin so they now go to hell no no no no no the problem is because from the beginning that was not the idea human they they get to go to and know the day you shall surely die don't bring a narrative that was not brought in is that that death now brought a place of a place of death are you following when you get the narrative right you realize that oh so that is not God's creation don't make it look like hell is God's creation it wasn't created by God for man are you following so it's part of the chaos that the spirit of

God in Genesis 1 ver2 Moses is writing to answer the culture of the day and say the spirit of God is moving over that confrontation the powers of that so the whole creation has failed to achieve his proper goal are you following now if that failure is not dealt with in part is what people mean by going to hell and we get all of that and nobody's disputing all of that but when you make hell a finality and is part of God's creation we miss the bi part of God's creation we miss the biblical story we miss the explanation because you now get to revelation you see hell and death cast into the Lake of Fire so oh I thought it's a a creation of God no God did not make it God does not have need of it Hallelujah so the Earth Is His Focus so we said it is salvation of the earth and yes sir so we are not being saved God is rescuing so that's why salvation is bodily Resurrection that's why at the end of the day we will be raised bod and it's not just one part of us is human beings that are saved no my spirit is saved though but my soul is not Saed don't talk foolishly your body is the Temple of the Lord every part of you is saved it do not yet appear the full so the issue is the fullness which is one of the words used to explain the coming of the Lord the ploma we have not seen the fullness of what has happened to us not that it has not happened to us amen so if not then you are not explaining you explaining what he needs to save us from again did you get it all right so those are things that we have said again and again in the course of this series so what is salvation the rescue of creation from sin death Decay futility Satan or the Paw of Darkness as we call it where the Salvation happen God's plan is full the whole world when he created man so from human beings we saw the bory moves to Israel from Israel we saw the people of the ex ex then we saw Jesus so where does salvation happened that happened through different men trying to bring God's kingdom but ultimately it is now Jesus Christ that's where salvation happen where we now see all the Earth God what God is walking in the earth I'll take it again slowly now I've already T this this is the fourth time I know because I listen to my message this is the fourth time that I'm talking about the word where how why of Salvation it's the fourth time I'm talking about it again so you can't say I'm just hearing for the first time I'm not saying anything new I'm simply reading from my old note again so where does salvation happen in Christ Jesus but Adam could have spread this thing Noah could have spread this so all the men so we now have Israel Israel lied to the Gentiles they failed in their vocation people of the Exile then we now have Jesus so where do salvation happen we now have the man Christ Jesus who has brought God's kingdom Hallelujah so God became a man God did it himself so salvation happens in Christ Jesus so so anybody can be saved the person down the road you don't like can be saved anybody can be saved all right so say that one is a different religion that one is a different tribe that one is a no we don't do that here it's from every tongue every tribe every Kindred every people every status anywhere Rich poor white black educated Not educated famous not famous 89 and verse 5 89 verse 5 down to 11 89 and verse 5 89 verse 5 down to 11 and the heavens shall praise thy wonders now this is one of the application of the word Heavens the heavens here it's uh supernatural beings that is calling Heaven just like I say I call Heaven and Earth to Bear record it's not I call Sky and sand no

I call supernatural beings and natural people to Bear record because everything we do is before seen and unseen word hallelujah all right so for who in the so from verse five and the heavens and the Unseen creation shall praise thy wonders oh Lord Thy Faithfulness also in the Divine Council in Congregation of the saint sense is a nature terminology of explains the nature it's not a work it's a nature sent holy ones holy ones kadim kadosh holy Kesh depending on the transliteration kadosh Kesh they mean the same thing kadim holy ones that's the word s funny enough when you see the phrasing and the language used to explain the supernatural host is the exact phrasing used to explain the church because it's a family of Heaven and Earth is explained with the same nature terminologies for supernatural beings are the same nature terminologies used to that's all Paul used to call us to so that you will realize that you are Supernatural that's why he says what manner of love the father has bed on us that we should be called the sons of God supernatural beings are also called sons of God so you realize that that terminology when he used it means a the heal from the gods from God ah so now I don't just heal from your God is my papa in an actual rebit oh boy not just that he created me he has giving me his Spirit showing again that we are the crowning of creation we are a creation different from unseen creation Hallelujah and the heavens shall praise thy wonders oh Lord Thy Faithfulness in conation of the Saints for who in the heavens can be compared unto the Lord who among the sons of God is KJV always afraid to use the word sons of God so he use the word mighty the word mighty there is the Hebrew word e I God can be likened unto the Lord God is greater to be feared in the asembly of the Gods in the Assembly of the Saints God has an assembly of gods he work with a Pantheon of gods that he created that he called Gods that's what we call supernatural beings that's what is called uh Heavenly innumerable company God has a company he works with uh Mah the son of imla in Kings his eyes were open and he saw the Lord sitting and there were host of Heaven to the right and to the left that kind of setup is All Through the Bible you must not be blind to that narrative let us go down God has a company he works with just like God works through his unseen creation and his seen creation God doesn't work alone he can walk alone but culture in a timeline where idolatry is common it says our God rules the Raging Sea so they understand what he's saying that he's not talking about water water water he's explaining to Powers because that timeline believes and have that idea of things like that when the waves over rise thou steal them which is the word peace be still thou has broken Rahab Rahab is the metaphorical names used to explain the pows of Egypt thou has broken Rahab is an epitet for Egypt thou has broken Rahab in pieces I mean he Dash that's why Miriam and the we're singing in Exodus 14 who is like unto the Lord among the gods because there was something Yahweh did in that Tri in that in in that coming out of Egypt because you know Egypt was the greatest power in that day they boasted with the powers of their gods and not only that how do you let your economy crumble because that is the strength of the economy that is saying let us go Israelite had turned to the the work force in their economy you can't just let them go so it took a strong hand so he said the horse and the rider thou

has triumphed over God is a man of word that's the songs in Exodus 14 Hallelujah with a strong hand so he said thou has broken Rahab in pieces as one that is slain thou has scattered thy enemies with thy strong arms speaking of the incomparability of God the heavens are dying the Earth also is dying as for the world and the full thereof thou has founded them the North and the South thou has created them Tabo and Heron shall rejoice in thy name so notice how he's verse 11 was where I was going the heavens are dying the Earth also is dying as for the word and the fullness thou founded them so say the heavens of the heav is the Lord has given to the sons of men does not mean that it's not the Lord he simply gave it to the sons of men is that okay the Earth is the Lords and the fullness thereof the Earth is the and everything in it the word and all who live in it everything in the world belongs to God all the supernatural beings so everything in the world belongs until you get that idea that that's who God is God is God over everything even over what is rebellious is God over everything all right so the foundations of the Earth are forever Psalm 102 Psalm 102:25 and 26 of old hast thou laid the foundations of the earth and the heavens are the work of thy hand they Shall Perish but thou shall endure yeah all of them shall wa old like a garment as a vure shall thou change them that's what he does he's going to change them that's the renewing of the Heaven and the Earth they shall be changed but Thou Art the same and thy years shall have no end all right so which is what you have in Hebrews 1 10-2 this same story Psalm 104 Psalm 104 and verse 5 let's read for uh 45 who maketh his Angel spirit is ministers a flaming fire verse 5 who laid the foundations of the earth that it should not be removed forever but somebody said to be removed no it will not be removed forever is renewing it notice how the use of the word forever and ever is always used with the Earth Hallelujah is renewing it Psalm 78 Psalm 78 and verse 69 and he built his Sanctuary like high palaces like the Earth which he had established forever like the Earth which he has established for Concepts that affect salvation where you have a moralized version and you turn the gospel to good advice or turn to the gospel to behavioral modification it was choosing the good and avoiding the evil that brought death it was not doing something bad is that I can do good always remember that the tree of Good and Evil is that I know the good and I can avoid the evil that led to a wrong choice always believing you know it you can't ask the Lord is your problem you can't take wisdom from the Lord it is not in man to direct himself so morality was part of what brought the for so when we want to make I know what I'm doing I know what I'm doing no that's why for conduct is not I know what I'm doing let the spirit of God lead and guide you because there are even some conduct that you did what was right but it's just to boast it's not it means nothing to God it's good behavior men will applaud you but God saw your motive and saw your heart and if they can vomit on your face he would have filthy rag was menstrual cloth today we don't use cloth so we say menstrual hard that's yourself that's your righteousness that's what you are boasting of I know that I've never done anything bad that's exactly how I see it because if that's what qualifies you you are a fool you are too proud you boast in yourself there is forgiveness of sin with him that he may be feared

because you're not honest if you are honest you know that ah I miss it here and there in my thoughts then you are before God then you are before the righteous judge but when you are having I've never ever I have everything figured out no when we say of course once you become the Creator in your disposition you are proud Hallelujah you are not the Creator you are a created being Hallelujah so it is the corrupt system of men that is ending not the universe or the globe just like it as it was in the days of Noah not how Jesus told the story the world did not come to an end came to an end was all the evil people that were wiped away come on as it was in the days of imagine that we are reading it but we are believing another thing is that not what is in your Bible as it was in the days of Noah sir so how was it in the days of Noah if the Earth was destroyed where was Noah when the Earth was being destroyed it was no on the earth so what was being destroyed the corrupt system that is passing away thank you that's what God is doing away with amen so God wants his glory to cover the Earth numbers 14:21 God said to Moses as I live sayth the Lord all the Earth shall be filled with the glory of God numbers 14:21 the same thing Psalm 72:19 the Earth fill the glory of God Isaiah 6:3 the shims The Sims are all saying holy holy for the Earth is full of his glory Isaiah 11:9 reading from the context the wolf and the Sheep will dwell together The Lion and the these will dwell together they shall not Hur in my my Holy Mountain for the knowledge of the glory of the Lord shall cover the earth Isaiah 11:9 the knowledge of the glory of God shall cover the Earth habac 2:14 the knowledge of the glory of the Lord shall cover the Earth as the water covers the sea so God wants his glory to cover all the Earth and that's what we are learning in this series that salvation is for the Earth salvation is in all the Earth amen which is like we said we're just borrowing a phrase from the global Eden concept these are all topics inside the global Eden what God is restoring on the earth his presence everywhere Hallelujah Isaiah 51 Isaiah 51 reading many texts walking [Music] salvation all right so we are not teaching on dead Resurrection remember the focus is on salvation we simply pass through those places Isaiah 51 my righteousness is near my salvation is gone forth Isaiah 51:5 my righteousness is near my salvation is gone forth and my arms shall judge the people the Gentiles shall wait upon me and on my arm shall they trust lift up your eyes to the heavens and look upon the Earth beneath for the heavens shall vanish away like smoke and the Earth shall wax old like a garment and they that dwell therein shall die in like manner but my salvation shall be forever and my righteousness shall not be abolished hacken unto me ye that no righteousness the people in whose heart is my Lord that's those that are saved remember I will take away the Stony heart I put my law in your heart so it's talking about the renewed man fear ye not the reproach of men neither be afraid of their revilings for the MTH shall eat them up like a garment and the worm shall eat them like wool this is the concept of damnation that Paul and the rest will now use this where they get their theologies from but my righteousness shall be forever and my salvation from generation to generation So when you say my salvation are you a part of that salvation are you the saved people are you being forever and ever so what is not forever is that which is subject and given to

destruction which is not you all right jump to verse 16 I have put my words in thy mouth and I have covered thee in the shadow of my hand that I may plant the heavens and lay the foundations of the earth and say unto Zion Thou Art my people so you get the context Hallelujah I a quick one again Psalm 37 a quick one Psalm 37 and verse 34 wait on the Lord and keep his way so the wicked and the unbeliever is cut off from the earth why the righteous inherit the earth the righteous inherit occupy possess not fly away not Escape inherit possess occupy because the Earth was made for you the world was made for you even in the Escape Theory you see have and we are all going to come back again so okay you are still going to come back and this is what the Bible teaches if not you will have we are just wearing a white robe we come to lift you up we are singing forever and ever but when you read revelation you say Reign and Rule so then you you have a missing P so how are we not re and ruling when I thought we are just going to beers that is not the Bible story The Bible story is rain and ruling forever and ever amen hallelujah so Psalm 7 3734 to 40 wait on the Lord and keep his way and he shall exalt thee to inherit the land the Bible tells the Bible Tells A Land Story it's all about land land land land land from chapter one chapter 2 chapter land land land cane is banished from the land it's all about land land land Israel possess the land possess the land you can't miss the story the Bible is telling the Bible Tells A Land Story there's so many talk about land they want to take everything from the land they have been exiled from the land so there's a land so if you miss the theology you won't be able to explain things properly because it's about the land and the word used for land def enough is the word Earth the same word land the same word Earth so that they are calling it land you can move land and pull Earth all right when the wicked are cut off thou shalt see so the wicked are cut off like we said before they are removed I have seen the wicked in great power and spreading himself like a Green Bay Tree just like we are seeing right now yet he passed away and L he was not yeah I sought him but could not be found Mark the perfect man and behold the upright for the end of that man is peace but all the transgressors shall be destroyed together and the end of the wicked shall be cut off but the salvation of the righteous is of the Lord he is their strength in the time of trouble and the Lord shall help them and deliver them shall deliver them from the wicked and save them because they trust in him Psalm 104 Psalm 104 and verse 35 Psalm 104 and verse 35 five let the Sinners be consumed out of the earth out of the Earth let the wicked be no more bless thou the Lord oh my soul praise ye the Lord is it getting clear is salvation for the Earth is it salvation of the earth so God is rescuing his Earth rescuing his word so the believer the church today are the Heaven and Earth man Heaven and Earth people the new heavens and earth it's me and you just as Earth can be used to refer to people the Earth was corrupt it's not sand was corrupt it's people so we are the new heavens and earth the people of Heaven and Earth as God intended us to be all right when I saw new heaven coming new Jus coming down from heaven as a bride he talking about people it's not so you are looking at a castle when poverty has affected the brain for years you looking at Mansion oh where my Mansion get a grip of yourself that's not the story The Bible Tells

it's not a poverty story it's not a poverty to Rich his story Psalm 104 and verse 35 let the Sinners be consumed out of the Earth let the wicked be no more that is how the Bible explains it Proverbs Chapter 2 Proverbs Chapter 2 21 Proverbs 2 21-22 for the upright shall dwell in the earth and the perfect shall remain in it but the wicked shall be cut off from the earth and the transgressors shall be rooted out where they day who they be that's what rooted out exactly that language I so you are hunting them down they cannot Escape it all right shall be rooted out of it Proverbs chapter 10 and verse 30 Proverbs chapter 10 the righteous shall the righteous shall never be but the wicked shall not inhabit but you say the righteous are removed that's your rapture story now which is not the story The Bible Tells AB all right I've tell it again so s you don't believe in Rapture am I mad I believe in the Rapture but not the way it's explained there are more verses of coming of the Lord than there is for any other theology that the Bible explains the day of the Lord why is the day of the Lord the loudest thematic concept or salvation the W the longest thematic Concept in the Bible because in the day you eat of you shall surely die look at how long that day is man have still not die that's the long suffering of our God is salvation cuz we will now see the day where he will now carry hell and death into the Lake of Fire that shall surely die look at that die so Adam didn't die immediately but he died but look at how long that's how merciful god is so the day of the Lord is the day where the Lord himself intervenes to put right the wheat and the Tass to separate whe from task because why man slept the enemy sold t s man the first man Hallelujah because okay okay if we take if we take it now we'll be destroying the man so let them go together but at the end of the world we will select it to be EAS to separate the whe and these are Parables of the Kingdom Jesus was sharing Parables of salvation of God's Kingdom on the earth amen amen hallelujah so it's the coming of the Lord not the going of the church observe who is coming he's coming we are not going he's coming so but we are caught up to meet him in the air oh boy how do you make explanations for one verse when you hear a okay what Happ to the power of the air that means you jump up get be intelligent now when you say the devil is the prince of the power of the air is he jump air you are the air I bre I breting Satan since we don't want to think that's what happens when we don't want to think you are there I breing Satan right now this same Jesus who you see so he not away from the earth he simply in the Unseen part of the earth unseen plot of the cosmos feeling all things for us and when the time is right we will see him visibly again and he will live with us forever and ever and rain on this Earth Hallelujah are you getting it so it's not a we get to fly away and even in all of of that theory then there's now we fly away first then First Flight second flight third flight third flight and you'll be wondering when they get all of this form oh there's a seven years oh there's a 1,000 years and because Revelation becomes hard to explain how many Antichrist have they had how many times have pastors fooled themselves and fooled the church in their teaching oh the other day is Hitler the other day is Nero the other day is Obama the other day is Donald Trump the other day is Putin the other day Saddam Hussein the other day Osama bin ladin there's always an anti the other day it was not 19 that one has also

passed away when are we going to have brain and stop the foolishness of Bible interpretation the anti Christ is John says already in the word you say is coming can you and yet you have a Bible if you can lie like that for Bible can't you lie for anything John said the Antichrist in the world you say he coming and you are reading and you can read he say he's already in the word you say he's coming and he the only person that Ed the phrase Antichrist so you not want to correct him in a phrase that he used then that's why I say people are not ready for Bible so they they like arguments silly argument you can't tell me that keep quiet that you are angry doesn't make you right you my friend get a grip of yourself nobody should be does not mean we should be scared to tell you there's no Bible verse man there's no Bible vers you are just angry for nothing put your emotions in check say ah so I remember talking to one of a bishop in War uh of one of these denominations because I was praying by the side of his building when I was uh in for some time and I was amazed when we say ah but it's not it's not fair I said that it's not fair you are not being emotional I say it's not fair it's not fair it's not fair that you have been preaching what is wrong it's not in the Bible we are saying let's use Bible show me reference you have not been able to show me say it's not fair how is it not fair we not getting emotion so so how who now started that's what me I'm asking you to now who started because it's not in the Bible that's why we should be reading Bible say so you mean there's no I said there's none he say let's talk about it tomorrow there's still no verse even by tomorrow there is none me I can give you all the verses you don't need to be looking for verses it's the book I've been reading in church I know the verses let's not have to wait it tomorrow so I see I was patient I see came again the next day he said I did not see I said there were some you did not see let me show you these are the ones that they come so used to argue he say hey this were the ones I was looking for I still explained it he say and that's a honest man say how would not going to do it I say it's your denomination not really how we going to it's not we you ask for the truth I told you the truth it's not we it's not a we are we going to do it there's no Bible over you know it's is good I know that can pain that's why people online when people cannot argue they will be insult turn to name m they explain Bible now Bible we bring the pump blow people who cannot win an AR I mean just have to it's lack of Home training all those things are lack of Home training don't disgrace your parents online no because of Bible they explaining say no we not go agree we not go agree but there's no V if there was a v would have which one are you using say I show you another one some people got so crafty and they said we get the sh say it's a covenant John is a covenant you do your part and God will do his part go better for you God crafty Wicked so John is the only one that uses Antichrist and he uses it in only four references funny enough it's not found in Revelation at all I will read them for you just because you are wondering if I'm sure of what I'm saying so let me Little Children First John 2:18 little it is the last time as you have heard that Antichrist shall come even now are there many Antichrist whereby we know that it is the last time they went out from us so John tell you that they are around they went out from us but they were not of us just like those people using prayer sh Antichrist all those ones

that are [Music] praying what do they call it I know I know you can just I can put on my neck just to catch Cru but different for you not make it look like there's something behind all those things are rituals uh every any practice that demings Christ is Antichrist practice but we have it as and you soon see just anyone does not believe in Jesus Christ so don't you see how how many anti are in the world all unbelievers that's why we see the way they carry media the church the church the church the church the church the church the church the church church is doing this to us we don't don't go and fight your father I not raise you well leave church alone Church no age no age what is the body of CHR we to cut the body of Christ out uh what that so [Music] speaker speaker speak your truth shut up renew your mind don't be silly the spirit of the age should not control you so I I get I should pick my mind though we get to renew our mind as Christians just say you are you have been seduced by the Antichrist Spirit to be fighting the body of Christ publicly AB no not be so we they do them we can correct practices but not the church this the church is wful I hope you know the church is you it's not bu say the church is wul just like say Nigeria is Cur that's your father your mother and you it's not the sand that's some people need to be thinking before they are talking say Nigeria is C is it the map it's Nigeria the map of the people Nigeria is cost that's your father your mother there which person's father and mother you want to be ca I say say say what a useless Nation when you realize that you say no no no no no things need to be done well talking like that erratic talking any they went out from us but they were not of us for if they had been of us they would not that have remained with us but they went out that they may be made manifest that they were not all of us but you have Antion from the only one and you know all things so it's telling you that the holy spirit gives you a faculty of discernment I have not written unto you because you know not because you know not the truth but because you know the truth and that no lies of the truth who is a liar but he that denies that Jesus is he is the anti not covid-19 not H cheap they they are inventing a chip now that you use your your your this thing once you put it down the mar of the be the mar of the the mar of is be is not Beast it's Mark of the bee whosoever denieth the son the same had not the father he that acknowledged the son had the father also verse 23 so that's it and he ended it with and say this is the promise that he has promised us even eternal life vers 25 these things have I wrto you concerning them that seduce you that try to deceive you but you have an anointing from the Holy One and you know all things the all things there not that you know things you don't anybody to teach you there's a context you need you have from the only one and you need no one to teach you in the context you need no one to deceive you because there are teachings that are deceiving so there's an unction in you to recognize truth the next place we saw Antichrist first John 4:3 and every spirit that confessed not that Jesus Christ Christ is comeing the flesh is not of God this is the spirit of the Antichrist whereof you have heard that it should come and even now already it's in the word after read kind of test you not see today Pastor I just want to tell you the coming get a grip of yourself I mean if you are going to be lying like this when the truth St you in the face get a grip of yourself say the truth stop

holding and it's Pride holding on to a Nar that's why these guys don't want to preach the truth that's why I don't call them and say Church fathers let me stop saying this when you sound like this you see why when we were a bit much younger I'm still young we were very that's very tough well I'm for Unity I'm I'm really for Unity I I'm I hate error I hate wrong Doctrine but I'm for the unity of the body of Christ and unity of the body of Christ is not that you should not speak the truth is that you should do it in a manner that does not divide the body that you now raise it is we versus them no that them is also my brothers and sister just that they are confused that some are mad now my brother and sister too but know they think well know they behave well now my brother and sister all the same some of our brother and sisters don't tie their hair some can't use makeup because of oess some if they wear Chara they be born in the lake some if they wear dream as a brother they are finished some they get their Weg from the my kingdom so we see we have many mad brothers and sisters stupid ideologies how people who bought into those foolishness I don't know say they are making the hair in the mar Kingdom and the and the hair is not wet so there's a factory down there say go to school you say no go to school you said no but the for of is professors that taught these doctrines so you say welcome to church you won't be needing your brain Give It Go have your seat anything we tell you believe it we will not read Bible here if we tell you believe it that settles it sit down say I'm trying to ask you sh give me your brain again you won't be needing it no God say let's reason together and so when we now teach the truth we are the ones that are are in error we are the ones are reading Bible say say I have a Bible verse yeah bring it you know see the Bible verse is in isolation from the context without even going to history culture just preest and postex we have already CAU the fraud of misusing the Bible verse nah that's not what the writer is teaching so if we need more intelligent people doing apologia or doing uh Theodis if you're trying to defend the nature of God that God is a good God please be intelligent don't do all that all those rubbish you are doing from podcast to podcast it disgraces the Body of Christ more because you are having porous and faulty answers that even somebody that have just listened to two series here can say Sir come this Bible verse you are using to say the truth it's also eror calm down that's why the more you know the truth the more you become more humble truth changes us doesn't so you know the truth and you are proud you never know the truth yet as know the truth well the truth we are changing into his same image from glory to glory the more you know the truth the more you confir Hallelujah are you here 2 John 1 and verse 7 the last reference of antichrist it says for many deceivers have entered the word who confess not that Jesus Christ is come in the flesh this is a deceiver and an Antichrist verse 9 whosoever transgressed and abided not in the doctrine of Christ had not God he that abided in the doctrine of Christ he had both the father and the son so it's clear denying that Jesus Christ is the Lord is that all the religions of the word Antichrist there it's not is not coming it's already here there's a lot of opposition against Christ I've told you before there's no anti- God that's why there's always is the same God we are serving that fire that mouth it's not the same God you have TI bomb on your chest you say the same

God you are looking for virgins you are even women I see an object in their Heaven say how many say they G they going to give us seven virgins after how many do the women I get why do women why do women not get seven men sorry you didn't think it think it now how come even in the going to their Paradise women are still an object they are still sex object to be picked say you just give one seven you say I want to know which is the True Religion you know get sense get out get True Religion what is true and people people just can't answer simple question because they lie to thems they lie to thems when the truth STS them in the face and that's why God is a righteous judge he will judge them for what they have heard I mean SC you say is the one they raise me in they raise you in see what you they talk not follow not follow is a well constructed lie well constructed lie you can save yourself by coming again by many many many reincarnation and you now now come again from nania you are just fooling yourself you cannot save yourself you cannot save yourself that's why the gospel shines forth when we present it in his proper presentation however even if we don't present the gospel properly thank God it is the mercy and the grace of the Savior that saves not the quality of our preaching but the quality of our preaching helps our understanding to be Toral so that we are not toss to uh anywhere B is is that okay all right so the wicked and the unbeliever shall be cut off from the earth the righteous inherit occupies possesses the Earth just like we are right now and is going to be forever and ever the Earth belongs to our god the Lord shall reign forever and ever look at Psalm 146 let's leave the Antichrist talk quite it can be quite depressing Psalm 146 I'll teach you in a truth experience meeting this year don't worry about those Rapture Second Coming stuff Psalm 146 and verse uh verse 10 the Lord shall reign forever and ever even thy God oh Zion unto all generations praise ye the Lord so the Lord shall reign forever and ever Exodus 15 verse 17 and 18 thou shall bring them in and plant them in the mountain of th inheritance speaking of Israel God is going to make his Tabernacle with them when they come out from the from Egypt so remember that Tabernacle now is you will see in Revelation let me not jump ah of myself you see that Tabernacle for thou sh bring them in and plant them in the mountain of thy inheritance in the place oh Lord which thou has made for thee to dwell in the sanctuary oh Lord which thy hand has established the Lord shall reign forever and ever the Lord shall reign forever and ever Isaiah 52 and verse 7 remember the gospel is that Yahweh is finally King over all the earth now and forever now for us who have him as Lord and soon for all the Earth and he doesn't remove people for the Earth as a tyrant it is their choice so since you don't want to be in my Earth you get to not be go stay in your own and there's now nowhere other than nowhere that's why there's a consequence and we can't remove that there a consequence and the consequence is not a threat it is that you are destroying yourself and that's why the gospel must be presented properly Isaiah 52:7 how beautiful upon the mountains are the feet of him that bringeth good tidings that publisheth peace that bringeth good tidings of good that publisheth salvation that sayith unto Zion thy God I say unto Zion thy God reth Psalm 82 and verse 8 arise oh God judge the Earth for thou shall inherit All Nations arise oh God is a resurrection chant in Genesis to Mali when

say arise is used to it can tip or explain resurrection and in that context in psm2 where the gods are judged the supernatural beings the powers of the heavens are shaken and removed away which is why Peter says the heavens shall melt with fervent heat on sin creation shall be destroyed along with the sin creation all right we get the uh Revelation revelation 21 and I saw a new Heaven and a new Earth for the first Heaven and the first Earth were passed away and there were no more Seas I explain what c mean no more chaos remember we have explained that that was one of the things we did in the first four parts of this series all right and I John saw the holy city New Jerusalem coming down from God out of Heaven prepared as a bride had done for our husband and I heard a great voice out of Heaven saying behold the Tabernacle of God is with man remember the biblical stories now we get to go to to God is that God wants to make his home with man what does God want on the earth a home and a family AB his kingdom and a family all right the Tabernacle of God is with men and he will dwell with them is it later or he's already dwelling with us right now it's already dwelling with us right now AB thank you so this is a reality for us now but is not yet a reality for all the Earth thank you are you still here he will dwell with them they shall be his people and God himself shall be with them and be their God that's New Creation realities now that's what we have God is our God AB revelation 22 the next chapter and he showed me a pure River of Water of Life so there's no sea but there's River because there were rivers in the garden there there is a river whose streams makes Glad Is Our God so uh renews refreshing the work of his spirit is what the rivers symbolize all right see in the ancient word symbolizes chaos rivers are consistently flowing so they speak of Living Waters eternal life renewal refreshing the work of his spirit I explained it and he showed me a pure River of Water of Life clear as Crystal approaching of the Throne of God and of the lamp in the midst of the street of it and on either side of the river was there a tree of life again see the context which bear 12 manner of fruit of course this is a revelation it's a vision that's why he's seeing it as physical trees and the leaves of the trees were for the healing of the Nations and there shall be no more curse and the Throne of God and of the Lamb shall be in it and his servant shall serve him and they shall see his face and his name shall be in their foreheads verse 51 to go and there shall be no for the Lord God him give them light and they shall reign forever and so the Lord shall reign forever and ever with us that's how the whole story concludes amen that's the Salvation story that the Bible tells did you get it so all the Earth God wants all the Earth God wants all the Earth save pressing by personing place by place and that's why we should be strategic in our SE wining but not just so in our discipleship Hallelujah and so failure to be genuine human failure to be genuine human beings failure to worship the Creator is that sin all right so we said the things we said um oldtime religion or wrong Doctrine uh has moralized the problem of creation and made it a violation of codes if you behave like this or you behave like this you shall be saved that's not true it's not if you behave like this and you don't behave like this that's not what saves a man a child is a child it's not the way he behaves that making him a child it's if he's born if he's born behavior is important because the behavior will now

help show that is that not your father why are you behaving like this but it is human being not human doings that I'm walking like a pig does not mean I'm a pig I'm a human being that I'm playing in the mod like a pig does not mean I'm a pig I'm a human being are you following so that is the point so so um the evangelicals the old time religion wrong way of explaining things have moralized the problem that oh the problem is that we have violated a code and because of that God is angry he's sending us to hell and we're already on our way to Hell Jesus intercepted that he he went to hell for us so now we get to go to heaven and all the feeling feeling feel the in between then now you are saved the reason why that saves anybody is not because the message is exactly correct is because it has Jesus saves because he had Jesus save inside he has Jesus died for you at least that fact is a fact of the Gospel that saves a man and we said it's not the quality of the Mery but the faithfulness of the your savior is that okay why because I said tell everybody you see outside that they can come inside there free food you went outside and say h it may not be the kind of food that you like it may not be kind of I not send you all those foolish conversation tell them to come in so you may have said some silly things but the fact that they came in anybody that came in will eat the free food that's why people are getting saved the master had prepared but the people that he prepared it for did not come in say so go go to the highways and the byways anybody you see bring them in finally you will not expect that anybody will still be thrown out they threw somebody out I did not wear the dress and it was free so I I want to sneak in so it's just power to explain that everybody's welcome because all authority on Earth is given unto me go e therefore so go tell them to come so that's why they are coming in though the presentation is not exact by many but it's not the exactness of the presentation that saves is is the power of the Savior that he rescues so moralizing the problem has not helped paniz the solution also have not helped paganized the solution is there an Angry God there an Angry God it's an Angry God oh God hates man oh he a pure eye oh he cannot stand oh my God oh God is shaking God is shaking oh your sin is so an Angry God that needed to be appeased just like every other religion plus African worship you put uh [Music] um appease the go with uh the sacrifice in the native port at the junction so that or you sacrifice two virgins or seven virgins or you take the pot of life or the Egg of life you know how they at it all right so an Angry God that needs that needs to be appeased and how did he appease his son he said I'll slay my son for you look like a beastly story but it's okay that sell because it it can push the grace message oh God is not angry with you anymore all right but it's a paganized is it that kind of explanation is gotten from the Pagan world because it's how all religions strive an angry deity that is foiled by a Muller that knows his onion needs to push the Angry God a priest that knows his his what must sell an Angry God that he is not going to take it he's about to kill you he's not going to take and people are afraid then it makes the priest stay in Duty so it's how old time religion functions so the infrastructure you have to come again if not how can you offer another goat how would the priest eat so they need to be an angry Dy that needs because as you are killing those things some meat are in his house so it's the

infrastructure for the angry D is in all it's a paganized way oh Zeus can't take it anymore he's going to unle F the cracking is in all religions I mean it's in all their timelines oh priding oh Hades is agitating he's always so we need to appease him so bring that beautiful lady oh what is the other female goddess doing atina is doing nothing this other one is doing nothing cowards of course the female goddess are also cowards so they do nothing give me one so they say oh they sacrifice them Greek de the GRE then the no ology uh to Odin B all of those names loky they bring all of them then you move again you go to Egypt okay that one they have many Osiris you all of them are the same thing an angry deity that needs to be at peace so so say he's angry can't take it can't take it but God so loved the word not God was so angry with the word that's actually the biblical story so what is the rth that he saves us from not his anger he saves us from rot it saves us from perishing from our choice of being destroyed because that our choice of being destroyed is what is not pleased with I told you on Sunday the r of God is not an emot he shows is his displeasure that his creation is going wrong his creation is heading for for the pit heading for trouble did you get it all right so we explain that more on Sunday and as we begin to round off this series so the paganized the solution or you platon the solution so we said you moralize it you paganized it you platon platonizing is when we die so I bring you good news Jesus love you but when you die you get to go to heaven so what about when we live no no no that's not issue now so the gospel is when you die so we can't wait to die when I die I see my Jesus so what about now are you not see him now say no we wait we look say but ah there's a personal relationship say yeah that's one of the things we say to just encourage people but it's not true but with one day is there no experience with your God charismatic rasal rascality charismatic but is not for us we don't experience Our God now what about the realm of the spirit the Unseen one there's nothing like that things are made up that's why your apologetic say when I see people falling on the ground I say those are not churches it's your Shrine that is not a church where you are answering questions that nobody send you to answer people falling on the ground how is people falling on your ground your problem because you can't fall on the ground this thing is powerlessness you say no I used to have power I used to we're not talking about used to used to used to show workings you have Backle there nobody will tell you which one is falling Jesus people were on the ground in his meeting people in in the ground imp pulse meeting why are people on the ground your own meeting that's why not having experience with God so all you have are intellectuals that turn to aths and agnostics that they were really not with us that's why they left us they were never saved you are you are once people cannot vitally touch that which we have seen we have heard our hands have handled off it eternal life there's a tangibility to Christianity we just get to explain it's not nice nice explanation there is a power to the presentation Paul said when when not in enticing words of man's Wisdom but in the demonstration of the spirit Power my speech and my preaching 1 Corinthians 2:4 my speech and my preaching was not my speech even my preaching was not in enticing words of man you know no book Rich Paul so it's not that he cannot talk but it was in the

demonstration my speech showed the spirit Power that's what we inherited Jesus said preach with sense following you say we don't need sense we need it you fall into the same extreme in the name of we're trying to explain Bible the Bible you can't explain it where explain where that is not a proper Bible interpretation I'm not trying to throw Shades I know there somebody in your mind and it's okay if that person is on your mind I respect him I love him but can never come here but all the same that kind of Bible presentation is horrible presenting all those you are old sir calm down calm down all the is not how the gospel is presented because you'll be giving people more work let's explain the gospel properly sorry I was I'm not trying sh so I'm just speaking out of pain pray for me I ought not to do this on Sunday it's been ages i i ranted a bit just pray for me put me in your prayers the God will help me the God of All Comfort Will Comfort me right right so you don't like him ah anybody need help remove Darkness I like just say they give us more work but no problem how can I not like he that hates his brother is a murderer and no murderer life abiding in him you see Bible verse how can you know know some people you you say something people start hearing so you are fighting you hate you and there's nothing like hate I only hate what God hat which represents Darkness enmity anything against the cross that's what we have nothing to do with are we good all right let me I think I can just do this today First Corinthians 15 let's just finish this matter once and for all I still have some few minutes uh verse three and four for I delivered unto you first of all how that Christ died for our sins according to the how Christ died for our sins according to the scripture and that he was buried and that he was Rose and and that he rose again the third day according to the Hebrews 2 and verse 4 for as small then and the children are partakers of Flesh and Blood he also himself likewise took part of the same that through death he might destroy him that had h a d that had the power of death that is the devil so Hebrews 21:14 is going to be important in explain our concept of death so the first place death was mentioned in the scripture is it in relation with sin if you sin you shall die be so you can't explain death without talking about Sin so when he said that is the devil who had the power of death the devil in First Corinthians 15 and verse 26 remember we said salvation is rescue from Death so that's why I'm reading a lot of things about death The Last Enemy that shall be destroyed is death so death according to the scripture is something that ought to be destroyed so death is not God's plan death is not something God is using death is not something that God likes sorry death is God's tool God's weapon all right so Romans 5:12 wherefore by one man sin entered into the world and death by sin did you see it death by sin so death passed upon all men for all have sin the word enter is to come from outside so sin came from outside and what did he bring from outside from outside God's creation that's why God has to remove it from his creation because he came from outside his creation sin brought death so death came by sin James chap 13- 15 we read that text let no man say when he said I'm of God for God cannot be tempted with evil neither tempted he any man every man is tempted when he's drawn away of his own and enti don't blame anybody for your foolish Act take responsibility for your action AB temped drawn away of

his own loss and when L had conceived he bringeth forth sin and sin went is finished bring forth death you notice death is also mentioned so you will see sin you will see death so death and sin go they are doing collabo now collabo all right is that how they say it help me I'm quite old school came by saying sin comes first where does sin come from According to James 1 uncontrolled desire where does uncontrolled desire come from desire there's desire then there's uncontrol so uncontrol uncontrolled desire comes from desire okay so is God involved in the motion of sin James 13 to 5 God is not every man is sented when he is drawn not when God is is when he is so you are responsible God is not in the Motions of sin neither is in the motion of death so to make God responsible for the fall of Man is stupid that's why Jesus cannot be appeasing god for death God is not in the motion of sin and death God is the one rescuing us from death sorry oh I'm not too fast okay 1 Corinthians 10 let's try First Corinthians 10 you see Temptation again 1 Corinthians 10:13 they had no temptation taken you but such as is common to there's no temptation that is taking you but such as is common to man an tropos it belongs to man it came from man there's no temptation that does not come from man it's not from God but God is faithful who will not suffer you to be tempted above that you are able to bear but we with the same trans also make a way of Escape say that you are able to Bear is at the end I know I simply rearrange the translation so that I will not be reading that if I can't translate it properly I know that's how I memorize it I memorize it by the proper because that putting at the end you now be wondering what is he saying it makes it look like God is God is just saying hold on my beloved help is on the way let the Temptation h no now it does not lead us into temptation I beg just want to preach a sermon with keyboard tell us there has no temptation taking you but such as is common to man but God is faithful who will not suffer you to be tempted above what you are able to bear so he will in that Temptation he will give you a way of Escape so God brings us out of Temptation by giving us a way of Escape is that okay so the word common to man so there's no temptation that is not coming from man so any Temptation man have it is his desire he can control it it is because it is from man and it is of man did you get it so Adam's action was called Disobedience he did not listen well you were told something and you didn't do it so where is Death Hebrews 2:2 for the word spoken by Angels was steadfast and every transgression and Disobedience received the just recompense of reward so death is found in Disobedience death is found in sin in transgression so God does not want death did you see it God does not want so who now wanted the death of Jesus why then did Jesus die so he explains it again back to our Hebrews 2 please I need your intelligence cap we it we it but we are thinking Hebrews 2 look at verse 9 we have read this text again and again but we have never concentrated on it now we are verse 9 there was a day I was going to do that but the time had gone I said let's not start something we cannot finish to taste de for every man underline that now I'm coming back to it but we see Jesus who was made a little lower than the angels for the suffering of death crowned with Glory and Honor that he by the grace of God should do should do what now this is not the first time I'm explaining this this is the third message that

I'm using to explain this not in this series we have other series what was explained there is the same thing I'm saying I simply copy and paste the note it's the old note three years ago yeah it's still correct it's not the truth not the change it's only the detail the power the punch you are using to say it because you have you have more recent way of explaining the same realities but if it's correct is correct what is correct your name is your name right did you get it that he by the grace of God should taste death for every manner he by the grace of God should taste is death so did you observe what was that suffering it was called The Suffering of death walk with me please for the suffering of death so Jesus dying for us is called The Suffering so I know you like who did he pay to who did he pay to calm down why not instead of saying who did he pay to why not what did he deal with the wages of sin is death and over the years this is I think this was one of the way I put it of always who did he pay to realize that death cancel out debt but we get there so some people are slow to get it for the suffering of so it's it's called suffering then he say he by the grace of God should taste death for every man the word taste there means to experience on behalf it's used 15 times in the Greek text so now observe the words so he experienced death how did Jesus experience death he Tes death for every that by the grace of God so how did Jesus experience death as the grace of God or as the demand of God all right so if it's as the demand of God then it was God that kept man in bage Jesus died to free us from God which is how all those foolish explanation goes when you you are not seeing things properly look like Jesus have redeemed us from God to God I will save you from God so God was about to finish man then Jesus stepped in and saved us from God and took us back to God and no one go that's the silly way of it because when things are not said properly those are ideas people have so he that by the grace of God should taste death for every man so Jesus exp erience remove the word taste he experienced death as the grace of God not as the demand of God for what purpose that he might destroy him that had the power of death so there's somebody using death a tyrant is running on the lose a tyrant is using violence weapons of a tyrant he will have to deal with a tyrant that is running loose man brought sin death follow sin to enter oh boy and is's running loose on God's creation so he would also in dealing with as and de deal with the Tyrant that is holding on to that that he that had and I T you that word had there is Echo to hold on to he that had the power of death so the word power there is the word cose he that had the power of death I'm inan verse 14 for those who are again sleeping don't sleep please we are reading we are studying so we have to go back and forth back and forth so put your head inside your Bible hold your Bible hold your notes is that okay so that he might destroy him for as much I par of Flesh and Blood he took that true death can we bring back that word now since he say through death can we bring suffering can we Supply the ellipses that through the suffering and the suffering of death how is he experiencing death by the demand of God or by the grace of God by the gra of so that true the suffering of death which is by the grace of God he might destroy him that had the power of death so the word power there cus Dominion something is being used who made him hold on to death it was man because

man yielded to him to whom you yield yourself to whom you become servant to AB so man yielded because remember when we sin we hand over to sin and unen power we hand over to sin and unseen forces a power they were never supposed to have so it's man that hands over that kind of power and that's why you you Satan can run wild until you stop him and say you don't they go too far but man could not because man was man had been d seduced deceived by the devil so man allowed it to happen that's howan held onto it so the word destroyed Kio now when we when Jesus spoke about his death in the four Gospel Matthew 16:21 from that time forth from that time forth began Jesus I'm going to be very fast please write the references uh from that time forth Jesus began to show his disciples how he must go onto Jerusalem and suffer many things of the elders and chief priest and Scribe and be killed and be raised again the third day so who is going to kill him men all right Luke 9:22 saying the son of man must suffer remember it's called suffering of death must suffer many things and be rejected of the elders and chief priest and Scribe and be slain and be raised the third day so did Jesus say he was going to be killed by men Mark 9:31 for he taught his disciples and said unto them the Son of Man Mark 9:31 the son of man is delivered unto the hands of men the son of man is on your screen delivered unto the hands of men and they shall kill him and after he is killed he shall rise the third day so who is killing him God or men but who is walking through the men God or principalities and Powers Wicked ones thank thank you again is that a collabo of sin and unen forces all right Matthew 17:22 23 while they Abode consistently in the four gospel and the book of Acts he was slain by wicked men by the hands of wicked men you sit in the four gospel that's what men saw God bless brother Ken there what men saw there what Paul wrote In Christ reality Revelation in depth the one that use x-ray to see so what men saw is that man the keep man but there's unseen forces behind it all right but from the four gospel they writing from an eyewitness angle from a physical perspective you see that he was killed by men and while they in Galilee Jesus said unto them son of man shall be betrayed Matthew 17:22 23 the son of man shall be betrayed into the hands of men and they shall kill him is that clear and the third day shall be raised again and they were exceedingly sorry so the death of Jesus was planned and executed by who men Jesus said in Luke 22:53 while I was dealing with you in the temple you stretch forth No Hands against me but this is your hour and the power of Darkness so did Jesus also link on sin forces he called it is enter into the hands of men but it's also enter into the hands of the powers of darkness is this how he's going to deal with sin is this what sin does all right follow so where was God where was God involved John 15 John 15 and verse 13 Greater Love had no man than this that a man will lay down his life for his friend so where is God involved God is found in his love trying to remove something from the world in his love by the grace of God that he by the grace of God not the demand of God will get to it take it slowly you'll get it John 10 John 10:17 and 18 therefore does my father love me because I laid down my life that I might take it up again no man taketh it from me but I lay it down of myself I have power to lay it down and I have power to take it again this commandment have I received of my father what is the

Commandment to lay down his life the Commandment was off and from God so love is not what took love is what gave sorry slow think I I allow you to be patient think is love taken or giv to to lay his life is it taken or is giv God so love the word that he or he took is love taken or love is giv so in his love is giving he's laying his life so that cannot be in demand that is now where you get as a substitute because he's in his love taking man's place you'll get it where is sin found who commit sin H who commit sin man sin is found in men where is Darkness also found conduct now who is who did God Hand creation over to who sinned where is Darkness found so sin is found in men death is found in men death is reigning in men reigning over Men Thank you so the power of darkness is it the power of death that he might destroy him that had the power of death that is the devil is that the power of Darkness yes all right is that the power of sin so Acts 2 and verse 23 so what the biblical writers did was to interplate two things the love of God with the sin of man that's why I we tell you why salvation because of sin and because of the love of God that's why he has to save man remember consistent with what we have been teaching all right because death could not have happened without sin and Jesus could never have died without the love of God that is the essence of that John 19:1 when he says Thou could have no power at all against me it was giv thee from above therefore he that delivered me unto thee had the greater sin so Jesus said you have no power over me oh when they were saying no no you don't have any power over me so the Commandment is that I should lay down my life that commandment is of love that's why the love of God the death of Jesus is explained with the love of God he loved us and gave himself for us gave not took he gave gave himself that carice grace of God by the grace of God should taste death for every man the gave himself cares gave himself so acts 2:23 him being delivered by determin counsel and follow of God ye have taken and by Wicked hands have crucified and slain so how is he killed by wicked men wicked men AB verse 36 therefore let the house of Israel know ass surely that God has made that same Jesus whom you crucified so he was killed by men and he so where the sin have his worst hold where the sin run his fullest course on Jesus innocent man God himself on the earth and see ran his full CA the wickedness of men were in the height of height how can you kill that kind of human being you don't deserve anything good in this life how can that kind of person be the person you want to kill that did no evil no guy found his mouth everybody saying crucify me away from us this wicked man so we saw how the human problem has gotten so worse the same thing with how people use social media today now they turn it into something else more action but you deny the Holy One and the just and desire the murderer acts 34:15 you desired a murderer to be granted unto you and killed the Prince of Life whom God had raised from the dead so where is God raising from the dead where is God in the death of Jesus say telling his son that his son can die for man not that he's killing his son that God killed him no no no he say but he bruised him for us he made made him a sin offering that's what he's saying when when Isaiah was clear don't lie on Isaiah's head when you shall make him an offering for sin not that he's beating him he's bruising him he's Ming him on the cross what happen now are too used to Pagan movies

Isaiah 53:10 so you don't say I'm dodging yet he pleased the Lord to bruise him every time you read text the question is how how did he please the Lord to bruise him that he gave him for us he had put him to grief when look how he tells you so that when thou shall make his soul an offering for sin is it not as a sin offering not that he beating he beating where God is found is that God so love the word that he gave his son so where God is involved in the death of Jesus is not in requiring it but in dealing with his sin and death by giving his son which is where love comes in that's why the death of Jesus reveals the love of God I've said this again and again are you here so acts was consistent killed by wicked men acts 1327 and 28 look at it again for they that dwell at at Jerusalem and their rulers because they knew him not nor yet the voices of the Prophet which were read every Sabbath day they had fulfilled them in condemning him and though they found no cause of death in are you seeing how Wicked people are though they found no cause of death in yet desired they pilate that he should be so Jesus was slain by who men so who is behind it first 2:8 which none of the princes of this world knew for had they known it they would not have crucified Lord Of Glory so who was walking in Kias the high priest who was walking through the people who was walking through the wicked people that slew Jesus powers of but now they are regretting it had they known come on all right so the princes of this word knew so the princes of this word and he links them up with princes of the power of so the pilate the chief priest all of those people he connects them to Supernatural Powers so the role that God played in his crucifixion was that in his love he gave his son for us is death from God no who who demanded the death of Jesus the princes of this world why did they want his death sin what role did God play Love he loved us and gave himself for us second Corinthians 5:21 for he had made him to be seen for us who knew no sin that we might be made right of God in him he made him sin for us how did he make him sin for us that is love and grace of God that's why it's called for us it means he was not s it means he was innocent it means he was not a sinner so the love of God the instruction he received from the father that they say is wicked and angry that needs to be at peed was be a sacrifice for these people but God does not desire death as a sacrifice that is the challenge sacrifice and offering thou does not desire Isaiah 46 to8 so you see again sacrifice and offering thou desire not my ears has thou open BN offering and sin offering hast thou not required then said I lo I come in the volume of the books as it is written of me I Delight to do thy will oh my God are you here Hebrews 911 and 12 but Christ has become an high priest of good things to come by a greater and more perfect Tabernacle not made with hands that is to say not of this building neither by the blood of goat and calves but by his own blood he entered in once into the holy Place having obtained Eternal Redemption he entered after obtaining Eternal Redemption you only pay a price to a slave owner and God is not a slave owner so if God requires Redemption from us that means he was the slave owner that would cancel out who he is but verse 15 made it clear now pay attention look at you can't be using screen now for be intelligent look at your Bible you can't be using screen what if they not show it where you need to observe it for yourself can't be depending on screen for

this cause I'm using the word observe observe you can't be looking at screen for something that you are observing for this cause he's the mediator of the New Testament that by means of death underline the word means that by means of death for the Redemption of the transgressors that were under the first testament that they which had called might receive the promise of Eternal inheritance so God was not behind every God is not behind every activity of men the powers of Darkness the princes of this world were the ones actively involved from the opposition of Jesus the rejection of Jesus betrayal of Jesus persecution of Jesus even to the crucifying of Jesus we have Herod Judas soldiers Pharisees Sadducees pilate Caesar we don't have God's name mentioned at all in the four gospel that is consistent messaging but we have our and powers of Darkness that is forces of Darkness Supernatural or Heavenly beings working with this men to put Jesus to death so that by means of death so why is he dying because there is no other way because sin remember death exile behold the lamp of God that taketh away the sins of the old world so why he must die is because he has to go he has to go where Sin is Sin is away from God's presence and away from God's presence is where we now see oh there's a place of death which is why he's Buried buried in Shi for three days so behold the remember the scape goat there one that will sacrifice that's not the scape goat the scap goat is the one that is sent away because sin does not belong in God's sacred place so Jesus had to leave has to be taken away had to be cut off from a time from other living being away from the presence of God why what does all of this whole b b grammar means it is not simple we can't say just say Simply Now lie it is a serious logical debate that have divided many denominations you can't say say simply so we have been saying it and I'm still going to repeat where from where I am now I'm going to repeat it again on Sunday and start from here so it's not just say say it once no by means of death so the challenge is what is keeping man in bondage death but what is behind death he that had the power of death remember man can see the sinen but man cannot see the Unseen but there's always unseen forces attached to it so in his death what is he going to deal with can't be God it's not God that is keeping man in bondage it's not man it's not God that is causing the separation it is man's actions plus the cooperation of Supernatural forces that he would have to deal with for as much as the children are partakers of Flesh and Blood he also himself likewise same that true he might destroy so you see it's not God he's not mentioning God's name there who is he going to deal with him that held on to that separation is who is going to deal with so he going to deal with the sin and unseen forces that man hands over power to Star them of their oxygen and where God is involved is that God is involved in his love so the wages of sin is death that's why he's dying he's dying to out Deb not paying not not paying the devil either say take no he's dealing with the devil but because of slave owner you know he should be paid but this slave owner the way he was paid was that was defeated because he's a tyrant usurping man he destroyed him that had the power of debt that's how he paid for man so the payment was that he was a substitute not that he's counting money and giving the devil as it were the pay is that his love is giving himself for man that is the pay are you are you

getting this now just like we use a,1 words to explain the other concept that's how we can use a th1 world which I will not do because I'm not teaching on dead reservation so I just use two or three words on Sunday and be done with that when later in the year we on res we talk about that again there are old message that have the same explanations that I'm repeating the focus is salvation are you with me yes sir so wages of sin is there so why the Jesus died he's dying because of the wages of sin because the wages of sin is death what is that death so go back to what we explain the five things that death is I be yes sir and we didn't do Nation nature and action is that clear so that by means of death so the means of death is the Redemption so how did he buy back how did he redeem by means of death so the debt is the Redemption are you getting so the debt is the Redemption so the payment is that he gave himself because it's an overpayment God as a man for man is an overpayment but it's not pay like so the the proper word is how did God deal with sin by confronting sin head on Hallelujah clear clear clear so I don't want to push it any further because of time so Romans chapter 8 I will pick it up from here on Sunday Romans 8 and verse 3 and 4 for what the could not do in that it was weak through the flesh why doesn't have to mention the law because it's the law that will show you that somebody can die for somebody's place because Lambs goats were used as a substitute to teach something to foreshadow something not because God needed the sacrifice to forgive but God will have to remove the sin and the death itself that has entered into the world which is what the death of Jesus is for but what Lord could not do that it was weak through the flesh God s in his own son in the likeness of sinful flesh and for sin condemn sin in the flesh that the right of the Lord might Pro in us who walk after the flesh but after the spirit so God passed sentence of condemnation of sin on Jesus so Jesus died as the representative substitute of of mankind and of Israel that's why the law must be mentioned and this is where we'll pick it up four things Jesus did accomplish I've said it again and again in this series paved the way for Redemption defeated Satan revealed God's love and created a con created a new family restored our restored us to be true images of God so the death of Jesus paav way for Redemption defeated Satan we look at Colossians 2:4 14:15 on Sunday as well hallelujah amen God so love that he gave a consistency of teaching the love of God let's run through it in first John First John 3 and verse 16 hereby perceive we the love of God because he laid down his life for us always all the biblical writers taught Jesus dying as love not as as as payment to God there's a reason why he loved us and gave himself for us so we ought to lay down our lives for the Breen so you this that first John 4 and verse 8 he that loveth not knoweth not God for God is love in this was manifested the love of God towards us because that God sent his only begotten son into the word that we might live through him hearing his love not that we love God but that he loved us and sent his son to be the population for our sin so that's how we explains love what Jesus has done is always what he's using to explain love 16117 1 John 4 and we have known and believe the love that God has to us God is love he that in love D in God and God in in him he in is our love made perfect that we may have boldness in the day of judgment because as he is so are

we in this world there is no fear in love but perfect love casted out fear because fear has torment he that feareth is not made perfect in love we love because he first love us verse 20 if a man say I love God so again he brings in so the context of always explaining love is the sacrifice of Jesus he L us and gave himself for us he loved us and gave himself Gans 2:20 I'm crucified with Christel I live I live the life I live in the flesh I live by the faith of the Son of God who love me and what in his love he gave himself for us not a demand of God not a payment to God in his love he's a substitute in his love he's a sacrifice in his love is redeeming man don't have it like he's going to where man is going the go morality alone and leave the Pagan and it's not about the going is that man is not functioning the way God wants man to function that is what he's dealing with stop going going this where we are going this where we are not going because of we not not going there leave going oh and become a being and a doing deal with the identity and the vocation leave I fly I fly I don't fly away think it from Identity and vocation Hallelujah and that's how to understand the story of the cross I will pick it up a bit again like we said on Sunday trust you learned something this evening he died for our sins he loved us and gave himself for us so again we have explained the what where why how who of Salvation anyone can be saved in that while we were see sinners Christ died for us not while we were praying while we were speaking in Tong while we fasting while we were loving our neighbor as ourself while we in our best behavior that's why we sang those songs we were singing earlier Hallelujah that's what is not gotten by good behavior cannot be lost by bad behavior it can pain that's why you're not a savior and the more it pains you it shows how Wicked you are we didn't get it by Behavior we can't lose it by Behavior Blas me you want to go commit you with all your knowledge why are you committing is it the knowledge that is making you commit say no you know we are humans are now we have come back to we are humans talk for yourself it is human to air no those are foolish Proverbs don't justifying error Hallelujah his death dying for our sin is to remove from his world remember sin entered that's so most people still don't know how sin entered because they only looking at the sin word look at King sin is at the door if you open for him enter look at the personification given to sin because for God sin is explained with the sin and the Unseen word so as Sin entered into the world that's how he has to remove Sin from the world what follows sin to enter death so he will enter into the world to remove sin and death from behold the lamp that's how you should be reading of it go to It Go I Go to Heaven calm down the lamp of God that take it away when he did Sin and death entered into the world when he did taketh it away in the dead and he couldn't just take it it away like a scam like a fraud no he had to be a man for as much I TR par of Flesh and Blood he took part of the same that is the love of God that is the grace of God that he will take man's place so that as by man sin entered into the world now by the true imager because you have never taken yourself taken taken yourself serious spoken of yourself highly that I but is me who am myself the angel say what is man mindful of him but man is the kind of his creation now he will become a man lower than Angel become taking on mortality taking up human nature properly prop phrase taking up

human nature he will die for the sins of man he will so by Man Came acts first 15:22 by Man Came sin by man also came Resurrection so as Sin and death entered that's how now we have the true man the man that can focus all powers in the sin and the Unseen World to himself has drawn all powers he has sucked it up that is the passing the union of sin and death Upon Jesus he have dragged it just like one man began the show and sin and death was spreading that's how now because heaven and Earth was concentrated in that one man's Action Now sin and the Unseen World all came together and did his foulest evil it's foulest trouble it fullest crisis fullest Decay futility evil wickedness any other word you can find on Jesus that is he died for our sin Hallelujah so sin and death Enter he say oh yeah out of my word and he did not just send it he followed it out and in coming back there's no sin and death that's why he's raised from the dead so that sin and death has no hold can no longer re over you and I Hallelujah death we read that two weeks ago Romans chapter 6 last week Wednesday in that he raised he died no more sin has no more dominion over you Hallelujah nothing can separate you anymore the death the Exile the thing that separates you has been taken away stand on your feet and give God thanks this evening thank him for the work of the Cross thank him for Redemption thank him for his sacrifice he's giving himself for man that's why we sing that song God in man who died for man AB took man's place thank you Lord lift your hands and thank you thank you
