

[Music] father we thank you this evening Lord we open our hearts your spirit and we trust that in this service the eyes of our understanding again will be flooded with light we thank you for the Revelation knowledge of your word that we receive Every Time We Gather like this we again in this service receive illumination and Clarity again on the subject of Salvation there is no confusion in this house only understanding raining we declare that the things that ought to be said in this service will be said the things that ought not to be said will not be said your name will be glorified we shall be edified built up transformed by the power of your word amen God bless you have your seats walking salvation in the earth Psalm 74 and verse 12 again our anchor text Psalm 74 and verse 12 Psalm 74 and verse 12 for God is my king of old walking salvation in the midst of the Earth for God is my king of old walking salvation in the midst of the earth what is God doing he's walking salvation in the midst of the earth God is working salvation in the earth so what God is doing is that he's working salvation in the earth Psalm 24 and verse one the Earth is the Lords and the fullness thereof the world and they that dwell therein so the Earth is the Lords and the fullness thereof the world and they that dwell therein the Earth is the Lord the Earth is the Lord and we said that um what salvation is what salvation is not what salvation is and what salvation is not we've looked at that extensively in the course of this series what salvation is what salvation is not and um we began emphatically EXP explaining Genesis chapter 1 and chapter 2 speaking of God's plan and purpose which we saw that it is a new creation that God has in mind it is what a new creation a new creation a new creation a new creation it is a new creation that God has in mind uh reading Genesis chapter 1 and chapter 2 we could see God's plan and purpose for man that Moses is not writing before sin and death so Moses is obviously writing about a new creation because Moses is after the fall amen and just like every of the biblical Prophet they all wrote about New Creation they all wrote about God's plan and purpose so the uh writing of the Bible as we will call it the writing what we call uh scriptures what we will call uh the teachings about the Christian faith are all after the fall of Man so it's good to understand that all biblical writers wrote after the fall so their explanation is should be the same explanation we have to today because they were correcting that view what went wrong in the garden so they wrote about God's plan and purpose what God is doing on the earth and we uh said salvation is not going to heaven when you die and doesn't mean you go to hell when you die also is that when you view salvation only like that you have just this world is not my own you just have an escape Theory so I'm born again just for my dying day so it's when I die that I will really be a Christian no no I'm a Christian now I'm not useless now it's not when I die I will now finally be a Christian no I'm I'm saved now I'm a Christian now I have the life of God now I'm in heaven now it's not when I die and if we have a Salvation teaching that have when I die as what I look forward to then we say we have actually what the Bible says salvation is from we have a Salvation story that God wants to save us from because that's no longer salvation but that's death so death is people savior so I can't wait to die ah that's actually what he saves us from so much of what people explain about salvation looks like they are

talking about death what God Saves us from and but it looked like that's what we look forward to no no no then there are others who have salvation as life after death in fact the when you ask them what is salvation they say so you don't believe in the after life you don't believe in the after life it is not a Christian some things I don't know I feel like it is people are a bit naive the afterlife teaching is in all religions or all culture it's not you don't need to be a Christian to believe in how does believing in the afterlife means that you are saved I don't I mean I didn't even need to know much in the Bible to know that that is a popular beliefs across the different cultures traditions and all of those things uh religions that there is a life after death how does that mean the man is saved so when we Define salvation as life life after death I haven't said anything because salvation is not life after death that there's life after death how is that salvation that's not that's not biblical salvation the way people are looking at me said I've been wasting my time for 20 part looking shocked like what was he saying is salvation life after death there's life after death in every religion preaches life after so they all saved too where does now what Jesus have done on the cross say is life after death there's an after is there an afterlife means that people are saved so for lack of a better time I think I said this in one of our truth experience meeting on what truly is the Christian hope if you want to use life after death I prefer salvation is Life After Life After Death because the other one is I don't know what you are saying so I believe in life before death I believe in life before death was there life before death was that God's intention for man before death came in was life offered don't make death the finality don't make death look like what we are looking forward to death is an evil thing I don't know when we started falling in love with death as Christians maybe you have not cried enough for losing loved ones I don't don't make death something like you make death look like it's a good thing don't you see what sicknesses and diseases due to the bodies of people I don't think any Christian should be having a a nice way of seeing death and looking at death so why do we now want salvation to now have death death salvation is covered with the old language of death that is no longer salvation and that's what God seeks to save us from so once I have a Salvation understanding that is filled with death de de de death de death I can't wait to die it's all about when I died then that is not salvation that's what God needs to save me from amen all right and we've dealt with that extensively in the course of this series it's amazing how you again this uh afternoon I said I went online and I typed what is salvation oh boy I felt like crying so much of what people people are suffering who get knowledge I just type it on Google anything I see is Christian study oh boy is this what people teach people this is salvation this is there some link to some wonderful pastors teaching that's not salvation that's actually what God Saves us from that is been explained as salvation the same way um man is eternal man is eternal man is eternal man is a soul man is it follow me a bit I'm trying to remember I forget quickly forget rubbish I'm trying to remember the post the the long write up I read this afternoon man is right thank you Lord he use the word Dam heresies are teaching that divides the body of Christ into SE that now says I don't belong to this I don't belong to this I belong to this so a teaching that divides

into sect is the word heresy so it says Dam so damnable heresy obviously which he would tell you even the Lord so in case you did not know because he didn't have to but the writers are very intelligent they like to explain what they are saying because by using the phrase damn neighbor you already means this teaching does not let people to be saved all right so it explains even denying so you deny the Lord you don't place your faith in the Lord Jesus okay and they bring upon themselves Swift destruction and many shall follow their pentious ways by reason of whom the way of truth shall be evil spoken of and which is where we see many philosophical views today because this false prophet are not just within Christian Cycles remember this people don't believe in Jesus when say false prophet that's what we will call today many of the different religions of today all right and many shall follow their pentious ways by reason of whom the way of truth shall be evil spoken of they speak evil of Christianity a lot and though then he now says and true covetousness shall they be shall they within what make merchandise of you whose judgment fun enough is chrisan that does more of covetousness now whose judgment now of a long time linger it not who of who whose judgment now of a long time linger not and their damnation Slumber not so their damnation is sure then he gives an example because if God Spar not the angels that sinned but cast them down to Hell the angels that sinned but cast them down to Hell and delivered them the word hell here is the word tatarus cast them down to Hell tataro and delivered them into chains of Darkness to be reserved unto judgment Genesis 6 explanation and say and spad not the old word but saved Noah no since brings in Noah there the E person a preacher of righteousness bringing in the flood upon the word of the ungodly and turning the cities of Sodom and gomorra into ashes condemned them with an overthrow making them an example unto those that should leave that should after unto those that after should live ungodly notice Sodom and gomorra becomes an example did you get that an example Jude Jude one Jude a servant of Jesus Christ and brother of James to them that are Sanctified by God the father and preserved in Jesus but yet is not Eternal it say preserved in Jesus that must mean nothing to people who say what they say Mercy unto you and peace and love be multiplied beloved when I give all diligence to write unto you of the common salvation Salvation that is for all that's the word common common does not mean cheap it means available to the common salvation what they mean not what you think they mean he has already told you what they are doing there but because you have an issue with a supposed message there are certain men crep in unaware so he letting you know that these are obviously one of us they are not Believers then he tells you that they are ordained to this condemnation so these are not believers they already ordained to condemnation then he goes for and he calls them ungodly men he's not talking about pastors that you don't like and know you don't like some pastors because of what they are teaching that's not what he's doing yet then he says turning the grace of God with which is the word transpose if you did uh mathematics you know that transposing it turning it changing size just like you do when they teach you Matrix so you are going to transfire so turning removing the grace of our God so what have they done he have just told you what

they have done they are not teaching the grace of our that's just what he told he said turning the grace of our God that mean what they have just done is remove the grace of our God they are no longer teaching the grace of our God because if you teach the grace of our God you will teach salvation because it's the grace of God that brings salvation so they have turned they have removed the grace of God whenever grace of God is T people are obviously going to get saved Titus the grace of God bring Salvation appear to all men so they have turned they have removed the word turning there is used seven times first time it was used is act 7:16 and were carried over onto s the next time it was used was Galatians 1 and verse 6 I Mar that you are soon soon removed from him that called you removed you are removed from him that called you unto the grace of Christ onto another gospel you are removed Hebrews 7 and verse 2 for the priesthood bring change there is made of necessity a change also of the law a change also of the law a change also of the law Hebrews 11:5 by faith anoch was translated that he should not see death and was not found because God had translated him Jude 1 and verse 4 there are certain men creting on our words which is where we are reading who of old he used the word turning so seven times he uses that word turning acts 7:16 Galatians 1:6 Hebrews 7:2 Hebrews 11:5 and Jude 1:4 removing the grace of our God into lasciviousness so lasciviousness there is the word alelia it is one tness it's um it's insolence it has just like every normal word it has more than one meaning uh based on the context of usage this lasciviousness here is a disrespect disregard to the message that saves and it tells you what that means look at what it conjoins it so that you don't have to just take my word for it and notice how he uses the conjunction and turning the grace of God into lasciviousness even denying the only Lord God and our Savior Jesus Christ are you seeing it again the teaching denies the Lord Jesus say I don't know him that's why he also will say I don't know you because the man that is saved Jesus knows him he knows Jesus Jesus knows him the man that is not sa Jesus do not know I never ever knew you amen so denying the Lord Jesus verse 5 I will therefore put you in remembrance though ye once knew this how that the Lord having saved the people out of the land of Egypt after what destroyed them that believe not you see it is not Eternal after the Lord after saving the people out of the land of Egypt after what destroy them that believe not you see it he can save you but he will still destroy you go get a brain and use one if you you don't have one get one and use it there this is obviously we have a Bible it's not talking what we don't know the Lord having did God brought them out from Egypt did it mean that all of them were saved is that not a physical Deliverance when you want to be crafty you be crafty how do you Fe that and even follow even after contentious and do not obey the truths but obey unrighteousness IND thetion and rth so those that obey for immortality and eternal life they that do not obey indignation and rot so they are the ones that will face that rot remember what is the rot of God an angry emotion that God display no what is the rot of God God leaving you to suffer the consequence of your choice that is a fearful thing did you get it all right that is a fearful thing that God is leaving you to the consequences of your choices ah help me now save me say you wanted

to be left alone I've left you alone ah did you get it then again we said because of the different context of usage the RO of God is also used to God leaving you or handing you over to the consequence of your choices uh with said the word rth is also used to explain truth is the truth we can correct the extremes without having to change the truth you see um what about people who because of poverty because of hunger say I don't believe in Jesus Anymore God knows his hunger that is doing them give the give the man food I beg we need to realize that God knows what people are going through is hunger the other one he said because of fear he wants to see his wife and children he said it's not my Lord I don't believe in Jesus Christ and afterward is a coward that's the name doesn't mean that Jesus is but people are afraid to answer those things because they feel like when you say that you are giving people the you are justifying it you are giving people free room go and be denying the Lord Jesus no don't know why he always hard to answer I hunger they beat the man the other one is scared fear they catch him suddenly enough they will still kill the person he say I don't know I don't know they don't cut the say will I will I show up in heaven because it's all about heaven and hell it's not about now so for now he not saved because if he was walking with the Lord now he should have know where he's going since he about where you are going about where you are going but having walk with the Lord on the earth you are not not sure where you know this going thing where you are going I hope you know the going face is very temporal because very temporal because once you have left the veil of this time you will not be counting time we are counting time so is us that are alive that are accounting time the way are accounting time now I did not say they have Ste into don't don't quote me I'm responsible for what I said of course they in a they are in a joyful B which is explained with the word Paradise I'm with the lord it's enough I'm not going to be bothered about anything when I'm with the Lord for God's sake what am I bothered for I'm bothered for what going to bother buy I'm bothered that oh oh what's I'm with the Lord so that's why time will not mean much at that State all right let me because of time was what we want to talk about uh we said a quick one on immortality First Corinthians 15 now this I say verse 50 now this I say 1 Corinthians 15 and verse 15 now this I say Breen that flesh and blood cannot inherit the kingdom of God flesh and blood cannot inherit the kingdom of God flesh and blood in this context deals with what uh our mortality our mortality will not is immortality that will because of what he's teaching so he uses flesh and blood in this context to speak of mortality mortality will not mortality is not what will reign forever and ever mortality is not the vehicle now this I say Bren that flesh and blood cannot take part of the kingdom of God neither does corruption inherit incorruption you see where it was going neither does corruption inheriting corruption behold I show you a mystery we shall not all sleep but we shall all be changed in moment in the twinkling of an eye the last Trump for the trumpet shall sound and the dead shall be raised Incorruptible and we shall be changed so that means the end is not death remember the Salvation is from death for this corruptible must put on incorruption and this Mortal must put on immortality and when this corruptible shall have put on incorruption and this Mortal shall have put on immortality then

shall be brought to pass the saying as it is written death is followed up in Victory so now we know this followed up in Victory but it does not yet look as if this followed up in Victory but later on it should be brought to pass he saying everybody will finally see it that death is really swed up in Victory oh death where is thy single grave where is thy Victory The Sting of death is seeing the strength of sin is the law and thanks be to God which giveth us the victory through our Lord Jesus Christ so notice how he mentions immortality this MTAR shall put on this MTAR shall put on now go back to where he mentions mortality again let's do from verse 39 All Flesh is not the same flesh but there is one kind of Flesh of men another flesh of Beast another of fishes another of birds there is celestial bodies and also bodies terrestrial and the glory of the celestial is one and the glory of the terrestrial is another are you seeing it so this also corrects that notion where you say angels are Immortal it says they have celestial body I you know I've said this in unseen forces I said this some of our other teachings I think when I taught you on angels in our series on spirituals something was what was it Supernatural things uh Supernatural things when I thought you on that leny series on Supernatural things a subtopic inside was angels I told you angels are not Immortal but only God is Immortal I know where people get that idea from because a shiny shiny being oh get your teachings from Bible not from that's why some if you people their Angels is Cupid C ID they have it's like baby floating the air and they have Arrow they are shooting love say that's why that's why now Angels cannot deliver all the angels that can deliver you have all turn to your boyfriend they shooting love into your heart say the angels of God stand around do say those small ones that are shooting arrow of Love Too Much Greek philosophy in the body of Christ that's no angel so I beg that's actually what demons [Laughter] mean let things be happening that's actually what is not in God's creation all right so where was I so there celestial bodies and bodies terrestrial the glory of the celestial is one and the glory of the terrestrial so there's a glory in the terrestrial there's the glory of the celestial there's one Glory know remember the word Glory not that individual forget that one the word Glory there is what magnificence the weight the weight there is a weight there is a splendor there is a brightness to the terrestria there is a brightness a weight a splendor a magnificence to the terrestrial there's one glory of the sun another glory of the Moon another glory of the stars for one star different from another star in glory so also is the resurrection of the it is swn in corruption it is raised in in corruption it is sown in it is raised in glory now see the synonyms so keep going it is sown in weakness it is raised in it is sown a it is raised a there is a and there is a thank you did God create man with a natural body thank you but was man made to to stay natural in his body I mean man was not created to stay natural with his body so it was supposed to be dust onto something thank you so look at all the synonyms for it in case you are still not sure let's read a bit more so it is written the first man Adam was made a living Soul the last Adam was made a quickening spirit the last Adam Quicken Spirit that's simply what he's saying this word was made isz the last Adam quick Kings that's all he wanted to say I don't know why the translators will be doing over the first the first man Adam was made a living Soul the last Adam a

quickenings spirit the last Adam quickens gives life so it is in the True Image that there will be immortality that there will be life that's simply what is communicating because that's why we say Jesus Christ was not an after thought one day we there in our theologies how be that was not first which is spiritual but that which is natural and afterward that which is spiritual see that was not a mistake it say the natural was done first the first man is of the earth Earthly the second man is the Lord From Heaven are you seeing it is not making any mistake how be that was not first how be that was not how that was not first I've told you it was not sin that made man of the earth it's not that made man dust so go back to all the synonyms now we have natural Earthly natural since we have added the Earthly part of verse 47 so we have Earthly we have natural verse 44 we have uh 43 we have weakness so look at what he uses to explain immortality so let's start again for those you have a Bible I don't know why it should be so hard to see what is staring you in the face verse 42 corruption it is raised in incorruption so corruption is the first state please as you are hearing corruption don't think to Africa Nigeria don't don't do that corruption does not mean that something is evil corruption here means subject to change anything that can suffer where and tear that's the word corruption man was made in such a manner that he can suffer way and tear that's why he should go into something higher that's the meaning of the word dust he is not the Creator there's a difference between creation and Creator so God plan to give his creation something that only him have based on man's Allegiance that's just so simple to see you need to test who you are entrusting your whole world with that's simply what God was doing a man failed the test and the test there is not a Temptation are you really the man that I made you to be is this the man that I want so corruption for incorruption dishonor for Glory weakness for power are you getting this yes so put all of them in one folder we have corruption we have dishonor we have weakness we have natural we have Earthly did you get the four now that is how to get the synonyms then for immortality we have incorruption we have Glory we have power so what does this word mean again because of words lose their meaning so corruption is raised in incorruption it is shown in dishonor dishonor here means this your your your body can embarrass you don't you see how people used to come out in places you don't expect it your body can shame you that's what that's simply what he saying your body can shame you your body can shame you that's the word vile body our body can shame us our body this body they disappoint so V it can change so it can is subject to look at how under the weather it cracks look at the different things happening to our body that's what is calling dishonor so the dishonor there is the word atmia that is the word it can be Bas so is the word shame first Corinthians 11:14 is the word shame second Corinthians 11:21 is the word reproach but is the word in connection to our human body Romans 1:26 calls it uh Romans 1:26 use the word vile affections vile vile so the word dishonor it is sown in dishonor it is raised in glory so the word dishonor there means our body can so the honor there is the word Glory are you seeing so it is soon this honor it is raised in honor honor and Glory are synonymous so it calls it Glory it is shown in weakness the word weakness there is the word asenia it can

want our body can lack it can want for strength it can want for different things so there can be feebleness there can be a lack a lack of strength lack of that's the word weakness it is sown in weakness our bodies can lack can be without it is raised in power sufficiency it is sown in natural bodies raised a spiritual body so that is it so when you not have that idea I don't know here again it makes it clear that God did not create man Immortal if follow again and see how foolish he is if man was Immortal how could they have now died words not they lose their meaning when you say something is Immortal and it died that's what immortality prevents you say something is Immortal that mean Chinese because it's only Chinese movies that they are Immortal but they are protecting their immortality I don't know I don't know how a thing can be immortal and is protecting his immortality you didn't get that it's only those Chinese Korean AB be Japanese movies that you are Immortal but you are need God to save you the elixir of Life fictions man can never really explain immortality outside God's word that's that's the best you can get all those confused things that they explaining in those their movies 1 Timothy 1 17 now unto the king immort invisible the only wise God be honor and Glory forever now unto the king ETA immort invisible the only wise God be honor and Glory forever and ever notice what he is called King ET Immortal invisible notice it was God that was before all things before he now made things so in a sense how do you now have supernatural beings of the same power with God is quite silly God is called etern that's one of the qualities or things that Telegraph who God is is called Immortal all right first Timothy chapter 6 let's read 15 and 16 which in his blessed time he shall show who who is the blessed and only potentate that's the omnipotent the King of Kings and the Lord of lords who only had immortality who only who only had immortality who only has immortality dwelling in the light which no man can approach unto no man had seen God nor can see to whom be honor and power Everlasting amen second Timothy 1 and verse 10 let's read 9 and 10 who has saved us and called us with a holy calling not according to our works but according to his own purpose and Grace which was given us in Christ Jesus before the word began now look at verse 10 but is now made by the appearing of our Jesus Christ who had thank you who has done what does this look like salvation now not salvation that has death look like what we are looking forward to he has abolished death and has brought life and imortality to to view so it's now people can have immortality that's simply what he's saying so when you not have man is Immortal that again gives people with without the Lord an idea of I still get to leave no I don't outside the Lord I don't get to live I get to die that's that's actually what he saves me from and that's actually what I don't want I don't want to be without the Lord because I may think I understand what it means but the fullness of it and is a torture in itself so he has brought life and immortality to life through the gospel so immortality notice how it is mentioned now there are two words used to explain immortality two words uh in the Greek used to explain immortality the first is the one used in Romans 2:7 which is the word aptasia used to explain perpetuity this is where immortality is used for something unending then the second is the one in firstan 15:53 immortality which is the word atania which means deathlessness Untouched by

death death cannot touch it AIA impossible to die can never be touched by death
deathlessness that's simply what it means deathlessness undying forever undying and
that's in 1 Corinthians 15:53-54 1 Timothy 6:16 now the first one immortality because that
word is used as incorrupt in first 1542 in Romans 2:7 2 Timothy 1:10 however there are two
times the word atesias is used eight times in gen in Matthew to Revelation or precisely just
in the Paul Paul alone uses this phrase eight times in only the PO episode from Romans to
Titus particularly he uses it two times in Ephesians 6:24 and Titus 2:7 for sincerity Grace be
unto Grace be with all them that love our Lord Jesus Christ in sincerity in all things showing
thymself a pattern of Good Works IND Doctrine showing UNC corruptness gravity and
sincerity Titus 2:7 so he uses the word sincerity there why because you're not wiling at the
Holy Spirit why do you have to do all of that say no is so we realize that it's not that those
people are wiser than is that of course the man has changed now is a bit better now he just
doesn't know how to destroy all his old teachings so he skillfully destroying them but
remove Arrow like that you have to come out and say I thought rubbish all those they say I
did not really say it like that you said it like that sir we have you on tape stop it stop it we
have you on tape sir you said it you said it you said it you said it you you told us is Devil's
box don't do don't do that don't do that that don't do that don't do that don't do that you are
old so we respect you don't don't don't don't don't play on our intelligence our parents
suffered greatly in your [Laughter] hand according as he has chosen Us in him before the
foundation of the world that we should be holy you know how many people could not make
money because of those teachings say you now have start having Rich members now you
should be grateful to God that those ones have strong head that they not listen to you
according as he has chosen Us in him that we should be holy here and there no so
salvation is here and there no so salvation is I'm saved from sin I'm saved from sin sin has
no power over me sin has no power over me that means sin has no control over me so if if
I sin is not because sin has power or control over me is that I chose to are you getting it sin
has no power over me sin has no dominion over me so if I sin is because I chose to so let
me not be blaming it on Lord you know that I am weak m m m
