

the name of Jesus Lord we thank you this morning we open our hearts to your spirit and we trust again that in this service the eyes of our understanding will be enlightened we leave here with the deeper understanding of your Plan of Salvation we declare that the things that ought to be said in this service will be said the things that ought to be done will be done your name will be glorified we shall be edified built up transformed by the power of your word and we declare there is no confusion in the house in the name of Jesus amen

God bless you have your seats walking salvation in the earth Psalm 74 Psalms chapter 74 and we read verse 12 Psalm 74 and verse 12 for God is my king of old walking salvation in the midst of the earth God is my king of old working salvation in the midst of the earth God is my king of old working salvation in the midst of the earth so God is working salvation God is working salvation there's a plan and the purpose of God Psalms chapter 2 same Psalms go to chapter two flip backward Psalms chapter 2 and we'll read from vers one Psalms chapter two and we read from vers one Psalms chapter 2 and we read from vers one why do the hidden rage and the people imagin a venting the kings of the earth set them themselves again the kings of the earth set themselves and the rulers take counsel together against the Lord and against his anointed yeah what anointed there is the word mesiah can also be used to explain the mesiah let us break their BS as sun and Cast Away their CS from us now verse two we saw how it was fulfilled in Jesus the chief priest the uh High the chief priest the with Herod pilate I mean all of them coming together the kings of the earth said themselves and ruler State council we see that is mentioned in Acts 4:25 and I did read that text uh when I was saying he was shilled by wicked men all right the kings of the earth said themselves and the ruler St Cel together against the Lord and against his anointed let us break their bands as and Cast Away their Cults from us he that sits in the heaven shall laugh the Lord shall have them in D verse five then shall he speak unto them in his Roth in his response and Vex them in his sore displeasure yet have I set my king upon my Holy Hill of Zion I will declare the decree the Lord have said unto me thou art my son this day have I begotten thee ask of me and I will give Thee the hidden for thine inheritance ask of me and I will give Thee the Heen for thine inheritance and the uttermost part of the earth for thy possession so God wants all the Earth Hallelujah God wants all the Earth and it says as an inheritance giving unto you the hidden forine inheritance giving unto you the Heathen for thine inheritance and the uttermost part of the earth for thy possession so ultimately notice The Possession inheritance those are languages familiar you should be familiar with from Genesis to Malachi because it was all about the land story go go and possess your land go and possess your land now God is saying possess all the Earth so it's no longer just Israel a territory but now possess all the land and that is not by military conquest but now in the advancement of God's kingdom Matthew 28 and verse 18 all authority in Heaven and Earth is given unto me Jesus said go ye therefore and preach the gospel to Every Creature so we are to go this the same context in Mark 16 but the Matthew 28:18 all authority in Earth is given unto me says we should teaching men to observe all things whatever have commanded you and L I'm with you always even to the end teaching

them to observe Make Disciples of all Nations teaching them to observe all whatever iand and with you always even to the ends of the word now the same focus in Mark 6 that says preach the gospel to Every Creature he that believeth and is baptized shall be saved he that believeth not shall be damned so there's an emphasis Luke 24 the same Focus there's an emphasis down to acts 1 ver8 Acts 1:8 and you shall receive power after the Holy Ghost is come upon you and you shall be Witnesses so there's an emphasis starting from where you are your Jerusalem to the uttermost part of the earth so there's an empasis in the preaching of the Gospel are we good there is an emphasis in the preaching of the Gospel there is an emphasis in the preaching of the Gospel that we should reach the ends of the world Hallelujah there's an emphasis in preaching the gospel that we should preach to the uttermost part of the world Romans chapter 1 again just uh backtrack to the New Testament books uh we read this text also when we're starting off Romans 1 and verse4 let's read verse 5 by whom we have received Grace and apostleship for obedience to the faith among all nations for his name among all nations All Nations All Nations among all nations for his name God wants how many nations Save All Nations all people Revelations chapter 5 read 9 and 10 and they sung a new song saying Thou Art Worthy to take the book and to open the seals thereof for thou was slain and H has redeemed us to God and by thy blood out of every Kindred and tongue and people and Nation thou has redeemed us to God by thy th blood you have redeemed us to God by thy blood out of every say every every Kindred tongue people and nation and as made us of one and has made us unto our God Kings and Priests and we shall reign on the earth notice the emphasis we shall rain on the earth So the plan in Genesis chapter 1 verse 20 says where God said let us make man in our image and let them have dominion we said God has not changed his mind about that plan let them have dominion God created man to share in his good rule amen so we are to image God into the word and that is in our stewardship role we are to sh shine show forth the glory of God we are to show forth the glory of God into the word show forth the Praises of our God show forth the excellencies of our God who our God is what he is like when we have a vocation toward USS that and we also are to take the Praises back onto the Lord and say this is who you are this is what we call you and funny enough that the starting point where we now say uh I am born again because in my being be in my being born again I now have a walk who I am who I am in Christ Jesus and there's an emphasis uh we've talked about the what the when the where the why of Salvation the what when were her why of Salvation you can you remember we said what is salvation we said salvation just means the word rescue I'm rescued what are we obviously being rescued from we said death death will be a word that would encapsulate all that we have been delivered for if you want to use just one word and not be mistaken at all we can just say the word death salvation is deliverance from Death that's why ultimately there will be no more death and there's no more death there's no sin there's no Satan there's no anything because and that's uh why you see in Revelation hell and death cast the Lake of Fire that is the second death Eternal death there's no more death Hallelujah The Last

Enemy that shall be destroyed is dead so just you can uh but of course that's stretching it for people who have never read the Bible before you just said the only thing is De it's kind of like uh over simplification but it's not uh because of the contextual implications it is not an over simplification but you can only say that when it's a conclusive statement we can roll over we can gather together everything that we have said so far and now say ultimately death is what we are being delivered from amen so the what is a rescue from sin dead futility and that's why there must be a resurrection I think there was an emphasis I placed in this series on Resurrection so when I say salvation is uh I think we talked about that on Wednesday for those of you who were around salvation is not the afterlife the afterlife is in every culture tradition religion worship I mean to teach the afterlife itself so what is salvation Salvation is life after death what are you saying make no sense make no sense every every form of worship have a life after death that is not salvation and that these are some of how paganism where we paganized salvation or we moralize salvation our Salvation is I get to keep some set of rules so how are you behaving how are you behaving so people don't get to meet Jesus people don't get to follow the lord Jesus so seven things people have done to Salvation if you have been following this series you should have gotten it number one they have moralized salvation that the concept of salvation which is the reason why you hear the famous songs in bses and early hours of the morning when they are singing it's not as common as it used to be common uh six seven years ago it used to be very common you couldn't enter a bus without hearing somebody say keep on PING your hair keep on wearing wave on but now I think it's kind of like not an issue again like that people don't over stress it because even the mothers are wearing the wig now so and the wave on so they kind of Co down you dress like this you talk like this you can't be a Christian I dress like this I talk like this I can't be a Christian so a Christian is someone that has passed that moral examination and so we have now certified him a Christian but there's no Mor examination so I couldn't keep it I couldn't keep the a b c d e f Jesus kept the ABC D so Jesus kept my moral Examination for me so Jesus is brought into the mix again because he our substitute so in all of the lies Jesus is always the substitutes too just like in the truth Jesus is the substitutes too amen but now IM moralizing the solution we say salvation is about you do this you do this you do this God is in a covenant with us he enter a covenant with us you play your part god play his part and your part funny enough is never believing in the Lord Jesus no your part is if you don't do this if you don't do that if you don't do this if you don't do that and never get to read scriptures and when they start reading the Bible they now read verses that explain the Christian but you are telling me how I become a Christian you are telling me how I become a Christian is by doing of this you say no that yes no what we are really trying to say h what I meant uh what I was really trying there's always no sense behind it why we were yet SE as Christ died for us why we're doing nothing good that's Bible Romans chapter five while read of you are looking at me surprised this is a text we read almost eight times let's be short it look like where is that where did he get that from so while were yet sinners he died for us that a man would die for

a good man but he died for us why were yet sinners why were yet sinners why doing anything good why we're not doing anything imagine telling somebody take your bath before you take your bath it's being stupid now take your bath before you take your bath no you can't take your bath before you take your bath if you want me to Bath just let me bath and leave me alone in peace take your bath before you take your bath you didn't get it clean your body up properly before you get into the bedroom that's what mile examination looks like so Jesus can clean you but you are too dirty for him so first clean up your heart first then he's not my savior then he is not the one who saved me I've already saved myself then I now met him and two of us will now collab to finish the rest work amen but Salvation is not I do this and once that basic is not known then there's lot of argument about is salvation really by Grace salvation really or is Jesus playing on the cross so what exactly did he do on the cross we always ask Easter is coming again we ask them again then all of a sudden only on Easter day they will emphasiz Jesus died so what did that die death be Resurrection what does that now mean if we are going to moralize you say no no no you know our Behavior matters how can you who has ever said Behavior does not matter our behaviors obviously matter how we act in Christ Jesus matter how can you say how somebody behaves does not matter how you behave matters how you respond to people talk to people treat people love one another I mean all of that matters our conduct one to another matters conduct matters the Bible does salvation is not to ha with good behavior no but behavior is not what makes you a child you have to be born to be a child you have to be adopted to be a part of a family and the Bible uses those phrases to explain how we got born again amen how we become a Believer so we shouldn't moralize the solution no instead preach Jesus instead preach the gospel instead preach the word of God instead preach the gospel of the Kingdom instead preach salvation instead preach justification any of the different things you will see in the Bible preach that preach the word of God preach from the scriptures and leave moral examination alone just to uh butress that point there's a a story Jesus told of two persons um Gentiles by the way one got a healing in fact both kind of like got a healing one her child got a healing but Jesus told a story of two persons Luke chapter 4 let's read that story Luke chapter 4 Luke CH 4 and verse 17 and there was delivered unto him the book of the prophet Isaiah and when he had opened the book he found the place where it was written the spirit of the Lord is upon me because he has anointed me to preach the gospel to the poor he have sent me to heal the brokenhearted what has he sent me to do have sent me to heal the brokenhearted to preach Deliverance to the captives and recovery of sight to the Blind and to set at Liberty them that are bruised now this is Isaiah 61 that is reading from to preach the acceptable year of the Lord the day of salvation the acceptable year of the Lord everybody's welcomed in and he closed the book and gave it to them and the eyes of all of them that were in the synagogue were fastened on him and he began to say unto them this day is this scripture fulfilled in your ears I've taught you in this what fulfilled means and all bear him witness so just like what Isaiah did there that's so this days this scripture fulfilled in your ear and all bear him

witness and wondered at the gracious Words which proceeded out of his mouth and they said is not look at their response look at their response to gracious words so they rejected the words is not this the carpenter you missed it is this not Joseph's son is this not the carpenter but okay with 23 and he said unto them you will surely say unto me this proverb physician heal thyself whatsoever We Have Heard done in Capernaum do also here in the verse 24 now notice the statement and he said verily I say unto you no Prophet is accepted in his so they obviously rejecting what he's saying if somebody is accepting you will not quote a proverb now a prophet is noted in his own country you know we like this is another this was Jesus in Mark chapter 6 where he could do no mighty works so that's the one people are familiar with but notice what he now says look at how Jesus now preaches acceptance he will tell a story and I tell you of a truth many widows were in Israel in the Days of Elijah when the Heavens was shut up three years and 6 months when Great Famine was throughout all the land but unto none of them was Elishah sent save unto Zarephath the city of Sidon unto a woman that was a widow next story he would tell and many lepers were in Israel in the time of Elishah the prophet and none of them was cleansed saving Naaman the Syrian and all day in the synagogue when they heard these things were filled with this is the proper response when people when we realize that you can't moralize salvation this response is the response that always come from the people who kill Jesus and it shows you why they are not why they deserve damnation what were you thinking I was going to say before it always shows why they deserve damnation because they are too good their conduct their behavior they are too okay they have everything figured out you can't you can't nobody can come and tell me nobody no no I know what I'm doing I know what I'm doing they have everything figured out they don't need any help they don't need any savior so they will live without the Helper because they they have their life figured out the helper is not needed in their Earth they are doing fine on the earth without the helper they are doing fine on the earth without the lord it's okay don't stress me with all this Jesus I know what to do I know the good to do and I know the evil to avoid symptoms of the tree of Good and Evil again man always believes he knows the good and so Jesus told them a story and you would think they should have been thinking because they knew what the story meant now the challenge is most preachers don't know what this story meant why is he producing this indignation because he had just told them he uses examples that they are very familiar with how can Jesus endorse two strange persons as an example of it two strange persons that are not Israelites too strange a prophet is without remember the verse 24 no prophet atted in his own country it's not so he now says look at how Elisha Elijah and Elishah story Elijah goes to Zarephath and a widow of all people a widow many lepers in the time of Elishah none were cleansed except Naaman the Syrian what do those two people have in common the Widow of Zarephath and Naaman the leper what do they have both in common they are both gentiles thank you they have never been in the temple at Jerusalem they have never offered sacrifices no circumcision no Feast they have no single point of Merit they have nothing they bring into the story other than the fact that they were accepted they have nothing they

can bring into the story they have nothing of Merit that they bring into the story they both bring nothing to the table there are many widows in Israel in the days of Elishah born to none of them was Elishah sent but to that Widow many lepers people situations are not changing because they are holding on to the wrong narrative many many many widows many people were going through issues To None Was Elishah sent many lepers none of them got cleansed because none of them came oh boy no leper came to meet Elishah none no one came nobody nobody ever showed up at Elishah's door there were many Le not I said there were many so why were these people now filled with rot with the story Jesus is saying because he's endorsing two persons as an example of Faith how are we saved by faith if faith alone does not save then you are not saved the same issue with uh let's throw in a third person to the mix Rahab Rahab has never been to Bible study she has never attended a baptism class Ray uh RAB has uh never had Godly friends she has never offered a sacrifice except to her B in a hook up business except you have forgotten in fact her name is still unchanged even after salvation RAB why you you didn't you were too holy you didn't so that POS part didn't it doesn't stick something [Music] this but she affirms and say your God is the true God that's what she say to the two spies for we have heard of the tales of your god of what you did in this land this land this land he say when you come save me she already knew that that their God is the what saves people I've told you whose side are you on are you on the Lord's Side whose side are you on the they always draw the line do you Ser Yahweh or you ser bar ID do she said your God is the true God the Widow NE and there's a I've mentioned this NE story on S Forces before when we're teaching that NE story is very important because NE says NE story will give more context to the Widow story because NE man after getting remember El Elishah doesn't even break his word he just tells her Elishah doesn't break any doesn't break his word at just say go deep yourself she he didn't want to deep himself the the servant get convinced I will not read it in just be assuming the story why should you assume a Bible story go read your Bible it's a popular story he comes back he dips himself he gets healed we Soo the story that of let story we learning Gaz part because everything is always Bader that's how gazi became lepos what led to so that NE man after he had gotten healed he brought many gifts and he says a particular statement he say you know my work you know the king is old and frail and when let me read it because there's just no way I can pass any point across without reading it unfortunate that the story is bouncing back to me people are clueless with scriptures second Kings chapter 5 and nean was rough and went away and said behold I thought he would surely come out and stand and call on the name of the Lord God and strike his hand over the place and recover the leper verse 12 and not a second Kings chapter 5 and papa rivers of Damascus better than all the Waters of Israel may I not wash in them and clean so he turned and went away foolish guy at some at a point but of course the lady convinced him because I did not better reverses also see the same way but not the way he expected so she her um the ne story gives more context to the Widow story that's why Jesus put it two together for explanation and his servants came near and his

servants came near and spake unto him and said my master if the prophet had beat the to do a great wouldst thou not have done it how much more when he said to thee wash and be clean then when he when then went he down and dipped himself seven times in Jordan according to the saying of the man of God and his flesh came again now so the story is the story of the healing of NE but within the story something happened to Neon and we are going to see it NE got saved but it doesn't look like he got saved because of people don't this is not to excuse many things will get there I'll say that as well just not to excuse and say oh wait till your dying day and I think i' oh I've already said that in this series that waiting to your dying day is quite crazy very very wasteful living because you are at a disadvantage though you are in Christ Jesus but you are not starting in a good footing because you know nothing and because he's not singing Lula B how do you share in God's good rule when you never learned anything never knew anything about the Lord Jesus but just like you trying to asire the Lord of course but I don't want to go back there just we have said so many things in this series sorry if you're asking me questions ask it to the series go and start again from part one that's being more disciplined all right 2 Kings 5 verse 14 then went he down and dipped himself seven times in Jordan according to the says of the man of God and his flesh came again like unto the Flesh of a little child and he was clean and he returned to the man of God he and his company and came and stood before him and said behold now I know that there is no God observe salvation now I know that there now now I know because this is what a man affirms and he sa but we don't like that because we believe the behavior is very important of course the behavior is important but the behavior is not what gets the man saved is that that affirmation has the power to confirm and change Behavior so nobody's going to tell this man but you see this man knows how to make amends he says behold now I know that there is no God in all the Earth but in Israel now I know there is no no now I know there is no God in all the Earth but in Israel now therefore I pray thee take a blessing of thy servant and he said as the Lord leaveth before whom I stand I will receive none and he urged him to take it but he refused and neon said shall there not then I pray thee be given to thy servant two me Bings of Earth for thy servant will henceforth offer for thy servant will henceforth offer neither Burt offering nor sacrifice unto us other gods but unto the Lord nobody taught him that I am going to pour my life now in service to Yahweh that's true salvation that statement first he had said I recognize no other God except Yahweh sorry I thought we are reading it now okay say you are using Yahweh the Yahweh that is confusing us please stop that yeh is the proper phrase to use there verse 16 uh where is that again verse 15 for there is no God in all the Earth behold now I know that there is no God in all the Earth but in Israel so your God is the true God now Israel's God is called Yahweh that's the national name that's the national name of Jehovah in transliteration but prefer stick with the word is more exact means that he shows you no Bible please stick with the word Yahweh not because of the Jehovah Witness people just because take if we don't have the time just please please for my sake have time to start I'm already trying to avoid not bending to another road it's not now want to convince you you

are correct sir I don't know what I'm teaching thank you sir but for the sake of my teaching just agree y all right beautiful some people always have a point to prove thank you you win this one you win Jehovah yes put Jehovah your own thank you okay all right no argument let's get the point the point I want to say is the point I'm going to say so you can be seeing Jehovah in your own mind it's okay to fight so NE emphasized and said there is no God in Israel sa there's no God anywhere else except the god in Israel so he has affirmed that then he goes further and said I will from henceforth I will henceforth I will hence offer neither B off or S unto other gods but unto the Lord in this thing the Lord pardoned that this is the interjection and this is the part that people don't know what it means in this thing the Lord pardon thy servant that when my master goeth into the house of remon to worship the not him my M who is his master the king and he leant on my hand who is who is NE man the the king's God number one soldier with the King AB so you know the king is old the king is fra if you can't understand that one English language why is the king leaning on his hand because the king is weak and frail the king will trust his trusted General to defend because when you are getting that old you know how power too works so that people don't kill him and become king easily so his Str have to be with him everywhere that's why that King wrote look at the person the king wrote letter and said heal this man that's why king of Israel to his cloth and said they don't come bring fight come that Elijah said let him come he will know that there is a God in Israel back I don't have time to read That's the background story so he says in this thing the Lord pardon thy servant that when my master go into the house of rmon to worship there and he lean on my hand and I bow myself in the house of remon when I bow down myself in the house of remon the Lord pardon thy servant in this and he said go in peace elishah seemed to believe he was still saved and this is people have asked me this question then what does this mean he said but he's going to Bow I said don't be stupid he's not bowing that's why I say pardon me in this thing because as the king is bowing I have to follow the king to raise him back up because the king is leaning on my hand is this thing I hope is not going to look like I'm really not saved the man say come off it Elisha said come off it you are saved you are saved why because it is of the heart now that man will never be known on the earth like he's a Christian there are many persons you will never not believe in Jesus until that last day that are only two Believers right because there are people you have written of you are not God you are not their lord you know you know how we speak pompously and say no does not know Jesus know Jes how do you know he know Jesus did didn't tell you is because is from their action now if anybody had ever quized NE man he would emphasize he had already said before I will henceforth offer no burnt offering to any other thing other than yah so what does he do notice this is where it gets interesting and he said unto him go in peace so he departed from from him a little way sorry I didn't add the verse 17 part I emphasize that part let's go again and neon said shall there not then I pray thee be given to thy servant two me Bing of Earth now what did say give me this volume of sand why why is he saying give me this give me sand Asian practice that sand because he have said there is no other God except

in Israel that's why after he says that so this is that verse um that verse 17 is plac there for an emphasis for you to see how really really really really saved the man is when David will leave Israel wander off into the Philistines land he said now that I have left God he made it look like he was losing his salvation living and he said he will now go and worship other gods he made living Israel look like he was going to worship other gods I've said this in unseen forces uh in that teaching in unseen forces mention this but I would read that second Sam one minute let me verse uh the second Kings chapter this is not my note guys have toen me out of my note but well and am man said shall then not then I pray thee be given to thy servant two me boardings of Earth for thy servant will henceforth offer neither burnt offering or sacrifice unto other gods but unto the Lord and empasis who did he say he will [Music] offer so he say will no longer now you don't need sand to offer Burt offering simply uh in those in their Asian practice when they cross the River Jordan they also took sand there just as a monument now this man wants to take sand Because he believes that Israel is sacred ground so Israel is yahweh's portion when God is inherited the other nations and started a new nation for himself calling Abraham and Sarah and and later a nation is born so this man is affirming that your God is the true God your God is the god that should be worshiped Hallelujah your God is the true God your God is the god that should be worshiped now he takes sand that sand is taking there is symbolizing that I believe that your God is the true God that's is what he's communicating to Elisha and the people all around him that I have taken from this sacred ground it's just an Asian practice it's not Christianity be taking s is silly it's just an anient practice that is used to show that there's something special about this place there's something special about this place so him taking that sound they just the same way he say dust your foot anywhere you go and preach and they don't accept you say shake up the dust of your feet on them it's just a sign of rejection that this nation this place will be destroyed this place will be marked out for Destruction so it's just anient practices Hallelujah so that's what the man does there and he says this is so I'm not going to worship any other God but in this thing the Lord pardon that servant that when my master my master goeth into the house of rmon to worship there and he leanth on my hand because I am his support and as he goes down I go down with him can the very intelligent man can the Lord see my heart to know that I am not following to worship remon because I no longer worship Ron because I have pledged my allegiance by taking sand I pledge my allegiance by taking sand and by affirming that he is the god I want to Ser from now for will Yahweh be powerful enough can he see that that I'm following the king to go down raising the king back up will he know that I'm not worshiping remon elishah said go in peace shalom shalom Baba it they okay so he departed from him a little way somebody asked me this question uh in the it says now as much as uh I'm not trying to endorse it that you should stay uh from a Muslim background and the challenge was they're not allowing me they're not allowing me come to church I still have to go to the mo I still have to go to the mo and I said ultimately now that you are saved it's about making a decision of course it's going to come with a lot of persecutions but that does not change the

fact that you are saved say oh what about the fact that I I enter into I said you can enter into a bua you enter into a building how does that make you the there people who come to church and they are not safe they come to church all the same you can enter into the building and a friend of mine that was there when I was giving him the answer I felt like I was too gracious no no no let him suff I said no he will make that decision himself of course he is the persecution that he's afraid of but he will that thing is in knowing the Lord Jesus as he walks with the Lord more he will make that sacrifice this story now unfortunately we don't know how it ended later later many years afterward and I have never done my research in that and I am not saying you there are more important things you need to do research in your personal life for don't waste your time curiosity that is not guarded can lead to the destruction of your life in the name of your are curious I know that Curiosity to become something unnecessary curiosity you be researching what the not send you know have focus and direction in life now that NE Man story maybe later on now he remember the emphasis he's not worshiping that raymon that's number one thing you must cancel out in your mind so he simply found in the temple so somebody was asking uh all these different Christian groups that don't affirm Jesus Christ I will tell you the same thing J White all of them anybody that believes in Jesus that Jesus's work on the cross is enough which they don't now the issue I have gotten many of such person save some of them at least one or two or three I know were still fellowshipping in those places but they no longer held on to those belief system so for them it was just a matter of how do I tell everybody that I'm totally against all of this you cannot tell me those people are not safe and that's the challenge we say no they are not Sav they are not safe no they are saved the issue is that they are still cowardly they have not made up their mind to publicly say that's not what NE man is doing NE man is not like that NE man is even far beyond that case NE is simply saying I am the king's trusted General I cannot because of will your God that's if he had said God will not understand then maybe would have now been able to accuse NE falsely but we can't accuse him fely because elishah told him it's okay Elisha told him is okay God can see your heart he knows that you are really really safe and that's for me is the emphasis um this is different from we Ling we don't judge those ones are possessed and if you believe that you are possessed to with them it's just there's nothing about that just a devilishness we that's not what we are saying where you say uh in my heart I believe in Jesus but I am a this is what I want to do all the days of my life no you don't believe in Jesus to justify that position and say the same thing is not the same thing there's a the difference here is why the story is told let's not leave the context the reason why Jesus tells the story is to teach faith alone that these people brought nothing into the story they had nothing of Merit to offer they were both Gentiles strangers from the the Covenant the the no circumcision no priesthood no anything according to the law yet they could affirm Yahweh as their Lord that is the emphasis just like J said whose side are you on so do you believe in the Lord with all your heart just like uh Samuel when he was ordaining David to be king he saw ear up and the Lord said no G don't look at 1 Samuel chapter 16 God does

not see the way a man sees for man looks at the outward but God looks at the inward now that is what we have been emphasizing with this story once you cannot see that what God looks at to be sure a man is saved is not the outward is the outward important oh boy obviously it's important but that's not what God is going to look at God looks at the core has this person's heart been regenerated has this person's heart been redeemed has this person's heart been washed and that's what we say no never never never you cannot tell me you cannot tell me and that's where we need eyes to see because there are people who look like they can never hurt a fly but they are killers there are people who look like they can hurt a fly but they have not hurt anybody once go beyond the facade the facade go beyond all of the veils that people wear and look at people the way God wants us to look at them 1 Samuel chapter 16 just read that text again today it's not my day of assuming anybody knows a text of scripture verse six and it came to pass when they were come that he looked on eliab and said surely the Lord's anointed is before me but the Lord said unto Samuel look not on his countenance or on the height of his because I have refused him for the Lord seeth not as man seeth for the man looks on the outward appearance but the Lord looketh on the Hebrews chapter 4 Hebrews chapter 4 and verse 12 Hebrews 4 and verse 12 before we read 12 let's read from verse uh 10 for he that is entered into his rest he also has ceased from his own works as God did from his let us labor therefore to enter into that rest let any of you should fall under the same example of unbelief for the word of God is quick and Powerful the word of God the gospel the word of God is quick and Powerful sharper than any two edged sword piercing to the divide as of Soul and Spirit and of joints and of marrow and is a divider of the thoughts and intents of the heart so God's word can see the heart be verse 13 one two go neither is there any creature that is not what but all things are seeing then that we have a great high priest that is passing to Heaven Jesus the son of God let us hold fast our profession for we have not an high priest which cannot be touched with the feelings of our infirmity but was tempted in all points but was in all points tempted like as we are yet without sin Let Us therefore come boldly to the throne of grace that will May obtain mercy and find Grace to help in time of need so somebody tells me that um because of my skin color because of the tattoo on my body because of the way I'm dressing if I come boldly to this throne of grace to obtain Mercy I won't find you because God is going to look at me and say no you say no that's not what we are trying to what are we now actually trying to say when we say it's not by when we say it's by moral examination no if the once your moral examination what kind of morality makes you proud what kind of morality what kind of I know who I am I know what I have done I know what I cannot do will make you not to accept help that's why you deserve damnation that's not morality and Isaiah calls that filthy rag menal cloth which will be our language for today for if we are going to use that phrase asah called filthy rag it will be menal clo that's self-righteousness and that's not what saves a man what saves a man is the work of Jesus on the cross what saves a man is what Jesus has done for what God has done for him placing faith in that is what saves a

man Isaiah 64:6 if you are looking for the context yeah filthy Rag and will fade away like a Le so it's God that justifies amen Romans chapter 5 therefore being justified by faith we have peace with God through our Lord Jesus Christ being justified by faith we have peace with God go backward one chapter back Romans chapter 4 Romans chapter 4 for making progress uh Romans chapter 4 now I'm going to trust you know how to read and you don't tell lies Abby all right we're going to see people who can't read today because you are more righteous than the Lord Jesus what shall we say then that Abraham our father has pertained to the flesh has found If Abraham were justified by works he had way of to Glory but not before who so If Abraham If Abraham that is called the father of faith if he have something to Glory of if you have something to boast in if he have something to boast in obviously will not be before God so if it is his works if it's based on his conduct is not God he will become remember how we come before him come boldly to the throne of grace where we obtain mercy and find Grace to help in time of need so if I come will I be accepted if I don't come I will not be accepted but if I come I will be so if Abraham were justified by works he had we off to Glory but not before who so he can find things to boast but it's not God he will be boasting that boast before for what said the scripture Abraham believ and it was counted unto him for so Abraham believe what God Said So you see that it's not remove believing say God is in my own heart God is in everybody's heart no no no that's are excuses that people make for not believing in Jesus it's not those lies it's not we listen we don't judge and the person is not saved I know why I'm saying it so that you don't say is I'm capable of saying what I want to say I'm not stammering to say any of my point I'm not stuttering to see any of my point AB be all right for what say the scripture Abraham believed God and it was counted onto him for righteousness now to him that WTH is the reward not Recon of Grace but of depth so if I have something I want to use to boast before God he say it is depth now you go hold God s all right it can't be Grace but to him that WTH not but believeth on him that justifies who that's our God he justifies the ungodly so if we say we are not ungodly if we say we have no sin then we can't be saved because what is not dying for what is not saving us from if I say I don't require help I don't need any I I I'm good and fine I don't need a help I don't need a savior I don't need anything from I don't need Jesus I don't need the help of God to live then I'm not going to receive it so but who did he justify the ungodly his faith is counted for righteousness even as David also described the blessed of the man whom God imputed righteousness with Works sorry now righteousness with um let's read it again maybe it's a mistake even as David also described the blessedness of the man unto whom God impute righteousness with Works no it's with works so so for salvation is called without works for righteousness is called without works why is this thing painful to the Pharisees the modern day phes to see again I present to you he may really not be saved once this pains a person the person is a hypocrite is a hypocrite any person who is always offended that people are Justified without their works is not a gracious or merciful person it's a wicked person masquerading and that's why they deserve their damnation because you say I don't he no no no no no no

I can help myself I can on my own on my own on my own do it yourself do it yourself I don't need anybody no even as David also described the blessings of the man unto whom God impus righteousness without righteousness without works righteousness without is is it saying that the righteous man will now have no conduct no to be righteous to be saved and that's the difference between preaching craftily he not saying when you get save your behaviors are how you act how you behave is irrelevant no he will teach you how to behave that's why you now have the Lord in your life he will tell tell you this is the way this is not the way he will show you how to he says I'll put my laws in your heart and I will cause you to walk in my way I will cause you to walk in my statues I will cause you Canan call it the force of righteousness f o r c e I will cause you I will force you I will make you to walk Ezekiel six God is not the one making me that's why as many as are led by the SP I that word LED is not Divine Direction in that Romans chapter 8 as many as are brought forth by the SP that's the proof that you are brought for by the spirit where God not they talk to you you know they hear God when last you hear God say I don't hear God anymore me and God we have gone our separate ways we can understand me maybe because you say you can understand yeah yeah people say stupid things that they had don't believe you're just saying because of what you are going through but it's different from the believer that is now there are things we say ah sorry oh again we have to be people have to be very uh is that we don't have normal human beings again have you not said things that you really not believe have you not said things you never meant so everything you say in this life you mean it it's not everything you have ever of course you should say the things you mean but it's not everything you have said that you meant now it's just based on how things be now women knows this one more now you will not understand if you are in a relationship you will know those of you in relationship you will know go they take the you could take twoo there a way you take a woman's word too seriously you will never have a good relationship to a good marriage either see I didn't say all women the world don't he what I I'm responsible I say what I you looking at me you I'm talking to too not saying it I'm saying something that is everybody knows well the people that are in a relationship and married are looking at me you sorry oh people are not you took everything word for word line say you quoted everything say this is our no no no no I'm not generalizing I'm not you know I don't speak down on the female gender neither do I speak down on the male gender however I think it's quite easy popular clear to realize that um based on that societal defect based on over the years of marginalization there has been a we have to speak our mind we have to speak our mind and no no you can't push me down because there's always this feeling maybe the man is trying to suppress the woman maybe the man is too powerful so the woman so there's Expressions not all I don't believe in all I don't do generalizations but many of you have experienced that and you have seen that majorly married people and pre about to be married you should have seen that where is that coming from so people that should have resonated again but I things not ever resonate with I don't know which world you guys live in if we are living in different planets because that example was supposed to

resonate with you also and say oh that's true it really has happened it's not everything the woman did not mean it like that that's why when the man is recounting his story he now says it word for word that this is man said that's not what I meant that's not what you meant that serious thing you say say no but that was just I know have begged I and when I Cel people for marriage I always say you you hear husbands and wife newly married newly weeded or you say things the woman say I'm tired I'm tired of this marriage she not mean like what she just meant was that this man is not do you really love me so do you really love me look at the statement I'm tired how does you really love me I'm tired so you now teach that foolishness a way that you cannot always be using phrases like that you cannot always be using phrases like that those phrases are devilish any more I'm done I'm done your wordss are powerful do you really want to be done so let's say the things say no you understand we should not understand bad behavior that I give it as an example does not mean I'm justifying the behavior are you following behave where and don't do I'm a female I'm a a female and a male is the same fruit of the spirit that male and female all right don't justify bad behavior with gender it is ungodly all right verse five but to him that WTH not but believeth on him that justifies the ungodly his faith is counted for righteousness verse six even as David also described the blessedness of the man unto whom God imput righteousness without righteousness with doubt saying blessed are they whose iniquities are forgiven and whose sins are covered notice what he says in verse S blessed are they whose iniquities are forgiven he didn't say blessed are those who never sin blessed are they whose iniquities are forgiven whose sins are covered who never sin verse eight blessed is the man to whom does not sin blessed is the man who does not sin blessed is the man is that how he got saved prior to before Rahab meeting Jesus if God was imputing sin on Rahab would Rahab have been Justified would Abraham have been Justified now our story with NE have been Justified no but he's not imputing sin in said he's going to wipe the Slate clean this is how I now see you this is who you are before my eye this is how I see you blessed is the man to whom the Lord will not impute sin so when it comes to Salvation Romans 5 ver1 therefore we are justified by Faith by Faith by faith and emphasis is by faith verse the same Romans 4:16 therefore it is of faith that it might be by grace to the end that the promise might be sure it is of faith that it might be by Grace it is of faith that it might be by Grace it is of faith that it might be by Grace it is of faith that it might be by Ephesians chapter 2 and verse four and five but God who is rich in Mercy for his great love where with he loved us even when we were dead in SS had quickened us together with Christ by Grace by Grace ye are this is it by Grace you are saved by grace you are saved and has raised us together and made us sit together in Heavenly places in Christ Jesus that in the ages to come he might show us the exceeding Riches of his grace in his kindness towards us through Christ Jesus for by grace are ye true faith and that not of yourself it is the what it is the gift of God the gift of God not of Works lest any man should look at verse 10 for we are his we are his workmanship remember he will not throw away the artwork because of death he gave different painters revived this painting they refused

they couldn't re revive it he did it himself we use that example it resonated with you because you're an artist he had revived his pain work so he said we are his workmanship we are his masterpiece created in Christ Jesus what created verse 10 come on Read With Me Now created in Christ Jesus unto thank you are you seeing it now funny enough there is a way you will say this it will look like you are trying to cancel out the first where you say that it is without works that we are righteous then there's a way you also I'll explain it too there's a way you also say this it will look there's a way that's why htics is also taught there's a way you will say it we are justified by faith doesn't matter what you do now that you are saved that's not what we said sir sorry oh you don't de lie again that's not what we said we are justified by faith it is not your behavior that saves you preaching good it is not what you have done that saves you preaching wonderfully you can come to Jesus just the way you are amazing God is not counting your sins against you superb you are still on a role but once you change that statement to it is good that you know that how you behave does not matter before God ah you your own that's going too far that's the OV excitedness no no no there's no no biblical writer said that thing you said and there's a reason why they never said that because it will you will suffer greatly when you now want to now disciple people you have taught that kind of foolishness you suffer way to disciple such people so what do we do we simp simply are able to tell them this is what Jesus have done for you this is who Jesus has made you to become we preach the scriptures the remember I told you Bible teaching is Bible explanation we don't have to uh make up conjectures we don't have to U find our own words and phrases embellish them so well and present them and before you know we have started saying something else that the Bible characters were not saying Bible teaching is Bible explanation we use Bible phrases to pass Bible meaning to people is that okay so I am righteous that's why it's called free of righteousness so once you walk for your righteousness you are a mad man in fact to Paul you a fool oh foolish Galatians who has Bewitched you now which they don't they don't yeah don't chop which being silly it's called free gift gift already shows that is free now are they free just in case for those don't know grammar free gift of righteousness you don't walk for justification you receive it you don't walk for salvation you receive it we have received the forgiveness of sin we have received the forgiveness of sin we haveed Hallelujah and it's not based on our Behavior God looks at see the last three weeks have been amazing because of that you are now my son so sir that question always comes up so sir are you not saying oh if my next three weeks is not amazing I'm no longer going to be accepted you'll still be accepted but just that now you will suffer losses because it going to come at a cost to you not how God sees you but how you relating with people that's why we emphasize conduct so see how the biblical writers brought in conduct not because God is going to stop see me less my brother is going to stop seeing me my brother is going to see me less my sister is going to see me less we're going to have issues we're going to have frictions things are going to happen one to another that ought not to and ultimately we won't be glorifying God won't be Imaging God properly to each other so a lot of things we can say about that but how does

God see us and we have emphasized that in this series I want to quote uh there was an exact phrase I used oh boy taught a lot of things I think I taught that part 16 part 17 I use that phrase okay yeah part 16 I've quot I want to quote the exact phrase I used I read it again on Wednesday so this is the eighth time on we're reading this thing now he has forgiven us of sin when we say Jesus died for my sin was buried rose again he has forgiven us of sin all sin by dealing with the consequences of sin and removing Sin from his sight as separation also breaking the hold of the powers of the sin and unseen forces we hand power to when we sin have I said this before have I said this more than once in this series okay beautiful because we are tying bring tying everything together to conclude this series he has forgiven us of all our sins how did Jesus do that by forgiving us of all the consequences of sin and I will have explained what that means now these are statements that have a lot packed into them and I've unpacked it for you throughout this series all right by dealing with the consequence of sin and removing Sin from his sight as a separation so sin can separate us we stand irrova before him we can stand faultless before his throne because we are standing with the aqu that he has given us when we come before his we came before him to obtain mercy and Grace and find Grace to help in time of need and he said Justified not guilty that's how he will always see us because we have been called not guilty so you say what are you there now you can't be here again now you are I already say you are not guilty I already say you are not guilty that's why he keeps saying to us so we are irreal before his s we read Colossians 1: 20-22 for that Ephesians 1 verse4 he created us in Christ Jesus that we should be holy Without Blame before him with Without Blame before him in love Ephesians 1:4 Without Blame Without Blame AB all right spot wash us without spot or wrinkles Jude 24 to present us faultless before his throne so he said he dealt with the consequence of sin remove Sin from his sight as separation and also breaking the hold of the power of the sin and unin forces we hand power to when we sin so he has broken the hold I emphasized this last week Sunday where the believe the man that is born again now have said she so let's say she was a protitute before she have you have lost your Hold On Me she may struggle a bit because she's coming from a certain lifestyle and that's why it's difficult for people who have not been forgiven to understand forgiveness it's difficult for people who have never received Grace to understand Grace it's difficult for people who have ever been shown Mercy to understand what it means for somebody to be shown mercy so they are full of thems hypocritical to him that is forgiven much loves much Jesus said you don't know why this woman is using her hair to wipe my feet leave her leave her but again they have already gone to go and Jank yank the woman off and they say they still respect Jesus but they didn't even wash his feet but that woman turns to be a preacher of the gospel Mary madalene as we call her though stupid people always associate her with Jesus as a wife people will always say all man of stupid things doesn't mean that they are right you know every more there's element of Truth all the rumors about Jesus none were true don't get your fact the wrong way but there's forgiveness of sin with God hallelujah amen where money was controlling me you could even kill your father or

your mother for money but you did not but God help help you at least before you met Jesus but now you have met Jesus money controlling you that hold has been broken that's why we say no Christian have a sin problem it's just that you like doing those things that are wrong not because the hold is still there where you say I can't help it no you can help it you can help it oh ah you can help it no no no no no no no no that's what being born again means being born again means that the power of sin is broken over my life it means sin has no hold no control over me to detect what I will do and what I will not no no you can't control me I can so every action a Believer does that is wrong I've said it to you over the years that's why we say it's a mistake as much as we call it a mistake doesn't mean that you did not do it with your Clear Eye you must realize that you have that much power to start and stop not that I can't help it no that's the unsaved man and when we begin to understand the power of the Forgiveness of the power of the message of God's grace it sets us right you become a more loving person a more a gentler person you you are you are kind you are patient you are more tolerant you were not any of these things before that is what it means when we find the man Jesus when that woman notice the woman caught in the act when she met Jesus Jesus neither do I condemn you because if we come before his throne we obtain she was looking for mercy and God is how was she justified by her conduct she was just cut in the heart she had no conduct but what did Jesus Show Jesus show that even those who wanted to Stone her and her all of them are all deserving of mercy so which of you years without Stone the people that were with stone plus the woman all of them dropped their one by one and left for there was none to accuse that meant every one of them were deserving of God's mercy there's none that comes to him and he will in no wise cast out that's a savior that's why he's our savior he will in no wise cast out he's a Justified fire amen he's not saying how you behave no how can a father says that to child how you behave don't matter how you behave matters but it's not your behavior that makes you my child you are my child because you are my child now ask my child there is a way to behave but I'm not going to God is not an erratic father I disown you I I I accept you I don't accept you I no no no no and it is that power that people still don't know that that is a power it is that power it is that understanding that God and me are in an Inseparable Union that we follow the lord in our behavior in how we do our things and we are better in the word of andrek says from this number of PS this number of pars for you know no more PS nah can hear that kind of thing say what so we haven't seen Improvement we are seen it you never so if you are so you will know but we want it to be overnight some results will be overnight some will not be overnight but God Saves to the uttermost Hallelujah and it's by grace that we are saved not our conduct did you get it so what is not to the other side of the coin what is not gotten by by moral perfection cannot be lost by moral imperfection yeah that's the truth so while we are free no we can't be free that's just what I told you we can't be free to not misbehave that is not a statement that that frees us to misbehave that's a statement that makes us see the awesome Grace and power of our God Amen are you following as you have received him so walk ye in how did you receive him by grace through

faith how do you continue to walk in him thank you so we read that Colossians so as you have received him so walk he in so does the bible teach us how we are to walk Colossians 1 verse 10 that ye might walk worthy of the Lord unto all pleasing being fruitful in every good work and increasing in knowledge of God so is that spiritual growth but this is not how you got saved he didn't have he didn't say to be saved you first have to walk worthy I don't know how to walk neither do I know how to walk worthy so but he has Ephesians 1 say we are accepted in the beloved God is already pleased with me but now he saying walk worthy so I told you because that's not how to be saved once we miss it how is a man saved by faith alone there's no plus once you bring plus there you are a hypocrite and a liar amen that you might walk worthy of the Lord unto all pleasing being fruitful in every good work and increasing knowledge of God walk worthy of the Lord unto all pleasing Colossians 2:6 as you have therefore received Christ Jesus the Lord so as you have received him so walk in him so how do you receive him by grace through faith how do you continue to walk then he says rooted and built up in him and established in the faith as he have been taught abounding there with Thanksgiving beware so he's teaching you conduct so we can't say how we behave doesn't matter no but how we behave is not what gets us saved it's not what makes me a child is not what how can God be so so so generous how can God be so lavish with his grace and his kindness how can God be so now you are getting it now once you begin to contemplate on that it takes you to your knees it makes you live a life of reverence you realize that what a God what a person what there is forgiveness of sin with him that he might be feared that's how that's how we fear him like nobody no no no no no for so the songwriters having done Justice to it though they sing second chance no God does more than second none of you here are on your second third or your fourth Chance some of you have even said God if I do it again kill me but yeah you are alive your life shows God is merciful and gracious if I ever do it again if I ever again Lord snap my neck snap me snap my neck how but you are here God is merciful and gracious and his mercy and Grace is not in saying I'm okay with sin no is that you my son you my daughter are always going to be worth so much to me that I'm not going to throw you and the Poo away I will throw the PO away but not you you are that important to me and if you let me walk with you daily which is what is now called Christian conduct it's not again oh I got saved by grace but I continue by my human strength no by human strength is never the way I got saved it's never the way I live I got saved by grace I keep living by Grace now only difference is that I got in I got saved by grace through faith and I'm living by grace through faith the only difference is that for the first by grace through faith to be saved there was nothing of Merit but now in my living by grace through faith after being saved I have things of Merit but even at that I still do not boast with them so Paul says Grace right the Christian resum I am what I am by the grace of God yeah not I I labored more abant than they are but not I but the grace of God it's emphasizing I am laboring but it's still the grace of God so all that I am doing all that I will ever do is still by the grace of God so now that I'm working worthy of the Lord onto pleasing I see I'm not boasting like Lord Kai this been two

years now and I'm it's so easy for me to follow you in Walking In The Light in Walking In Peace in Walking In Joy in Walking In comfort in Walking In it's so easy so easy so easy so easy and I'm not using that to boast no I'm see it's all about you I'm what I am because of what you have done for me Hallelujah so I'm saved I'm saved from sin death Devils WTH damnation we emphasize that on Wednesday Hallelujah I'm saved I'm saved so we moralize the issue and we said that's one of the problem another thing we have done to the problem because we make the problem just about violating codes so since we have violated M examination we violated codes we couldn't do this we couldn't do this Jesus have done it so now no that's not salvation that's not salvation was that clear enough that's not salvation so does our conduct matter yes but is it our conduct that saves us no all right then we have also paganized the solution and paganized the solution is in two fold an Angry God that needs to be appeased and the one I said when I was starting this teaching this morning when I said that's a pagan way of thinking if you can recall who can recall everybody's looking at me what did I say that is Pagan everybody's looking at me answer a question what did I say that it was Pagan oh who said that people that don't sleep in church let's celebrate that person J CL for who no answer afterlife that the two things we have done we have an Angry God and the afterlife concept and it's a paganized way of seeing it somebody came out and said all this afterlife thing I don't believe in many Christians felt attacked I don't know why Christians will feel attacked over somebody say don't believe after business now how you feeling Christians are feeling attacked how is salvation after life every religion believes in afterlife there is a so there is a world Beyond and the pro and I took my time on Wednesday so I will not take time yet to say this I took my time on W to say to really correct that position we have paganized it an Angry God us to be aace what put makes religion very strong which is the reason there's an Angry God so what does he need the gods of ikuku Village needs seven it's always virgins the gods are always devouring virgins the gods and virgins know the rest the pot of Life the Egg of Life the gods are always after young gu so when the you have not an Angry God so it needs to be appeased what do we do to appease the gods of the land seven virgins what do we need the son of the oh the this so an Angry God that need to be at peace and that's where we now have God was so angry with the world that He Sent His only begotten son he couldn't take it anymore I'm going to kill them I'm going to kill them I'm going to kill them and Jus said no don't kill them let me go down and rescue them but that's not the biblical story the biblical story is for God so loved the world it was in his love he gave not took his love gave not took he gave he gave himself salvation should not be paganized Christian salvation biblical salvation should not be paganized it is not the afterlife instead I said you should actually believe in life after life after death my spirit is separated or like I said when is anyone you Spirit or soul my soul is separated from my body my spirit from my body both mean the same thing to the biblical writers my spirit is separated from my body my soul separated from my body I am saved no no no that is not salvation but actually what salvation seeks to save us from that is actually what it means to be dead yeah that's death

if that is what you call being saved that's actually what God did not want God did not want that separation that's why there's a bodily Resurrection so oh s are you saying there's now no hope for them no the hope is that they in Christ Jesus who die are absent from the body but present with the Lord so it's not de they get save so once you now make that salvation you don't know what you are teaching they are simply still with the Lord only that now they are no longer active in bringing God's Kingdom on the earth they're not playing their part on the Earth they are just in Paradise that just in that Eternal B however salvation is that I'm raised to life now and forever now and forever and there's an in between that in between is if death happens if I die physically or sleep physically I'm still Sav but the Salvation like I said the emphasis is that we are rescued from death and that is sin in bodily Resurrection that's why Paul now say we are not going to we are saved by hope this remember this was a holistic 21 part you supposed to they holistic now we are that's the phrase when you now say we are saved by hope and I've emphasized a lot in this series by hope and that hope should not be saving us in the past you saving us in Future No but we are not going to be saved we are already saved is be that going to be is because we are say we are saved we are being saved we shall be saved I said no that was the fact the first part of this series I said we are already saved not that we are saved we are being saved we are saved we are saved I'm a saved man I'm renewing my mind and I my body is going to put on immortality amen and it's not the afterlife it's not that there's an afterlife and the reason for all of that is not oh to hell where can the Soul go because the soul is eternal the soul is eternal the so is internal so Souls some Souls will burn forever and ever and some Souls will be with the Lord in heaven forever and ever now lie now lie you talk that's why people want to that's why people don't believe in Jesus because they think they will be existing somewhere you will not exist not you those people you you believe in Jesus they will not exist any somewhere man is not Eternal God only has immortality and is a gift he gives to man this is not a Chinese movie where they drinking elixir of life to have immortality and yet they will still be afraid to die I told you immortality means deathlessness only God has that the way God created man from the beginning at the beginning was dust and with Will and dust is not immortality dust means it can change state it should rise it should not fall instead of man rising man fell of going onto higher so what was now the consequence of sin is that dust Thou Art and unto dust thou shall return God never said man should return to dust it was to dust to life and we read first 15 it is natural body it is soon Natural Body it is raped a spiritual body we supposed to put on a spiritual body corruption should put on incorruption that was always the plan it was not dust to not go back to D it was dust onto life so stop Pig organizing the solution that is not salvation the third we have platon the solution that salvation is going to heaven I can't wait to fly away because this word is not my own I'm just a passing true and I've told you that much of Christian theology has been shape by Greek philosophy that Western thought so we need an elor something to to to religion the Opium of the people to make the people high to give them a fix so okay but there's a better place we may steal all your money we may do all of this for you but there's a better place

we don't care about here we don't care about here but we fly we go we rise now lie not flying away you are here now yeah we yeah we day it is not salvation from this world it is salvation of this world God sent not into the world to condemn the world but that the world through him might be saved came to save this world the Earth shall remain forever and ever so which Heaven and Earth is taken away the heaven and earth of sin death Satan everything God in all planed is what has been taken away and that is not not this physical plane as we call it this existence as we call it that words without end Ephesians calling Worlds Without End so the world biblical Cosmos of Heaven and Earth abided forever going to heaven when we die when we die when that's not salvation but that's the most common view of Salvation and we that because that was the most common view held by over 80% of Christians we destroyed it in this series ah we did though it will never rise again so it's so s so where are we now going we are ready where we are going when and it's not about going all this go go go that's why you not go anywhere where we preaching to you got born again there didn't you know where you got born again say where are you going where are you going I did not know where you were going I stopped you on the I preached to you I not know where you were going on the road but where you are you are with the Lord I'm born again the Lord is my Lord I serve him I Ser I follow him I so and we said for lack of a better for those who could be crazy they came in part 21 and they want they have an argument for people people like that we should quickly tell them that we did not say we don't believe in we did not we did not say we did not believe in we not say we not believe in heaven I okay sorry you don't because you afraid to say it we never said if you he that you are hearing voices we never said we don't believe in heaven in fact we said we are in heaven now and we are going to be in heaven forever Heaven is not a burier ground no biblical ever thought Heaven as a barrier ground No Heaven is a place of interaction a place things are and we live in heaven right now heav Place far we are in heaven now and we explain all of that whole L explanation and we said that there's a I even mentioned a popular priest of Apollo plutar by name who was one of plateau's biggest loudest students he lived ad 46 to ad1 120 and he said We Came From Heaven this world is not our own we don't belong here so we will go back to Heavens because we did not this world is not our we did not we and that's why say where the babies come they fly from heaven then I go back it's only living this word the epicurian said the word is a Shabby place the word is a what will God or the gods have to do with this shabby existence that's what has crept into biblical studies and people feel like oh God the side of this because that's why we don't care about greenhouse effect we don't care about pollution we don't care about anything because we care about we fly we fly but we said the biblical story ends with not us flying away but with Heaven coming down on the earth because that was always God's plan what does God want on the air Genesis 1 when he created all things a family and his kingdom here and he he you can't say God failed he will have what he died for he will have what he guaranteed by himself his kingdom reigning and ruling here and that not even understood is why there is a disparity among uh what they say charismatic

and other denominations no because when you realize that you are in heaven now and you realize that heaven is the Unseen real year so I haven't told you the hidden other di other worldly dimension of our everyday life I give you many so the seen and the Unseen overlap intertwine Amen in the ancient men how they see Heaven and Earth they saw heaven and Earth as a temple we saw it together in the same place and in every Temple except the temple in Jerusalem was an image and that's the same context that Moses the first writer of the scripture wrote the scripture there is a heaven and earth then there is a man at the center which is called an image unlike the other uh imageries where the d himself a statue is molded for him now God now made man and say man is the image in this Heaven plus Earth reality man is my image man reflects me radiates me into the world show forth the prais so we image God unto God and we image God into all the world Hallelujah God created man to share in his good rule Hallelujah so we paganized the solution no and we can go on and on but that's not salvation Salvation is God's rescue plan for his creation is rescuing his creation and his people from futility from Decay and from death and who can be saved who can be saved all men whosoever call on the name of the Lord whosoever call on the name of the Lord whosoever call on the name of the Lord shall be saved whosoever whosoever whosoever call on the name of the Lord shall be Sav if I call on him do you think he will answer yeah Romans 10:13 I call upon name of the Lord shall be we don't like it that simple but it's that simple don't make salvation so simple anybody can easily be saved anybody can just easily be saved I repeated it again anybody can just easily be safe yeah anybody can just easily be safe but but but but let God worry about the B and you as a as a discip worry about that b and that b is not a b it's simply because the B is but they can't behave any who you saying they should behave any before the message that's why the message must be communicated the right way it has the power to straighten up every other issue and it will straighten up every other issue Hallelujah so the what of Salvation we have explained the way of Salvation we have explained where do salvation happens we have a savior I say where on the earth we start from creation the biblical story God created man then we saw men progress human race to Israel the Exile back to Jesus so we say where did it happen in Christ Jesus we have seen God's kingdom finally come on the earth AB how is salvation done the blood by his blood by his death by his work I mean we emphasize that second Timothy 1:9 Romans 10:10 Titus 3 verse 5 Ephesians 24-10 when did salvation happened when Jesus did the work on the cross so when did I get saved when I responded when I responded when I responded in faith that's when I got saved when I responded to why why did Jesus or or why why salvation we said the fact of human sin and love AB because of human sin and because of the love of God that's why salvation happened because the creation is in a mess so what is salvation Salvation is not we rescue creation out of the created world that is no longer salvation if that's what you have not getting about that we go to heaven we God is Not rescuing creation out of the created world what did God create from the beginning Heaven and Earth together stop seeing it as planet Planet Heaven planet Earth no just like the physical Heaven and the

Earth is one place that's how the sin and the Unseen are one place and that's how all the biblical writers understood it so every time you saw voice from Heaven sound from Heaven it was always on every Heavenly activity you have seen from Genesis to Revelation have only only happened on the Earth where was John in the aisle of pmos Revelation 8 verse 8 verse 9 and verse 10 and said I was also in the spirit on the Lord's day then in chapter 4 and a door was open for me in heaven where was he was on the Earth but he was on the earth he was on the Earth but he say I was in heaven I was in heaven I was in heaven I was in heaven where was John when where was uh Paul when he was caught up to the third heaven on the earth we must realize that there is the sin and the Unseen word so our dearly departed are still here they are just in the Unseen word here but just with the Lord Jesus because they are really saved they are with the Lord Jesus amen that with the Lord Jesus Jesus for while were yet without Strength In Due Time Christ died for the ungodly while we're yet without strength God commanded his love towards us Romans 8 5:8 but God commanded his love towards us in that while we were yet sinners Christ died for us much more then being now justified by his blood we shall be saved from rth through to him thank you Jesus thank you for your Saving Grace thank you for your love thank you for the power of forgiveness thank you for what you have done that's all we can say Hebrew says with the fruit of our lips with Thanksgiving Hallelujah we have been saved back onto God God is now home with us and it's not when we die he will be home with us no no no that those are the Christians that are going to be crying the day they are supposed to be happy cuz for them is now God is at home with them because they never took Bible study seriously so for us now God is at home with us I'm in him is in Me God is at home in me we have been saved back onto God God is home with me me I'm home with God we are living together an Inseparable Union Hallelujah and I do not forget the benefits of Salvation no no no no no no no I know what it means to be saved I know what it means to be saved I know what it means to be saved hallelujah thank you Jesus for sin death the powers of Darkness sought to separate the creation from the Creator but Jesus has put it back together in one New Creation where we say I'm a New Creation in Christ Jesus Hallelujah Heaven and Earth has been reconciled together Ephesians 1 9 and 10 to reconcile things in heaven things on the earth together Colossians 1 the same thing he has brought things in heaven things on the together Hallelujah even separating creation from creation you are Eble I'm are I'm you are this you are you are this I'm that no we one new man in Christ Jesus of one blood we all created of one blood and now we have all been saved by one blood Hallelujah one family in Christ Jesus neither Jew nor Gentile one new family so as a Christian that has been written into me now I don't discriminate I don't say who is that tribe we don't we hate them neither male nor female so say the way I was raised women don't dare not talk when a man is talking no in Christ Jesus women talk women talk even are supposed to talk in society our society is being stupid no in Christ Jesus neither male nor female NE Jew nor g b nor free one new man but a new creation but a new creation but a new creation something has been done and that's the work of

Salvation that we speak so well about we talk about it we shout it on the rooftop we preach it everywhere and people need to hear this message but their sins are forgiven people need to hear this message that what is wrong with creation God has put it right people need to hear that the powers of Darkness that keep people in bondage has been destroyed people need to hear it that God is now their father God cannot live in them and they both in an Inseparable Union people need to hear that people need to hear that they can say I want to be the better me I want to be the all those your desire to be the better better better better better have all been answered in Christ Jesus so I can rest in his love I can rest in his work I can rest in his forgiveness I can rest in the power of His grace I can rest in what he has done for me stand on your feet lift your hands and thank him this morning
